

“You

But in the face of Jack Lee who is acting like such a dead pig who is not afraid of boiling water,

He had no choice but to angrily say: “I’ll cover for you first, but you’d better solve the case quickly!”

“Otherwise, even if you retire, walking in the streets of New York you will still be pointed out!”

Hearing this, Jack Lee immediately said, “Don’t worry, if this case is not solved,”

“I will hold a conference and personally apologize to all the American people!”

Chapter 4319

After hanging up his boss’s phone, Jack Lee first said to his subordinates,

“No more autopsy center, go to Joules’s group!”

His subordinates hurriedly asked: “Inspector, what are you going to do at the Joules Group?”

“It will soon hold a press conference, almost all the media in New York are there,”

“You go there at this time is not is not

As the subordinate tried to speak, all of a sudden stuttered up,

Stammering half a day not saying anything in the follow-up.

Jack Lee asked in a cold voice: “What? You da*n well say it!”

The subordinate can only pluck up courage, hardened his head, and said,

“Is it not the same as throwing yourself into the net?”

Jack Lee gritted his teeth and cursed: “Fck you! I am a police officer,”

“Not a murderer, how can I be considered to throw myself into the net?”

His subordinate said anxiously, “But the media are waiting to interview you.”

Jack Lee knew that what his subordinate said was not wrong.

With so many major cases occurring in the city overnight,

And so many innocent deaths involved,

The reporters in the city are now most eager to interview the head of the police.

The top has also long issued an order, without the permission of the top,

No one is allowed to accept media interviews privately.

The reason why the top is so afraid of interviews is because in this case,

The police have long been the object of blame by the media and the public.

As long as they seize the opportunity, no matter who is interviewed,

They will have to face all the possible criticism.

Therefore, the top is afraid that the police asked by reporters and dumbfounded,

With the red-faced look, the media films this and broadcasts it to the country or even the world it will be a sight of embarrassment.

This is also why Jack Lee lied to his superiors and said he was going to the autopsy center.

If he had said he wanted to go to Joules's group and meet Xion Banks,

His boss would have cursed him on the spot and forbade him.

However, at the moment, Jack Lee has no other way.

The only clue he could grasp was that Xion Banks has come to New York with Michaela,

So to know whether the Dragon Hall was behind this matter or not, Xion Banks was the only breakthrough.

So, he ironically said to his subordinates:

"From now on do not say anything, do not ask anything, what I tell you to do,"

"You do as you are told to do, if the above blame down, everything is on me."

Hearing this, The subordinate knows that Jack Lee has made up his mind,

So he wisely did not say any word, and then immediately picked up the intercom,

Said to the cars following behind him: "Not going to the autopsy center, just follow me."

.....

At this moment.

From eight o'clock, there are less than five minutes left.

The conference hall of the Joules Group is not only full, even the aisles are full of people.

All kinds of media set up all kinds of long guns,

Afraid to miss every shot and clip of the launch they are already there.

In addition, many media outlets also carried out simultaneous live broadcasts,

Which are broadcasted in real-time to the world through the dual platforms of cable TV and the Internet.

Because Patrick's case has stirred the world, at this moment,

Not only the people of the United States are watching the conference,

But also people in other countries are watching the broadcast of the conference in different time zones,

At different times, and through different network platforms.

Chapter 4320

In the lounge next to the conference hall, Michaela, wearing a black skirt with a white shirt,

Was ready to go on stage, with a calm expression and a bit of confidence.

While Ferdie, Floyd, and Roger, the three generations of the Joules family, each is there with a nervous face.

They do not know what situation is waiting for them at a moment,

Perhaps as soon as they walk into the conference hall,

There will be countless people ready to take off their shoes and throw at them.

Roger, as Patrick's father, was the most nervous deep inside, after all,

He also knew that the son was not taught and it was the father's fault,

And now that Patrick is dead, people's first thought of the outlet should be him.

Seeing that the time is getting closer to eight o'clock, he said to Michaela apprehensively,

"Michaela can I go up later"

Michaela said firmly: "In today's conference, none of the four of us can be missing!"

Roger said in a panic: "I am afraid that when I appear now,"

"It will immediately cause public anger, in case it affects the rhythm of your launch, it will be bad"

"Never mind." Michaela did not leave any room for error and said,

"After you and uncle and grandpa take the stage, you don't have to say anything,"

"And you don't have to do anything, the words will be said by me alone,"

"You only need to apologize with me when I apologize, and bow with me when I bow."

Roger still wanted to say something, next to him Ferdie coldly shouted,

"Roger! Your son has caused such a big trouble, if you, as a father,"

"Don't show up, what would others think of our Joules family?"

