

Chapter 4171

Desmond's words, made Jack li silent for a long time.

About his sister's matter, he only heard a little,

Out of professional sensitivity, he once also wanted to find out what the hidden agenda behind that matter was,

But that matter's knowledge is very little, and not as deep, he did not find anything meaningful.

However, thinking about it, he could not help but sigh:

"Desmond, your sister's matter really is a pity"

"If she was still alive, the world of the rich, I am afraid it would have had a different picture."

Desmond nodded gently.

As the younger brother with the smallest age gap with her,

He understands best what kind of strength his sister actually had.

It can be said that what the Evans Family can have today,

The ancestors of the Evans Family account for half of the credit,

His deceased sister alone accounted for the rest of the half of the credit.

Thinking about this, he could not help but sigh:

"My sister's life was strong, never give up on what she decided,"

"The old man was also very doting on her, if she did not insist on marrying far away,"

“The old man would not have been so cold war with her for many years,”

“If my sister did not marry Bruce wade, so many things would not have happened later.”

Speaking, Desmond can not help but wave his hand, a light sigh:

“Hey, now saying this, can only be a sigh of relief.”

“Bruce Wade.....” Jack li muttered under his breath and said,

“I don’t have any impression of him, I should have never met him till the end.”

Desmond nodded and said, “It’s normal that you haven’t seen him,”

“The old man has always despised him, and he rarely came to theEvans Family.”

Jack li said, “Let me ask one more question,”

“Why did the old man have such a big prejudice against your brother-in-law?”

Desmond shrugged his shoulders, said helplessly: “In fact, my brother-in-law’s family,”

“In the domestic ranking is also very high, and even has one of the first two positions,”

“But with theEvans Family than, was much worse, especially when the two of them fell in love,”

“It happened to be the stage of the great rise of Silicon Valley,”

“My sister was in Silicon Valley to make that series of investments,”

“It was beginning of taking the crazy profits,”

“So the old man always felt that my brother-in-law get close to theEvans Family,”

“Deliberately got close to my sister for the money and favors,”

“These preconceptions about him, not to mention that my brother-in-law was thinking of taking my sister to China,”

“The old man was most concerned about my sister, once heard to be taken to the other side of the world, how could he agree?”

The old lady has been doing the work of the old man,”

“And she thought it would be good to let my brother-in-law stay in the United States,”

“And after they got married, they lived and developed in the United States,”

“And the old man later relented, meaning that as long as my brother-in-law stayed,”

“He would no longer oppose their marriage... ..”

Jack li exclaimed: “The old man’s meaning, was it to let your brother-in-law come there as a son-in-law?”

“It’s not really a son-in-law,” Desmond explained,

“The old man only meant for the two of them to stay in the U.S.,”

“And the old man didn’t say that they should give birth to a child with the surname evans,”

“So this should not be considered a son-in-law, right?”

Jack li shook his head: “Not bad, you have to know, people are not phoenix men,”

“Poor boys, they are also famous, just not as rich as the Evans Family,”

“How can they accept the condition of staying in the woman’s family to develop?”

Chapter 4172

Desmond nodded: "It is also the same reason, but the old man himself felt that this was already a big concession,"

"The other side should not have any objections at this time,"

"But my brother-in-law also felt that this was a matter of principle and could not be compromised,"

"So the two sides had not been able to resolve the differences."

Jack Li nodded slightly, silent for a moment, opened his mouth, and asked:

"Hey yes, I remember your sister had a son,"

"Once she brought the child back to see the old lady, I also met him, how is the child now?"

Desmond slightly stunned, then sighed, with melancholy, he said: "After my sister and brother-in-law's accident,"

"My nephew disappeared, so many years, for many people looked for him,"

"There had been a little clue, you do not see the old man never spoke about it,"

"In fact, these twenty years we have not stopped looking."

He paused briefly, and then said, "My sister's accident that year,"

"The old man engaged in a special trust fund in JPMorgan Bank, put a billion dollars into it every year,"

"This money was to be used for two purposes,"

“One is dedicated to finding that nephew of mine,”

“And the other is to give him the rest of the money after finding him;”

“This is not, twenty years have passed, in the form of principal invested a total of twenty billion dollars,”

“Twenty years to hire multiple teams to find the nephew around the world spent less than half,”

“Almost six or seven billion dollars like that or so.”

Jack li listened to it and his jaw dropped and said off the top of his head:

“To find someone spending so much money?!”

“Yes.” Desmond explained: “In the information age, looking for people seems to be easy,”

“But in fact, the world is so big, you slightly miss a corner,”

“You may not be able to find this person for life,”

“So you have to have multiple teams to spread out on the world map after a little carpet search,”

“Hundreds of thousands of people, running around, people eat like horse feed, the cost is really high;”

“In addition, there is the cost of intelligence, whether the news is useful or not,”

“As long as there is information feedback, you have to pay a certain fee,”

“And this kind of thing you can not find from the local government, police, and gang help,”

“Because of the fear of information leakage, good intentions to do bad things,”

“So it must be your own team to find whatever it is;”

“And once you find the suspect object,”

“You have to do everything possible to obtain the other party’s DNA to make a comparison,”

“Which is also a big cost, so many years just DNA comparison has been done no less than tens of millions of times.”

Jack li asked in disbelief: “And still not found?!”

“No” Desmond sighed: “To say the least, it is also bizarre,”

“Almost everywhere in the world where people have gone,”

“Just could not find anything, perhaps they have been in the wrong direction.”

Jack li asked again, “Have they looked for the clues in China?”

“Of course.” Desmond said: “At that time it was first from the place of origin,”

“The place of origin was turned upside down, and then began to gradually spread to the country,”

“In the whole country, they could not find,”

“Then the search was spread to those land bordering countries,”

“And then spread to the whole of Asia and then spread to the world, everywhere to find him, but no news.”

Jack li asked: "Then you have not sent people to check your brother-in-law's family? Maybe they have hidden the child."

Desmond smiled sarcastically: "Of course we checked, not only did we check,"

"In the first few years, we have been sending the top team to monitor them, but never found any clues."

"But we did not give up, after all, which of these big families will not play some tricks?"

"Out of absolute caution, we will not give up until we get 100% confirmation, just in case they are hiding too deep."

"So, fifteen years ago, we sent another group of people to penetrate their internal circle,"

Chapter 4173

Desmond continued the story: "One of them used a full ten years to achieve their family first heir's personal butler."

"That time period was almost five years ago,"

"And that's when we were finally able to be 100% sure that my brother-in-law's family,"

"And indeed, did not know the whereabouts of my nephew!"

"And the old man of their family was looking for him everywhere, just like us"

"You see this before and after, we just had to confirm whether the person in my brother-in-law's family or not,"

"Or whether they know any clues, it took fifteen years,"

"All the human and material resources and the energy, basically all went in vain."

"Finally no way, see the basket of water is empty, we withdrew all the people back"

Jack li listened to Desmond's words, simply subvert the three views, exclaimed:

“You guys this is more ruthless than the spy war

“The whole World War II from the year 1939 to 1945 years,”

“It was only six years, you guys actually persisted for fifteen years

“Yes.” Desmond seriously continued: “You see, these big families are basically doing things this way,”

“Not afraid to spend money, not afraid of wasting time and energy,”

“At all costs, only to not leave any mistakes, the hidden project behind this you simply can not imagine,”

“We in order to not show traces of the talent we cultivate to several big families in the country,”

“More than ten years ago specifically With the Chinese joint venture to engage in a promotion...”

“Of overseas Chinese high school students to return to China to develop activities,”

“We breath nearly a hundred Chinese graduates from major universities in the United States transported them back to China,”

“So that they through the form of social recruitment, they could enter into these families from scratch to struggle to fight;”

“This matter, we have been continuing for more than ten years,”

“And all these ten years, we have to continue to pay these people high fees privately.”

“So you can understand why so much money was spent, right?”

Jack li nodded and sighed: “Understood

“Spending billions of dollars to smash a thing that has no results,”

“Only you rich people can afford to burn so much money.”

Desmond smiled faintly: “Not really burning money, although spent so much,”

“But the money in twenty years, it is a little bit spent,”

“And the money placed in the trust and its interest, the profit is also very considerable,”

“Until half a year ago, the account balance is almost a thirty-five or thirty-six billion bar.”

Jack li exclaimed: “How so much? Didn’t you already spend several billion?”

Desmond nodded and said: “Spend while earning, some years ago, the trust income was very high,”

“A good year a dozen points of return is too normal,”

“Plus it is compound interest mode, the money naturally rolled more and more.”

Speaking of this, Desmond said: “So, you sound, as if we are very stupid, and even have a tendency to spend a lot of money for nothing,”

“But in fact, we did not spend any, and everything is done by a dedicated person,”

“And we do not have to do it personally, and finally a total account, in fact, is up with a slight profit.”

Jack li convinced, sighed: “Profit rolls in, money generates money, peace era,”

“You rich people’s wealth is really a thousand generations more huh

He said and smiled to himself: “Unlike me, just fcuking know how to arrest people to solve cases, no economic acumen at all.”

Desmond said seriously: “In theory, as long as the rich man’s offspring control their own hands,”

“Do not take the money out to make a mess, even if the rich man only has 100 million dollars,”

“He puts it into a trust, to ensure that his children and grandchildren will never lack money to spend.”

Jack li could not help but sigh: “If we could find that nephew of yours,”

“Wouldn’t he be worth thirty or forty billion dollars out of thin air?!”

“More than that.” Desmond said: “when the old man’s condition worsened,”

“He was afraid that one day his consciousness would be confused and he would lose his ability to take care of himself,”

“So he filled the account with more than 60 billion, making it up to 100 billion,”

“Then he changed the terms of the trust, the 100 billion principal cannot be touched,”

“All reserved for my nephew, only the annual profit can be taken out for the search,”

Chapter 4174

“But even so, each year, the profit is several billion dollars a year,” said Desmond.

“So, if I can find my nephew, his value will increase by 100 billion dollars out of thin air!”

After hearing this, Jack li lit a cigar and took a slow puff, then sat up straight,

Straightened his collar, and grinned: “Desmond, what do you think about me being your nephew?”

Desmond was stunned, then he reacted and cursed with laughter, “Fck you.”

Jack li laughed and said, “Being your nephew is worth a hundred billion dollars,”

“According to the way you rich people play, spend it until you die, not even finish spending the interest

Desmond shook his head and laughed: “I just don’t know if we can still find him,”

“If he can really be found, and it is estimated that he has not suffered a lot over the years,”

“With his mother’s contribution to the Evans Family, taking the 100 billion dollars is not much.”

Said, he could not help but regret: “Unfortunately, the old man is sick,”

“Really seeing him, he may not be able to recognize him,”

“Even if you tell the old man that it is him, the old man may not believe,”

“If the old man is healthy and well, really see him,”

“I’m afraid he will take out some money to him, for so many years he rarely said,”

“But in the heart, he is really thinking about this grandson.”

Then, he said: “Oh yes, the old lady also saved a lot of money for her grandson,”

“Always said that when they find him, she will give him all of it,”

“Although not as much as one hundred billion, eight or ten billion is certainly there.”

Jack li has been shocked to the state of numbness, so not surprised, just teasing:

“You as a great-uncle, do not express your love?”

“That still needed to say?” Desmond said seriously:

“In my life, I have most admired my sister, my nephew if I can find him,”

“I will give an 18.8 billion meaning, it is estimated that one person can not be less than a hundred it

“Counted down, almost two thousand

Jack li cried and laughed: “pull out and it is Forbes’s world’s richest

Desmond laughed: “That does not count if it is really the world’s richest,”

“That is now ranked first, even the top ten can not enter.”

Speaking of which, Desmond couldn’t help but sigh again, self-deprecatingly:

“Hey, how about two hundred billion? It’s a lot, but when it matters, you can’t even buy a rejuvenation pill.”

Jack li smiled sarcastically, “It seems that you have a deep resentment towards this Pill

Desmond nodded and said seriously: “I really have too much resentment,”

“I grew up, never suffered such a stifling, the owner of the Pill, is definitely a person!”

“I gave him three hundred and seventy billion dollars, but for him, so much money is not as good as his principles

Saying that, Desmond asked Jack li: “Do you know how Douglas Joules, the Master Joules’s power was seized by his son?”

“Not quite sure.” Jack li said, “The Joules family also did not release any news to the outside,”

“They said to the public that the old man is very old,”

“The board of directors agreed that he is not suitable for the seat of the family head,”

“But I know that they must have taken advantage of the opportunity as the old man went to China.”

Desmond grunted: “Older is just rhetoric, the rest of the whole Joules family those wastes,”

“Combined can not be compared to a ninety-year-old Master Joules,”

“The real reason here, is because Master Joules also went to the auction of the rejuvenation Pill,”

“And he opened the price to two hundred billion dollars,”

“Originally after I was driven out, it should have been his success in the auction,”

“But His son Floyd broke his back, also equals to break his way to live,”

“With that old man’s health condition, I think it will be a year at most.”

“Grass” Jack li cursed: “This is too fcuking cruel!”

“It’s clear that they don’t want the old man to live too long,”

“And they don’t want the old man to spend too much money.”

“Yes.” Desmond nodded and said, “So, the matter of Floyd’s grandson being kidnapped,”

“And being asked for a ransom of two hundred billion,”

“I thought it was quite interesting after I heard the wind,”

“Isn’t this a good fcuking reincarnation of heaven?”

Chapter 4175

At the same time, the Joules family’s butler, as well as some of his beloved men,

Were urgently approaching international families that owned Concorde airliners.

After this incident, Floyd couldn’t wait to buy a Concorde in order to deal with possible future emergencies.

Because, without a Concorde, it would take at least thirteen hours for the Joules family to send someone from New York to Japan.

But with a Concorde, it would take five and a half hours to arrive.

In normal times, the difference of seven or eight hours is nothing,

But if it is a critical moment, this time is enough to generate too many variables.

Because the purchase of Concorde is a normal demand for the Joules family,

It is not a secret, so these people did not avoid people,

Basically, they all found a relatively quiet place, and then hurriedly began to communicate by phone.

The company’s staff is also secretly competing with each other,

Whoever can help the Joules family to get a Concorde in the first place,

It will definitely be a great achievement.

When the maid, carrying the Richard Miller watch given by Charlson coax,

Returned to the first villa, she was surprised to find that many people...

...were constantly on the phone as if something big was happening.

Remembering Charlson coax's explanation, she hastily found a male assistant who had always had some interest in her,

And even repeatedly tried to go further with her, and asked curiously,

"Robbin, why aren't you off work and resting yet?"

The man who is named Robbin Song was one of the few beloved men of the Joules family butler,

And he had always appreciated the maid's beauty and had long had thoughts in his heart,

But the maid also knew that he only had thoughts about her in that area,

And did not want to marry her in a normal relationship,

So she had never given him the opportunity to go further.

Robbin was not surprised to see her at this time, but just smiled and said,

"I still have some things to finish, how come you are not off work?"

The maid said, "I was worried about Grandma's health,"

"and came over to see if there was anything I could do to help."

Robbin didn't suspect, nodded, saw no one around, and with a few frivolous smiles on his face, he spoke,

"How about I take you to Las Vegas when you are off work for the weekend?"

“Going to Vegas?” The maid said awkwardly, “Just the two of us?”

“Yes!” Robbin laughed, “Of course, it’s just the two of us,”

“Recently Beyoncé has a big show in Las Vegas casino, don’t you always like her?”

“I will take you there to see it and meet the world.”

The maid didn’t say anything, but she couldn’t help but despise it in her heart.

If in the past, she heard about this kind of thing, her heart must be very longing.

But now, how could a mere Beyoncé enter her eyes?

In her opinion, she is going to be the young daughter-in-law of the Cox family in the future.

So, she was almost ready to say no on the spot.

However, she remembered Charlson coax’s instructions, so she deliberately left an extra eye,

Looked at Robbin with a smiled and said:

“If there is a real opportunity, of course, I have no problem ah,”

“But the family now has so many things, we can not take a short time off work, right?”

Robbin skimmed his mouth and said casually, “We are just ordinary wage earners,”

“We have to rest when we should rest, there is no need to worry too much about the main family,”

“Besides, sometimes you want to worry about it may not necessarily be your turn,”

“Take your maids, for example, usually so many maids take turns off,”

“If something happens and everyone does not rest,”

“All flocked to Grandma’s room, she can’t stand it.”

Chapter 4176

The maid nodded: “What you say seems to make sense

Robbin said smilingly, “That’s how it is.”

After saying that, he lowered his voice and said to the maid:

“I am now talking about a big list, but also these two days can be negotiated,”

“Then the bonus will certainly be less, and when I get the bonus will take you to Las Vegas to enjoy a few days!”

The maid despised in her heart, but asked curiously:

“What big list ah? Tell me about it, also to satisfy my curiosity.”

Robbin raised his eyebrows and laughed:

“The master wants to buy a Concorde, and I happen to know a family in France,”

“That has a Concorde in their hands and wants to sell it, so I’m talking to their people.”

The maid asked in disbelief, “What is a Concorde?”

Robbin explained, “A supersonic airliner, which can fly more than 2,000 kilometers an hour.”

The maid asked again, “What’s the use of buying such a fast plane?”

“Of course it’s useful!” Robbin said with a serious face,

“This time the master wanted to send people to Japan,”

“Without the Concorde, it would take at least 13 hours to fly,”

“If we had the Concorde, we wouldn’t even use half of that time.”

When the maid heard about Japan, she suddenly thought of Charlson cox’s explanation to pay more attention,

To whether anyone mentioned Japanese ninjas, so her heart instantly became alert,

And at the same time, a kind of eagerness to get credit,

So she couldn’t help but be all excited at the same time.

