

Chapter 1551

When Orrin was clanging like an abacus, the door of the office was pushed open vigorously.

Immediately afterwards, Orrin, who was full of red face and not irritable, walked in.

Charlie followed him closely and entered the meeting room.

Everyone in the conference room, including Hank and Carl, was shocked and stunned after seeing Orrin's spirited appearance!

Hank and Carl looked at each other. Although the brothers did not communicate at all, they were thinking the same question: "The sick eldest brother yesterday suddenly became radiant today?! But it was just a night after that. Isn't it too obvious?"

The other board members, because they haven't seen Orrin for a long time, and seeing news reports, thought he was really dying, or even dying.

They were even mentally prepared, and felt that Orrin might be pushed in by someone in a wheelchair, sucking oxygen.

Therefore, when he suddenly saw his vigorous appearance, everyone was extremely shocked.

Is this the chairman who is said to be critically ill in the media report?

The current chairman seems to be in a much better condition than before he fell ill.

Is this what people often say?

But it's not like it. He looks like a middle-aged man who can no longer be sick!

Carl just secretly stabbed Hank and asked with a dazed expression: "Second brother, this...what is going on..."

Hank gritted his teeth and shook his head: "I don't know either!"

At this time, Orrin had already arrived at the special seat in the center in front of the conference table, and let Charlie sit on his right hand.

After sitting down, Orrin looked around with fierce eyes for a week, and said in a somewhat majestic voice: "Everyone, I apologize to everyone here. I rarely come to the group during this period. The group can operate normally. You have worked hard."

Everyone looked at me and I looked at you, and they didn't know how to respond.

This is mainly because many small shareholders in it have been bought by Hank and Carl, and they are ready to remove Orrin from the board of directors today.

However, seeing Orrin in excellent condition, they didn't know what to do at once.

Seeing this, Hank felt a little flustered in his heart, but he also knew that if he didn't quickly find a way to suppress the situation at this time, then all of his plans today might be aborted.

So he immediately opened his mouth and said: "Chairman, you haven't been in charge of the group's affairs for so long. Everyone here has paid a lot for the group. Are you the chairman of the board a bit too incompetent?"

Orrin nodded and smiled, and said: "You are right. I am indeed not competent enough during this period of time, so I didn't say anything just now. Thank you all. This is my true feelings to you. This is a hard time for everyone. "

After speaking, Orrin said again: "In the past 20 years, everyone has been by my side and accompany me in the mall. I am also fortunate not to live up to everyone's expectations and to make the group stronger and stronger. In those 20 years of rapid progress, I have never taken credit for arrogance and never abandoned any comrade-in-arms. During this time, I was left behind for a month or two due to personal reasons. Everyone thinks of my hard work over the past 20 years. Shouldn't I be blamed?"

As soon as this was said, the other shareholders around him waved their hands subconsciously and said in unison: "How can it be, Chairman, why can we blame you!"

Chapter 1552

Charlie listened beside him, and couldn't help but admire Orrin.

Orrin's remark just now seemed to be a demonstration of weakness, but it was actually a demonstration to them.

He deliberately talked about how he led the group to advance by leaps and bounds in the past 20 years. On the surface, he wanted to make everyone think about the old feelings, but in essence, he was reminding this group of people that in the past 20 years, he was able to lead the group to advance by leaps and bounds. In the next twenty years, he can still make this group develop rapidly.

If this group of people want to exclude him, they must consider the actual situation of the group's development in the past two decades, and who can do better than Orrin.

This group of people realized it instantly.

Originally, they wanted to elect their second child Hank as chairman together.

However, after Orrin's reminder, they couldn't help but revisit the game.

In the past two decades, Hank's performance in the group has found that this person has not actually made any outstanding achievements, and can only be said to be in the middle distance.

Therefore, his overall strength is far worse than his brother.

That being the case, why should everyone squeeze out the current chairman of the board and let a second child with poor ability take the post?

When the second child fooled everyone, he said that the boss was about to die.

But now, the state of the boss looks so good, it doesn't look like a person who will die in a short time.

And everyone believes that he can live for another 20 to 30 years in his state.

Therefore, at this moment, the hearts of those small shareholders have already turned their backs.

They decided to continue to support Orrin as chairman, because only he can lead everyone to make more money!

When Charlie saw this, he couldn't help but admire, Uncle Orrin's hand was nothing short of a thousand catties! ?

At this time, Hank felt sad.

The eldest brother is really the eldest brother, and a few words can wipe out all the efforts he has made over the past few months.

The key is, how did he get rid of the illness? In just one night, he changed from a person who looked like he was about to die to a healthy person. This is what a hell!

Thinking of this, he suppressed the anger in his heart and asked: "Chairman, although I am your brother, but out of responsibility to the entire group, I still have to ask, how is your condition now?"

Carl on the side also came to assist: "Yes, Chairman, as you know, the Sun Group is a super-large group with a comprehensive market value of more than one trillion Dollar. There are many listed groups under it, most of which have a market value of more than 10 billion or more than 100 billion. We must be responsible for all shareholders and investors! What if the group will do if you die one day? What should we do? What about shareholders?"

Orrin wiped out a smile on his expression, and said calmly: "Good question, I actually want to solemnly report to you about my physical condition."

As he said, he cleared his throat and said with a smile: "I did suffer from pancreatic cancer before. Domestic hospitals have relevant medical records, and overseas hospitals also have my major medical records. This is definitely not a fake."

Immediately, he sighed and continued: "Initially I thought I was running out of time, but sometimes my life is so many times, the tumor on my body disappeared miraculously, so

now I I have regained my health again, and everyone should be able to see that my condition is much better than before, so don't worry, I will definitely lead the Sun Group to the next glory!"

Chapter 1553

When Orrin finished speaking these words loyally and vigorously, other people heard this as if they had taken a reassurance pill immediately. Not only were they relieved a lot, and even an excited smile filled their faces.

A few people even clapped involuntarily.

As a result, everyone else happily applauded and agreed.

Everyone participates in the Sun Group, in the final analysis, to make money, and they don't want to engage in gangs and intrigues, they just want to follow the person who can lead them to make money, nothing more.

Since a miracle happened to Orrin and his serious illness has been healed, why not continue to support him, stand by his side and make more money with him under his leadership?

The expressions of Hank and Carl were suddenly ugly to death.

After carefully preparing the plan for such a long time, could it be completed right after the first step?

This feeling is really uncomfortable.

It is as if I have been practicing martial arts for decades in order to challenge the leader of the martial arts, thinking that I am invincible in the world.

As a result, when he arrived in front of the leader of the martial arts, the leader of the martial arts only made one move and he was completely defeated.

The blow to the two of them was tremendous.

At this time, Hank was still unwilling to admit defeat!

He sternly said: "Big brother! You don't want to take everyone here, how can advanced pancreatic cancer be cured? Do you think we are all three-year-old children? Didn't Apple's Steve Jobs also leave? You said you Now that he is healed, who believes it? In case you are playing tricks on everyone, when the time comes for investors to know, they will completely lose confidence in the stock price of our group, and the stock price will collapse all the way."

Orrin was not angry either. He stood up and turned around and asked with a smile: "Second, you see for yourself, is my current state like I'm sick?"

Hank played a rogue, and said, "What's the use of seeing? My eyes are not CT. I can't see where the tumors on your body are. Maybe you are looking back."

Orrin snorted coldly, suddenly raised his hand, and slapped his hand to Hank who was sitting on the left hand side.

There was a pop in the conference room, loud and crisp, and even a few echoes were formed in this huge conference room.

Hank was slapped with a Venus star in his eyes. The tremendous force made him leaned back uncontrollably. Then his chair lost his balance and fell to the ground with a loud noise.

Carl, the third child sitting next to him, hurriedly stepped forward to help.

Hank was under his support, holding his head and getting up, yelling angrily, "Big brother, what do you mean? Why do you beat me? You dignified chairman, you beat people on the board of directors, and you are not afraid of being laughed at by outsiders. ?"

Orrin smiled slightly and said: "Second, don't you want to know if I have recovered? It was a slap just now, how do you feel? It looks like it was shot by a sick person?"

"You..." Hank didn't expect that he would not say anything after hitting himself, and even ridiculing himself by accusing him, he was suddenly angry!

However, at the moment he has nothing to do. He can't beat him with his hands. He can only gritted his teeth and said: "Big brother, there is no point in saying this. If you want to reassure me and investors, you should publish your latest update. The medical examination report must be a report issued by an authoritative medical examination institution."

Orrin sneered and said, "You can't cry if you don't see the coffin, right? Yes, after the board of directors, I will call up the reporters waiting outside and hold a press conference. After the press conference, I will go to the Fairview Hospital for an examination. Now I have a whole body CT. Scanning, the results came out very quickly, if the fastest, the results can be announced this afternoon."

Chapter 1554

Hank saw that he had promised to be so refreshed, and he couldn't continue to find reasons for the trouble, so he gritted his teeth and said, "Okay! Then wait for the results of your physical examination! If you haven't recovered, then I think your physical condition, no It is suitable to continue to be the chairman of the board, so you should give up the position of chairman and let a healthy person take it!"

Charlie, who had not spoken all the time, smiled at this time and said: "If the position of chairman must be filled by a healthy person, I believe that neither you nor your brother meets this requirement."

Hank blurted out and shouted: "You f*cking don't fart here! My body is very healthy!"

"Really?" Charlie sneered: "If I guessed correctly, you should have lost fertility now? You don't even have fertility. You still have the face to say that you are very healthy? For you, fertility is ability not important at all?"

Hank had been holding back because of the loss of fertility. His previous character may have long been unable to bear to find Charlie to settle the account.

The reason why he has been forbearing, he has not spoken to Charlie until now, is also because he has always put the matter of taking over as chairman of the board first.

But I didn't expect that he hadn't found Charlie to take the trouble, this guy actually took the initiative to ridicule himself with this incident, which made him suddenly unable to suppress his anger, and blurted out: "The surname is Wade, my fcking has already treated you The bottom line of the investigation is clear! Don't think I don't know what your background is, aren't you the fcking son-in-law of Aurous Hill? What are you pretending to be in front of me?"

Seeing that Hank had exploded, Carl also stood up and gritted his teeth and cursed: "The surname Wade, what method did you use later? If you don't let us return to normal today, don't blame me for being rude to you! Even if it is. The boss covers you, and we will not spare you!"

Trevor and Daniel, who were sitting at the farthest point in the conference room, kept suppressing their anger towards Charlie. They didn't say a word, just because they were afraid of ruining Hank and Carl's good deeds. Now seeing that they both attack Charlie, so Stand up immediately.

Trevor said viciously: "Charlie is it! If you don't give us a satisfactory solution to this matter, I will let you lie in the urn back to Aurous Hill!"

Trevor was also not to be outdone: "Lying in the urn, don't even think about going back, I just lifted your ashes!"

Orrin screamed with a black face, "It's your turn! Do you think I can't be your home? Do you think I have a disease, you can ride on my neck and shit?"

Charlie smiled slightly at this time and said faintly: "Uncle Orrin, you have recovered from a serious illness. Don't get angry with these people, let me have a chat with them."

After finishing speaking, he looked at the other shareholders and said kindly: "Everyone, the next thing has nothing to do with the board of directors. Please avoid it first."

Everyone looked at Orrin.

Orrin nodded and said, "Okay, let's all go. There will be a reception in the press hall downstairs later. You can move there and wait first."

Everyone stood up almost without thinking and left the meeting room in an orderly manner.

As the door of the conference room closed again, Orrin said to Charlie: "Charlie, it has been specially soundproofed inside, so even if the gun is fired inside, you can't hear it from outside, so you can play freely."

Charlie smiled and said, "Good Uncle Orrin."

When Hank and others heard this, their faces paled in shock.

They knew that Charlie was very strong, and neither God of War nor Realm Master was his opponent.

If he had to do it right away, the four of them would not be enough to watch.

Therefore, Hank pretended to be calm and shouted: "Listen to me, I am the second master of the Sun family! My identity is beyond your reach in this life, so you'd better not offend me to death, otherwise If you do, you are at your own risk!"

