

Chapter 4411

When Elaine heard this, she was a bit tearless.

But in order to maintain her identity as a noblewoman, she could only break her teeth and swallow them in her stomach.

After all, she felt in her heart: "I can't have a fight with this salesgirl for the arrival time of this more than 70,000. After all, this sales girl is quite good to me and gave me so many discounts... Not to mention that she did not talk about not giving me the money, it is that the process will take time. How can I argue with her just because of this, won't I be blind to do that?"

Thinking of this, she could not help but sigh from the bottom of her heart, "The main thing is that my card is now left with not more than two thousand. This money is enough to spend a few days with it..."

Thinking of this idea, she did not continue to talk about the problem anymore.

Yet on the surface, she pretended to laugh at the girl casually, "It's okay, it's okay! I'll go and redeem a little more pocket money,"

The sales girl nodded and said, "Then don't forget to come to the store for the lottery at around 1:00 or 2:00."

"OK!" Elaine said with a smile, "I will fight for the grand prize by then!"

The sales girl smiled, "I'm sure you'll win!"

Elaine nodded, put away her necklace, and said to Hannah, "Hannah, let's go."

Hannah was so envious that she answered absentmindedly and followed her out of the store.

Once out, Hannah could not help but say, "Sister Elaine... your luck is really too good. Such a good thing for you to catch, there is really none like this... this is a bargain of a full 200,000 ah!"

Elaine is also very happy, so said with a smile, "To tell you the truth, since I started to draw a clear line with the Wilson family, I totally feel that my luck is getting better and better each day,"

Hannah sighed, "When will I be able to draw a line with this family? Especially that dreadful Lady, I am now annoyed to death every time I see her!"

Elaine smilingly said, "Why do you care about her, she doesn't have many years to live anyway."

Hannah nodded, remembered something, and asked her, "Sister, you said you'd buy me a bracelet, why don't we go and have a look now?"

Elaine said with an embarrassed expression, "What can we look at? I only have 2,000 in my card, how can we do that? I don't have money to buy it."

Hannah was depressed and said, "So... Why don't you redeem some of your money now and come back tomorrow to buy it?"

"Redeem more? I'm not sure if I'm going to be able to do this." Elaine didn't pretend to be rich in front of Hannah.

"You understand my situation, The money was all given by Charlie. Before they left, he gave me 500,000, now I have 2000 in my account."

"Huh?" Hannah exclaimed, "Half a million is all spent?"

Elaine shrugged: "Yes, it's all spent, so I'm just waiting for their cashback to arrive."

Hannah had no choice but to nod and say, "Then we can only hope that they will arrive soon..."

After that, she cautiously said, "Then, Sister... when the money arrives, you do not forget what you promised me..."

Elaine nodded and said briskly, "Since I promised you, I will definitely not go back on my word."

"That's good." Hannah breathed a sigh of relief and said to her, "Sister, the harbor city upstairs is full of delicious food. Don't you want to go back to the store to draw a prize this afternoon, so let's go up and find a place to eat lunch?"

Elaine waved her hand and said with a sad face, "Eating here?? two people eating a casual meal will cost more than a thousand. The rest of the money is all I have, I think it will take more than a week to get the redemption."

Chapter 4412

Saying that Elaine continued "Let's go back to Thompson and order from outside and get two ramen to eat and then come to the lottery."

Hannah said, "There is no need to go back, I know a Ramen restaurant near here. And it has a good taste, one person can get it for 15 dollars! Why don't we go there to deal with hunger?"

Elaine said, "You want me to drive a Rolls Royce to eat Ramen? I can't afford to lose my personality!"

Hannah said helplessly, "Then, it's better to go back to Thompson First..."

Then, the two drove back to Thompson First, Elaine ordered a meal. She couldn't wait to put on the new necklace, so she brought a small dressing mirror and kept taking pictures of herself sitting in the dining room, eating a bowl of Ramen.

After eating, she has been thinking about the lottery.

She didn't expect to win any 1.2 million grand prize, as long as she could slightly win something, it was all for nothing to her.

.....

After eating, she and Hannah returned to Harbor City again.

At this time, the store manager of the jewelry store had already received the raffle tickets that Jasmine had sent over.

This batch of raffle tickets were made by the printing house overtime this morning, and they still had a strong smell of ink.

When Elaine walked into the store with Hannah, the salesgirl from the morning rushed to welcome her and said with a smile, "Madam, you are here! Please come to our store manager's office!"

Saying that she deliberately lowered her voice and said to Elaine, "Madam, our lucky draw today is limited to high-end customers like you. Ordinary customers in the store are not entitled to it. So let's keep a low profile and not let them know."

Elaine understood. She just liked the feeling of being different.

So, she immediately winked at Hannah, and the two of them followed the sales to the store manager's office at the back.

The store manager had been waiting here for a long time, and when he saw Elaine come in,

He hurriedly said with a smile: "Hello, madam! I am the manager of this store, you can call me Tyler!"

Elaine nodded and asked curiously, "Manager Tyler, you let me come here to draw a prize, what kind of prize is it?"

The store manager smiled, "Madam, let me tell you, this time, we only target high-end VIP customers. The prizes are worth a minimum of 100,000 and a maximum of 1.2 million, and the winning rate is very high."

"Huh!" Elaine immediately came to life and said, "The lowest prize is worth 100,000? You guys are too generous!"

"Yes." The store manager smiled and said, "This is our group's activity, mainly to give back to the majority of VIP customers."

Elaine asked, "Can you reveal what the prizes are? Especially the first prize is worth 1.2 million, what exactly is it?"

The store manager laughed: "The first prize is our mystery prize, only you can scratch the ticket to know what it is."

He said, somewhat apologetically: "By the way, lady, I have to apologize for one thing, our headquarters sent a notice today, recently because of the financial audit activity, the payment will be slightly slower. For your cashback, you may need to wait for about 20 days or so."

"What?!" When Elaine heard this, her eyes suddenly went black.

Two thousand dollars to let her hold on for a week, she gritted her teeth but can still hold on.

Moreover, she just filled a tank of fuel for her Rolls-Royce yesterday with the highest standard gasoline.

It costs 1,000 dollars to fill it up. If she has to rely on 2000 dollars, she will have to eat chaff dishes.

The store manager said casually at this time: "But I believe that for a top-class like you, this money should not be a

worry, and I heard my employee say that you have already redeemed part of the financial seat pocket money, right?"

Elaine at this time is dumb for having to bear the problem this time, so there is a bitterness that she can't express, so can only helplessly nod and say, "Ah yes... yes..."

The store manager nodded and hurriedly moved a lottery box from under his desk and said to her, "Madam, you'd better draw the lottery first!"

Elaine sighed and rubbed her hands together and said, "Come on, let's try to draw the first prize to see what's good enough to be worth one million two hundred thousand!"

Chapter 4413

With that, Elaine reached out and selected a lottery ticket from inside and took it out.

The store manager hurriedly put the raffle box back, and then said to her, "Madam, you can scratch it off and take a look!"

Elaine nodded, reached out, and used her nails to scratch away the coating of the prize redemption area.

When she saw the two words "First Prize" in front of her eyes, she was overjoyed and shouted, "Oh my God, it's really the first prize! Hahaha! It's the first prize! My goodness! My luck is too good! I'm not dreaming, am I?"

Seeing the two words of the first prize, Elaine's heart still surged up.

Hannah behind her heard what she said, and hurriedly came forward, putting her head down to look hard.

This look does not matter, the words "First Prize" are clearly printed in the prize redemption area.

At this moment, Hannah's heart can't help but die.

"I really can't understand, Elaine this b*tch, why can't I have such a good luck. The moment she reaches out and draws the ticket, it is the first prize, is this even possible? Seeing this stinky b*tch Elaine win a 1.2 million, it's really worse than losing a million myself!"

Elaine was so happy by now that she hurriedly asked the store manager, "What is the prize for the first prize?"

The shopkeeper said, "You go on scratching the prize, it's written below, but you have to scratch it to find out."

Elaine chanted, "It better be a million in gold bars, I'll sell it!"

After saying that, and can not help but mutter: "Or a one million two hundred thousand car is okay, new car resale discount rate is still quite high..."

She babbled while scratching the back of the scratching area.

With a line of words scraped out, she eyed the line of words, the whole person was dumbfounded.