She couldn’t wait to do something for Charlson cox,

So as to prove to him that although she was from a lowly background and hadn’t read too much,

She would be able to do well in the role of the young daughter-in-law of the Cox family in the future.

So, she hurriedly asked tentatively:

“To Japan? It’s not going to find that ninja or something like that, right?”

Robbin was slightly stunned, feeling a little surprised,

But did not think much about it for a while, so he casually said,

“You can not say this thing, just know yourself.”

The maid was so excited that she nodded her head and said,

“Yes, I know! By the way Robbin, I have to go to Grandma’s side to see what’s going on in Las Vegas,”

“Let me know when it’s convenient for you.”

Robbin smiled: “Yes, I will make an appointment with you in advance!”

The maid then said, “Then I’ll go over first.”

After saying that, she turned around and left.

Robbin stared at the maid’s back, his eyes focused on her waist and hips that swayed lightly from side to side,

His heart could not help but sigh: “This little bitch may still be a chick

“To the mouth of the duck, this time must not let You fly!”

After the maid left, she did not immediately go to the great grandmother’s room,”

“But immediately came to an unoccupied bathroom, took out her cell phone, sent a message to Charlson coax.

The message read: “Young Master Cox, I just inquired, the master sent someone on a plane to Japan to look for ninjas!”

“In addition, I heard that he thinks ordinary planes fly too slowly,”

“And also plans to buy a plane called Concorde.”

After sending this message, she then pressed her hands to her chest,

Waiting with anticipation for her beloved one to send her compliments.

However, she did not wait for Charlson coax’s reply.

Because, when Charlson coax saw this message, the whole person instantly jumped up from the bed,

His heart was almost jumping out of his throat.

At this moment, he looked at the phone with a face full of panic,

Muttering under his breath, "Sh!t, it's over this time it's really over"

Chapter 4177

Charlson coax knew very well in his heart that once the Joules family started investigating the line of ninjas,

It would be easy to find clues about the Iga ninjas.

He couldn't help but say to himself, "How will the Iga ninja be a match for the Joules family,"

"And when they face the Joules family, they will definitely confess all without hesitation"

"The Joules family will then start backtracking from the Iga ninja, and it won't take long to find my head"

"Although I used a fake identity when I contacted the Iga ninja,"

"The \$40 million I called the Iga ninja was not fake money"

"As long as the Joules family starts with the origin of the money and investigates upstream a little,"

"It will definitely lead to me"

“At that time, how do I explain to the Joules family?”

“I say I’m innocent? Do they believe it? Definitely not

“Then I can only tell them the truth, I actually helped Patrick to find a ninja,”

“The purpose is to kidnap the big star Stefanie sun.....”

“The Joules family must not believe it either, in their eyes,”

“Their young master is a dragon among men, how can he be a human devil?”

“In that case, I will have to reveal all of what he did, and all the information I have

“But what’s the point of that? The first thing the Joules family will do,”

“When they find out that their young master is a human demon,”

“Is to kill me so that the truth can be completely buried

“That will only make me die faster

Thinking of this, Charlson cox gritted his teeth and said in a stern voice,

“It seems that if I want to live, the only way is to run before the Joules family finds me!”

“As long as I can run out of the Joules family’s control,”

“I can turn around and send all that information to the Joules family,”

“So they can stay away from me! Otherwise, I will expose all the information!”

Then, he raised his eyebrows and sneered,

“By the way, I can use the information to knock them off hard!”

“Who cares about that when we’ve already torn our fcuking faces apart anyway?”

Thinking of this, he put his heart into it and was ready to run away.

So, five minutes after receiving the maid’s text message, he dressed neatly,

With a duck-tongue cap on his head, and quickly left the villa.

The Joules family estate late at night is still a brightly lit and heavily guarded,

But from this guard, the vast majority of the energy is focused on the outside to the inside.

And from the inside to the outside,

As long as you don’t have anything in your hand, you can basically go unimpeded.

This strict entry and exit mode is like flying in, when you go in,

Even shoes have to be taken off to go through the security machine,

But once you get off the plane, out of the airport is all the way through,

No matter how many things you bring, the security guards do not even bother to take a look.

Therefore, Charlson cox without alarming anyone directly went out of the Joules family estate.

After coming out, originally wanted to immediately take a taxi to leave,

But such places as Long Beach, are the mansions of the rich,

The rich family cars are too much to drive over,

And basically will not take a taxi, so in this place, the cabs are pitifully few.

He saw that there were no cabs around,

So he was ready to go out on foot to walk some distance before looking for a car.

He was also lucky, just out of the range of the Joules family estate,

Saw a cab parked at a crossroads, from the back of the cab, walked down a blonde female passenger.

Seeing this car, Charlson cox sighed with relief,

And while the female passenger got out of the car and prepared to leave,

He hurriedly got in, and as soon as he got in, he said without thinking,

“Go to the Port Authority bus terminal station!”

Chapter 4178

In the United States, airplanes and trains also adopt the real-name system,

And Charlson cox, fearing that his identity would be leaked,

Planned to take a long-distance bus first to transit all the way and go south to Texas.

Texas shares a border with Mexico,

So he planned to get to Texas and then find a way to smuggle himself into Mexico.

Charlson cox has been selling people for years and has a strong network in Canada, the United States, and Mexico.

In the south, because there are many entrenched drug lords,

More or less it is like the chaotic era of warlords in some places,

So it is easy to hide his identity, ensure anonymity,

Once he reaches the territory of those drug lords,

Even the Joules family will find it difficult to catch him.

At this moment, the driver glanced at him through the rearview mirror and smiled,

“Okay sir, please buckle up.”

Charlson coax said impatiently, “Buckle up a fart in the back, drive your car!”

The driver said very seriously: “Sorry sir, in my car, no matter which seat,”

“You have to buckle the seat belt, or else please get off.”

Charlson coax did not expect that a cab driver dared to call his own bluff,

Originally wanted to get angry, but once he thought that he was still on the edge of the Joules family estate,

The critical moment can not cause trouble because of emotions, so he could only curse:
“Danm!”

Subsequently, he could only buckle up the seat belt.

The driver saw him buckle up, the corners of his mouth wiped over a hidden smile,

Then started the car and slowly drove away from the scene.

The car turned and drove to the expressway, ready to leave Long Beach.

Charlson cox finally breathed a sigh of relief,

And then he took out his cell phone and began to check the long-distance bus schedule at night.

But he did not expect that the car just drove out not much farther,

It suddenly made a sharp turn directly at the side of the road and drove into a villa on the side.

Charlson cox's cell phone flung out, the whole person also moved to the side,

So he subconsciously looked up, immediately found the situation is not good,

The first thought is to open the seat belt to jump out of the car to escape,

But he pressed the seat belt switch only to find that it simply can not be opened.

Immediately after, then felt a burst of seat belt contraction, instantly he was tied to the rear seats.

Charlson cox's face was white with fear,

And he asked the driver: "What the h3ll are you"?

The driver smiled faintly and said,

"Don't be nervous, Mr. Cox, I am taking you to meet a friend."

At this time, the cab had already driven into the villa gate,

Followed by driving directly into the garage.

As soon as the car was parked in the garage, the two soldiers of the Dragon Hall opened the door,

Followed by the driver pressing the switch next to the steering wheel,

And the seat belt buckle instantly popped open.

Two soldiers dragged the panicked Charlson cox out of the car,

And then, without waiting for him to regain consciousness, stripped him naked, leaving only a pair of pants.

Afterward, a soldier of similar stature to him from the Dragon Hall quickly changed into his clothes,

Put on his duck-tongue cap, and got back into the cab.

As soon as the driver kicked the gas pedal, the car drove out again, taking no more than a minute before and after.

As soon as the cab left the house, it immediately accelerated violently,

Carrying the soldier disguised as Charlson cox all the way to the coach terminal where Charlson cox intended to go.

The real Charlson cox, on the other hand, was stripped into a white-striped pig,

And dragged directly to the basement by the two soldiers of the hall.

On the way, Charlson cox asked incomparably frightened:

“Big brother big brother you guys who the h3ll are you?”

“What do you want? If you want money, I can give you lots of money

“Lots and lots of money you just have to say a number

One of them sneered, “Charlson cox, your money is better to keep it for yourself,”

“Maybe you can still use it when you get there!”

Chapter 4179

When Charlson escaped from the Joules family, he thought that through his own extraordinary foresight,

He could definitely play a hand of extreme operation and escape from the sky.

But he never dreamed that he just ran out of the Joules family,

Not even five minutes before and after, he was next door to the Joules family manor and became a prisoner.

Extremely fearful, he was confused by various thoughts in his heart.

Although he did not know who the gang that kidnapped him was,

But deep in his mind, he already had an answer.

He felt that these people should be the ones behind the killing of his brother,

And the evaporation of an entire Italian gang from Vancouver.

Soon, he was dragged to the basement, after the door opened,

He was horrified to find a nak3d man hanging in the room, just like himself,

Wearing only trunks, this nak3d man is no other than Patrick.

At this time, Patrick is nowhere near his usual style of the young master of the Joules family from the past.

He was nak3d, his hands were hanging, and the whole person is like a meat pig to be slaughtered.

The two ears are gone, and the only thing left are two large wounds,

And these wounds are covered with huge patches of blood scrub.

Patrick at this moment also did not expect to suddenly see Charlson here.

Seeing Charlson was brought in, he was first surprised,

And then his expression showed more than a few points of excitement.

Nothing else, Patrick suffered a lot here, a person in extreme despair here,

At this time there is Charlson this acquaintance with him to share the suffering,

The mood bottomed out, a little excitement is inevitable.

Other than that, even if it is to die, he has a person to accompany him on the road,

But the situation is much stronger than a person dying here.

But Charlson saw Patrick here and is not the least bit happy.

In fact, what he was most afraid of was seeing him here.

Because, if the other side even dares to move the Joules family master,

Then who is he? A fart? Trying to escape would have even less chance

At this time, one of the Dragon hall soldiers looked at Charlson and questioned,

“Young Master Cox, young masters Joules is all excited to see you,”

“Why are you not happy to see your old friend at all?”

Charlson had the heart to die, he was like a human being, how could he not understand Patrick’s mind?

If he were Patrick, suddenly seeing someone to accompany him, he would certainly be happy.

He had the illusion that he could successfully run away,

But he didn't expect to be caught here all of a sudden,

At such a time, he was naturally in a rock bottom mood.

The soldier saw that Charlson did not speak, a hand grabbed his collar,

Gave back and forth two slappings fiercely on his face angrily shouted:

"I asked you questions, why do not you answer?"

Charlson's weak body, which can withstand the other party's vigorous slapping,

Two slaps down, was immediately beaten with stars in the eyes, spitting blood,

So can only hastily say: "I am happy I am happy" "

The soldier gave another slap in the face, angrily cursed:

"Damn, not sincere at all, give me a re-speak!"

Charlson's teeth were broken a bit, face full of pain as if to explode,

But could only stiffen their heads and begged:

"I really happy please do not hit"

The soldier laughed: "The ruthless young master Cox, how come he begged for mercy so quickly?"

"But only received a few slaps only, the good show has just begun,"

"You so early to beg for mercy, what can be done in a moment?"

The moment Charlson heard this, he knew that the other party would definitely not let him feel better,

And was probably even prepared to make him suffer to death,

So he subconsciously cried and begged: "Big brother we have no enemies,"

"Why do you want to kill me, big brother... .."

Patrick saw Charlson like a dead dog crying and begging, a flash of light in his heart,

Immediately looked up at the monitor overhead, opened his mouth, and shouted:

"Mr. Wesley, Mr. Wesley are you there? The kidnapping of Miss sun was all this Charlson's idea!"

"All the details were planned by him, he is the mastermind ah Mr. Wesley,"

"Please help me give a message to Mr. Wade, beg Mr. Wade to give me a lenient treatment ah"

Charlson's whole person listened to it dumbfounded, how could he expect,

Patrick opened his mouth was actually for dumping the pot on him!

Moreover, listening to the meaning of the words,

As if the mastermind behind this matter of Stefanie's kidnapping has brought him here,

If so, then with the gang that killed his brother, should not be a wave, right?

Thinking of this, he said almost without thinking:

"Patrick! Don't you fcuking spit on people! This matter is entirely your own idea!"

"You are the one who wanted to get Miss sun, what does it have to do with me!"

Patrick cursed angrily: "You usually follow my ass and lick me with your tongue out,"

"And now that something has happened, you say you have nothing to do with it."

"Mr. Wesley, just send a few of the soldiers of the Dragon hall,"

"You will be able to investigate everything, you think you can get rid of it by moving your lips?"

When Charlson heard this, he knew it would be difficult to clear his name,

So he looked at Patrick and said angrily, "Joules, you only think of dumping the pot when you fcuking see me,"

"You are simply stupid! Don't you fcuking understand? We are both grasshoppers on a rope!"

Patrick also saw Charlson's face and said coldly:

"When you dump the pot, you say it was my idea, but when you can't dump it,"

"You say you're a grasshopper on the same rope,"

"You're really are sinister and cunning, Charlson! I was fcuking dragged down by you!"

Charlson was shivering with anger and said through clenched teeth,

"You said I pulled you down? Back in school, if you hadn't been doing bad things all the time,"

"How would I have been in your good graces?"

"It's obvious that I was led astray by you, and now you still bite me back!"

At this moment, in the monitoring room upstairs, Wesley saw the two of them biting each other,

And immediately cut this video and sent it to Charlie.

After seeing this video, Charlie replied to him, "It's better to let Hattori Kazuo go."

Wesley immediately sent a voice message to Charlie and said,

"Don't worry, Mr. Wade, my subordinate will make the arrangements."

Immediately after that, he instructed the men around him, "Go and get Hattori Kazuo."

"Yes!" The subordinate immediately brought Hattori Kazuo over.

Hattori Kazuo asked respectfully, "Supreme Commander, what are your orders?"

Wesley pointed to Charlson on the monitor and said, "You should know this person, right?"

Hattori Kazuo fixed his eyes and immediately said angrily,

"Supreme Commander! This is the son of a bitch who tricked us into coming to New York!"

"Okay." Wesley nodded and spoke, "Mr. Wade said, go and entertain him."

Hattori Kazuo froze and quickly asked, "How am I going to entertain him?"

Wesley said to the men around him, "Give him your tactical dagger."

"Yes, Hall Master!"

Without thinking, that henchman pulled out a dagger and handed it to Hattori Kazuo.

Hattori Kazuo, who himself hated Charlson with a passion, took the dagger,

His eyes chilled, and said coldly, "Please don't worry, Mr. Wade and Supreme Commander,"

"I will treat this son of a b!tch well!"

Chapter 4181

When Hattori Kazuo rushed into the basement room with a dagger in his hand and in a rage,

Charlson's hands were already tied up and hung by the soldiers of the Dragon Hall.

And he and Patrick were still cursing at each other,

Hating each other and at the same time, not forgetting to dump the onus on each other.

Seeing Hattori Kazuo pushing the door in, both of them stopped cursing at once,

And each of them was shivering with tension.

Patrick was afraid that Hattori would take the dagger and cut something off his body.

Charlson, on the other hand, was afraid that he would be treated like Patrick, who had his ear cut off.

As soon as Hattori entered the door, he saw Charlson hanging in the air.

His expression instantly became angry and fierce,

And he rushed forward with a big step and kicked Charlson in the stomach,

Sending him spinning like a sandbag.

At the same time, he cursed angrily under his breath,

"Son of a b!tch! You tricked me into coming to the United States,"

"And caused me to nearly make a big mistake in front of Mr. Wade, I can't even kill you!"

Charlson was kicked and spun around, panicking and shouting,

“Mr. Hattori, I’m a victim of this matter, just like you!”

“I was acting on the orders of this evil next to me, the real culprit is him not me!”

When Patrick heard this, he immediately said,

“Mr. Hattori, don’t be fooled by this son of a bitch,”

“This son of a bitch has done many harmful things, this time it was his idea to use your ninja skills!”

Charlson said, “Mr. Hattori, don’t listen to that bullshit,”

“He is the one who wants to kill Miss Sun, and I invited you here because of his authorization.”

Hattori Kazuo said coldly: “Charlson, do you think I still don’t know your true identity?”

“Joules is not a good person, and you are not a good fucking bird!”

After saying that, he grabbed Charlson’s hair and looked at him with a cold smile,

“Charlson Cox, don’t make any more unnecessary struggles,”

“You and Patrick, no one will be able to leave this place alive!”

As soon as the words fell, Hattori Kazuo’s right hand swung violently,

And in an instant, he chopped off Charlson’s left ear by the root!

Charlson almost fainted from the pain and felt the warm blood spurting out of his ear,

And subconsciously tried to cover it, but his hands were bound, so there was nothing he could do.

He watched his cut ear fall to the ground, the whole person collapsed and could not control howling.

Seeing him crying miserably, Patrick felt no small consolation in his heart,

So he sneered and bickered awfully, "Charlson, can't stand it anymore?"

"Don't worry, you'll have to give off that ear too!"

Charlson looked at Hattori Kazuo in despair and cried and pleaded,

"Mr. Hattori, I am a victim just like you."

Hattori Kazuo said in a cold voice: "I am the real victim!"

After saying that, his hand rose and cut off Charlson's other ear as well.

The first thing you need to do is to get rid of the problem.

Charlson saw the smugness in Patrick's expression, his heart was furious,

And then he suddenly remembered something and said to Hattori Kazuo:

"Mr. Hattori! You must not let this Patrick go!"