Charlie didn't get angry when he heard it. He laughed, and asked him: "Don't tell yourself so arrogantly. At the very least, you have to figure out who I am!"

Chapter 1555

"Find out who you are?!"

Although Hank was a little afraid of Charlie's strength, when he heard this, his face was still full of disdain.

He looked at Charlie and sarcastically said, "I said, I have already found out your details a long time ago. Isn't it just the live-in son-in-law of the Aurous Hill Wilson family? It's a poor family in a small city. What is it about me?"

"Yes!"

Carl immediately said coldly, "You have to figure it out. Pull out all the big families in Aurous Hill and add them together. It's less than half of our Sun family!"

Carl's words are somewhat arrogant and exaggerated, but fundamentally speaking, there is nothing wrong with his words.

Compared with Eastcliff, Aurous Hill is indeed not a big city.

Moreover, the Moore family, Aurous Hill's first family, had assets of more than 100 billion Dollar, which was far from the Sun family.

Therefore, Orrin had the confidence to say such arrogant words just now.

At this time, Charlie smiled calmly and asked, "You didn't think about it. How could I have met Uncle Orrin if I were just the son-in-law of a poor family in a small city?"

Orrin nodded, looked at his two younger brothers and two nephews playfully, and smiled.

Hank coldly snorted, "Do you think I don't know what you do? Isn't it just a damn liar who looks at Fengshui?"

As he said, Hank was full of disdain: "I know, you did fool a few local turtles in Aurous Hill, but you know, this is the f*cking Eastcliff, not Aurous Hill! This is where the dragon and the tiger are really hidden, you If you can eat well in Aurous Hill, I think you can eat well in Eastcliff? There are many people here, and there are as many dragons and phoenixes as the crucian carp that crosses the river. An old fortune-telling man will drop down from the walls of the Forty-Nine City, I am afraid he is better than you!"

Charlie nodded and sighed: "Oh, what you said really gave me the initiation. If you weren't talking about the difference between Aurous Hill and Eastcliff, I almost forgot about it, I I am not from Aurous Hill at all, I am actually from Eastcliff!"

"What?" Hank frowned, "Are you from Eastcliff?"

"Yeah." Charlie smiled and nodded, patted his chest, and said: "I am a native of Eastcliff. I left Eastcliff to Aurous Hill when I was eight."

When Hank heard this, he immediately sneered: "Could it be that you had no foundation in Eastcliff before you were eight? You left Eastcliff at the age of eight, and now you come back after such a long time, you dare to run wild in front of me?"

Orrin smiled and asked him: "My second child, don't you see that Charlie is somewhat familiar? Don't you think he looks like someone?"

Hank squinted his eyes to look at Charlie carefully, and said, "Does this kid have anything special? He's just plain and ordinary, not as handsome as when I was young."

Orrin laughed out loud: "Second, I didn't expect you to be under my protection. After so many years of pampering you, your whole person will become more and more regressive. It's a waste of more than 40 years!"

Hank was startled, and subconsciously asked, "What do you mean? You don't have to tell me about it here, just say what you want!"

Orrin nodded: "Okay! Then I'll speak straight!"

After all, Orrin stood up and said in a haughty tone: "Do you remember that I had a elder brother who became a beggar, and the Sun family can have today, thanks to his promotion all the way more than ten or twenty years ago! Even when the old man was alive, He was a guest of honor and respected him. At that time, you were a dude with a half-bottle of water. The old man would not allow you to have much contact with my eldest brother, for fear that you would lose the Sun family in front of him. Face, what is my eldest brother's surname?"

Hank had forgotten Charlie's father for many years. After all, the deceased has passed away, and many relatives may not be able to remember the deceased for more than ten years, let alone Hank and Charlie's father. What friendship.

Back then, Hank just watched his elder brother worship the brightest star of the Wade family, and he was jealous, but after the death of Charlie's father, he gradually forgot about it.

However, now that the eldest brother was so directly named, he immediately thought of the handsome and generous figure.

Chapter 1556

Hearing the last question of the eldest brother, he subconsciously said: "I remember him, his surname is Wade, the Wade family was the best..."

Speaking of this, his whole body was instantly shocked, his eyes widened to the extreme, staring at Charlie forever!

At this moment, two figures that would have been twenty years apart overlapped in his mind.

Only then did he realize that the vigorous young man in front of him looked so much like that vigorous young man back then!

Reminiscent of Charlie's surname Wade, and his relationship with his elder brother so close, he immediately seemed to be struck by thunder, trembling and pointing at Charlie, and asked Orrin in a trembling voice: "Big brother, he...he ...Is he the son of Brother Wade, the second master of the Wade family?!"

The second master of the Wade family was talking about Charlie's father, Bruce Wade!

The name Bruce is taken from the classic poem of a great man: "Today Bruce takes in hand, when will the dragon be bound!"

And Bruce Wade's implication is: Wade family has a son! And he was the second child of the Wade family heirs.

Although he is not the eldest son, his ability is the strongest of the Wade Family. At a young age, he can plan tactics and win a thousand miles in the market!

Under his leadership, the Wade family has even fought back and forth with the Rothschild family in Europe and the United States, which has a history of hundreds of years, and even made the other party suffer a compromise in the end!

In those days, countless rich second generations of Eastcliff regarded him as their idol in life!

Countless rich generations looked at him with grief and sighed like Wade had a child!

Countless wealthy daughters admired him so much that they regarded him as the best candidate for the wishful man!

When you marry Bruce Wade, this is the most familiar sentence in the circle of Eastcliff celebrities!

I think back then, there were all good women seeking great families, but who has ever seen the grand occasion of good men seeking great families? !

Back then, the big business figures who came to Wade's house and hoped to marry their daughter to Bruce are too numerous to count!

Hank couldn't help thinking back then, that Bruce used the light of one person to cover the edge of all Eastcliff's peers!

At that time, everyone was sighing in their hearts, why were they born in the same era as Bruce? He is like a bright moon in the night sky, who can compete with him?

Thinking of this, Hank can already conclude that Charlie is Bruce Wade's son!

He thought of Bruce's heroic posture, and his heart was immediately panicked. Looking at Charlie, he suddenly knelt on one knee and blurted his face with all his face: "Master Wade, please forgive me for being clumsy. I didn't realize that you are actually the son of Brother Wade! "

Although Carl hadn't spoken for a while, seeing his second brother kneeling on one knee, he immediately followed him and knelt down on one knee.

Both Trevor and Daniel were blinded. They were young and didn't know Bruce Wade's glorious deeds back then. Seeing that their father actually knelt for Charlie, they were stunned.

Daniel immediately wanted to protest loudly, but was grabbed by Trevor, who had a higher vision, and covered his mouth.

This is, Hank, who knelt on one knee, actually choked up and sighed: "When I was young, I secretly made a dream in my heart and bowed my head to worship Bruce! It's a pity that Bruce died young, so I never I have the opportunity to learn one or two by his side. If I had the opportunity to learn a little by his side, I wouldn't be so dull today..."

Chapter 1557

The mention of Bruce Wade's name still makes many middle-aged people in the Eastcliff family sigh.

Because for these big families, no wealth is as important as a powerful offspring who can go straight ahead.

Shopping malls are like battlefields. Sometimes a slight deviation may lead to the annihilation of the entire army and the destruction of the entire army. This is why many

families are ups and downs in the game, and many even directly launched the stage of history.

If a family wants to be prosperous, it doesn't matter how much money is in their hands, or how much land is in their hands, it doesn't matter how much land is in their hands. What matters is whether his descendants can continue to produce dragons and phoenixes.

The prosperity of the Wade family today is inseparable from the solid foundation that Bruce laid 20 years ago.

That's why people remember Bruce Wade and regard him as a bright moon in their hearts.

Charlie didn't expect that brothers Hank and Carl would kneel on one knee when they heard their father's name. Seeing that the two people's respectful expression was not hypocritical, the anger towards the two of them was slightly relieved. It took a few minutes.

At this moment, Hank turned his head and looked at his son Trevor and the third son Daniel, and blurted out: "You two, seeing the blood of Brother Wade, don't hesitate to kneel down and admit your mistakes!"

Trevor understood in his heart.

Although he hadn't heard too many rumors about Bruce Wade, he guessed that Charlie was a descendant of the Wade family of Eastcliff.

Don't care about the Sun family and the Wade family belonging to one of the three major Eastcliff families, but the weaker ones are not even a little bit.

Some people joked that the so-called three major Eastcliff families are actually nothing more than "two dragons playing beads".

Erlong refers to the Wade family and the Banks Family. As for the Sun family, it's just the bead.

The Wade Family's strength is much stronger than that of the Sun family.

Even if the brothers Orrin, Hank, and Carl are tied together, in front of the Wade family, they are not enough.

What's more, Orrin, the boss of the Sun family, stood with Charlie at this time.

It is equivalent to the fact that the brothers Hank and Carl are not only facing the Wade family, but more than half of the Sun family!

After all, Orrin, the current eldest brother, seems to have recovered. He really needs to break his wrists. The second and third children can't even break off the eldest son. Why are you talking about the Wade Family?

Therefore, Trevor did not dare to delay. He came to his father Hank in three or two steps. He knelt on one knee and said devoutly: "Mr. Wade, please forgive me for being clumsy, I didn't know!"

Daniel's brain is not as good as Trevor's, but seeing that, he didn't dare to ask more. He came forward and knelt on the ground, learning from his cousin in a decent way, and respectfully said: "Mr. Wade, please forgive me for being clumsy!"

Charlie nodded slightly, and said coldly: "For your respect for my father, you just insulted me, I won't pursue it for the time being."

The four of them breathed a sigh of relief at the same time.

But Charlie immediately said: "However, your two brothers were embarrassed, trying to seize the assets of my Uncle Orrin, and also released news that Uncle Orrin was seriously ill, and many directors wanted to usurp power on the board of directors. , You must give Uncle Orrin a clear solution, otherwise, I will not let you go!"

Hank knew in his heart that this power-seeking plan had completely failed.

Not only can I not beat my eldest brother now, but I am also distracted from the board of directors. Relying on myself and my third brother, I want to continue to fight against my eldest brother. It is simply a dream. The best solution is to immediately recognize the counsel and strive to return to the previous state.

So, he immediately looked at Orrin and said sincerely: "Brother, this matter is my passion. I confessed my mistakes and punished them. From today onwards, he will completely eliminate all attempts to refrain from returning, and wholeheartedly assist him in running the Sun Group!"

Chapter 1558

The third child, Carl, also quickly admitted his mistake: "Big brother, just like the second brother, I apologize to you! If you have any instructions in the future, the third child, I will definitely take the lead and dare not follow!"

A trace of melancholy and hesitation flashed across Orrin's expression.

In fact, he did not expect that the second and third would give up resistance so quickly.

Originally thought they would resist stubbornly, but what they didn't expect was that Charlie and his father's identity completely frightened them.

Therefore, a complete victory was achieved at once, and both of the younger brothers confessed their mistakes with great concentration, and he did not think about how to deal with them.

At this time, Charlie said: "Since you want to admit your mistakes, you must at least express it. Although I am an outsider, I also make a little suggestion here. Please listen and see if it is feasible."

Orrin hurriedly said, "Charlie, you say!"

Charlie smiled and said, "Uncle Orrin, these four people are all blood relatives of your same clan. In my opinion, knowing your mistakes can make corrections."

When Hank and Carl heard this, they were happy and hurriedly nodded in agreement: "Yes, big brother, we are all brothers. For the sake of blood relationship and our sincere regret, let's forgive us this time!"

Charlie said again at this time: "Don't worry, you can forgive me, but forgiveness is also conditional."

Hank of course knew that Charlie could not be so good, and took the initiative to intercede for them. There must be other conditions in exchange for them, so he immediately clasped his fists and said, "Master Wade, please say!"