Her mouth popped out word by word: "Congratulations... you won a baystream G six five zero private jet."

Seeing this, her eyes widened and she blurted out, "OMG! It says I won a private jet! Private plane ah! My goodness, I haven't even driven this Rolls Royce much yet, but I am given a private jet!"

The store manager said awkwardly, "Madam, you have to scratch further, there should be another line underneath..."

"There is?" Elaine frowned and continued to scratch down.

Her mouth continued to read, "privileged charter to the United States for a one time flight!"

Speaking of which, Elaine subconsciously read it coherently: "Congratulations on getting a Gulfstream G650 private jet privileged charter to the United States for a one time flight... What does this mean?"

The store manager started to explain, "Wow! Congratulations, lady, you can fly to the United States once for free on a Gulfstream G650 private jet!"

"What the h*ll is this?! This is a bullsh*t prize!" Elaine wanted to cry and blurted out, "Besides, what kind of plane is this? The first time I fly to the United States, it cost 1.2 million? How much can I pay for a ticket?"

The store manager said, "Madam, you must know that business jets are always very expensive, not to mention that the Gulfstream G650 is one of the best business jets on the market today.

Elaine threw the winning ticket in front of him and hurriedly said, "I don't want to go to the United States, why don't you give me a discount. "I don't want more, just give me a discount of one million."

The store manager said seriously, "Madam, this matter is not up to me."

With that, he turned the winning ticket over and pointed to the note on the back, saying, "Look, it's already written here that all prizes are non-cashable and non-transferable."

Elaine was sweating and said, "But why would I go to America? And a 1.2 million charter flight! What a waste to sit alone on such a big plane!"

The store manager said, "Ma'am, this is a free benefit anyway, so if you don't want it, just give it up."

As he said, he remembered something, and said: "Oh yes, I will take the phone to record a video for you. You just have to personally say to the camera, you are giving up this right to redeem the prize, and you are handing it over."

Then he reminded again, "And ah lady, your cashback amount when our finance can pay, I will tell you."

This statement from the store manager undoubtedly reminded her of something very important.

He made her realize that she was out of money!

Chapter 4414

"Right now, I only have a measly two thousand left on hand, so if I want to use this amount of money to live through the majority of the rest of the month. Then I can only scrimp and save, buy vegetables and cook at home every day, or eat cheap take-outs at home... In addition to that, I'm afraid I can't afford to fill up that gas. Even if I just drive my Rolls Royce out for a leisurely drive every day... In contrast, if I go to the United States at this time, I can go to join my daughter and son-in-law ah! I can just follow Charlie, eat tasty food, drink alcohol, but also play a good game! Is that not better than to drink bland soup or to eat the chaff? Moreover, when I arrive in the United States, I can completely excuse myself that I don't have any money on me and not spend a single penny so that I won't reveal the fact that I've spent all my money!"

Thinking of this, her expression instantly turned cloudy and rainy.

She hurriedly asked, "This plane flies to America, is it possible to fly anywhere?"

"Yes!" The store manager seriously said, "As long as it is any civilian airport in the United States, you can specify it, so that you can fly there directly. In fact, this is much more convenient than taking a civil airliner, through the civil aviation to the United States. There are very few direct flights, most of them have to transfer in South Korea, Hong Kong, or other stopover, and there are only a few major cities in the United States you can travel to. If you go to other smaller cities, you have to go to the place to transfer again, so it will take two or three tosses. If you are on a

private jet, you can just eat, sleep and play, and when you have had enough, you can go directly to your destination.”

When Elaine heard this, she said, “Good, good! Great! Then arrange for me to go to that Pro what... Pro what is it... The name of a city in the United States, in a hurry I forgot it.”

The store manager asked tentatively, “Is it Providence?”

Elaine brightened up: “Yes, yes! That’s the place! Is there an airport there?”

The store manager thought about it and said, “I think there is. The civil aviation industry in the United States is more developed, and there seems to be an airport in every city.”

Elaine slapped the table and said, “Good! Let’s go! When can we leave?”

“Anytime.” The store manager said with a smile, “If you have a U.S. Visa, you can leave today. If you don’t, we have a fast track to help you apply, the soonest you can apply tomorrow, and you can leave tomorrow night.”

Without thinking, she said, “Good! Tomorrow then!”

After that, she said with a happy face, “My daughter and son-in-law are there, when the previous talk, they said they are staying in the local best hotel in a presidential suite. That guy really is too grand! I heard that the bedroom is several hundred sq ft, I just go over to find them and have a few days of a good time!”

Hannah on the side was envious and couldn't help but ask, "Sister, the plane is chartered anyway, you are going to sit alone, two people can also sit, why not take me along, let me be a companion with you, besides Claire and Charlie did charter a presidential suite. There are so many rooms, they are just empty, give me a room, you going away alone is quite meaningless. I can also help you look after a bit, and also accompany you to relieve boredom!"

Elaine thought about it, it seems to be the same thing.

If she went to the United States to join Charlie and Claire, then her family status will definitely be the last, And then there will be no one around to kiss her ass all day long.

If she takes Hannah, it is different, she is always respectful in front of her like a nanny. Take her, and she can also yell at her as a servant to make use of her any time. Thinking of this, she immediately said to the store manager, "Can you help my sister to get a visa too so that we can go to the United States together?"

Without thinking, the manager said, "Sorry, ma'am, this is not possible, we only provide single-person flight and visa services."

Elaine said discontentedly, "What's wrong with you guys? If I just took a taxi, on the way to pick up a friend. The driver does not dare to refuse ah."

The store manager laughed: "The driver charges you money, of course, he has to listen to your command. We are talking about a prize here, all interpretation rights belong to our company. So if you want to cash this prize, you must follow

the rules of our company otherwise it can only be regarded as an automatic give up.”

Hearing this, Elaine immediately threw Hannah into the trash can and spoke without hesitation, “OK! Then I will go by myself!”

Chapter 4415

About going to the United States. Although Elaine had already made up her mind,

She didn't know how to speak to Charlie and Claire for a while.

Of course, she didn't dare to directly say that she had spent all her money and now she has no money to live, and she just happened to win a prize to fly to the United States for free so she flew over to join her daughter and son-in-law.

Therefore, she made up her mind to find her daughter Claire first to sell the plan.

However, it was already two o'clock in the morning in the United States at this time. Elaine hesitated for a moment, and decided to wait until the evening on her side and the morning on the American side to make a video call with Claire.

At the same time, Charlie, who was in the United States, after confirming that Claire was asleep,

Put a little reiki into her mind to ensure that she could sleep more steadily,

Then got up and dressed and left the Hotel.

He was going to see the man whose limbs were cut off by him and find out who the other party is.

At the door of the hotel late at night, a low-key black Cadillac has been waiting here for a long time.

Wesley sat in the driver's seat alone, and when Charlie came out. He was about to push the door and get out of the car to open the door for Charlie.

Charlie waved his hand at him, quickened two steps, opened the co-pilot's door, and sat in directly.

As soon as he got in the car, he asked, "How's the situation with that guy?"

Wesley replied respectfully, "Mr. Wade, that person has been safely controlled and there is a person watching him at all times, in order to ensure absolute safety. I have all his teeth pulled out, he has no hands or feet, and it is impossible for him to commit suicide."

"Okay." Charlie nodded with satisfaction, and asked again, "While dealing with the corpses of the attackers, did you find anything?"

"Yes." Wesley said, "We took a look around, and we have a few points to report to you."

Having said that, Wesley paused for a moment and continued: "First of all, their weapons and equipment are very advanced. The cost of individual soldier equipment is several times more expensive than that of the individual soldier equipment of the US special forces. And the bullets they use are all specially made hollow point bullets. When the bullet hits the human body, it will produce a powerful cavity effect. Once a hole is hit, the key point is that it also especially increases the amount of gunpowder in the bullet, raising the power of the bullet to a new level."

It's amazing that an eight-star warrior can carry dozens of bullets with this kind of power. Normal people, even those of the level of the boxing champions like Mike Tyson, would definitely be killed by one shot.

Speaking of which, Wesley continued: "Secondly, although these people were not martial arts people, they seemed to have strengthened their bodies in some way. Not to mention, their physical strength is very strong, and they are definitely very human!"

Charlie was curious. He asked, "How did you find out that their physical strength is very strong?"

"When I faced them, I didn't find any cultivation base or anything special about them."

