Chapter 4296

Now, in the blink of an eye, they all ran away, not one was left, and they were all scared to pee!

What's going on?

You know, any one of those monsters is many times bigger than the little fire unicorn, but they were scared and ran away!

“Mr. Chen, you are so awesome, is that the pet you just conquered?”

Zhe Yan asked with admiration!

“I guess so, it's just a small beast, there's nothing to show off!”

David said indifferently!

Divine beast?

Boom...

This sentence was like a thunderbolt from the blue sky, bombarding everyone present! This

is a divine beast?

David actually said it so lightly?

Di Chongjing's eyes widened, he finally understood why those monsters turned around and ran away in fear!

This is a divine beast, even if it is small, it is still a divine beast, not something these monsters can contend with!

This is like a young immortal coming down from heaven. Even if he is young, he is not something that the cultivators in the heavenly world can fight against!

You have to know that many people are born in Rome, while many people struggle all their lives to find a way to Rome. This is the gap!

The little fire unicorn was born as a divine beast and possessed divine skills!

It is simply not comparable to the monsters in the heavenly world. Even if these monsters have practiced for many years, they can't compete with the divine beasts!

"Daoyou, you have a divine beast and a token of the Xiao Dynasty. Although I don't know your identity, you are definitely not simple."

"Today's matter ends here. I will take people away immediately, and I hope you can show mercy!"

Di Chongjing admitted his fear!

If the Soul Demon Sect cannot be destroyed and revenge cannot be taken this time, then wait until the next time when David is not here!

He knew that if he continued, maybe all of them would have to explain here!

"If you want to fight, fight. If you want to leave, leave. What do you think of the Soul Demon Sect?"

"I'm not happy with you now, so I have to vent my anger."

David said coldly!

"Daoyou, leave a line for others, so that we can meet in the future..."

Di Chongjing narrowed his eyes slightly, revealing a fierce look!

"See your mother, do you still have a future? With the way you dealt with the Soul Demon Sect today, I can't let you live."

David spat and said!

"You want to kill me?" Di Chongjing's breath burst out, ready to respond at any time!

"Not just you, everyone you brought must die."

David said coldly. From the moment he took out the little fire unicorn, Di Chongjing and his people were destined to die!

David couldn't let outsiders know that he had a divine beast on him, otherwise he would become the target of the heavenly world!

"Brother, do you have to kill me today?"

Di Chongjing looked at Master Jiang!

He knew that as long as Master Jiang said a word, he could leave!

After all, this is his grudge with Jiang Zongzhu, and it has nothing to do with David!

“Di Chongjing, you have done many evil things, and you want to kill my whole sect today, and you want to kill my daughter. If I don’t kill you, it will be unjust.”

Jiang Zongzhu will not let Di Chongjing go for the sake of his fellow disciples!

“Brother, you said that I have done many evil things, but which of us brothers is not for our own benefit and unscrupulous?”

“I tell you the truth, it was the idea of the eldest brother and the second brother that I found you today. All the resources I got from you must be divided with them.”

Di Chongjing said to Jiang Zongzhu!

Jiang Zongzhu’s body trembled slightly, and then his face was full of ferocity and said: “You fart, the eldest brother and the second brother will never do this. They have been in seclusion for many years and don’t ask anything.”

“Hahaha, among the four of us brothers, only you are still abiding by some broken rules. That’s why your strength is so low.”

Chapter 4297

“But I see that your blood is overflowing, so you must have sucked human blood to cultivate, otherwise your strength would not have reached the ninth level of the Crossing Tribulation Realm.”

“So you don’t have to accuse me in a hypocritical manner, let alone laugh at someone you have no experience with!”

Di Chongjing laughed!

After Di Chongjing finished speaking, Sect Master Jiang’s face instantly became extremely ugly!

Jiang Yulian and Zhe Yan looked at Sect Master Jiang at the same time. After all, after Sect Master Jiang went into seclusion, no one knew how he cultivated!

Even David looked at Sect Master Jiang. He also felt that Sect Master Jiang's strength had indeed improved a bit too fast. It had only been a short time, but he had actually reached the ninth level of the Crossing Tribulation Realm!

If it weren't for the super genius, coupled with the accumulation of a large amount of resources, it would be difficult to break through to the ninth level of the Crossing Tribulation Realm in such a short time!

Obviously, Sect Master Jiang is not a genius, and the Soul Demon Sect does not have a large amount of resources to accumulate!

Sect Master Jiang found that everyone was looking at him. The expression on his face was very unnatural, and his eyes were a little evasive!