"The Joules family has already sent someone to Japan tonight."

"They think that you kidnapped Patrick,"

"So they have sent many experts to exterminate the entire Iga ninja family.

When Kazuo Hattori heard this, he was shocked and asked,

"How do you know that the Joules family has sent someone to Japan?"

Charlson hurriedly said, "Mr. Hattori, I have been hiding in the Joules family manor these days,"

"And I know every move of the Joules family very well!"

"I have very definite information to prove that Patrick's grandfather has indeed sent many experts to Japan,"

“And will arrive in Japan in almost 10 hours,”

“And he seems to be very dissatisfied with the flight speed of civil aviation,”

“And is trying to find ways to purchase a Concorde!”

Chapter 4182

Hattori Kazuo's heart suddenly tensed up.

He knew very well the strength of the Joules family,

If the Joules family really sent people to Japan,

It was only a matter of time to find the Iga ninja head.

Even, it is likely that before the experts of the Joules family landed in Japan,

The intelligence personnel of the Joules family had already checked out the Iga ninja clearly.

Therefore, he also understands very well in his heart that the Iga ninja,

Who is already on the wane, is not likely to be unbeatable in front of the Joules family experts.

And now, the kidnap of Patrick cut off his ears,

All the accounts on their own head, once they find the Iga ninja,

They will definitely not be soft while treating them.....

The whole Iga ninja will be exterminated because of this!

The first thing he thought of doing is to call his father,

And tell him to take the Iga ninja into hiding so that they won't be wiped out by the Joules family experts.

However, he seemed to be unattended in this villa, but in fact,

His every move was under the close monitoring of the soldiers of the Dragon Hall,

And he had no channel to contact the outside world.

In anxiety, Hattori immediately put a knife against Patrick's neck and shouted sternly:

"Tell me your family's contact information! I'll find a way to call them right now!"

"If my family is in any danger, I will kill you myself to avenge their death!"

Seeing that the blade had already cut through his skin,

Patrick was trembling with fear and said,

"Mr. Hattori, this is all a misunderstanding, as long as you give me a phone,"

"I will immediately have my father order all the experts to be recalled to New York,"

"And then have them go north to Canada and kill Charlson's family!"

Charlson was not afraid at all, because he guessed that Hattori Kazuo must also be a prisoner,

And could not have a way to communicate with the outside world.

So he ridiculed Patrick and said, "Patrick, you are really not ordinary stupid,"

"Since you are already here, how can you have a chance to call your father?"

Patrick also knew that the chances were slim, but he had to try everything he could,

So he looked at Hattori Kazuo and said,

"Mr. Hattori, you must find a way to contact my father no matter what,"

"As long as you can contact him and tell him my situation,"

“He will definitely pull back all the ninjas!”

Hattori Kazuo was also extremely worried at this time,

And his whole body was in a panic, not knowing what to do.

At this time, a soldier from the Dragon Hall came in,

Handed a cell phone to Hattori Kazuo and said, “Mr. Wade’s call.”

Hattori Kazuo hurriedly took the phone and said nervously, “Wade…… Mr. Wade ……”

Charlie smiled faintly and said; “Hattori Kazuo, are you worried about your family now?”

“Yes……” Hattori Kazuo choked, “Mr. Wade, the overall strength of the Iga ninja is severely damaged,”

“They are hardly a match for the Joules family ……”

Charlie laughed: “You don’t have to worry, I have asked Miss Nanako of the Ito family to arrange a chartered plane,”

“It can take off from Iga anytime and fly directly to New York,”

“You can use this phone to call your father now and ask him,”

“To arrange for people to get on the plane as soon as possible,”

“As long as they can take off before the Joules family lands,”

“That gang won’t be able to do anything with them.”

Hattori Kazuo asked in surprise, “Mr. Wade ……”

“You …… you intend to let them come to New York?!”

“Right.” Charlie on the other end of the phone said with a smile,

“Coming to New York is the best choice.”

Hattori Kazuo said nervously, "But But New York is the Joules family's territory"

"If they come to New York, won't"

"Wouldn't they be throwing themselves into the net?!"

Charlie laughed blandly: "Don't worry, it won't take long,"

"You will no longer be the enemy of the Joules family."

Chapter 4183

Hattori Kazuo did not expect that Charlie would be able to consider the safety of his clan in advance.

The moment he heard that the Joules family had sent someone to fly to Japan,

His heart was hanging in his throat, but he did not expect that Charlie would have already made proper arrangements.

You should know that the experts sent by the Joules family are still in flight,

As long as his clan members can take off before the plane lands,

They can only be out of reach, even if they are strong.

This time let Hattori Kazuo completely relieved, he hurriedly said with immense gratitude:

"Mr. Wade, thank you really appreciate it!"

Charlie smiled faintly: "Grab the time to contact your father, within five hours,"

"Let everyone must get on the plane to New York,"

"The Dragon Hall will arrange for them to land in Long Beach and protect their safety, for the rest, wait for my orders."

Hattori Kazuo knew that Charlie was ready to make the Joules family change the sky.

He could not help but think excitedly in his heart,

“If this time, we Iga ninja can play a small role in Master wade’s action,”

“Then after the Joules family’s old man regains the power, we will definitely be reused!”

“And for a behemoth like the Joules family, supporting a mere Iga family is as easy as can be

“In this way, it is also a disguised realization of father’s expectation of moving to North America

“Since we helped Matsumoto Ryojin kidnap Banks family members, in Japan has been highly discriminated against,”

“Continue to stay in Japan will only become more and more difficult,”

“Now if there is an opportunity to join the Joules family,”

“It is definitely a good opportunity to change the fate of the world!”

At this thought, he was even more grateful to Charlie!

Then, without thinking, he said to Charlie:

“Master wade, don’t worry, I’ll call my father and ask him to bring all the clan members,”

“To New York as soon as possible to listen to your orders!”

Charlie gave a hint and said indifferently, “Tell them to move faster.”

After Hattori Kazuo thanked him profusely,

He immediately used this phone to call his father, Hattori Hanzo.

At this time, Hanzo was as anxious as an ant on a hot pot,

Because of the loss of contact with Hattori Kazuo and the news of Patrick's kidnapping.

Because he could not contact Kazuo, his first thought was that something must have happened to his son,

And it was even likely that someone else had kidnapped Patrick,

And that his son and the rest of his clan were just being used as scapegoats.

Just half an hour ago, he was consulting with a number of elders,

Of the Iga ninja to see if they should temporarily leave Iga, or even leave Japan,

In order to free the family to turn the spear on them.

The other elders also shared his view that at such a time,

They should hide away from the wind anyway, and wait until the matter is clear and unambiguous.

Otherwise, in case the Joules family really turned their anger on them, they would be unable to resist.

The Iga ninja were already in a bad enough situation already,

If they were targeted by the Joules family again, they would basically be left with a dead end.

At this time, he suddenly received a call from an unfamiliar phone number, and his heart suddenly became nervous.

He hesitated before he cautiously pressed the answer button.

The voice of his son, Kazuo, came over the phone: "Father! It's me, Kazuo!"

"Kazuo?" Hanzo suddenly became excited, and hurriedly asked,

"Kazuo, where are you now? I watched the news,"

"It said that you kidnapped the young master of the Joules family."

What is going on at the bottom?!"

Chapter 4184

Kazuo hurriedly said, "Father, it's a long story at this point. We were tricked by that employer!"

"He tricked us into coming to New York and actually wanted us to kidnap Master Wade's woman!"

"What?!" Hanzo felt a blackness in front of his eyes, shivering, and asked,

"Master Wade is it Master Charlie Wade who was in Wade Mountain that day??....."

Kazuo blurted out, "That's him!"

"Baka!" Hanzo cursed in despair, "You bastard! That day Master Wade's women were all present at that point,"

"Don't you recognize them?! Quickly say, did you offend Master Wade's woman!"

Hattori Kazuo was busy saying, "No, father! How dare I make a move against Master Wade's woman!"

“And, by chance, Master Wade himself was in New York!”

“So the moment I saw him, I immediately knelt down and confessed to him

Hanzo asked nervously, “What did he say?! Did he forgive you?!”

Kazuo said, “Master Wade told me to make amends, that’s why we kidnapped that Patrick

Hanzo’s eyes went black: “That young master of the Joules family... you really kidnapped him?!”

“Yes

As he said, he hurriedly added: “Father, now the Joules family has sent someone to Japan,”

“And is expected to arrive in Japan in another ten hours,”

“Mr. Wade is kind-hearted, and has specially asked Miss Ito to arrange a plane for you and the rest of the clan,”

“What you have to do now is to hurry up and gather all the clan members and go to the airport immediately,”

“And make sure to take off before the Joules family’s people land!”

“If you can take off five hours before they land, that would be great!”

Hanzo had the heart to die. In his heart, he sighed,

“I thought that sending Kazuo to America this time would be an opportunity to open up overseas markets for the Iga ninja,”

“But who would have thought that such a big thing would happen as soon as he went to America

“Offending Charlie wade, is that a fcuking joke?”

“Not to mention that Charlie wade has subdued the entire Dragon Hall,”

“Just his unimaginally powerful personal strength alone,”

“One person can kill the entire Iga ninja all by himself

Thinking of this, he hurriedly asked, “Kazuo Will this be Master Wade’s plan to lure the enemy?”

“Would he want to use this to trick all of us Iga ninja into going to America and then kill us all?!”

“The original head of the Joules family, Freddie Joules is in his hands,”

“And he wants this Freddie to return to the position of head of the Joules family!”

Hanzo was so excited that he couldn’t help but ask with some concern,

“Kazuo do you think this is credible?”

Hattori Kazuo said without thinking: “Definitely credible! Father!”

“Think about it, what kind of existence is Master Wade?”

“If he really wants to harm us Iga ninja,”

“All he needs to do is to send some Dragon Hall experts to Japan,”

“And that would be enough to wipe us out,”

“He is really going to give us a good chance this time!”

Saying that Hattori Kazuo remembered Charlie's words and blurted out,

"Father! Master Wade has said! Take a chance, a bicycle will become a motorcycle!"

Hanzo's mouth can not help but mutter a sentence: "Fight a bicycle into a motorcycle?!"

Immediately after, he was silent for a moment, suddenly stood up,

Stomped his foot and said, "Good! Then we'll wrestle him!"

In the Iga ninja clan, both ninja and family members have been enforcing military management,

For hundreds of years, with very strict management from top to bottom.

Therefore, when Hanzo gave the order, the whole clan immediately began to prepare in earnest.

All the ninja put down all their affairs for the first time,

And then they rushed to the school and picked up all the children who were attending school,

And the elderly who were hospitalized due to illness,

As long as their lives were not in danger for the time being,

They were picked up from the hospital by their families.

Chapter 4185

All the women in the family started to pack their luggage quickly at home.

Everyone strictly followed Hanzo's order to take only the necessities,

And small valuables and leave the rest at home,

Even if they knew that they might not be able to return in their lifetime,

They were not allowed to take a large amount of luggage.

The original five-hour evacuation time,

The entire Iga ninja only took less than two hours to make all the preparations.

Then, hundreds of people from all over the Iga ninja arrived at Kansai International Airport in Osaka,

Which is less than a hundred kilometers away.

Here, the three Boeing 777 planes arranged by Nanako Ito had been waiting for a long time.

When Charlie instructed Nanako to arrange the planes, he deliberately asked her to be risk-averse.

These two planes were chartered in the name of Hattori Kazuo,

And the money was also paid from the United States by Charlie,

So even if the Joules family jumped to the wall, they would not investigate the Ito family.

Soon, the entire Iga ninja clan finished boarding,

And the three planes took off smoothly from Kansai Airport one after another.

At this moment, a plane of experts sent by the Joules family would take more than seven hours to reach Osaka.

The experts on the planes were resting up,

Not knowing that their closest moment to the target would happen in more than three hours,

When they would pass each other on the route over the Bering Sea.

It is said to be a brush but for aviation safety reasons,

The distance between the opposing planes is at least ten kilometers away.

But even so, this will be the shortest physical distance between them at any point.

After confirming that the two Boeing 777s had taken off,

Wesley followed Charlie's instructions and anonymously provided CNN with an important clue.

Right now, although the Joules family knew that Patrick was kidnapped by ninjas from Japan,

But since Hattori Kazuo and the others all used disguised fake identities to enter the country,

They did not find out, for the time being, which ninja clan the kidnappers were from.

Originally, they planned to send the people to Japan first and then investigate from there,

But unexpectedly, the anonymous informant directly revealed,

All the real information of the eight Iga ninjas who participated in the kidnapping of Patrick.

After confirming that the information provided by the other party was accurate,

The Joules family's intelligence personnel immediately checked and confirmed the identity of the anonymous informer,

And immediately informed the person in charge on the plane via satellite phone,

That they should go directly to Iga City after arriving in Japan,

And control all the core members of the Iga ninja to negotiate with Hattori Kazuo.

The reason why Charlie gave this instruction was to completely cut off,

Any other thoughts of the Iga ninja, and also to play the Joules family a good game.

A few hours later, the Joules family would find that the entire Iga ninja clan has disappeared without a trace.

.....

Seven hours later.

When it was dawn in the United States and night in Japan,

The plane sent by the Joules family finally landed at Kansai Airport.

The person in charge was the first to send a message to Floyd, respectfully reported,

“Master, we have landed at Kansai Airport,”

“After we finish the entry formalities, we will rush to Iga at the first opportunity!”

Floyd said coldly, “Make sure to control the head of the Iga ninja and other key people!”

“When the time comes, cut off all their ears first!”

The person in charge said without a second thought,

“Don’t worry, Master, we will complete the task!”

Chapter 4186

However, this person in charge never dreamed that Wesley had already had someone anonymously reveal,

A message to Japan's homeland security department a few hours ago,

And the message was that an overseas force of over 100 people...

...Would infiltrate into Iga City this night to create a terrorist attack.

Originally, according to the workflow of the Japanese security department,

They have to systematically analyze the reliability of the information first,

And confirm that the credibility of the information is high enough...

Before they will make advance deployment based on the information.

However, the mysterious person who revealed this information to them,

Said only one thing that put the entire security department on strict alert.

This mysterious person told the security department that,

The last time they were able to intercept the plane of Ruoli bank,

And the other experts of the Bank family were on at Osaka Airport, it was the information he provided.

In order to convince the security department, the mysterious person also gave some details of the information provided that day,

And when the security department on this side found that the situation did match very closely,

They immediately determined that the mysterious person this time,

And the mysterious person who helped them catch the Su family experts last time was indeed the same!

This also meant that this person's source of information was highly credible!

This immediately triggered the attention of the entire security department.

After the last Tokyo chaos and the tragic case of extermination of the Matsumoto family by Ruoli,

The security department had been criticized by the domestic public.

The success of Ruoli's escape from prison had caused the entire department to lose its face.

The original head had resigned long ago,

And the newly appointed head had been determined since his first day in office,

That he would not let that Tokyo fiasco repeat itself during his tenure.

Therefore, since that time, he has formulated a series of strict anti-terrorism programs,

And even requested that anti-terrorism units across the country be on 24-hour standby.

To ensure that no matter where a similar incident occurs in the country,

The nearest anti-terrorism unit will be in place within two hours,

While other anti-terrorism units will be in place within four hours.

This time, upon receiving the tip-off,

The security department immediately secretly transferred two counter-terrorism units from Osaka and Nagoya to Iga,

Sending more than two hundred soldiers from both places,

As well as more than ten special helicopters.

Before the Joules family's experts landed,

The Japanese anti-terrorist forces had already laid down a heavenly net in Iga.

Charlie had thought about it before,

How about revealing the flight information directly to the Japanese homeland security department,

Like he did last time with the Bank family.

In this way, the group of experts from the Joules family would be held down...

By the Japanese security services before they had a chance to get off the plane.

But when he thought about it, this time the situation was very different from last time.

Last time, a group of experts from the Bank family were captured by the Japanese security services after committing crimes.

But this time, this group of experts from the Joules family did nothing,

If they were directly held down by the homeland security department,

At most, they would be investigated, and after confirming that there was nothing wrong,

The security department would only have two choices,

Either let them enter the country or repatriate them.

In this way, things will become insipid and tasteless.

That's why he decided, by providing a tip-off,

To let the security services squat in Iga in advance.

At that time, once this group of experts from the Joules family met with the homeland security department,

There might be some unusual sparks rubbing off over there!

Chapter 4187

The Joules family sent this group of experts, the vast majority of them are martial arts masters from around the world.

In addition to Chinese martial arts experts, there are many experts who have studied martial arts from other countries.

In the field of international martial arts, Korea's taekwondo, Japan's karate, ninjutsu, Thailand's boxing, Brazilian jiu-jitsu,

As well as Western boxing and combat experts in Europe and the United States,

All have a place, and they are also very popular martial arts names in their respective fields.

However, most of these martial artists, do not have a complete internal martial arts method,

Most of them are just misguided to find a little bit of internal martial arts doorway.

And even in many martial arts schools, their internal martial arts techniques are also gradually lost,

So their practical combat ability did not open a large gap with other martial arts.

At this stage, there are many other countries' martial arts masters,

Can improve their strength to the same level as martial arts five-star, or even six-star martial artists.

It is even said that the martial arts in other countries,

There are also the top experts of the Patriarch level,

The real combat power, may not be worse than Wesley!

And the Joules family in order to enhance their own strength,

The martial arts experts of all walks of life are on the list,

Today sent a group of people, the strength can reach four-star martial artists,

There are nearly ten people, the rest are also in the two-star and three-star martial artist segment,

The overall combat power is still very strong.