Wesley said, "With Judging from the amount of gunpowder of their bullets, the recoil of the gun would become very large when fired. The recoil is comparable to that of a large-caliber sniper rifle. In this case, even well-trained special forces must lie on the ground when firing. Or at least use shoulders to firmly press the butt of the gun to counter the recoil. If you stand up and shoot with a gun, it is generally impossible to control the muzzle of the gun, and your arms will be numb with one shot."

"It's even more impossible that they can stand up and quickly empty the entire magazine, which proves that their physical strength was extraordinary. And, my people reported that their flesh and bones are much stronger than ordinary people,"

Chapter 4416

Wesley continued: "Even the Martial arts masters are not too much to give up, because their meridians are not open, so they rely on the strength of their flesh and bones to improve their combat effectiveness."

After speaking, Wesley added: "I suspect that they should have other methods. The quality has been greatly improved, after all, with this intensity of continuous shooting. My three-star fighters are strong enough to be stable and can quickly play the entire clip without changing their face so their strength is at least above the four-star masters."

Charlie couldn't help frowning, and said coldly: "These people are well-armed and well-trained, and they were methodical and well-prepared for martial arts masters. Even if they were not martial arts masters, they must have known martial arts masters very well, know where their shortcomings are, and then formulate targeted tactics."

"Yes!" Wesley said seriously: "No matter what organization they are in, their method of greatly improving the physical fitness of ordinary people is really terrifying. Although there are tens of thousands of mercenaries under us, there are only a few hundred who can really practice martial arts. They are the height of warriors, and these people can use unknown methods to raise ordinary people to this level, if they could cover a large number of people, their strength must not be underestimated!"

Charlie subconsciously frowned, He opened his mouth and said, "I've never heard of this kind of method for ordinary people..."

With that, he asked him, "Have you heard of it?"

"Mr. Wade, none of your subordinates has this".

As he spoke Wesley continued: "I know that there are some Martial Arts people outside who have joined some mercenary groups, but this is the first time I have encountered this. There are no direct clues yet. They collected faces, fingerprints, and DNA, and then they would find a way to compare them in databases around the world. Start with finding the identities of these people. As long as the identities of the members are confirmed, they can dig out more clues. "

"Okay!" Charlie nodded and warned: "These people may be very dangerous, and the real strength of the organization behind them may be above the Dragon Temple. You must pay attention to the identities of these people when you investigate. It's not the time to face the enemy."

Wesley said solemnly, "Okay, Mr. Wade, I understand."

Charlie nodded and said, "Go to Long Island, I want to see that guy."

...

Twenty minutes later.

The black Cadillac drove into the manor on Long Island, New York.

When Charlie stepped into the basement, he saw the leader of today's group of attackers, who was being fixed on a chair at this time. He was extremely sluggish and was dying.

His amputated limbs were wrapped in bandages, and his mouth was full of blood.

Above the severed arm, someone had put an infusion needle on him, and a packet of medicinal liquid was hanging above it, which was being continuously delivered to the body.

Wesley said to Charlie, "Mr. Wade, this guy has been resisting very strongly. I gave him a tranquilizer. Now he should have passed out."

Charlie nodded, stepped forward, and stretched out his hand and tapped lightly on the other person's head.

Immediately afterward, they saw the man's body trembling slightly, and then he slowly raised his head.

The man opened his eyes and saw Charlie in front of him with a panicked expression blurted out, "It's you..."

Charlie sneered: "What? Are you surprised to see me?"

The man thought with a single move, Charlie could cut off his legs and those of his more than 20 subordinates.

He blurted out in horror and asked, "You... Who are you!"

Chapter 4417

Charlie said indifferently: " It's not your turn to ask me questions now."

With that, he stared at him and said sternly, "Listen clearly to every word I'm about to say next. My methods, I believe you have already learned them, so I have not much to say. I will start asking questions from now on, you must know everything and say everything. If you make me feel that you are fooling me, I will make your life worse than death and will not give you a second chance, you understand this?!"

Charlie's words made the man in front of him extremely frightened.

He couldn't help thinking of the bloodbath a few hours ago, when Charlie turned him and his subordinates into cripples by himself.

He had never heard of this kind of terrifying strength.

What's even more terrifying is that he never saw Charlie make a move in the whole process!

Even Charlie had no physical contact with them at all.

This is the most disappointing point for him.

With his knowledge of martial arts masters, even a dark realm master would not be able to achieve such a strange long-range strike!

The internal strength and infuriating chi of a martial arts master can only achieve the so-called bullying from the air at

most and the distance is extremely limited, and the power will be greatly reduced.

Like Charlie, who can burst out such lethality without contact at all, in his opinion, the strength may have reached a demigod!

And he still clearly remembered that when he crushed his dentures, and the venom penetrated his whole body with his blood, Charlie was able to use a mysterious force to withdraw all the toxins from his body.

Even now, he can clearly feel that the venom is still intact in his belly, and that mysterious power tightly wraps all the venom, so that it is completely isolated from his body.

Therefore, at this time, Charlie, in his eyes, was like a god of death wielding a sickle.

Frightened, he blurted out and pleaded: "Sir, please give me the pleasure of killing me..."

"You want to have your say?" Charlie sneered and said lightly, "To tell you the truth, today the people you wanted to kill are my grandfather and grandmother's family. Do you think I will give you pleasure? Since you want pleasure, then I will make you suffer, and it will last a lifetime."

After that, Charlie stared at him and said coldly, "I think you are only in your thirties. Although you have no limbs, it should not be a problem to live for a few more decades. It just so happens that I still have some elixir that can prolong life. It should be easy for you to live another sixty or seventy years. It just so happens that things are more high-tech

now, and there are some drugs that can make your nervous system amplify the pain hundreds of times. The combination of the two will make sure that for the rest of your life, you will have a new experience every day!"

The man suddenly smiled, shook his head, and said, "Impossible... Even if you don't give me a quick death, in a few days, I will definitely be dead..."

Charlie couldn't help frowning, and asked coldly, "What? Do you think you are still capable of committing suicide?"

The man shook his head and smiled bitterly: "How can I be like this and still have the ability to commit suicide?"

After that, he smiled miserably, "For us people, we have only seven days to live after we come out, and when the seven days are up if we can't return. Our skin and muscles will burst and we will die, and then I will be rotten here. Don't be too surprised when I becomes a pool of blood and flesh."

"Seven days?" Charlie snorted disdainfully when he heard this. He stepped forward and put his hand on the top of his head.

Immediately afterward, reiki flowed into his body from the crown of the skull.

Chapter 4418

It was only at this time that Charlie discovered that this person's physique was indeed different from ordinary people.

None of the eight extraordinary meridians are connected, but the strength of the body is not inferior to that of the five-star warrior, just like steel and iron bones.

Moreover, even though his limbs have been chopped off, under the existing muscles,

The sense of strength is also very surging, the heartbeat is much stronger than ordinary people,

And every beat is like a high-pressure pump, pumping blood violently to the blood vessels throughout the body.

It's just that he is losing too much blood right now, and although the heartbeat is strong, the blood vessels are a little shriveled.

In addition, what surprised Charlie, even more, was that this person looked like steel and iron,

But he was not really steel and iron, but completely relied on the surging power hidden under his flesh and blood.

This power seems to be only temporarily stored in his body to help him strengthen his body, but it was not controlled by him but was forcibly bound in his body by some force.

Because Charlie found that this force has been trying to attack outwards.

With the continuous impact of this force, the force that binds it is also gradually weakening,

But each time it only weakens a little bit.

In this way, after a few days, this force will indeed break through this bondage,

And at that time, it is estimated that his body will likely be smashed to pieces by this force.

At this time, Charlie finally understood why. After all, this person is begging him to give him a happy ending, he acted like he was accepting his fate.

It seems that even if he doesn't give him a good ending, he will surely die in a few days.

Charlie smiled slightly at this time, and said, "Don't worry, you can't die with me here."

After that, he used his reiki to directly seal the force that had been pounding outwards in his body.

In terms of the strength of that power, after Charlie's aura sealed it, even if it could keep hitting without any hesitation, it would not be able to rush out for 10,000 years.

The man's expression was still very slumped even more than before, but he immediately looked at Charlie in horror and blurted out and asked, "You... what have you done to me?"