Charlie said indifferently: "You are both shareholders of the Sun Group, and you have shares in the Sun Group. Since you want to follow Uncle Orrin with all your heart, you must be bound firmly with him, so my suggestion Yes, you two, immediately transfer the voting rights corresponding to all the shares in your hands to Uncle Orrin forever!"

What Charlie wanted was the voting rights corresponding to their shares, but not their shares.

In other words, how much should they hold, how much should they hold, how much should they earn, and how much money should they earn, but after the voting rights of the shares are handed over, they have no right to speak in this board of directors, and everything must be ordered by the controlling party. Decision-making.

In this way, Orrin's voting rights have reached the 51% absolute control requirement!

In the future, he will be one of the best in the Sun Group!

Even if all the remaining shareholders unite, they will only have 49% of the voice at most, so it is impossible to shake Orrin's control.

When Orrin heard this, his heart was clear.

Unexpectedly, Charlie not only saved his life, but also wanted to help him regain control of the Sun Group.

This kid acts cleanly and decisively. He really has the shadow of his father back then!

Thinking of this, Orrin sighed besides being grateful, sighing his big brother!

Charlie had been in Aurous Hill for many years. He hadn't received a good education or experienced good conditions. He struggled to get up from the grassroots mud pit by himself, but he did not expect that he was already quite a general.

If the eldest brother is still alive these years, and if Charlie can be carefully nurtured under the hands of his father Bruce, then Charlie is afraid that it has become a shining existence in the world!

Unfortunately, this beautiful vision can only be exchanged with a sigh.

However, the more he looked at Charlie, the more pleasing he felt.

If he can become his son-in-law in the future, he will be able to give his daughter a lifetime of happiness, and he and his wife can be completely relieved!

Chapter 1559

At this moment, Hank felt a pain in his heart.

Charlie's words made him realize that this is helping the eldest brother and disarming himself.

In a company, it doesn't matter how many employees or departments you have under your hands. What is important is how much power you have in the company.

The voting rights corresponding to the shares are tantamount to the company's internal struggle for power and profit.

If I let myself surrender all voting rights now, it would be tantamount to letting myself surrender all weapons and completely give up the possibility of resistance.

To be honest, he didn't want to be so controlled by others.

However, thinking about it the other way round, he has nothing to do.

disagree?

There is no way to disagree. After all, the eldest brother is recovering now, and Young Master Wade is supporting him, so he is not an opponent.

Now he is still playing a criminal plot with himself, actually letting himself surrender the gun and not kill. If he doesn't agree, then they may change their routine to play the conspiracy. At that time, they will not surrender the gun but never kill. Endless trouble!

Thinking of this, he sighed softly and said, "Master Wade, I agree to your proposal and hand over all voting rights!"

Carl has been waiting for the second brother to express his opinion. He has a weak personality and has no opinion. Anyway, he and the second brother have tossed this matter together, so naturally he has to follow the second brother to advance and retreat.

So he hurriedly said, "Master Wade, I have no objection!"

Charlie nodded with satisfaction, and said to Orrin: "Uncle Orrin, in this case, let's let the legal affairs come over and draw up the voting rights transfer agreement. After signing the agreement, you can just go to the press conference to hold a press conference in the release hall and put this The matter is made public."

After speaking, Charlie checked the time and said, "It's ten o'clock now. If you move fast, hold a press conference before 11:30. That morning, before the stock market is closed, the Sun Group's stock price should respond. Soaring."

"Yes!" Orrin nodded loyally, and immediately said: "Just do what you said Charlie!"

After speaking, he immediately took out his mobile phone and called his assistant: "Call all the legal department immediately!"

Hank gave up resistance and felt relieved. Then, he thought about the inexplicable loss of fertility between himself and his younger brother, son, and nephew. He hurriedly pleaded: "Master Wade, the four of us suddenly lost that. In terms of ability, to be honest, the Sun family's blood is all in the dogs and nephews, so please raise your hands high..."

Orrin was a little surprised and didn't understand what it meant when Hank said that the four people lost that ability.

At this time, Carl, Trevor, and Daniel all looked at Charlie with pleading eyes, hoping that he could restore the ability and majesty for everyone.

Charlie said indifferently at this time: "First of all, I must tell you clearly that this matter is reversible to me. If I am in a good mood, I can restore all four of you to the original."

When the four of them heard this, they were immediately overjoyed.

What everyone fears most is that all this is irreversible.

In case it is really irreversible, then all is over.

Even if he compromises, concedes defeat, and surrenders the right to vote, he still can't enjoy the pleasure of a relationship.

But Charlie's reversible sentence immediately ignited hope in their hearts.

However, Charlie changed his words and said lightly: "Although it is reversible, when it is reversible, it depends on your performance and my personal mood. If you perform well and satisfy me, I will consider it. "

The faces of Hank and others suddenly turned into four bitter gourds.

Can't recover temporarily?

Chapter 1560

So everyone can only continue to live this life as a living eunuch?

When is the leader in such days?

However, since Charlie had already said so, everyone really didn't dare to disobey him.

Otherwise, if someone is unhappy and just doesn't recover, wouldn't it be the end of the whole life?

Therefore, Hank could only respectfully say: "Please rest assured, Mr. Wade, I will do well when I wait!"

Charlie nodded lightly, and said lightly: "Get up, and the legal affairs will come in for a while and see this scene, it must be quite strange."

When the four heard this, they stood up.

Later, Charlie said coldly: "My identity, before I take the initiative to disclose it to the outside world, the four of you are absolutely not allowed to say a word to the outside world, otherwise, I will definitely not spare you."

Hank knew that he couldn't afford to provoke Charlie. Not only was Wade Family Young Master, but also his eldest brother supported him. More importantly, the "lifelines" of the four were completely controlled by him, even if he killed himself. , I never dared to offend him.

Therefore, he agreed without hesitation and said, "Master Wade, don't worry, we will never reveal a word about you!"

The other three people also nodded in a humble manner.

Seeing their sincere attitude, Charlie nodded slightly and said to Orrin: "Uncle Orrin, I will be an audience below at the press conference, so I won't show up in front of the media."

Orrin nodded and said, "Okay Charlie, I'll let the secretary arrange a seat for you in a moment."

Soon, more than a dozen people came up from the legal department of the Sun Group.

These dozens of people are all top domestic lawyers and legal workers.

They use their professional abilities to protect the legal rights of the entire Sun Group. They are all elites.

The agreement for the permanent transfer of voting rights is very simple and clear in itself, and there are no twists and turns, so everyone quickly drafted a contract with no flaws.

Once the contract is signed, it means that Hank and Carl will permanently transfer 100% of the voting rights corresponding to their shares to their eldest brother Orrin for free.

Even if they died and the heirs of their shares must continue to recognize this agreement.

Even if Orrin dies, his heirs will naturally inherit all the voting rights corresponding to the shares of Hank and Carl.

In other words, even if the Sun family's three brothers passed away decades later and their shares were inherited by their own children, Stefanie could still control the Sun family group completely, not afraid that the second and third children wanted to seek power.

The two did not have any tempers at this time, and obediently signed their names on the agreement.

Each agreement is in five copies, one of which is kept by Orrin, and the other by Hank or Carl.

There are three remaining copies, one for the legal department, one for the notary department for filing and custody, and one for the bank safe.

In this way, the possibility of someone trying to destroy all contracts is avoided.

When the contract was signed, the second and third of the Sun family officially and permanently gave up resistance.

In the future, they can only honestly follow Orrin to make money and take dividends. If Orrin does not let them speak, they will not even have the right to speak on the board of directors.

After the contract was signed, Orrin stood up and said, "Go, go to the release hall, friends from the media and reporters who came here early in the morning, shouldn't you wait a long time?"

Chapter 1561

When he heard that he was going to the release hall, Hank blushed.

Most of the reporters who are waiting in the release hall came here early in the morning because they said they were going to open a board of directors today, and they used the media to release news that their eldest brother was critically ill.

They want to catch a big news about the replacement of the chairman of the Sun Group, so that Hank can also use the current media attention to beat his reputation.

Hank originally wanted them to report on his victory on the board of directors, so that after noon, the media could announce to the public that the chairman of the Sun Group had changed his position and he would become the next chairman.

Unexpectedly, all these things I did would eventually fulfill my eldest brother.

He could even think that once the big brother appeared at the press conference with a red face, all the media reporters who thought he was going to die would have to fry them on the spot!

After he announced that he had obtained 51% of the voting rights, the media reporters should be shocked to add nothing to it?

With his thoughts flying in his mind, he secretly sighed.

Maybe, this is my fate.

Originally, his abilities and wrists were inferior to that of the older brother. He wanted to take advantage of the vacancy, but he didn't expect that there would be a Wade Family Young Master beside him. What's even more amazing was that he recovered from the serious illness overnight.

It seems that the only thing that suits him is to follow him as a foil.

In fact, Orrin is a smart man.

He considered many things very comprehensively, and he was only shivering from success.

It's a pity that in the end I still encountered Charlie stirring the situation behind his back.

Without Charlie, Orrin would strategize again, dragging a dying body, and it would be impossible to fight the union between him and Carl, and even the safety of his wife and daughter would not be guaranteed in the future.

However, Hank was able to see the situation in time and immediately gave up the original overall plan to stop the loss, and he can also see that this person is at least the number one.

Change to the kind of person who can't see the situation clearly and is still stubbornly resisting when he die, and he will soon be completely cold.

Orrin was grateful to Charlie at this time.

The appearance of Charlie not only saved his own life, but also saved his wife and daughter, and his career.

This kindness, in his opinion, is afraid that it will be a life of poverty, and he can't repay it all. He can only do his best for the rest of his life.

So he took Charlie's hand and whispered to him: "Charlie, if you don't want to return to Wade's house in the future, come to the Sun Group. Uncle will arrange for you a position of vice chairman. I only have a daughter. Daughter, everything in the future will be yours!"

What Orrin said was not polite, but from the heart.

He felt that his daughter was going to marry Charlie, and Charlie was his son-in-law. If he did not return to Wade's house, Sun's family would belong to him in the future.

Although he is open-minded, he also feels that if his daughter marries Charlie, she should be a good helper. Charlie and his father, Bruce, are both his benefactors. As long as Charlie can give his daughter a lifetime of happiness, He is willing to give all his assets as a dowry for his daughter.

Charlie naturally knew what he meant. He really regarded himself as the future son-in-law, even half of his son.

But I couldn't deal with this kind of thing, so I said seriously: "Uncle Orrin, I have no plans to return to Eastcliff. I still allow me to consider this matter."

Orrin also didn't insist, nodded and said, "In short, you should never see your uncle at any time and under any circumstances. My home is your home!"

Charlie nodded solemnly.

.....

Because Charlie wanted to develop the conference, and Charlie didn't want to appear on the scene, Charlie sat in the auditorium of the conference as an ordinary guest in advance under the arrangement of Secretary Orrin.

All the cameras are aimed at the rostrum of the press conference, so he doesn't have to worry about being on TV.

Chapter 1562

When Charlie sat down in the auditorium, the entire release hall was already overcrowded.

The major media have sent reporters one after another, with long guns and short cannons here, waiting for the Sun Group to release important news.

At this moment, the outside world does not know the news of Orrin's recovery.

Everyone thought that Orrin was already dying and that he might not be able to join the board of directors today.

However, they expect Orrin to appear.

Because, as media people, they like to catch some topics that can arouse attention.

So they hope that they can capture the image of Orrin's late hero and add some sensational text at that time. This is a proper headline news.

Some people have even thought about the headline of the news.

For example, "The End of an Era", or "Orrin Sun is old, can the new chairman of the Sun Group turn the tide".

Now they are only waiting for Orrin, who is dyingly ill, to stagger in from the conference hall, even being pushed in a wheelchair.

At this moment, the on-site staff picked up the microphone and said: "Please be quiet, everyone present, our chairman will be there soon!"

As soon as this word came out, everyone turned their attention to the entrance of the venue.

The camera and camera have already found the angle, and put the entire entrance into the viewfinder frame.

Everyone was waiting for the moment the door opened and Orrin showed up.

