

Chapter 1751

At this moment, Charlie was walking on the streets of Osaka. This time he went out, he still did not let Isaac Cameron and others follow. The reason was that he wanted to take advantage of this time and directly eliminate the remaining three ninjas who were following him. Because Osaka was already the last stop of the business on his trip to Japan, he wanted to quickly get rid of these three followers, and then hurry up to visit Kyoto.

He deliberately led the three of Teng Lin Zhengzhe to leave the downtown area, preparing to find a suitable place to start.

However, what he didn't expect was that the three people who had been quietly following him two or three hundred meters away suddenly began to turn their heads and walk back.

Charlie couldn't help but wondered: "What's the matter? They are not following me anymore, are they aware of something?"

"But it shouldn't be. I alone did not show any intention to attack. I have even been completely ignorant of their existence. They have no reason to notice anything abnormal.

"Is it because they are in a hurry? Or is it that Takahashi gave up letting them follow me?"

Thinking of this, Charlie sighed, turned around, and started following these three people in turn.

He didn't want to leave any hidden dangers for himself. After all, these ninjas have been with him for so long. If he let them go like this, the ghost knows if they will come back again?

Even, the ghosts knew that after they left Japan, they would follow Aurous Hill to make trouble for themselves?

Aurous Hill has his own wife, Claire, who is her own weakness, saying nothing can put her in danger!

So, today, let these three people keep their lives!

Teng Lin Zhengzhe never thought that Charlie would follow them in turn. He always felt that Charlie should not have noticed their existence, so now he took the two juniors and ran all the way to the hotel.

It's getting late now. It's impossible to get from Osaka to Tokyo by Shinkansen or airplanes, so the best way is to drive all the way.

If you drive fast, you can reach Tokyo in five or six hours.

Therefore, they have to go back to the hotel to pick up the car, and then set off quickly to Tokyo.

The three people walked in a hurry all the way and arrived at the hotel quickly.

At the entrance of the hotel, Teng Lin Zhengzhe said: "Second, you come back to the room with me to pack things, and third, you go to the basement to pick up the car and wait at the entrance of the hotel. We will come down and meet you soon!"

"Okay!" The old third nodded, and the three men were divided into two groups. The two used the elevator to go upstairs to the room and simply packed the soft and monitoring equipment, and one took the elevator to the underground garage to pick up the car.

As soon as Teng Lin Zhengzhe entered the elevator, he hurriedly called to report to Takahashi Zhenzhi.

As soon as the phone call, he hurriedly said respectfully: "Mr. Takahashi, we will leave for Tokyo in five minutes, and we are expected to arrive in more than four hours! Please stay at home during these few hours. , Wait for everything to be said after we arrive."

Takahashi said in a panic: "Tenglin, I asked someone to inquire about it. It is said that the other party's methods are very fierce, and even the sarin gas is used. This is a f*cking lunatic! I am afraid of them now. Start with me, how many masters does your Tenglin family have in Tokyo? Quickly let them all come to my house to protect me!"

Teng Lin Zhengzhe hurriedly said: "Mr. Takahashi, we don't have much manpower available in Tokyo now, because the remaining manpower has been sent to Kyoto and is staring at Nanako Ito. Should I tell them to rush back? "

Machi Takahashi hesitated for a moment, and then said: "No need! Leave them in Kyoto! As long as they can control Nanako Ito, I still have the capital to mediate with Yuhiko Ito! You can't put eggs in the same cage! "

Teng Lin Zhengzhe immediately said: "Okay, then the three of us will go back first. We must protect your safety!"

At the same time, Teng Lin Zhengzhe's third junior brother also got out of the elevator on the second basement floor and rushed all the way to the front of the car.

As soon as he unlocked the door to get into the car, he felt a sudden force of force grabbing his neck directly from behind!

Immediately afterwards, he saw someone using a shuriken to withstand his throat!

Moreover, he knows this shuriken! It is his little brother Tenglin Quintongtian owns!

He murmured in panic in his heart: "Could it be that this person is the one who killed the younger brother?!"

He was shocked and blurted out: "Big brother for your life! Don't kill me!"

Charlie said coldly: "If you want to survive, just do as I say!"

Chapter 1752

He hurriedly nodded his head like smashing garlic: "I listen to you, don't be impulsive, this shuriken is smeared with poison, even if it breaks a little, it won't be saved..."

.....

At this moment.

After Teng Lin Zhengzhe and the second younger brother quickly packed some important items, they took the elevator to the hotel lobby.

They didn't even have time to check out, just thinking about getting in the car and returning to Tokyo.

However, when they went out, they found that their car was not waiting here.

Teng Lin Zhengzhe cursed: "Damn, the third bastard, what are you doing! Give him a call!"

The second younger brother immediately took out his mobile phone, called, and cursed: "Lao San, what are you doing? Why haven't you come out!"

At the request of Charlie, the third child said: "Second brother, one of the tires is flat. I guess it's punctured. I'm jogging. I'm about to change my spare tire. Why don't you come down and help me?!"

"Damn!" The second junior brother said to Teng Lin Zhengzhe: "Brother, one of the tires may be punctured. I'll change it for him."

Teng Lin Zhengzhe nodded and exhorted: "You two move faster!"

underground garage.

The third child who was held by Charlie's shuriken against his neck, pleaded: "Brother, I have called according to your instructions, can you spare my life..."

Charlie smiled slightly: "You did a good job, I will let you suffer less!"

After speaking, before he recovered, Charlie slammed his hand on his neck!

Hearing a click, the person's neck was broken in an instant, and the whole person lost all consciousness at this moment and turned into a corpse.

After that, Charlie did not hesitate, and immediately moved his body to the side of the car, with his back facing the front of the car, as if he was checking the backstage.

And Charlie himself, behind the car next door, hid his breath, waiting for the next fish to be caught.

At this time, the second child ran over violently.

Due to the irritability, the whole person's vigilance was reduced a lot. Seeing that the third child was still squatting on the tires of the car, he was suddenly out of breath.

He ran over quickly, slapped the back of the youngest's head, and cursed: "Asshole! You are here to watch? Don't you know how to get the spare tire and jack out first?!"

After finishing speaking, I saw the youngest body, swayed by a slap, and fell to the ground.

The second child saw his eyes suddenly open and staring at him, and he was immediately frightened!

At this moment, he realized that the three of their brothers and sisters had also been targeted!

Moreover, it is very likely that the gang who killed the fourth Teng Lin Quintongtian was eyeing them!

Thinking of this, he flees with fright.

But when he turned around, a man suddenly appeared in front of him! This black shadow stretched out a hand at a very fast speed and pinched his neck tightly!

The second younger brother of Teng Lin Zhengzhe couldn't breathe instantly.

But at this time, he also saw the man in front of him clearly.

Isn't this person the same Chinese who followed his four brothers all the way from Tokyo? !

At this moment, the second child's mind was almost exploded!

He exclaimed in astonishment in his heart: "Could it be that...is it the Chinese who killed the fourth and third son?! Could it be that...has he been teasing us all the time?!"

When he was extremely frightened, Charlie wiped a sneer at the corner of his mouth, and said playfully, "My buddy, what are you doing?"

Chapter 1753

"I...I...cough cough cough..."

The second child who was pinched around his neck immediately turned blue.

He wanted to talk, but he couldn't say anything except one word for me.

He looked at Charlie with frightened and pleading eyes, hoping that Charlie could leave him a way out.

But Charlie said calmly: "People don't offend me, and I don't offend people. You guys started in Tokyo and followed and eavesdropped all the way, with the intention of killing me before I left Japan. Do you think I might let you go?"

The face of Teng Lin Zhengzhe's second junior brother was already full of despair.

Charlie said calmly: "Okay, let's have a good time."

After speaking, with a gentle force on his hand, he heard a crisp sound from the opponent's neck, and the person completely lost his vitality.

Later, Charlie stuffed the bodies of the second and third children into the trunk, as if these two people had never appeared here.

After doing all this, Charlie took out his mobile phone and called Isaac Cameron: "Let your men drive the frozen car to the door of the hotel."

Teng Lin Zhengzhe, who was at the entrance of the hotel, waited for nearly ten minutes, and he was anxious before the two of them drove out.

Although it is a little troublesome to change tires, it is impossible for two people to get better together for so long, right? He took out his cell phone and called the third child.

No one answered the phone.

Immediately afterwards, he called his second child again, but the call was still unanswered.

No one answered the phone calls of the two of them, which is really abnormal and excessive!

There was a strong sense of crisis in Teng Lin Zhengzhe's heart.

Thinking of the death of the fourth oldest Teng Lin Quintongtian, he felt a chill in his back!

"Could it be that we have been targeted by people now?!"

"Will the second and third child have suffered an accident?!"

Thinking of this, he subconsciously wanted to turn around and go to the basement to see what happened.

However, as soon as he took two steps, he stopped immediately.

"If the second and third children really encounter unexpected events, then the opponent's strength is definitely not something I can handle..."

"It seems that at the moment it can only be a thirty-six plan!"

Thinking of this, the flustered Teng Lin Zhengzhe turned and prepared to leave the scene quickly.

He wanted to leave this place of right and wrong first, and after making sure that no one was following him, he would find a way to leave Osaka.

but.....

At the moment he suddenly turned around to leave, he suddenly ran into a man full of arms.

At this moment, he was in a panic, and he didn't have the usual calm and alertness. He didn't even look at the person he had hit. He bowed his head and said I'm sorry, and wanted to leave quickly.

But at this moment, he suddenly felt his arm being pulled by the other party, and then he heard a familiar voice asking: "Mr. Teng Lin, where are you going in such a hurry?"

The moment Teng Lin Zhengzhe heard Charlie's voice, his whole body trembled violently!

He listened to Charlie in a hotel in Nagoya, so he recognized this voice all at once!

When he looked up subconsciously, he saw Charlie looking at him with a smile on his face.

Teng Lin Zhengzhe asked in horror: "You...you...how do you..."

Chapter 1754

Charlie smiled and asked, "You want to ask, how can I know your identity?"

Teng Lin Zhengzhe stared at Charlie with wide eyes: "You...you always know?!"

Charlie nodded and said with a smile: "Of course I know!"

"This is impossible!"

"What's impossible? Blame it on your Japanese ninja's strength, it's really a bit powerful."

Teng Lin Zhengzhe was struck by lightning. He blurted out and asked, "Is my junior brother killed by you?!"

Charlie nodded generously and said, "Yes, it's me."

After speaking, Charlie added: "Your second and third junior brothers were also killed by me. Their bodies are now lying in your trunk."

"Asshole!" Teng Lin Zhengzhe roared, and immediately, from the cuff of his left hand, a dagger suddenly fell out of his left hand.

Immediately afterwards, he concentrated all his power on his left hand, and suddenly stab Charlie with all his strength.

Seeing his movements, Charlie smiled slightly, still holding his right arm with one hand, and holding his left wrist with the other hand in a calm manner.

Teng Lin Zhengzhe didn't expect that Charlie's strength was surprisingly great, and his left hand was so grasped by him that he couldn't move at all.

Charlie saw his face full of shock and smiled and said, "Mr. Teng Lin, don't be so nervous. If you give up resistance, you can suffer a lot less sin when you are on the road later!"

Teng Lin Zhengzhe's whole body seemed to be thunderous, and he said in horror: "Sir! I am under orders from Takahashi, he let me follow you, please forgive me..."

Charlie smiled and said: "You always have to pay back when you come out. You have to tie your head to your waistband. Who can you blame if you drop it?"

Teng Lin Zhengzhe blurted out: "As long as you don't kill me, I am willing to help you kill Takahashi Zhenzhi and avenge you!"

"No need." Charlie said coldly: "The thing I don't like most in my life is you, a domestic slave of the three surnames who sells for glory. You are dead anyway. If you die with a little heart and backbone, I will count you. It's a man."

Teng Lin Zhengzhe choked and said, "Sir, don't you have an old Chinese saying that it is better to die than to live? Even if you are a dog, it is worse than death..."

Charlie smiled lightly: "Being my dog, you are not worthy."

Having said that, Charlie squeezed the meridian of his wrist and used a burst of vigor, and followed his meridians to destroy his meridians!

Teng Lin Zhengzhe only felt that his legs suddenly softened, and then his whole body had lost support, as if all the strength of his body had been vacuumed at this moment.

He was horrified and didn't know what was the reason or what was good, when a refrigerated container truck stopped by the roadside.

Isaac Cameron's men ran off the car and said respectfully to Charlie: "Master, what do you want?"

Charlie smiled slightly, and supported the weakened Teng Lin Zhengzhe, and said to Isaac Cameron's subordinate: "My friend is drinking too much. You can get him into your car. He still has two friends. I have someone drive it out."

The man nodded immediately, taking over Teng Lin Zhengzhe and preparing to carry him into the passenger compartment of the refrigerated car.

Teng Lin Zhengzhe was shocked, and blurted out: "Where are you taking me?!"

Charlie smiled and said, "Look, your whole body is already soft and muddy now. This does not fit the characteristics of your Japanese ninjas. Are you Japanese ninjas with forbearance and hard as iron? I will put you in the container later. Frozen in the car for a few hours, so you can get back the hardness of the ninja!"

"What?! Freezing?!" Teng Lin Zhengzhe begged desperately: "This gentleman, I beg you, I really don't want to die, I don't want to die..."

After speaking, he couldn't help looking into the distance, watching the pedestrians on the side of the road shouting: "Help...Help..."

However, in the next second, he realized that not only did he lose strength all over his body, but his voice became extremely weak.

Although I was hoarse, this sound, I am afraid that people two meters away will not hear any movement...

At this moment, Isaac Cameron also ran over. He came to Charlie and hurriedly asked: "Master, what is your business?"

Charlie handed him a car key and said: "There is a commercial car in parking lot 094 in the basement, and there are two ninjas in the trunk. You drive the car out, and go to a safe place with the freezer car. Put the people in the trunk, and the guy in the co-pilot, into the freezer, and then send the four ice sculptures to the gate of Takahashi Machi's house in Tokyo for Machi Takahashi to sign for it!"

Chapter 1755
Five hours later.

The sky is getting brighter.

In the sky of Tokyo, there was a touch of white fish.

A new day has begun. Many people wake up from a deep sleep, but many people never sleep.

The night that just passed, the entire Tokyo was almost turned upside down.

The Tokyo Metropolitan Police Department dispatched all, and even seconded a large number of people from several nearby small cities. Not only did they find an earth-shaking situation in Tokyo, they also closed all the roads leading from Tokyo to the outside and set up cards for every vehicle leaving the city. Strictly searched, just to find the whereabouts of the Banks brother and sister.

Overnight, the entire Tokyo was under total martial law!

The keen media has already received news that the eldest grandson and eldest granddaughter of China's first family were kidnapped in Tokyo, and dozens of entourages were killed.

The explosion of this kind of news is unprecedented!

In the past, Tokyo has also encountered terrorist attacks and major criminal cases, but there has never been such a bad nature!

You know, the Banks Family is the richest and most powerful family in China.

They encountered such a serious criminal case in Japan, the nature of which even surpassed Bill Gates' kidnapping in Tokyo.

The Banks Family also spent half the night in Tokyo.

This time, not only did the Banks Family have hundreds of hidden masters, but Zayne also came personally.

The Tokyo Metropolitan Police Department attached great importance to the arrival of Zayne, and the director personally invited him to the Metropolitan Police Department to inform him of the investigation process of this case.

The so-called detection process of the Tokyo Metropolitan Police Department is actually to bring Machi Takahashi and Yuhiko Ito to the Metropolitan Police Department for interrogation.

Because in their opinion, both of them are suspect.

Moreover, the two people feel that it must be the other party's so-called, and they are harming themselves at the same time.

Yuhiko Ito felt that Takahashi must have deliberately wanted to use this incident to pour dirty water on the Ito family, so that the Banks Family can completely eradicate the Ito family;

Maki Takahashi felt that Yuhiko Ito must have felt that he couldn't get the cooperation of the Banks Family and deliberately wanted to frame himself, so he left a ninja dart of the Tenglin family on the scene. This clearly shows that it is planting and setting the blame!

The Tokyo Metropolitan Police Department is also at a loss.

In their view, although the two men seemed to have certain motives, the Metropolitan Police Department could not find any substantive evidence.

The only evidence is the ninja dart left on the scene.

This ninja dart really belongs to the Tenglin family, and the Tenglin family is attached to the Takahashi family. This is something everyone in Tokyo's upper class knows, and the Metropolitan Police Department naturally knows it.

However, this evidence is somewhat abrupt.

Because, no one was injured by the ninja dart at the scene where the ninja dart was found. The murderer was so professional that he killed more than a dozen people without leaving a living mouth. Why did he leave a ninja dart that was useless at all?

This is likely to be a blindfold left by the other party.

Therefore, the Chief of the Metropolitan Police Department said to Zayne: "Mr. Banks, we have to continue to investigate this matter. After all, it is difficult to explain the problem with a ninja dart alone, and it is very likely that the other party left us behind to confuse us. Smoke bombs!"

Zayne said with a black face to the director of the Tokyo Metropolitan Police Department: "I don't care if it is a smoke bomb! If the Tokyo Metropolitan Police Department can find my son and daughter within 24 hours, and ensure their safety, this I can no longer pursue the matter to the Tokyo Metropolitan Police Department, but if it exceeds 24 hours, or if there is any accident to my son or daughter, I will definitely announce the matter to the world! Let the Tokyo Metropolitan Police Department completely discredit you!"

The head of the Metropolitan Police Department is as big as a fight.

Chapter 1756

After 7 o'clock in the morning, the media will definitely report this matter.

At that time, it will definitely spread throughout Japan.

If within 24 hours, you can't save people, this news will surely spread all over the world.

At that time, this will not only be the scandal of the Tokyo Metropolitan Police Department, but also the scandal of the entire Japan!

If the law and order in Japan are so bad, the murderer is so cruel, and so tough, who will dare to come to Tokyo in the future?

It is not only the rich and entrepreneurs who dare not come, but the politicians of various countries are afraid to come.

But Tokyo is the capital of Japan! If this scandal spreads all over the world, it will surely plunge the entire Japan into a diplomatic dilemma!

So he immediately asked his subordinates: "Are there any detailed autopsy results?"

The chief forensic doctor in charge of the autopsy immediately rushed to report to the Tokyo Metropolitan Police Commissioner and Zayne: "After our autopsy, it was found that more than a dozen Banks' entourage who died of poisoning, without exception, were all sarin poisoning, and we discovered that they all died of liquid sarin poisoning."

Zayne frowned, "Liquid sarin gas, what do you mean?"

The forensic doctor hurriedly explained: "Sarin gas is a colorless oily liquid at room temperature, much like glycerin. When used in war, it is exploded to form a large area of aerosol, whether it is breathing or skin. Contact will cause poisoning."

"But the murderer this time must not want to make a big explosion, so he used a carrier similar to a syringe needle to inject about 30 milligrams of liquid sarin gas, and projected it on the victim at a certain distance to make the victim suffer. People died of poison."

The chief of the Metropolitan Police Department hurriedly asked: "That is to say, that ninja dart really has not been actually used?"

"Correct!"

The chief of the Metropolitan Police could not help asking Zayne, "Mr. Banks, you said that the person behind this incident is the enemy of the Banks Family?"

Zayne said with a green face: "I don't care whose enemy I am, I only know that my son and daughter were kidnapped in Tokyo! You must get them back to me unscathed!"

The chief of the Metropolitan Police Department was extremely helpless, and hurriedly arranged: "First, continue to enhance the search, and do not let go of any suspicious locations, vehicles, and people! Second, release both Yuhiko Ito and Takahashi, and then closely monitor me. What they do, see if you can find any clues!"

Maki Takahashi in the interrogation room, when he heard that he let himself go home, hurriedly asked: "It's not very peaceful these days, can you let me stay in the Metropolitan Police Department?"

The police officer handling the case said angrily: "You use the Tokyo Metropolitan Police Department as a hotel? Get out quickly, otherwise we'll be hard!"

Takahashi was really helpless, so he returned home from the Metropolitan Police Department under the escort of a few bodyguards.

Along the way, Takahashi Machi has been worried.

