### Chapter 4241

Elder Liu hurriedly led the disciples of Zhan Tian Fa Zong to strengthen the formation, and countless spiritual vines continued to grow out!

“Hurry up and report to the sect master, things have changed. There are actually some formation masters among these pharmacists. Let him bring people to reinforce immediately.”

Elder Liu shouted loudly!

The young man next to Elder Liu hurriedly crushed the sound transmission jade slip and passed the message out!

Gu Tianchao and the people of Liangyi Sect were also desperately controlling the formation, producing spiritual blades and harvesting the spiritual vines that trapped people!

But the spiritual vines grew faster and faster, and Gu Tianchao and his men were about to be unable to hold on!

“We can’t just sit and wait, rush out...”

Grandma Zhen shouted and rushed to the cabin first!

Now that they have the people of Liangyi Sect to hold on, they will not be bound by the spiritual vines. When Gu Tianchao and his men can’t hold on, everyone will be bound and become prisoners!

“Let’s fight...” Many

pharmacists who were not bound all burst out with their strongest fighting power, intending to rush out in one go!

Granny Zhen slapped Elder Liu with one palm. As long as they rushed out, they would have hope!

If they were trapped in the cabin, they would be easily bound by the formation!

Seeing this, Elder Liu snorted coldly and said, "An old woman who is about to die wants to rush out of my formation..."

Elder Liu instantly waved out a spiritual light and went straight to Granny Zhen!

Granny Zhen's strength was no match for Elder Liu, but Granny Zhen was not afraid. Even if she died, she had to resist this blow and rush out!

Otherwise, everyone would be trapped in this cabin!

Just when Granny Zhen was determined to die, a white light suddenly came and shattered Elder Liu's spiritual light!

Granny Zhen was blown away by the aftermath!

"Zhen Ni....."

Zhong Qing suddenly appeared and came forward to support Granny Zhen!

David and Chen Wenliang also appeared in the cabin, and then said coldly: "I have long seen that you have bad intentions, and you really have some intentions!"

Seeing David and the others come back, all the pharmacists were extremely excited!

Gu Tianchao was also happy and said: "Master, they embraced the formation and trapped us to death..."

David glanced at the formations around him, as well as the spiritual vines that kept emerging, raised his mouth with disdain, and waved his hand lightly. Countless divine patterns filled the cabin, and the formations set up by Elder Liu and the others collapsed instantly!

"This... is this a divine pattern?"

Elder Liu was shocked and looked at David in disbelief, "You... who are you? How do you know divine patterns?"

"My name is David..."

David said lightly!

"David? The David who was hunted down by the Demon Sealing League with a hundred years of offerings?"

Elder Liu was stunned!

“Yes, it’s me!” David admitted it directly!

“Didn’t you say you died in the storm? How come you are still alive?”

Elder Liu was very puzzled. Feng Xing and the others said that David had died in the storm and they were going to look for his body!

But as soon as he said it, he shut up instantly, knowing that he had said something wrong.

“How do you know I died in the storm? Did Su Tianshuo and the others tell you?”

“Who are you? What is your relationship with Su Tianshuo?”

David questioned.

“Don’t worry about our identities. Since you are not dead, we can just kill you together.”

Elder Liu said coldly.

“Even if you don’t say it, I can guess that you should be from the Zhantian Sect. The formation you used just now is similar to that of Wang Qingshi and others.”

David actually noticed it when he broke the formation just now. The formations laid by these people have many similarities with the formations laid by the Zhantian Sect!

What’s more, these people are obviously formation masters, not scattered cultivators gathered together.

## Chapter 4242

“Hmph, you know what our identities are. Let me tell you, don’t think that you can be safe just by breaking the formation in the cabin. We have set up formations for the entire spiritual boat.”

“None of you can escape from this spiritual boat. When our sect leader comes, we will arrest you all!”

After saying this, Elder Liu rushed out of the cabin with his men and landed on the deck!

David and the others also rushed out, but as soon as they landed on the deck, a huge restraining force made everyone unable to move! But

Elder Liu and others were able to move freely and were not affected at all.

“Hahaha, you can’t escape from my palm!”

Elder Liu laughed!

“Really?”

David smiled coldly and walked directly towards Elder Liu!

Seeing that David could still move, Elder Liu’s pupils suddenly shrank. He was very surprised. The formation on this entire spiritual boat was set up by their sect leader himself!