At this moment, the door was pushed open from the outside in.

The first step forward was Orrin's secretary.

The second step forward was Carl.

The third one is Hank.

The moment I saw Hank, the shutter sound on the scene had begun to intensively.

Because everyone knows that he is the second child of the Sun family, and is also the chairman of the Sun Group, and he is the unyielding successor.

Orrin is critically ill. He is the new chairman of a trillion business empire from Orrin.

However, no one thought that behind Hank, he did not see Orrin's shadow, but saw a middle-aged man who was nearly ten years younger than Hank, with a red face, tall and strong.

The media present could not help but exclaimed: "Who is this person? Why haven't I seen it before?"

No wonder they couldn't help Orrin all of a sudden.

In recent years, Orrin's image in front of the media has grown older.

Moreover, after Orrin became seriously ill, some media secretly took pictures of him in overseas hospitals. He was indeed very haggard. At the age of fifty, he seemed to be at least sixty.

Therefore, when I suddenly saw Orrin, who looked like 40 years old, no one could adapt to this violent contrast. Moreover, the media reporters were not relatives around him and couldn't recognize him at once. It was normal.

When Orrin walked in, some of the media reporters exclaimed: "I'll go! The last one is Orrin, Chairman Sun!"

After he exclaimed, someone immediately questioned: "Bullshit! Orrin is almost dead, okay? The last person looks like he's forty years old. Can he be alone?"

The reporter resolutely said: "Ten years ago, I interviewed Chairman Sun, and he was what he is now! His appearance, demeanor, and demeanor are all right in memory!"

Chapter 1563

When the reporters heard this, everyone went to seriously look at Orrin now.

A closer look reveals that Orrin's previous shadow can indeed be seen, and that the five senses and temperament belong to the same person.

So everyone can be sure that this man in his forties is Orrin!

Now, the whole scene was in an uproar!

No one can understand why Orrin, who said in the headlines this morning that he is critically ill, is so energetic and radiant now!

Therefore, every photojournalist locked his lens firmly on Orrin, and the shutter sound made a sound!

At this time, the network media directly broadcast the conference live simultaneously on the Internet through on-site equipment.

When the vast number of people saw Orrin's red face, the stocks of many listed companies in the Sun Group that had already dropped their limit, immediately loosened!

The so-called limit-limit is a situation in which the stock price drops to 10% and it is not allowed to continue to fall, resulting in a large number of selling orders blocking the lowest price and the stock price unable to rise.

In fact, in this case, if someone eats all the sell orders at the limit price, the stock will automatically open the limit.

The most sensitive in the stock market are brokers and institutions.

When they discovered that Orrin turned out to look like a okay person, they immediately realized that the news this morning must be fake news!

Therefore, in this case, they fully believe that the Sun Group's share price will rise immediately.

At this time, if the selling order is eaten up at the limit price, you can buy bottom at the lowest price.

If the stock can rise against the trend in the future, from the lower limit all the way up to the daily limit, then the institution that buys the bottom will be able to seize the 20% rise in one day!

For example, the stock price was originally 100 Dollar, but ended up at 90 Dollar. At this time, 10,000 people put their sell orders at 90 Dollar. If someone puts these 10,000 people on a 90 Dollar stock Buy it all, and the stock price will begin to open the limit.

If you buy the bottom from the price of 90 Dollar, the stock price rises back to 100 Dollar, and then continues to rise to the 110 Dollar daily limit, it is equivalent to a short period of time, from 90 Dollar to 110 Dollar!

A large number of institutions are frantically accumulating funds, and the stock price has risen all the way after opening the down limit!

At this time, Orrin came to the front of the seat, stood in place and waved to the reporter, then walked up to the stage and sat in the middle of the rostrum.

In front of him, a microphone and his name tag were placed with the words: "Chairman, Orrin."

After sitting down, Orrin smiled into the microphone and said forcefully: "First of all, on behalf of the Sun Group and the Sun Group's board of directors, I would like to thank all friends from the media for participating in this press conference in their busy schedule."

A group of Sun Group shareholders followed him to applaud.

Afterwards, Orrin said: "Next, I will give some simple and concise answers to some of the questions that your media friends, stockholders and investors are concerned about."

Everyone didn't expect that Orrin would go straight to the topic after making a polite sentence, and he couldn't help but sit up straight, listening with respect.

Orrin cleared his throat and said in a loud voice: "The first problem is my personal health. I did have some problems with my body before, but now my body has fully recovered!"

As soon as this was said, everyone on the scene couldn't help but gasp.

Everyone knows that Orrin got pancreatic cancer, and it is terminal stage.

This disease is known as the cancer with the highest mortality rate, and it is impossible to cure it.

Now, Orrin said that he has fully recovered, which has completely subverted everyone's understanding of the disease.

Chapter 1564

However, looking after Orrin's radiant face does not seem to be terminally ill. Is there really any medical miracle that can't be achieved?

At this moment, Orrin continued: "The second question, if you don't believe that my body has fully recovered, then after the press conference, I will go to Fairview Hospital for a full-body CT scan, and the result of the scan is I would like to announce it to all media and the general public."

With Orrin's words, everyone is not suspicious of his condition.

Because a whole body CT scan can find any kind of tumor, even very early stage carcinoma in situ, it can be found well.

If Orrin did not recover, he would definitely not dare to accept such an examination.

Everyone couldn't help but marvel. I didn't expect that even pancreatic cancer, a super terminal illness, could be born with such a miracle, which reminds people of the genius Jobs who died young a few years ago.

It's the same disease, why didn't Jobs have such luck?

If Jobs is still alive, maybe he can bring more innovation and change to mankind.

Then, Orrin said: "The third question, I think everyone is very concerned about the arrangement of the chairman of the Sun Group. I now officially announce that I, Orrin, and the other two shareholders of the Sun Group, Hank and Carl, A few minutes ago, a voting rights transfer agreement was signed. Shareholders Hank and Carl have permanently transferred all the voting rights corresponding to their personal shares to me!"

When everyone heard this, they were even more stunned!

They had already inquired about the discord between the Sun family brothers from everywhere.

I know that Hank and Carl have been forming an alliance to deal with their elder brother, and they are also uniting with other shareholders to deal with their elder brother.

Everyone was still waiting to see a big family fight, but they didn't expect the three brothers to reach such a brotherly agreement.

Hank and Carl permanently transfer their voting rights to their eldest brother Orrin. Doesn't this mean that you will always obey Orrin?

What about the brothers competing?

What about the good legacy war?

The reporters present all felt extremely depressed.

It's like everyone has bought melon seeds and drinks, sitting in front of the TV and preparing to watch an Opera.

As a result, after turning on the TV, I found that all the empresses, concubines, and nobles in the harem were all clustered around the queen. Everyone had one mind with the queen. Everything was seen by the queen, and the whole harem was in harmony.

How can there be any fights? What's the life and death? How can there be any murder? As the party concerned, it is naturally the most cost-effective solution to make concerted efforts and turn fighting into jade. But as an audience, this kind of scene is boring to the extreme.

It can even be said to be very disappointing.

Orrin glanced over the eyes and expressions of all reporters. He smiled lightly and said into the microphone: "From today onwards, the three Sun family brothers of the Sun family will work together to bring the Sun family into a new glory. As the so-called brothers work together, and their profit cuts gold, we also believe that with our joint efforts, the Sun Group will surely return all stockholders and investors with better performance and higher market value."

After he finished speaking, he jokes and talks a little bit: "However, please allow me to say sorry to everyone here. I was disappointed for not letting you see a big family fight!"

As soon as these words came out, the reporters on the scene blushed, but at this moment the share prices of all listed companies under the Sun Group began to soar like a dragon!

Chapter 1565

Almost immediately after Orrin's domineering remarks, the stock price, which was steadily rising shortly after opening the limit, suddenly seemed to be sitting on a rocket, and directly rushed to the limit with a sound.

A large number of institutions and a large number of retail investors are staring at the press conference. Seeing this, they immediately have full confidence in the Sun Group and are optimistic about it, even far higher than before Orrin was sick!

Therefore, everyone started desperately buying all the stocks of Sun's Group-related listed companies that were available on the market, and immediately pulled the price to the daily limit.

In the blink of an eye, the stock price reversed and detonated the entire financial circle.

The reason why everyone is so optimistic about the Sun Group is not only because Orrin looks extremely healthy, but also because Orrin's voting rights in the Sun Group have reached 51%!

Before that, the three Gu brothers jointly held 51% of the shares and voting rights. Although Orrin alone owns half of it, he wants to implement a decision on the board of directors. He must also vote for the other two brothers, or let others. Some minority shareholders who together exceed the shareholding ratio of Hank and Orrin voted in favor.

Now, no more.

He has fully achieved the goal of one person speaking and one person being the master. From now on, his control of the Sun Group will rise to an unprecedented new height.

This has strengthened the confidence of the market and investors in Orrin.

If you have confidence in him, you naturally have confidence in the Sun Group.

Once you have confidence in the company, you will have confidence in holding the company's stock.

As a result, the stock price skyrocketed!

Orrin did not talk to reporters too much at the scene. After explaining a few questions he wanted to say, he said: "In the future, the Sun Group will redouble its efforts to repay investors and shareholders for the Sun Group. Trust, and please trust us, we will definitely give you a satisfactory answer!"

After all, Orrin said again: "Today's press conference ends here, thank you for coming."

A reporter hurriedly stood up and asked loudly, "Chairman Sun, can you accept a simple interview?"

Orrin waved his hand: "There is no need for the interview. I just want to say so much. I have said too much, but it will affect everyone's reception of this important information."

After he finished speaking, Charlie, who was under his stand, winked quietly and walked out of the venue.

The reporter also wanted to catch up for an interview, but the security personnel at the scene immediately stopped all the reporters and said politely: "Excuse me, the chairman does not accept additional interviews."

Charlie stood up, Orrin's secretary had already arrived, and said respectfully: "Mr. Wade, the chairman said that the media has paid more attention. Let me take you through other exits."

Charlie nodded, followed the secretary for a few steps, and came to Orrin's office.

Orrin was in red at this time. Seeing Charlie coming in, he immediately stepped forward, patted his arm, and said excitedly: "Charlie, you make me feel like a new life!"

Charlie smiled: "Uncle Orrin, didn't you give you the medicine yesterday?"

Orrin shook his head: "It's not the same. I'm talking about a new life. It's in career. Starting today, the Sun Group can finally save a lot of internal friction and move forward!"

Speaking of this, Orrin sighed: "You don't know how it feels if you concentrate on doing things and the person next to you does everything possible to hold you back..."

"It's as if you want to lead everyone forward, and the people around you not only don't follow you, but also pull your sleeves, hug your thighs, and even block you in front and dig holes for you!"

"It's fine now, now I say to run, they must all run, not to run, they must run for me with a whip!"

Charlie nodded and said with a smile: "Then I will congratulate Uncle Orrin in advance, and take the Sun family to the next level!"

Orrin looked at Charlie and said seriously: "Charlie, I hope that one day, you will lead the Wade family to the next level with the Sun family. At that time, you will be the most powerful person in the business world. !"

Chapter 1566

In Orrin's eyes, the Wade family and the Banks Family were two dragons competing.

The difference in strength between the two is not too great, but the Banks Family still beats the Wade Family.

In fact, in the early years, the strength of the two companies can be said to be almost the same.

Had it not been for Bruce's untimely death at a young age, the Wade family might have already surpassed the Banks Family under his leadership.

But it was precisely because of the fall of Bruce's genius that the Wade family had no successors, so that the Banks Family gradually opened up a bit of status.

However, Orrin believed that if Charlie came to inherit the Wade family and then married his daughter, Charlie would have both Wade and Sun in his hands by that time.

Even in the future, the two can be deeply merged together.

In that way, Charlie would be able to beat the dust in the entire business community.

However, he didn't know when Charlie could deal with all the matters of Aurous Hill, and then he returned to Eastcliff to marry his daughter.

However, Orrin did not mention this matter, let alone urge him, but took a deep look at him, then patted him on the shoulder, and said seriously: "After leaving Charlie, let's go see your parents. !"