He was afraid that someone would harm him, and Teng Lin Zhengzhe and the three of them were not around yet. If something happened, he was afraid that he would not even have the ability to resist.

So, he immediately called Teng Lin Zhengzhe.

However, no one answered a few calls in the past, which made him even more nervous.

"What the hell is going on? After a few hours, it's time to go back to Tokyo from Osaka? Why can't I get through the phone?"

Thinking of this, he couldn't help getting irritated, and made several more calls to Teng Lin Zhengzhe's two junior brothers, but none of them could get through.

At this time, he was already faintly aware of something bad in his heart. Could it be that Teng Lin Zhengzhe and the three of them, like their four junior brothers, were all killed by those mysterious ninjas?

At this moment, the housekeeper called, and as soon as he came up he said hurriedly: "Mr. Takahashi, there was a mysterious person just now. He said he sent you a great gift!"

Takahashi asked in horror, "Big gift?! What kind of gift?!"

"A truck!"

Chapter 1757

"Truck?! What the hell is going on?!"

The butler hurriedly said: "The other party drove the truck to the door of the villa, saying that it was a gift for you in the car."

"What about others?!"

"I heard it through the intercom on the doorbell at the door. When I came out, the people had disappeared, but the car was still..."

Takahashi shivered when he heard this!

Who would use a truck to give gifts? You left the truck at your door? !

Moreover, it is still in such a sensitive time period!

Thinking of this, he asked nervously: "Have you opened it to see what's inside?"

The butler said: "No, I want to wait until you come back before opening it."

Takahashi blurted out: "Call the police! Call the police! Maybe there is a bomb in the car!"

The housekeeper hurriedly said: "My lord, we have done explosives and toxic substances tests and no abnormalities have been found."

"Nothing abnormal?" Maki Takahashi breathed a sigh of relief when he heard this.

Under normal circumstances, if you want to use something to harm people, it is nothing more than bombs and poisons. Since there is nothing abnormal after detection, there should be no problem.

The equipment used at home to detect explosives and toxic substances is the same as that used by the airport and customs. The accuracy rate is extremely high. If there are such substances, it is absolutely impossible to hide them.

Thinking of this, he said: "I will be back in a few minutes, waiting for me."

After hanging up the phone, Takahashi couldn't help rubbing his temples, and his whole body was a bit exhausted.

From yesterday to today, Tokyo has been so chaotic that he is already a little nervous.

Ten minutes later, Takahashi Machi returned to his villa.

The biggest difference between Japan and China is that many houses are not built by developers, but are built by homeowners. This is very similar to China a few decades ago. Whether rich or poor, they buy land and build their own houses.

Therefore, in Japan, there are very few concepts of community, community, and apartment.

The mansion of Machi Takahashi, not far from the Japanese Imperial Palace, has an excellent location and a huge area.

When he came to the door of his house, he saw a frozen truck parked on the side of the road.

The butler ran over to open the door for him at this time, and said respectfully: "Mr. Takahashi, this is the car. The door is locked and the flame is not turned off. The freezer at the back is still cooling."

Takahashi touched his chin and couldn't help but slapped his lips: "Who the hell delivered this? Would you give me ice cream for the big winter?"

Eiji Takahashi, with his hands in plaster, was also supported by the servant. He walked out of the luxurious gate with sleepy eyes. He saw Machi Takahashi and the frozen car still in operation, and asked in surprise: "Dad, what is going on?"

Maki Takahashi shook his head and said, "I don't know which bastard it is. He drove such a car and said it was a gift for me."

Takahashi Eiji frowned and asked, "Is it a seafood delivery car? Yesterday, I ordered a top-quality bluefin tuna. I said it would be delivered in two days."

The housekeeper hurriedly said, "Master, the person who delivered it just now said it was a gift for the master, not for you."

Takahashi Eiji said, "Maybe it's a mistake. What about the delivery person?"

"Ran....."

"Strange..." Takahashi Eiji blurted out: "Why did you leave the car behind when you gave something?"

Takahashi's brows furrowed: "It always feels a little weird..."

The housekeeper said at this time: "My lord, we have checked with the equipment. There should be no danger. Would you like to open the freezer?"

Chapter 1758

Maki Takahashi pondered for a moment, then nodded gently: "Open it and see what kind of medicine is sold in the gourd!"

The butler immediately ordered the two servants: "You two, go and open the door of the freezer!"

The two immediately stepped forward and opened the lock of the freezer door one by one.

When he was about to open, Takahashi Machi took a few steps back subconsciously.

His nerves are a bit sensitive today, and he always feels that this world is full of weirdness.

The door opened to the left and right, and a burst of white mist sprayed out from inside.

The weather in Tokyo these days is humid and the temperature is slightly warmer. The temperature at this time is about three or four degrees above zero, but the temperature in the refrigerated car is lower than twenty degrees below zero, so this kind of water vapor will be cold. The mist produced.

Everyone stared at the fog gradually dissipating. After the fog slowly dissipated, the things in the carriage finally appeared in front of everyone.

But when everyone looked up, everyone was immediately frightened and screamed in unison!

In the carriage, there are four human-shaped ice sculptures standing neatly!

Moreover, these four ice sculptures are exactly Teng Lin Zhengzhe who was frozen into popsicles, and his three juniors!

And the shapes of these four people are also strange!

Someone swallowed his own feet backwards, and the whole person stood in the carriage, the whole being the independent shape of a golden rooster. This was the first Tenglin Quintongtian who was counter-killed by Charlie.

There are also two people standing with their arms around each other, and they are the second and third.

As for Teng Lin Zhengzhe, he has one hand on his hips, and his other hand is pointing his middle finger outside the car...

The shapes of these four people, except that Tenglin Quintongtian was in the form at the time of death, the other three were made by Isaac Cameron's men as plastic models after being frozen.

In order to stabilize the shape, he poured some water on several people. After the water froze into ice, they completely strengthened their shapes.

Then there was this weird scene in front of everyone.

Takahashi Eiji got close, and when he glanced over, he let out a scared cry: "Ah! This...this...is this a real person or a wax figure?!"

Takahashi's nerves were already devastated, and suddenly saw his four confidants frozen into popsicles, their legs collapsed on the ground, and he shouted in fear, "Call the police! Call the police!"

Just as the housekeeper was about to take out his cell phone to make a call, a few police cars suddenly appeared and blocked the door.

Originally, they followed Takahashi Machichi secretly, wanting to see if he and the Banks Family's siblings disappeared, but they never dreamed that they just followed Takahashi Machichi to his door, and Takahashi Machi received four. Personal ice lolly...

The inspector of the Japanese Metropolitan Police Department who led the team came forward with a black face and personally stepped into the freezer for inspection. Then he mumbled in a little panic: "It's a living person... Damn... ..Really big living people! Four big living people! Is this the damn Tokyo where I lived for more than 30 years? Everything in front of me is too damn magical!"

The following police officer asked in surprise: "Inspector, are these four people still alive?"

The inspector scolded: "Live your mother! Have you frozen into popsicles if you haven't seen it?"

The police officer was full of grievances: "You just said that there are four big living people..."

The inspector wiped his cold sweat and said: "It's an ice sculpture made of four big living people...Hurry up, call the forensic doctor to come over for an autopsy!"

After speaking, he walked to the pale face of Machi Takahashi sitting on the ground, squatted down, and asked very seriously: "Mr. Takahashi, are these four people your subordinates?"

Takahashi nodded and murmured, "They are all members of the Tenglin family..."

"Tenglin family?!" The inspector exclaimed and blurted out: "Tenglin family, one of the four ninjutsu families?!"

"Yes..." Takahashi swallowed his saliva and said nervously, "The first is the eldest son of the Tenglin family, the current head of the family, Tenglin Zhengzhe..."

The detective's liver trembled in fright: "Teng Lin Zhengzhe can be regarded as one of our top ninjas in Japan. Even he died so miserably, who is it that you offend?"

Maki Takahashi watched Teng Lin Zhengzhe gesturing with his middle finger, crying desperately, "How the hell do I know!"

Chapter 1759

The inspector saw Takahashi's flustered look, and hurriedly said: "Remember carefully, did you offend anyone? Generally speaking, unless there is a deep hatred, who would target you like this?"

After that, the inspector reminded: "Think about it, does anyone want to kill you, or do you want to kill anyone?!"

The first thing Takahashi thought of was Charlie.

But soon he denied this idea in his heart.

After Tenglin Quintongtian disappeared for no reason, Tenglin Zhengzhe once eavesdropped on Charlie and got a message that it was not Charlie who killed Tenglin Quintongtian, but another group of ninjas.

At that time, Teng Lin Zhengzhe speculated that it should be a Koka ninja loyal to the Ito family.

However, he did not tell the Metropolitan Police Department about this matter.

Because, he felt that what he said to the Metropolitan Police Department was meaningless, because there was no direct evidence for this incident, and everything was just a guess by Teng Lin Zhengzhe during his lifetime.

In my opinion, 80% of it is the Ito family behind the scenes, but in the eyes of the police, the opponent may be the Koga Ninja, but it may also be the Iga Ninja, Saga Ninja, or other low-key ninja family.

After all, Japanese ninjas have a long history and many schools.

Just like Chinese martial arts, Chinese martial arts has a wide variety of martial arts since ancient times, and there are many martial arts that can be named.

Shaolin, Kunlun, Emei, Huashan, the following unknown small and medium schools are countless.

The same is true in Japan. In addition to the four well-known ninja families, there are countless small families and sects.

Therefore, he decided not to let the Tokyo Metropolitan Police Department intervene, and took revenge on Yuhiko Ito!

Soon, the forensic doctor arrived at the scene.

They transported the four hard corpses back to the forensic department of the Metropolitan Police Department. Such corpses must at least be completely thawed before being dissected.

At the same time, the news of Teng Lin Zhengzhe's four strange deaths was also reported to the top of the Metropolitan Police Department, making the entire Metropolitan Police Department shocked.

The director of the Metropolitan Police Department has almost collapsed!

Fitz and Zara were kidnapped without a clue, and such a big incident happened in an instant.

Four superb ninjas will also be killed, this is simply a wave of unrest!

Tokyo has also suddenly changed from a fashionable international city to a strange and sinful city.

However, it was just when the Tokyo Metropolitan Police Department was in desperation and digging three feet in Tokyo.

Brother and sister Fitz and Zara have been secretly sent to Kyoto, hundreds of kilometers away.

According to Matsumoto's plan, he wanted the Banks Family's children to die in Ito's residence.

When the time comes, the Ito family will have no answer.

However, Yuhiko Ito is not a counselor, but also has a strong strength.

By then, he knew that he was being blamed, and he would definitely regard the man behind the scenes as Takahashi Makichi.

In this way, Yuhiko Ito will definitely fight to the death with Takahashi Machi!

It won't take long for Japan's top two families to suffer severely and even disappear completely.

At that time, the Matsumoto family can reap all the benefits, and then as the only optional collaborator of the Banks Family, they can cooperate with the Banks Family to further strengthen their own strength.

.....

Charlie got up very early today.

The weather forecast software pops up a reminder that starting this afternoon, until night, there will be a blizzard in Kyoto and Osaka.

He first went to the production line of Kobayashi Pharmaceutical with Liam. In the afternoon, he asked Isaac Cameron for a car and planned to drive to Kyoto by himself.

Isaac Cameron didn't know where he was going. Seeing that the snow had fallen, and the snow was getting bigger and bigger, he hurriedly reminded him: "Master, there is a blizzard today. Driving in this kind of weather is too dangerous. If you have nothing important, Don't go out anymore."

Chapter 1760

Charlie waved his hand: "It's okay, you don't have to worry, I have something personal to do, and I'll be back when it's done."

Isaac Cameron asked: "Is it in Osaka? Do you want me to arrange someone to escort you?"

"No need." Charlie didn't say where he was going, and he didn't want to say.

He didn't know why, he kept thinking about Nanako Ito in his mind, perhaps out of sympathy for that girl, or out of admiration, or out of some other emotion, Charlie couldn't figure it out, and he didn't want to go. miss you.

Now he just wants to go to Kyoto to see Nanako Ito in person, and take a look at her injuries by the way.

In any case, if her injury is cured, he can go back with peace of mind.

Isaac Cameron saw that Charlie was unwilling to reveal his whereabouts, so he did not insist, but told him to drive carefully. If the snow is too big, wait until the snow stops before driving.

Charlie accepted, and then drove off alone. Osaka is very close to Kyoto, and it takes about an hour to drive. When he arrived in Kyoto, the sky was already dark. The snow is getting bigger and bigger, almost like goose feathers.

Charlie didn't know where the Ito family's mansion was, so he went to a Chinese restaurant to eat a bowl of Chinese ramen. When checking out, he asked the boss: "Boss, do you know where the Ito family's mansion is?"

The other party smiled and said: "The Ito family residence is next to Nijo Castle. It covers a large area and is easy to find. There is a plaque at the front entrance, which is the Chinese character Ito."

Charlie nodded, thanked him, and then went out of the restaurant.

Nijo Castle is a well-known scenic spot in Kyoto, so you can search it directly on the map, and it is only two kilometers away from Charlie.

After looking at it for a few minutes, Charlie who was sitting in the car hesitated and hesitated. He hasn't figured out how to meet Nanako Ito.

When you arrive at the Ito family mansion, do you just knock on the door to see you? Inappropriate. After all, Yuhiko Ito's 4.5 billion dollars is still in his own hands. If his subordinates report Yuhiko Ito, he will definitely not let himself meet Nanako Ito.

then what should we do? Do you want to sneak in by yourself? Perhaps, there is only one suitable way. Thinking of this, Charlie started the car, followed the navigation, and came to the vicinity of Nijo Castle. Sure enough, he saw the Ito family mansion not far from Nijo Castle.

The Ito family's mansion covers a large area. From the outside, half of the area is planted with towering old trees. The buildings are also Japanese-style ancient wooden buildings that incorporate strong Chinese architectural elements. You can know the age at a glance. Long time.

Since there is an ancient moat around the Ito family's residence, and the two bridges entering and exiting belong to private territories, Charlie parked his car on the side of the road not far away, and then braved the heavy snow and sneaked in in the dark. The residence of the Ito family.

At this moment.

Nanako Ito just finished soaking in the hot spring.

Because today was finally looking forward to the long-awaited snowfall, and it was a heavy snowfall, Nanako Ito swept away the haze in her heart, and she was in a particularly good mood.

She asked her servant to help put herself in an indescribably beautiful kimono, and then gracefully coiled up her long hair and inserted her favorite hairpin.

After that, pushing the wheelchair, she came to her small courtyard to enjoy the snow with great joy.

The Ito family's residence covers a large area, and there are several large and small courtyards. The courtyard where Nanako Ito is located is the most remote and quietest.

The snow fell heavily, and soon a layer of white snow fell on top of her head, and Nanako Ito looked at the snow flying in the sky, jumping for joy like a child.

After a while, she looked up at the sky and said in her heart piously: "I don't know what Charlie is doing at this time? I don't know if it's snowing in Aurous Hill now? I don't know if he will think of me..."

Chapter 1761

Just when Nanako Ito looked up at the sky and missed Charlie in her heart.

Charlie, who was hiding on the wall, finally saw the moving figure in the courtyard below.

He bypassed the security of Ito's mansion and circled the Ito family's mansion halfway around the fence, only then saw Nanako Ito, who was always concerned about him.

Seeing Nanako Ito wearing a kimono with a light bun, Charlie couldn't help sighing: "It is said that Nanako Ito is a standard Nanako Ito. It is indeed no exaggeration. She is definitely the most beautiful and perfect Japanese woman he has ever seen.."

However, the wheelchair under Nanako Ito made Charlie a little bit embarrassed.

She could have not participated in the final with Aurora, and could also admit defeat and end the game early in the game, but she had to persist to the end, which caused great physical trauma to her body.

At this moment, Charlie wanted to jump in directly from the wall and meet her next to her, but when he thought of using this kind of gentleman's way, he suddenly appeared in front of her, it might be a little embarrassing.

If she is scared by herself, how can he explain it?

If she asks herself why, how can he explain it?

Charlie, who has always had an excellent psychological quality, hesitated at this moment.

At the same time, in Tokyo, hundreds of kilometers away.

Matsumoto, who is hiding in the dark, is still continuing his cruel game.

While letting the subordinates who held Fitz and Zara brothers and sisters wait for an opportunity to come and kill others, he let another wave of people start a new round of planning in Tokyo.

He is like the Joker in "Batman: The Dark Knight", intending to play with everyone, and then gradually divide them and kill them one by one.

This time, his target was Takahashi Eiji.

He felt that it was just that when Fitz and Zara were kidnapped, they left a little trouble for their two families, and this was not enough to make the two families completely turned their faces.

Therefore, he wanted to add a bloody feud between these two families.

Only blood and blood will make people lose all their sanity and become extremely crazy.

So, in this evening, he stretched his claws towards Takahashi Machi, whose arms had been dismantled.

Takahashi Eiji is a young man in his prime.

His arm injury and a cast will not affect his physical needs.

And he is usually in Tokyo, and he is also well-known as a young girl and a dandy. Many well-known actresses in Tokyo are his lovers and playthings.

Some time ago, he had just made a huge sum of money to acquire Hua Dan, the head of a popular Japanese girl group, and became his lover. It happened that the girl group was doing a variety show on TV Tokyo today.

Therefore, Takahashi Eiji intends to sneak out tonight and spend the night with her.

The other party is eager to establish a long-term relationship with him, and naturally she readily agrees.

So, under the stimulation of hormones, Eiji Takahashi scorned his father to let him stay at home and wait for the reminder of the storm to pass, and quietly arranged for his

subordinates to drive him out of the house and head to the most luxurious high-end club in Shibuya, Tokyo.

Chapter 1762

In that high-end clubhouse, he has a fixed high-end private room all the year round. It is luxuriously decorated and concealed and private. It is the home ground of his unspoken Japanese female stars all the year round.

A convoy of three Rolls-Royces took Takahashi Eiji to Shibuya, and Takahashi Eiji in the car was too excited, looking forward to the cloud and rain tonight.

When the convoy passed through an underground passage, a normal truck suddenly braked and hit the direction, blocking the entire road horizontally.

Several black commercial vehicles drove immediately behind, blocking the three Rolls-Royces of the Takahashi family.

The bodyguards in the leading and trailing vehicles realized that something was wrong, and they pulled out their guns to protect Eiji Takahashi.

However, in the black business cars behind, a large group of people in black with automatic weapons suddenly jumped out!

The firearms in these people's hands were all automatic rifles and mini-submachine guns. The firepower was much stronger than that of the Takahashi family's bodyguards. Before the Takahashi family's bodyguards could recover, all eight bodyguards were sifted.

At this time, Eiji Takahashi in the Rolls Royce in the middle was already shocked.

In his car, there is only one driver and one assistant, both of whom are ordinary people, and they have no combat effectiveness at all.

And the other party, not only has a large number of people, but also has extremely strong firepower, completely crushing!

Takahashi Hideki was so scared that he hurriedly called his father and said in a panic: "Dad! Save me, Dad! I'm surrounded by killers, come and save me!"

Maki Takahashi blurted out: "Aren't you at home?! Where's the killer?!"

Takahashi Eiji collapsed and cried: "Dad, I'm outside... on the way to Shibuya... I was surrounded and attacked by people, and the bodyguards were dead. They had already come to me, Dad. You think of a way to save me, I don't want to die..."

Maki Takahashi only felt that the sky was spinning, and he roared hoarsely: "Tell them, I can give them no matter how much they cost! As long as they keep you alive!"

As soon as the voice fell, the group of people in black had already surrounded the Rolls Royce where Takahashi was riding.

Eiki Takahashi rushed out of the car and shouted hysterically: "Please don't kill me! My father said, no matter how much money you want, you can satisfy you!"

The headed man in black grinned: "Money? We, the Ito family, don't care about money! What we want is the life of everyone in the Takahashi family! Now we will send you on the road first, and we will send you your father and your family soon. Go with you!"

Takahashi Eiji was so scared that he collapsed and wailed frantically: "I beg you not to kill me, I'm still young...I don't want to die..."

Machi Takahashi also yelled as hard as he could on the phone: "Let go of my son! Something is coming at me!"

