## Chapter 4336

“Damn it, these guys have made soup out of my bones. When I recover my body, I will kill all these demon cultivators!”

When the Red Cloud Demon Lord saw this scene, he was furious! When

Chen Ping heard this, he immediately laughed: “Senior, you are a demon cultivator yourself, and you killed all these demon cultivators!”

“Although I am a demon cultivator, I also have justice in my heart. Whether it is the human race, the demon race, or the beast race, as long as they lose their conscience, I will kill them all.”

The Red Cloud Demon Lord said angrily!

Listening to the words of the Red Cloud Demon Lord, Chen Ping just smiled. If it weren't for the Blood Bone Sect using his bones, would the Red Cloud Demon Lord still say such a thing?

If you really ascend to become an immortal, how can you care about the lives of others? All the people in the world of heaven and man are probably like ants in their eyes!

I don't know how many worlds will be broken and how many people will die in a battle between two great powers, but who cares? Chen

Ping collected the skeleton of the Red Cloud Demon Lord, and then set the secret room ablaze!

Even the entire mountain of bones turned into ashes, because only in this way can the entire area of the Blood Bone Gate be revitalized after many years.

Otherwise, with so many bones and too much Yin Sha Qi, it would be difficult for vegetation and animals to survive!

Chen Ping got the skeleton and planned to follow Master Jiang and the others back to the Soul Demon Sect to help the dozen monks refine some elixirs so that they can recover first!

The Palace Master of Guanghan Palace planned to take the saints back to Guanghan Palace, so they didn't need to follow back to the Soul Demon Sect!

"Palace Master, this time I killed Mu Qing, I'm afraid it will be very disadvantageous to your Guanghan Palace. When the Patriarch of the Mu Family comes out of retreat and can't find me, he will definitely attack you."

Chen Ping was worried that the Mu Family would cause trouble for Guanghan Palace!

"Don't worry, Mr. Chen. The head of the Mu family will not come out of retreat in a short time. Last time, a wisp of his soul was shaken away by the Lord of the Territory. It will be difficult to recover in a long time."

"If the Mu family really makes trouble, I can notify Mr. Chen. Don't we have a sound transmission jade slip?"

The Palace Master of Guanghan Palace said indifferently!

"Okay, if there is any unusual movement in the Mu family, notify me immediately, and I will rush over as soon as possible!"

Chen Ping nodded and said when he heard it!

He couldn't stay in Guanghan Palace waiting for the Mu family to make trouble. After all, there were still things to do. He had to go to the Refining Sect of Qingniu Peak to repair the Dragon Slaying Sword so that the sword spirit Zhongli could be completely free. I haven't seen Zhongli during this period of time, and Chen Ping thought about it.

And Chen Ping can't go to the Mu family and destroy the Mu family directly now. After all, he doesn't know the strength of the head of the Mu family!

If the head of the Mu family is too strong, if he goes there by himself, wouldn't it be a way to die!

After saying goodbye to everyone in Guanghan Palace, Chen Ping took Master Jiang and the others back to the Soul Demon Sect!

Master Jiang took out all the immortal herbs in the Soul Demon Sect, and ordered people to go to the depths of the Demon Mountain to pick immortal herbs, in order to heal these dozen monks!

Although it was not Master Jiang who caused these monks to become like this, it was his fellow apprentices who did it after all, and Master Jiang felt guilty in his heart!

Chen Ping stayed in the Soul Demon Sect to refine pills for everyone, and he was also slowly recovering. After all, in the fierce battle in the Blood Bone Sect, Chen Ping's consumption was also huge!

Fortunately, he absorbed some dead air, and Chen Ping recovered a little. Otherwise, if Chen Ping wanted to recover as before, I'm afraid it would cost a lot of resources!

Chen Ping stayed in the Soul Demon Sect for three whole days. In addition to refining pills to heal these dozen monks, he also had to dredge their hearts to avoid leaving an indelible impact on these people because of the Blood Bone Sect!

