Chapter 4271

“Let’s go, we’ll go with you!”

Zhong Qing stood up and said!

Granny Zhen also stood up, and the three of them went to the courtyard where David was!

Now David was in the room, playing games with Bai Qian and Huo Feng!

After so many days, as soon as David came back, Bai Qian and Huo Feng pulled him into the room! Chen

Ping was helpless, but he had no choice. He also knew that the two people were worried about him!

“Mr. Chen, the head of the Zhen family is here, waiting for you in the living room...”

Ji Yun walked to the door, listening to the lively sounds in the room, so he shouted in a low voice! When

David heard it, he hurriedly put on his clothes and walked out of the room!

After all, this is the Zhen family, and David is just staying at their house. Now Zhen Yuandao comes in person, so of course David has to see him!

Following Ji Yun to the living room, he saw Zhen Yuandao, Granny Zhen and Zhong Qing were all there, so he hurriedly said: “Master Zhen, what do you want to talk to me about?”

“Fellow Daoist Chen is indeed young. He just came back and didn’t rest...”

Zhen Yuandao said with a slight smile!

Granny Zhen and Zhong Qing also laughed. After all, people of their strength could hear the sounds in the room with a little effort!

David was a little embarrassed and said: “Alas, there is no way, routine...”

“Fellow Daoist Chen, Xiao Dynasty sent someone to find you two days ago. Because you were not there, they stayed in the mansion.”

Zhen Yuandao said!

“People from Xiao Dynasty are looking for me? Could it be that Prince Xiao’s illness has relapsed?”

David was slightly stunned!

“That’s not the case. Xiao Dynasty has raised a large number of spirit beasts. It’s just that some spirit beasts have been sick recently, and the condition is serious. I want to ask fellow Daoist Chen to go and help take a look!”

Zhen Yuandao said!

“Oh, that’s all. I’m about to go to Xiao Dynasty. The immortal bone that Emperor Xiao promised me hasn’t been given yet!”

David actually planned to go to Xiao Dynasty to get the immortal bone. He wanted to see if the immortal bone was the skeleton of the Red Cloud Demon Lord!

“In that case, I’ll take Fellow Daoist Chen to meet the people of Xiao Dynasty.”

Zhen Yuandao stood up and continued, “Fellow Daoist Chen, Xiao Dynasty only invited you. I wonder if you can take us with you? We also want to learn from Fellow Daoist Chen!”

“Of course, I just don’t know what the people of Xiao Dynasty mean, but I will tell them!”

David nodded!

It’s good for Zhen Yuandao and them to follow. After all, David is unfamiliar with Xiao Dynasty. If there is anything, he can follow Zhen Yuandao and ask them for advice!

Seeing that David agreed, Zhen Yuandao was very happy, and then took David to meet the people of Xiao Dynasty!

Xiao Yuanshan sent a middle-aged man, a master of the Mahayana realm!

“Prime Minister Yu, this is the David you are looking for!”

After Zhen Yuandao brought David over, he immediately said to the middle-aged man respectfully!

The middle-aged man saw this and hurriedly saluted David and said, "Hello, Mr. Chen, I am Yu Wenqiang, the prime minister of the Xiao Dynasty. I came here in the name of Emperor Xiao to invite Mr. Chen."

David glanced at Yu Wenqiang. Although he was not very old, he had already reached the second-grade strength of the Mahayana Realm. No wonder he could take on the position of prime minister in the Xiao Dynasty!

"Prime Minister Yu, can I take the head of the Zhen family and others with me?" David asked

!

"Of course, as long as Mr. Chen goes, it doesn't matter how many people go..." Yu Wenqiang said! "Well, let me say goodbye, and we will leave later!" David nodded, and then went to tell Huo Feng and Bai Qian that they were going!

He couldn't just leave quietly. It was estimated that after he came back, the two would be angry again. If he punished him again, David would be a little overwhelmed! David has truly experienced the strength of these two women!

Chapter 4272

After saying goodbye, David followed Zhen Yuandao and others, and followed Yu Wenqiang to the Xiao Dynasty!

David and the others were sitting in the car, while outside, eight spirit beasts were pulling the car forward!

These eight spirit beasts all had huge wings, but their bodies were like tigers, so they were called flying tiger beasts!

"Prime Minister Yu, do you raise a lot of spirit beasts in your Xiao Dynasty?"

David asked!

You know, raising spirit beasts is very troublesome and expensive. Many people can't even get the resources for their own cultivation, let alone get resources for spirit beasts to consume!

So many people don't know how to tame spirit beasts. Even in larger sects, not many people tame spirit beasts!