The headed man in black sneered, "Oh? I was still on the phone with Mr. Takahashi? That's good, Mr. Takahashi, just listen to your son's desperate scream before his death. !"

After all, he smashed the Rolls-Royce glass with a gun, but the moment the gun was pointed at Takahashi Eiji, seeing the tears on Takahashi Eiji's face, he suddenly took the gun back.

Takahashi Eiji thought he had changed his mind and blurted out excitedly: "How much do you want, if you say a number, my father will give you the money immediately!"

"Yes!" Takahashi thought that things had turned for the better, and blurted out: "I can give you 100 million dollars. Give it now!"

The man in black chuckled and said grimly: "The two have thought too much, I just want to change the way of playing."

After that, he turned to look at his men and said coldly: "Come over with two barrels of gasoline from the trunk, and I will order them together with the people and the car!"

Chapter 1763

The next five minutes are the most painful, suffering, and collapsed five minutes of Takahashi's life.

He didn't dare to hang up the phone, because he knew that the next voice he heard might be the last voice his son left in the world.

However, he was also very clear in his heart that the other party would torture his son to death and make him suffer tremendous pain when he died.

As a father, does he really want to listen to his last scream in his ears, but he can do nothing and has no choice?

Immediately afterwards, the murderer poured gasoline into the Rolls Royce where Takahashi Eiji was riding, and even Takahashi Eiji's hysterical yelling in the car was completely disregarded.

After all the gasoline was poured in, the leader took out a pack of cigarettes and a box of matches, coldly lit the cigarette, took a hard sip, and then threw the still burning matchstick into the window!

The extremely luxurious Rolls-Royce turned into an incinerator in an instant, and the flames inside even spurted out frantically.

In the car, the screams of Takahashi Eiji, his assistant, and the driver were like hell on earth!

Maki Takahashi on the other end of the line burst into tears.

And the screams lasted for more than a minute before finally I couldn't hear them.

Takahashi knew very well that his son was dead. It is even possible to die without a whole body! At this moment, the anger of vengeance burned his sanity!

"Yuhiko Ito! You kill my son, I want to kill your family!"

Having said that, he immediately called the temporary Patriarch of the Tenglin family, and as soon as he spoke, he said in a cold voice: "The Ito family killed my son. The four Tenglin family members, including Tenglin Zhengzhe, are also Because of him, I want you to kill Yuhiko Ito's daughter first, and then kill Yuhiko Ito's old dog too!!!"

The other party's voice suddenly shuddered: "Mr. Takahashi, don't worry, our people are staring at the Ito family mansion in Kyoto. Yuhiko Ito's daughter has not left there. We can kill her tonight!"

Machi Takahashi roared hoarsely: "Kill her now! I want you to kill her now!!! I want you to behead her alive, and then send me the video, Yuhiko Ito let me hear me with my own ears My son died tragically, I want him to see his daughter's head in a strange place!!!"

The other party immediately said: "Okay Mr. Takahashi, I will order them to kill Nanako Ito!"

.....

at the same time in Kyoto.

The snow is getting bigger and bigger. In this heavy snow, Charlie has quietly observed Nanako Ito for nearly ten minutes.

In these ten minutes, Nanako Ito looked at the sky in a daze, and sometimes bent down, collecting white snowflakes from the ground, playing alone seemed very happy.

At the moment when Charlie decided to go down to see her, he suddenly noticed that from the darkness in the distance, several black shadows were attacking at his location at an extremely fast speed!

Judging from the posture when running and the way of breathing when running, these black shadows are quite similar to the four of Teng Lin Zhengzhe.

Charlie immediately became alert. These people should all be ninjas! Moreover, Bacheng is the ninja of the Tenglin family!

Chapter 1764

Charlie felt that they were not good at coming, so he immediately concealed his breath and observed it secretly, and saw that these people climbed over the wall at an extremely fast speed, and then rushed toward Nanako Ito from multiple directions!

Although Nanako Ito was seriously injured but still hadn't healed, she was still a martial arts master after all, and she had a very high acumen. She had already noticed these six people before they got close.

At this moment, Nanako Ito wanted to shout and call the housekeeper and housekeeper from other courtyards to help, but when she was about to ask for help, she suddenly gave up this idea.

Because, she has seen from the figures of these six people that these people are all ninjas without exception!

Although there are ninjas in my family, they are all in Tokyo, not in Kyoto.

The strength of the ninja is very strong, and the actual combat ability is stronger. Even before she is injured, I am afraid that she can't beat an ordinary ninja, let alone there are six!

And it seems that they have at least the strength of a mid-level ninja.

Almost at this moment, Nanako Ito understood that to gather all the people in this mansion, it was probably not the opponent of these six.

In this case, why bother calling for help and letting others die for yourself?

After all, this group of people came on their own at first sight.

So, just when these six people were almost rushing to Nanako Ito, she spoke neither humble nor scared: "Several ninjas, if they come to kill me, then I can cooperate, but please also let the rest of the house be spared. Most of human lives are not children of the Ito family, but only servants working in the Ito family."

The leader sneered: "I have long heard that the eldest daughter of the Ito family is extraordinary. When I saw it today, it was really extraordinary!"

After all, he drew out his knife and said coldly: "It's true that we are here to take your life to make your father pay for it. He secretly killed four members of my Tenglin family and Takahashi. The eldest master of the family, I can only wrong your daughter to pay a little interest first!"

Charlie was startled when he heard this, "What? Takahashi Eiji is dead? It seems that after he left Tokyo, Tokyo is not at all peaceful!"

At this time, Nanako Ito, who was surrounded by six people in the courtyard, blurted out: "Impossible! My father is definitely not such a person! This matter must be another misunderstanding!"

"Misunderstanding?" The man gritted his teeth and cursed: "He froze the four masters of the Tenglin family into human-shaped popsicles and burned the young master of the Takahashi family into ashes. Tell me this is a misunderstanding?!"

Nanako Ito said unswervingly: "I know my father. Although he is not a perfect person, but he has at least a bottom line! Even if he is an enemy, he is upright and will never do things that would hurt people with secret arrows!"

The man sneered and said, "Knowing others, knowing the face and not knowing the heart, you may not really understand Yuhiko Ito! But you can take a step first, and after he gets on the road, you can ask him if he has done anything!"

After that, he immediately said to the person next to him: "Take out the mobile phone video, I will send the video of the beheading to Mr. Takahashi!"

"it is good!"

The leader took out an extremely sharp ninja sword from his waist, flashed a cold light, and said to Nanako Ito: "Miss Ito, time to die!"

Nanako Ito nodded silently, and then closed her eyes confessing her fate, muttering to herself in grief: "Charlie, see you in the next life..."

The leader sighed slightly: "Miss Ito, I will make you die happy, and I hope you will not be born in a rich family in the next life!"

Having said that, he raised his ninja sword high, all his strength gathered his arms, ready to chop Nanako Ito's neck at any time.

Nanako Ito was also heartbroken at this time, her beautiful eyes were tightly closed, waiting for the moment when fate finally arrived!

At the moment when the head of the man raised his hand to make the knife fall, a blade of Hanmang came to him quickly through the air at an extremely fast speed!

With a scream, a poisonous shuriken has been shot from the center of his eyebrows!

And this person who was about to behead Nanako Ito died suddenly at this moment!

Charlie finally made a move!

Chapter 1765

In fact, just as the man raised the ninja sword, the other five people took two steps back.

This is because they don't want to splash on them when the blood is sprayed out.

However, their eyes have been staring at Nanako Ito, waiting for the bloody scene to come.

And Nanako Ito herself is also ready to meet death.

However, the picture stopped abruptly at this moment!

The ninja sword held high, has been hovering in the air, and other people don't know why he has been so late.

When they looked over, they realized that the executioner wielding a knife was already dead!

Only a few centimeters in length was left on the center of his forehead. The wound was too close to the sword body, so only a small amount of blood penetrated from the wound and dripped on the white and thick snow. , A bright red fainted instantly!

Just when these people were dumbfounded and didn't know what happened, they found that the sword in the hand that pierced this person's eyebrows was surprisingly familiar!

The person who took the phone to shoot the video shouted in horror: "Ah! This...this is Quintongtian's shuriken!"

This is indeed Tenglin Quintongtian's Shuriken!

After Charlie killed him, he kept all his shurikens, and it just came in handy at this time!

The remaining five people were suddenly shocked!

The tragic death of Tenglin Zhengzhe and Tenglin Quintongtian has left them with lingering fears. Now, Tenglin Quintongtian's shuriken killed another member of their family. It can be seen that the crisis is in sight!

The person who took the video with his mobile phone, he threw away the phone and blurted out to the other four people: "Arrange an array! Arrange an array!"

The other four people recovered for a while, and took out ninja knives one after another. The five people formed a small circle back to back, and each one was guarded in different directions.

This is the most commonly used pawn formation when ninjas are defending.

At this time, Nanako Ito heard the movement and opened her eyes, and suddenly realized that the man who was about to slash him had become a standing corpse, and the other five people formed a defensive formation like a big enemy!

She hadn't figured out what was going on. Suddenly, one of the five people suddenly fell straight forward and plunged into the thick snow!

The people around him hurriedly reached out and turned him over, only to find that there was a shuriken stuck in the center of his forehead and brow!

The man pointed to the wall and said nervously, "At the wall!"

As a result, the remaining four people gave up the circular defensive formation, one after another with twelve points, staring at the direction where the shuriken shot just now.

One of them trembled and said, "What is the ability to injure people with a secret arrow! Come out if you have the ability!"

Although he said so, he didn't expect such words to really excite the other party.

After all, this sounds too pediatric, how can the opponent be fooled by himself if he has such strength.

However, no one thought that just as his voice fell, a dark figure suddenly jumped down on the wall. Immediately, the dark shadow took a leisurely pace and strode towards them!

Every time that black shadow took a foot, the snow creaked on the ground, making the four people more and more frightened.

Nanako Ito stared at the dark shadow with wide-eyed eyes. She wanted to know who the man who saved her secretly was.

And when the dark shadow came to her to let her see the people, she was instantly struck by lightning! She never dreamed that the person who saved her would be Charlie, who she had been thinking about for a long time!

At this moment, Nanako Ito thought that she was wrong, and she had hallucinations. So she wiped her eyes and looked at it carefully.

The smiling man in front of her is indeed Charlie, whom he has missed and loved for a long time!

At this moment, in the depths of Nanako Ito's heart, countless questions suddenly emerged:

"How could it be him?!"

"Why is it him?!"

"Why is he here?!"

"Am I dreaming?!"

"Could it be that I am already dead, and all this is an illusion after my death?!"

"Just now, I even felt that even if I could see Charlie before I died, I would die without regrets, but who would dare to believe that Charlie suddenly came to save herself like a god from heaven." ?!"

Countless thoughts in her mind gathered together, she was surprised and hesitant, nervous and excited, and her whole body was trembling to the point of speechless.

At this time, Charlie was the first to break the silence. He looked at Nanako Ito, smiled, and asked: "Miss Ito, how are you doing now?"

Hearing Charlie's voice, Nanako Ito finally made sure that everything in front of her was not an illusion!

He has been in love for a long time and even thought that Charlie, who would never have a chance to meet again, came to save her when she was in the most critical time!

At this moment, Nanako Ito finally realized the ultimate happiness of a woman.

She feels that in this life, there will be no more moment that can surpass every minute and every second of the present.

Even if it was to let her die now, she felt that her life had been completely fulfilled, without any regrets.

As a result, she couldn't control her emotions anymore and cried out loudly: "Charlie! I came back from Aurous Hill, looking forward to reunion with you day and night, I didn't expect you to really come..."

The four ninjas were on the verge of an enemy, and one of them gritted his teeth and scolded: "Boy, did you kill Quintongtian?!"

Charlie smiled cruelly: "I killed him, what can you do?"

The man gritted his teeth and shouted: "Asshole! Kill me six members of the Tenglin family, I want your life!"

Charlie looked at the four ninjas, and said lightly: "You are a little bit noisy, since you want my life, don't bother other people in this mansion."

After speaking, he held his Thunder Order with one hand, and muttered in a low voice: "Thunder!"

Suddenly, a series of dull thunders suddenly sounded in the gloomy sky!

This series of thunders immediately caused a dog barking around, and the originally quiet snowy night suddenly became noisy.

At this moment, Charlie sneered with contempt, and shouted: "Want to get paid, right? Come on! I will send you to meet them before they are far away!"

The man didn't know that the thunder was caused by Charlie, and he roared in anger, "Asshole, you must die today!"

As soon as the voice fell, he raised the ninja sword high and slashed at Charlie at an extremely fast speed!

The other three are not far behind!

One of them jumped directly into the air, swiping a knife to Charlie from mid-air!

The other two quickly drew away to the sides and waved the ninja sword, preparing to besiege Charlie from the left and right wings!

As we all know, Japanese katana and ninja swords are all tempered by top craftsmen with top-notch stainless steel. The blades are so sharp that they can be broken by blowing!

The four attacked together, and Charlie would be chopped into several pieces if he couldn't stand it a little bit!

These four people can be described as murderous!

Nanako Ito saw four terrifying cold lights in the night sky and shouted in horror: "Charlie, be careful!"

Chapter 1767

The four ninjas of the Tenglin family all felt that this time they would definitely be able to give Charlie a definite blow.

And Nanako Ito also raised her heart to her throat, for fear of Charlie's accident.

For her, even if she died, she would never let Charlie be hurt.

At this moment, Charlie suddenly retreated several meters on the spot. The speed made the four ninjas stunned!

They themselves are preemptive, and they are faster than Charlie in terms of starting time.

Moreover, they all have a ninja sword nearly one meter long in their hands, which undoubtedly further strengthens their attack range, allowing them to take advantage of the opportunity to move faster.

According to their understanding, it is almost impossible for anyone to escape at this moment.

It's like a bullet that is about to hit him that a normal person cannot escape!

However, Charlie did it!

At the same time Charlie retreated quickly, the Thunder Token was already in his pocket. Then, his left and right hands suddenly drew out two swords in his hand, and shot at the one in the air, and the one in front of the four people in front of him at high speed!

When the two heard the sound of shuriken breaking through the air, and seeing the cold light flying at extreme speed, they reminded each other: "Be careful!"

Immediately afterwards, the two of them were about to dodge to both sides, when they felt a sharp pain in their hearts.

The person who rose into the air fell quickly, and the person who first rushed towards Charlie also knelt to the ground instantly!

The two people who doubled on the left and right wings were shocked by the situation in front of them.

Who could have imagined that this person moved so quickly, completely exceeding them by more than one grade!

It was originally a team of four full of confidence, but I didn't expect that even the fur of the other party was not even next to each other, and I would break the two again!

Under this circumstance, both of them knew that there was no chance to win at all, and they continued to attack blindly. There was no other way but to die.

As a result, the two exchanged glances, and then suddenly stopped. At the same time, they took out a ball about the size of a ping-pong ball from their pocket and slammed it to the ground.

Immediately afterwards, the ball burst out with a dazzling light, and another burst of black and thick smoke lit up. The two took advantage of the cover of these two smokes, turned around and fled.

Charlie sneered, and took out the last two swords from the cowhide without hurriedly, and shot them at the two black mists.

The two of them had actually ran far away at this time, but they didn't expect that the sound of breaking through the air was still heard behind their heads, and the speed of breaking through the air was extremely fast, almost leaving them with a flash of light!

At this moment, there was only one thought in their minds: they were dead!

as predicted!

The swords in both hands pierced the backs of the two.

The poison smeared on the blade spread rapidly, and the two of them died in an instant!

At this time, the faint thunder in the sky continued.

Therefore, what happened in the courtyard of Nanako Ito did not disturb other people in the mansion.

Seeing that these six people had completely died, Charlie finally breathed a sigh of relief, and at this moment, Nanako Ito, who was not far from him, looked at him with tears in her eyes.

Chapter 1768
"Charlie..."

Nanako Ito choked, then turned the wheel of the wheelchair with both hands and came towards Charlie.

Charlie took a few steps quickly, came to her, and asked, "Miss Ito, are you okay?"

"It's okay, I'm okay..." Nanako Ito shook her head, and then she couldn't control her face and started crying.

At this moment, her biggest feeling was not the rest of her life, but the great surprise that Charlie's sudden appearance brought her.

Seeing her crying as if she was emotionally out of control, Charlie couldn't help but stretched out her hand and gently touched the back of her cold hand, softly comforting: "Miss Ito, stop crying, it's all right."

Nanako Ito wiped away her tears, shook her head and said, "I didn't cry for what happened just now..."

After finishing speaking, she raised her head, did not hide the deep love in her eyes, choked up and asked: "Charlie, why are you coming to Kyoto?"

Charlie smiled slightly: "I came to Japan to do something. I just arrived in Osaka. I thought that Osaka is quite close to you, so I came to see you."

When Nanako Ito heard this, the sweetness in her heart seemed to melt away instantly.

She asked excitedly: "Charlie, you...you came to see me because you missed me?"

"Uh..." Charlie was asked by her.

I wanted to find an excuse to conceal it, but suddenly I felt that I came here so far. This action is the most honest answer. At this time, what else can I lie?

So, he nodded lightly, and said somewhat unnaturally: "Forget it..."

Nanako Ito was so happy to hear this!

Although there were still tears in the corners of her eyes, she smiled and said with great joy: "I didn't expect Charlie to still think of me...this is...this really surprises me... .."

Then she hurriedly asked Charlie: "Charlie, how do you know that I am in Kyoto?"

Charlie said: "I met Koichi Tanaka at Eastcliff Airport a few days ago and he told me."

"That's it!" Nanako Ito said shyly: "Charlie, thank you for remembering me, and thank you for saving my life today..."

Charlie smiled slightly and said, "You don't need to be so polite, just raise your hand."

After speaking, Charlie asked her again: "I think you have been sitting in a wheelchair, haven't your body recovered yet?"

"Yes." Nanako Ito nodded gently: "Since the last time I finished the game with Aurora, I was seriously injured. I was treated in Tokyo for a period of time. I was out of danger, but my body still failed to recover. The injury may be possible. It takes a long period of recuperation to get better."

Charlie nodded and said seriously: "Actually, I came to see you this time mainly to help you heal your injury. I didn't expect to encounter such a thing..."

Nanako Ito smiled gratefully, and said softly, "Charlie, my injury has been seen by the best doctors in Japan. What they mean is that it is very rare to save my face. With existing

medical methods, it is very difficult. Let me recover again. If I can get rid of the wheelchair in a few years, it will be considered a medical miracle."

After that, Nanako Ito raised her head again, staring at Charlie with fiery eyes, and said seriously: "Charlie, you can come to see me, I am already very moved, this is more important than getting me to stand up again or to recover."

"You don't know how much I miss you during this period of time, even I can't believe it, my biggest wish for such a long time is not to be able to recover, but to see you again..."

At this point, Nanako Ito mustered up the courage, took Charlie's hand, and said affectionately: "Thank you, Charlie! You are here, it is Nanako's blessing, if I can hold hands with you in this place. Walking in the snow for a while, you will have no regrets in this life..."

Seeing her gentle eyes, Charlie felt a little distressed in his heart. He looked at Nanako Ito and said very seriously: "Nanako, I have a way for you to heal you and restore you to the beginning!"

Chapter 1769

Hearing Charlie's unwavering words, Nanako Ito was a little dumbfounded.

She couldn't believe that her injury still had the possibility of recovering as before, but when Charlie said this, she suddenly felt very trusting.

So, she asked Charlie in surprise: "Charlie, do you really have a way to heal my injury?"

Charlie nodded and said, "But before I treat you, I'd better treat these corpses."

Nanako Ito hurriedly said, "I'll call the butler!"

"No need." Charlie stopped her and said: "I had a little conflict with your father in Tokyo. If you tell the housekeeper about such a big matter, he will definitely notify your father immediately. It may not look good at that time. ."

Nanako Ito asked in surprise: "Charlie, did you see my father in Tokyo?! Why are you conflicting?"

Charlie shrugged his shoulders and said, "This matter is a long story. I will tell you later when I will treat you."

Nanako Ito stuck out her tongue and said with a smile: "It seems that father must have suffered a lot with Charlie..."

Charlie chuckled, "He didn't take the pain, He just lost a little money."