And it was the secret method of Zhantian Sect. How could David not be affected at all?

Elder Liu urged his spiritual power again to strengthen the formation!

But David still walked slowly towards Elder Liu, and was not affected at all!

“This is not right. Even if you know the divine pattern, it is important to break the formation. You haven’t broken the formation, how can you not be suppressed?”

Elder Liu was stunned!

The other people in Zhantian Sect were also stunned. They had never seen such a situation!

“Are you trying to say that this is the secret method of your Zhantian Sect, how can it not control me?”

“Let me tell you, Wang Qingshi has also used the so-called secret method of your Zhantian Sect, but he was still beaten by me and called daddy.”

“Your so-called secret method is a joke in my eyes!”

David smiled coldly and suddenly raised his hand!

Boom!

At

this moment, the scene suddenly changed, and the suppressive force on everyone disappeared instantly.

But for the people of Zhantian Fazong, waves of terrifying suppressive force kept coming!

Elder Liu and others were shocked and instinctively wanted to leave the spirit boat, but the huge suppressive force prevented them from flying at all. There were even disciples of Zhantian Fazong who were directly pressed to the ground by this suppressive force!

Chen Wenliang and others who saw this scene were all shocked. Although they knew that David was very powerful, they were shocked again and again!

“Elder Liu, this...what’s going on?”

The young man asked Elder Liu with a confused face!

“This David is obviously only a sixth-grade cultivator in the realm of tribulation. How can his attainments in formation be so high? It’s really strange!”

Elder Liu didn’t understand how David did it!

With a casual raise of his hand, the formation was changed!

Elder Liu tried desperately to seize control of the formation. It was clearly the secret method of their Zhantian Sect and their spiritual boat, but now it was actually controlled by David!

“Elder Liu, let’s close all the formations on the spiritual boat, otherwise it will be over!”

said the young man!

They wanted to rely on the formation to control these pharmacists, but now the formation on the spiritual boat has failed. Not only has it failed, but it has exerted pressure on their own people. All must be closed!

“Close all the formations, I’m afraid this spiritual boat can’t withstand the destruction of the waves!”

Elder Liu hesitated.

After all, it is not easy for their Zhantian Sect to build a spiritual boat. This vast sea seems calm, but if there is no formation to protect it, the spiritual boat can be easily destroyed by the dark waves!

“Elder Liu, it’s time. If we don’t close the formation, we are afraid that we will all die.”

The young man urged anxiously!

Seeing this, Elder Liu could only take out a dark token from his body and press it lightly. The black token instantly emitted a black light!

The formations on the spirit boat disappeared instantly, and the people of Zhan Tian Fa Zong also lost their power to suppress!

However, without the formations, the spirit boat shook instantly!

## Chapter 4243

The shaking spirit boat made everyone jump up and float in the air. Otherwise, they would feel like they were sinking on the spirit boat!

“Boy, I must destroy you today...”

Elder Liu’s eyes were red, and his aura burst out, and he

rushed towards David! Elder Liu slapped David with one palm, and his palm instantly became pitch black, accompanied by black mist spreading from his palm, and the void was instantly torn apart, and he rushed towards David!

These black mists were like sharp blades, and the void was cut off wherever they passed.

Seeing this, David covered his whole body with an indestructible golden body, and the fire rose up. At the same time, he also slapped a palm, and the flames rushed out all over the sky! Boom

!

The black mist collided with the flames, making a deafening sound, and the world kept shaking!

“I didn’t expect that you, a formation master, are quite strong!”

David didn’t expect that Elder Liu’s strength was not weaker than Wang Qingshi!

Elder Liu was also shocked at this moment: “You are just a sixth-grade cultivator in the Tribulation Realm, but you can actually fight me with a palm without any injury?”

He thought that David was just a strong formation, but now, it is obvious that his strength is not weak!

But he didn't understand why David, who was only at the sixth-grade realm of the Tribulation Realm, could burst out with such a powerful strength!

"Fellow Daoist Chen, we will help you..."

Chen Wenliang and Zhong Qing flew up in an instant and came to David's side, intending to help David deal with Elder Liu!

"President Chen, Zhong Yaozun, you take people to destroy those disciples of the Zhantian Fa Sect, and leave this guy to me."

"Although he is quite strong, it is not that easy to kill me."

David said to Chen Wenliang and Zhong Qing!