Charlie nodded gently and said, "Uncle Orrin, I want to buy them two bunches of flowers. Is there a flower shop nearby?"

"You don't need to buy it." Orrin said: "After we go out, your Angie has started to prepare. Now we are all ready. Let's go home directly, and after meeting with their wives, we will go to Wade Mountain together!"

Charlie said gratefully: "It's really hard work for Angie. These things should have been handled by my son..."

Orrin waved his hand: "Angie, you have the same sisters as your mother, and your father and I have the same brotherhood, and we have always regarded you as our own. Therefore, our two families are originally one family, and it is the same who manages them!"

.....

Orrin's motorcade drove out of the Sun Group neatly.

The convoy returned to Sun's villa first, and the driver at home drove a black Rolls Royce out again. Angie and Stefanie were sitting in this car.

Although the Rolls-Royce looked very large, it only had two seats in the back row, so the four people were divided into two cars, and under the escort of bodyguards, they quickly drove out of the city to the western suburbs of Eastcliff.

Eastcliff is surrounded by mountains on three sides and is full of endless Sabre Mountains.

Sabre is steep and steep, easy to defend and difficult to attack. From this point, the Great Wall of China began to extend in both directions, east to Shanghai, and west to Beijing.

Wade Mountain is an ingot-shaped green hill in the Sabe Mountains.

This place was originally deep in the mountains, with no people or roads. After the Wade family chose to build the ancestral tomb here, they built a road leading to the foot of the mountain and built a winding road to the mountainside. The investment was huge.

In the past, this mountain and this road were closed. Because the property rights were bought and the road was invested independently, other social vehicles and people were not allowed to enter. Orrin's motorcade could enter. This was because we had followed Wade in advance. Because the family said hello!

At this moment, Charlie was sitting in the Rolls Royce, getting closer and closer to Wade Mountain.

In ten minutes, he will be able to see his parents who have been separated for nearly eighteen years.

Even though yin and yang are separated, he still can't restrain the tension in his heart.

He looked at Wade Mountain, and said silently in his heart: "Parents, my son has finally come to see you..."

Chapter 1567
Wade Mountain.

This mountain, which can be called a treasure of feng shui, is not only better than ingots in shape, but also better. It is surrounded by a continuous river with excellent water outlets.

The ancients loved mountains and water. Water not only cleans everything, it is also the source of life. Therefore, water must be indispensable for the so-called feng shui treasure.

The water of Wade Mountain is indeed beautiful from heaven. Not only does the heavenly gate open and the land is closed, but it also perfectly matches the trend of the fortune to the river and the position and orientation of the mountain itself, forming a "water bureau" feng shui array. .

Such a feng shui formation can guarantee the prosperity of the family and the prosperous future generations, and more importantly, it can break the situation of the Dragon Shoal before the Wade family.

Charlie has a deep knowledge of Feng Shui mystery because he has studied the "Apocalyptic Book".

Although he didn't know why the old Feng Shui said that Wade Mountain was trapped in the shoal, he could perceive that the ancestral grave of Wade Mountain not only blessed the descendants and prospered family business, but also faintly soared into the sky.

This made him amazed. The Wade Family really had a lot of money. Not only could they buy such a feng shui place, but they could also invest so much money to make a big investment here.

The geomantic omen here is very good, and if the descendants are a little bit more vigorous, the Wade family will definitely continue to prosper.

When approaching the foot of Wade Mountain, Orrin reminded Charlie: "Charlie, I will ask the driver to pull over and you can drive."

Charlie didn't want to be exposed in front of the Wade family for the time being, so yesterday he had already agreed with Orrin, acting as a driver and assistant and going with him to worship his parents.

So he nodded and said, "Good Uncle Orrin, I'll drive."

The driver pulled the car over, handed the sunglasses to Charlie, and said, "Mr. Wade, here is this for you."

Charlie took the sunglasses and put them on, took out a disposable mask from his pocket, and then sat in the cab.

The driver did not stay in this car, but went to other vehicles behind.

Charlie drove on and continued forward. When he reached the bottom of Wade Mountain, a mighty white marble gate tower stood in front of him, and under the gate tower, the electric gate was closed tightly, and several security personnel stood on both sides as if standing guard.

The leading car stopped in front of the gate, and then the convoy stopped one after another.

A security guard walked up to Orrin's car from the front. Orrin put down half of the window. The other side respectfully said, "Mr. Sun, please ask the bodyguard to park the car in the parking lot nearby. There are too many cars for fear of disturbing the ancestors of the Wade family. You can go in the car with your wife and young lady."

Orrin nodded and said to the assistant on the co-pilot: "Go and coordinate and let them wait for me in the parking lot."

The assistant hurriedly asked: "Chairman, what about your safety issues..."

Orrin said earnestly: "This is the site of the Wade Family, and there is absolutely no possibility of safety issues."

The security guard outside the car bowed respectfully: "Thank you Mr. Sun for your affirmation."

Afterwards, while the assistant pushed the door to get out of the car, he opened his mouth and said to Charlie sitting in the cab: "Master driver, after going into the mountain, please don't honk the whistle or accelerate quickly, and keep the engine speed as low as possible. Below two thousand five hundred revolutions, so as not to make too much movement and disturb the quiet."

Charlie nodded.

Naturally, the mausoleum should be as quiet as possible, not only can it not sound the horn, nor make noise.

Moreover, the sound of a car engine is the greater the speed, the greater the noise.

Chapter 1568

Whether it is an ordinary family car or a luxury car, when the engine speed is below 2,500 rpm, it will not make much movement, but if the speed is increased to three or four thousand, or even four or five thousand, the noise will immediately increased several times.

Therefore, as a driver, you must be gentle when stepping on the accelerator.

At this time, all the vehicles carried by the security personnel drove into the parking lot beside the entrance building.

There are only two black Rolls Royces left, the one in front is driven by Charlie, and the one in the back is another driver from the Sun family.

The electric door below the gate opened to both sides, and the security personnel made a gesture of asking. Charlie stepped on the accelerator lightly and drove slowly into the gate building.

When Charlie drove the car into the winding road of Wade Mountain, he became more and more admired for the Feng Shui master who selected this treasure.

There are countless mountains in the Sabre Mountains, and he can find them among the thousands of mountains, and he is indeed quite capable.

The two cars were winding upwards on the Panshan Road, and Charlie no longer paid attention to Feng Shui. He could already see a large white marble mausoleum on the mountainside. There was the current ancestral grave of the Wade family.

Soon, the Rolls Royce he was driving went to the flat ground not far below the tomb.

This is a specially opened parking lot. Several black men in black suits are standing here, it seems they should be the security personnel of Wade's grave.

The larger the family, the more attention is paid to the safety of the ancestral grave.

The top families can flourish and prosper, and the feng shui of the ancestral tomb must have played a considerable role, just like the ancient royal dragon veins, which is of great significance.

If it is a foe or a competitor who has misconceptions and deliberately destroys his family's ancestral grave, the wealth will be lost, or the family will be destroyed.

Therefore, there are as many as a hundred security personnel deployed by the Wade family in Wade Mountain. In a year, the maintenance and security expenses of the ancestral grave alone will cost at least several hundred million.

At this time, the security personnel guided Charlie, and after stopping the car in the designated parking space of the parking lot, Charlie immediately got out of the car and went to the back row to help Orrin open the door.

In the car behind, Angie and Stefanie also got out of the car.

Afterwards, the driver of that car opened the trunk, and Angie and Stefanie carefully took out a few bunches of flowers from inside, beckoned to Charlie and said, "John, come here, and help hold the flowers."

Charlie knew this little Lloyd called himself, so he understood it, hurried to the front, and took two bouquets of flowers from the hands of the two.

Angie took out two more bundles from inside, and he and Stefanie each held one.

Orrin also stepped forward at this time and said to Charlie: "Come on, John, give me a bunch."

Charlie hurriedly handed him one of them.

Orrin deliberately sighed at this time, rubbed the knee of his right leg, and said, "Some time ago, during chemotherapy, the knee of the right leg caused by the medicine seemed to be still a little uncomfortable. There are more than 100 steps, John, or you Just help me up."

Charlie naturally nodded and agreed: "Good Chairman Sun!"

Orrin said to the other driver: "Curt, just let John help me over. You are waiting in the car."

The driver nodded immediately: "Okay!"

At this moment, the security officer said with some embarrassment: "Mr. Sun, this does not meet Wade's regulations. According to the Wade Family's regulations, only you, your wife, and the young lady can go up the mountain. Even we can't accompany you. It's still troublesome Sir, stay in the car and wait for you!"

Chapter 1569

The management of Wade's grave has always been extremely strict.

According to the Wade family's regulations, in addition to immediate family members, collateral blood relatives who want to come to the ancestral tomb to worship must have the permission of the Wade family.

The requirements for outsiders are even stricter.

It must be a family or individual who has a deep connection with the Wade family to be allowed to enter.

Like Orrin, he and Bruce are brothers of worship. Therefore, their family of three will be approved to worship.

But his entourage did not have the qualifications to approach Wade's grave.

After all, just two words, not worthy.

The Wade family buried here, whichever is placed outside, is a dragon and phoenix among the people, and who are the drivers, entourage, and assistant who are qualified to worship.

Not to mention other people's servants, even the Wade Family's servants and the Wade Family's security here are not eligible to enter the tomb area.

This area is cleaned and maintained three times in the morning, noon and evening every day, and the person responsible for cleaning and maintenance is not the subordinates of the Wade family, but the collateral relatives of the Wade family.

Of course, even if it is a collateral relative, it must be a talented person surnamed Wade.

Therefore, the security personnel stopped Charlie, naturally because of this.

Orrin saw that the other party was about to stop Charlie, and immediately said: "Young man, I have just recovered from a serious illness, and my body still has some sequelae. It is really inconvenient to move. Let my driver help me up. Your Wade graves were not so strict before. At that time, the entourage could also accompany it in."

The security personnel looked sorry, but said in a very firm tone: "I'm sorry, Mr. Sun, this is the new rule set by the family owner after the ancestral grave moved into Wade Mountain, and we must abide by it and never exceed it, so please Please forgive me."

Orrin suddenly became anxious.

It was for Charlie to personally honor his parents, so I made a special trip to bring him here.

Charlie didn't want to reveal his identity, so he could only pretend to be a driver, but what he didn't expect is that Wade's current management is so strict.

He, the chairman of the Sun Group, even put a pleading tone on the security personnel, saying: "Young man, I am indeed suffering from physical inconvenience. Please also look at the face of my relationship with the Wade family. Open up a side for me, you don't want to watch me roll down the stone steps without standing still, right?"

Seeing this, the security personnel hurriedly bowed deeply: "Mr. Sun, there is really no way to accommodate this matter, otherwise, the job you are playing will not be kept."

Orrin was a little annoyed, and questioned a bit angrily: "Your rules are too unreasonable, right? Our two are family friends, how can I make me look like an outsider?"

The security staff said embarrassingly: "Mr. Sun, let's tell you that this rule is set by the old master, and the owner treats the old master's words as a standard, so we must strictly observe and not violate it. Please forgive me!"

Orrin got angry anxiously, and blurted out, "Then this is not accommodating, right? Should I call Elder Wade now?"

The security personnel nodded hurriedly and said, "Mr. Sun, you should call the owner of the house. If the owner allows him, he will never stop him!"

Orrin knew that he couldn't persuade the other party, so he sighed and said, "Yes, I will call Elder Wade."

Although he said so, he had no bottom in his heart.

He knew about the Wade family, and knew that the Wade family moved the ancestral tomb to Wade Mountain because of an expert, and that expert should be the old master of the security staff.

If it was the request made by the old master, I believe that the old man would never open any back door to himself for his own Feng Shui.

Could it be that Charlie could not be allowed to mourn his parents in person today?

Chapter 1570

He has been separated from his parents for 18 years!

Charlie was also anxious at this time.

In fact, since he got the "Apocalyptic Book", he hasn't felt this panic and eagerness for a long time.