Nanako Ito smiled and said, "It doesn't matter, he is not short of money anyway, and it doesn't matter at all to lose."

Charlie coughed and said, "It lost 4.5 billion US dollars."

"Huh?" Nanako Ito was shocked by Charlie's words and asked in shock: "4.5 billion US dollars? You are not kidding, right?"

Charlie smiled and said, "I'm not kidding, it's true, but I haven't considered whether it really cost him so much."

Nanako Ito said without hesitation: "Charlie doesn't have to think about it. This money will be regarded as a thank you father for me. After all, you just saved my life. My life in his eyes is More than four and a half billion dollars."

Charlie laughed and said, "You are generous, so you are not afraid that your father will know that he is angry with you?"

Nanako Ito shook his head and said seriously: "If he dares to be angry, then I will run away from home and go to China to join you, and then never come back!"

"Uh....."

Charlie was speechless at once.

He didn't know if Nanako Ito was joking or was serious. If he was serious, he would naturally be willing deep in his heart, but he couldn't explain to Claire...

At this time, Nanako Ito saw Charlie hesitating, and hurriedly smiled: "Charlie, Nanako is making a joke with you, you don't have to be serious, and even if I really want to go to China, i must buy a house in Aurous Hill and settle down by myself. I Will not cause trouble to you!"

Charlie sighed and said, "I'll talk about this later. I'll deal with these six corpses first. You have a lot of rooms in your yard. Which one is not commonly used?"

Nanako Ito pointed to the west wing and said, "That room is a storage room, but since I haven't come back for a long time, it has been empty."

Charlie nodded and said, "It's cold, I will send you back to the room, and then deal with these corpses. When the treatment is over, I will treat your wounds first. After the wounds are healed, you will inform the housekeeper at home , Let them dispose of the body properly."

Nanako Ito hurriedly asked, "Charlie, are you going to leave after healing me?"

"Yes." Charlie nodded and said, "I have to go back to Osaka. I will return to China after I finish my work in Osaka."

Nanako Ito looked a little lost, and murmured: "Then I hope...my injury will never be cured..."

Charlie blurted out: "Don't talk nonsense, it's bad luck."

Nanako Ito said earnestly: "In that case, Charlie can stay here forever? Because you said, you can only leave if the injury is cured, and you can't leave if the injury is not cured."

Charlie looked at her with a helpless smile, and said, "Don't worry, I will definitely cure you."

Chapter 1770

Nanako Ito asked Charlie, "Charlie, do I have a chance to see you again in the future?"

Charlie nodded: "Yes, I now put part of my business in Japan, and I might come here often in the future."

"That's great!" Nanako Ito said with joy, "Charlie, can you promise me one thing?"

Charlie said, "You said."

Nanako Ito hurriedly said, "I hope you can tell me every time you come to Japan. If it is convenient for you, I hope you allow me to see you!"

"In addition, if I go to China, if it is also convenient, please allow me to meet you, okay?"

Charlie smiled slightly: "No problem, I promise you."

Nanako Ito cheered like a little girl and said, "Then I will see you often in the future!"

Charlie was touched by her sweet smile, and her voice became gentle. He smiled and said, "Okay, I will send you back to the room first, and I will come to help you heal later."

Soon, under Nanako Ito's guidance, Charlie pushed her wheelchair and sent her back to her boudoir.

Nanako Ito's room has a typical Japanese classical layout. The whole house is made of natural wood flooring, which is clean and tidy and simple and elegant.

There is a tea table sitting on the floor in the room, as well as a Japanese-style book case and flower arrangement table. On the wall of the room, there are many calligraphy works, which seem to be written by Nanako Ito.

Charlie sent her back to the room and helped her into the room.

In order to prevent Nanako Ito from falling, Charlie held her hand with one hand, and supported her waist with one hand. Such intimate contact made his heart beat faster, and at the same time made Nanako Ito two red clouds float on her face.

Charlie just so supported Nanako Ito, and at her request, he helped her sit down on the futon at the tea table.

On the tea table, there is a set of exquisite Japanese tea sets and a small incense burner.

After Nanako Ito sat down, Charlie said: "Wait for me, I will deal with the dead body outside."

Nanako Ito looked at Charlie shyly, and said, "Charlie, I am in a bad health and can't help you, so let's make a cup of tea and wait for you to drink."

Charlie nodded, said okay, then turned and left the room.

At this time, the six corpses lying in the snow were half buried by the snow.

Charlie carefully moved the corpses to the storage room, and then stepped back to Nanako Ito's room.

When I returned, the room was already ignited with a delicate and quiet sandalwood incense, and Nanako Ito was carefully brushing the matcha powder with a Japanese-style tea bowl and brush.

Seeing Charlie coming in, she hurriedly said to Charlie: "Charlie, please sit down!"

Charlie nodded and sat cross-legged on the futon in front of her.

While brushing the matcha powder, Nanako Ito said to him: "The Japanese tea ceremony may not be the same as the Chinese tea ceremony. The tea here is brewed with matcha powder. I don't know if you are used to drinking it."

Charlie smiled and said, "I tasted Japanese tea ceremony with my parents when I was young, and I feel pretty good personally."

Nanako Ito nodded, smiled and said, "That's good!"

With that said, Nanako Ito was about to make Charlie tea, Charlie frowned suddenly, lowered her voice and said to her: "Someone has come in over the wall!"

"Ah?!" Nanako Ito's eyes widened in surprise: "Are you with the few people just now?"

Charlie shook his head: "I don't know yet, but there is only one person on the other side. It may not be here to hurt you. Don't talk nonsense later, we will do what we do!"

Chapter 1771

Brother and sister Fitz and Zara have been transported directly to Kyoto since they were taken out of Tokyo.

At this time, the brothers and sisters were imprisoned in a house less than two kilometers away from here.

The ninjas of the Iga family are responsible for guarding them.

They have been waiting for Ryoto Matsumoto's order. If Ryoto Matsumoto lets them do it, they will immediately kill the brother and sister, and then quietly transport their bodies into the Ito family mansion.

However, before Matsumoto issued the order, they had to keep the siblings alive, so as not to be inconvenient to transport after the dead body was too long and stiff.

The ninjas of the Iga family are best at assassination. In their experience, the most convenient time to carry a corpse is within an hour after death. At this time, the corpse is relatively soft and can even be packed in a suitcase, but if it exceeds this time, the body will become more and more rigid.

So they plan to kill the brother and sister immediately after receiving the order of Matsumoto Ryoto, and then take them directly to the Ito's mansion to find a suitable place to hide.

Just ten minutes ago, Ryoto Matsumoto called and asked them to check the situation in the Ito family mansion.

First, take a look at the defense of Ito's mansion and find the weakest link. Then you have to find a suitable place to hide the dead body. After confirming it, kill the brothers and sisters directly.

So, an Iga ninja sneaked into the Ito house alone, preparing to step on a spot first.

It was this person that Charlie noticed in Nanako Ito's room.

This person observed the wall for a while, and seemed to have selected the remote courtyard of Nanako Ito. After looking around for a while, he took out a few photos with his mobile phone, and then quietly rolled down the wall and planned to leave.

Charlie stood up at this time and said to Nanako Ito: "I'll go out for a while, you are waiting for me here."

Nanako Ito hurriedly asked: "Charlie, where are you going?"

Charlie said: "That person was also a ninja just now. He came here alone, and 80% came to step on it. There may be other ninjas behind him. Let me go and see!"

Nanako Ito stretched out her hand to hold her, and said seriously: "Charlie, please don't go, it will be dangerous!"

Charlie said seriously: "If there are ninjas peeping in secret, it is very likely that they are conspiring against you. If I don't go now, they may find it soon. If this is the case, it is better to take the initiative and get it done once and for all. Get rid of them."

Nanako Ito said nervously, "But I am worried about you...I don't want you to take risks for me..."

Charlie smiled slightly and shook her hand and said seriously: "The reason why I came to Kyoto is for you. Whether it is a sword mountain or a sea of fire, since I have come, I will definitely take care of it!"

After speaking, he released Nanako Ito's hand, turned and left.

Nanako Ito was immediately hit by Charlie's words. In addition to being moved and happy, her whole heart seemed to be melted by his words.

When Charlie said this sentence, there was no domineering voice, but it gave her an unprecedented sense of security.

Nanako Ito realized that at this moment, she was hopelessly in love with Charlie.

For him, she was willing to give everything, even if she let her sacrifice her life for Charlie, she would never hesitate.

So, she hurriedly reached out and grabbed Charlie, and said piously: "Charlie, please pay attention to safety. If you have any accidents, I will definitely die for you without hesitation!"

Chapter 1772

Charlie turned around and smiled softly: "Don't worry, I will be back soon."

After speaking, Charlie stepped away from Nanako Ito's boudoir and disappeared into the vast snowy night.

.....

In the wind and snow, the Iga ninja who came to step on the spot was running fast in the night.

He moves quickly and is as light as a swallow. Under the cover of the night, he is almost like an elusive ghost.

However, he would never have thought that right behind him, he was also followed by a super master who was a hundred times stronger than him. This super master was Charlie.

Ninja Iga ran for two kilometers without stopping, and finally stopped at a courtyard door. Then he came to the courtyard's simple door, buttoned the door four times in two long and

two short ways, and the door opened one from the inside. A gap where only one person can pass sideways.

Immediately afterwards, he quickly stepped in and disappeared.

But Charlie concealed his breath and heartbeat, and quietly jumped onto the wall, carefully watching the courtyard.

The entire courtyard is not too big. The front yard is more than 200 square meters, with some bamboo and ancient pine planted, and behind the courtyard is a wooden two-story building.

The Iga Ninja, who had just entered, went straight through the front yard and entered the two-story building.

Charlie could feel that there were more than six or seven people in this building, so he walked along the wall and quietly came to the building.

At this time, on the second floor of this building, there is a hall of about 50 square meters. In the hall, there is a ninja in black. In addition, on the floor in the middle, there are two quilts. People with big ties and balaclavas.

The ninja that Charlie followed all the way, after stepping up to the second floor, reported to one of the ninjas headed by: "Master Shang Ninja, I have just found out that the internal defense of the Ito family mansion is very weak, and there are only less than ten people. Guards, the strength is average!"

The leading ninja hummed and said: "This time we are going to quietly throw the corpses of these two Chinese people in, so even if the opponent's strength is weak, we have to make sure not to disturb anyone, quietly. Go in, leave the corpse, and then quietly withdraw."

After that, he asked again: "Have you found a suitable place to hide the body?"

"Found it!" The ninja hurriedly reported: "In the Ito Mansion, there is a very secluded small courtyard. There is also a pine forest in the small courtyard. Now the snow is thick. We can hide the body there for a short time. It should not be discovered by anyone."

Speaking of this, he immediately took out his mobile phone, turned out the album, and reported to the Chief Executive: "Shangren-sama, I took some photos. Please take a look."

The other party took the phone, flipped it a few times, and nodded in satisfaction: "Yes, at first glance, this pine forest shows that few people go there. The corpse is hidden here. No one will find it for several hours or even ten hours, Mr. Matsumoto. The requirement is for at least two hours not to be discovered by the Ito family. If you hide here, time is enough."

Another ninja hurriedly asked, "Master Shangren, when will we kill these two Chinese?"

The leader looked at the time and said, "Wait a minute, I'll call Mr. Matsumoto."

At this time, Zara, who was wearing a black headgear, struggled violently.

Because her mouth was blocked, she could only whimper with her nose, trying to attract the other's attention.

The headed ninja frowned, pulled off her headgear, and stared at Zara, who was extremely haggard and full of horror, and asked coldly: "What? Do you have any last words to say?"

Chapter 1773

At the moment Zara was uncovered, Charlie immediately recognized her.

He couldn't help slandering in the bottom of his heart: "Isn't this woman the same woman who sat on the Rolls Royce Takahashi Eiji? When I taught Eiji Takahashi, she even choked a few words with me, but she didn't expect to be People have been tied up here, and it seems that they are going to kill her, and then blame Yuhiko Ito. It seems that this woman has a lot of background!"

At this time, Zara was still stuffed with a towel in her mouth, so she sobbed for a long time, but couldn't really say a word.

So, the headed Iga Ninja stretched out his hand and tore off the towel from her mouth, and said coldly: "Give you a chance, just say what you want to say."

Zara's eyes were full of horror, but she forced herself to calm down, and said tremblingly: "Let me and my brother, you can tell me how much it costs, and I will give you ten times how much it costs you!"

The leader sneered: "It's meaningless to talk about this. The rule in the Japanese ninja family is to be loyal to the employer. Only by being absolutely loyal to the employer can the ninja family be favored by the big family. Otherwise, once the big family is loyal to the ninja When there are doubts, all ninjas in Japan will lose their jobs. At that time, we will become the public enemies of all ninjas in Japan. Even if you give me more money, I won't have my life!"

Zara couldn't wait to say: "Then you can go to China! I will give you one billion dollars, enough for you to live comfortably in China for a lifetime! Never fight for others!"

The leader was startled and couldn't help sighing: "Girl, I didn't expect you to be quite rich. One billion dollars is indeed a very large sum. Let's not say whether you can get so much money, even if you You can tell, I just said that I don't have a life-saver. Even if you give me 10 billion dollars, I will still be hunted down by Japanese ninjas for the rest of my life. This deal is not worth it."

Zara blurted out: "Then you think that if you kill me, no one will chase you? I tell you, if you kill me, my family will chase you at all costs! To that At that time, no matter how much money you have, you will never spend it!"

"No, no," the man said with a smile: "I am planning to kill you, but after I am planning to kill you, I will blame Yuhiko Ito. Anyway, there are some differences between you because of cooperation. At that time, both the Metropolitan Police Department and the family behind you will regard Yuhiko Ito as the man behind the killing of you two."

Zara gritted his teeth and said, "All this is the envoy of Matsumoto, right?"

At this time, the headed Iga Ninja looked at Zara and sneered: "Mr. Matsumoto originally wanted to cooperate with you piously, but I didn't expect that you are really above the top, and you are very arrogant! Mr. Matsumoto came to see you in person, But you ignore it. Since you are so rude to Mr. Matsumoto, don't complain that Mr. Matsumoto is cruel to you!"

Just now, when the leader was talking to his subordinates, he mentioned Mr. Matsumoto. Zara had realized at that moment that the master of all this was Mr. Matsumoto.

She really did not expect that Ryoto Matsumoto, who can only rank third in Tokyo in strength, could be so vicious!

He attacked her and her elder brother and blamed Yuhiko Ito. He must take the opportunity to weaken the strength of the Ito family, and maybe even use other methods against the Takahashi family.

If the time comes as he planned, his family goes to Yuhiko Ito to seek revenge, wouldn't Matsumoto be able to take advantage of the fisherman? !

Thinking of this, she felt extremely regretful.

Knowing this, when Mr. Matsumoto came to see him, he and his brother should see him. No matter what he said, at least don't offend this person for face.

It's a pity that these things are now an afterthought, the big mistake has been made, and there is no room for reversal now.

Fitz on the side was too regretful, but he was covered with his head, his mouth was pouting, and he couldn't say a word.

The headed Iga Ninja took out his cell phone, called Ryoto Matsumoto, and respectfully said: "Mr. Matsumoto, Ito's mansion has been inquired, there is a very suitable place to hide the body, and the defense of the opponent is also very weak. We are confident that we will not be discovered by anyone in the process of hiding the body. I wonder when Mr. Matsumoto wants us to do it?"

Ryoto Matsumoto smiled and said, "Tokyo is very chaotic now. It hasn't been so chaotic for decades, so I want to wait a little longer so that I can rest assured to finish watching the Tokyo drama!"

Chapter 1774

Iga Ninja immediately said: "Good Mr. Matsumoto, we are always at your disposal!"

Ryoto Matsumoto sneered and said: "By the way, the two you kidnapped, their family members have come to Tokyo, I hope you will make these two people die a little bit more tragically, when the police find their bodies, the scene The better the miserable, the more miserable they die, the more angry their family members will be, and this event will be even more exciting!"

Iga Ninja hurriedly said: "Don't worry, we will do it!"

Ryoto Matsumoto said: "That woman is said to be pretty good. You might as well abuse her before killing her. If her family sees her being abused to death, they will definitely hate Yuhiko Ito! "

When Iga Ninja heard this, he suddenly laughed and said: "In fact, my brothers have been coveting this woman, but I am worried that your good deeds will be broken, so I have been stopping them, but since you With this sentence, I am completely relieved!"

Ryoto Matsumoto laughed and said, "It's okay, let the brothers enjoy it. By the way, you can come together. By the way, you can take some videos that will not expose your faces. If you send it out then, it will definitely have a better effect, haha Haha!"

Ninja Iga laughed similarly: "Mr. Matsumoto, don't worry, we will definitely shoot a blockbuster for you!"

Zara at this time, her face pale in fright.

She tremblingly pleaded: "I beg you to kill me directly, don't ruin my innocence..."

"Innocence?" Iga Ninja smiled and asked: "So, you are still innocent? A super beauty like you still retains innocence. This is really rare, such a precious gift, I You must disassemble it yourself later!"

Ryoto Matsumoto smiled on the other side of the phone and said, "Okay Iga Kamino, I won't bother you with good things. You still have an hour and a half to indulge yourself. After an hour and a half, kill them, and then Bury the corpse in Yuhiko Ito's mansion!"

Iga Ninja hurriedly said, "Mr. Matsumoto, don't worry. After two hours, the bodies of these two people will lie in the snow in the Ito Mansion! You will be able to reveal the news to the Tokyo Metropolitan Police Department. Up!"

"Very good! I will never treat you badly after it's done!"

Iga Shangren hung up the phone, looked at Zara, and rubbed his hands in excitement: "Beauty, before I die, I will let you taste the ultimate happiness of a woman. For your good, you must obediently cooperate with me. If it makes me happy, I can give you a reward!"

Zara almost collapsed. She burst into tears and said in horror: "Please, kill me now..."

Iga Kaminino laughed: "It's not so easy to want to die now. I have to ask me and my brothers if I agree!"

Zara shivered in shock, and blurted out, "Help! Help!"

Iga Kaminari sneered: "To tell you the truth, the several houses around here are all focused on repairs. Even if you are called Poten, there is no way anyone will come to rescue you! You can keep your voice and stay under me. Scream happily, the harder you call, the more excited I will be, hahahaha!"

The other ninjas also laughed presumptuously.

At this moment, a voice suddenly rang: "A group of beasts, together to bully a girl, do you want to force your face?"

It was Charlie who spoke!

Chapter 1775

When Charlie's voice suddenly sounded, so many well-trained ninjas were all startled by his voice!

No one thought that they would be tracked by others as well!

Moreover, before this person spoke, no one realized his existence!

The headed Iga Kaminin took out the ninja sword almost instantly, looked around vigilantly, and asked nervously, "Who?! Get out of me!"

At this moment, Charlie jumped from the wall, and people had broken the window and entered, leaving the floor with broken glass ballast.

The moment Zara saw Charlie, her whole body was struck by lightning!

She couldn't believe that someone would come to save herself at this time, and she couldn't believe that it was the Chinese man she met on the streets of Tokyo to save herself!

Moreover, I also offended him because I didn't know what happened!

At this time, Charlie was standing upright in the broken window. In her eyes, Charlie in front of her was more than handsome, like a god!

The violent cold wind poured in from the broken window, blowing Charlie's hair and clothes, in her eyes, there was a sense of sight of a great hero in a martial arts movie.

However, Charlie's attention at this time was completely off Zara's body.

He stared at Iga Shangren with cold eyes, and said coldly: "I thought Japanese ninjas are so ethical, they turned out to be such a mob! It's fair for you to bully your Japanese women, and to bully our Chinese women is to die!"

Several other ninjas of the Iga family stepped back, staring at Charlie and drew the ninja sword.

They knew that Charlie could always hide nearby without being discovered, and he must have extraordinary strength, so they didn't dare to act rashly, they were all waiting for Iga Kaminin.

Iga Kaminin's face is blue at this time!

Others call him a superior ninja, which means superior ninja, not his name.

In the Japanese ninja registration system, roughly divided into upper ninja, middle ninja and lower ninja.

Shang Ninja is already at the top level among ninjas and is highly respected throughout Japan.