After completing the customs formalities,

The group did not dare to delay and immediately took the bus to Iga.

According to their original plan, after arriving in Iga,

They are to immediately attack the Iga ninja,

Directly catching the thief first and in any case,

They had to control Hattori Hanzo,

As a bargaining chip to negotiate with Hattori Kazuo and exchange for Patrick.

Even the Joules family had already arranged a retreat plan in advance.

After capturing the man, they would immediately take him to the nearest port,

And leave Japan by boat to avoid the Japanese government's pursuit.

In the field of martial arts around the world, the ninja is not considered strong.

Only when the ninjas are in the shadows can their strength come into play,

Once the ninjas are exposed in the open, their combat power is greatly diminished.

Therefore, this group of experts of the Joules family was very sure about this operation.

However, when they arrived in Iga City,

They didn't know that the Iga ninja's compound had already been emptied.

And waiting for them here are hundreds of loaded and eager anti-terrorist troops.

The last time Xion Bank escaped from prison and disappeared at sea,

It has been a great shame for the Japanese homeland security department.

If Xion Bank had been missing, they could barely use the reason that she is probably dead to comfort themselves.

But unfortunately, after the battle of the Wada Mountain,

Xion Bank suddenly announced in a high profile to join the Dragon Hall, which put the Homeland Security Organizations in trouble.

Although the strength of the Dragon Hall is formidable, but it is impossible to go against the whole Japan,

But the Dragon Hall such mercenary organizations are very strong,

And the ability to infiltrate and destroy is very strong,

The Japanese side, in case of such a large mercenary organization, can do nothing,

Only hope that this group of mercenaries never come to Japan to cause trouble.

So in this case, they do not dare to ask for people from the Dragon Hall.

In fact, they also know very well in their hearts,

Dragon Hall is so well-informed, it is impossible not to know Xion's entanglement,

But even in this case, Dragon Hall also announced the addition of xion, which is clearly to cover her.

If the Japanese side really asked the Dragon Hall to ask for someone,

It will definitely be tied to the Dragon Hall.

Therefore, the Japanese side simply pretended to be deaf,

And did not express any opinion about Ruoli's joining the Dragon Hall.

But in this way, it also made Japan's homeland security department wildly condemned by the domestic public.

The security department, which was holding its breath,

Had been trying to find an opportunity to make a turnaround,

But the current situation in the country, which is peaceful inside and outside,

Simply did not have a stage for them to play on.

In the domestic, the Ito family with an absolute advantage to become the country's first family,

Several major ninja forces are also dependent on the Ito family,

So that the big family and ninja forces completely stopped the internal fighting.

And abroad, since the escape of xion, there is nothing outside the power to focus the target on Japan,

All of a sudden the entire security department hung out to dry on the pillar of shame.

So, this time the mysterious informant, it became the key to the entire security department to turn around!

.....

Iga City itself is a very small city compared to a standard definition of a city.

In such a small city of 10,000 people, the majority of the population are farmers,

Who work hard in the surrounding countryside, and there are only 2,000 to 3,000 residents living in the city.

Among these two to three thousand people, the Iga family's own people accounted for a few hundred.

Among the rest, apart from the civil servants,

More than half of the ordinary citizens are serving the Iga family.

Therefore, in the center of this small town, most of the mansions are the assets of the Iga ninja,

And the Iga family is the owner of the city.

Now, after the departure of the Iga family as the owner,

Many of the people who serve the Iga family in this small town also received notice,

To take a temporary leave of absence from their homes.

This small town became dead all of a sudden.

Moreover, since the place is so small and the only selling point is the Iga ninja,

There is little room for the tourist industry to develop both vertically and horizontally,

So that the number of tourists here is also pitifully low.

Chapter 4188

In addition, it was already nighttime, and even the streets were so empty that there was not even a single tourist in sight.

For such a small town, the influx of hundreds of people in one breath seems a bit abrupt.

When the Joules family's men arrived in Iga in dozens of cars,

The anti-terrorist forces, who had been in ambush position in Iga, had already discovered their presence.

So the anti-terrorist forces began to rub their fists together,

Waiting for a suitable opportunity to neutralize the gang in one go.

This group of experts sent by the Joules family had also discovered something unusual at this time.

They originally thought that even if Iga City was small,

A hundred or so people coming in should still not be too conspicuous.

But now, the situation is very different from what they expected.

There were very few cars coming and going on the street,

And as they drove into Iga from various intersections one after another,

The street was almost full of their cars.

A deputy captain felt something was wrong and said to the captain of another car on his cell phone,

“Boss, why do I feel that something is not right? It's dead everywhere

“Yes

That captain also showed some puzzle, simply ignored him and said:

“Iga ninja’s residence is in the center of the city Iga County Castle,”

“Most of the members of the Iga family live there,”

“Including the leader of this generation Hattori Hanzo,”

“We must do it as soon as possible later to catch people as fast as possible,”

“The city has the advantage of being small, the police here is estimated to add up to no more than fifty people,”

“Armed police is estimated to be even twenty people,”

“Basically we do not have to worry.”

“And the traffic route here is very good,”

“The retreat is also easier, in short, it is good for us!”

The people heard him say so, so they did not think much about it.

However, at this time, there was not even a stray dog in the huge Iga Prefecture.

However, at this time, Iga Prefecture is bright as fire.

Just two hours ago, the Iga ninjas were ordered by Nana Ito to sneak into Iga Castle,

And disguise it as an inhabited place, and prepare a super gift for the Joules family experts.

Unaware of the deception, the group of experts of the Joules family scattered in all directions in the night,

And effortlessly tumbled through the outer wall into the Iga Castle.

At this time, the counter-terrorism unit was monitoring the group's movements,

Closely through the drones deployed hundreds of meters above the ground.

Seeing them all quickly sneak into Iga Castle,

The person in charge of the scene immediately asked the commander for instructions:

"Sir, the targets have all entered Iga Castle, all helicopters are ready,"

"Snipers have occupied all the high points around the Castle,"

"Please order whether to carry out the arrest? We're going to capture them."

The commander immediately said, "Don't be in a hurry!"

"It seems that their target is the Iga ninja,"

"So since we have already set up a net, we might as well wait for them to fight!"

His men hurriedly said, "Sir, if we do it now,"

"We can neutralize them all and minimize the damage before they do!"

The commander said in a cold voice: "If we do it now, what will they be punished for?"

"Trespassing? The public will laugh at us when we announce that we have caught a group of criminals breaking and entering!"

"That's why we must wait for them to make the first move,"

"And make a big deal out of it, and then we will catch them!"

As soon as the words were spoken, explosions suddenly erupted throughout Iga Castle!

The violent explosion made the entire Iga City felt like an earthquake,

And the Iga Castle, which covers hundreds of thousands of square meters, was instantly in flames!

At least ten explosive sites within Iga Castle were detonated at the same time,

And the wooden buildings inside, which were at least three to four hundred years old,
Were instantly plunged into a sea of fire!

The hundred or so Joules family experts who had just sneaked into Iga Prefecture were instantly killed and injured!

These martial arts masters from all over the world never dreamed that...

What awaited them were not Iga ninja armed with long swords, but powerful and potent explosives!

More than half of them were seriously injured in the explosion alone,

And the fires that ignited after the explosion made it difficult for the rest of them to retreat!

In the midst of the fire, desperate screams can be heard from time to time,

Like a purgatory, making those who are alive even more frightened!

The commander of the Homeland Security Department was watching the live broadcast through the drone screen,

And was stunned at the scene of the violent explosion.

He also did not expect that the Iga ninja would be so unmartial.

The duel between martial arts masters, shouldn't it be a cold weapon?

How did it blow up like this all of a sudden? What can we do now?

Hundreds of anti-terrorist elites got the news in advance,

And still, let such a big thing happen under their noses,

If this gets out, the reputation of the homeland security department is lost!

Nervous, he had a flash of inspiration and immediately said,

“These terrorists dare to create such a horrific attack in our territory,”

“All anti-terrorist forces immediately mobilize, arrest them all!”

The drones zoomed in to show that they lost a lot of money in the explosion. Maybe the Iga ninja did it!”

The commander immediately said, “Baka! Their original intention was to cause multiple terrorist bombings in Iga City,”

“But thanks to our early detection and containment of these terrorists in Iga City,”

“We were able to force the vicious terrorists to detonate their bombs with the intention of dying with us,”

“And our anti-terrorist elite, under the proper command of Homeland Security,”

“Not only did they not suffer any damage, but they also protected the entire population of Iga City.”

“A perfect anti-terrorist operation!”

Chapter 4189]

The Iga ninja, who were sitting on the plane to the United States, were still in a somewhat sad mood.

Their clan has survived in Japan for hundreds of years,

But this is the first time the entire clan has fled from their homeland.

Many of them were still longing for the time when they would be able to return to their homeland.

However, they never dreamed that their centuries-old home had been blown to pieces at the behest of Charlie.

The fire was still burning wildly and at this time,

The group of experts of the Joules family had been killed and injured,

But all those who were injured in the explosion almost did not escape,

And those who managed to escape the explosion and fire were in shock,

Then suddenly found that several helicopters flying around, from each helicopter on both sides,

Are hanging the anti-terrorist elite force personnel.

These anti-terrorist elite force, relying on the fixed rope hanging on both sides of the helicopter hatch,

The hands of a very strong assault rifle and the gun have long been locked on these experts like a lost dog body.

The funny thing is when these lucky Joules family experts saw the anti-terrorist forces,

The first thought in their minds is not to worry and fear, but rather a complete sigh of relief!

Now they felt that they were completely victims.

They flew over to Japan for more than ten hours, and just arrived at the place without doing anything,

And then they encountered such a horrible explosion, which is clearly that they were attacked.

Moreover, they do not know, this gang of Iga ninjas in addition to the bomb in the house, Maybe have made other forms of ambush, in case these guys have a backhand, Then they are afraid that none of them can escape.

So, when they saw the anti-terrorist forces, their first thought was that they were finally saved!

So, among these Joules family experts, someone actually stood up and waved toward the helicopter,

Shouting, "We are here! Come and save us!"

Others followed suit and shouted to the anti-terrorist forces for help.

Immediately afterward, nearly a hundred members of the counter-terrorism unit,

Quickly descended from the helicopter to the ground by the ropes.

Before the experts of the Joules family could react,

The members of the anti-terrorist unit pointed their guns at them.

"No one move, get on the ground immediately and raise your hands to a position where we can see them!"

"No one should resist, or they will be killed!"

The head of the Joules family masters shouted, "This is all a misunderstanding, we are also victims,"

"It was the ninja of the Iga family who really planned the explosion!"

These anti-terrorist elites did not listen to their explanations and immediately rushed forward,

And handcuffed all of them backhanded, while using very strong nylon ties to tie their wrists,

Back and forth several times in order to prevent them from breaking free.

Afterward, several special forces cars stopped outside the Iga castle gates,

And the commander gave an order to bring all these people to the cars.

These experts of the Joules family, there were one hundred and thirty of them when they came,

But now less than thirty of them were taken to the car.

The remaining hundred or so people, most of them were already dead,

Only a very small number were seriously injured, and the scene was tragic.

Immediately afterward, a spokesman for Japan's Homeland Security Department issued an emergency announcement to the outside world,

Which stated that the Homeland Security Department had uncovered a terrorist attack,

By an offshore terrorist organization in Iga City tonight.

The brave special forces troops rushed to trap all the terrorists...

..in a residential house in Iga City before they could cause massive trouble. A great victory.

Chapter 4190

This news immediately exploded into the night in Japan.

After a few months of calm since the last Tokyo chaos, the people were surprised to hear about a new terrorist attack today.

However, the good thing is that their special forces are brave and good at fighting, avoiding tragedy.

This is really a great relief to many people,

And also makes everyone's impressed on the homeland security department.

However, there are still many people who cannot understand why these terrorists,

Those who came from outside the country did not target big cities like Tokyo, Osaka, and Nagoya,

But instead found a small place between Osaka and Nagoya to carry out terrorist attacks.

This query, too, resonated with a lot of people on the Internet.

People really can't figure it out. The feeling is like a group of well-organized thieves...

Who traveled thousands of miles to your house,

But didn't steal anything before, but just took an egg from the chicken nest.

The Japanese security department was busy bringing the suspects caught at the scene to Osaka for interrogation,

And their chief, also immersed in the joy of this turnaround,

He was a bit overwhelmed when he saw the growing number of questions on the Internet.

But he did not dwell too much on this issue, after all, the story is told,

Anyway, they did capture a group of foreign forces, this even dead and more than a hundred people...

They are not the actors they found, this credit can not be erased.

Charlie has been paying attention to this side of public opinion,

Seeing the white gift to the Japanese security department,

Seeing that the network of doubt is getting louder and louder,

And this homeland department did not come out to further explain, Charlie could not help but for them to sweat.

So, he immediately called Nanako Ito, instructed her to help arrange some support,

And hurried to find a few reasons for the Japanese homeland security department.

A voice soon appeared on the Internet, and someone told netizens as someone,

Who was in the know, that the terrorists had in fact only deliberately chosen Iga City,

A small place, as their base, and that their real purpose was to launch terrorist attacks...

On the two major cities nearby, namely Osaka and Nagoya,

By splitting their forces in two directions immediately after they had finished their assembly...

After they would have completed all the preparations in Iga City.

It was because of the early detection of the Japanese homeland security department that these two major cities were spared.

So from this point of view, the Homeland department takes the most credit.

Once this statement was made, those doubts immediately dissipated.

After all, this argument is justified, Iga City, a small place,

Just sandwiched between these two big cities,

Hiding here to premeditate the attack against these two cities, really makes sense.

So, the internet is again full of praise for the Homeland Security Department.

The homeland security department itself is also very puzzled,

They did not expect such a statement, did not expect someone to help them find such a good solution,

This is like you are feeling sleepy and someone handed you the pillow!

So, they also simply immediately packaged this set of rhetoric and immediately released it.

This time, the situation was instantly and completely stabilized.

At the same time, the news from Japan also reached the ears of the Joules family.

Roger hurriedly ran to his father, Floyd, and said with a panting voice, "Dad! Something big has happened again!"

When Floyd saw Roger's panicked appearance, he couldn't help but frown and say:

"How many times do you want me to tell you?"

“Can’t you have some composure! You’re the son of the Joules family,”

“But you’re in a mess when you encounter something.”

“If outsiders know about it, where can you put your face?”

Chapter 4191

Roger did not care to explain, swallowed his saliva, and said in a panic:

“Dad! Something big has happened in Japan!”

Floyd looked at the time and said, “What’s the big deal?”

“They just reported to me the progress not long ago,”

“They should have just started to penetrate the Iga ninja’s compound,”

“So something big has happened so soon? What’s the big deal?”

“Could it be that they’ve alerted the snake?”

“Not,” Roger said offhandedly, “Japan’s homeland security department released a news,”

“That there was a terrorist attack in Iga Castle, where the Iga ninja are located,”

“And a group of terrorists from outside the country,”

“Intending to create a terrorist attack in Osaka and Nagoya Terrorist attacks,”

“Was discovered in advance by Japan’s homeland security department,”

“The terrorists used explosive bombs in a vain attempt with the anti-terrorist forces,”

“Resulting in their own death and wounded most, and the rest were caught!”

Floyd heard this paragraph, the first thought is, they sent all the elite,

They certainly can not go wrong, this so-called half of the dead and wounded, the dead must be Iga ninja.

So, he said with some anger, "What's the situation? These guys blew up all the Iga ninja?"

"These sons of bitches, I told them not to make too much noise in Japan!"

"Let them take the people out of there first, how the hell did they do that?"

Roger said tearfully, "Dad, you don't understand, the Japanese homeland security department said,"

"It was foreign terrorists! The dead and wounded are also foreign terrorists!"

"It's not the Iga ninja, it's our people!"

"What?!" Floyd's eyes went black and he asked,

"Are you saying that half of our people are killed or injured? How did they die?"

Roger said, "The news said that our people had prepared bombs in advance for a terrorist attack,"

"And when they were discovered, they detonated the bombs!"

"Bullshit!" Floyd roared in anger: "All the people I sent were martial arts masters,"

"How could they have used bombs to carry out the attack?"

“What’s more, they went to Japan by plane, even if they had bombs,”

“They couldn’t have brought them in by plane,”

“And they couldn’t have gotten bombs in such a short period of time!”

Roger said helplessly, “Dad, that’s what the news said, I’ve asked people to contact the people we sent there,”

“And now the situation is that none of them can still be contacted!”

“I’m worried that they are really in bad luck

Floyd grabbed his treasured alabaster pot and viciously slammed it to the ground, roaring in anger,

“Dmn! Iga ninja are determined to go to war with my Joules family?”

“This must be a trap laid by those ba5tards! Not only did they kill our men,”

“But they also made our men take the blame! What an outrageous piece of filth!”

After saying that, he looked at Roger and ordered through clenched teeth,

“Hurry up and have someone go and get information first,”

“I want to know how many of our men are killed,”

“How many are injured, and how many are captured!”

Roger hurriedly said, “Dad, I contacted the Japanese intelligence officers,”

“And told them to go and find out the information.”

Chapter 4192

Floyd added, “Make sure to erase their files and exit records,”

“And never let this matter implicate the Joules family!”

“If the Japanese land security department follows their line to the Joules family,”

“We will bite the bullet and we should not admit it!”

“In addition, since they have announced that our people are terrorists,”

“They are definitely ready to plant evidence to frame us.”

“So you find a way to give them a message, as long as they do not bite the Joules family,”

“The family will pay a fee of twenty million dollars per person!”