Charlie sneered, "That kind of power in your body that you can't suppress, it has now been completely sealed by me. In

this way, you can live a hundred years! If you don't explain it honestly, you may live in hell for decades to come."

After speaking, he turned his head to look at Wesley, and said sternly, "Wesley, if he doesn't explain honestly, use all the means you can think of. If he doesn't explain honestly in a few days, take him to Syria and build a special cellar to keep him in it, strip him naked, and throw him in an iron cage. Then power up the iron cage, and inject him with enough drugs to make him feel 24/7 what is it like to have an electric shock magnified a hundred times!"

When the man heard Charlie's words, he suddenly trembled violently in horror.

Seeing that Charlie's expression was extremely cold, he knew that what this man said just now had absolutely no hesitation.

If he really refuses to cooperate, he is afraid that he will experience eighteen layers of hell-like pain for the rest of his life...

He is not afraid of death. Those brothers with him are not afraid of death.

He is also not afraid of torture.

After all, he has been severely trained for so many years,

And he has an extraordinary ability to endure all kinds of torture.

However, he was afraid of endless, unending torture.

Thinking of this, he said emotionally: "I speak! I'll say everything! As long as you promise to give me a quick ending after I finish speaking, I will definitely say everything!"

Charlie said coldly, "You can't negotiate conditions with me. If you want me to give you a good ending, just answer my question!"

The man nodded terrified and said, "You ask, if I know, I will answer!"

Charlie asked coldly, "What are you guys? What organization?"

"Organization..." The man hesitated for a moment, then said, "I don't know what organization we are... I only know that people like us are called dead men in the organization."

Charlie asked: "What is a dead man?!"

Hearing Charlie's question, the man opened his eyes wide and shouted hoarsely like a conditioned reflex, "Those who live for the sake of death, and are willing to die generously for the British Master at any time, we are the dead men!"

Chapter 4419

After the man shouted, he realized that he was now a prisoner, and the whole person suddenly slumped again and stopped talking.

However, seeing Charlie, his eyes were full of awe.

Now Charlie asked coldly, "Who is your so-called Master?"

The man looked up at him, and said in a trance: "I... don't know..."

"You don't know?!" Charlie was cold and shouted, "You keep saying that you can die for your Master at any time. Now tell me you don't know who the Master is?! Do you think I am a three-year-old child?!"

The man said in fear: "I really don't know... From the day I can remember, I know that I wanted to dedicate everything to Master, but I really don't know who Master is, and I have never seen him..."

Charlie frowned, "Who told you to dedicate everything to the Master?!"

The man hurriedly said, "My parents..."

"Parents?!" Charlie asked coldly, "What role do your parents play in this organization?"

The man said: "My father, like me, was also a dead man... He died in a glorious battle thirty years ago... As for my mother... She is the daughter of other dead soldiers, and was given to my father by the Master... After my father died, she

committed suicide by taking poison according to the Master's orders..."

Charlie was horrified when he heard this!

Sounds like this, the structure of this organization seems to have exceeded his imagination.

So he continued to ask: "Your father was a dead man, and your mother was the daughter of another dead man. Does that mean that all the boys born to the dead men are raised into the next generation of dead men since childhood and a girl born to a soldier will be married to another dead soldier and continue to raise the next generation?"

"Yes..." The man nodded and said: "This is the case with every dead man, starting from the first generation and has been passed down to the present. If one generation is the dead man, the next generation is the dead man and the dead man is the dead man. For women, the only choice is to marry a dead man, have children for the dead man, and reproduce. If she wants to leave the dead man in the future, she will have the opportunity to be promoted only if she makes military exploits..."

Charlie was horrified.

From the perspective of the reproduction of the dead men, it can be concluded that this is a mysterious organization with a long history, and the structure of the organization is extremely strict. Even so strict that it can cultivate the dead men from generation to generation!

Moreover, this person's father cannot be the first generation of dead men because his mother was the daughter of another dead man. That is to say, to him, he is at least the third generation of dead men.

What is the concept of three generations? Judging from his age in his thirties, each generation has a span of 20 years, and the...

The time span of these three generations exceeds at least 70 years!

Wesley on the side was also shocked.

Even he had never heard of such a terrifying mysterious organization.

At this time, Charlie asked, "What generation of the dead man are you?!"

"I..." The man said in a trance, "I am the tenth generation of a dead man..."

"The tenth generation..." This was a jaw dropping revelation for Charlie! Ten generations of dead men, spanning more than two hundred years...

Wesley on the side couldn't help but exclaim: "Mr. Wade, if you look at it this way,"

"There is no need to check the faces, DNA, and fingerprints of this group of people today, because it's impossible to find out who they are..."

The man also said with a wry smile: "There's really no need to find out, the dead men are the slaves raised by the organization. They will never intermarry and never escape, so for our people, in this world, there is no record in any national database, not to mention fingerprints, faces, and even DNA has long been locked. After ten generations of reproduction, our DNA is basically no longer with anyone's outside. If there is any ethnic connection, to put it bluntly, we are slaves that no one knows in this world. No one knows when we live, no one knows when we die..."

For the first time in Charlie's heart, he felt an indescribable tension. This tension is not derived from fear, but from a fear of unknown giants. The mere existence of the dead man has subverted his world views.

Chapter 4420

Charlie couldn't imagine how huge this organization really is.

Immediately, he saw that the person's expression was slumped,

And he didn't seem to be absolutely loyal to the organization, so he asked, "According to what you said, you seem to have a lot of criticism about this organization and the Master?"

The man replied "I wish I could kill all the people in this organization in order to avenge my father, my grandfather and my ancestors from the previous nine generations!"

Speaking of this, he smiled bitterly again: "But I don't have the ability to do so. We have been shackled by the organization since we were young. The organization has given us superhuman power, but that power is also a bomb hidden in our body. Every seven days, we have to take a drug that suppresses that power. Without drugs, we will burst and die, so we can't escape, we don't dare to escape, and we don't dare to resist, because everyone's life is firmly controlled by the organization. Not only me, but also my wife, and my two children..."

Charlie raised his eyebrows and asked, "You already have children?"

"Yes." The man nodded, his eyebrows rarely showed some warmth, and he said, "When the dead man is twenty years old. It is the age of marriage. And according to the requirements, I will marry a woman of the right age among the descendants of other dead men and reproduce for the dead. My wife is also the daughter of the dead man. She

gave birth to two sons for me, the elder is thirteen years old, and the younger is ten years old.”

Charlie asked again: “Then who will take care of your two sons?”

The man said: “In life, my wife takes care of them, and at other times they are trained by older dead soldiers. After the age of six, they will become the next generation of dead men and begin to perform tasks for the organization. If they are lucky enough to not die by the age of sixty, they can stay and be the mentors of young people.”

Charlie asked, “Have the dead men thought about resisting?”

“Of course.” The man said: “Every generation of dead men wants to resist, but it doesn’t make any sense. We leave the organization and our life span is only seven days. There were people who didn’t believe in evil in the past and always felt that they could resist the power in their bodies, but none of them did. The exceptions are all dead.”

Speaking of this, the man added: “The organization still has strict rules. With one person defecting, the whole family sits together, if I want to escape, let’s not say whether I can live for seven days, my wife and children will be killed. Killed without any second thought, so we are like slaves, fully under control, and have no chance to resist.”

Charlie asked curiously: “You seem to know about the history of slavery, have you learned this?”

"Yes." The man nodded: " We had a lot of courses to learn when we were young, and we have a certain cultural foundation."

Charlie asked him, "Where do you usually live? Which country?"

"I don't know..." The man shook his head and said, "As far as I know, since my grandfather's generation of dead men, we have lived in an underground base. The base is constantly expanding every day. Now the scale is comparable to a small underground city. Every time a task is to be issued, the organization will issue a list of names. And then inject drugs to everyone on the list, after the drug injection, we don't know anything, and when we wake up again we are already at the place where we are going to do the task."

He paused slightly and continued: "Like this time after we injected the drug underground, we woke up and arrived in New York."

Charlie frowned and asked, "Then how did you perform the mission? Who gave you the mission? Who directed you to the stadium?"

The man blurted out, "It's the guide."

"Guide..." Charlie whispered softly and asked, "Have you met the guide?"

"No." The man explained: "I don't know who the guide is. When we arrived in New York when I woke up, I was already in a closed garage. The organization left the equipment and some materials needed for the mission. The materials listed

the target, the kinship of the target, and the social relationship and the situation of the people around them because they knew that there would be several high-level fighters.”