However, he did not expect that the Chinese man in front of him would dare to insult himself and insult a ninja. It was really unforgivable!

So he roared: "Boy! There is an old saying in China, there is a way to heaven, you don't go, and there is no way to hell, you break in! Since you are looking for death, don't blame me for being rude to you!"

Having said that, he immediately swung his ninja sword and shouted to the people around him: "Set up an array! Trapped in the formation and kill him! I will cut off his head with my own hands, and let him atone for the insult to the ninja!"

With a flash, the other six ninjas surrounded Charlie one after another.

Charlie didn't change his face at this time, and said coldly, "Want to cut my head? Not to mention that you only have two hands, even if you have eight hands!"

Iga Shangren said sarcastically: "Boy, it's okay to look down on me, but don't look down on Japanese ninjutsu. I'm a dignified Shangren. If I can't cut your head off, I'm sorry Amaterasu!"

Charlie's expression became more and more gloomy, and he reprimanded in a deep voice, "Japanese Ninjutsu, right? Today, I really want to see and see, what! What a f*ck! Japanese Ninjutsu!"

"court death!"

Iga Kami is angry and rushes!

He roared, and immediately shook the ninja sword with both hands, rushing towards Charlie with a mighty force!

Several other people also released knives one after another, intending to chop Charlie into meat sauce.

Charlie's tactics against Japanese ninjas are really powerless to complain.

Just like a group of mad dogs biting people, the core tactic is to attack in groups.

In their eyes, anyway, the ninja swords were smeared with highly toxic substances, and everyone rushed forward and attacked. As long as a knife pierced one centimeter of the opponent's skin, they would win the battle.

For thousands of years, Japanese ninjas have relied on such tricks to defeat their opponents countless times, which can be said to be a time-tested!

Chapter 1776

This time, they met, it was Charlie!

Charlie's face did not change at this time, and his toes gently rubbed on the ground, and a triangular piece of broken glass ballast on the ground suddenly bounced from the ground at a very fast speed, and went straight to Iga Shangren!

In the blink of an eye, Charlie kicked another piece of glass ballast again, and shot in the same direction!

As Iga Kaminari rushed, he suddenly saw two crystal clear and colorful things in his eyes, like two shooting stars one after another, passing by his vision in an instant!

Before he had time to think about what it was, he suddenly felt a sharp pain in his right wrist holding the ninja sword!

In less than a blink of an eye, the same pain suddenly came from his left wrist!

After a while, he felt that his hands lost strength in a short time, and the ninja sword in his hand immediately took off and fell to the ground.

At the same time, two warm red water mists from unknown sources rushed onto his face immediately...

When he smelled the strong bloody smell in the red water mist, he finally realized that his hands had been cut off by the two meteor-like rays of light!

And the two red water mists that spewed out were blood mists spewing out from the wrists of his two hands!

He was shocked! I don't understand why this happened at all!

At this moment, Charlie suddenly rushed forward!

He grabbed Iga Kamininho by the neck and picked up his 200lbs body directly!

At the same time, Charlie has also avoided the encirclement of other people!

This group of mad dog-like ninjas thought that Charlie might choose a direction to break through, but none of them expected that Charlie would choose Iga Shangren's direction to break through!

Didn't this take the initiative to hit the hardest wall? !

However, Charlie chose the hardest one among them!

At this time, Iga Shangren, the whole person was provoked by Charlie pinching the neck with one hand, and the wrists of both hands were still bleeding. Although the arms can still move, they can't move completely below the wrists, so they can't move completely. Lost all attack power!

Charlie pinched his neck, walked straight through the hall from the window, and then slammed his body against the wall with one hand!

At the same time, Charlie still kept the posture of pinching his neck with one hand, making him 30 centimeters above the ground!

At this time, Iga Shangren, with his legs hanging in the air, stuck to the wall, relying on Charlie's hand to get stuck so that he would not slip off the wall.

But the tremendous strength in Charlie's hands made him almost unable to breathe, his legs kicked, his face was dark purple!

Everyone at the scene was frightened!

Especially the few Iga Ninjas, feeling that the whole worldview has been subverted! Everyone is horrified, what is the origin of this Chinese? ! He... why is he so strong! Do not! More than strong!

It's like a god! The powerful Iga Shinobu, under his hand, has fallen like a dead dog! What kind of perverted ability is necessary to form such a brutal and thorough crush on Iga Kaminino? !

At this time, Charlie's expression was extremely cold, but the corners of his mouth appeared to be extremely ridiculous, and he sneered word by word: "It turns out! This is what the f*ck is called! Japanese Ninjutsu! How pathetic!"

Chapter 1777

Charlie's words made everyone more frightened immediately!

They realized at this time that Charlie had just kicked two pieces of broken glass ballast with his toes just now, and he had directly and accurately cut off Iga Kamininho's two hand muscles!

It is not difficult to kick the glass ballast.

It's not difficult to hurt people with kicked glass ballast.

But the difficulty is that it is impossible to accurately cut off a person's two hand muscles with a kicked glass ball!

What's more, instead of standing there and letting the opponent attack, Iga Shangren rushed all the way to the opponent, and would be cut off from his hands while moving at a high speed. This head is incredible!

Moreover, Charlie can completely subdue Iga Shinobu with just one hand, and this ability is also incredible!

What kind of crazy strength is it that can reach this point? !

Zara also looked silly!

At this moment, Charlie nailed Iga Shinnin to the wall with one hand, it was like a god in her eyes!

At this time, Iga Shangren was still struggling, trying to break away from Charlie's control, but the tiger's mouth on Charlie's right hand was like steel bars, leaving only a little space for him to breathe.

Iga Kaminino struggled and asked with a slight voice, "You...who are you?!"

"Me?" Charlie smiled: "I am your Chinese father."

Iga Kamino's expression was extremely ugly, as were other people's expressions.

However, at this moment, no one dared to attack Charlie.

Because they knew that with Charlie's strength, Iga Shangren's neck could be chopped off easily.

At this time, Iga Kaminari gritted his teeth and asked: "I have no grievances with you, what do you want?"

Charlie smiled slightly: "I want your life!"

After finishing speaking, he looked at the dumb ninjas and sneered: "Oh yes, I also want your life too."

Everyone took a step back, holding knives in both hands, but their expressions were full of horror.

At this time, Iga Kaminobu shouted: "Hurry up and tie that woman! Come on!"

As soon as the voice fell, a ninja rushed up, put the ninja knife on Zara's neck, and said nervously: "Let him go! Otherwise, I will kill her!"

Charlie gave a hum, and said lightly: "If you want to kill, feel free to kill. I don't know her either."

Iga Kaminobu said hoarsely: "You don't bluff me here! Didn't you come to save her?!"

Charlie said calmly: "Of course not! I came to Kyoto today to visit my old friend, that is, Miss Nanako of the Ito family. As a result, your people are so dying to go to the Ito family to inquire. Just come here."

As soon as Charlie said these words, Iga Kaminobu was ashamed!

He really thought that Charlie was a member of the Banks Family, or a master hired by the Banks Family, who came to rescue Zara and Fitz. Then he could use the lives of their brothers and sisters as a bargaining chip, perhaps in exchange for one. Way out.

However, I never thought that this person turned out to be for Nanako Ito, so I followed the person I sent to step on it all the way!

Thinking of this, Iga Kaminobu suddenly remembered something, and hurriedly pleaded: "This gentleman, we have no intention of hurting Miss Ito. We just wanted to kill these two people and then blame the Ito family. We didn't even think about it. It's going to be bad for Miss Ito!"

Chapter 1778

Charlie sneered: "According to you, I killed two people casually and buried your home in the snow. Didn't it mean to harm you and your family?"

Iga Kaminobu was stunned. He was very eager to survive, and hurriedly tossed Matsumoto Ryoto: "In fact, we are also commissioned by others. It is Matsumoto Ryoto who really wants to deal with the Ito family. It has nothing to do with us... .."

Charlie asked back: "You are helping the gang to abuse you, and now you still tell me it doesn't matter, are your ninja bones so soft?"

Iga Kamijin suppressed the humiliation in his heart, and said: "I believe in an old saying in your country... It's better to die than to live... Please give me a chance, I am willing to help you After the saddle..."

Charlie shook his head: "After you saddle me, you are not qualified."

After all, he looked around for a week and said lightly: "You are the same, get ready to go on the road!"

As soon as Iga Shinobu heard this, he immediately roared, "Go together, kill him! Kill him! Kill him and have a chance to live, otherwise he will have to wait for death!"

When everyone heard it, their faces were immediately full of awe.

They also knew very well that Charlie was too strong, and if he confronted him head-on, or let him break one by one, everyone would be finished!

The best way is to attack them in groups. In any case, try your best to kill them. As for how many people like them can survive, it all depends on their own good fortune!

As a result, the remaining six ninjas rushed towards Charlie with their swords mad, and everyone's expressions were extremely hideous!

Zara saw so many people attacking Charlie, her heart has been in her throat!

However, she didn't make any sound, let alone remind Charlie to be careful, because she knew that she didn't need to do anything to interfere with Charlie's concentration.

She stared at Charlie with hot eyes, and murmured in her heart: "Today, my life and death depends entirely on this man who does not yet know his name!"

"If he dies, I will definitely die; if he survives, maybe I will let my brother and I live a life..."

"This gentleman, what happened last time was that I was wrong. I have already apologized to you countless times in my heart. This time, I hope you can survive, even if I eventually die, I don't want you to die because of me... .."

When she thought of this, a group of ninjas had already passed through the entire hall and surrounded Charlie tightly.

Charlie didn't change his face. Seeing six knives slashing at him, with a wave of his hand, he directly waved Iga Shangren's body!

Seven people including Iga Shangren didn't expect Charlie to use him as a meat shield!

At this moment, Iga frightened and screamed: "Stop! Stop!"

However, the six men came down fiercely, and they had already reached the stage of raising the sword, how could they be able to get it back!

Iga Kamijin watched as six knives slashed down, and in a short time, they slashed on him one after another!

Iga Kaminori felt severe pain all over his body, gritted his teeth and groaned: "Fool! Waste! Eight quacks!"

As soon as the voice fell, he died suddenly by vomiting blood!

Seeing that Iga Shangren was hacked to death by them, the six people turned pale with fright. At this moment, Charlie suddenly slammed Iga Shangren's corpse, and flew away with the body and the six knives on him. Get out!

The remaining six ninjas did not recover at all. They only felt that the tiger's mouth was shaken, and the ninja sword disappeared!

At this time, the six were shocked, and some of them had completely lost their intent to fight and turned to flee!

At this moment, Charlie sneered: "Since you have already made a move, it's me now!"

Chapter 1779

As soon as Charlie's words fell, people already rushed out!

His physical function and speed are already far comparable to others, so these ninjas are not given a chance at all.

Every time you catch one, you directly hit the opponent's abdomen with a heavy punch, causing the opponent to instantly lose all combat power and escape opportunities.

In the blink of an eye, the six ninjas running away all lay on the ground one by one.

Zara was dumbfounded!

As the eldest granddaughter of the Banks Family, she is also one of the most favored children. She has been in contact with the masters hidden behind the Banks Family since childhood, but in her opinion, Charlie's strength is far above those people!

What she can't understand is that the hidden masters enshrined by the Banks Family are hard to pick in the country. In theory, they have touched the ceiling of martial arts, but why is Charlie so powerful that it is incredible? People?

The appearance of Charlie suddenly raised the ceiling of martial arts in her mind by more than one level!

Seeing a group of ninjas lying on the ground wailing, Zara was shocked and relieved.

She knew that she and her brother were finally saved.

So, she couldn't help but looked at Charlie excitedly, and blurted out: "Benevolence! Thank you so much today! I don't know what you call you? If you are willing to leave your name, I will do your best to report it to you. Great kindness!"

At this time, Charlie finally turned his head and looked at Zara.

Zara is very beautiful. Even with her tortured hands tied behind her back, her short hair is messily attached to her face, but she still can't hide her perfect facial features and beauty.

However, Charlie didn't like this woman very much.

First of all, he doesn't like the character of this woman.

In his opinion, this woman is self-righteous and arrogant, even if she can't see these characteristics at all, but combined with the impression of the first meeting, Charlie believes that he is right.

Secondly, he didn't like the woman's looks either.

Zara is really beautiful to be beautiful, but is also really cold and arrogant, even with a bit of aggressive heroism.

In fact, in one sentence, this woman is a bit too pretending.

As a master of pretending, Charlie doesn't like people who like to pretend to be like him.

As the saying goes, there is no room for two tigers in one mountain, and the two auras repel each other, even if the tiger is a female.

So Charlie said calmly: "Whoever I am, don't bother you. I also don't want to know who you are. I am here today not to save you, but to kill them. As for saving you, But it's just a matter of convenience, so you don't have to thank me."

Zara has never been underestimated in her life, but she has encountered Charlie twice.

However, at this moment, she doesn't have the slightest temper. She can only nod respectfully and sincerely said: "Anyway, thank you very much!"

Charlie didn't speak, walked to her and untied the rope on her body.

After that, he pulled off his brother's headgear, and pulled off the towel that Fitz had stuck in his mouth.

Fitz has not been able to speak, nor has he seen everything that happened in this room, but when he heard Charlie's voice, he had already guessed that it was him. Seeing Charlie at this moment, the first sentence was: "This Brother, your great kindness, our brother and sister will never forget!"

Charlie untied the rope on his body and said blankly: "Okay, don't talk so much nonsense, I will set fire to burn this place later, you two quickly run away."

Chapter 1780

Zara hurriedly asked, "My dear man! I wonder if you can lend me your phone. I want to call home. They have lost my phone..."

Zara said that he wanted to make a phone call at home, but actually wanted to take this opportunity to get Charlie's phone number.

Now is the information age. As long as he can get the other party's mobile phone number, Zara can get all the other party's identity information.

In this case, after returning home, she will be able to find this benefactor.

Even if Charlie saw through the other party's tricks, he sneered and said: "I'm sorry, the mobile phone is a personal item, so I can't borrow it."

After speaking, he reached out and took out a mobile phone from a ninja, and threw it to Zara: "Hey, use this, call your family, tell them the location, and let them send someone to pick you up as soon as possible. "

Zara was stunned to pick up the phone. The phone hit her lap. She was extremely disappointed, but she couldn't show it, so she picked it up and said gratefully, "Thank you. Grace!"

Charlie flipped through the ninja again, and found out a very thin personal wallet, which contained five ten thousand yen banknotes in addition to the person's ID.

At the current exchange rate, 10,000 yen can be exchanged for more than 600 Dollar. Although 50,000 yen is not much, it is enough for them to find a place to stay, wait a few hours, and wait for their family to pick them up.

No matter what, the fifty thousand yen is enough for them to take the train back to Tokyo.

So Charlie handed the money to Zara, and said: "You take the money, go with your brother quickly."

Zara hesitated in his heart. She really didn't want to leave like this. Because she didn't know Charlie's identity yet, for fear that she would never see Charlie again.

At this moment, she wanted to tell Charlie her identity so that he would come to herself if he encountered any difficulties after returning home.

However, when the words came to her lips, she swallowed it back.

This is because she knew in her heart that an unruly top expert like Charlie would never put her identity in her eyes. If she told him that she was the granddaughter of Banks, it would be counterproductive.

He might think that he deliberately used his identity to put pressure on him in front of him, and thus disgusted himself; He may also avoid himself completely in the country from now on because he does not want to have any intersection with him.

In that case, revealing the identity now would be self-defeating.

So, she had to stand up, bowed deeply to Charlie, and said sincerely: "Benevolence, thank you for your life-saving grace, if there is a chance to meet again in the future, I will definitely repay your kindness today!"

Fitz also bowed aside: "yes, thank you!"

Charlie waved his hand: "Okay, let's go, I have business work later, I have no time to be polite with you here."

Fitz was a little embarrassed, so he nodded his head again and again: "Sorry, I delayed your business..."

Zara looked at Charlie, bit her lower lip, trying to say something, but finally gave up.

When she and Fitz came to the wooden stairs on the second floor side by side, she suddenly turned around, hugged Charlie, and said with great reluctance and piousness: "Savior, if there is a destiny in the future, we will see you again. !"

Charlie didn't lift his head, and said coldly, "I won't see you again."

Chapter 1781

Zara was hurt by Charlie's attitude again.

She looked at Charlie's profile, bit her lower lip vigorously, did not speak any more, turned and left the courtyard with her brother.

The siblings staggered out, and Fitz asked in a low voice, "Zara, those ninjas were defeated by the young man just now?"

Zara said solemnly: "It's not that young man, it's Grace."

Fitz nodded in a hurry: "Well, it's Grace, so are those ninjas defeated by his bare hands?"

"Hmm." Zara said seriously: "I have never seen such a strong person...this is the first time..."

Fitz smacked his lips and said, "It would be great if he could be included in the Banks Family and used by my Banks Family."

"Impossible." Zara shook his head: "He has an arrogant personality and will definitely not be used by others, and he may be the top master of the hidden Sect. He may not put the Banks Family in his eyes."

Fitz said angrily: "It's also...hey...thanks to your benefactor, otherwise the two of us will have to die in Kyoto..."

After he finished speaking, he was busy and said again: "By the way, Zara, hurry up and call my dad! This time we were kidnapped, the family must have sent a lot of masters over, it is very likely that dad is here too! I have to let him know about us. In Kyoto, he also asked him to quickly chop off Matsumoto's bastard! I really didn't expect it to be this bastard who has been doing bad things behind his back!"

Zara nodded and took out his cell phone too busy.

At this time, a burst of fire suddenly appeared behind him, turning the originally dark night into red!

Zara hurriedly turned around, and saw that the two-story small building where he had almost died just now was ignited in an instant!

The wooden buildings burned, and there was a crackling sound of wood cracking, a bit like the sound of firecrackers. With this heavy snow, it also had a taste of Chinese New Year.

Fitz touched his chin and asked Zara: "Zara, did you say those ninjas died?"

Zara asked back: "Is it possible to survive such a big fire?"

Fitz waved his hand: "I didn't mean that, I mean, did my benefactor kill them first and then set the fire, or did he just put them all in a pot?"

Zara felt a bit of cold air coming out of his back, and immediately shook his head: "This kind of thing...I can't say it..."

After that, Charlie's figure appeared in her mind again, and she couldn't help muttering: "Benevolence, he... is not a mortal... I really want to know what his identity is."

Fitz smiled and said: "If you want to know, let the family check it out. In the country, who else has a clue that we can't find?"

Zara shook his head: "Benevolence obviously doesn't want us to know his identity. If we deliberately investigate, what if we anger him?"

Fitz smacked his lips: "Oh, that's what I said..."

After all, Fitz thought of Charlie's previous conversation with Iga Shangren and said, "By the way, when I was covered with my head just now, I heard Him tell the Iga family that he seems to be the Ito family. Missy's friend?"

"Oh yes!" Zara nodded and blurted out: "The reason why he came here is for Ito's daughter."

Fitz said: "It seems to be called Nanako Ito?"

"Yes." Zara blurted out: "It's Nanako Ito, a very beautiful girl, and she's also a martial artist."

Fitz said in some gossip: "Hey, Zara, do you think He is Nanako Ito's boyfriend? Maybe he can even become Ito's future son-in-law. Let's cooperate more with Ito in the future. , More contact, maybe there is still a chance to see him."

Zara heard this and suddenly became very uncomfortable.

She was extremely disappointed and asked herself: "Is he really Nanako Ito's boyfriend? That man is a Chinese, why should he be with a Japanese woman? Shouldn't you fall in love, get married, or have children with a Chinese woman? ?"

Thinking of this, Zara sighed faintly, and said: "Let me call Dad first..."

"Okay." Fitz nodded, bent over and grabbed a handful of snow from the ground, and smeared it on his face, sighing with emotion: "Oh, the feeling of the rest of my life is really good..."

.....

Chapter 1782

Tokyo at this moment.

The chaos remains.

The Tokyo Metropolitan Police Department has been driven mad.

First, the Banks Family's brothers and sisters were kidnapped and a dozen people were killed. Then the Takahashi family found several human popsicles. Then, Takahashi's son was burned alive in the car!

These few things, if you take out one of them, can be regarded as an annual criminal case.

However, in a very short period of time, one after another broke out in Tokyo!