Now the Xiao Dynasty is still raising spirit beasts and using spirit beasts to pull carts to travel. It can be seen that the Xiao Dynasty is really rich!

“It’s not that many. Compared to the Xiao Dynasty, which is so big, there are many places that need spirit beasts.”

“It is estimated that there are thousands of spirit beasts now...”

Yu Wenqiang said!

“Thousands of spirit beasts?”

David was shocked, and even Zhen Yuandao and others were shocked!

Thousands of spirit beasts, this is a huge expense every day. Except for the top forces in the world of heaven and man like the Xiao Dynasty, I am afraid no one can afford so many spirit beasts!

“Mr. Chen, don’t worry, only dozens of spirit beasts are sick, not all of them are sick.”

Seeing David’s look, Yu Wenqiang hurriedly explained!

He thought David was scared when he heard thousands of spirit beasts!

After all, thousands of spirit beasts, even if David is powerful, he probably can’t treat them. He can’t finish watching them even if he is exhausted to death!

“Prime Minister Yu, may I ask what diseases these spirit beasts have?”

David wanted to know in advance what diseases these spirit beasts have, so that he would know how to start at that time!

“Mr. Chen, these spirit beasts have different symptoms, so I can’t tell you in detail. When you get there, you can see it for yourself!” Yu Wenqiang said! “Okay!” Chen

Ping nodded and said nothing more! The flying tiger beast pulled the car and flew rapidly in the air. It took nearly a day to open a very magnificent and spectacular city! This city is probably many times larger than the Demon King City! “Is this the Xiao Dynasty?” David looked at the city below and said in shock!

“Mr. Chen, this is the capital of the Xiao Dynasty, Wuhui City. In fact, we have already entered the territory of the Xiao Dynasty.”

“The entire Xiao Dynasty has 172 capitals, and the area is extremely wide!” Yu Wenqiang said! David realized that they had already entered the Xiao Dynasty, and this huge city was just the capital of the Xiao Dynasty!

David had heard that the Xiao Dynasty was powerful, but he didn't expect it to be so powerful! The flying tiger beast fell towards the Wuhui City.

When David got closer, he found that this huge Wuhui City was surrounded by arrays! It seems that there are array masters in the Xiao Dynasty, so there should be pharmacists, but it seems that the pharmacists of the Xiao Dynasty can't deal with these sick spirit beasts! The flying tiger beast pulled the cart and landed at the gate of the city.

After seeing the flying tiger beast, several guards immediately opened the city gate respectfully! Seeing this, many people in the city also got out of the way and stopped, and no one moved! David glanced and saw that the guards at the city gate were actually at the level of the Crossing Tribulation Realm! Zhen Yuandao and others were also looking at them with shock on their faces.

It seems that they have never been to this Wuhui City! Even the people guarding the gate are at the Crossing Tribulation Realm, which shows how powerful the Xiao Dynasty is! Zhen Yuandao and the four major families of Yongle City are really nothing in front of the Xiao Dynasty! Even David, who has traveled a lot and seen a lot of the world, is now deeply shocked by the power of the Xiao Dynasty!

Chapter 4273

Especially this Wuhui City, which is the largest city he has ever seen!

"Prime Minister Yu, why did everyone in the city stop moving after we entered the city?"

David asked curiously, looking at the people standing still on both sides of the street!

"This is the rule of our Xiao Dynasty, and it is also to avoid assassination. After all, in such a large dynasty, there will always be people who have evil intentions."

Yu Wenqiang said bluntly!

David was speechless when he heard it. This rule can really avoid being assassinated. No one is allowed to move. If you move, you will be regarded as an assassin. Although this method is immoral, it is very effective!

David knows that it is actually the same in the secular world. Often when high-level people travel, they are also under martial law in advance to clear the personnel. It seems that this world of heaven and earth is no different from the secular world!

It's just that everyone in the world of heaven and man is a cultivator, but after everyone cultivates immortality, cultivators are worthless!

Soon, David and his companions arrived at the imperial city in the center of the city. After arriving here, David and his companions got off the car and could only walk in!

However, Xiao Yuanshan and Xiao Feng, father and son, were already waiting at the gate of the imperial city!

It can be seen that Xiao Yuanshan attaches great importance to David!

"Mr. Chen, you are tired from the journey..."

Xiao Yuanshan stepped forward very politely and greeted David without any airs!

Xiao Feng bowed deeply to David and said, "Mr. Chen, I will never forget your life-saving grace..."

"Emperor Xiao, Prince, you are too polite. I just did a little favor."

"What's more, you have all paid for it. This is a transaction, not a life-saving grace!"

David waved his hand hurriedly!