Roger said in shame: "Grandpa you are right"

Ferdie looked at him coldly, and then looked at Floyd who was scowling at the side, and coldly said,

"Everyone in the Joules family, including me, must obey Michaela's orders,"

“Otherwise, get out of the Joules family before it’s too late, and go outside and become a relative!”

Roger shrank his neck and hurriedly said, “I know grandpa

At this time, Xion, who was dressed in a black suit,

Pushed open the door of the room and came in front of Michaela with big steps and spoke,

“Miss Joules, there is one last minute.”

“Okay.” Michaela nodded and asked, “Xion, Mr. Wade is not coming over?”

“Yes.” Xion Banks said, “Mr. Wade is watching the live broadcast at the hotel,”

“And he asked me to convey the words to you that you will handle it well.”

Michaela pursed her lips, nodded her head forcefully, and said,

“I know help me thank Mr. Wade for me!”

After saying that, she took out her phone and looked at it,

Forty seconds left until eight o’clock, so she turned it off and said to the three-generational elders around her,

“It’s almost time, let’s go now!”

Ferdie, Floyd, and Roger, their expressions were all aghast.

In their view, the upcoming conference was like they were going to be stripped nak3d,

And paraded through the streets, making them feel uneasy.

But now, they do not have any room to retreat,

So they can only follow Michaela’s steps and walk out of the lounge.

The main door of the lounge was directly connected to the stage access of the conference hall.

After passing through the several-meter-long passage,

The four of them appeared directly on the side of the stage of the conference hall.

The reporters, who had been waiting for this, saw someone appearing from the passage,

And regardless of the angle, all the cameras were aimed at the entrance,

And for a while, the shutter sound crackled madly,

As if a hundred thousand mouse traps were triggered at the same time in an instant.

The reporters, out of professional instinct,

Realized after the first round of photos that the first person to walk out of the entrance was not the Joules family's head, Floyd!

The great change that happened in the Joules family last night had not been officially announced to the outside world.

Chapter 4321

Therefore, when people saw a young and beautiful woman,

Who was the first to ascend the stage from the entrance,

Each and every one of them was speechless with shock.

Many people didn't even know who Michaela was, so one by one they all mingled below,

Trying to figure out what this woman actually does.

Many media reporters even preemptively cursed:

"These men of the Joules family are too shameless to push a girl out as a shield at a critical moment!"

This kind of voice instantly triggered everyone's approval.

However, no one expected that when Michaela walked to the speaker's platform,

And stood behind the microphone, with the first words she said, it dropped a heavy bomb in the crowd.

Only to see her lips slightly open, she calmly and coolly said,

"Hello, friends of the media, I am the new chairman of the Joules Group, Michaela Joules!"

Michaela's throwing words caused the whole scene to burst into an uproar.

No one expected that the Joules family would change a new chairman at this critical moment.

And what was even more unexpected was that this new chairman was a woman.

We must know that even in developed countries, those big families' patriarchal thinking is extremely serious.

There are so many big families with more than ten billion dollars worth,

Almost none of them will give the position of leader to a woman.

And, still such a young woman.

However, if you look behind Michaela, the previous family head, Floyd Joules,

And even the previous family head, Ferdie Joules, all are standing.

This also means that the young Michaela is not joking here.

With the previous two family heads standing up for her,

She was definitely the leader of the Joules family.

The crowd was shocked beyond belief.

They really couldn't understand why the Joules family would make such a decision,

Even if they needed to find someone to take the blame or find someone to be a shield at this time,

There was no need to give up the position of the family head, right?

If you can become the head of the family after taking such a pot,

And also the head of the Joules family with nearly trillion dollars in assets, I'm afraid no one will refuse.

When the media reporters were horrified, Michaela went straight to the point and said,

"I believe that everyone here should have seen the series of videos that were exposed on the Internet yesterday,"

"And I, as well as the rest of the Joules family, did not know,"

"About the unforgivable crimes committed by Patrick Joules until yesterday, just like you all."

As soon as many people heard Michaela say that they only learned about these things yesterday,

They immediately felt that she was going to start dumping the pot.

One of the young male reporters said to the others around her,

“I think she’s going to say that we didn’t know anything, that what Patrick did was his personal act,”

“That it has nothing to do with us, and that we are also victims blah blah blah! Bullsh!t!”

The viewers who watched the live broadcast in front of their TV sets,

Computers and cell phones also had similar thoughts in their minds.

They had seen a lot of this, the behavior of the big families dumping the pot at a critical moment.

