## Chapter 4266

The attack is on the opponent's sea of consciousness, so even if the statue is solid, it can't resist the attack of the magic whip!

"I didn't expect that you actually have a magic whip, but even if it is a magic whip, I'm not afraid!"

Mu Qiufeng said fearlessly!

David raised his hand and whipped it!

Snap!

A whip hit Mu Qiufeng's body, but Mu Qiufeng was fine! The

whole body of the statue was covered with array patterns, which actually blocked the attack of the magic whip!

David's face was full of shock. He didn't expect that the array patterns on the statue could even block the attack of the magic whip!

"Since the magic whip doesn't work, try my dragon-slaying sword..."

David shouted angrily, holding the dragon-slaying sword in his hand, and slashed it out with a sword!

The dragon roared, and a sword light slashed at Mu Qiufeng!

But the sword light dissipated instantly when it touched the statue, and was actually defeated by the array pattern on the statue!

"Holy Light Fist..."

"Thunder Palm..."

...

David used all his skills, but he didn't cause any harm to Mu Qiufeng!

The array pattern on the statue was so powerful that David

was a little overwhelmed! Chen Wenliang and the others were also scared when they saw this!

The various moves that David just performed were all powerful, with the power of the Mahayana realm, but they couldn't shake Mu Qiufeng at all!

In this case, they all added together, I'm afraid they can't hurt Mu Qiufeng at all!

"Hahaha, you ants, I just need to stomp my feet now, and you will die without a burial place!"

Mu Qiufeng was so proud at this moment!

"Daoyou Chen, otherwise you can take your people to escape, and I will lead the pharmacists to hold back Mu Qiufeng!"

Chen Wenliang jumped to David's side, intending to let David escape, and he would cover the rear!

David saved the lives of these people. Now that it has come to this time, Chen Wenliang is willing to sacrifice himself to give David a chance to survive!

David shook his head and said, "None of us can escape. This place is too far away from the mainland. The only way to survive is to kill Mu Qiufeng!"

Chen Wenliang sighed as soon as he heard it: "Hey, it would be better to kill this guy at the beginning!"

"President Chen, you don't have to worry too much. We will always find a way to deal with Mu Qiufeng!"

David comforted Chen Wenliang!

David's methods have not been fully exerted!

He still has the God King Bow and the Dragon Pattern Bell in his hand, which David has not used yet!

Even the God King Bow and the Dragon Pattern Bell can't cure Mu Qiufeng. There is still a small swallowing beast in David's storage ring! If

the small swallowing beast can wake up, it may be able to swallow this Mu Qiufeng!

If it doesn't work, let the Red Cloud Demon Lord possess him again. David believes that the Red Cloud Demon Lord will definitely be able to deal with this statue!

"Boy, if you have any means, just use them. If you don't have any means, then I won't play with you anymore. I will kill you all and feed you to the fish!"

Mu Qiufeng shouted proudly!

"Senior, if you possess me again, are you sure you can break this statue and kill this guy?"

David asked the Red Cloud Demon Lord!

"Of course I am sure. I can kill him with one slap."

"But if I slap him to death, your body will definitely be destroyed. Your body can't bear it at all."

"If your body is destroyed, my residual soul will dissipate, and you will only have a wisp of residual soul left."

"You can afford this price, but I can't afford it..."

said the Red Cloud Demon Lord!

David was speechless when he heard it. His body was destroyed, and David couldn't afford this price!

The Red Cloud Demon Lord can deal with this statue, but the stronger the opponent, the greater the power he will burst out!

And David's body can't bear this kind of power at all, and it will definitely explode directly!

All of a sudden, David fell into a dilemma!

Chapter 4267

"The array pattern that this guy just used also feels familiar to me. I seem to have seen it somewhere before. Otherwise, you can use the Heavenly Eye to observe it carefully!"

“Maybe we can find a way to crack the array pattern. This statue is made up of tens of thousands of array patterns. As long as the array pattern is broken, the statue will be useless!”

said the Red Cloud Demon Lord!

“Yes, I also felt a little familiar just now, but I can’t remember it for a while.”

After David finished speaking, he opened the Heavenly Eye. In David’s eyes, the world instantly turned gray!

Seeing David’s look, Mu Qiufeng snorted coldly and said, “Do you want to find out the array pattern on the statue and then crack it?”

“I tell you, you don’t have to waste your energy. This is composed of tens of thousands of array patterns. Even if you break one array pattern by chance, what can you do?”

“And you can’t break a single array pattern, because these array patterns are all handed down by the ancestor of the array demon.”

Mu Qiufeng looked arrogant, not afraid of David’s investigation at all, and did not stop him.

When David heard it, he instantly retracted the Tianming Eye!

“fu\*\*... I said why I feel familiar, but this can’t be handed down by the array demon, it’s obviously not right, these array patterns are not even one-tenth of that array demon.”

“It’s obvious that it has been passed down for who knows how many generations, and you treat it as a treasure. It’s also handed down by the array demon. It’s really fu\*\*ing shameless.”

“Let me show you what the array pattern handed down by the array demon is...”

When David heard that it was the array pattern of the array demon, he laughed immediately!

Whether it was the divine pattern of the ancestor of the divine pattern or the array pattern of the array demon, David learned from them personally!

And he also merged the various divine patterns of the two. Now this statue of Mu Qiufeng is just a broken thing made by the disciples of the array demon!

If David had realized that it was the array pattern of the array demon at that time, how could Mu Qiufeng pretend to be so cool for so long!

“Don’t brag about it, the array pattern was personally taught by the ancestor of the array demon. How could you possibly know it? Moreover, the ancestor of the array demon is a person from the heavenly realm. You, a mere sixth-grade guy in the realm of tribulation, can you go to heaven!”

Mu Qiufeng didn’t believe that David knew the array pattern personally taught by the array demon!

He didn’t know that the array demon was not in the heavenly realm, but had been trapped in the heavenly realm!

“Believe it or not, you will know after you see it!”

David smiled lightly and drew a line in the air with his fingers!

A pattern slowly appeared and then went towards Mu Qiufeng!

Mu Qiufeng looked at the array pattern floating over, and had no intention of dodging at all!

He didn’t believe that the array pattern drawn by David could unlock the tens of thousands of array patterns on his statue!

The array pattern carved by David slowly fell on Mu Qiufeng!

Mu Qiufeng didn’t feel anything, and the huge statue didn’t change at all!

“Hahaha, is this the array pattern you said, the real array pattern passed down by the ancestor of the array demon?”

Mu Qiufeng laughed wildly, his eyes full of contempt and disdain!

But David just smiled and didn’t say anything!

But soon, Mu Qiufeng’s laughter stopped!

The array patterns on the statue began to flicker, and then they began to dissipate one by one!

As the array patterns dissipated, the huge statue also slowly collapsed!

Mu Qiufeng’s body was slowly revealed as the statue collapsed!

“This...what’s going on?”

“Impossible, this is impossible, how could you have the array pattern passed down by the ancestor of the array demon?”

Mu Qiufeng desperately used various means to prevent the statue from collapsing and the array patterns from dissipating!

But it was useless. In just a few breaths, all the thousands of array patterns on the statue were unlocked and slowly dissipated!

The huge statue also slowly disappeared, leaving no trace of debris!