Chapter 4421

The dead man continued, “They specially prepared enhanced weapons for us. They also reminded us what to pay attention to and what tactics we should adopt and then they leave a certain amount of time for us to familiarize ourselves with the information. Then we will wait for the notification of departure, and when we arrive at the scene, the guide will pass the transfer and inform me of the right time to attack.”

Charlie asked: “What does transfer mean?”

The man said, “The organization does not allow us any form of direct contact with the guides, so the guide will connect the situation to the contact person in the organization and then the contact person will pass the message to me.”

Charlie asked him, “What method does your contact person use to send you a message?”

The man replied, “They have left us a communication device, but only my device can hear the voice of the docking person.”

Charlie asked again, "Is your docking person a man or a woman?"

The man shook his head: "With a voice changer, I don't know if it's a male or a female."

Charlie said at this time: "So, my third aunt should be the guide you were talking to. She was the one who took the lead. The appropriate attack time was reported to your docking person, and your docking person then instructed you to launch an attack."

The man nodded: "It should be, I saw the woman who was taken out, and she seemed to have committed suicide by taking poison. I am sure she was the person from the organization."

Charlie asked him, "Then the order you received was to kill all the people inside, or to keep some people alive?"

The man opened his mouth and said, "The order was not to let us leave anyone alive."

Charlie frowned, "Wouldn't that even kill the guide? Did the guide know?"

The man shook his head, "I don't know her either. Do you know?"

Charlie asked him, "Do you know anything about the guide?"

"I don't know much." The man shook his head and said, "The guide and the dead man are just different identities in the organization. Among them, the dead man's information is the

most occluded because we have been under the strict surveillance of the organization, which is equivalent to prisoners, so there is almost no additional information to understand. We know what the organization tells us to know, and we have no way of knowing what the organization does not let us know."

Charlie nodded lightly, and asked him again, "If your task is completed, what will be the follow-up process?"

The man said, "After the task is completed, we will withdraw to the garage and then receive drug injections there, and the rest of the organization will take us back."

Charlie looked at him and asked, "Your subordinates committed suicide by taking poison. How will your organization treat your family?"

The man said, "We this time failed the mission, and the organization will define us as loyal to the Master. So they will not embarrass our family, on the contrary, they will treat our family better."

Charlie said lightly: "No wonder you and your subordinates were very decisive when committing suicide by taking poison."

"Yes." The man nodded and said, "For the vast majority of the dead, they basically do not end well, and most of them die tragically. If they die faithfully, there is no pain, it will be over in a blink of an eye and we will be able to exchange better living conditions for the family."

The man thought for a while, then shook his head and said, "I don't know either... the death camp we are in has a total of 1,110 households, and 1,900 dead people, the total population, men, women, and children combined, about a few thousand people."

Charlie asked in surprise: "So, your organization is not only your part of the dead?"

"Yes." The man nodded and said, "There are dead camps all over the world, but I don't know how many there are."

Charlie was more and more shocked, thought for a moment, and asked again, "You said that you were injected with drugs before you came, and you had already arrived in New York when you woke up, so do you know how long you have been in a coma?"

"I don't know." The man shook his head and said, "No one is allowed to know the date and time in the camp of the dead. We can't see the sunrise or sunset, just the lights are on and the lights are off. Moreover, I have quietly calculated. Our daily routine in the death camp does not seem to follow the 24 hours a day pattern. They seem to deliberately make a little deviation in the time of each day."

Chapter 4422

The dead man further explained, "Today could be longer than yesterday, and yesterday could be longer than the day before yesterday. Over time, even if I knew the exact time when I left the mission, and after going back for a period of time, the record would have deviated."

Charlie asked him: "How did you calculate the time deviation?"

The man said, "I hit the bottom of the bowl. A very thin hole, filled with very fine sand, it started from the time the bell rang on the first day, leaked until the bell rung on the second day, and then leaked the fine sand again, and when the bell rang on the third day, the fine sand sometimes leaked out early, and sometimes it's too late, so I guessed the time inside was different from the time outside. So after a long time, we don't know what year and month it is outside."

Charlie was curious. He asked: "You do so many things quietly, were you looking for a chance to escape?"

"No way." The man smiled bitterly and said, "Even if there is a chance to escape, it will inevitably be a death, I just wanted to know more about it. The mechanism of the dead man's operation, if there is a chance to escape, everything in the dead man's camp will be exposed. If it can destroy the dead man's camp so that no one will repeat my mistakes in the future, it will be even better."

Charlie nodded and said lightly: "It seems that you have not been completely brainwashed by the organization."

"Brainwashing?" The man shook his head and said, "The organization disdains to brainwash us. Our own lives and the lives of our families are in the hands of the organization. It doesn't matter whether we are brainwashed or not. We are slaves. From this point of view, we can be regarded as the people who hate them the most in the world. But they don't care, because they know that we have no guts and no ability to betray the organization."

Charlie nodded slightly, knowing that these people know, it's almost finished.

At this time, Wesley asked, "You should know where the garage you woke up from?"

"Yes." The man said truthfully, "The garage we woke up from is in Brooklyn."

Wesley Looking at Charlie, "Mr. Wade, this is the only place where they have intersected with the organization. Those people set up the garage in advance and will definitely leave information. If we use this as a clue to check back, we should be able to find some hints.

Charlie waved his hand and said indifferently: "No need to check."

Wesley hurriedly asked: "Mr. Wade, this is the only clue!"

Charlie said seriously, "Then there is no need to check, the other party is so cautious, the clues to be dealt with have already been dealt with. When we go there to check at this time, we will only expose ourselves, and even if we find any clues, it will be meaningless. We are still far from the

strength required to face them. Such an organization we compete against. What we know now are only dead soldiers and guides, and we don't know how many dead soldiers and guides they have, let alone in addition to dead soldiers and guides, they must have other organizational structures. Maybe the true strength of the other party is greater than we imagined."

Wesley hesitated for a moment but nodded lightly.

Even Charlie said that, and he didn't dare to act rashly.

Charlie looked at the man and said lightly, "You cooperated well today, but I'm not ready to kill you for the time being."

After finishing speaking, he said to Wesley:

"Wesley, I'm leaving. Secretly take him to Syria to take good care of him, and don't let anyone outside the core members of Hall know of his existence."

Wesley without thinking nodded and said, "Don't worry, Mr. Wade, I will arrange it!"

Charlie looked at the man again and asked, "What's your name?"

The man said gratefully: "My name is Five Four Seven!"

Charlie asked him, "What Five Four Seven?"

"I don't know." The man smiled wryly: "It's a number, I don't have a surname, and I don't even have a name. My ancestors don't know what their original surname was, we

were just born and given a number by the organization, and then we used this number as our name.”

Charlie had mixed feelings in his heart, and was silent for a moment. He nodded lightly, and said seriously: “You live well. I will let you see with your own eyes the complete demise of this organization!”

In Five Four Seven’s eyes, an unprecedented light of hope suddenly flashed. Staring at Charlie, and asked respectfully, “Mr. Wade, I answer all you asked. I have so many questions. I hope you can take it into consideration for the sake of your cooperation and tell me how did you completely seal the power in my body?”

Charlie smiled coldly and said, “My power is much stronger than that!”

Chapter 4423

For Charlie, reiki is his biggest trump card at the moment.

This mysterious organization is indeed powerful, even too powerful.

However, the power they control these dead soldiers, or in other words,

The power they use to enhance the strength of these dead soldiers is still not an opponent in the face of his aura.

It is precisely because of this that he has the confidence,

To dig out this mysterious organization one day in the future.

Five Four Seven can also feel that Charlie's strength is far beyond his perception,

And the energy that even the 20th-generation dead can't fight can be sealed in front of Charlie effortlessly.

Charlie said that to make the organization completely perish, it is not just mere talking.

So, he thanked him and said, "If Mr. Wade can eradicate the organization,"

"I believe that these dead soldiers will be willing to serve you allegiance!"

Charlie waved his hand: "It's too early to say this now, wait for me on the day they are eradicated,"

"You will be returned to your freedom, and it will be up to you to decide where to go, whether to stay or not!"

Five Four Seven said gratefully: "Mr. Wade is merciful! The relatives and those who died in the past 200 years,"

"They all will thank you for your kindness and great virtue!"