"Father, this... is this true? Do you really suck human blood to practice?"

Jiang Yulian asked in disbelief!

"Sect Master Jiang, what's going on, tell the truth."

David also said to Sect Master Jiang!

Sect Master Jiang looked at David, hesitated, stammered, and finally sighed helplessly: "Hey, in fact, I didn't suck human blood, but beast blood. I secretly raised monsters and sucked their blood when I was in seclusion."

"I broke my promise to my master. I shouldn't absorb blood to practice..."

Sect Master Jiang looked very painful, and his whole body was shaking slightly!

Looking at Sect Master Jiang like that, David really wanted to understand how many things happened to Sect Master Jiang!

"Boy, go to hell..."

Just when David focused all his attention on Jiang Zongzhu, Di Chongjing suddenly attacked him!

I saw Di Chongjing holding a bone flute in his hand and pointed at David casually!

A series of red cold rays suddenly turned into wisps of red spiritual light, covering the sky and the earth!

Puff puff puff...

This spiritual light was extremely fast, and it hit David in the blink of an eye, and David's body was actually directly sealed!

I saw David was wrapped in red mist, motionless!

“Hahaha, you are too young to fight with me...”

Di Chongjing laughed when he saw that he succeeded!

“Mr. Chen...”

Ji Yun and Jiang Zongzhu were all shocked when they saw this!

They didn't expect that Di Chongjing, this guy, would sneak attack and let him succeed directly!

“Di Chongjing, I'll fight you...”

Seeing this, Jiang Zongzhu roared and went towards Di Chongjing!

David was controlled. None of them could be a match for Di Chongjing!

The reason why Jiang Zongzhu did this was to hold Di Chongjing back and give Jiang Yulian and the others a chance to escape!

“Hmph, you have this little ability, and you still want to fight me to death?”

Di Chongjing was full of disdain. After a cold snort, he swung out with a palm and directly knocked Jiang Zongzhu away!

This is a gap in a great realm, an insurmountable gap!

Jiang Zongzhu fell heavily to the ground, his face was extremely ugly!

“Boy, it's your turn...”

After Di Chongjing repelled Jiang Zongzhu, the bone flute in his hand went directly to David!

David was controlled and couldn't move at all, and couldn't dodge at all!

“Mr. Chen...”

Jiang Yulian and Ji Yun rushed towards Di Chongjing together!

Now they are the only two who are not injured. Although they know that they are moths to the flame, they have no hesitation at all!

But before the two rushed to David, Di Chongjing's bone flute had arrived!

The bone flute went straight to David's chest, which was to penetrate David directly!

But when the bone flute reached David's chest, Di Chongjing was suddenly stunned!

David grabbed the bone flute with one hand, with a playful smile on his face!

Chapter 4298

"You...you can still move?"

The Mahayana Realm was full of surprise!

He tried hard to snatch the bone flute, but no matter how hard he tried, the bone flute did not move. He, a first-grade Mahayana Realm cultivator, was powerless in front of David, a seventh-grade Crossing Tribulation Realm!

"You want to control me, this broken thing, isn't it too beautiful?"

David smiled faintly!

The red mist around David's body dissipated in an instant and disappeared without a trace! Now

David is a seventh-grade Crossing Tribulation Realm cultivator. It's just a matter of a wave of his hand to deal with a first-grade Mahayana Realm cultivator!

Di Chongjing still wanted to control David, it was simply wishful thinking!

David exerted a little force and took the bone flute directly in his hand, then raised his foot and kicked it out!

Boom! At

such a close distance, Di Chongjing had no time to dodge and was kicked out directly!

If it weren't for the Red Cloud Demon Lord wanting Di Chongjing to die slowly, David would have kicked him to death with this kick just now!

As Di Chongjing flew backwards, David's body also followed quickly! Before Di Chongjing's

body landed on the ground, David's fist hit again!

Bang bang bang...

David punched and kicked Di Chongjing, and Di Chongjing had no ability to fight back at all!

A master of the Mahayana realm was beaten by a cultivator of the Tribulation Realm and screamed like a ghost, without any ability to fight back!

This kind of wonder can probably only be seen on David!

Seeing this, several disciples of the Blood Bone Sect were frightened and pale, and no one dared to step forward to help Di Chongjing!

After beating Di Chongjing, David grabbed Di Chongjing's collar!

Di Chongjing hung his head, his nose and face were swollen, and he no longer looked arrogant just now!

Sect Master Jiang and the others were all shocked when they saw this scene!

How could this be like a battle between Mahayana cultivators? It was just like fighting with gangsters!