Moreover, almost all the top big families are involved.

This is simply stepping the Tokyo Metropolitan Police Department's face on the ground, and then repeatedly beating with a belt desperately!

Even worse, the Tokyo Metropolitan Police Department has not found any useful clues.

A bunch of waste wood was almost digging three feet into Tokyo, and they still couldn't find a clue to the Banks brothers and sisters. They didn't even know who did it, let alone where they were.

Therefore, the entire Tokyo Metropolitan Police Department collectively caught blind.

Zayne was about to lose patience.

The life and death of his son and daughter are still unknown, and his whereabouts are unknown, and he has to wait endlessly for the trash of the Tokyo Metropolitan Police Department. For him, it is simply the greatest suffering in his life!

Just when he was planning to contact the Japanese Ministry of Foreign Affairs directly to raise the matter to a major diplomatic incident, he suddenly received a call from a local Japanese mobile phone number.

After he connected suspiciously, he immediately heard Zara's voice: "Dad, it's me! Zara!"

Hearing his daughter's voice, Zayne's heart almost jumped out. He blurted out with excitement, "I know..."

At this time, Zara on the phone hurriedly interrupted him and said: "Dad, are there anyone else around you? If there are, don't let others know that I am calling!"

The human-like Zayne looked around. In addition to his own people, there are a few pig heads from the Tokyo Metropolitan Police Department and even a few cabinet members, so he hurriedly changed his words: "Do you know me? Very busy now?! Hang up if there is nothing important, just say if there is something important!"

Zara said: "Dad, my brother and I are safe now. We have been rescued, but we are not in Tokyo, but in Kyoto."

While Zayne breathed a sigh of relief, he couldn't help but frown and look at the trash in the Tokyo Metropolitan Police Department.

At this time, he hated these idiots in his heart.

"These dumb donkeys! They vowed to tell me that the other party is very likely to hide in Tokyo, and it is unlikely that they will go out of the city!"

"Furthermore, they also said that they blocked Tokyo's external traffic in time and set a strict check on all those who left the city, so the son and daughter are definitely in Tokyo. It just takes time to find them out!"

"The results of it?"

"People are in Kyoto, hundreds of kilometers away!"

"These idiots really want to take a knife and engrave the word idiot on their faces!"

However, Zayne also knew that now is not the time to be angry, so he asked, "What do you need me to do?"

Zara said: "Dad, don't tell the people in the Tokyo Metropolitan Police Department. I doubt their abilities, and they are likely to leak information, so I want you to send our own people to Kyoto. Pick me and brother."

Zayne said immediately: "Okay!"

Zara said: "Also, Dad! The kidnapper was Ryoto Matsumoto in Tokyo! He wanted to kill us and then blame Yuhiko Ito, so he brought us to Kyoto!"

"What?!" Zayne's tone suddenly became extremely gloomy: "It's him?!"

Chapter 1783

Zayne had highly suspected that the man behind the kidnapping of his children should be Yuhiko Ito.

However, the Tokyo Metropolitan Police Department secretly monitored Yuhiko Ito, dug deep for so long, and found no clues.

At first, Zayne thought that the Tokyo Metropolitan Police Department deliberately protected Yuhiko Ito, but now I know that Yuhiko Ito really has nothing to do with this matter.

Not only is it okay, but it's almost being blamed!

What Zayne did not expect was that the master behind the whole incident turned out to be Mr. Matsumoto!

I didn't even include him in the category of suspects!

It seems that this beloved Matsumoto is really sinister!

He was able to provoke so many incidents secretly, and it made the Ito family and the Takahashi family suspicious of each other, and the Banks Family concentrated their suspects on these two families!

Thinking of this, Zayne could not wait to devour Matsumoto's life!

So he gritted his teeth and said: "I know everything you said, keep the phone open, and I will let the people under you contact you."

Zara hurriedly said, "Okay, my brother and I are waiting in Kyoto."

Zayne hung up the phone, stood up and said to the Tokyo Metropolitan Police Commissioner: "I have something to do, let's go ahead."

The Chief of Metropolitan Police hurriedly asked, "Mr. Banks, where are you going?"

"What does it have to do with you?" Zayne said in an unkind tone: "You still have to find a way to find my son and daughter, otherwise, I will call you the Japanese Ministry of Foreign Affairs!"

The Chief of Metropolitan Police hurried forward and pleaded bitterly: "Mr. Banks, you will give me the last 12 hours. Even if I turn Tokyo over these 12 hours, I will definitely find Fitz and Zara!"

After he finished speaking, he added: "Mr. Banks, even if the Ministry of Foreign Affairs knows about it, they still submit the case to our Tokyo Metropolitan Police Department. After all, the Ministry of Foreign Affairs is not a law enforcement agency, and they have no extra manpower to come. Do this..."

Zayne coldly snorted: "Then you guys hurry up! Don't linger here!"

After that, Zayne turned angrily and walked away.

After leaving the Tokyo Metropolitan Police Department, Zayne's first sentence in the car was to tell his confidant next to him: "Mr. Redd, you will immediately bring twenty people to Kyoto to pick up Fitz and Zara. I'll take a while. Give you a cell phone number, you can contact Zara."

The middle-aged man known as Redd, his full name is Eric Redd, a confidant general who has followed Zayne for many years. Hearing Zayne's instructions, he immediately asked: "Master, have you found the young master and the young lady?"

"Yeah." Zayne nodded: "People are fine, but the black hand behind the scenes is beyond our imagination!"

Redd hurriedly asked: "Master, who is behind the scenes?"

Zayne gritted his teeth and said, "It's Mr. Matsumoto! Damn, dare to calculate on my son and daughter of Zayne, this Mr. Matsumoto has enough life! With a bang, let everyone else know, before dawn, I want Ryoto Matsumoto's item on the head!"

Redd's expression froze, and he immediately said, "Okay master, I'm going to order!"

Zayne rubbed his temples and said, "You let one of our planes fly to Osaka now. After you receive Fitz and Zara in Kyoto, you will directly send them to Osaka and let them return to China by plane. I'll take over the things in Japan!"

"Ok!"

.....

After a few minutes.

Chapter 1784

Nearly a hundred hidden masters of the Banks Family in Tokyo stopped secretly searching for Fitz and Zara. Twenty of them drove straight to Kyoto in the middle of the night, and the remaining nearly 80 people all started to Matsumoto. The mansion of the beloved is assembled.

Matsumoto didn't even know that he was in disaster.

He checked the time and saw that it was already ten o'clock in the night, so he took out his cell phone and called Iga Kaminbu.

According to his plan, let Iga Kaminbu to kill people now, and then hide the body in the Ito family mansion half an hour later.

Then, wait patiently for a few more hours, when the body has almost completely lost its residual temperature, then anonymously report the clue to the Tokyo Metropolitan Police Department.

In this way, Yuhiko Ito will be finished early tomorrow morning.

After Yuhiko Ito was finished, the only enemy in front of him was Shinichi Takahashi.

The current Takahashi Zhenzhi should still be immersed in the pain of bereavement, unable to extricate himself, it can be said that it is the most vulnerable time, he can set an ambush to kill him when he is going to die for Takahashi Eiji.

Matsumoto thought this in his mind, but the phone in his ear kept beeping unhurriedly.

"Why can't Iga Kaminin's phone call?"

Matsumoto frowned involuntarily.

"Didn't you tell him before? You must always keep the phone open, and you can communicate with anything in time. What's wrong?"

Matsumoto's heart suddenly twitched, and he said to himself, "Iga Kamininho, could it be an accident?!"

"But this shouldn't be it! They took the Banks Family siblings all the way to Kyoto, unconsciously, and the Tokyo Metropolitan Police Department has been searching for so long without any clues. How could there be an accident? No sense!"

"If they were discovered while hiding their bodies in the Ito family, and they were killed by the Ito family's ambush, it sounds logical, but the key is that they did not get their own orders and could not kill them in advance. Because of the Banks Family brothers and sisters, this may not be true at all!"

"So, what happened to Kyoto?"

Ryoto Matsumoto, who had always been confident and thought he was strategizing, suddenly fell into a strong self-doubt.

.....

At this moment, it is not just Ryoto Matsumoto who can't make a call, but also Takahashi, who just lost his son.

Machi Takahashi has ordered that the Tenglin family ninja who is ambushing in Kyoto kill Nanako Ito first and take a video of her killing.

Then, he used this video to torture Yuhiko Ito and let Yuhiko Ito die in extreme pain.

However, the ninja of the Tenglin family never gave him any reply.

He called to ask about the progress, but the call was completely unreachable, and after several changes, no one answered.

Seeing that all the calls couldn't get through, Takahashi shoved the phone to the ground and shouted angrily: "It's a hell! It's a hell! The invincible Tenglin Ninja, why is it all f*cking rubbish these days? "

"Before, Teng Lin Zhengzhe and the others disappeared for no reason, and they were finally sent back frozen as popsicles. Now there is no news about this batch of damn, will they be sent back frozen as popsicles too!"

The subordinates hurriedly said: "Mr. Ito the master of the Tenglin family, will he encounter an ambush at Ito's house?"

"Where the hell came the ambush?" Takahashi scolded annoyedly: "The situation over there has long been clear. The Ito family doesn't even have a ninja in Kyoto, just a few housekeepers, servants and ordinary bodyguards. What did these people use to ambush the ninjas of the Tenglin family? And there are still six people!

After speaking, Takahashi couldn't help but muttered, "What happened in Kyoto?!"

Chapter 1785

Neither Matsumoto nor Takahashi could understand what happened in Kyoto.

However, Matsumoto is far more shrewd than Takahashi.

When he couldn't contact Iga Kamininoh, although he couldn't figure out why, he had realized in his subconscious that the matter was probably going to be a big mistake.

Thinking of this, he immediately called the other members of the Iga family and immediately asked them about Iga Kamininoh.

But the people of the Iga family are also ignorant of what happened in Kyoto.

They also couldn't get in touch with Iga Shinobu, and didn't know if he was alive or dead.

At this time, Matsumoto really panicked.

He nervously paced back and forth in the living room at home, his brows were constantly frowning, and even his hand holding the cigar was shaking uncontrollably.

His younger brother Ryosuke Matsumoto saw him very nervously, and hurriedly calmed down: "Brother, don't panic, if you panic, we really don't know how to deal with it next!"

Unlike Takahashi Makichi, Takahashi Machichi's goal is Nanako Ito, which has nothing to do with the Banks Family, so it doesn't matter if his motivation is revealed.

The strength of the two families can basically come between five and five, so he is not afraid of Yuhiko Ito.

However, Matsumoto knew very well in his heart that if his motives were revealed, he would not only face the behemoth Banks Family, but also the Ito family and Takahashi family.

So, he smoked a cigar and said to Ryosuke Matsumoto: "The hand I played almost squeezed all our chips. If I win, the Matsumoto family can become the top in Japan; if I lose, , The Matsumoto family will be ravaged to death by the three big families of Banks Family, Ito family and Takahashi family!"

As he said, he couldn't hide his nervousness and said, "Now, Iga Kaminori can't get in touch, and Fitz and Zara are dead or alive. I don't know if our motives have been revealed. If it is

not revealed, it doesn't matter. , At most, it's planting the plan of Yuhiko Ito, but if it is revealed, then we will basically have no way to survive."

Matsumoto Ryosuke hurriedly asked: "Brother! We don't know if we have been exposed, are we just waiting for the verdict? That would be too passive? Even if we die, we have to find a way to fight back. You must not just give up!"

Matsumoto thought for a moment, gritted his teeth, and said coldly: "Of course we have to resist! Since the first card is still dead or alive, we will bet on the second!"

Ryosuke Matsumoto asked, "Brother, how do you bet on the second one?"

Ryoto Matsumoto said sternly: "I bet that our motives for the Banks Family have not been revealed yet! In this way, we will go all out to kill Machi Takahashi and Yuhiko Ito! Kill them and we will have a chance to become No. 1 in Japan!"

"Ah? Kill them?" Ryosuke Matsumoto asked in amazement, "Isn't it just trying to deal with the Banks Family?"

Ryoto Matsumoto shook his head: "It is a wishful thinking to deal with the Banks Family. With their strength, as long as the target is aimed at us, we have no resistance."

As he said, Matsumoto said again: "However, Maki Takahashi must be at the weakest time now. He died of a few ninjas and lost his son. Now is a good time to kill him! Let the Iga family again Send a few ninjas to kill him! Anyway, Iga Ninjas are already in the same boat with us!"

Ryosuke Matsumoto asked again: "What about Yuhiko Ito? How to kill him? He seems to have no strength loss!"

Ryoto Matsumoto gritted his teeth and said: "Then it can only be outsmart! Go and kidnap a few families of police officers from the Tokyo Metropolitan Police Department, and then force these officers to come home, saying that I will return to the Metropolitan Police Department to assist in the investigation of the Banks Family. As long as he leaves home, we will have a chance to deal with the disappearance!"

Ryosuke Matsumoto continued to ask: "Brother, what if the Banks Family knows about us?"

Ryoto Matsumoto said with a vicious expression: "If they really know that they are all dead, then why don't they pull Machi Takahashi and Yuhiko Ito under the water?"

Chapter 1786

"Okay!" Ryosuke Matsumoto said grimly: "Even if we die, some people will die with us! Anyway, we won't lose!"

.....

At this moment.

After Charlie set the two-story building on fire, he returned to the Ito family residence.

He went from the same road to Nanako Ito's courtyard.

At this time, Nanako Ito was sitting in front of the tea table with her eyes closed, her hands gently twisting a string of Bodhi beads, and she silently recited Buddhist scriptures to pray for Charlie.

Buddhism is not only prevalent in China, it has also been prevalent in Japan for a long time. Since Master Jianzhen traveled east to Japan, Buddhism in Japan has developed rapidly.

Although the Buddhism of the two countries is somewhat surprised, there is almost no essential difference between the believers of the two countries in the matter of chanting and praying.

After reading silently for a long time, the incense in the incense burner had already burned. She felt the fragrance dissipate. When she opened her eyes and wanted to order another plate, she found that Charlie was already sitting opposite her.

Nanako Ito was frightened, covering her mouth and exclaimed: "Charlie, you...when did you come back?"

Charlie smiled slightly: "Just now, five seconds ago."

"Huh?" Nanako Ito said incredulously, "Why didn't I notice any movement?"

Charlie smiled and said, "Because I think you are chanting sutras, so I didn't want to disturb you."

Nanako Ito blushed, and said softly: "Nanako was praying for Charlie just now, and I hope the gods will bless Charlie to return safely..."

Charlie smiled slightly and said, "Thank you!"

Nanako Ito smiled unnaturally and said, "Charlie, you saved my life, so why bother to thank me for this little thing..."

Charlie said earnestly: "I saved you out of my heart, and you prayed for me also out of my heart. The starting point is the same for everyone, so naturally there is no difference in size."

Nanako Ito couldn't help sighing: "Charlie, you are really the only gentleman I have ever seen in my life, you are always considerate of others..."

Charlie smiled and said, "I'm not a gentleman, so don't praise me."

After speaking, Charlie said hurriedly: "By the way, give me your hand and I will check your injury."

Nanako Ito replied shyly: "Charlie, are you trying to signal me?"

"Yes." Charlie nodded and said, "Don't you want to go for a walk in the snow? I will help you heal your injury quickly, and let's go for a walk on the snow in the yard. If you are not satisfied, I'll take you outside!"

"Ah?!" Nanako Ito asked dumbfounded: "Charlie, you mean my injury will be healed soon? Before the snow melts?"

Charlie said seriously: "You don't need to wait for the snow to melt. You can cooperate with me. We can walk in the snow together before it stops."

Chapter 1787

Nanako Ito couldn't believe that Charlie could really heal herself.

But when she thought that the man in front of her who was eager to try to heal her was the one she loved, he was willing to give him a try.

So she shyly handed her right hand to Charlie, and said shyly: "Charlie, then...please!"

Charlie nodded slightly, and stretched out his fingers to gently place her veins.

A trace of reiki traveled through Nanako Ito's veins into her body, and within the blink of an eye, it completely wandered through her body.

After a while, Charlie took the opportunity to see the specific situation of Nanako Ito's injury.

From this look, I discovered that Nanako Ito's injury was indeed serious.

Almost all of her organs have suffered serious internal injuries. Not only that, but the meridians and bones are also damaged. The whole person seems to have become a fragmented porcelain doll. A little carelessness may cause serious secondary injuries. hurt.

Although she has been rescued from life danger after being rescued, her whole body has been in a state of very low safety.

She is currently less than one-fifth of ordinary people.

Someone who fell might be unharmed, stood up and patted the dirt and left. If she fell, she would be life-threatening, and she would have to be sent back to the hospital for rescue.

Charlie could imagine how severe pain Nanako Ito's body would have to endure from such a severe injury, and the pain was continuous, even in her sleep.

Thinking of this, Charlie couldn't help but feel distressed, and said with emotion: "I told you at the time that martial arts is a kind of spirit. There is no need to care too much about winning or losing the game, let alone putting yourself in a dangerous situation in the game. , Why are you betting your life against Aurora?"

Nanako Ito said with some shame: "Charlie, Nanako is not betting on her life, but hopes to go all out without leaving any regrets..."

Having said this, she sighed and smiled bitterly: "It's just that I didn't clearly realize the gap between myself and Aurora. She was really too strong, incredible..."

Charlie shook his head helplessly.

At this time, he also has his own treatment plan.

There are two options for treating Nanako.

The first is to directly use the reiki in her body to repair the damage suffered by her body. Compared with ordinary people, her body is indeed seriously damaged, but for herself, it is not a big problem. Reiki It will be repaired soon;

This method is simple, direct and convenient, with many benefits.

However, this approach has drawbacks.

If I directly repaired her injury with Reiki, how would I explain it to her?

After all, Nanako doesn't have a deep cultivation base, and she can't realize the existence of reiki. In her opinion, she may just touch her hand and heal her in a confused way. This may be too incredible for her. .

And the second way is to swallow the rejuvenating pills.

The efficacy of Rejuvenating Pill is beyond doubt.

Chapter 1788

For ordinary people, this kind of medicine is simply a dream. It can be used by the elderly to prolong life for more than ten or twenty years; young people take it, and the body can be more than many times stronger than ordinary people; the injured take it, even if only one breath is left. , And can definitely strengthen the opponent's body on the basis of restoring the original.

At the beginning, Don Albert was almost completely killed by Donald's men, leaving only the last breath, and he was saved with a rejuvenating pill.

That rejuvenating pill not only saved Don Albert's life, but also made Don Albert a few years younger, and his body was better than before the injury.

This is mainly because the effect of the Pill is too strong. When Don Albert is cured, there is still remaining effect to improve his body.

Although Nanako Ito's injury was also very serious, in Charlie's view, at most half a rejuvenating pill could be cured.

If you take a whole rejuvenating pill, it goes without saying that Nanako Ito's strength will be upgraded by one or two levels at the peak state before!

Therefore, Charlie had a question in his heart.

Should I take half a rejuvenating pill for Nanako Ito, or just give her one and give her a chance.

Charlie is not a stingy person, and the main reason why he is entangled with half or one is because Nanako Ito is a Japanese.

As the saying goes, people who are not of my race must have different hearts.

I dare not say that the other party must be harmful, but at least it is difficult to keep one mind with the people of the race.

And Nanako Ito is a martial arts master, has been participating in various international competitions, and originally planned to participate in the next Olympic Games.

If she allowed her to improve significantly, she would definitely pose a threat to Aurora in the future.

If Nanako Ito represented Japan and defeated Aurora who represented China in the next international competition, wouldn't it be equivalent to handing over the champion that should belong to China to Japan?

Charlie's hesitation was based on this.

It stands to reason that I can take half a rejuvenating pill to Nanako Ito, so that she can fully recover, which is equivalent to giving her a great good fortune.

However, considering that Nanako Ito is obsessed with martial arts and has a pious mentality.

Therefore, in Charlie's own selfish heart, he also wanted to give her another chance so that she could study the martial arts she loves more deeply.

Thinking of this, Charlie looked at Nanako Ito and asked her: "Nanako, if I can cure you, can you promise me a condition?"

