

So he quickly stopped a bodyguard and asked, "What happened?"

The bodyguard said nervously: "Master Patrick is missing, the eldest young master asked us to go out to find clues!"

"What?!" Charlson cox asked in a panic, "Isn't Mr. Joules holding a charity dinner? Why did he disappear?"

The bodyguard explained: "Master disappeared at the charity dinner, and it is said that many people died at the scene!"

Chapter 4139

The bodyguard's words caused Charlson cox to panic a little.

He subconsciously asked, "Who are the dead people?"

The bodyguard shook his head and said, "This is unclear."

After saying that, he did not care to talk to Charlson cox anymore and hurriedly left.

Charlson cox's brain subconsciously spun rapidly as he thought to himself,

"Patrick has disappeared, who did this? What about those Iga ninjas? Could they be the ones who died?"

To Charlson cox, he had never thought that the eight Iga ninjas he had found would have done it to Patrick.

Therefore, he speculated in his heart that the odds were that Patrick had been kidnapped by other enemies.

Charlson cox has done a lot of bad things in his life, but the disappearance of Patrick,

He could swear to the world on his chest, absolutely nothing to do with him.

It is rare for him to encounter anything that can be as conscientious as this matter.

Therefore, he did not worry at all that Patrick's disappearance would have anything to do with him,

The only worry was that if something really happened to Patrick, he might temporarily lose his blessing.

In that case, in case the murderer who killed his brother is still after him, then he might be in big trouble.

However, when he thought about it, he felt that he should not worry too much for the time being.

After all, he is living in the Joules family, these days are all full of peace and quiet,

It proves that the other party has not been able to investigate the Joules family, he is still safe.

So, what he needs to do next is to continue to spend as much time as possible in the Joules family,

Regardless of whether Patrick can return safely or not.

This is not a difficult task for Charlson Cox, because Patrick arranged him in the villa that the Joules family has moved out of,

The villa has been idle, so as long as he does not set foot out of it, the Joules family probably can not pay attention to him.

Even if they do, it doesn't matter, he can tell this family openly that he is a friend of Patrick,

And the Joules family will not kick him out.

.....

And at the same time, the Joules family Royal Palace Hotel.

The New York police had already gathered all the staff of the banquet hall, all of them.

Jack Li concluded that there must be a ninja's inside man among them,

And now the top priority is to find out this inside man.

And Jack Li's approach is also very simple and brutal,

He did not follow the normal process, first looking for the person in charge Rudolph brown to understand the situation,

But Leroy also as one of the suspects, together with other staff members, all grouped into the crowd is there.

In this way, he did not have to listen to anyone's side of the story, directly from the crowd to find out what the problem was.

What Jack Li did was to have his police officers first take a few high-definition frontal photos of each person,

After which he had someone pick one of these people first and bring him to the next room,

So that after he had looked at all the photos of everyone,

He asked him if there was anyone among the people present who he had clearly seen today but was not present at the scene now.

If the other party said no, he was temporarily taken to a corner,

Guarded by police officers, and was not allowed to communicate with anyone,

Thus ensuring that he could not conspire with others.

The dozen or so people who were questioned at the beginning were all official employees of the Royal Palace Hotel,

And when Leroy put Kazuo Hattori and the others in, he also intended for them not to have any contact with the older employees,

So the older employees did not see that eight people were missing from the scene.

Soon, it was the turn of a temporary worker who had just been hired to help today.

This temporary worker is a young Chinese, he was originally a foreign student in an ordinary university in New York,

His family sold their property to send him to study abroad,

Hoping that he could achieve something, but did not expect that he gradually lost himself after coming to the United States,

Every day immersed in spending and drinking and simply waiting for his parents,

Who remit his tuition fee which is all squandered.

Because he couldn't pay the tuition fee, he was expelled from the school as a matter of course.

According to the U.S. visa policy, once expelled from the school,

The visa will be invalid, in this case, according to the normal process, you can only leave the U.S. and then find a way.

However, this young man had no face to go home to face his parents.