Xiao Yuanshan followed Xiao Feng's attitude, which made David a little flattered!

Zhen Yuandao and the others were envious when they saw this scene. If their Zhen family could receive such courtesy from Emperor Xiao, then the Zhen family would be prosperous!

"Oh, I almost forgot that I still have immortal bones that I haven't given to Mr. Chen. I'll order someone to get them now!" Xiao Yuanshan heard what David said and slapped his forehead! "

Emperor Xiao, that's not what I meant. You can take the immortal bones anytime. Let's go see those sick spirit beasts!" David knew that Xiao Yuanshan had misunderstood what he meant! "Okay, then I'll take you to see..."

Xiao Yuanshan nodded! From beginning to end, Xiao Yuanshan didn't say a word to the Zhen family. From this, it can be seen that the Zhen family is like an ant in front of the Xiao Dynasty! Xiao Yuanshan personally took David and the others to the side of the imperial city.

There was a large area here where many spirit beasts were kept in captivity! "Mr. Chen, I don't know what happened to the spirit beasts in this circle. They suddenly became

what they are now. Take a look!" Xiao Yuanshan pointed to one of the courtyards that was raised with a formation and said!

David took a look and found that there were dozens of spirit beasts here, but these spirit beasts looked a little listless, and some of them had lost all five senses, and some were roaring with red eyes! The symptoms of these spirit beasts were all different, which made David feel a little strange!

"Are there no problems with other spirit beasts?" David asked! "No, even the spirit beasts in another courtyard next to it are all normal, and the resources of these spirit beasts are the same every day." "I just don't know why, suddenly the spirit beasts in this courtyard had problems.

I asked all the pharmacists in the imperial city to look at it, but they couldn't find the reason at all!" Xiao Yuanshan said! "That's strange. Since these beasts consume the same resources, why are there only problems with the beasts in this yard?" "Could it be because of a virus?

But these beasts are not of the same species, so how could they be infected?" "That's really strange!" David frowned, then looked at Zhen Yuandao and Zhong Qing and said, "You two, do you see any problems?"

Chapter 4274

Zhen Yuandao and Zhong Qing also shook their heads. They didn't know why this happened!

If there was a problem with the various fairy grass resources being fed, why were the other spirit beasts okay?

"Emperor Xiao, can I go in and take a closer look?"

David asked Xiao Yuanshan!

Xiao Yuanshan nodded and said, "Of course, but Mr. Chen should be more cautious. Many of these sick spirit beasts are not obedient and may attack you."

"I'll pay attention..."

David nodded, then asked Xiao Yuanshan to open the formation and walked in!

The others were watching outside, and Xiao Yuanshan was ready to open the formation at any time to let David out!

After David walked in, these spirit beasts did not attack David, but just glanced at David and ignored him!

David walked towards a spirit beast lying on the ground and gently touched the head of the spirit beast with his hand, but the spirit beast did not move at all, and even refused to lift his eyelids!

Seeing this, David knew that the spirit beast must be very sick. You must know that spirit beasts are very vigilant. In addition to their owners, if strangers approach them, they will definitely go crazy.

The breath on David's body was not familiar to the spirit beast, but the spirit beast allowed David to touch it and remained indifferent!

He sent out a spiritual energy and circulated it around the spirit beast, but David did not find anything special!

Then David walked in front of a spotted spirit leopard. Just when David wanted to reach out to the spirit leopard, suddenly there was a gurgling sound in the spirit leopard's belly. This was a sign that the spirit leopard was going to attack people!

Moreover, the spirit leopard opened his eyes, with a red light in his eyes, and his huge fangs kept showing towards David!

This was a warning to David not to get close to him, otherwise he would attack!

David looked at the spirit leopard in front of him. It was the strength of the Crossing Tribulation Realm, and it was the kind of ferocious spirit beast. But now that David was in front of him, the spirit leopard was just threatening, not letting David get close, and did not launch an attack, proving that the spirit leopard was also very sick!

David ignored the threat of the spirit leopard and approached the spirit leopard again. This time, the spirit leopard stood up and made an attacking motion!

"Mr. Chen, don't get close to the spirit leopard. This guy is very ferocious. It doesn't listen to anyone except me!"

Seeing this, Emperor Xiao hurriedly reminded David!

Although the spirit leopard is sick and not so irritable and ferocious, it does not mean that strangers can touch it casually!

Moreover, this spirit leopard is also the strength of the Crossing Tribulation Realm. If it really attacks David and attracts other spirit beasts to attack David, it will be troublesome!

“Don’t worry, Emperor Xiao, I just want to find out where the problem is.”

David said!

“Then I will use some tricks to make these spirit beasts fall asleep, so you can rest assured to investigate!”