Roger said worriedly, “Dad, I’m afraid now that one of them can’t carry the interrogation and can put us down!”

“There is no need to worry too much about this,” Floyd said in a cold voice:

“They are all smart people, their families are outside if they go against us,”

“Let his family bear the cost in minutes, at this time they will definitely keep their mouths shut,”

“And then wait for our news, as long as our conditions satisfy them,”

“They will not give us up even if they die.”

Roger breathed a little easier and asked, “Dad, what about the Iga ninja?”

“They dare to fight us so hard, they seem to be prepared!”

Floyd sighed and said resentfully, “This matter can only be shelved for the time being,”

“And considered in the long run, otherwise once we push the other side, they will probably hurt Patrick.

Roger said worriedly, “Dad, the other side only gave us 48 hours,”

“If we can’t get 200 billion dollars of cryptocurrency, Randal will be in danger

Floyd nodded, gritted his teeth, and said, “Don’t worry, if there is really no other way,”

“Two hundred billion dollars of cryptocurrency I can give him,”

“Although the money is a lot, but the Joules family can still afford it!”

“But this money, even if he has a life to earn, but also certainly not life to spend!”

.....

At this moment, more than two hundred kilometers away from New York, Providence.

Charlie sat alone on the hotel sofa and casually looked at the time on his phone.

There were less than 24 hours left before he gave the Joules family the 48-hour time limit.

Once the final time had passed, he was going to launch a final general attack on the Joules family.

So, he started the next phase of his deployment.

The first thing Charlie did was to once again have Nanako let the wind out to inform the public,

That this bombing in Iga Castle was inextricably linked to the Iga ninja,

That the truth of the matter was that the Iga ninja were in cahoots with this group of terrorists,

And that according to reliable information, the Iga ninja had already fled Japan first.

The reason for this is that Charlie intends to completely pull the entire Iga ninja down.

Once this news was released, the claim that the Iga ninja had left Japan ahead of time would soon be corroborated.

At that time, everyone would think that the Iga ninja were indeed in contact with this group of terrorists,

So that it was unlikely that the Iga ninja would ever return to Japan in their lifetime.

In addition, Charlie also called Stella scot.

On the phone, he asked her about the location of the cargo ship that was headed to Syria to deliver food.

Stella told him that the cargo ship was about to pass through Sri Lanka,

And enter the Arabian Sea, and would sail into the Gulf of Aden in a few days.

Charlie immediately instructed her, "Stella, after 24 hours, you should let the cargo ship anchor in place,"

"And I will ask the head of the armed escort of the Dragon Hall to contact you."

Stella didn't know the reason, but still agreed immediately,

And then made a phone call to have the cargo ship temporarily anchored in the sea near Sri Lanka.

After that, Charlie called Wesley and instructed him,

“Wesley, the cargo ship will stop in the sea near Sri Lanka 24 hours later,”

“Arrange a plane to wait in Colombo after the cargo ship stops,”

“You send a helicopter to take Freddie, Michaela, and Xion to Colombo,”

“And make them fly to New York to see me after they arrive in Colombo. “

Wesley said without a second thought, “Mr. Wade, I will follow your orders.”

Chapter 4193

At this time, the eastern sea of Sri Lanka.

Due to the time difference, although it is already late at night in Japan,

The sunset here is just kissing the sea level in the west.

The gorgeous sunset stained the entire sea level with fiery red color, and the scenery is wonderful.

A great variety of seabirds soar in the sky,

And on both sides of the bow, there were many dolphins chasing the cargo ship,

And leaping out of the water from time to time.

This rare beauty, for the crew who often drifted at sea, has long been usual,

But for Michaela, this is really a beauty that has never been seen before.

She is standing at the bow of the ship,

Looking at the beautiful scenery, the mood is suddenly much more relaxed.

These days, aimlessly drifting in the sea, and with no news from the outside world,

So her entire mental state has been very decadent.

Not only her, but the elderly Freddie is also even more devastated this time.

And, because there has been a heart of resignation,

Freddie this time has not been able to let go of the slightest,

The whole day sighing and lamenting, secretly sad.

And what Micheala can not let go of is the thought of Charlie, which is inexplicable.

Unconsciously in her mind, it is the image of Charlie,

And then all of a sudden lost interest in everything,

Involuntarily fast-forward through the whole process of her acquaintance,

With Charlie roaming in the brain again and again.

At this moment, she looked at the beautiful sunset over the sea,

And unconsciously thought of Charlie, and even sighed in her heart:

“If only Charlie was here too In that case,”

“No matter where this ship is going, I would not worry and there would be no nervousness

At this time, Xion Bank stepped to her side and spoke,

“Miss Joules, it’s time to go back to the cabin,”

“The sea men will come up for a routine inspection later.”

These days out at sea, she and Xion Bank have become familiar with each other, and the two have become friends.

Micheala nodded gently and asked her, "Xion Bank, have you ever been to sea before?"

"Sort of went out" Xion Bank smiled faintly,

"After my accident in Japan, it was Mr. Wade who saved me from the sea."

Micheala sighed: "It seems we both owe him a huge favor."

"Yes." Xion Bank said seriously, "I have decided that I will follow him,"

"For the rest of my life, as a dog and horse, and I hope to do more for him."

Micheala nodded and said, "I also have the same idea as you,"

"I just don't know if there is still this chance."

Xion Bank said, "Of course there is! You are so smart and have seen a lot of the world,"

"You are a high-end talent that Mr. Wade is desperately in need of."

Micheala sighed and said helplessly, "But my status is too special now,"

"My uncle must be looking for my whereabouts everywhere,"

"If he knows that Mr. Wade saved me and grandpa,"

"I'm afraid it will only bring trouble to Mr. Wade."

Xion Bank comforted, "You don't need to think so much now when you get to Syria,"

"Just settle down for a while, take care of your grandfather,"

"There might be a chance to turn things around in the future."

“Mmm!” Micheala nodded heavily and said with a longing face,

“I hope there is still a chance in the future!”

At this time, Micheala did not know that there were less than 48 hours left before she would return to New York.

.....

A few hours later in New York, USA.

Three Boeing 777 planes finally landed at New York’s JFK Airport.

The Iga ninja and their families had just left customs,

And were taken away separately by the soldiers of the Dragon hall.

All the adult males were brought to Long Beach,

While those who were old and sick were all placed in a suburban estate.

Chapter 4194

Hattori Hanzo was taken with his clan to the villa,

Rented by Wesley in Long Beach, and met his son, Hattori Kazuo, here.

When father and son met, they naturally sighed with emotion and tears.

Hattori Hanzo said with regret, “Kazuo

“If I had known that the trip to America would turn out to be so bad, your father would not have sent you here

Speaking of this, Hattori Hanzo lamented,

“Now hundreds of people have been reduced to the point of leaving their homes,”

“And there is no telling when they will be able to go back

“Going back?” Hattori Kazuo gave a bitter laugh and said,

“Dad, we can’t go back to Japan in this lifetime.”

Hanzo asked in surprise, “Why?”

Kazuo asked him, “You haven’t received the news yet, have you?”

Surprised, Hanzo asked, “Has something happened?”

Kazuo nodded and said with difficulty to hide his pain,

“Our Iga Castle has become a ruin

“What?” Hattori Hanzo’s jaw dropped as he listened and blurted out,

“We just left the county not long ago,”

“Everything in the county was still fine when we left, how could it become a ruin?”

Kazuo saw that his father knew nothing about what was happening in Japan,

So he hurriedly told him all the news he had received.

After hearing this, Hattori Hanzo’s eyes went black and he almost fell over.

A few moments later, he came back to his senses and said with a face full of pain:

“The county castle was built brick by brick by my Iga ninja ancestors

“After so many years of hardship, it

“After I die, how can I face the ancestors of the Iga ninja

Hattori Kazuo said helplessly, "Dad, now this situation, we can escape from Japan is already very good,"

"Now the homeland security department identified us and the Joules family experts are in cahoots,"

"Also identified us as suspicious accomplices of creating a terrorist attack,"

"Now we back home have become street rats everyone is shouting at....."

Hattori Hanzo hurriedly said, "Quickly release a statement to the public!"

"We have nothing to do with the death of these people!"

Hattori Kazuo said, "How can I do that If we issue a statement now,"

"Not to mention whether the government will believe us,"

"Mr. Wade's side, we can not explain ah!"

"The consequences of disobeying Mr. Wade are much worse than becoming a street rat"

After Hattori Hanzo heard these words, his heart was instantly grieved.

Although the destruction of the centuries-old county castle caused him immense heartache,

But the buildings were destroyed at least they could be rebuilt.

However, now the entire Iga ninja had taken on a heavy black pot,

Which, once taken on, was likely to be a lifetime

He immediately covered his face in pain and wailed under his breath,

“I am sorry to the Iga ninja and to the ancestors”

Hattori Kazuo hurriedly consoled, “Dad, now is not the time to think about this,”

“Our immediate priority now is to hurry to fully cooperate with Mr. Wade’s next arrangements,”

“If we really become the credit of Master Joules to regain power,”

“Even if we can never return to Japan in the future, it does not matter,”

“We can still make the Iga ninja bigger and stronger overseas!”

Hattori Hanzo nodded approvingly and asked,

“By the way, Mr. Wade asked us to come over, what exactly are the orders?”

Hattori Kazuo shook his head and said,

“I’m not sure exactly, anyway, Mr. Wade told us to do what we do,”

“So, we will do what we have to do, listening to his orders will never be wrong!”

Hattori Hanzo nodded and said, “You’re right, that’s all we can do now.”

As soon as the words left his mouth, Wesley came over and said to the two of them,

“Mr. Wade has ordered you to make a video immediately,”

“Claiming that those experts of the Joules family are the close partners of the Iga ninja,”

“And that the Iga ninja are responsible for the explosion in Iga City,”

“And also for the premeditated attack planning on Osaka and Nagoya!”

Chapter 4195

Kazuo just finished listening to Charlie's orders he couldn't believe it,

But he did not expect that Charlie turned his face and let Wesley give his family such a dumb mission.

Hanzo's expression was also very embarrassed, at this time,

If he publicly announced that he had cooperation with those experts of the Joules family,

And was responsible for the terrorist attack that did not happen,

It would not be tantamount to cutting himself off from the Japanese people?

The people over there, who do not know the truth will definitely swear at the Iga ninja,

And the reputation of the Iga ninja will not be able to turn over in this life.

Kazuo also could not help but open his mouth and plead,

“Master Drake If we really make this statement

“Our ancestors' hundreds of years of accumulation will be destroyed in a moment.....”

“Can you please plead with Grandmaster Wade and ask him to leave a way out for us.....”

Wesley said coldly: “Kazuo, you came to the United States from Japan and attempted to kidnap Miss Sun,”

“Which is a capital crime in itself, now Mr. Wade spared your life and gave your clan a chance to develop at sea.”

“What do you want to leave behind? Are you Iga ninja still planning to return to Japan in the future?”

“If you still plan to go back to Japan, then why would Mr. Wade give you this opportunity?”

“You should know that if Mr. Wade had not brought your clan to America,”

“In time, you would have all died last night!”

Kazuo was dumbfounded, and Hanzo, who was on the side, choked up and said,

“Master Drake We Iga ninja have had a reputation for many years,”

“If we really let our reputation go down, we will be faceless in front of the ancestors of the Iga ninja!”

“The Iga ninja will follow Mr. Wade’s orders wholeheartedly from today onwards,”

“And you will never go back to Japan in your lifetime.”

“What the Joules family will do to you next is your own problem.”

After saying that, he pointed at Kazuo and said coldly,

“But Kazuo, your father, and the others can leave, but you and your seven men cannot leave,”

“Since you cannot accept Mr. Wade’s conditions, then be prepared to be punished.”

Kazuo was flustered and said without thinking, “I am willing to follow Master Wade’s lead!”

After saying that, he hurriedly looked at his father again and said,

“Father! You have to say something! If you don’t agree, even if the Iga ninja returns to Japan,”

“They won’t be relied upon by the Ito family, and the future will still be in danger!”

“But if we stay in America, when Mr. Wade takes care of the Joules family, our future will be bright!”

Hanzo pondered for a moment and said through clenched teeth,

“Okay! Iga ninja, I wish to do everything as Master Wade arranges!”

Wesley nodded in satisfaction and said, “In that case, then don’t delay,”

“I’ve already had the room set up, you two go shoot the video now.”

.....

Ten minutes later, a video recorded by Hanzo and Kazuo personally, appeared on the internet.

In the video, father and son are sitting in an empty room,

Which is completely plastered with white background paper from the studio”

“In order to avoid being identified, the father and son face the camera and are telling a shocking truth.

It turns out that the terrorist attack that occurred in Iga City last night was planned by them,

In conjunction with forces from outside the country,

And the explosives in the attack were all provided by the Iga ninja,

And they also gave up their Iga Castle to these terrorists.

But to their surprise, the matter was known in advance by the Homeland Security Department,

Which subsequently rounded up the members of the foreign forces.

After the father and son explained what happened, they also officially announced,

That the Iga ninja would be responsible for the incident.

As for the reason why the Iga ninja did so, Hanzo explained that,

It was because they were very upset about the unfair treatment,

The Iga ninja had suffered during this recent period and decided to create some noise to express their protest.

Chapter 4196

In addition, Hanzo did not reveal the true identity of those forces outside the country in the video,

This was also because Charlie had given his authorization.

Although he intended to make Patrick a street rat,

He was not prepared to bring the entire Joules family into disrepute.

After all, in his planning, the Joules family is still to be handed over to Freddie Joules to continue to operate,

If the entire Joules family are tossed half-dead, in the future,

Even if Master Joules re-take over, the entire Joules family has become a mess.

In the future, Master Joules will probably still have to spend \$200 billion to buy the Rejuvenation Pill,

And for this kind of potential big customer, he still has to try to keep more energy.

As long as this time the line of Patrick and his father and grandfather is abolished,

And then the matter of how they forced Freddie out of the Joules family is exposed,

Freddie can take back the control of the Joules family in name only.

Soon, the video sparked a huge reaction on the Internet.

The world knows that a horrific terrorist attack took place in a small town in Japan yesterday,

And everyone is concerned about the inside story and the follow-up of this matter,

But they did not expect someone to come out and admit it so soon,

And it is also the famous Iga ninja in Japan.

Most of the foreign netizens were just watching the fun,

But the Japanese public could not be calm and in an instant,

Countless people on the Internet raged against the Iga ninja, calling them the shame of Japan.

Some people even proposed to search for the Iga ninja all over Japan and arrest them all,

And put them in jail. Some right-wingers even called on the largest Yamaguchi group in Japan,

To hunt down and kill the Iga ninja in order to cleanse Japan of traitors.

Hanzo and Kazuo, father and son, saw the overwhelming insults on the Internet and nearly fainted from the pain.

Japan's homeland security department was also dumbfounded.

The original is to receive a tip to catch a group of people,

Intended to take advantage of the opportunity to give them a bigger crime,

So as to restore the face of the previous loss,

But who would have thought that the lie was made up, but became true?

Now, the most furious is the Joules family.

When he saw the news, Floyd wanted to tear down his home and cursed angrily:

"Iga ninjas have some big fcuking disease!"

"Why did they suddenly jump out and release a video saying they are terrorists for no good reason?"

"Just to fcuk with us? Isn't that like killing a hundred enemies and losing a thousand?"

Roger was also confused, and after watching the video several times,

He gritted his teeth and said, "I don't understand it either, isn't this like eating sh!t and spitting it on others?"

"I really can't understand their brain circuit, they are so screwed, they are not finished?"

Floyd sighed and said with a resentful face, "They are still only killing a hundred enemies,"

“If they expose us, or if the Japanese homeland security department finds us out,”

“Then we will really be in big trouble! And Patrick is still in their hands, we are really too passive

Speaking of this, Floyd clenched his fist and slammed the table, angrily:

“Really not good to see, the kid is difficult to deal with!”

“I really did not expect that a mere ninja family could force my Joules family to this point!”

Roger said with a worried face, “Dad, the time given by the kidnappers, not much left of it.....”

Roger’s statement that time was running out made Floyd even more worried.

He couldn’t help but question Roger:

“We sent so many people and offered so much money, and still haven’t found any clues?”

“No

 Roger spoke: “Our people, as well as these local gangs, are almost digging up the whole New York,”

“But there are just no clues

Floyd angrily rebuked: “All a bunch of rice buckets! Especially those intelligence officers,”

“Usually so much money to feed them, just to let them play a role in critical moments,”

“But the more this time, the more they are useless!”

Chapter 4197

Roger said helplessly: “Dad, this time we can not blame our intelligence personnel,”

“Mainly because the kidnappers are too cunning, they really did not leave a single clue,”

“Intelligence officers are good at following the vine to find the melon,”

“To strip the cocoon, but the premise is to have a vine to feel,”

“There are silk to draw, not to mention our intelligence personnel,”

“Even the officials have no clues about the case so far

Floyd suddenly remembered something, said off the cuff:

“Right! What did the police say? That Jack lee is not a Chinese detective?”

“He has also been investigating, why is there no movement so far?”

“This” Roger said resentfully, “I didn’t contact Jack , I can’t piss in the same pot with this guy.”

Floyd coldly asked, “Jack seems to be very close to Desmond of the Evans family?”

“That’s right.” Roger nodded and said, “He has a good relationship with Desmond.”