Although Five Four Seven had just brought people to try to kill his grandfather and grandfather,

Charlie still felt that this person And the other dead men are too pitiful.

Twenty generations of people have been reared and served as slaves with no light for generations.

This fate is much more tragic than the black slaves who were trafficked to Europe and the United States.

If he can return the freedom of these dead soldiers, it can be regarded as a great work.

If these dead men are willing to serve him, that will be the icing on the cake.

Subsequently.

Charlie said to Wesley: "Wesley, deal with all the clues,"

"You will hurry up tonight to let people take Five Four Seven out of the United States."

"We must be cautious and careful, and never leave any clues."

Wesley said immediately. : "Okay, Mr. Wade, your subordinates will make arrangements immediately!"

Charlie nodded and said, "I am going to Hong Kong in two days."

"You go to Hong Kong in advance to wait for me."

"First, let me know the details of Gerard Lombardo in Hong Kong."

"When the situation there is clear, and we will meet there when the time comes."

Wesley didn't know why Charlie suddenly wants to go to Hong Kong,

But he still said without hesitation:

"After I send him away, I will leave for Hong Kong before dawn."

Charlie nodded, looked at Five Four Seven again, and said,

"Five Four Seven, you dead warriors should have mastered a lot of specific tactics, right?"

"Otherwise, facing the eight-star warriors this time, you wouldn't be able to deal so easily."

Five Four Seven hurriedly said: "Mr. Wade, we do have many different tactics in our daily training,"

"Usually special tactics and special equipment."

"These are all formulated in the organization and taught to us by the instructors."

Charlie After a sigh, said, "After you arrive in Syria,"

"Try your best to tell the people in Dragon Temple of the tactics of the dead soldiers,"

"And let the Hall also train them to improve their overall strength!"

"Okay!" Five Four Seven without hesitation Said: "I will give all the tactics next time!"

"Okay." Charlie took out two blood-scattering pills from his pocket, handed them to Wesley, and said,

"These two pills should be able to help you. Breaking through the Dark realm is a great success,"

"You can take it immediately after you get on the plane,"

"I believe that when we meet again in Hong Kong, you will be a master of the dark realm."

Chapter 4424

Wesley was stunned and said with sincerity:

"Mr. Wade... ..You can spare your subordinate's life and let your subordinate's parents go to earth in peace."

"Your subordinate is grateful, and you have helped your subordinate to reshape the meridian,"

"And make your subordinate jump to the Great Perfection of the Dark Realm."

"These kindnesses, I haven't had a chance to repay,"

"How can I accept your precious medicinal pills again..."

Charlie said lightly: "Wesley, this kindness, you don't have to mention it all the time."

"You have seen what happened today. It is as strong as an eight-star warrior."

"With the cooperation of the opponent's specific tactics, easily slaughtered like a lamb,"

"So your top priority now is to quickly improve your strength,"

"Otherwise if you die someday, wouldn't you have less of a chance to repay your kindness?"

After that, he handed the elixir to him and said, "Advanced Dark Realm, The road ahead is longer!"

When Wesley heard this, he immediately said with great gratitude and respect:

"Thank you, Mr. Wade! Your subordinates will definitely live up to their expectations!"

Charlie nodded: "I'll go first, you'll deal with it here."

Wesley hurriedly said, "I'll see you off my subordinates!"

Charlie looked at the time, it was only after three in the morning,"

"So he waved his hands and said, "No need, I'll go by myself."

Wesley said: "That subordinate will send you out!"

When Charlie walked out of the villa, the entire Long Island was silent.

After all, it is already past three o'clock in the morning,

And the rich people who live here generally end their nightlife and enter a dreamland full of money and desire.

Charlie was walking on the street alone, with mixed feelings in his heart.

He couldn't imagine how big this mysterious organization would be.

He tried Five Four Seven for more than an hour, and he didn't even know the name of this mysterious organization.

At this time, the voices and smiles of his parents when they were alive came to his mind.

The father and mother in his memory would never frown over something,

Even if the two went to Aurous Hill, and settled down in an old house,

The two always had smiles on their faces. They cleaned up the house and bought furniture together,

And they were always optimistic and looking forward to life.

Therefore, he couldn't help wondering if the death of his parents was caused by this mysterious organization.

If so, did the parents sense that the danger was approaching before the accident happened?

If so, did they have any specific knowledge of this mysterious organization?

After thinking for a long time, Charlie sighed and shook his head.

Thinking too much about unsolved problems will only make people more tired.

Therefore, he decided to put this matter aside for the time being,

And continue to dig deeper when there is a chance in the future.

And now, the most important problem to solve is Gerard Lombardo who wants Hogan's life.

If nothing else, Elaine will come tomorrow or the day after tomorrow.

If there is no accident, he will accompany his wife to watch the concert the night after tomorrow,

And then will leave for Hong Kong immediately.

Since he is going to meet Gerard for a while, he must give himself a suitable identity and opportunity.

Thinking of this, he immediately took out his mobile phone and called Doris.

Doris was handling official business in the office at this time.

For some reason, her mind was suddenly empty, and she subconsciously turned on a tablet computer on the desk.

After unlocking it, she found a photo from the tablet's photo album and looked at it in a daze.

The scene in the photo is her office.

The character in the photo was not herself, but Charlie sitting on the sofa.

This was taken by her quietly after he came to Emgrand Group last time.

He is a strange person. He hardly posts any Moments, and he never posts selfies,

So it is difficult to keep a photo of him.

Chapter 4425

Therefore, Doris secretly took a photo and hid it on her tablet computer.

Whenever she thought of him, she quietly found the photo and took a look.

Just when she was a little lost, the phone suddenly rang.

When she saw the words "Chairman" on her phone, she was as happy as a little girl.

She wanted to grab the phone immediately, but for some reason,

She hurriedly straightened her hair in front of the mirror reflected in the glass cabinet,

And then suppressed her excitement and pressed the answer button...

Doris's voice was a little excited and energetic, but Charlie couldn't understand it.

He went straight to the topic and asked,

"Doris, how much do you know about Gerard Lombardo in Hong Kong?"

"Gerard Lombardo?" How did you find out about him?"

Charlie said, "I have something to discuss with him,"

"But I don't want to use my real identity,"

"So I want to ask you if there is a good opportunity for me to talk to him,"

"After I go to Hong Kong. I will meet him normally."

Doris said: "Chairman, our Emgrand Group has no business dealings with him,"

"But I remember that a large section of his main business is ocean shipping,"

"You might as well call Stella and ask, if you use the name of ISU Shipping, there should be no problem."

"Understood." Charlie smiled and said, "Then I'll call Stella, you get busy"

Doris didn't expect Charlie to hang up so soon, and said subconsciously, "Chairman, wait a moment..."

Charlie asked her, "What's the matter? Do you have anything to ask me?"

Doris hurriedly said: "Uh...that... it is that...you cured my father's illness before,"

"My parents have always been very grateful to you, and have never found a good opportunity,"

"My mother told me a few days ago, that she wanted to invite you to dinner at home,"

"I told her that you were in the United States,"

"And she asked me when you will come back if it is convenient, come to eat dinner at home."

Charlie knew that when Doris's father was poisoned before and he saved him.

Her family has always been grateful for his act, but he smiled casually:

"Tell uncle and auntie that you don't have to be so polite,"

"The previous matter was just a little effort."

After speaking he said again: "But don't worry, I will definitely make time to visit after I come back."

Doris said happily: "Okay chairman, then I will tell my mother that,"

"When you come back, come to the house for a quick meal!"

"OK."

Charlie readily agreed and smiled: "Doris, then I'll hang up first, and I'll call Stella."

"Okay, chairman!"

Charlie hung up the phone and called Stella, who is now in charge of ISU Shipping.

On the other end of the phone, Stella was as surprised as Doris, and blurted out,

"Mr. Wade...why are you calling me so late?!"

Charlie smiled and said, "It should be the afternoon on your side, right?"

"Yeah!" Stella hurriedly said: "Isn't it late at night over there?"

"You are calling me so late, aren't you afraid that Madam will get angry?"

Charlie said casually: "No, no, I'm outside to breathe."

"Oh, that's it. Ah..." Stella summoned her courage and deliberately teased:

"Mr. Wade misses me, called me, and wanted to chat with me, or do you have something to tell me?"