Emperor Xiao said to David!

“No, if the spirit beasts fall asleep, there is no way to detect the abnormalities in their bodies. This spirit leopard will not hurt me.”

David said confidently!

David walked towards the spirit leopard, which made Zhen Yuandao and the others nervous.

This is a spirit beast. Although it has been domesticated and is much more docile than those wild monsters, it does not mean that people can touch it casually!

Moreover, if this spirit leopard goes crazy, it will be no different from a monster. In addition, there are other spirit beasts. David is completely in danger!

“Emperor Xiao, please open the formation quickly and let Mr. Chen come out...”

Seeing this, Grandma Zhen hurriedly said to Xiao Yuanshan!

David is Bai Qian’s man. If David has any problems, Bai Qian probably doesn’t want to live. Grandma Zhen can’t let Bai Qian get into trouble!

Chapter 4275

“If we open the formation at this time, I’m afraid the spirit beasts will go crazy and rush out.”

“Don’t worry, as long as Mr. Chen is in danger, I will kill all these spirit beasts as soon as possible.”

Xiao Yuanshan said!

In order to comfort David, Xiao Yuanshan did not hesitate to kill all these precious spirit beasts, which shows David's status in Xiao Yuanshan!

You know, it is very difficult to get a spirit beast. It takes a long time to tame it little by little!

All these spirit beasts were killed, which is also a great loss for the Xiao Dynasty!

At this time, David had already come to the spirit leopard. The spirit leopard with scarlet eyes opened its bloody mouth. When it was about to attack David, it suddenly showed fear in its scarlet eyes!

He actually felt the pressure of the holy beast from David. This pressure from the king of all beasts made the originally crazy spirit leopard become honest in an instant!

You know, David is the real body of the golden dragon, with the blood of the beasts in his body, and he is also a dragon, the king of all beasts! Chen

Ping released a little bit of dragon energy, which made the crazy spirit leopard become extremely honest!

The spirit leopard was lying on the ground, like a pug, wagging its tail at David!

David stroked the spirit leopard's head, and a stream of spiritual energy entered the spirit leopard's body!

At this moment, Xiao Yuanshan and Zhen Yuandao were a little confused. They didn't understand why the spirit leopard, which was originally crazy, suddenly became extremely honest.

They didn't feel that David used the pressure of his physical strength to suppress the spirit leopard!

After checking it, there was nothing special about the spirit leopard, which made David a little embarrassed!

If the cause of the disease cannot be found, there is no way to treat it!

There is no problem with the feeding resources, the breeding environment, and even the people who raise these spirit beasts are carefully selected, and they are the same person with other spirit beasts!

Now only the spirit beast in this courtyard has symptoms, which makes David puzzled!

David walked out of the formation and said with a little embarrassment: "Emperor Xiao, I haven't found the symptoms of the spirit beast for the time being, so there is no way to treat it. I need to observe for a while to see what the reason is."

"No problem, Mr. Chen, you stay here first and study slowly."

"In addition, I will take Mr. Chen to get the fairy bone myself."

"If possible, I hope Mr. Chen can live in my Xiao Dynasty for a long time. I regard Mr. Chen as a guest official and can walk freely in the Xiao Dynasty. No one dares to stop him!"

Xiao Yuanshan wants to keep David!

After all, in Xiao Yuanshan's eyes, David is a talent. If he can stay in the Xiao Dynasty, it will definitely be a big profit for the Xiao Dynasty!

David smiled and said, "Emperor Xiao, I appreciate your kindness, but I am used to freedom, and there are still many things to deal with."

"You also know that I am still being hunted by the Demon Sealing League. Staying in the Xiao Dynasty will only bring trouble to Emperor Xiao!"

"Mr. Chen, if you stay in the Xiao Dynasty, the Demon Sealing League will not dare to hunt Mr. Chen in the territory of my Xiao Dynasty even if they have the courage."

Xiao Yuanshan patted his chest and said when he heard it!

"No, I will help Emperor Xiao heal the spirit beast here, and rush back to the Central Region as soon as possible. Now that the Feng family has occupied the Fox King City, my woman is homeless. I can't just sit back and watch!"

David shook his head and said!

"Feng Family?" Xiao Yuanshan frowned slightly, then looked at Yu Wenqiang on the side and said, "Prime Minister Yu, which city is the closest to the Central Region?"

"Reply to Emperor Xiao, it is the Liefeng City where General Qian is stationed."

Yu Wenqiang said!

"Notify General Qian immediately, take people to Fox King City, destroy the Feng family, and help Mr. Chen take back Fox King City!"

Xiao Yuanshan ordered!