My parents were buried in one of the magnificent mausoleums not far away. As long as they stepped up to more than one hundred stone steps, they could go to their parents' graves to pay homage, fulfilling the biggest dream of eighteen years.

However, if these people don't let themselves go, they can't go all the way, right?

Or, do I have to identify myself from the Wade family?

However, although you can make yourself honorable to worship your parents in that way, after that, waiting for yourself is the real trouble.

At this moment, a loud voice sounded: "Let him go up!"

Everyone followed the prestige, only to see an old man with an old-fashioned, completely white hair, beard, and eyebrows, walking slowly over with a cane.

When Charlie saw this person, he felt that he should be a hundred years old. Although he was very old, his walking posture was surprisingly stable with the help of crutches.

It is the twelfth lunar month of winter. The old man is only wearing a white Tom Ford suit, but he can't see that he is half cold.

And his crutches seem to be a bit different.

Charlie has seen many old people's walking sticks, with dragon heads carved on the top, but there is a python carved on his walking stick.

After taking a few glances at the other party, Charlie couldn't help but wondered in his heart: "Could it be that Uncle Orrin said this person, the old Chinese Fengshui master invited by the Wade family from the United States?"

Later, he couldn't help thinking: "Why did he agree to let me go up? Could it be that he saw through my identity? Is his insight so strong? Or is there any other way he can figure out my identity?"

Just when he couldn't think of the whole story, the person in charge of security asked in surprise: "Master, don't you mean that outsiders are not allowed to go up except Wade Family's best friend?"

The old man smiled slightly, looked at Charlie and said, "He is not an outsider."

The security staff was even more puzzled: "Master, what do you mean? Why don't I understand?"

The old man smiled and said, "I think this person should have a deep connection with the Wade family in his previous life, so I'm not an outsider, let him go up."

"Have a relationship in the previous life?" The security personnel were naturally a little unbelieving, but the thought of feng shui was very mysterious at first, maybe this thing might be true.

So, he said embarrassingly: "Master, Patriarch meant..."

The old man replied: "Have your Patriarch said that as long as I am on this day, I will have the final say here?"

The security personnel hurriedly and respectfully said: "The owner did say that!"

The old man asked again: "Then your Patriarch has said that even if I ask you to tear down Wade's tomb, you must not disobey?"

The security staff is more respectful: "The owner did say it!"

The old man nodded and asked: "Then I let him go up, do you have any comments?"

The security staff took a step back subconsciously and respectfully said: "Go back to the old master, I have no opinion! Everything is subject to your opinion!"

The old man nodded in satisfaction, and then made a gesture of inviting Charlie, saying, "This gentleman, please."

Chapter 1571

Charlie was very puzzled.

He didn't quite understand why the old man seemed to have spotted himself at a glance.

However, since the old man helped him solve the current problem, the most important thing for him is to go and worship his parents first. The rest can be said later.

So he arched his hand at the old man and said, "Old sir, thank you."

After speaking, Orrin assisted Orrin pretendingly, and together with Angie and Stefanie, they stepped up the stone steps.

No one else followed, including the old master, who was also standing quietly below, looking at Charlie's background, desperately restraining the excitement in his heart.

The tomb of the Wade family is divided into nine rows.

The top row is the first ancestor of the Wade family who left a grave.

The lower you go, the lower your seniority.

Charlie's parents were buried in the penultimate row.

In this row, there are a total of twenty graves of the same size, but only one grave has a tombstone in front of it.

Orrin stopped in this row, pointed to the only tombstone in this row, and said to Charlie: "Charlie, that is your parents' tomb."

Charlie nodded lightly and murmured: "In the Wade family's generation, only my parents have passed away. The others should still be alive, right?"

Orrin said: "Yes, even though this generation is in their 40s or 50s, they are in their 40s and 50s in their prime of life. If your parents were not harmed by others, they should be the mainstay of the Wade family now."

Charlie sighed and walked inward.

Those security guards, as well as the old master, were all below, so they couldn't see the situation here either, Charlie stopped pretending, and Orrin stepped in first.

When he came to his parents' grave, Charlie took off his sunglasses and mask, and looked at the photos and names of his parents on the tombstone. The tears couldn't stop instantly, and he kept streaming.

In his mind, it seemed that another movie was playing at a very fast speed.

This movie chronicles himself from the moment he remembered it and lasted until he was eight years old.

Then, he used a faster speed in his mind to flash his own life for more than ten years in fragments.

The eighteen years without parents have been long and difficult, and full of bitterness and pain that ordinary people can't understand.

At this moment, he had countless words in his heart that wanted to confide to his deceased parents, but when the words reached his mouth, and he couldn't say a word.

After crying for a moment in front of the tombstone, Charlie knelt on the ground with a thud, holding flowers in both hands, and placing them respectfully in front of the tombstone, choked up and said: "Dad, mom, sons are not filial. You have been there for 18 years before his son came to see You, all these years, my son has been trapped and overwhelmed. He has not been able to do his filial piety. Please forgive me..."

After speaking, he leaned down and knocked nine heads in front of the tombstone.

People say that they kneel down to the sky, kneel down to the ground, and kneel down to their parents in the middle, but in Charlie's eyes, the sky and the earth are not worth kneeling. In the world, only parents are worth kneeling.

Orrin also stepped forward at this time, knelt on one knee in front of the tombstone, and sighed: "Big brother and sister-in-law, I promised you for 18 years. After all, my brother did not break his promise and finally brought Charlie back. Look at him. Now Already a talented person! You are almost exactly the same as your eldest brother, and you are also a dragon and phoenix!"

As he said, he wiped a tear and continued: "Last time I came to see you, I said I would go down and meet you soon, but I didn't expect that Charlie saved my life, and the older brother and sister-in-law may have to work hard for you. Wait for me for a while..."

Speaking of this, Orrin was in tears.

Angie stepped forward, also knelt down beside Orrin on one knee, choked up and said: "Big brother, sister-in-law, thank you for being in heaven, bless god to survive the catastrophe, the Wade family's kindness to Sun family, we will never forget it in this life... .."

Stefanie knelt on her knees beside Charlie, did not say a word, just cried silently next to Charlie.

After kneeling on the ground for a long time, Charlie wiped away his tears, and gently wiped his parents' tombstones with his sleeves several times, saying: "Dad, mom, my son can't stay with you for too long this time, but please don't worry. I will definitely come to see you every year."

After that, he sighed, helped Orrin beside him, and said, "Uncle Orrin, let's go."

Orrin nodded slightly and pulled his wife to stand up.

Charlie put on his sunglasses and masks again, and walked down slowly with Orrin's family of three.

Chapter 1572

Below the stone steps, a few security guards were still standing straight.

And the old master, holding the python head crutch with both hands, looked at Charlie with a little awe in his eyes.

Charlie didn't speak, but walked to the old master and bowed deeply.

The old master hurriedly threw away the crutches to help, and said with sincerity and trepidation: "You can't make it, you can't make it..."

Several security personnel were a little surprised.

When the Patriarch of the Wade family bowed to the old master, the old master didn't blink. Why did the driver bow to him, so he was so polite?

At this time, the old master opened his mouth and asked Charlie: "Young man, I wonder if I can take a step to speak?"

Charlie nodded: "No problem."

The old photographer turned to the security guards and said, "No one is allowed to follow."

Everyone nodded hurriedly.

Charlie nodded to Orrin, and walked to the other side of the mountainside with the old master.

Here, there is a platform paved with natural marble, next to the mountain.

Charlie always felt that the entire Wade Mountain had a soaring momentum. After seeing this huge and flat platform, he suddenly realized that the center of the entire Feng Shui Bureau was here.

The old master took him to stand in the center of this platform, and respectfully said: "The entire Wade Mountain and the entire Fengshui Array in Wade Mountain are actually set up for you."

Charlie asked in surprise: "Set for me? I don't know what the old man means? Do you know me?"

The old Master said: "Four years ago, something happened to the Wade family, and the entire Wade family was trapped in the Dragon Shoal and couldn't get out of it. At that time, it was when you got married."

"Getting married?!" Charlie exclaimed: "When I got married?"

"Yes." The old master nodded, and said: "Long Khun Shoal, this dragon is talking about you."

Charlie frowned and asked: "Does that mean I'm trapped in a talk?"

"Yes." The old master said respectfully: "You are the only dragon in the Wade family! What is a dragon? The top is in the sky, and the bottom is in the sea, but you have become a home by the river. This is the dragon. Sleepy shoals!"

"And if you are trapped in the shoal, the entire Wade family's fortune will be exhausted. At that time, your grandfather was suffering from a serious illness and was unable to treat it because of this situation!"

After speaking, the old master said again: "So, your grandpa found me."

"And I, three months before your grandfather found me, just gave myself a divination."

"The hexagram image of that hexagram is a dead end. It means that my yang life may be exhausted within a few years. I was already a hundred or two at that time. It doesn't matter if I die. It's just that in the dead end, it happened to be revealed to me. A sect, all hexagrams in this sect, point to the east."

"I don't understand what I'm referring to. I've been looking for more clues. At this time, your grandpa came and asked me to go back to China to watch Feng Shui for Wade's family. Only then did I understand that the dead life was in the eastern motherland, At Wade's house."

"When I came to Eastcliff, I looked through all the feng shui clues for the Wade family. After a few hangs, I figured out that the Wade family has a dragon and is trapped in the shallows. If this dragon can't fly into the sky, not only the Wade family will be finished. There will be no trace of the path of life I set aside. Therefore, I spent four years searching and rebuilding Wade Mountain. Last spring, I broke the predicament of Wade Shoal, so you were able to get out of trouble. ."

When Charlie heard this, his heart was shocked. Could it be that what he said to get himself out of trouble was to get the "Apocalyptic Book"? Because at this time last spring, I was completely in line with my own "Apocalyptic Book"!

Thinking of this, Charlie sighed the old man's proficiency in feng shui divination, while worried, did he know the existence of the "Apocalyptic Book"?

This is one's deepest and deepest secret, and even the closest person can never tell it!

Therefore, he deliberately asked the old man: "Old gentleman, you said that by rebuilding Wade Mountain, I was able to get out of trouble. What do you mean by that? How can I get out of trouble? How can I get out of trouble?"

The old man shook his head: "This hexagram is not something I can fully understand. I can only calculate that you are out of trouble now, and you are going to soar into the sky. After you get out of trouble, you will also bring me my life. , I have continued my ten years of life, so I have not left, staying here waiting for you, but I can't figure out what this life is."

Charlie was even more surprised. The so-called life of the old man, could it be the extra rejuvenation pills on his body? ! ?

Chapter 1573

This time in Eastcliff, Charlie did bring more than one Rejuvenation Pill.

Although he was sure that a single rejuvenating pill could heal Orrin, he still brought two or three extra pills to be on the safe side, just in case.

From this point of view, among the hexagrams that the old man gave him for divination, the only life left in the dead is the rejuvenation pill on his body.

At the same time, he couldn't help but figure out what the old man said just now.

It seemed that when he married Claire in Aurous Hill, the dilemma of Longkun Shoal had already formed.

The old man said just now that the reason why he was trapped in the shallows was because he became a home on the river bank. Aurous Hill was originally located on the bank of the Yangtze River, which corresponds to it.

Moreover, his fate has been rough, and it was not until the sudden appearance of Stephen Thompson last spring that it brought him a turning point.

However, the biggest opportunity in life was not to be found again by the Wade family, but to get the "Apocalyptic Book" by chance. That time also happened to be last spring.

From this it can be seen that the cause and effect of the whole thing were first of all that he was trapped in the shallows, so that the whole Wade family was also unlucky.

Then, the Wade family found the old man and tried to ask him to help solve the trouble.

The old man made a divination for himself and saw that the East had an opportunity to increase his ten-year life, so he returned to the motherland not far away to solve the difficulties for the Wade family, and at the same time waited for his chance.

It took him four years to find Wade Mountain and set up a feng shui array on Wade Mountain to break through the situation of his own Dragon Shoal. The Wade Family survived the crisis and he benefited a lot.