Floyd instructed: “Make a phone call to ask him, see if the police have any findings,”

“If the police can find the kidnappers, then everything is okay,”

“But if not, we want Patrick to live,”

We must first give out the two hundred billion dollars that the kidnappers want,”

“If the money is really handed over, and can not catch those people,”

“Then the money, to recover it will be difficult, that crypto thing completely anonymous,”

Roger said, "I know dad, I'll give Jack a call later."

Floyd looked at him, hesitated for a moment, and said in a serious tone,

"Roger, this matter has developed to this point,"

"You and I should be prepared mentally enough."

Roger expression stunned, busy asked, "Dad, what do you mean"

Floyd also did not cover up, said seriously: "Be prepared for Patrick not to return."

Hearing this, Roger's face instantly became miserable white, his lips trembled slightly, and said,

"Dad The other party is only seeking money, it shouldn't be enough to harm lives, right?"

Floyd sighed and didn't answer his question, instead, he looked at him and opened his mouth to ask,

"Roger, do you know what is the biggest negative impact on the Joules family,"

"Caused by your grandfather being in power for too long?"

Roger didn't know why his father was asking this and shook his head blankly.

Floyd lamented, "The biggest negative impact, from me to you, and then to Patrick,"

"Our grandchildren's business ability is far from keeping up with the rhythm of this huge family,"

"If everything is running smoothly, it is the same as an airplane on autopilot,"

"I only need to sit in the pilot's seat to ensure that it moves forward normally,"

“But once the unexpected events, even I do not have a good ability to cope with it.....”

Speaking of which, he looked at Roger and said seriously:

“The question you just asked me is completely inconsistent with your identity,”

“Think about it, if you are a robber, you kidnapped for ransom to the tune of two hundred billion dollars,”

“And the whole process of your kidnapping is handled seamlessly,”

“And the cryptocurrency in hand can be slowly realized without risk, in this case, you will release the hostage?”

Roger was speechless for a moment.

Floyd looked at him and could not help but sigh:

“Still have to admit the gap ah

“If your grandfather were here, he would not be so passive as we are

Roger let out a lament and said, “Dad Grandpa and Micheala are still missing,”

“We have invested a lot of manpower and resources to find them,”

“But we have not found a single clue I used to think that the overall strength of the Joules family,”

“Now can it be ranked in the top ten in the world, almost all-powerful,”

“But these two times in a row made me realize that our overall strength may still be far from

Floyd said with a serious expression, “When this matter passes,”

“No matter what the result is, we must improve ourselves as soon as possible,”

“Otherwise, it is difficult to ensure that the Joules family can be everlasting

Roger asked carefully, “Dad, Then what do you think, what is the probability of Patrick coming back safely?”

Floyd thought about it and said seriously, “Frankly speaking, it won’t be more than 10%

Chapter 4198

Just at this time, the butler quickly ran in and spoke,

“Master, Young Master, Inspector Jack is here!”

“Jack lee?!” Floyd frowned and asked, “What’s he doing here?”

The butler explained, “He said there’s something he wants to talk to you in person,”

“Master, it’s about the young master.”

Floyd nodded and said in a cold voice, “Good! I was looking for him, he came by himself, invite him in!”

Soon, Jack walked into Floyd’s study alone.

When he saw Floyd, Jack greeted him with a leathery smile, “Mr. Joules.”

Floyd nodded expressionlessly and asked him,

“Inspector Li, it has been more than 24 hours since my grandson got kidnapped,”

“May I ask if your police have any clues?”

“Not yet.” Jack said very frankly: “I believe Mr. Joules should also be sending people to investigate this matter,”

“You should know that the other party’s clues are handled very cleanly,”

“As if they have evaporated, even if we bring in the FBI and NSA,”

“I’m afraid it would be difficult to find clues within 24 hours.”

Floyd questioned with some anger:

“You are a Chinese police detective, you can not find the person lost,”

“And still have the face to come to my home to see me?”

Jack smiled and was not angry at Floyd’s attitude, but said,

“Mr. Joules, I came here to consult with you about something,”

“I think that in this situation, we both can exchange what we have and what we don’t have,”

“Maybe there is some kind of cross-clue in this case,”

“If there is, then this may be the key to our solving the case.”

On the side, Roger questioned, “What is a cross clue?”

Jack explained, “It is two seemingly unrelated clues,”

“But after careful combing, you may find that they exist at a certain point of intersection,”

“Once you find this intersection, it is likely to find more clues.”

Said, Jack added: “This is like I found a safe hidden in the dark by Patrick,”

“But do not know the password of the safe, how can I crack it;”

“And you, although you don’t know the existence of this safe,”

“Nor do you know the password of the safe, but you know who Patrick’s favorite woman is;”

“Let’s take these two clues and put them together,”

“Maybe we can use that woman’s birthday to open this safe;”

“In other words, it means that we all have to exchange clues so that we can have the possibility to go further;”

“Otherwise, I may not be able to open this safe for the rest of my life,”

“And you may not know about the existence of this safe for the rest of your lives;”

“This is what I mean by cross clues.”

Floyd subconsciously nodded and opened his mouth to ask:

“Since you said that, you should have found some kind of clue similar to a safe,”

“Right? Might as well tell us first.”

After a slight hesitation, Jack said dryly,

“Okay! In that case, then I will speak first!”

Then, he looked at Floyd and Roger and said very seriously,

“I think that the kidnapers kidnapped Patrick, most likely not for money.”

“Not for money?!” Floyd frowned and asked, “Not for money than for what?”

Jack said seriously, “It should be for the purpose of unleashing a fatal blow to the Joules family!”

“A fatal blow?” Floyd was even more puzzled and asked after him,

“If someone really launched a fatal blow to the Joules family,”

“Then how could he do that if he just kidnapped Patrick?”

“Even if I give them the \$200 billion ransom they want,”

“The Joules family will only be slightly wounded, far from a fatal blow.”

Jack shook his head, looked at Floyd, and said word for word,

“I guess the kidnappers should have gotten hold of some kind of colossal scandal of the Joules family!”

Chapter 4199

When Jack Lee and Desmond were cooking and discussing,

The two of them had already analyzed the situation of the Joules family to an approximate extent.

According to the two men’s speculation, the mysterious man kidnapped Patrick,

Not at all to extract out the money,

But to push the Joules family into the world’s spotlight, and then publicly execute them.

Only, Floyd and Roger, the father and son of the Joules family,

Were concerned only about the kidnapping and did not realize this.

Therefore, when they heard Jack Lee’s words, both of them had an incredulous look on their faces.

Especially Floyd, because his means to seize the position of the family head was a bit shameful,

And he was still searching for his father's whereabouts,

So he was instinctively a bit vain, and when he heard Jack Lee's words,

He angrily rebuked: "What a joke! My Joules family is upright and honorable,"

"What big scandal would be grasped by the kidnappers?"

"You detective, instead of trying to find the kidnapper,"

"You come to me and make a big speech, what is your intention? Do you want to see us laugh?"

Jack Lee shook his head and said seriously, "Frankly speaking,"

"Although I don't like the fact that you are forcing the palace to seize power,"

"I really don't have the intention of watching your jokes when you come here today."

Saying that Jack Lee looked at the two people and added:

"I think that the kidnappers are deliberately letting that scandal of Mr. Joules kissing a standing girl,"

"On the street came to light first, and then deliberately leaving the Joules family a good opportunity,"

"To open up the truth and turn around public opinion;"

Then, he turned his words and said in a cold voice: "But this may seem like a good opportunity,"

"But in reality, there are killing opportunities all over the world. Even the gods can't save you!"

Floyd's face turned red and white.

Everything is always about a righteous name, and since his position as the family head was dishonorable,

This matter became an extremely sensitive point in his heart.

When he heard Jack Lee say that he did not like the fact that he had forced himself to seize power,

He was so irritated that he did not even hear the second half of Jack Lee's words and said to him angrily:

"Inspector Li, you are not welcome here, please leave now!"

Jack Lee said helplessly, "Mr. Joules, I know you are a decent person, decent people love reputation,"

"Love face this is right, but don't let the love of face affect the judgment of the matter,"

"Avoiding the disease will only lead to the aggravation of the disease,"

"And the ultimate consequences, all personally have to bear."

Floyd did not expect Jack Lee still seized this issue chatter,

Suddenly got angry and said: "You get out! Get out of here now!"

Jack Lee frowned slightly and wanted to say something,

But hesitated for a moment or gave up his intention and turned to Roger and spoke with an indifferent expression,

“Mr. Joules, let me tell you the truth, the real kidnappers,”

“All have one thing in common, that is,”

“They all try to reduce the attention of the incident as much as possible!”

“In the kidnapping cases, I have encountered in my decades of a police career,”

“One hundred percent of the kidnappers, all clearly warned the victim’s family not to call the police!”

“Moreover, the reason for more than half of the kidnapping cases is because,”

“The incident was exposed in transition and the kidnappers killed the victim to protect themselves!”

“But in the case of your son’s kidnapping, what is bizarre is that the kidnapper is not afraid of exposure,”

“But has been using his means in pushing the wave,”

“It seems as if he would prefer the matter to be known to the world,”

“And attract the attention of the world, which itself is against common sense.”

“As the saying goes, there must be a demon when things go wrong,”

“Your father’s judgment is now disturbed by subjective thoughts,”

“Unable to calmly and objectively make a judgment, so I hope you can calm down and think about it,”

“This scandal, it could happen to any one of your grandchildren,”

“If you can find clues, maybe Patrick still has a chance to be saved.”

Chapter 4200

As Jack Lee spoke, he took out a business card, handed it to Roger, said lightly:

“If you think about it, willing to cooperate with me then contact me,”

“We do not have much time left, you certainly do not want to collect,”

“The body of your son after the 48-hour deadline, and I will soon retire,”

“Do not want to leave such a headless unsolved case before retirement.”

Roger’s expression was shocked and appalled, and subconsciously took Jack Lee’s business card,

And was organizing his language to say something when Jack Lee daintily said,

“Goodbye!” Then he turned around and left.

As soon as Jack Lee left, Roger panicked and said to his father Floyd:

“Dad that Jack Lee has a point! This matter is indeed too strange!”

Although Floyd’s expression was very hard to see, but also vaguely penetrated by panic,

He subconsciously asked: “What is the big scandal he said in the end?”

“Is it about your grandfather? However, the means by which I seized the position of family head is basically legal,”

“Even if I go to court, I will not lose, what is really illegal is that I did not allow him to return,”

“And quietly sent people to find his whereabouts,”

“Looking for opportunities to eliminate the root, but in this matter, we have not yet succeeded!”

“Even if it comes to light, I can deny it, what can be the big impact? It’s not a big scandal, right?”

Roger nodded gently, smacked his lips, and said,

“I also think not to if grandfather was really solved by us,”

“This matter would not be pestering us at the moment,”

“But we did not succeed ah, even grandfather’s shadow has not been found”

Floyd sat back in his chair and said with a few layers of panic:

“Then what exactly does Jack Lee mean Roger, do you have any scandal that I don’t know about?”

“Ah? Me?” Roger all of a sudden got a little nervous, stammering for half a day but could not say anything.

Floyd slammed the table and shouted angrily, “What time is it, still covering up! Speak up!”

Roger shivered in fear and said: “I I just have an ambiguous relationship with a few Hollywood actresses

“One of them is the wife of a well-known director

To say here, Roger hurriedly said: “But this is not much right in Hollywood,”

“This kind of thing is not very normal? There is this male star,”

“Who openly support their own wives outside looking for fresh boyfriends,”

“They are very open, very open, even if this thing gets known, the people wouldn’t care much……”

The words just fell, Roger subconsciously looked up and asked, “Dad …… you?”

“I?” Even if there is a scandal, it is 20 or 30 years ago or even earlier,”

“Even if it is exposed, there is no point!”

“I think the big scandal that Jack Lee is talking about is not an ordinary male or female affair at all!”

“This kind of thing here is at most considered gossip,”

“Not really a scandal, think about it in another direction!”

Roger was at a loss: “I really can’t think of anything ……”

Floyd remembered something, suddenly awakened, asked him off the cuff:

“This scandal, will not be with Patrick?”

“Patrick?” Roger is even more puzzled: “Patrick he has good character and good education,”

“There can not be any scandal, even if there is,”

“At most, it could be an affair with a girl, what else can it be?”

Floyd coldly snorted, with a little contempt spoke:

“I think Jack Lee is at the end of his rope if this case can not be solved,”

“He is sure to be late, so he imagined a lot, what a detective, but a vain name!”

As he was talking, the butler ran in in a hurry and said out of the blue,

“Master, Robbin said that there is a very important clue to report to you!”

“Robbin?”

Floyd was a bit surprised and asked, “Who is Robbin?”

The butler hurriedly explained, “Robbin Song is one of the supervisors of our business team,”

“You said yesterday that you wanted to purchase a Concorde,”

“And he was one of those responsible for pulling the strings.”

Floyd frowned and asked, “What leads does he have to report to me?”

“If the Concorde is available, he would have to ask the person in charge of the procurement to negotiate the price,”

“No need to report to me in person.”

Chapter 4201

The butler shook his head and said, “Master, Robbin said it was a clue related to Young Master Patrick!”

“Oh?!” When Floyd heard this, he raised his eyebrows and said offhandedly,

“Where is he? Get him over here!”

The butler busily said, “Right at the door, I’ll bring him in!”

A few moments later, Robbin Song, who was in charge of the business, trotted into the study.

As soon as he saw Floyd and Roger, he hurriedly bowed and said,

“Master and Young Master, my name is Robbin Song, I am the business team

Floyd directly interrupted him and questioned him in a cold voice:

“I heard that you have clues about Patrick, hurry up and speak!”

Robbin hurriedly said, “Master, there is a young master’s side maid, I think she seems a little suspicious!”

Floyd frowned and questioned, “What’s going on?”

Robbin explained: “This is the case, last night you instructed us to find Concorde,”

“I rushed to communicate with a family in France,”

“Just met Edna, and then made an appointment with her about going to Las Vegas for the weekend,”

“At that time she specifically asked me what I was doing on the phone at this late hour,”

“I said I was helping you buy Concorde, and then she asked me what Concorde was.....”

The first time he spoke, Robbin hurriedly slapped himself and said nervously,

“Master, it’s all my fault for not having a gate on my mouth!”

“I was thinking, she is also the subordinate of the Joules family,”

“So the sense of secrecy immediately raised,”

“So I blurted out that you sent people to Japan, but the ordinary plane takes too long,”

“So you have to buy a Concorde this thing

“But you can rest assured that I definitely did not say what you sent to Japan,”

“Let alone you sent people to Japan to do

Floyd impatiently yelled, “Get to the point!”

Robbin shivered in fear and said in a hurry, “The point The point The point is that Edna,”

“She could not know what you were sending people to Japan for,”

“But she asked me at the time if you are sending people to Japan to find ninjas,”

“I felt a little wrong, but can not say what is wrong,”

“Until just now I heard that you sent people to Japan who had an accident,”

“And saw the video released by the Japanese Iga ninja, only suddenly remembered what is wrong!”

As he spoke, Robbin very certain continued: “Master, Edna is a servant,”

“And at that time she still came in from the outside,”

“So how could she know about the ninja? Therefore, I concluded that she must be deliberately testing me,”

“Trying to get information from me! There must be something wrong with this woman!”

“Maybe she has something to do with the kidnapping of Young Master Patrick!”

Hearing this, Floyd’s veins burst out and he yelled,

“It’s hard to prevent a thief in the family whether it’s a day or night!”

After saying that, he stared at the housekeeper and roared, "Go get that Edna and bring her to me!"

.....

At this moment, Edna was serving beside Patrick's mother.

However, today, she had been a little distracted.

The reason for this distraction is because her sweetheart,

The famous young master Charlson Cox of Seattle has evaporated since she sent him a message last night.

She went to the villa where Charlson lives, there was no trace,

She has been calling him since then, sending text messages,

But the phone has been prompted to the other party has been turned off,

And text messages are also like stones sinking into the sea.

The sudden disappearance of her beloved made Edna's heart suddenly lost.

She even once had the illusion that everything,

That happened between her and Charlson was just a beautiful dream.

The second hand of the watch kept on beating,

As if to remind her that everything before was not a dream.

But so, she had a new worry in her heart,

She was afraid that Charlson was abandoning her in disguise.

Chapter 4202

Although the Richard Mille that Charlson gave her was also worth a lot of money,

But compared to the future life of a young grand-daughter of a luxurious family,

A mere watch, she did not even put it in her eyes.

While her mind was wandering, the housekeeper,

With the maid, supervisor, and several sturdy bodyguards, rushed in directly.

The butler said to Roger's wife, "First Madam Roger,"

"I'm looking for your maid for something, please excuse me."

Roger's wife knew that the butler had a lot of power in the Joules family,

And this time he came to look for her maid,

So he must have something important, so she nodded hastily and said, "Be my guest."

The housekeeper said thank you, and immediately after that,

The maid supervisor beside him pointed at Edna and spoke, "That's her! She is Edna!"

At this moment, the other maids in the room were all trembling with nervousness,

In their opinion, the housekeeper had come so aggressively to ask for someone, that it could not be anything good.

But Edna was the only one who didn't think so,

She thought that this must be her prince charming coming to rescue her!

Maybe after walking out of this room, it won't be long before she becomes Mrs. Cox.

Next time, when she returned to the Joules family as Mrs. Cox,

The Joules family's servants, including the Joules family's big butler, would have to treat her with respect!

Thinking of this, she said excitedly and incomparably, "I am Edna, what do you want from me, butler?"

The butler stared at her and said to the bodyguards around him, "Take her away!"

Two bodyguards immediately rushed forward and grabbed Edna's two arms roughly, and then set her up.