Di Chongjing didn't want to be beaten like this, but when David made a move, he couldn't stop him at all!

He also knew in his heart that David didn't kill him, and probably didn't want to kill him!

Otherwise, Di Chongjing's life would be in jeopardy with that kick just now!

"Let me ask you, where did you get these immortal bones in your hand?"

David asked Di Chongjing with a bone flute in his hand!

"I picked it up, picked it up in Tianmo Mountain..."

Di Chongjing said!

"Do you still have immortal bones in your hand?"

David continued to ask!

“No, one immortal bone was given to Xiao Huangchao, and the other immortal bone was made into a bone flute by me.”

Di Chongjing answered every question, and didn't dare to be clever.

“Then do you know where there are immortal bones?” David continued to ask!

“No... I don't know!”

Di Chongjing shook his head, but from the tone and eyes of his answer, David knew that this guy must have lied!

However, David did not expose him, but directly injected a spiritual light into Di Chongjing's body!

“You... what did you inject into my body?”

Di Chongjing asked with some fear!

“Nothing, just a lie detector test. If you tell a lie, it will be very painful.”

David smiled slightly and let Di Chongjing go directly!

When Di Chongjing heard it, he was a little panicked, but he didn't feel anything strange in his body, so he breathed a sigh of relief!

But just after he breathed a sigh of relief, he suddenly felt as if his body was scratched by a hundred claws, and his whole body was constantly shrinking.

“It seems that you just lied, think about it yourself...”

David saw Di Chongjing's appearance and said jokingly!

Di Chongjing only felt extremely painful, and the blue veins on his forehead bulged!

After gritting his teeth and holding on for a while, Di Chongjing hurriedly said, “I know, I know, there are still a few pieces of immortal bones in the hands of the eldest and second brothers.” As soon as Di

Chongjing finished speaking, the painful feeling disappeared instantly!

Chapter 4299

After hearing what Di Chongjing said, David did not continue to ask. Some things only need to be asked to Jiang Zongzhu!

“Jiang Zongzhu, how to deal with this guy is up to you!”

David looked at Jiang Zongzhu and said!

Di Chongjing is Jiang Zongzhu’s junior brother, and he also injured so many disciples of the Soul Demon Sect. How to deal with Di Chongjing still depends on Jiang Zongzhu.

Jiang Zongzhu walked towards Di Chongjing, and Di Chongjing saw this and hurriedly knelt on the ground, crying and said: “Brother, please forgive me, please forgive me, these are all ordered by the eldest and second brothers.”

“Among our four disciples, the master likes you the most, and I am the least popular one.”

“My strength is the worst and my talent is the worst. If I don’t rely on sucking blood and gnawing bones to practice, I will never reach this height in my life.”

“Brother, I know I was wrong, please forgive me this time...”

Di Chongjing was full of regret and cried!

Jiang Zongzhu looked at Di Chongjing like that, his expression became very complicated, and his eyes were full of reluctance!

But just when Sect Master Jiang was hesitating, a trace of ruthlessness suddenly flashed in Di Chongjing’s eyes, and then his whole body swelled instantly, and the spiritual energy madly impacted the meridians of his whole body!

This guy actually wanted to self-destruct. If a first-grade cultivator in the Mahayana realm self-destructed, the power would probably make the entire Soul Demon Sect disappear!

“He wants to self-destruct...”

David’s pupils shrank. He didn’t expect that Di Chongjing was so courageous that he dared to self-destruct!

It seems that kneeling down and begging for mercy just now was an illusion!

Sect Master Jiang was also shocked, and the whole person was panicked. After all, he had no ability to stop the self-destruction of a Mahayana cultivator!

If the self-destruction succeeded, then his Soul Demon Sect would be completely finished!

But just when David rushed towards Di Chongjing, he saw a stream of light suddenly flying out of Di Chongjing's body!

It turns out that this guy didn't want to self-destruct, but to directly let his soul leave his body, intending to abandon his physical body and get a chance to escape!

As long as the soul is still there, the physical body can be reshaped!

After all, he is a fellow apprentice with Jiang Zongzhu. If Jiang Zongzhu can reshape his physical body, Di Chongjing will have no problem!

What's more, there are the eldest and second brothers, as long as he can escape back!

After Di Chongjing's soul left the physical body, it flew away in an instant!

And that physical body was bulging like a ball, and finally made a deafening sound!

Boom!

The power of the Mahayana self-destruction is very large, but without the soul, only a physical body self-destructs, the power is too much worse!

At the moment of the self-destruction, David held up a shield and directly blocked the aftermath of the explosion!