And he has been waiting for his appearance, because he is the student in his hexagram.

Thinking of this, Charlie bowed slightly to the old man: "Old sir, the younger generation really benefited a lot from all your hard work! Please be respected by the younger generation!"

The old man hurriedly stepped forward to stop him, and said in a very humble manner: "How can you do this, I dare not accept such a gift from you!"

Charlie insisted: "It should be! If it weren't for you, I might still be trapped in the shallows!"

The old man shook his head: "In human fate, Longge is the supreme existence, so the Dragon Shoal is a predicament, not a dead end. The shoal can trap the dragon, but it can't kill the dragon. Therefore, the predicament When it will be cracked, it is only a matter of time. If I do not come to break this round, there will be others who will break this round!"

Speaking of this, he said with great emotion: "God knows good and evil, and the way of heaven is reincarnation. No matter who breaks your predicament, it is a great contribution, and the way of heaven will certainly give him enough in return."

Afterwards, the old man looked at Charlie and said with a slight smile: "The hexagram says, if I help you get out of trouble, you will have a ten-year life, maybe in the ten years, the judge is already in the book of life and death. So, thank you again!"

Charlie smiled slightly and said to the old man: "Old sir, I believe in geomantic omen, fate, and heaven, but I don't believe in ghosts and gods. In this world, there will be no life and death books."

The old man nodded non-committal, and smiled: "Hey, the mystery of heaven is not something I can fully understand. To be honest, I still don't know where the students in the hexagrams are."

Charlie nodded, took out a rejuvenating pill from the pocket inside his jacket, handed it to him, and said, "Old gentleman, this should be your lifeblood!"

The old man trembled all over, looking at Charlie as if struck by lightning, then looked at the rejuvenating pill in his hand, and exclaimed: "This... is this?"

Charlie said earnestly: "You helped me, I will naturally help you too. If you take this medicine, it will increase your longevity by ten years. It shouldn't be a problem."

Although the old man didn't know what Rejuvenation Pill was, he still nodded in excitement.

Immediately after losing his crutches, he knelt on the ground tremblingly, raising his hands above his head.

Charlie put the Rejuvenating Pill in his hands, then helped him up and said: "Old sir, take it now. At your age, you should not see any effect from the outside after taking it, but the real effect, A person with great wisdom like you should be able to feel it."

The old man was very grateful and blurted out: "Thank you, Master Wade!"

After that, he no longer hesitated and put the Rejuvenating Pill in his mouth.

After that, the old man closed his eyes motionlessly for about a minute.

A minute later, he opened his eyes, looked at Charlie with tears in his eyes, knelt down again, and choked up in his mouth: "Master Wade, this medicine is really a magical medicine! Next, thank you for your help! "

Charlie said hurriedly: "Old sir, you are an elder, why should you be so polite."

The old man said seriously: "In terms of fate, you are Dragon and I am Python. Whenever the python sees a dragon, you must bow your head. Even if it is a python that has been doing things for a thousand years, you must bow down when you encounter a newly born young dragon. Just now there are too many people around, I am afraid that your identity will be leaked, and cannot salute you immediately. I hope you can forgive me!"

Charlie smiled and waved his hand: "These are just some statements, you don't have to care about it like this."

The old man said very solemnly: "The more you believe in fate, the more you must follow the way of heaven and act in harmony with the sky. If I see you not worshipping, it will be disrespectful! If there is such a thing, the way of heaven will remember me!"

Seeing the old man's resolute attitude, Charlie no longer insisted, but asked, "Old gentleman, the younger generation still doesn't know your name. Is it convenient to disclose it?"

The old man immediately arched his hands and said with respect: "Young Master Wade, whose surname is Exeor, is named Orion Exeor. He is a direct descendant of Balig Exeor, a master of Fengshui in the Moore Dynasty."

Charlie suddenly realized, admiringly said: "Unexpectedly, after the old gentleman is a famous sect, no wonder I have such a profound knowledge of Feng Shui!"

With that, Charlie couldn't help thinking of the fake Feng Shui master who deceived Jasmine back then. He also claimed to be a descendant of Balig Exeor, but he had no real skills.

However, the old man in front of him can master the art of divination. Even as far away as the United States, he can infer so many key issues. He is indeed a rare master.

Thinking of this, Charlie asked again: "Old man, why have you always settled in the United States?"

Orion Exeor smiled bitterly and said: "During the War of Resistance, my father was concerned about the motherland and had the greatest divination in his life. Although he calculated that China would never die, he also calculated that the Exeor family would be destroyed, so he took his own At the expense of life, breaking the game saved the lives of other people in our family, but the premise is that our family must travel across oceans..."

"So in 1938, I buried my father, took my mother, younger siblings, and moved to the United States. Then I set up a family and started a business there. Later I thought about moving my family back. But because I have lived there for many years, my family and career, Chances, grievances are all involved, and can't afford to toss, so I have always settled there."

Charlie nodded and asked him, "Then what are your plans next?"

Orion Exeor looked at the thousands of mountains, and said with a smile: "The descendants are all in the United States. I have been out for four years this time. They are so concerned. Since I have already gotten the opportunity of ten years of life from you, I thought about sealing it up. , Go back and live forever!"

Chapter 1575

Hearing that the old master was going back to the United States to take care of his life, Charlie arched his hands at him and said with a smile: "In this case, the juniors wish you happiness and health for the rest of your life!"

Orion Exeor replied in a busy manner, and said flatteringly: "I would like to thank Master Wade for your blessing!"

After all, Orion Exeor hesitated for a moment and said, "Master Wade, I have a piece of advice below, I hope you can listen to it."

Charlie said immediately: "Old gentleman, please say, the younger generation listens very carefully!"

Orion Exeor said: "Although your problem of the Dragon Shoal has been broken, you should not stay on the riverside to talk."

Charlie asked, "Then where do you think I should go?"

Orion Exeor said respectfully: "I think you should come to Eastcliff, because this is the capital of a country. From the perspective of the city's feng shui fate, this is the city with the

highest fate of the country. You come back here from As far as Feng Shui is concerned, it is the dragon entering the sea!"

Charlie smiled slightly: "Thank you for your suggestion, I will consider it seriously."

Orion Exeor nodded, as if he could see Charlie's thoughts, and said seriously: "Master Wade, it is said that you must be cautious and the first one is not to deceive yourself. First of all, don't deceive your own heart. No matter what you say next, you should listen to everything, and you must be loyal to your original heart..."

Charlie nodded: "I understand, the junior has been taught."

Orion Exeor hurriedly waved his hand and said, "Don't dare to be Master Wade! I will have a fate with you next time. I don't know if there will be a chance to meet again in the future. If you need it, I can count it for you..."

Charlie subconsciously wanted to agree, but after thinking for a moment, he shook his head and said: "Old sir, you don't need to forget about the hexagrams. I am a temperament axis, and my destiny makes me go east. I might want to go west. Heavenly secret, on the contrary, I might do something against my intentions. Let me go on slowly!"

Orion Exeor was shocked.

Over the years, as a top-level photographer, he has been madly sought after by countless people, and countless people have come to him at all costs, count them, and give directions.

But even so, there are still many people who have no chance to make themselves count.

But it was the first time that he saw someone like Charlie, and he didn't even have the heart to spy on the future, fortune, and heaven. It was really rare to see.

In shock, he couldn't help but admire Charlie a little bit more.

So, he bowed to Charlie and said, "Master Wade, let's meet by chance!"

Charlie smiled and nodded, and said: "Old gentleman, have a good journey!"

When they returned to the parking lot, everyone looked suspiciously at the two of them. They didn't understand, what is there to talk about, the old and the young, who had been talking for so long.

Orion Exeor knew that Charlie did not want to reveal his identity, so he directly said to the person in charge of Wades Security: "Thank you for getting me a car. I will pack my luggage and send me to the airport."

The man asked in surprise: "Old Master, are you leaving now?"

Orion Exeor nodded and smiled: "It has been four years. My promise to your Patriarch has been fulfilled, and it's time to go back."

The man said hurriedly and respectfully: "Old Master, don't you go to the Wade family to meet the Patriarch? Or I will inform the Patriarch and let him come to see you?"

The person in charge of the security knows very well that the Wade Family's old man respects this old master very much.

Charlie's grandfather is not seventy years old this year, and Orion Exeor is already a centenarian with a generation difference in age, so Charlie's grandfather has always called himself a junior and respected him.

Chapter 1576

When the old man brought Orion Exeor back from abroad, he arranged for him to live in the Wade family mansion, and he was even more meticulously served on weekdays.

However, after Wade Mountain was built, Orion Exeor had to move out of the Wade family and live here.

The old man is too embarrassed to let the old master live in the tomb of the Wades. Even if Wade Mountain is very well built, there is an area dedicated to office and living for the staff, but the old man still feels that Orion Exeor's old man cannot condescend to live here.

However, Orion Exeor insisted on moving over even though he tried to stay.

Because he has been waiting for his chance, waiting for the life gate in his hexagram to open, waiting for Charlie to appear, and give him the Rejuvenation Pill that can extend his life for ten years.

Now, the opportunity to stay for four years has arrived, and it is time to go.

Therefore, he said to the person in charge: "Thank you to tell your Patriarch that Exeor has promised him, and he has done it. Moreover, Exeor has been away for too long and is homesick, so he will not say goodbye to him. bye!"

After all, he arched his hands at everyone, and when he looked at Charlie, he paused for a moment, his eyes full of gratitude.

Afterwards, he turned and raised his head and laughed loudly, and exclaimed in a puff of air: "Laugh to the sky and go out, I am a Penghao native!"

After saying this, people have already stepped out.

Orrin couldn't help sighing: "The centenarians still have this kind of courage, it's really extraordinary!"

Charlie smiled on the side, and while the Wade family security personnel were chasing Orion Exeor away, he said to Orrin: "Uncle Orrin, let's go back too."

"Okay!" Orrin nodded and said: "Go back, come back next time!"

Charlie will continue to play the role of the driver, so he opened the door for Orrin, and after Orrin got in the car, he got into the Rolls-Royce cab again.

Start the car.

As soon as Charlie drove the car out of the parking lot, Orrin in the back row asked him, "Charlie, what did the old teacher talk to you just now? I think he seems to respect you very much."

Charlie smiled faintly and said, "The old man recognized me and knew that I was the Wade family, so he gave me some advice."

Orrin asked in surprise: "How can he recognize you?! He knows you?"

Charlie shook his head: "I don't know him, but he is a descendant of the Exeor family after all. He is still very accomplished in Feng Shui and divination. Maybe I will come if I get it right."

Orrin couldn't help sighing: "No wonder the Wade family refused to let you go up the mountain, but he said that you are not an outsider. That was what he meant!"

After speaking, Orrin asked again: "This Feng Shui technique is so magical? Who knows when it will come?"

Charlie smiled and said: "Maybe, although the things of the ancestors are ancient, but I have to admit, they are also very intelligent, and even include great wisdom that we don't understand. Just like the Mayans, in such an ancient period, they almost The complete calendar has been calculated, and it looks incredible to us modern people."

Orrin nodded seriously, then remembered something, and asked Charlie: "Charlie, what are your plans next?"

Charlie said: "Tomorrow, a friend's grandmother will have her birthday. I will send some gifts. After attending the birthday banquet, I will return to Aurous Hill."

Orrin hurriedly said, "What are you doing in such a hurry? It's not too late to live for a few more days before leaving!"

Chapter 1577

At Orrin's words, Charlie smiled slightly and said, "Uncle Orrin, Aurous Hill still has a lot to do, so I can't go back."

Orrin heard this, nodded lightly, and sighed softly: "I hope you will often come to Eastcliff to see your uncle in the future. Angie and I are looking forward to your return to Eastcliff for development!"

Charlie just responded, and didn't say more.

Orrin also tacitly did not ask this question again. Instead, he asked Charlie: "Charlie, you said you are going to attend the birthday banquet of your friend's grandma tomorrow. Are you ready for the gift?"