So, they also expected that the Joules family would definitely use this way to clear their name.

However, no one expected that Michaela, immediately afterward, said incomparably piously,

“Although we also just learned about all this last night, but for what Patrick did,”

“Our Joules family still has a major responsibility that cannot be shirked!”

When Michaela said this, it immediately made the reporters on the scene as well as the viewers,

Watching the live broadcast felt a sense of relief.

This phrase has a great responsibility that cannot be shirked,

In the view of reporters and viewers, it is already extremely rare wording.

Chapter 4322

Because, in the past, when it comes to similar situations,

Even if the big families admit fault with a good attitude,

They will only admit a secondary responsibility at most,

Such as their supervision was not enough or something like that.

Like Michaela, the word “major responsibility” directly on their own, it is extremely rare.

At this time, everyone put away the disdain just now and began to listen intently to Michaela’s next words.

At this time, she said seriously: “The reason why I say that our Joules family,”

“Has a major responsibility that cannot be shirked is mainly in the following aspects;”

“First, the Joules family’s education of Patrick was indeed extremely inappropriate!”

“It is the Joules family’s fault for failing to establish a healthy and kind outlook on life,”

“Worldview, and values for him, allowing his character and acting style,”

“To continuously go to extremes and even bring such significant harm to the society!”

“Second, the Joules family has been extremely negligent in supervising what Patrick had done!”

“Patrick had been doing wrong for so many years and we didn’t even know about it until yesterday,”

“This is a clear dereliction of duty and incompetence within the family!”

“If we could have found out about his problems as early as possible,”

“He wouldn’t have been able to hurt so many innocent women, so this, too, is the Joules family’s fault!”

“Third, the Joules family’s wealth, status, and resources have had inadvertently become the key factors,”

“That aided and abetted Patrick to keep committing felonies,”

“If not for the Joules family’s resources, Patrick would not have had the opportunity,”

“To commit so many felonies one after another, so this, too, is still the Joules family’s fault!”

Michaela said three points of the Joules family’s faults in a row, which instantly made everyone dumbfounded.

In everyone’s opinion, Michaela’s words were not biased, shirking responsibility,

On the contrary, she took the initiative to admit all the direct and indirect responsibilities,

Which really made everyone’s attitude towards her change a lot.

At this time, Michaela continued: “In addition, I also want to state one thing,”

“That is, I personally, just took over the Joules family last night,”

“So in the Joules family in the end there are no other people involved,”

“I can not yet say this with a 100% guarantee!”

“But what I can promise you is that in the next few days,”

“The Joules family will take the initiative to cooperate with the police and conduct,”

“An in-depth investigation into every member of the Joules family as well as the employees of the family!”

“At that time, we will make all the contents of the investigation open to the community.”

“We will never condone it once we find that there are other people involved!”

These words of Michaela threw another thunderbolt in the hearts of reporters and viewers!

At such a time, it was rare to admit that there were education problems,

Improper supervision and potential accomplices for Patrick,

But what everyone did not expect was that she would conduct a thorough investigation of the family.

Once these words came out, everyone understood that Michaela really wanted...

To solve all the problems thoroughly, without any half-hearted or perfunctory ingredients.

So, there were already reporters on stage who couldn't help but applaud.

Their attitude towards Michaela, at this moment, has also changed dramatically!

At this time, Michaela continued, “In addition to cooperating with the investigation,”

“Digging out all the garbage within the Joules family and removing it completely,”

“We also have an extremely important matter to resolve,”

“And that is to start the compensation work for all the victims' families!”

Once these words came out, everyone stared closely at Michaela.

Taking the initiative to compensate the families, this was taking the attitude of handling the problem to a new level.

Therefore, everyone was eager to know how Michaela was going to handle the compensation of the victims' families.

Michaela said very seriously: "Before disclosing the compensation method, I also want to make a statement,"

"That is, we know very well that even if we compensate with more and more money,"

"It is impossible to bring the victims back from the dead and completely compensate for the trauma in the hearts of the victims' families,"

"But we are still willing to do everything we can to help the victims' families solve their future life problems,"

"So that they can stay away from the problem as much as possible."

"In order to keep them away from their grief as much as possible."

At this point, Michaela gave a slight beating and said in a loud voice:

"Therefore, I hereby officially announce that the Joules family will pay,"

"A lump sum of one billion dollars as compensation to the families of each victim who died as a result of Patrick's cruelty!"

Chapter 4323

"One billion dollars?!"

With these words Michaela Joules instantly made the whole world in an uproar.

In third-world countries, the civil compensation for human life is only a few thousand dollars.