Edna struggled angrily, "What are you doing? Do you know how much it hurts me?"

"If you really hurt me, can you afford to be responsible?"

The housekeeper came over and slapped her across the face, scolding her angrily,

"You're not afraid at all, but you dare to shout here openly,"

"Let's see how the master will fix you!"

After hearing this, Edna's whole body was scared speechless.

She couldn't understand why the master wanted to clean her up for.

The master was the head of the entire Joules family,

And she was a small maid in the Joules family,

There was a difference of a hundred thousand miles,

She didn't even have the chance to see the master, how could she have offended him?

The frightened Edna was taken directly to the large study of Floyd.

As soon as the two bodyguards put her down, Floyd stared at her and asked in a stern voice,

“How did you know that I was going to send someone to Japan to look for ninjas? Tell me now!!!”

Edna was frightened by Floyd’s aura and immediately wanted to tell the truth,

But then she thought, “Young Master Cox has instructed me,”

“That these things must not be told to anyone, not even my parents!”

“This is about the future of both of us, about my lifelong happiness,”

“I absolutely can not let young master Cox down!”

Thinking of this, she hurriedly said, “I I was just blurting it out

“After all After all, Japanese ninjas have always been very famous

Roger at this time saw Edna unexpectedly denied, completely sulked,

He directly rushed forward, cursing under his breath:

“Still fcuking lying! See if I don’t beat you to death!”

After saying that, he kicked her in the stomach, she fell out backward,

Fell heavily to the ground and slid backward for several feet.

Just when Roger wanted to rush up and continue the violent beating,

He suddenly saw that there was a watch on the floor,

Which fell out of Edna’s pocket just now.

So, he picked up the watch, fixed his eyes on it, and could not help but frown: “Richard Miller?”

Robbin on the side was a Richard Miller super fan,

And had bought a few Richard Miller entry model watches himself,

So he immediately recognized the model number of this watch, which turned out to be RM056!

He immediately realized that there was really something wrong with this Edna!

So he hurriedly said, “Young master, this is Richard Miller’s RM056!”

“If I remember correctly, it is limited to only 10 pieces worldwide,”

“And the market price is at least three to four million dollars or more, and there is no market for it

After hearing this, Roger immediately glared at Edna and questioned,

“Speak! How did you, a maid, get such an expensive watch?!”

Chapter 4203

Edna was so concerned about this watch that she carried it with her,

But since she was still a servant, she didn’t dare to wear a Richard Mille on her hand,

And never thought that it would fall out when it was placed in her pocket.

Seeing that she was discovered by Roger, she hastily lied and said:

“This This watch was given to me for safekeeping by a friend of mine

“Friend?” Roger said in a cold voice: “What friend? What’s the name?”

Edna replied nervously, "I I I'm not at liberty to say his name"

After saying that, she hurriedly added:

"But this is a private matter between me and him, it has nothing to do with other people"

Roger still wanted to press the question, but Floyd has lost patience,

He said in a cold voice: "Why is she prevaricating so much!"

"If you don't tell the truth, just cut Off her ears!"

When Roger heard his father say cut Off her ears, he immediately thought of his own son.

When he thought about it again, the maid was probably related to his son's kidnapping,

So he was immediately enraged and said to one of the bodyguards,

"Quick! Cut Off both of her ears for me!"

After saying that, Roger felt that he was not satisfied and immediately added,

"Cut Off her nose too! I'll see if she still has a tough mouth!"

The bodyguards were all deadly soldiers trained by the Joules family,

So of course they obeyed the two of them. When they heard the order,

They immediately took out a tactical dagger without saying a word and rushed directly at Edna.

She cried out in fear, not caring about Charlson and being Mrs. Cox at this moment,

Only thinking about saving herself, so she cried out loudly, "I speak! I'll speak!"

After all, in Edna's opinion, even if she would rather die than give in,

By the time her ears are gone and her nose is gone, Charlson will not marry her.

Moreover, who knows how this Charlson has angered the Joules family,

In case he really has something to do with the kidnapping of Patrick,

Then the Joules family will definitely not spare her,

Then even if Charlson wants to marry her, she must not marry him.

So, Edna hurriedly kneeled on the ground and said with a pious face:

"Young master, this watch is given to me by young master Patrick's good friend
Charlson Cox"

"The Japanese ninja matters, he also asked me to pay attention to inquire"

"But I really don't know what he has done"

"Charlson?" Roger frowned slightly, searched in his head for half a day,

Opened his mouth and asked, "Charlson, is this Patrick's Seattle's college classmate?"

"Yes" Edna busily nodded and said,

"It's him! Some time ago, Young Master Patrick asked his assistant,"

"Evan to receive him from the airport to the manor,"

"And then arranged for him to live temporarily in the vacant villa"

“What are you saying?!” Roger interrupted her and questioned,

“That Charlson is living in the Joules family? Where is he?”

Edna said: “It is true that he lives in the Joules family Estate,”

“Every day I carry for him his food, and often give him some daily necessities,”

“Young master Patrick went to meet with him every day,”

“And the two often discuss things in the study discussion going on for a long time,”

“Yesterday young master Patrick had an accident, we have been busy serving the great grandmother,”

“I also waited until after the shift to give him some food then he gave me this watch,”

“And said that I need to tell him if there is any news about the Japanese ninja

Roger impatiently asked, “I asked you, where is he!”

Chapter 4204

Edna said in a hurry: “I heard from Robbin that the master sent someone to Japan to look for ninjas,”

“The first time I told him, then he disappeared, I have also been unable to contact

Roger hurriedly looked at Floyd and blurted out, “Dad! Could it be that Charlson did it?!”

Floyd frowned tightly, a person holding his chin pacing back and forth,

But for a day did not speak a word.

Roger could not stand it and hurriedly urged, "Dad! You should say something!"

Floyd only then spoke: "I do not know this Charlson, but I remember,"

"The Joules family's financial reports in previous years,"

"And Seattle's Cox Group's cooperation has been increasing,"

"The amount of cooperation from a billion a year, all the way up to billions,"

"This Cox Group's share price, because of close cooperation with us, a few years time has increased nearly ten times "

Roger gave a roar: "Then this Charlson is not ungrateful?!"

Floyd waved his hand: "I think it should not be done by him."

Roger was surprised and asked, "Dad, so many clues are pointing to him, who else but him?"

Floyd shook his head: "You say which person is worth tens of billions of dollars,"

"Would go to the extreme to do kidnapping for ransom?"

"What's more, the kidnapper is also his own golden master,"

"Is this not killing the chicken to get the eggs?"

Roger said: "Although he is worth tens of billions of dollars,"

"But most of that is the market value of the stock discounted into the stock,"

"In order to maintain the share price, the majority of shareholders can not arbitrarily reduce the stock,"

"Then the majority of his shares can not be realized,"

“He can really dispose of cash will be greatly reduced,”

“And may encounter some difficulties, desperate is also normal, right?”

“Still not right.” Floyd still shook his head and said,

“Think about it, if Charlson really wants to kidnap Patrick, why would he run to the Joules family himself?”

“And Patrick has already been kidnapped, he has not left,”

“Instead, he continues to stay here, let this maid help him, spy?”

Roger said without thinking, “Don’t people always say that the most dangerous place is the safest?”

“He is hiding in our house, this is the darkness under the lights, who can find him?”

Floyd asked again, “Then I ask you since he wants to hide in our home to play a hand in the dark,”

“He continues to lurk in darkness on the line? We didn’t find him, why would he leave?”

Roger immediately said, “I think, he must have a relationship with those ninjas,”

“It is likely that the ninja who kidnapped Patrick was hired by him,”

“So he heard that we went to find those ninjas, the first thought is to hurry to escape!”

Floyd sighed and said with some hatred,

“You have not been clear about the logic underlying this matter,”

“Although that Charlson ran only after hearing that we went to find the Japanese ninjas,”

“But this also shows that if the ninja matter is not revealed,”

“Charlson does not intend to leave the Joules family,”

“And even he would like to continue to hide in the Joules family!”

Speaking of this, Floyd questioned,

“Think about it yourself, if he is really the mastermind behind the kidnapping of Patrick,”

“Then why does he want to hide in the Joules family? He is also a well-known entrepreneur,”

“In this case, the longer he disappears from the public eye, the greater the possibility of exposure,”

“If it were me, I would definitely return to my own normal life at the first opportunity,”

“Try to let the world think that I have nothing to do with this matter,”

“You really do not think, in order to extort ransom, he intends to give up his high society identity,”

“A lifetime of hiding, anonymity? Then what’s the use of all that money he wants?”

“On one side, he is worth tens of billions of dollars and has a golden master like the Joules family as his backer,”

“So not only does he have a bright future ahead of him,”

“But he can also spend money and enjoy himself openly all the time;”

Chapter 4205

Floyd continued: “On the other side, is to give up their current identity,”

“For the two hundred billion ransom life anonymous, a lifetime of fear,”

“Money he does not dare to spend, if it were you, what would you choose? Would you choose the latter?”

Roger froze and asked in disbelief, “If he didn’t do it, then why did he hide in the Joules family?”

Floyd’s expression sank as he said in a cold voice, “I think, he should be afraid!”

“Afraid?!”

Hearing his father’s speculation, Roger asked in surprise,

“Dad, do you mean that he knows who the people who did it to Patrick are,”

“And at the same time is afraid that those people will do it to him?”

“That should be the case!” Floyd nodded with an extremely grave face, and then said,

“Thinking about what Jack Lee said just now, I suddenly feel a little taste

Roger’s perception is still almost meaningful, so he asked: “Dad, what are you analyzing?”

Floyd did not answer his question but instructed the housekeeper to take the others, including Edna, out first.

After everyone left, Floyd said to Roger with a serious face,

“We haven’t been able to understand what the scandal Jack just mentioned is,”

“But now I have a vague feeling that this scandal has a great probability to happen to Patrick,”

“And it is also likely to be related to this Charlson.”

Saying that Floyd looked at Roger, asked:

“I think, there is a possibility that Patrick and that Charlson,”

“Together to do something unseemly! This would also explain why Patrick received Charlson quietly home,”

“And also every day met him in the set of unused villa

Roger was busy asking, “Dad, what do you think they two do-somethings can study?”

Floyd said in a cold voice: “The two of them must be talking about some kind of plan,”

“And they must have already started working on it.”

Saying that Floyd remembered something and hastily asked,

“When Patrick disappeared, he was having a charity dinner?”

“Right.” Roger nodded and said, “It said that they had joined forces with the,”

“Chinese Chamber of Commerce and wanted to donate some money to Chinese orphans.”

Floyd frowned more tightly and asked Roger:

“It is your son, you must know more than anyone,”

“Do you think he suddenly ran out to do charity, this thing is normal?”

Roger nodded truthfully and said, “I’m not going to hide it from you, Dad,”

“This thing is indeed very unusual, Patrick is indifferent,”

“And despises the poor in his bones, not a child with a charitable heart.”

“That’s it.” Floyd said gruffly: “Since it is very abnormal,”

“There must be something odd in it, maybe,”

“The two of them plotted for a few days, just plotting this charity dinner.”

Saying that Floyd asked, “You went to the scene when the accident happened,”

“Tell me, what were the more special circumstances at that time?”

“Special circumstances

“There was a big international star named Stefanie,”

“Who is now the most famous Chinese singer, on the day of the charity dinner, she was the mystery guest. “

Floyd asked, “Who invited her?”

“Of course it was Patrick

“That charity dinner was led by Patrick, invited Stefanie,”

“It was also the intention of Patrick, he commissioned the Chinese Chamber of Commerce to help pull the strings,”

“I reckon, it should be for that I guess, he should be a bit interested in the singer,”

“Wanted to take this opportunity to get acquainted with this girl,”

“You know, who wants to have something with the singer.”

Chapter 4206

Floyd asked again: "The pursuit of a female star, need so much trouble?"

"No matter what level of star the other party is,"

"Knowing Patrick's identity, should have taken the initiative to cater to it?"

"Does this need Patrick to rack his brains to please the other side?"

Roger said, "This Stefanie is also not simple, she is not an ordinary star,"

"She is the only daughter of Orian Sun, the head of the Sun family in China,"

"The sole heir to hundreds of billions of dollars of assets, the gold content is very high."

Floyd nodded gently and muttered, "No wonder"

Roger asked busily, "Dad, what do you mean by strange?"

Floyd said, "No wonder Patrick went to so much trouble to cater to please her,"

"And even staged a charity dinner specifically for her"

Speaking of which, the words that Jack had just said suddenly came back to his mind.

Immediately, he exclaimed, "Danm it! Patrick, this son of a bltch,"

"Couldn't have had some kind of crooked idea about this Stefanie, right?!"

Roger laughed awkwardly: "Dad, Patrick has had no problem with her, right?"

"The first thing you need to do is to get a good idea of what you're talking about."

"Wanting to please her and have a night with her is a crooked brain,"

“Wanting to force her to sleep is also a crooked brain,”

“Wanting to force her to sleep and then destroy her body is also a crooked brain!”

Roger’s face instantly went cold: “Dad in fact, at that time I also thought this thing,”

“Patrick’s performance might have been perverse,”

“But there has been little substantial evidence, you said

“Patrick, he he should not be stupid to that extent, right?”

“I do not know” said Floyd incomparably went serious:

“But I think, with a combination of various clues, this kind of thing is the most likely!”

After saying that, he remembered something, immediately said:

“Right, you immediately have someone to check the flow of money towards Charlson and all his related enterprises,”

“In addition check the Iga ninja funds, to see the Iga ninja commission,”

“At the end who paid! If I’m right, these ninjas are probably hired by Charlson!”

Roger said: “If it was hired by Charlson, then the problem goes back, could it be that Charlson did it to Patrick?”

“No!” Floyd shook his head: “I now suspect that Charlson hired that gang of ninjas to work for Patrick

Roger shivered and said offhandedly, “Dad you mean

“Patrick’s crooked idea is to use this gang of ninjas to kidnap Stefanie?!”

Floyd said, “If we can find out that there is indeed money coming and going between Charlson and the Iga ninja,”

“That will basically confirm my suspicions.”

Roger said, “I’ll go and order someone to investigate!”

With the ability of the Joules family, it was easy to check the bank’s money transactions.

So, Roger soon received a message, Iga Ninja did receive \$40 million,”

“The money paid by a U.S. technology company,”

“I had people check the shareholding structure behind this company in-depth,”

“Found that this is a company controlled by the fund of the Cox Group

“Fcuk!” Floyd muttered, “Patrick, this bastard, really has a lot of guts!”

“As the youngest master of the Joules family, he dares to play with fire like this, how outrageous!”

Roger was busy saying, “Dad, this doesn’t necessarily prove that it’s Patrick’s issue!”

“If it’s really like you said, these ninjas were invited by Charlson,”

“Then why would they kidnap Patrick? That’s not logical either!”

Floyd said, “The answer to this question probably lies in that Stefanie!”

“After all, Charlson only gave them \$40 million,”

“And didn’t you say that Stefanie’s background is also very strong?”

“What if she promised \$400 million on the spot to buy the ninjas right there?”

“This

Frowned and said, "It is not without this possibility

Floyd immediately spoke: "You find a way to ask this Stefanie,"

"Ask her to come to the house! I want to have a good meeting,"

"With this girl, to see if she has some involvement or not!"

Chapter 4207

Since Charlson was also captured by the Dragon Hall,

Charlie was in no hurry to go to New York again.

The first thing is to let Hattori Kazuo cut off Charlson's ears and lock him up with Patrick,

So that the two of them can have a good night of shock,

And then wait until he goes to New York, and then break down one by one.

The day after Charlie asked Hattori to kidnap Patrick,

Stefanie put the matter behind her and focused on preparing for the next concert.

Today, she was busy with the concert.

In order to have better cooperation with the team,

Her agency rented a dance center in New York,

Specifically for Stefanie to rehearse choreography with her backup dancers.

After returning to the hotel in the evening,

Stefanie had just finished washing up and was ready to rest,

When her assistant Chlora knocked on the door and said to her,

“Stefanie, Mr. Roger Joules from the Joules family called and wants to invite you to their home for a meal tomorrow at noon.”

“Roger Joules?” Stefanie frowned slightly and asked, “Is it Patrick’s father?”

“That’s right.” Chlora nodded and said, “It’s him,”

“What he means is that Patrick’s grandfather is eager to meet you.”

Stefanie said without thinking, “No! Refuse it!”

Chlora was busy saying, “Stefanie, the Joules family is very influential in New York,”

“It’s not appropriate to refuse directly I’m afraid

“What’s inappropriate?” The always modest Stefanie,

Showed a rare expression of disgust and disdain, and said coldly:

“How influential their family is, has nothing to do with me,”

“I do not ask him to lend me money, two do not ask him to do things,”

“He is the not the richest man in the world, I do not need to give him respect!”

“And, they invited me to dinner, what exactly is the intention without guessing,”

“Just want to take this opportunity to side-step from me to find out,”

“How in the end Patrick disappeared, or maybe, want to find out about Charlie,”

“I will not give them any opportunity to take advantage of!”

Chlora said helplessly: “If we leave New York tomorrow even leave the United States,”

“It does not even need you to speak, I directly want them to refuse,”

“But we still have a lot of games in the United States,”

“I’m really afraid that the Joules family will give us a trip

Stefanie lightly said: “It’s okay, we are not accustomed to their problems,”

“You just refuse your, the rest, the soldiers to block, water to cover up!”

“Yes.” Chlora nodded and said, “Hearing you speak is a boost, I’ll give a reply!”