It was also because of these three days that Chen Ping became more familiar with the dozen or so cultivators. Many of these people were independent cultivators, so they were captured by the Blood and Bone Sect and used as resources for cultivation!

However, during these three days, the old man who had talked to Chen Ping had been indifferent and seemed to be a little defensive towards Chen Ping!

Especially when the girl with the sachet got close to Chen Ping, the old man would appear to stop her.

Although Chen Ping didn't know what it meant, he didn't care too much!

After all, he didn't have any thoughts about the girl, it was just a misunderstanding!

Chen Ping planned to leave after today, and then follow Ji Yun, and then connect with Huo Feng through the Central Region, and then go to the Refining Sect of Qingniu Peak to have a look!

When the time comes to restore the Dragon Slaying Sword and let the sword spirit Zhongli free, he can go back to Yuding Sect to see Gao Qilan, Yu Jiameng and the others, and also meet Yi He. After

all, he had been away for so long. When he was in the Western Region, he met Liu Ruyan, but he hadn't seen the other girls yet!

Especially Gao Qilan, she didn't stay with Chen Ping for long before they separated, and they haven't seen each other until now!

Chen Ping plans to meet up with a few girls after returning to the Northern Territory this time, and let Gao Qilan go back to the Gao family to see her relatives!

Chen Ping can also find out about Su Yuqi's news. Su Yuqi disappeared in the Far North and there has been no news since then. Chen Ping is always worried!

However, the Northern Territory is the headquarters of the Demon Sealing League. If Chen Ping wants to be active in the Northern Territory, he must be extremely careful and hide his whereabouts!

Just as Chen Ping was thinking about what he was going to do next, the door was suddenly pushed open. Who

would come here at this late at night?

Chen Ping got up and grabbed the person who came!

"Mr. Chen, it's me..."

Just when Chen Ping was about to catch the other party, the other party spoke!

Chen Ping heard that it was the girl with the sachet!

"What are you doing in my room in the middle of the night? Aren't you afraid of being misunderstood?"

Chen Ping asked in surprise!

"Mr. Chen, can I ask you why you are looking for Miss Azhu from the Western Territory?"

The

girl asked!

Chen Ping was stunned, then looked at the girl and said, "Are you Miss Azhu from the Western Regions?"

The girl nodded: "Yes, I am Miss Azhu, my name is Zhu Qingyue, and I am called Azhu in the Western Regions."

"I don't know why Mr. Chen is looking for me?"

Chen Ping heard it and said truthfully: "It was Xiao Feng, the prince of the Xiao Dynasty, who asked me to find you. He couldn't find you in the Western Regions, so he asked me to do it."

"Afeng?" Zhu Qingyue heard it, and her eyes were full of surprise: "How is he? I heard that he was sick, very seriously..."

"Miss Zhu, don't worry, Prince Xiao is fine, he just missed you, and he is fine now."

"And Emperor Xiao also agreed to your affairs, promised not to care anymore, and allowed you to be together..."

Chen Ping said!

"Really?" Zhu Qingyue's face was full of excitement. She stepped forward and grabbed Chen Ping's arm excitedly: "Then Mr. Chen, can you take me to the Western Regions? Take me to the Xiao Dynasty to find Afeng..." "

Of course, since I promised Prince Xiao, I will definitely take you there."

Chen Ping nodded and said!

"No!" Just as Chen Ping just agreed, a person suddenly broke in from the door. It was the old man who had been protecting Zhu Qingyue.

"Miss, we were ordered to take you back. So many people died along the way. You and I almost became the souls under the knife of the Blood Bone Sect. Are you so cruel to return to the Western Regions again?"

The old man looked sad and angry, with tears in his eyes!

"Uncle Liu, I..."

Zhu Qingyue looked at the old man and was instantly sad!

“Miss, if you must return to the Western Regions, then kill me. As long as I don’t die, I will never let you return to the Western Regions.”