Charlie smiled: "I have something to do. I want to ask you for help."

Stella was a little disappointed in her heart, but she said without hesitation:

"If you have something to do, just tell me."

Charlie said, "Do you know Gerard Lombardo from Hong Kong?"

"Gerard Lombardo?" Stella asked curiously Said:

"That romantic rich man who is famous all over Hong Kong?"

"Yes." Charlie smiled: "It's him."

Chapter 4426

Stella hurriedly said: "I don't know him, but he happened to have his assistant come to me some time ago."

"He told me that he wanted to visit ISU Shipping in person and discuss the cooperation in the shipping business."

"He also has a shipping company. However, due to the economic situation and the rapid rise of ISU Shipping recently."

"His shipping company's operating conditions are not very good, his ships are not enough,"

"But his ship has 30% of its capacity idle and cannot be cashed,"

"So he really wants to cooperate with us and subcontract some mainland,"

"And Japan-Korea links from us as well as the European and American route resources."

Charlie asked her, "Then have you chatted with this man?"

"No." Stella said, "To be honest, we cooperate with them, that is,"

"We will transfer the uneatable part to them for some intermediary fees."

"It's not very impressive for us. Besides, he is asking us now."

"I want to hang him and stretch him first, which can also lower his psychological expectations. Fight for a bigger one."

"Understood." Charlie said with a smile: "If that's the case, then you can contact him,"

"Say you can think about cooperation, and then tell him that you are going to send your assistant to Hong Kong."

"Check it out and let him receive the reception at that time."

The smart Stella immediately noticed the key, and hurriedly asked,

"Mr. Wade, are you going to pretend to be my assistant and go to Hong Kong for a private visit?!"

Charlie smiled as Stella said: "It's not enough to make a private visit in a low tier position,"

"I just want to meet Gerard for a while."

Stella hurriedly said: "You are my boss, how can you pretend to be my assistant... This... Isn't this a bit inappropriate? "

There's nothing inappropriate." Charlie smiled:

"Just tell him my name, say I'm your assistant and ask him to send someone,"

"To pick me up at the airport within the specified time. "

Okay..." Stella knew that Charlie must have a deeper meaning in what he did, so she said,

"Are you still in the United States? When are you planning to go to Hong Kong?"

"I will communicate with him when the time comes."

Charlie smiled and said: "You can communicate with him now, just say I'll be there in two days."

"No problem!" Stella said, "Then I'll call his assistant now."

Charlie explained: "No, you call him directly, with a high-profile attitude,"

"And make him feel flattered." Stella couldn't help laughing:

"Okay, Mr. Wade, I understand! Then I'll contact him now!"

At the same time. China Hong Kong.

In the central area where every inch of land is expensive, there are countless modern buildings.

This is the financial center of Hong Kong and almost every multinational group in the world,

Likes to set up their branches here.

In one of the skyscrapers, a fat man with a bloated body is smoking a cigar

And looked proudly over the Victoria Harbour outside the floor-to-ceiling windows.

There was a knock on the door, and he shouted loudly without turning his head, "Come in!"

His assistant pushed open the door, and seeing him grinning non-stop, he quickly said,

"Chairman, you are in such a good mood today. Ah!"

"Of course!" Gerard laughed, looked at the assistant, and asked,

"Do you remember Hogan Chen's pummeling!"

The assistant was stunned for a moment, and quickly said,

"Of course, I remember... Ah!" Hor... oh no... Hogan Chen's ungrateful pokemon has been missing for more than ten years..."

Gerard sneered: "I lost this fcuking filth after he started running for twenty years!"

"I couldn't find this punk, but Goodness, this punk will soon return to Hong Kong!"

The assistant asked in surprise: "He... how dare he come back to Hong Kong... This is not to die. Is that right?"

Gerard snorted and said, "He has now been arrested by the US Immigration Service,"

"And he was staying illegally, and the US side will soon deport him back."

"This punk should have been hiding outside for so many years, and he is finally coming home! Ha! Haha!"

After speaking, he couldn't help humming: "Come back, come back, wandering around the world".

Chapter 4427

Knowing that Hogan was about to be deported soon, Gerard was in a particularly good mood.

For the past 20 years, he has always felt embarrassed,

And now he finally has the opportunity to make the other person feel ashamed.

Therefore, since yesterday, he has been counting the seconds,

In order to rush to Hogan when he is back.

As long as this man comes back, how many people in Hong Kong will try their best,

To kill him for the sake of their secrets.

As long as he died, the sword of embarrassment on his head would naturally disappear.

Just then, his cell phone rang suddenly.

So he took out his mobile phone and said carelessly: "Hello, who is it?!"

On the other end of the phone, Stella said lukewarmly,

"Mr. Liu, right? I'm Stella Scott from ISU Shipping."

Gerard's expression suddenly changed to a very flattering one,

Holding a cigar in one hand and a mobile phone in the other,

Watt said respectfully: "So it's Ms. Scott! I have admired you for a long time,"

"And I have been looking for an opportunity to visit you in person!"

After speaking, he hurriedly asked again: "By the way, Ms. Scott,"

"I don't know if my assistant has explained our situation to you before."

"We really hope to cooperate with ISU Shipping. Let's see if you have time,"

"And let's have a good chat. I would also like to have a chance to report our advantages to you face to face!"

For Gerard, his assets are naturally much stronger than that of professional managers like Stella.

However, to measure the value of a person, it is not only to measure his assets,

But also to measure the platform he is on and the resources behind him.

Although Stella has no assets of herself, she is the head of the entire ISU Shipping.

Now, ISU Shipping has abundant resources in Asia and is developing rapidly.

If he wants to cooperate with ISU Shipping and monetize the idle resources from Stella, he must be polite to her.

Stella said in a calm tone at this time:

"Mr. Liu, about cooperation, your people have introduced it to me before."

"I think cooperation is not unthinkable, but before discussing cooperation,"

"We still need to strengthen our understanding"

Gerard said without hesitation: "Of course! This is what it should be!"

"Ms. Scott, when it is convenient for you, I will come to the mainland,"

"To meet you in person to share the information and introduce my team!"

Stella said: "Don't trouble yourself, Mr. Liu,"

"It just so happens that my personal assistant is coming to Hong Kong in two days."

"If you have time, I can arrange a meeting with you,"

"And he can represent me with full authority."

Gerard said in surprise: "Wow, Ms. Scott, that can't be more opportune!"

"I will be totally available for the next two days!"

Stella said, "Then I'll tell you the exact time when his schedule is settled,"

"And then I'll trouble President Liu to arrange a reception."

"No problem. Absolutely no problem!" Gerard said cheerfully:

"I will personally receive him at that time! I will definitely make him feel at home!"

Stella smiled slightly: "Okay, let's settle it first."

After Gerard and Stella exchanged a few words, she just hung up the phone with a smile.

As soon as he hung up the phone, Gerard laughed loudly and excitedly:

"It's really a double happiness, a double happiness!"

"Stella Scott from ISU Shipping will send her personal assistant to visit Hong Kong. Take it!"

Chapter 4428

The assistant said in surprise: "Mr. Liu, ISU Shipping is interested in cooperating with us,"

"Which is great! Now all the good routes are in their hands,"

"And high-quality ports and customer resources are also in their hands."

"Here, cooperating with them will definitely release our shipping capacity!"

Gerard took a sip of the cigar and said with a smile:

"This ISU Shipping is Ito family's and that Ito Nanako,"

"She is the most beautiful in the world, and from the Su family that Zara is also not anything inferior,"

"I heard that even this Stella Scott is a super beauty that is one in a million,"

“And working with them is only a side matter, if you can only get to kiss them,”

“It will really be a thing worth doing in your life!”

As soon as Gerard finished speaking, the door of the office was suddenly pushed open,

And a middle-aged lady with extraordinary temperament and incomparable beauty walked in,

With a gloomy expression: “Gerard! Who do you want to kiss? Huh?”

“It can make you so excited that you don’t even want to die!”

At this time, the female secretary beside the middle-aged woman said with an embarrassed expression:

“I’m sorry Mr. Liu... Madam, she insisted on coming in and didn’t let me report to you. ...”

Gerard shook his head and said to her and the assistant beside her, “You two go out first.”

The two of them quickly turned and left after hearing this.