Chen Wenliang and Zhong Qing also knew David's strength. Although David looked only at the sixth-grade realm of the Tribulation Realm, the strength he showed was not necessarily the opponent of the second-grade realm of the Tribulation Realm!

"Well, be careful!"

Chen Wenliang nodded, and then rushed towards the disciples of Zhantian Fazong with Zhongqing!

Other pharmacists and people from Liangyi Gate also swarmed up.

The disciples of Zhantian Fazong originally relied on the art of formation to be stronger than this pharmacist, but now the art of formation cannot be used, because there are people from Liangyi Gate. As long as they use the formation, the people from Liangyi Gate can break it. Now the disciples of

Zhantian Fazong are all livid and complaining!

All this changed too quickly. Originally, they were hunters and looked down on these pharmacists!

But now, they are being chased and beaten by these pharmacists!

In the air, the melee has begun, and disciples of Zhantian Fazong have been falling into the sea!

Seeing this, Elder Liu was extremely anxious and began to attack David again and again. He had to solve David first before he could save the other disciples of Zhantian Fazong!

The black giant palm slapped out again and again, the vibrating void kept trembling, and cracks in the void appeared one after another.

But David dodged again and again. Even if he didn't dodge, he would swing out a palm at the same time to offset Elder Liu's power!

Seeing that he couldn't hurt David for a long time, Elder Liu gritted his teeth, took out a porcelain bottle, and poured some disgusting black liquid into his mouth!

"Die for me..."

Elder Liu's eyes were full of fierceness, and he rushed towards David fiercely, and his speed was extremely fast!

David only saw a black light coming, and then he smelled a dizzy and disgusting breath!

David instinctively wanted to dodge, but found that his movements began to slow down!

Bang!

David was hit by a palm, and his body quickly flew backwards!

Elder Liu also quickly retracted his arm, his heart full of horror!

## Chapter 4244

Although he hit David, his whole arm seemed to be useless, and there was a burning pain in the palm of his hand, as if it was burned by fire!

"Damn, what kind of armor is this kid wearing? It's so strong, and there is also fire self-defense. It seems that I can't fight him in close combat."

Elder Liu felt the burning sensation from his palm, and he must not fight with David in close combat!

After David flew back for several miles, his body stabilized!

"What did this guy just drink? He actually exudes a breath that affects the mind."

David was very puzzled. The breath that Elder Liu just burst out actually made him dazed for a while, which allowed this guy to succeed!

If David hadn't had the indestructible golden body to protect his body, plus his strong body, David would have been seriously injured by that palm just now!

A solemn look appeared on David's face.

He was a little too careless just now, and didn't take Elder Liu seriously at all, but he didn't expect that he almost fell into Elder Liu's trap! This

guy not only knows the art of formation, but also has this kind of strange medicine on him!

"Senior, did you notice that breath just now?"

David asked the Red Cloud Demon Lord!

The Red Cloud Demon Lord was in his own sea of consciousness. Just now, when he was in a trance, his sea of consciousness must have reacted. The Red Cloud Demon Lord should also know it!

"The black liquid that this guy just drank should be a kind of poison made from the oil of the whale monster. This kind of thing can slow down a person's consciousness."

"Just now, I was a little careless, but there won't be a next time. I am in your sea of consciousness, and I can still let people attack your consciousness. Isn't it too embarrassing for me." The

Red Cloud Demon Lord said!

Hearing what the Red Cloud Demon Lord said, David's heart suddenly became bold!

Then he performed the Fire Control Step and instantly arrived in front of Elder Liu!

"You, you're still using dirty tricks, but even if you do, don't think of hurting me."

David sneered at Elder Liu and said.

"Boy, I know you have a treasure armor to protect your body, but let me see how many times your treasure armor can withstand my attacks."

After Elder Liu finished speaking, he slapped out with one palm!

The black palm print came towards David with a strange breath!

This breath instantly poured into David's body and began to affect David's sea of consciousness.

However, the Red Cloud Demon Lord gently waved in David's sea of consciousness, and the breath of that breath disappeared instantly, without affecting David at all.

Looking at the black palm print, David's body gently turned to one side and dodged directly.

Elder Liu was stunned, and then waved a few more palms, but each time David dodged it. It seemed that David was not affected at all.

"This...what's going on?"

Elder Liu was confused, and didn't understand why David was suddenly not affected.

"Humph, you want to affect my mind, but unfortunately I have seen through it."

David smiled lightly.