“I promised the master that I would find you and take you back no matter what...”

The old man’s eyes were firm, with an unquestionable look!

## Chapter 4339

Seeing this, Zhu Qingyue just shed tears but didn’t say a word!

“What on earth is going on?”

Chen Ping’s face was full of surprise, not understanding what exactly happened here.

“Mr. Chen, thank you for your rescue and care these days, but if you take the young lady back to the Western Regions, don’t blame me for being rude.”

“Now the young lady is related to the survival of our entire family, she must go back with me...”

The old man said to Chen Ping helplessly!

“What happened, tell me clearly, maybe I can help you!” Chen

Ping couldn’t figure out what happened, and it caused the survival of the family?

Zhu Qingyue was just a female cultivator at the peak of the fusion realm, and she hadn’t even reached the tribulation realm. Could she control the survival of the family?

The old man looked at Zhu Qingyue, sighed helplessly and said: “Miss, you should go and talk to Mr. Chen in person...”

After that, the old man turned and left. It can be seen that as long as Zhu Qingyue dared to return to the Western Region

, the old man would never live alone! Chen Ping looked at Zhu Qingyue. At this time, Zhu Qingyue’s face was already full of tears. After calming down, he said to Chen Ping: “Mr. Chen, in fact, I am not from the Western Region. I am from the Eastern Region, from Zhujia Town in the Eastern Region.”

“My father is the Zhenfusi of the entire Zhujia Town, but my father betrothed me to Qi Heng from the neighboring Qijia Town. I didn’t like him at all, so I ran away secretly and fled to the Western Region.”

“I met Afeng in the Western Region, but I didn’t know he was the prince of the Xiao Dynasty at the time. He didn’t know my identity and name. He only knew that my name was Azhu.” “We

fell in love and got together, but we were discovered by Emperor Xiao and forcibly separated. Only then did I know the identity of Afeng, the prince of Xiao.”

“I was helpless in the Western Regions, and it has been many years. I thought that Qi Heng should have found a dual cultivation partner a long time ago, so I contacted my family.”

“Uncle Liu brought dozens of people to pick me up, but they met the people from the Blood Bone Sect, and we became prisoners. Many of the children of Zhujia Town died tragically, and I was the only one left with Uncle Liu.”

“During the time I followed Uncle Liu, I learned that Qi Heng did not find a new dual cultivation partner, but used this matter to threaten my father to send a large amount of resources to their Qijia Town every year.”

“And he also said that if he couldn’t bring me back, he would annex our Qijia Town and drive away all the children of Qijia Town...” “

Although the Eastern Region is vast, a large area is vast ocean, and the resources are pitifully scarce, and monsters are rampant, and the environment is extremely harsh.”

“If they are really driven away, it will be difficult for many children of Qijia Town to survive...”

Zhu Qingyue said, and burst into tears again!

When Chen Ping heard this, he instantly remembered the Chuanyun Sect in the East Region. They actually ran to the North Region and followed the Ji Yun family to snatch business. It can be seen that the East Region is indeed not easy to survive!

There is also the Pharmacist Conference in the West Region. Although the Pharmacist Conference in the East Region also came, the general strength is low, which can also represent the local resource situation!

It seems that the entire Tianren Realm, the West Region, the South Region, including the Central Region, is still a place with good resources!

Especially in the South Region, there is a place with rich resources such as Tianmo Mountain, which has indeed allowed many sects in the South Region to develop very quickly. In addition, there are many sects of demon cultivation in the South Region, and the power of the Sealing Demon League in the South Region is relatively low, which also makes the South Region fight more!

This is also the reason why sects like the Blood Bone Sect choose to be in the South Region. After all, the resources in the South Region are rich, but the personnel composition is very complicated!

The North Region is not bad, but the large area of the North Region is extremely cold, which is also difficult to survive and there are no resources!

As for the East Region, Chen Ping knows very little, but it seems that the East Region is even more barren!
