

## A Man Like None Other Novel Chapter 4361

### Chapter 4361

Who is this guy?"

"He is at the seventh level of the Tribulation Realm, but he has shown strength higher than the first level of the Mahayana Realm."

"At such a young age, he is still a formation master, a high-level formation master!"

"He even dared to kill the son of the leader of the Demon Sealing Alliance..."

Zhu Qingxiu really couldn't figure out who David was and what kind of background he had to be so awesome!

After David concentrated on drawing the formation, a barrier slowly rose around them in an instant. After

the barrier rose, Zhu Qingxiu immediately felt the changes around him, and the whole area had a sense of comfort!

"We are at the bottom of the sea, why are you still setting up the formation?"

Zhu Qingxiu asked in confusion!

After all, no one would have thought that they were at the bottom of the Dead Sea, and not everyone could enter the bottom of the sea!

"This formation is to protect this sacred tree. There is a remnant soul in the sacred tree, so this sacred tree will emit fairy spirit, and there is also divine consciousness."

David told Zhu Qingxiu about Zi'er, and Zhu Qingxiu was silent!

She always thought that this sacred tree had fairy spirit itself, but she didn't expect that there was a remnant soul hidden in it!

David and Zhu Qingxiu sat blankly on the bottom of the sea, and no one spoke!

As long as those demon cultivators can't find anyone, they will leave!

When the demon cultivators leave, they just need to rush out of the seabed and return to the mainland!

Just as David and Zhu Qingxiu were waiting, more than a dozen figures appeared quickly above their heads!

It was Ning Zhi who arrived with a demon cultivator, and then stopped at the position above David's head!

"Mr. Ning, is this direction correct? There is no figure around here at all?"

The blue-clothed monk asked!

Ning Zhi was holding a compass, frowning slightly, and constantly fiddling with it!

Finally, Ning Zhi's eyes fell on the Dead Sea under his feet!

"It is very likely that the two of them are in the Dead Sea."

Ning Zhi said coldly!

"In the Dead Sea?" The blue-clothed monk was stunned, then shook his head: "Mr. Ning, you don't know the Dead Sea yet. There is no living thing in the Dead Sea. If someone enters the Dead Sea, they will immediately turn into bones."

"How could the two of them enter the Dead Sea, unless they want to die."

"In the Dead Sea, ordinary monks may not dare to enter, but David dares. He must be with Zhu Qingxiu in the Dead Sea. The location I am looking for will not be wrong." "

Since there is no one around, he must be at the bottom of the sea."

Ning Zhi said very confidently!

"Mr. Ning, I don't want to deny your guess, but you really don't understand the power of the Dead Sea. We have lived here for many years and have never seen a cultivator reach the bottom of the Dead Sea."

"Not to mention entering the bottom of the sea, even if it is contaminated with sea water, it is impossible, and the skin will be ulcerated directly."

"Let's go somewhere else to look for it. It's a waste of time here. I'm afraid that David will escape, and then I won't be able to explain to the leader."

The blue-clothed cultivator persuaded Ning Zhi to look for it somewhere else!

Ning Zhi looked at the blue-clothed cultivator coldly and said, "Don't use your leader to pressure me. He is your leader, not my leader. Don't forget that we are just a cooperative relationship."

“Since you said that no cultivator can enter the Dead Sea, then I will show you how I enter.” After

Ning Zhi finished speaking, flames began to rise from his body, and then he rushed towards the Dead Sea!

Ning Zhi’s body plunged directly into the Dead Sea and disappeared in an instant!

Many demon cultivators looked at him in shock, wanting to see what the result would be!

But after waiting for a long time, I didn’t see Ning Zhi coming up, nor did I see Ning Zhi floating up in the form of bones!

After another quarter of an hour, Ning Zhi’s figure finally emerged from the sea!