"Boy, don't be complacent. This is on the sea. We have lived in this sea area for many years and have already become the master of the sea."

After Elder Liu finished speaking, blood was forced out of his fingertips!

Ten fingertips kept dripping blood, and the blood dripped into the sea!

Soon, the sea water began to boil, setting off waves of huge waves, which almost broke the spirit boat apart.

With the appearance of black shadows, ten huge whale monsters jumped out of the sea.

Each whale monster was the size of a hill, and the situation of jumping out of the sea at the same time was simply covering the sky and the sun.

The red eyes of these whale monsters lit up, and they let out a shocking roar, as if their minds were affected.

As soon as they jumped out of the water, they attacked David!

The whale monster opened its bloody mouth, revealing sharp teeth, as if it wanted to swallow David directly.

## Chapter 4245

David's body seemed so insignificant in front of this whale monster!

Chen Wenliang and the others were all horrified when they saw this. They had never seen such a huge monster before.

"David, run..."

"Mr. Chen, run, run quickly..."

Liu Ruyan and Nie Heng saw this and hurriedly shouted at David!

So many huge monsters are simply too scary!

Many pharmacists were scared and retreated unconsciously!

Gu Tianchao was ready to rush over with the disciples of Liangyi Sect, and then set up a defensive formation to help David resist the attack of the monster.

"Don't come over..." Chen

Ping stopped Gu Tianchao and the others. He knew that even the defensive formation could not stop such a huge monster.

David offered the Dragon Slaying Sword and went towards the ten whale monsters.

Elder Liu sneered when he saw this: "You are looking for death. You can't kill these whale monsters."

David took the Dragon Slaying Sword and went up to a whale monster. He was instantly swallowed by the whale monster!

The whale monster's mouth was wider than a palace.

The huge suction force sucked David into its belly.

David did not struggle, but followed the suction force and entered the belly of the whale monster!

Seeing David being eaten by the whale monster, Elder Liu smiled triumphantly and said, "Haha, if you enter the belly of the whale monster, don't think about living anymore."

But as soon as he finished speaking, a ray of light suddenly shot up from the back of the whale monster!

David was emitting golden light, and the Dragon Slaying Sword in his hand sounded with waves of dragon roars!

The whale monster roared, screamed, and fell heavily into the sea, causing huge waves.

A golden dragon slowly emerged behind David amid waves of dragon roars.

At

this moment, the remaining whale monsters, with fear in their eyes, roared in fear, and quickly rushed into the sea, and disappeared in an instant!

Elder Liu, who was originally proud, was stunned when he saw this scene!

Before he could react, he saw a golden light coming!

Elder Liu's head was directly cut off by David with the Dragon Slashing Sword.

As soon as Elder Liu died, the remaining disciples of the Zhantian Sect were all scared and wanted to escape.

“President Chen, don't let these people escape, otherwise our whereabouts will be leaked and it will be troublesome.”

David said hurriedly.

“Don't worry, no one can run away...”

Chen Wenliang led his men to chase and kill them. It only took a few minutes to slaughter the remaining disciples of the Zhantian Sect.

In this battle, many pharmacists were also injured, and several were seriously injured.

This is still the case with the help of Liangyi Sect. If Liangyi Sect did not take action, they would not be able to beat the disciples of Zhantian Sect.

Everyone returned to the spirit boat. At this time, the spirit boat was already tattered and could barely be seen as a boat.

It was obviously impossible for this spirit boat to return to the Western Region Continent!

“Gu Tianchao, you take people to set up a formation immediately to protect this spirit boat from sinking. We now have to rely on this broken spirit boat to find that island.”

David ordered!

Gu Tianchao took people to set up the formation, and Chen Wenliang said worriedly: "Friend Chen, on that island must be the nest of the Zhantian Fa Sect. If we go to the island again, won't we fall into a trap?"

"We must find the mainland to repair now, and this spirit boat can't support us back to the Western Region Continent, so we can only take the risk to go to that island."

"And we just had a big battle, I think the people of the Zhantian Fa Sect must have asked for help, so there shouldn't be too many people from the Zhantian Fa Sect on the island. As long as we are careful on the road and don't run into the people of the Zhantian Fa Sect again, it will be fine."

David said!

"Listen to Chen Daoyou, we really have no other choice but to go to that island. There are still several seriously injured people, and most of the people's resources have been used up. We must get replenishment."

Zhong Qing agreed with David and went to that island!