So he went black in New York.

Chapter 4140

In order to survive, he usually hangs out in an Internet cafe in Chinatown,

Where he lives and eats every day, and earns his living by helping others to practice games and working as a casual worker.

Once the income from coaching is not enough, he will come out to find a day-to-day casual work to do,

Earn enough money to continue to dive into the Internet cafe, when there is no money, he comes back to work.

At this time, he is standing in the conference room with others, waiting for the police to ask questions one by one.

However, he is particularly nervous at this time, because he is different from others,

His visa has long been invalidated, now belongs to the category of illegal immigrants,

Once found by the police, will certainly be handed over to the Immigration Bureau to deal with,

And the Immigration Bureau treats him as an illegal immigrant, there is only one solution, that is, deportation.

Apprehensive, he was eager to ask those who had been questioned and brought back by the police,

Asking them if the police checked their identity documents when they were questioned.

However, those who had been questioned were all taken to another corner by the police,

So he had no chance to ask them even if he wanted to.

At this time, a police officer came to him and said, "You come with me."

The young man did not dare to disobey and hurriedly followed the police out of the conference room to the next room.

Once he entered the next room, he saw Jack Li, who also had a Chinese face.

When Jack Li saw him, he smiled slightly, pointed to the single sofa in front of him,

And smiled, "Come here, young man, sit down."

The young man nodded nervously and sat down anxiously across from him.

Jack Li saw his nervous forehead full of beads of sweat,

Fingertips and calf belly kept trembling, so he casually asked: "Young man, what's your name?"

The young man said nervously, "I ..... my name is Barton Zhang....."

"Barton ....." Jack Li laughed: "You should be an illegal immigrant, right?"

Barton's face was white with fear and he stammered and asked,

"You ..... how do you ..... how do you know ....." "

Jack Li laughed: "To tell you the truth, this case I am going to investigate today is very big,"

"It is never done by ordinary people, you have such a poor psychological quality,"

"It is certainly impossible to be their accomplice,"

"So the reason you are so nervous is only possible that there is a ghost in your heart."

"I see your face puffy, thick bags under the eyes than a middle-aged and elderly person,"

"A look that is often associated with staying up late, irregular rest,"

“And for people working here, rest time is very regular,”

“So the only explanation is that you should not be a formal employee here,”

“And most of the time your rest is not regular, the reason why you are here,”

“The only explanation is that you should not be an official employee here,”

“And most of the time your work and rest are irregular,”

“So you are probably just doing a short job and earning a living, right?”

When Barton heard this, his heart became even more nervous,

He didn't dare to answer freely, because he was afraid that Jack Li was deliberately swindling him.

Jack Li saw that he did not say anything, so he smiled slightly and continued:

“There are ghosts in your heart, irregular work and rest, and you have to work short hours to earn money,”

“So altogether, you must be an illegal immigrant. If you are not an illegal immigrant,”

“They will not make things difficult for you, but if you are indeed an illegal immigrant,”

“Then they will not hesitate to send you back to your country.”

Barton was scared half to death by his words and couldn't help but choke up,

“Please ..... don't send me back to China ..... if I go back like this, my father will kill me... ..”

Jack Li nodded and smiled, “Don't worry, as I said earlier, I'm here to investigate a big case,”

“To catch an illegal immigrant like you, it's not necessary for me.”

He said, he threw a cell phone to Barton in front of him and said,

“Take a good look at the photos here, and then think about every person you have seen since you came here today,”

“And then tell me if there is anyone missing if you cooperate well,”

“Then I can not only let you go but also may give you some cash in return. “

When Barton heard this, he took the phone over without thinking,

And then immediately looked through the photos inside.

As he flipped, he muttered, “So many people in here I’ve never seen ah .....

Jack Li admonished, “You don’t need to care about the ones you haven’t seen,”

“You only need to care about the ones you’ve seen today but aren’t in here.”

Barton hurriedly nodded, after turning over all the photos, he said with some doubts,

“It seems like those Japanese who were with me earlier are not here in these photos!”