Afterward, Chlora walked out of Stefanie’s room,

Picked up the phone and called Roger back, the call was answered,

She said nonchalantly: “Sorry Mr. Joules, Miss Sun recently had to prepare for the performance,”

“There are more things to do, there is no time to visit the door, please forgive me.”

Roger did not expect that this girl Stefanie even dared to refuse the invitation of the Joules family,

So he said with some anger, “Even if Miss Sun is busy, there is always time to have a meal, right?”

Chlora laughed and said, “Sorry, this time she is really not available.”

After saying that, Chlora said: “Mr. Joules I still have something to do, I have to hang up first.”

Listening to the busy tone of the disconnected phone, Roger was furious.

He immediately reported to his father at the side, "Dad, that girl refused! What a daring girl!"

Floyd was also a bit annoyed and said in a cold voice, "This little girl is a bit uncaring."

After saying that, Floyd waved his hand and said in a stern voice:

"Isn't she coming to New York for a concert?"

"You arrange someone to go and buy her performance venue,"

"And then tell her team that the entire venue will be upgraded and the performance will be postponed indefinitely,"

"And as for the contract she signed with the venue,"

"We will pay the price, and then I will see what she can do."

.....

Chapter 4208

The next morning, Stefanie got up early to wash and pack,

Ready to go to the dance center to continue rehearsals.

Since Charlie didn't come to New York yesterday,

She had been a little worried in her heart,

So she took the initiative to send him a message asking him if he planned to come to New York today.

Charlie originally planned to go there today and find a way to make,

Patrick and Charlson both talk and tell them all about the hookups they had done,
And then find a way to fix the evidence.

As long as he gets the evidence, the rest of the matter will be solved.

In order to keep his wife from getting suspicious,

He used the reason of helping Stefanie adjust her feng shui,

And planned to take a helicopter to New York directly after his wife went to school.

Therefore, when he received Stefanie's text message, he replied directly,

"I'll come there later, but I have something to solve first."

Stefanie then said, "I have to rehearse at the dance center today,"

"If you are not in a hurry to go back, let's have dinner together tonight."

Charlie readily agreed to do so.

Stefanie was naturally happy to see Charlie's promise,

And hurriedly made an appointment with him,

So she hung up the phone beautifully and prepared to go out.

At this time, Chlora ran over in a panic and said:

"Stefanie, it's not good! The performance venue has sent a notice,"

"Saying that the venue has to be upgraded and repaired,"

"And the time required cannot be determined,"

“So the performance will be postponed indefinitely!”

“What?!” Stefanie was shocked and asked out of the blue,

“How could this happen?”

“Didn’t we not already sign a contract with them and pay a 50 percent deposit in advance?”

“The content signed in black and white,”

“They are not afraid of the consequences of the breach of contract?”

Chlora said helplessly:

“They said, according to the contract they are ready to give us ten times the compensation

Stefanie was even more surprised after hearing this, and quickly asked,

“What the h3ll is going on here? I have had so many concerts,”

“The first time I encounter the venue side initiating to breach the contract

Chlora explained: “I heard that the venue just changed hands this morning,”

“The entire arena along with all the hardware, all the contracts, debts, receivables, etc.,”

“All transferred to the new buyer, our contract naturally also transferred to the new buyer,”

“The new buyer is clearly not short of money,”

“They are ready to directly pay ten times the amount of liquidated damages to our account!”

After listening to this, Stefanie’s expression suddenly became grave,

She seriously analyzed: "Ten times the compensation is definitely not a small amount,"

"Any person doing business would not make such a decision,"

"Because by doing so, he simply does not have any interest to speak of,"

"Unless he does not care about interest in his eyes!"

Chlora was busy asking, "You mean, someone is deliberately screwing us?"

Stefanie nodded and said without thinking, "I guess this is done by the Joules family,"

"So don't worry, wait for Joules's family to contact you!"

Chlora asked, "Stefanie, what if that Roger uses this as blackmail"

"And insists that you go to the Joules family?"

"They will definitely be looking for you to ask for a favor!"

Stefanie thought about it and said, "If he dares to open his mouth,"

"I will go tell Charlie to accompany me, anyway, Charlie will come to New York later!"

"As long as Charlie is here, I'm not afraid of anything!"

"I don't believe it, who can still bully me in front of Charlie!"

Chapter 4207

As soon as Chlora heard Stefanie mention Charlie, she immediately lit up and said offhandedly,

“Yes, yes! Find your Charlie, if the Joules family dares to bully you,”

“Let your Charlie beat the sh!t out of him!”

Stefanie said awkwardly, “Can you be a little more ladylike

Chlora said: “I am usually very ladylike, but better not to provoke me,”

“Once you provoke me, I do not care what is the ladylike manner and whatnot,”

“Charlie, if he can kick that Roger to the ground,”

“I Chlora will definitely go up to make up for his black foot!”

Stefanie helplessly shook her head: “Really can’t do anything with you.”

After saying that, she looked at the time and said,

“Let’s go to the dance center to rehearse.”

Chlora asked, “What about the Joules family?”

“If we can’t get it right, the show will definitely be canceled.....”

“It’s okay.” Stefanie waved her hand: “The Joules family’s purpose is to see me,”

“Not really to spoil the show, they should call you soon.”

Stefanie was indeed right.

Before she could leave the hotel, Chlora received a call from Roger.

On the phone, Roger smilingly asked, "Before saying I want to invite Miss Sun to dinner, can you tell if Miss Sun has time?"

Chlora pulled open the car door into the passenger seat, very indignantly said:

"Mr. Joules, you are a big name in New York,"

"Engage in such small means to target Stefanie, isn't it a little inappropriate, right?"

Roger played dumb and said, "Oh, what are you talking about, Miss Chlora,"

"We appreciate Miss Sun very much, how could we possibly use any petty tactics against her?"

Chlora did not bother to talk nonsense with him and asked bluntly,

"If you are a man, tell me the truth, did you buy the venue for our performance?"

"Yes." Roger admitted without thinking, "The venue was indeed bought by one of our companies,"

"And to be honest, that venue was last renovated a year ago,"

"And in our opinion is more or less out of step with the times,"

"So we intend to invest a large sum of money to upgrade it in all aspects."

"After all, Miss Sun is an international star, we certainly can not let her suffer even a little bit!"

"So please also rest assured that once we have completed the construction of this venue,"

“We will definitely be the first to invite Miss Sun to come over for a concert,”

“And I promise you that we will definitely not charge a penny for the venue.”

Chlora gritted her teeth in anger and asked,

“Mr. Joules, let’s just open up and talk, just tell me,”

“What it will take to make sure our performance is held as scheduled.”

Roger smiled and said, “It’s not impossible to hold the show as scheduled,”

“But we have invested a lot of manpower and resources to prepare for the upgrade,”

“And many shows were postponed, we also compensated a lot of liquidated damages,”

“If Miss Sun really wants to perform as scheduled,”

“You might as well take time to have a meal together and sit down to have a good chat.”

Chlora said coldly: “I can’t make the decision,”

“I have to ask Miss Sun for instructions and get back to you later.”

“Okay.” Roger said, “Then I’ll wait for good news.”

Chlora hung up the phone and asked Stefanie, “Stefanie, what do you say? Should I promise him or?”

Stefanie said, “Charlie will come to New York later,”

“Let’s go to rehearsal first, I’ll call Charlie at noon and ask him.”

.....

At nine o'clock in the morning, Charlie took a helicopter and arrived in Long Beach, New York.

The plane flew directly to the luxurious villa rented by Wesley,

While Wesley came out to greet him together with Hattori Hanzo and Kazuo, the father and son.

When Hanzo saw Charlie, the whole person was extraordinarily nervous,

He hurriedly went forward and bowed and said, "Master Wade I am Hattori Hanzo,"

"The head of this generation of Iga ninja,"

"Earlier my son did not know that you were in New York,"

"And has offended you, so please forgive me!"

Charlie nodded, said indifferently:

"Seeing that you also once came to Waderest with Miss Ito to help me,"

"The previous matter, I will not blame, but from now on, you Iga ninja,"

"In everything, you will have to absolutely listen to my orders,"

"I will find you a very good home in the United States, you don't need to move back to Japan."

"Okay, Okay, Okay" Hanzo nodded piously,

Since he recorded the video admitting that he had carried out the terrorist attack,

He had understood that to Japan basically, he could not go back,

Excluding the iron will to follow Charlie, he could not think of any other option for his Iga ninja.

After all, only a few hundred meters away from this villa in another manor,

The entire Joules family, are racking their brains to find the whereabouts of the Iga ninja,

But they never dreamed that the Iga ninja would dare to fly all the way from Japan and come so close to them.

Charlie was satisfied with Hanzo's attitude, nodded his head,

Then said to Wesley: "Wesley, how are those two guys doing?"

Wesley said, "Mr. Wade, those two guys have been hanging in the basement overnight."

Charlie nodded and said indifferently, "Go, Let's go take a look."

When the four people came to the basement, Patrick and Charlson were already exhausted,

The two had been hanging in the air, and had not eaten or drunk,

Their physical strength, endurance, and energy had long been exhausted,

Especially Patrick, because he came early and hung out for a long time,

His wrists had been hanging dislocated, painful to the heart.

Seeing Charlie coming, the two men trembled with fear,

Patrick knew that Charlie could not let him go, but still cried and said,

"Mr. Wade beg you to have mercy and let me go,"

“No matter how much money you want, I will let my family give you the amount... ..”

Charlie waved his hand: “All right Patrick, such words do not need to speak, save yourself some energy.”

Patrick still bawling and begging: “Mr. Wade I beg you how much money?”

“You say a number Joules family will certainly make you satisfied!”

Charlie coldly said: “Patrick, from now on, If I hear another word from your mouth again,”

” I will let someone remove a part of your body,”

“Until you are reduced into a human pig with the only torso and head left!”

Patrick was scared out of his mind, and could only honestly shut his mouth.

Charlie then looked at Charlson beside him and coldly asked,

“You are Charlson cox, right? Do you know that I have been looking for you for a long time?”

Charlson shivered in fear, asked nervously:

“You who are you I do not seem to have offended you “

Charlie laughed: “You may indeed not have offended me, but I have offended you.”

Charlson asked with a foggy face, “I’m sorry I didn’t understand”

Charlie looked at him and smiled slightly: “Your younger brother cleaven cox , I killed him!”

Hearing these words, Charlson’s expression was instantly shocked!

He knew that his greatest fear had still happened!

Charlson was afraid that he would end up like his brother,

So he fled to New York and hid with the Joules family.

But he never dreamed that even if he hid in the Joules family,

He could not hide from the man behind the curtain.

The person who kidnapped Patrick, and the person who killed his brother, is the same

.....

Thinking of his brother's death, his heart was horrified and he subconsciously asked Charlie:

“What grudge do my brother and I have against you? Why do you want to do this to us?”

Chapter 4209

Charlie sneered: “You really don't have any self-awareness,”

“Let me ask you, do you know what kind of relationship Jenny and I have?”

When Charlson heard the words Jenny, he was scared out of his mind,

And even Patrick who was at the side was scared to the point of trembling.

How could Charlson not know Jenny.....

His brother, went to pick up Jenny at sea when the accident happened.

And Jenny is also the girl Patrick previously specifically wanted.

Once he heard Charlie and Jenny Have a relationship,

Charlson knew that he was really dead this time.

And Patrick is terrified to the extreme.

He never dreamed that the two girls he wanted were related to Charlie!

Wouldn't it take two deaths to make Charlie happy?

At this time, Charlie looked at Charlson and said in a cold voice:

"I believe that with the style of action of someone like you,"

"You must have kept a lot of relevant information about Patrick,"

"As well as other clients, if you can take the initiative to hand over,"

"All the information you have give it to me, I can give you a painful time, otherwise,"

"I will let you experience what it means to be worse than death."

Charlson trembled and said offhandedly, "You must want that information on the paid family!"

"If you promise to spare my life, I will give you all that information!"

"Otherwise, even if I die, I won't let you get what you want!"

Charlie hummed and laughed, "You are in my hands, and it is not up to you to say whether you live or die."

After saying that, he looked at Wesley and spoke,

"Wesley, bring over the drugs you used to extract confessions by torture before!"

Wesley immediately nodded and said, "Yes, Mr. Wade!"

After saying that, he turned around and walked out of the room,

And a moment later, he came back with a syringe in his hand.

Charlie glanced at the syringe and said to Wesley, "You come and introduce it to them."

"Your subordinate obeys!" Wesley immediately raised the syringe in his hand and said in a cold voice:

"The drug inside this, once injected into your bodies,"

"It will make your pain sensation be amplified by more than a hundred times,"

"At that time, you will have to suffer great pain even for breathing and heartbeat,"

"Even if you are just stabbed with the tip of a needle a few times, it will make you die of pain."

Speaking of this, Wesley added: "But don't worry,"

"This stuff only works on the nervous system, so even if you feel like you're about to die of pain,"

"There's no danger to your life, so you have plenty of time to slowly experience this extraordinary and wonderful feeling!"

After hearing this, the two people were scared and almost collapsed immediately.

Charlie pointed directly at Charlson and said to Wesley, "Give him a shot first!"

Hearing the order, Wesley immediately went forward,

And directly stuck the needle of the syringe into Charlson's thigh.

Charlson only felt an unprecedented intense pain coming rapidly, and immediately after that,

The pain started to spread from his leg to his whole body!

Soon, he felt that his wrists were hanging extremely painful,

The feeling was like putting both hands under the train wheels repeatedly crushed, the pain was extreme.

And his already hungry stomach, because of this drug, also hurt for a moment almost making him faint.

Every kind of pain he endured was already far beyond the maximum pain that a normal person can touch.

If a woman giving birth is ten levels of pain, he now feels at least over a hundred!

The intense pain made his body sinewy and his whole body screaming in agony,

He was undergoing hellish torture.

He nearly collapsed and loudly pleaded: "Mr. Wade I I'm in too much pain"

"I'm really in too much pain... . please kill me, I really can't take it anymore!"

Charlie looked at his extremely painful appearance,

His heart did not have the slightest sympathy, and said in a cold voice:

"When begging me, you might as well think about how many innocent girls,"

"Have said the same thing to you, and have you spared them?"

Chapter 4210

Charlson cried, "I I really know I'm wrong"

"Mr. Wade beg you to give me a painless de... .."

"Want pain and pleasure?" Charlie snorted and said,

"Unless you take out all the information you keep, otherwise,"

"I will keep your dog's life and make you try this feeling once a day."

After saying that, Charlie looked at Kazuo and said in a cold voice:

"Kazuo, pull out your belt and use your full strength to hit hard!"

How dare Kazuo disobey, immediately pulled the belt down,

Rushed to Charlson in front of him, and then waved the belt like crazy.

Charlson was originally wearing only a pair of pants, the rest of the body was exposed,

And was immediately beaten by Kazuo's flesh.

The pain was almost like an explosion that swept through his body,

As if every cell was suffering the ultimate pain.

After a few straps from Kazuo,

Charlson was in so much pain that it was as if the sky was about to explode upon him.

His entire consciousness has blurred, but the pain has not diminished in the slightest,

And continues to destroy his nerves and will.

Charlie said at this time: "Wesley, have someone prepare a basin of hot water,"

“I want him to try and find that feeling of being thrown into iron water!”

Wesley said without thinking, “Okay Mr. Wade, your subordinate will arrange it!”

When Charlson heard this, he cried and howled,

“Mr. Wade I give up I’m willing to give you all the evidence”

“Please don’t torture me anymore please”

Charlie sneered: “Charlson, it’s too late to beg for mercy,”

“I have given you a chance ah, but you are really useless too!”

After saying that, he said: “I heard that this medicine has at least two hours of effect,”

“You first grasp the two hours of time, enjoy, the rest, we will talk when you finish enjoying.”

Charlson’s intestines were blue with regret at this moment.

He really did not expect that Charlie was even more devilish than himself.

At this time, Wesley’s men walked in with a basin of hot water.

The hot water was still steaming, and the temperature would not be low at first glance.

Charlie knew that if this pot of hot water went down,

Charlson would not be scalded to death, but he would also be seriously scalded.

The original scalding pain is extremely strong,

If superimposed on the drug, afraid that he will be in pain to the spot to die.

However, Charlie does not care.

If he really died, even if he has to feed him a rejuvenation pill,

He would have to bring him back to life and continue to let him taste the ultimate pain!

Otherwise, he will be sorry for the innocent girls who were killed by these sgums!

So, he directly took the basin of hot water from the hands of the soldier of the Dragon Hall,

And then without any hesitation, he poured the whole basin on Charlson.

At this moment, like the painful wailing of hell instantly resounded,

Charlson felt like being treated like a slaughtered pig, the hair of which has to be removed.

Yet hanging in mid-air desperately struggling

Charlie suddenly remembered something, pointing to the side of Patrick, coldly said:

“Wesley, hurry up to give young master Joules a shot,”

“We can not let him watch on the side! Look at the sweat on Young Master Joules’s anxious head!”

Patrick broke down and cried, “Mr. Wade, I am scared scared ah!”

Charlie said to Wesley: “Never mind how he got sweaty, first give him a shot to refresh his mind!”

Wesley immediately said, “Yes, Mr. Wade!”

Charlie asked again, “Right Wesley, in your Dragon Hall,”

“Are there any soldiers with male gender and male hobby?”

Wesley nodded awkwardly, “Back to Mr. Wade,”

“There is definitely this situation and is indeed more common now as well.”

Charlie asked again, “Are there any here?”

Wesley nodded: “There should be.”

Charlie waved his hand: “Then hurry up and arrange for the two distinguished guests right away?!”