But when the aftermath of the explosion subsided, Di Chongjing's soul had already disappeared without a trace!

"Damn, this guy is so insidious, he actually let him escape..."

David cursed when he saw this!

Then he looked at the remaining disciples of the Blood Bone Sect, and David took advantage of the situation and chopped them directly to death!

"Mr. Chen, it's all my fault. It was my indecision that gave Di Chongjing the opportunity!"

Jiang Zongzhu said very self-blamingly!

"Jiang Zongzhu, this is not your fault. No one thought that this guy would be so insidious."

“You should arrange the disciples of the Soul Demon Sect, and I will refine some pills for them to heal their wounds!”

David did not blame Jiang Zongzhu. Di Chongjing escaped, and David himself was also responsible!

Now the top priority is to heal the many disciples of the Soul Demon Sect!

David does not have too much time to stay here, so he has to hurry up!

Seeing this, Jiang Zongzhu nodded hurriedly, and then settled all the seriously injured disciples!

David treated the injured disciples of the Soul Demon Sect and refined medicine!

It took David a whole day to heal all the injured disciples of the Soul Demon Sect. They only needed to take the medicine on time and they would be healed in no time!

Chapter 4300

“Master Jiang, the disciples of Soul Demon Sect are fine now. They just need to rest!”

David said to Master Jiang!

“Mr. Chen, thank you so much. If it weren’t for you, my Soul Demon Sect would be destroyed.”

Master Jiang said gratefully.

“Master Jiang, it was just a piece of cake. I just couldn’t kill Di Chongjing. I’m afraid he will come to trouble you again in the future.”

David said!

After hearing this, Sect Leader Jiang looked a little lonely, and sighed, “I never thought that the eldest and second senior brothers would follow Di Chongjing in doing evil. They broke their oath to the master.”

“I’m sorry to the master too. After all, I couldn’t resist the desire for the realm...”

“Sect Leader Jiang, what’s going on? How could you brothers fall to the point of turning against each other?” David asked curiously.

“Mr. Chen, it’s a long story. We used to be disciples of the same master, and our master was a well-known demon in the world of heaven and man.” “

It’s a pity that when he was promoted to the immortal realm, he was injured by the thunder tribulation and failed to pass the tribulation. In the end, he died helplessly...”

“However, before he died, Master warned us not to practice the evil skills we had learned. Although sucking blood and gnawing bones can quickly improve one’s cultivation, this method of practice makes the foundation unstable, and the more time passes, the greater the chance of failure in overcoming the tribulation.”

“We all promised Master that we would never practice with evil skills, but Di Chongjing later disobeyed Master and founded the Blood and Bone Sect, constantly sucking human blood and gnawing human bones to practice, causing many cultivators in Tianmo Mountain to complain.”

“I had no choice but to unite with other cultivators to hunt down Di Chongjing, but unfortunately he escaped to the Xiao Dynasty in the Western Regions and hid there.”

“He came back this time for revenge, but I never expected that the eldest and second brothers would also break their oath to Master and become the same people as Di Chongjing.”

Sect Leader Jiang looked very depressed, and it was obvious that he was shocked and sad about what his eldest and second brothers had done!

“Master Jiang, everyone has their own aspirations. We cannot control what method others want to use to practice.”

“But do you know where your senior brother and second brother are?”

David asked!

“I’m not very clear, but they should still be where we practiced together before. After all, they are most familiar with it.”

After Master Jiang finished speaking, he looked at David and asked, “Mr. Chen, are you going to find them?”

“Not now, I have to go to Nanjin City, and the time agreed with Mu Qing is coming soon. After I deal with Mu Qing, I will come to Master Jiang and take me to find your two brothers.”

David has no time to go now, he still has to fight with Mu Qing!

“No problem, Mr. Chen should be heading for the immortal bone, right?”

Master Jiang could see that David must be heading for the immortal bone. When he caught Di Chongjing, David kept asking about the immortal bone!

David just nodded and didn't speak!

After explaining a few things to Zhe Yan, David followed Ji Yun on an airship and left the Soul Demon Sect and headed for Nanjin City!

.....

In a dense forest on Tianmo Mountain!

There is a large piece of white land, but when you get closer, you will find that the white is not land, but white bones!

This area is surrounded by dense jungles, covering an area of dozens of miles!

The breath of Yinsha is full of this area. There are no monsters within a hundred miles around this area!

Looking down from a high altitude, a hill is actually piled up high with white bones, which is very creepy, making people's hair stand on end and their hair stand on end!