Nanako Ito said without hesitation: "Charlie, even if you can't cure me, I will agree to any of your conditions, and I will never hesitate!"

Charlie nodded and said seriously: "I want you to promise me that after I cure you, if you still love martial arts, just concentrate on studying it yourself, but don't participate in any form of international competitions, you can promise?"

"Yes!" Nanako Ito said with a firm gaze: "After the last match was injured, I deeply reflected on the principles Charlie taught me before. Martial arts is a spirit, not a competition, so I myself have lost that match. Kind of passion."

Speaking of this, she looked at Charlie affectionately, and said seriously: "Since I met you, I have known what is the truth that there are people outside the world and the heavens outside the world. A real top expert like you will not participate in the so-called competition, only throw. Only with the desire for competition, victory and defeat, can we have the opportunity to achieve a more sophisticated martial arts training. Therefore, if I really has a chance to recover from the beginning, I will definitely not participate in any competitions!"

Seeing what she said was serious and firm, Charlie felt relieved.

Immediately, he looked at Nanako, smiled slightly, took out a rejuvenation pill from his pocket, handed it to her, and smiled: "Nanako, if you take this pill, it will not only restore you to the original, but also Your body and strength have all improved!"

Chapter 1789

Although the effect of Rejuvenation Pill is very magical, it is very simple and unpretentious on the outside, but it is a black, round pill, and there is nothing special about it.

Nanako Ito looked at this medicine, did not conceal her astonishment, and asked Charlie, "Charlie, can this really cure my injury?"

Charlie nodded and said with a smile: "If Master Wade takes the shot, it will naturally cure all diseases and invalid refunds."

"Master Wade?" Nanako Ito asked in surprise, "Is Master Wade the nickname of Charlie?"

Charlie smiled and said, "It's not a nickname, it's just a respect given by some friends in Aurous Hill."

Nanako Ito chuckled and said happily, "Then I can call Charlie as Master Wade from now on?"

Charlie said casually: "Yes, you can call me whatever you want."

Nanako Ito tilted her head and thought for a while, and said seriously: "Charlie sounds more kind, should I only call Charlie?"

Charlie nodded: "Chinese people don't call each other that way."

Nanako Ito smiled sweetly and said seriously: "I hope I will be the only one calling Charlie in the future!"

"Okay." Charlie also somehow, to Nanako Ito's smile, his resistance seemed to weaken a lot.

Seeing her smile as sweet as maple syrup, Charlie felt a bit of sweetness inexplicably at this moment.

Charlie didn't dare to try to figure out the sweet taste carefully, so he turned the topic away and urged: "Hurry up and take the medicine. Didn't you say you want to go out to see the snow? Don't wait for a while and you haven't taken the medicine yet. "

Nanako Ito smiled and said, "The weather forecast says that the snow will fall until tomorrow."

With that, she picked up the Rejuvenating Pill and looked at Charlie: "Charlie, is this eaten directly?"

"Yes." Charlie said seriously: "After you take it, I will help you guide the absorption of the medicine."

Nanako Ito nodded gently, and put the pill in his mouth without hesitation.

At the moment of entrance, the pill immediately turned into a warm current, poured from the mouth into the stomach, and from the stomach to the whole body.

Nanako Ito could clearly feel that her body was undergoing earth-shaking changes at this time.

She doesn't know how to describe this change. If she was injured before, it was like a porcelain bottle was broken on the ground and the fragments were all over the floor, then now she is like a broken porcelain bottle rewinding and playing all over the floor. The fragments quickly returned to the basket, pieced together into a complete self, who had never suffered any harm, and had never had a cracked self.

It's like going back in time, full of a strong sense of unreality.

At this time, Charlie grabbed Nanako Ito's slender and white jade hands, and a trace of reiki entered to help her guide the absorption of the rejuvenating pills.

Nanako Ito thought that the feeling of turning back in time was extremely magical, but he did not expect that half of the effects of Rejuvenation Pill had not been exerted.

With the help of Charlie, she felt that every cell in her body seemed to be nourished by the medicinal effect. She could feel that her body level had reached the peak level in the past and continued to improve. increase!

A few minutes later, she opened her eyes, ignoring the sweat on her face, looked at Charlie in amazement, and blurted out, "Charlie, what exactly is this magic medicine? How can it be so powerful? effect"

Chapter 1790

Charlie smiled slightly and said, "This medicine is called rejuvenation."

Nanako Ito suddenly remembered something, and suddenly said: "I know! I know! Charlie! Aurora's strength suddenly improved before the quarterfinals. It should be because of this kind of rejuvenation pills?"

Charlie nodded: "Yes, it is indeed the effect of Rejuvenation Pill."

Nanako Ito asked again: "Because of this, Charlie doesn't want me to have a head-on contest with Aurora in the future, so I won't let me continue to participate in international competitions, right?"

Charlie said frankly: "Yes, I am indeed out of this consideration."

Nanako Ito bit her lower lip lightly, and after hesitating for a while, she asked tentatively, "Is Charlie asking this because he likes Aurora?"

Charlie shook his head: "I am more like a brother to my sister Aurora. I don't want you two to meet on the field. It's more because we represent different countries. I don't want to influence it because of me. To the national honor of Chinese athletes, so I hope you will not continue to participate in international competitions."

Nanako Ito suddenly realized that she stood up suddenly, bowed to Charlie ninety degrees, and said seriously: "Charlie, please rest assured, from now on, i will concentrate on studying martial arts and will never participate in any form of martial arts. game!"

After saying this, she came back to her senses, looked at her legs, and said with excitement: "I have never thought before, it feels so good to stand up by myself"

Charlie nodded and smiled: "Don't you want to take a stroll in the snow? Let's go now!"

"Yeah!" Nanako Ito nodded excitedly, walked around the tea table, took Charlie's hand, and said excitedly: "Let's go Charlie!"

Nanako Ito, who had just improved her strength, couldn't see the look of any martial arts master at this time.

At this moment, she is just a simple and happy little girl, holding the hand of her beloved man, running towards her favorite snowy night.

Nanako Ito loves snow, especially at night. In the quiet snow, you can enjoy the snow and the beauty of the night without being disturbed by others.

This is her girlish heart and her girlish feelings.

In the courtyard at this time, a thick layer of snow has fallen.

The trace of Charlie's killing of Tenglin Ninja had been completely gone. The thick snow stepped on it and made a creaking sound, which made people feel as if they were far away from the hustle and bustle of the city.

Nanako Ito held Charlie's hand tightly without letting go, pulling him to walk in the snow, and then raising Charlie's hand high, and then holding his hand in a beautiful circle.

The exquisite skirt of the kimono, as she dexterously turns in the white snow, also sets off the extraordinary posture of Nanako Ito, making her posture a little more enchanting in grace.

Nanako Ito turned around in the snow a few times, and stopped when facing Charlie.

She stared at Charlie with her pair of shiny and pure eyes, and said sincerely with a bit of infatuation: "Charlie, I have waited for this snow for several days. The weather forecast said that this snow was only a few days ago. After the meeting, I was sitting in a wheelchair, parked in the yard, looking up at the sky, waiting for the snow, while thinking of you."

"But that day, I didn't wait for the snow, let alone hope to wait for you."

Speaking of this, a layer of water mist suddenly appeared in her eyes, and she said with a bit of choking in her tenderness: "But I really didn't expect that today, the heavy snow that I have been looking forward to for a long time will be the same as mine. Charlie, the long-awaited, is here together"

"At this moment, it is really the happiest, most satisfying and perfect moment in my life, so perfect that people can't believe it, so perfect as true as false, as dreamlike as fantasy"

Chapter 1791

When Charlie and Nanako Ito walked hand in hand in the quiet snowy night of Kyoto, Tokyo was still undercurrents.

At this time, Maki Takahashi was at home, anxiously waiting for the news of Tenglin Ninja.

The Tenglin family is more anxious than him.

Because so far, the Tenglin family has lost ten ninjas, and almost all the young backbone of the family has been defeated.

Even though ten people are not too many, a family with ten young men is already a very large family.

First of all, these ten young adults have at least one or two generations of elders, mom and dad, aunts and uncles, grandparents, and at least ten people in total.

Secondly, these ten young adults are all males, but it is impossible for all young adults in a family to be males. If the male to female ratio is one to one, then there are at least ten female families.

Once again, at least half of the ten young men are married and have children. They have wives and children.

In this way, a family must have at least fifty or sixty people in order to have ten male young adults.

Now, the prime-age males of the Tenglin family have all been folded in, and the family's combat effectiveness has dropped sharply.

In this case, naturally, there is no ability to separate manpower to protect Takahashi.

Therefore, there is no ninja in Takahashi's home except for some bodyguards.

It was late at night, and Takahashi was still not tired.

On the one hand, he is still grieving for the tragic death of his son Takahashi Eiki; on the other hand, he wants to wait to see if he can still contact the missing Tenglin Ninja.

Although he knew subconsciously that the Tenglin Ninja sent to Kyoto had been murdered 80% of the time, but deep in his heart, he still held a glimmer of hope.

He felt that at least before he saw the corpse, there was still a possibility that things could come back. Maybe after a while, those Tenglin Ninjas would contact him?

Just as Takahashi was pacing back and forth in the living room, waiting anxiously, a very thin blow arrow suddenly shot out from the corner, and one shot hit Takahashi's back neck.

Maki Takahashi, who had just suffered the pain of losing his son, had not had time to figure out how to avenge him, and suddenly he was poisoned and fell to the ground!

The bodyguards discovered that he suddenly fell to the ground, and they gathered around them. After a closer look, they had lost their breath and heartbeat!

When the bodyguards searched for the murderer in amazement, the several Iga ninjas who had sneaked into the Tenglin family had already retreated.

In normal times, the Tenglin family will arrange at least four ninjas to lurk beside him, secretly protect him and prevent him from being assassinated by other ninjas.

But today, there is no ninja beside him.

Without the protection of a ninja, just relying on ordinary bodyguards, in front of the ninja is almost like no one.

Therefore, it is not difficult for the ninja to take the head of Takahashi's head.

Poor Takahashi Machi, just as the white-haired man gave away the black-haired man, he died too!

.....

at the same time.

Just as Yuhiko Ito fell asleep, he heard a knock on the door.

He asked with some annoyance: "It's so late, what else is there? If it's not something important, I'll talk about it tomorrow!"

Hiroshi Tanaka said in a hurry: "Mr. Ito, the police officer from the Metropolitan Police Department is here again, saying that there are still some things that need your cooperation to go to the Metropolitan Police Department for another questioning."

"I have to do some questioning?!" Yuhiko Ito roared angrily: "I have said everything that should be said, and there is nothing left to say!"

Koichi Tanaka explained: "My lord, the other party said that the Banks Family has been putting pressure on them, and it might cause an international diplomatic incident, so I still want to ask you to cooperate."

"International diplomatic incident?!"

Hearing this, Ito yelled angrily: "Damn, it's really annoying!"

Chapter 1792

Although he was very dissatisfied, Yuhiko Ito did not dare to continue at this time.

He is a businessman after all.

He knows very well that if he is really involved in international diplomatic events and affects Japan's international image, then Japanese citizens will definitely regard him as a criminal who smears Japan's image.

In this case, the people will spontaneously boycott the Ito family, which might make the Ito family a target of public criticism.

In this case, it is better to actively cooperate and clear up some of the relationships.

So, Yuhiko Ito got up from the bed angrily, simply put on his clothes and opened the door.

Although Yuhiko Ito was irritable, he could still understand the truth.

Anyway, I'm walking and sitting properly, don't say asking questions again, even if I stay in the Metropolitan Police Department for a few days first?

So, he said to Tanaka Koichi: "You go to arrange the car, we will leave in a while!"

Hiroshi Tanaka nodded immediately and turned around to make arrangements.

A few minutes later, under the escort of several bodyguards and two ninjas, Ito got into his car and prepared to go to the Tokyo Metropolitan Police Department.

At this time, Ryoto Matsumoto had already prepared Iga Ninja and other subordinates. He wanted to repeat the old tricks and found a suitable section of road to kill him on the way to the Metropolitan Police Department by Ito.

Now Takahashi Machi is cold, as long as Yuhiko Ito kills, he will be the strongest in Tokyo and even Japan.

However, Ryoto Matsumoto didn't know that the master of the Banks Family had already surrounded his mansion at this time. The leader in the lead was not anxious to take people in immediately, but began to follow the actual situation of Matsumoto Ryoto's residence. Develop a strategy, hoping to wipe out the entire Matsumoto family.

According to Zayne's temper and disposition, if Ms. Elainetsumoto wants to kill his son and daughter, it is impossible for him to kill Matsumoto alone.

The most hateful, and the most once-and-for-all way is to destroy the Matsumoto family directly!

The Banks Family has never been a soft-hearted family.

From the Anti-Leaf Alliance back then to the current top Chinese family, the Banks Family's style of work has always been cruel!

Ten minutes after Yuhiko Ito left home.

The vehicle is about to enter a two-kilometer-long viaduct.

This viaduct is a closed road.

The bridge deck is 15 meters above the ground with an average height of 15 meters. It is almost as high as a five-story building, and there are only two lanes in a single direction. It is

difficult for vehicles to make a U-turn at once. At least two steering wheels must be turned back and forth before it is possible to turn back. Back.

It would be even more troublesome if a team was blocked directly on it. If the team got into a disorderly rhythm, it is very likely that several cars would block each other, so that there would be nowhere to run.

However, Yuhiko Ito did not realize the danger.

This is mainly because Yuhiko Ito has not suffered any other losses, and has not been targeted, except for Charlie's use of 4.5 billion US dollars.

Although both the Takahashi family and the Matsumoto family wanted to provoke him, they were all resolved by Charlie, who cheated on him because of a coincidence.

It was precisely because he had no trouble that he felt that the reason why Tokyo was so messy was that someone wanted to target the Banks Family and the Takahashi family, and it had nothing to do with him.

Moreover, he is now indirectly a beneficiary.

If the Takahashi family suffers a severe setback, then the Ito family will be the number one in Japan while lying down, and the opportunity for cooperation with the Banks Family will naturally come naturally.

This feeling of lying down made Yuhiko Ito who was sitting in the Rolls Royce proud.

So he picked up a cigar, lit it and put it in his mouth.

Just as Yuhiko Ito was about to take a sip, he suddenly felt a violent tremor of the vehicle. Then, the vehicle was uncontrollable and hit the roadside guardrail!

Iga Ninja's hunt for Yuhiko Ito has begun!

Chapter 1793

Before the vehicle lost control and hit the roadside fence, Ito never thought he would be in danger.

Because, Yuhiko Ito is protected by the entire Koka Ninja.

It can be said that now in the big Japanese family, only his ninja has not suffered any harm or loss of combat.

In addition to him, the young and middle-aged of the Tenglin family were almost wiped out, and the Iga family also lost half of their combat effectiveness.

However, Ito's biggest negligence was that he went out too lightly this time.

He felt that he was going to the Tokyo Metropolitan Police Department for questioning and cooperating with the investigation, and there was a police officer driving ahead and going to the Metropolitan Police Department by himself. There can be no one else thinking about himself on the way to the Metropolitan Police Department. Right?

It is precisely because of this that he did not arrange too many ninjas to protect himself.

However, he never expected that the police car that cleared the road would have been threatened and threatened by Mr. Matsumoto. Mr. Matsumoto laid a net and waited for him to get in.

Yuhiko Ito's motorcade suddenly lost control, mainly because a large number of salings had been planted by Iga Ninja on the road!

The so-called Saling is the most commonly used weapon of Japanese ninjas. It is generally a metal product covered with spikes. No matter how it is scattered on the ground, Saling will reveal several spikes facing in different directions.

In ancient times, when a Japanese ninja was hunted down, he would use Saling behind him. When the opponent catches up, as long as he stepped on it, he would pierce the sole of his foot.

And the current ninja has made a big upgrade to Saling. The current Saling uses extremely sturdy tungsten carbide alloy, which is also the hardest steel material in the world, with hardness equal to diamond.

Therefore, with such a sling, you can easily puncture any rubber tire!

The reason why Yuhiko Ito's team lost control in an instant was because the four tires of each car were stabbed by several salings, so without exception, they all lost control and crashed into the roadside.

At the moment of the collision, the cigar that Yuhiko Ito had just lit fell on his crotch, and his whole body was shaken by the impact.

Fortunately, this old man has good safety habits, even if he is sitting in the rear seat, he also buckles his seat belt.

Otherwise, with the violent impact just now, no matter how good the car is, it will not be possible to offset the inertia on his body.

If one head hits the back of the front seat, 80% of him will lose his life.

At this time, several of Ito's bodyguards and two ninjas had gotten out of the two cars, and surrounded Ito's cars.

At this moment, six Iga ninjas suddenly leaped into the sky from the opposite lane, each of them gripping the ninja sword in both hands and killing them with all their faces!

Hiroshi Tanaka, who was in the co-pilot, turned pale, turned his head and said to Yuhiko Ito: "Guild Master! How come there are ninjas? Could it be sent by Takahashi?!"

Yuhiko Ito was about to speak, and suddenly he yelled, and looked down, the cigar had burned through his pants and burned a scar on the inner thigh.

He hurriedly picked up the cigar, threw it aside, and blurted out: "Where is the police car leading the way?"

The driver said at this time: "My Mr. Ito, the police car has already driven away..."

"Did off?!" Yuhiko Ito cursed dumbfounded: "We were ambushed, and they drove away?! Is this a f*cking human?!"

Hiroshi Tanaka suddenly realized it, and he blurted out: "Guild, are the police officers deliberately lure you out?"

Yuhiko Ito roared: "Asshole! There is such a beast, who is deliberately calculating me!"

Chapter 1794

After he finished speaking, he hurriedly said to Tanaka Koichi: "Call the police! Let the Tokyo Metropolitan Police Department send a helicopter to you! The bodyguards and ninjas outside, I'm afraid it won't last long!"

Hiroshi Tanaka saw that the six ninjas had already rushed up, quickly took out his mobile phone and called the Metropolitan Police Department to report to the police.

Although Tokyo is very uneasy these days, and the Tokyo Metropolitan Police Department's handling efficiency and crime-solving capabilities are also messed up, but the hardware configuration of the Tokyo Metropolitan Police Department is still very powerful. It is equipped with 14 police helicopters of all kinds. Once there is an emergency, the special operations team can be sent there quickly.

Koichi Tanaka directly called the head of the Tokyo Metropolitan Police Department. After all, Yuhiko Ito is one of the top entrepreneurs in Tokyo, and the Metropolitan Police Department has to be a bit thin, and he can directly communicate with the chief in charge of everything.

At this moment, the director of the Tokyo Warning Service just learned that Takahashi was assassinated at home, and he was on the verge of collapse.

Fitz and Zara were not found;

The four human popsicles of the Tenglin family did not detect the murderer;

Takahashi Machi's son, Takahashi Eiji was burned to death in the car, and no murderer was found;

As a result, Maki Takahashi quickly got cold...

This series of serious criminal cases has cast a thick fog of magic and crime across Tokyo.

However, at this moment, Tanaka Hiroichi suddenly told him that Yuhiko Ito had also been ambushed and was in danger at this time. When he heard this, he felt a burst of blood on his head, and his legs collapsed directly in the office when he heard this. .

Several subordinates hurriedly stepped forward to help. He was extremely weak but full of anger and said: "Quick! Quickly send helicopters and special operations teams to the Yotsuya Viaduct to rescue Yuhiko Ito. Today Tokyo says nothing can be dead anymore!!! "

It stands to reason that a fully-armed modern special operations team has no gap with special forces in terms of equipment or combat effectiveness.

This kind of special police, single-handedly against a ninja, may not have any advantage in front of the ninja's weird body techniques and hidden weapons.

However, after dozens of individuals have formed firepower, formation, and complementary advantages, the ninja's advantage will disappear.

However, the biggest problem now is that the near thirst cannot be quenched by far!

It takes at least five minutes for the special operations team to assemble, several minutes for boarding the helicopter, and several minutes for the plane to take off and arrive quickly. Together, it takes at least ten minutes.

However, how can Yuhiko Ito's men last for more than ten minutes? !

The two sides fought for several rounds outside the car, and Yuhiko Ito's bodyguards were all brought down to the ground!