Immediately, Gerard came to the middle-aged lady with a face,

And said with a smile, “Wife, you know who I am talking about.”

At this point, Gerard quickly changed the subject and said,

"Didn't you invite Mrs. Han to spend time with you today? Why did you suddenly come to me?"

The middle-aged lady folded her arms, looked at him coldly, and said sharply,

"I heard that people in Hong Kong are all gearing up to earn 30 million from your President Liu!"

After that, she asked angrily, "Why haven't you spared Hogan?!"

Gerard at this moment with an innocent look said:

"Hey, wife, although I love you very much, if you say that to me, I will be very sad!"

"I promised Orian Sun from mainland long ago, for his sake,"

"I won't go after that Hogan, but this time you can't blame me,"

"For him being discovered by the US Immigration Service, right?"

The middle-aged lady said angrily, "You think I'm a three-year-old child?"

"You must be playing tricks behind my back!"

Gerard raised his hands: "You're wrong, wife! Hogan is caught by the immigration bureau,"

"And you think it has something to do with me?!"

"You can't doubt that I told the secret, right?"

"I didn't even know where he was for so many years."

If I knew, could I wait until today!"

The middle-aged lady blurted out: "I don't care if you are playing tricks on this matter,"

"I only have one request! You immediately take back the 30 million bounty,"

"And you will be responsible for the entire Hong Kong."

"Announcing that the 30 million bounty is invalid!"

"You have lost it!" Gerard's good face suddenly disappeared without a trace,

His eyes fixed on the middle-aged lady, and he said coldly:

"You fucking think I'm a turtle? What do you say, `` Take it back yourself?"

"What do you want people in Hong Kong to think of me?"

"Why me, Gerard, a respectable person, he embarrassed me,"

"You have been making me laughing stock for 20 years,"

"And now you want me to take back the bounty, wouldn't that be like me taking that embarrassment to the grave with me?"

The lady was frightened by Gerard's angry expression, she involuntarily took two steps back,

And her tone softened. She pleaded: "Gerard, I beg you...Hogan has been hiding outside for so many years,"

"And it has been very hard for him. This time he is sent back, so just let him go."

"His mother is in her 80s. It's not good, if he dies, she won't have a few days left to live!"

Chapter 4429

Gerard was instantly furious, he whipped up his cigar, smashed it at his feet,

And slapped the lady on the face with a flick of his hand.

Then, ignoring her shocked look, he pointed at her and scolded her:

"Bella, don't take a fcuking step! Do you think I don't know that"

"You always went to see that dead old woman behind my back for so many years?"

"It's for the sake of the husband and wife relationship, just bear with you!"

"It's okay if you don't know how to be grateful,"

"But now you are righteously running to ask me to forgive Hogan,"

"What the hell do you want to do? Do you want to run with him again? ?!"

Bella Fang is Hogan's first love.

When she was young, she was once known as the goddess of Hong Kong,

Causing countless rich and elites to bow down under her pomegranate skirt.

When Hogan went to study in the United States, she separated from him.

Then, Gerard, with the aura of the top rich man and the generosity of spending a lot of money,

Turned her into his lover with his affluence.

At that time, Bella almost owned the whole world in terms of material things.

She could take a luxury private jet in the early morning to feed the pigeons in the square in London,

And take the same plane to the romantic Aegean Sea in the evening.

When she woke up, she could choose to go shopping in New York or the luxury mall in Tokyo.

If she was not in a hurry, she could take Gerard's private cruise and go from Hong Kong to the Maldives in the Indian Ocean or Tahiti in the South Pacific.

In short, at that time, what she wanted was at her fingertips.

But even so, after Hogan returned to Hong Kong,

Her old relationship with him was on the verge of breaking out.

At that time, she realized that even though she had all the material things,

There was still a vacuum in her heart that could never be filled, and that vacuum was Hogan.

So, when she and Hogan eloped to the United States,

The whole of Hong Kong couldn't understand why she left so decisively.

But after she arrived in the United States, she gradually realized...

That although the vacuum in her heart was filled, almost all the other things were missing too.

She could no longer find an important destination on the world map,

After sleeping until she woke up naturally,

And she couldn't enjoy the world's most expensive and top goods and services like before.

At that moment, she realized what she had given up.

What she gave up was not Gerard, but all the extremes accumulated in all walks of life,

After the development of human civilization and society for thousands of years.

The private jet that she used to fly on had condensed for her,

The world's most cutting-edge civil aviation technology and the best interior decoration materials,

And the same was true of the cruise ship she used to take.

The clothes she wore were almost all the most expensive ready-to-wear in the commodity world,

And they are all carefully crafted by top designers;

And the jewelry she wore might have been also the rarest and scariest part of the world.

Just even the mattress she once slept on was a work of art,

Made by a group of Swedish craftsmen, hand-picked from horsetails and goats.

Her basic necessities, food, and drink expenses were all the best in the world.

However, after she eloped with Hogan, she realized that even though they were both on a plane,

Sitting in a cramped economy class for more than ten hours turned out to be so painful.

As for cruise ships, it was a completely different world, all products were out of reach for common people.

But now, her clothes were no longer luxury products tailored for her by top French,

British and Italian designers, but by the women workers in third world countries,

Stepping on the sewing machine that smelled of engine oil in a huge chaotic assembly line,

All the same cheap clothing made for millions of people.

Chapter 4430

At that moment, Bella realized what a stupid choice she had made.

It was also at that moment that she decided to do everything possible to return to Gerard.

Fortunately, after she came back, Gerard re-accepted her regardless of previous suspicions,

And even married her in an open and honest way.

For the next 20 years, she has been enjoying the best of everything in this world, just as she was back then.

However, Hogan was still a vacuum deep in her heart that could not be filled.

However, the more realistic Bella understood a truth:

Some vacancies can actually not be filled.

However, it was precisely because of the existence of this vacuum that,

When she knew that Hogan was going to be sent back,

And even when countless people were gearing up to take his life,

She still couldn't accept it, so she rushed to Gerard aggressively to ask for an explanation.

However, she overestimated her status in Gerard's mind.

And also underestimated hatred for Hogan in Gerard's mind.

The slap on her face made her panic for a while.

Because she was afraid that she would lose everything around her.

So, she hurriedly explained to Gerard:

"Gerard...don't get me wrong...I really have no other meaning...I just..."

Gerard said coldly: "Don't say it! I don't want to hear what you mean and what not,"

"I just want to tell you that you are not allowed to mention anything,"

"Related to Hogan in front of me in the future, otherwise, you will go as far as you can!"

Bella was terrified.

She knew that although Gerard liked her and had a strong possessiveness towards her,

She had always been wary of him.

Although she is married to him, she has always been insulated from him in terms of assets.

Before Gerard married her, he had already made her sign an agreement,

To voluntarily give up all the common property of the husband and wife.

Therefore, as long as Gerard divorces her, she has no choice but to leave the house.

So, while weeping, she said to him, "I was wrong, Gerard..."

"Don't worry... I will never make you angry again..."

Gerard nodded expressionlessly and said coldly:

"Mrs. Han should still be waiting for you."

Bella said quickly: "Yes... Mrs. Han is still waiting for me at the racecourse..."

"Then I will go first, what do you want to eat at night,"

"I will ask the servant to make it ready."

"No need." Gerard waved his hand:

"I'm a little annoyed now, and I want to be alone for a while."

Bella said with sincerity and fear: "Okay...then I'll go first..."

After speaking, she turned around quickly and left in a panic.

...

The next day.

New York morning.

When Claire opened her eyes, Charlie was still sleeping soundly beside her.

She didn't know that he went out alone last night and didn't come back until before dawn.

After getting up, she asked the hotel's food and beverage department to bring breakfast.

Just as Charlie came out of the bedroom, she asked with a smile, "How did you sleep, husband?"

"It's good." Charlie smiled and replied casually.

One sentence, in fact, he didn't sleep at all, just lying on the bed,

Thinking about things related to that mysterious organization.

Claire greeted him and said, "Breakfast is here, come and eat it!"

Charlie nodded, and just as the two sat down at the dining table, Elaine made a video call to Claire.

As soon as the call got connected, Claire looked at Elaine in the video and asked with a smile,

"Mom, why did you call me so early?"

“Mom really misses you... You don’t know how lonely Mom is at home after you and Charlie left,”

“I really don’t want to stay in this home by myself for a minute...”