Charlie said: "Not yet, I plan to go to the street to have a look later."

Although Charlie has a rejuvenation pill that is of great significance to the elderly, he and Loreen's grandma have never even seen each other. Naturally, it was impossible to prepare such an expensive gift for birthday celebrations in the past, so he still planned to buy more than 100,000 Dollar on the street. The gifts on the left and right, expressing your heart, are almost the same.

When Orrin heard this, he smiled and said: "I have a fan in my house. The fan face is a picture of good fortune and longevity painted by Mr. Baishi. The fan bone is a fine-leaf red sandalwood, coupled with a master-level engraver. You might as well take it to give the other party a birthday gift."

Charlie said hurriedly: "Uncle Orrin, how can this be? How can I take your things to give away, I should buy one myself."

Orrin insisted: "What is there to be polite between you and your uncle? A fan is nothing but a fan, which is not worth much. But because the subject is a picture of a happy birthday, it is still very good to use it as a birthday gift for the elderly."

As he said, Orrin hurriedly exhorted, "This is the case, don't turn away from your uncle, let alone see outsiders! Otherwise, uncle will be angry."

Seeing his resolute attitude, Charlie nodded and said, "Then thank you Uncle Orrin!"

.....

The next morning.

Charlie declined Orrin's kindness to send him a car, and walked out of Sun's house alone holding the long gift box he gave.

His wife Claire sent him an address, and that address was Thomas's villa.

Thomas's villa is not far from Sun's.

A total of more than 20 minutes by car.

In Eastcliff, the Thomas family can only be regarded as a second-rate family.

Moreover, in the second-rate, it is still the one at the end of the crane.

In the past few years, the Thomas family's career has declined severely. If it hadn't been for Loreen's aunt to marry the Kilgore family, the Kilgore family had given the Thomas family a hand. The Thomas family's fear would have fallen to the level of a third-rate family.

But this is Eastcliff after all, even if it is a family at the end of the second-tier, placed in other second-tier cities, it can definitely become the top.

Because of this, although the Thomas family has fallen a little, the Thomas family mansion is very luxurious. A grand luxury villa costs at least 300 million.

Charlie's taxi could only stop at the door of the villa area, and the security management was very strict, so Charlie could only call Loreen after getting off the bus at the door and let her come out to pick it up.

When Loreen heard that Charlie was here, she ran out almost happily.

Today's Loreen dressed very beautifully, and because it was her grandmother's birthday, she also deliberately put on some light makeup, which looked very dignified and generous.

Upon seeing Charlie, Loreen said happily: "Charlie, you are here!"

As he said, he ran up and hugged him by the arm, pulling him to walk in, and said with excitement, "Go, I will introduce my parents to you."

Charlie hurriedly pulled out his arm and said awkwardly: "Loreen, we can't do this, it's not appropriate..."

Loreen deliberately curled her lips and said, "What's wrong? It's not good to be close to friends?"

Chapter 1578

Charlie touched his nose: "Um...I am your girlfriend's husband after all!"

Loreen said slightly perfunctorily: "I know, the fake husband, I have been married for four years, and I don't know when you can play the game of the house."

Just as he was talking, a limited edition Bentley car drove up to the front and stopped beside them. The rear seat window was lowered. In the car, a middle-aged woman dressed in luxurious clothes looked at Loreen and asked, "Loreen, you Why did you come out?"

When Loreen saw the woman, she hurriedly smiled and said, "Oh, second aunt! Where is my second uncle?"

The middle-aged woman in the car said: "He is still busy, come over before the luncheon birthday banquet."

Loreen asked again: "What about my brother?"

The middle-aged woman said helplessly: "I didn't see him last night. I was mad at me. You said that this kid doesn't have a long memory at all. When his body recovers, he doesn't come home again. If you look back, you must help. Second aunt talk about him!"

Loreen smiled bitterly: "Second Aunt, I don't dare to talk about my brother's temper. As soon as I talk about him, he will bark at me..."

The middle-aged woman sighed and said: "This child is becoming more and more disobedient..."

With that, she looked at Charlie next to Loreen and asked with a smile: "Oh, isn't this young man your boyfriend?"

Loreen glanced at Charlie and smiled shyly: "Not yet."

"Isn't it?" The middle-aged woman said the word "return" heavily, and said with a smile: "Then when can I change from 'not yet' to 'yes'?"

Loreen said embarrassedly: "Oh, second aunt, you are too gossip, go in quickly, grandma is talking about you!"

The middle-aged woman smiled and said, "Do you want me to take you two for a while?"

Loreen hurriedly waved her hand: "No need, we just walk in, it's not far."

The middle-aged woman nodded: "Okay, I won't quarrel with you, my second aunt will go in first."

After all, the Bentley car slowly drove into the gate of the villa area.

Charlie was a little helpless at this time, and hurriedly said to Loreen: "You must never introduce me to others like this. What if you get misunderstood? What if you know it at first? Then someone asks me if I am Who, you say I am your girlfriend's husband."

Loreen pouted: "It's just a joke, why bother to be so serious."

Charlie said seriously: "This matter must be true. This is a matter of principle."

Loreen had no choice but to nod her head: "Well, a matter of principle, it won't work if I don't say it!"

As she said, she hurriedly turned off the subject: "Let's go in quickly, it's too early!"

Charlie wanted to give her a gift, and then left. But when he thought, his wife had confessed that she wanted to give Loreen's grandma a birthday. At least he had to meet Loreen's grandma. It would be considered as sending the words on behalf of his wife. mission accomplished.

So, he kept silent and followed Loreen into the villa area.

When walking in from the villa area, a red Ferrari suddenly whizzed past from behind. Loreen saw the car and hurriedly waved and shouted, "Cousin, cousin!"

It's just that the supercar engine sound was already loud, and the speed was so fast, it passed with a swish, so the driver did not hear her at all.

Charlie asked Loreen: "Your cousin is driving?"

"Yes." Loreen nodded and said, "My cousin is very strange. He had an operation some time ago. It just happened not long before that, it was awkward again."

Chapter 1579

Charlie didn't know who Loreen's cousin was.

I just think that Eastcliff has a lot of rich people, and there are also a lot of rich young masters. There are eight or nine of these young masters. They are all relatively awkward dudes, so it's not surprising.

When he and Loreen came to the door of Thomas's villa, there were already all kinds of luxury cars parked here.

Outside the door, two middle-aged people were warmly welcoming guests. Loreen came to the front and hurriedly introduced them: "Dad, uncle, let me introduce to you, this is my friend in Aurous Hill, Charlie."

The two middle-aged men looked up and down Charlie. Among them, Loreen's uncle spoke: "Isn't Aurous Hill heard of a family with the surname Wade?"

Loreen hurriedly explained: "Charlie is not a member of the family, he is my university classmate."

Back then, Charlie was arranged by Mr. Wilson to go to Aurous Hill University for a year. At that time, he was not only classmates with Claire, but also with Loreen.

At this time, Loreen didn't say that this was Claire's husband. In fact, she wanted to leave a way for herself. In case she and Charlie had a chance to develop, after taking them home, her family would see it was too embarrassing to think that this was Claire's husband.

It was heard that it was Loreen's college classmate. Her uncle looked a little contemptuous and said, "Since he is a college classmate, let him enter and sit down."

Loreen's father whispered at this time: "Loreen, I just heard your cousin say that Young Master Sun will also come later, you should take the opportunity to get to know Young Master Sun."

Loreen couldn't help but frowned and said, "What do I know well about him? The two dudes of the Sun family don't have a good thing, and their reputation has long been stinky!"

"What do you know?" Loreen's father sternly shouted: "The Sun family is the third-ranked family in Eastcliff. The family strength is very strong, and you should not forget that Sun family males are not prosperous. There are only two boys in total, so this The gold content is even greater!"

A family with many boys, no matter how strong it is, it will fall apart in the future.

Some families say they have hundreds of billions of funds, but the offspring have too many branches and leaves, and the division of assets is also very serious. It is possible that the entire family cannot find a person with assets of more than 10 billion. Therefore, such a family, Naturally, the gold content of men can't go up.

There are two males in the Sun family, Trevor and Daniel. Even if the two of them, each has only about 12.5% of the group's shares, each of them is worth more than 100 billion Dollar.

Loreen's father, Franklin Thomas, has always wanted Loreen to find a top rich second generation to marry, in order to restore the decline of the Thomas family.

Before, he and the father of the Thomas family heard that the Wade family bought an Emgrand group in Aurous Hill and gave it to a Wade family heir. He thought that which descendant the Wade family sent to Aurous Hill for training, so he immediately arranged for Loreen to go to work in the Emgrand Group.

However, Loreen had been to Aurous Hill for so long and had not even seen the chairman of the Emgrand Group, so Loreen's father gradually lost confidence.

He even thought about not letting his daughter go back to Aurous Hill this time. It took half a year and there was no gain. It's better to come back quickly and find a reliable big family boy in Eastcliff.

It just so happened that my nephew just came in and said happily that he would save his face today, or maybe he finally invited the young master of the Sun family over, so he felt that this was a good opportunity for his daughter.

However, Loreen didn't have any Sun family eldest master in her heart.

Even the mysterious Wade Family Master, she doesn't care anymore. As early as after Charlie rescued her, all she thought was Charlie, and no other man could enter her eyes.

Chapter 1580

So, she said coldly: "Dad, I have no interest in Master Sun, so don't let me know him!"

After speaking, she looked at Charlie and said, "Charlie, let's go in!"

"You child!" Franklin said angrily: "Why are you so ignorant of good and evil? If you can be with Young Master Sun, how can you use Aurous Hill?"

Subconsciously, Loreen glanced at Charlie again, and then stubbornly said to her father: "I just like Aurous Hill! I must look for my husband in Aurous Hill!"

Franklin reprimanded: "What are you talking about? How can there be any decent family in Aurous Hill? How can my daughter marry a man from such a small place!"

Loreen was very disappointed and said, "Dad, why are you so snobbish now?"

"I am snobbish?" Franklin said, "I am not all for your own good?"

On the side, Loreen's uncle spoke: "After going Franklin, there is no rush for this matter. Let Loreen accompany her classmates in first."

When Franklin saw her eldest brother come out, she said to Loreen: "It's all right, let's go in first, and let your mother talk to you!"

Loreen said angrily: "It's useless to say about it!"

After that, she immediately stepped forward to hold Charlie, and blurted out: "Leave Charlie, let's go in!"

Charlie had no choice but to mix with other people's housework, so he quickly followed into the villa.

Franklin stomped his feet with anger, and the eldest brother beside him said: "Franklin, your vision seems to be getting worse!"

"Huh?" Franklin asked in surprise, "Big brother, what do you mean by this?"

Franklin's eldest brother smiled and said, "Did you not see that Loreen has been staring at the man next to her? Especially when you let her know Master Sun, she immediately looked at the man after hearing this. There must be a problem here!"

"What's the problem?" Franklin blurted out: "Big brother, don't you mean to say, Loreen might like that kid, right?"

"I think it's almost the same." Franklin's eldest brother said seriously: "Did you not listen to Loreen? They are college classmates, but they met a long time ago, and this kid is in Aurous Hill again, Loreen has been there for more than half a year. Staying in Aurous Hill, maybe the two of you will be better when they are in Aurous Hill!"

Franklin's expression changed: "Damn, Aurous Hill's little wanderers dare to be tempted by my daughter. It's really unreasonable!"

After that, he immediately said: "Brother, you are staring here, I'll ask Loreen what is going on!"

Franklin's eldest brother hurriedly grabbed him: "What are you in a hurry? Now ask Loreen, in case of a quarrel, wouldn't it disturb my mother's birthday party? If you want me to say, you'd better bear it and wait. After the birthday banquet, ask Loreen privately what is going on."

Franklin hesitated for a moment, thinking of his mother's birthday banquet and many guests, it is indeed not suitable to question his daughter at this time, so he nodded, and said depressedly: "That kid toad wants to eat swan meat, I will make him look good when I look back!"