Although the remaining two ninjas have been struggling to resist, they have been forced to retreat steadily, and they have suffered multiple injuries!

Looking at this form, it is estimated that in another minute, they will basically be unable to resist it!

At that time, the opponent will directly take the head of Yuhiko Ito!

Koichi Tanaka, who was in the co-pilot, hurriedly said to Yuhiko Ito: "Mr. Ito, let's run away! If you don't run away, there will be no chance!"

"escape?!"

Yuhiko Ito trembled and said desperately in horror: "Where can we escape under this situation? Even if we escape, we will be caught by the other party. There is no way to survive!"

After all, Yuhiko Ito's expression dimmed, and he murmured: "Tanaka, you and I must be killed here today..."

Chapter 1795

At this time, Yuhiko Ito had already decided that he was bound to die.

The rescuer will not be able to make it for a while, his own people can no longer survive, and the other ninja may be killed by the sword at any time.

The remaining driver and Koichi Tanaka have no actual combat effectiveness. Like him, they will be cut and killed by the opponent.

At this moment, he really wanted to call his daughter who is far away in Kyoto. Kyoto is a few hundred kilometers away, and her daughter must not know that she is in deep trouble. Call her quickly, and maybe hear her before she died. Voice, this is also a bit of comfort before death.

However, just as he took out his cell phone and was about to call Nanako Ito, Hiroshi Tanaka blurted out: "Mr. Ito! It's really too late if we don't run!"

Yuhiko Ito sighed: "I already told you just now, we have already pierced our wings and we have nowhere to escape..."

Having said that, he gritted his teeth and cursed: "It must be the beast Takahashi really knows! Scum! Asshole! He used such insidious means to deal with me!"

Hiroshi Tanaka quickly pointed out the window and blurted out: "Mr. Ito, don't scold Takahashi for now. If we run to both ends of the viaduct, we will definitely die! But, we can still jump from here!"

After that, he pointed to the guardrail outside the car and said excitedly: "Mr. Ito., when we push the car door, it will be the guardrail. If we turn over, we can jump off!"

Yuhiko Ito paled in fright, and blurted out: "Are you crazy?! This viaduct is more than ten meters high. Didn't you just fall to death if you jumped down?"

Hiroshi Tanaka said solemnly: "I will grow up, this height may not necessarily die. As long as you don't let your body face down, or face and abdomen face down, you still have a chance to jump down, but if you don't jump, you will have no chance. Nothing!"

Yuhiko Ito swallowed his saliva: "Jump down, immortal and crippled, it is impossible to escape their pursuit!"

Hiroshi Tanaka said seriously: "This place is so high, those ninjas must not dare to jump around! Even if they are stronger, their bodies are long, and we will be disabled if we jump. They are the same. If they don't dare to jump, Then you have to drive down the viaduct. The two ends of the viaduct are still far away. When they get around, the special operations team of the Metropolitan Police Department should be there!"

After speaking, he added: "Also, the viaduct we are walking on has no traffic at night, but the road below is relatively close to Fengyue Street. It is always lively at night, so there must be a lot of private cars and taxis going back and forth. !"

"Moreover, there are young people who enjoy nightlife, drunken people and homeless people!"

"Once they find that we are falling, they will definitely come around to watch the excitement or help!"

"Even if this group of ninjas really dared to jump down, they might not dare to kill us in front of so many people. As long as it can be dragged for a few minutes, the helicopter from the Metropolitan Police Department will probably arrive!"

Yuhiko Ito blurted out and asked, "What if you fall directly to death?!"

Hiroshi Tanaka gritted his teeth: "The Mr. Ito! Even if we fall to death, it is better than being killed by a ninja! The ghost knows how Takahashi wants us to die? What if Takahashi tells them to behead us?! "

Yuhiko Ito felt a chill in the back of his neck!

"Beheaded?!"

"That's too damn bad, right?!"

"I would rather jump from here and fall to death by yourself than be chopped off by the ninja with a knife!"

Thinking of this, he shook his heart: "Okay! Then jump!"

After speaking, he remembered Takahashi's true knowledge, gritted his teeth and said angrily: "Damn it, Takahashi forced me to jump high! This thing is really f*cking ironic! Today's hatred, I remembered Yuhiko Ito If I can survive, I will smash the head of that bastard that Takahashi really knows! I'll break him into pieces!"

Chapter 1796

Hiroshi Tanaka sighed, turned his head and said to the driver, "Brother Yamamoto, let's jump together later!"

The driver wiped a cold sweat, nodded and said, "Okay! I'll be with you two!"

At this time, Yuhiko Ito's two personal ninjas have already fought to the dying state!

Seeing that the two might be hacked to death by the other at any time, Tanaka Hiroshi hurriedly shouted: "Mr. Ito, Brother Yamamoto! It's now!"

Yuhiko Ito quickly pushed open the door on one side with him. At this time, the driver also opened the door of the cab, ready to get off.

However, the driver's side was right in front of the Iga Ninja. One of the ninjas saw that the driver was about to get out of the car, so he rushed over and pierced the driver's heart with a flying knife!

After the sharp ninja knife pierced the driver's body, the blade even pierced the hard door of the Rolls Royce.

The driver died almost instantly!

Ito saw the driver being killed across the car. He trembled unconsciously, and his legs became soft.

Although he is also a man who has experienced many battles in the market, it is the first time he has experienced this kind of disaster, and it is inevitable that he is nervous and afraid in his heart.

In addition, the older he is, the less courage he is, so Yuhiko Ito squatted on the ground in fright, unable to climb the one-meter-high guardrail at all.

At this time, the ninja who had just killed the driver suddenly discovered that Yuhiko Ito and Tanaka Hiroshi both had escaped from the car, as if they were about to jump off the bridge, and suddenly shouted: "Quick! Yuhiko Ito is going to escape!"

Having said that, he drew the ninja sword out forcefully, and stepped up to the roof of the car to kill Yuhiko Ito.

Seeing that Yuhiko Ito wanted to escape, the other ninjas immediately went mad and killed Yuhiko Ito's two lingering ninjas, and then swarmed up!

The more so, the weaker Ito's legs became uncontrollable, and even his efforts to stand up had no effect.

At this moment, Koichi Tanaka, who was about to climb over the guardrail, rushed desperately to push Yuhiko Ito's body, and shouted: "Mr. Ito! You must support me with your hands! We must jump down, or we will die. what!!!"

Yuhiko Ito was instantly empowered by Daigo, and he knew that this was really the line between life and death!

So, he pulled his body up with both hands, coupled with the desperate push by Tanaka Hiroshi, he quickly jumped over the guardrail of the viaduct.

At the moment when he almost lost his balance and turned over, he looked at Koichi Tanaka gratefully and reluctantly, and shouted, "Koichi! You must not give up!"

Hiroshi Tanaka nodded, using a little more force in his hand, and pushed Yuhiko Ito down.

Immediately afterwards, he climbed up the guardrail at the fastest speed, watching the short knives of several ninjas that were about to be cut, he jumped, followed Yuhiko Ito, and jumped off the bridge!

One after another, the two jumped off the highway bridge that was more than ten meters high.

At this moment, Ito hoped that a truck full of fluffy goods could appear under him.

It's a pity that there is nothing but the hard pavement below...

Chapter 1797

Before the fall, Yuhiko Ito's mind kept echoing Tanaka's words.

As long as you don't face down, face down, or belly down, you still have a chance to survive.

So, he struggled to adjust his body in mid-air, and landed heavily with his legs straight to the ground!

With a bang, Yuhiko Ito only felt an incomparable sharp pain from both legs, but he didn't care to check the injuries on his legs, and he immediately rolled a few somersaults on the ground to relieve the impact of his falling from the viaduct. .

Immediately afterwards, Koichi Tanaka fell heavily to the ground. Like Yuhiko Ito, he landed on his legs and rolled over for several weeks.

Although their legs hurt to death, both of them saved their lives because of the correct landing posture. At this time, Ito looked at his legs and saw the entire knee, calf, ankle and sole of the foot. All fell beyond recognition!

Koichi Tanaka's situation was just as tragic. His legs were bloody and bloody, broken bones even pierced from the flesh, blood flowed across, and it was horrible!

When the passers-by saw this, they were shocked, and some women had already screamed.

Soon, several enthusiastic people gathered around, and one of them asked, "Two gentlemen, how do you feel? Would you like me to call an ambulance for you now?"

Yuhiko Ito cried bitterly and said, "Help me call the police! Someone on the bridge is chasing us!"

Everyone hurriedly looked up at the bridge. On the side of the guardrail of the over ten-meter viaduct, six ninjas were lined up in a row, looking down under the bridge with a bewildered expression.

One of the ninjas asked dumbfounded: "Boss, this...what about this?"

The boss didn't expect that this big piece of fat had already reached his lips, and it could fly away. He blurted out angrily: "Old fifth and sixth, the two of them can't move now, you two jump down and give him I'll kill!"

When the two heard this, each of them shrank their necks in shock.

One of them said embarrassingly: "Boss, if it is seven or eight meters high, you don't need to say that I have already jumped, but it must be about 15 meters! I jumped, and the result would not be better than them."

"Yeah!" Another said with a bitter expression, "Boss, the landing posture for the two of them is very scientific. If we are not so sure by any chance, we might just fall to death..."

The boss's expression is very ugly.

He knows that if his subordinates don't jump, he must not force him to jump, otherwise, how will this team lead in the future?

Thinking of this, he gritted his teeth and blurted out: "Get in the car! Let's get down and kill the ambulance and the police before they come!"

Everyone hurriedly wanted to turn around and return to the car. At this moment, they heard the roar of helicopters in the sky.

When several people looked up, they were not shocked!

At this moment, there are four police helicopters coming fast from different directions!

One of the ninjas said in horror: "Oh! It's a special operations team!"

Tokyo's special operations team is the most ace special police under the Tokyo Metropolitan Police Department. They have been serving anti-terrorism missions all year round. They have extremely strong combat capabilities. Moreover, they are all American-style equipment and have strong firepower. Ninjas are in front of them, no different from primitive people.

What's more, they came in a helicopter!

If this is hovering over the head, holding a machine gun and shooting, even the most powerful ninja will be beaten into a sieve!

The boss of Iga Ninja immediately stunned, and shouted in a panic: "f*ck! Run away!"

The remaining five ninjas quickly got into the car under his leadership, and everyone fled in two cars.

The special operations team in Tokyo split immediately.

Two of the helicopters hovered directly nearby, allowing the combat team members to quickly reach the ground by cable drop from the helicopters to protect Yuhiko Ito.

Chapter 1798

The other two helicopters directly caught up with the two vehicles in which Iga Ninja was riding.

Since the Iga Ninja was on the viaduct, there was nowhere to hide. He was driving a car and fleeing frantically, and the helicopter was approaching overhead.

Just when they wanted to escape with all their strength, the special forces on the helicopter directly hit the front hoods of the two vehicles with armor-piercing shells.

The penetration ability of armor-piercing projectiles is extremely strong, even military armor is difficult to resist, not to mention the civilian car engine, a few armor-piercing projectiles hit, the vehicle engine is instantly damaged.

When the engine is damaged, the vehicle immediately loses power, and the vehicle speed becomes slower and slower until it finally stops.

The six ninjas in the car were frightened. They were about to push the door and get out of the car, holding their heads and scurrying. They found that the helicopter had hovered two or three meters above the bridge deck one after another, and then a large number of special forces quickly descended. Down, the dark muzzle had been aimed at their heads.

Twenty special forces, directly let the six ninjas surrender, and did not dare to resist at all!

And at this time, Yuhiko Ito and Tanaka Koichi were also sent to the ambulance and drove to the hospital quickly.

.....

Matsumoto is at home at this time, feeling the feeling of strategizing.

The gambler's mentality is extremely heavy, and he already has that kind of immersion.

It's just that this gambling game is really too big, and he was a little nervous while excited, for fear that there would be accidents in the process of trading.

Now that Takahashi Machi is cold, Yuhiko Ito will be cold soon, and when he is cold, he will be the top one!

Nervous and excited, holding a glass of whiskey, thinking about the time in his heart, guessing that Yuhiko Ito was almost worthy of death, so he immediately took out his mobile phone and called Iga Ninja who was responsible for assassinating Yuhiko Ito.

As a result, the strange communication black hole appeared again.

The call that could be made ten minutes ago is not made.

Everything is the same as Iga Kaminin who is guarding the Banks brother and sister in Kyoto. If he is missing, he will disappear, and there is no trace.

Just when he was at a loss, the assistant walked up anxiously and said to him: "Guild Master, there was an accident with Iga Ninja!"

"What's the accident?!"

"Six Iga ninjas were all arrested. Yuhiko Ito and Tanaka Koichi fell from the viaduct. They have now been sent to the hospital. It is said that there is no life threatening!"

"What?!" Matsumoto gritted his teeth and cursed: "Let Ito Yuuhiko escape?! The ninjas of the Iga family are too trash!"

The assistant nodded and said seriously: "At present, it is indeed like this..."

Ryoto Matsumoto angrily threw the whiskey glass in his hand to the ground, and the glass slammed heavily on the marble floor tiles, and it broke instantly.

At this moment, a cold woman's voice suddenly came from the living room: "Mr. Matsumoto's temper is really big enough!"

Ryoto Matsumoto and his assistant were startled by the strange voice. The two followed their reputations and saw a woman in her twenties stepping in.

Ryoto Matsumoto was shocked, and blurted out and asked, "You...Who are you?! How did you get in?!"

The woman sneered: "Of course I walked in."

Matsumoto took a step back and asked nervously, "What are you going to do?!"

The woman looked at Mrs. Matsumoto with interest, and then said coldly after a while: "You tied up my young master and young lady of the Banks Family, and assassinated more than ten people of my Banks Family. What do you say I want to do? Of course it is. Take your life!"

Chapter 1799

Ryoto Matsumoto never dreamed that the Banks Family would find him!

Just when the woman said the whole thing, he trembled all over, and blurted out, "I have so many guards in my house, how could you let you in!"

Matsumoto's house has always been heavily guarded.

The stronger the heart of harm, the stronger the heart of defense.

In order not to be conspired by others, he arranged twenty bodyguards at home, among them there are ninjas from small families, and his defenses can be regarded as very strong.

So, he couldn't understand how this woman got in, why didn't he hear any movement? !

The woman smiled indifferently: "It doesn't matter how many guards there are, just kill them all? Besides, there are not many people, including your family, there are 36 people in total. Now they are all dead, leaving you two."

After that, the woman said again: "You killed more than a dozen of our Banks Family, we naturally want to ask for more interest."

Ryoto Matsumoto looks terrified!

He paled in fright, trembling all over, and blurted out, "You...you killed my whole family?!"

"Yes." The woman nodded: "But you can rest assured that our Banks Family is still very civilized. Your parents, wife and children, brother and sister-in-law are all poisoned and died, and there is no blood."

Matsumoto's legs weakened, he unconsciously stepped back two steps, fell on the sofa, his whole muscles violently violently, gritted his teeth and asked: "As the saying goes, it's no good for your wife and children. If you have any hatred, you can just attack me. ! Why do you want to start with my family!"

The woman smiled and asked, "What? Mr. Matsumoto has started talking about the justice of the world? Then when you killed more than a dozen people in my Banks Family and intended to murder my young master and the young lady of the Banks Family, why didn't you talk about the justice of the world? What? When you plan all this, you should think of such consequences."

Matsumoto gritted his teeth and roared: "You are beasts! Devil! No matter how bad my Matsumoto is, I have never killed a child! My son is only ten years old! My daughter is only eight years old!"

The woman smiled, and said coldly: "So what? If you dare to plot against my Banks Family, you must be prepared to bear the greatest price! To blame, you can only blame yourself for being too vicious and not leaving others behind. The way is not to leave a way for oneself."

Matsumoto's heart collapsed completely at this time.

He knows that when he comes out, the most basic quality is to be willing to bet to lose. He has suppressed everything in this game. Since he has lost, he naturally has to lose everything.

At this point, Matsumoto sighed sullenly, and said without love, "If this is the case, I am willing to bet, and you kill me too."

The woman nodded and said coldly: "You are definitely going to die, but we don't want you to die so happy. Before you die, I want to arrange for you to meet your family again."

After that, she clapped her hands and said loudly, "Bring in those dead people!"

As soon as the words fell, dozens of Banks Family masters walked in, carrying corpses one after another. These corpses were all placed neatly next to each other in front of Mr. Matsumoto.

Ryoto Matsumoto saw this scene, and his whole body was distraught.

He really didn't expect that he would end up like this.

And he also knew very well that he was bound to die today.

However, there is still the only glimmer of hope left in him, that hope is the eldest son taken away when his ex-wife divorced.

Ryoto Matsumoto got married for the first time 15 years ago, and his eldest son was born in the third year after marriage.

At that time, the Matsumoto family was still in despair, until Matsumoto met his current wife.

Ryoto Matsumoto's current wife was the daughter of a middle-class family in Tokyo. In order to take advantage of her natal power, Ryoto Matsumoto swept his wife out of the house and then married her.

Chapter 1800

Because the current wife didn't like Matsumoto's eldest son, Matsumoto kicked out his eldest son after marriage and let him follow his ex-wife.

Later, Matsumoto's second married wife gave him a pair of children, so he rarely thinks of his ex-wife and eldest son over the years.

But now, Ryoto Matsumoto thought of their wives, and finally felt a trace of comfort in his heart.

At least, after his death, the Matsumoto family's blood will not be completely cut off tonight.

His eldest son can continue to carry on his blood.

For the current Matsumoto Ryoto, nothing can comfort and rejoice him more than this.

The Banks Family girl in front of her seemed to see through his thoughts.

The woman smiled playfully and said to Matsumoto, "Mr. Matsumoto, I heard that you have a son?"

Matsumoto was taken aback and blurted out, "I didn't! Who did you hear? How could this be possible!"

The woman smiled: "Everyone is an adult, so there is no need to be embarrassed by such a botched lie."

After that, she said coldly: "Your eldest son's name is Matsumoto Taro. Later, after you drove him out of the house, he changed his surname, followed by your ex-wife's surname, Kurosawa, and changed his name to Kurosawa Shota. I'm twelve years old and I live in Yamanashi Prefecture, not far from Tokyo. Am I right?"

Matsumoto listened to her words, his whole body was struck by lightning.

After a while, he was already in tears, and he knelt on the ground with a shuddering puff, and begged bitterly: "I beg you, don't kill my son. I only have this one son. If he died too, The Matsumoto family will be completely extinct. I beg you to leave a bloodline for my Matsumoto family! I'll kowtow to you!"

Having said that, Matsumoto slammed his head against the hard marble floor.

At this time, he was extremely desperate and regretful in his heart, but he also knew that the bodies of his entire family were placed here. He had no way to save them, and he could not even save his life, so his only wish is to let his eldest son live.

Therefore, when he kowtows, he is also extremely pious, hoping to impress the ice-like woman in front of him.

Matsumoto only knocked three heads, and his forehead was already full of blood.

But he didn't dare to stop, and continued to kowtow until his forehead was completely bloody and bloody, and he almost fainted because of the blow to the head.

Ryoto Matsumoto gritted his teeth to support his body, and choked in his mouth: "Please! Please! Please! Please!!! Please promise my only request!!!"

The woman just smiled at this moment and said: "I'm sorry, you said it was too late. Just five minutes ago, Shota Kurosawa had been poisoned and died!"

When Ryoto Matsumoto heard this, he collapsed completely. He raised his head and shouted hysterically: "Why! Why do you want to destroy my Matsumoto family?! Why are you killing me like this?!"

The woman sneered: "This is the price you angered the Banks Family!"

Ryoto Matsumoto burst into tears immediately, and his tears were mixed with blood, making his entire face look particularly tragic.

At this time, he had also completely lost the will to survive, and he muttered: "Kill me, kill me now!"

The woman nodded, took out a sunflower seed carved from white jade from her pocket, and said lightly: "Ryoman Matsumoto, before you die, I hope you remember my name, my name is Xion Banks!"

After that, she shook one hand, and the sunflower seeds made of white jade shot out.

In the next second, a tiny hole of blood appeared on the center of Matsumoto's eyebrows, and the whole person had completely lost all vitality, with a bang, and fell to the ground!