In developing countries, it is only tens of thousands of dollars or at most hundreds of thousands of dollars.

In developed countries, it is true that there are often some very high compensation cases,

But tens of millions of dollars are already at the top.

Moreover, the kind of compensation up to tens of millions of dollars,

Generally is the top team of lawyers racking their brains to get.

So, the victim can really get only a small part of it,

And a large part of it is almost all into the pockets of lawyers.

The first time Michaela Joules opened her mouth, it was a billion dollars per person,

What concept is this? Almost equal to paying out to each victim's family a listed group!

Video footage shows that the girls who died at the hands of Patrick, at least, are more than twenty.

This means that the Joules family will have to come up with at least twenty billion dollars to settle this matter.

This This can no longer be described as wealthy being generous.

Therefore, in this instant, Michaela Joules's image, in everyone's eyes, became abnormally tall.

What kind of boldness could make this woman, at the first word, to compensate one billion dollars each?

Moreover, one billion dollars is already enough for any family,

In any place in this world to live a top luxury life, and several lifetimes to spend.

This kind of compensation is unheard of! And impeccable!

Don't know who applauded first, so the whole conference hall became thunderous with applause that lasted forever!

Patrick's actions really made everyone gnash their teeth,

But Michaela Joules's attitude and the solution she proposed just now really convinced everyone.

Not to shirk any responsibility, not to avoid any sensitive factors,

But bearing costs to make up for the fault, with this solution, so that no one can pick any fault.

Therefore, at this moment, everyone's negative feelings toward the Joules family, instantly dissipated.

However, Michaela Joules was not finished at this time.

She waited for a few minutes, but there was no chance of this applause stopping,

So she could only hold out her hand to signal everyone to stop applauding.

After waiting for about another minute, the applause finally stopped gradually.

Michaela Joules continued: "Specifically for the payment of this money, we will first fully communicate with the police,"

"After determining the identity of the victim, take the initiative to contact the victim's immediate family,"

“The compensation will be paid to the victim’s immediate family;”

“If the victim does not have immediate family,”

“We will donate the money to the victim’s birthplace women and children’s rights protection organizations,”

“Then the donation details We will disclose it to the whole society and accept the supervision of the whole society.”

When Michaela Joules said this, the stage once again thundered with applause.

So far, the crowd had never seen any magnate noble family that could handle their own scandals so beyond expectations.

In the past, those gentries, after making a mistake, the first thing to do is to set aside the relationship,

If they really can not set aside the relationship,

Then find a lot of reasons to defend themselves,

Or even simply pretend to be deaf and dumb, no longer responding.

However, Michaela Joules’s handling of the matter was perfect in everyone’s eyes,

And a textbook crisis PR for all the top families.

However, the cost of this public relations is also really big,

The first time you ask for compensation of 20 to 30 billion dollars,

Even the top tycoons may not be able to have such boldness.

Seeing that the crowd was appreciative of her solution, Michaela Joules was finally relieved.

She knew that this PR crisis had been successful.

Chapter 4324

Although Michaela Joules represented the Joules family and took most of the blame,

But because her attitude was sincere enough and her solution was reasonable enough,

She got the tolerance of the people instead.

This is also what Charlie had said, set the place to die and then live.

Standing up straight and taking a beating is always much more painful than being scolded with your head covered.

The beating, just this one, as long as in the beating you do not die,

Then you can stand up with the backbone to be a person.

However, once you choose to hide with your head covered,

It is destined to hide for the rest of your life, and can not afford to hold up your spine.

Not to mention a family, even a country has the same.

For those countries that have launched wars of aggression,

Those who choose to admit their mistakes and actively compensate have been forgiven by the vast majority of people,

While those who are unrepentant and never admit their mistakes have been nailed to the pillar of shame.

At this point, Michaela Joules faced the media reporters and continued,

“Here, I would like to solemnly state that we are not simply trying to solve all the problems with money,”

“We just want to try to make up for the harm that Patrick brought to these families,”

“And at the same time, we dare not ask for forgiveness from the victims’ families,”

“And only hope that they can welcome the new life that belongs to them after the great grief.”

“Even though Patrick has been severely punished,”

“The guilt in our hearts is still hard to overcome. I’m sorry!”

As soon as the words left her mouth,

Michaela Joules walked out of the lectern and bowed deeply to everyone.

After that, Ferdie, Floyd, and Roger also hurriedly followed her and bowed deeply to apologize.

Only after a long time, Michaela Joules stood up straight and said aloud:

“From today, we will disclose the progress of the compensation work to the outside world every day,”

“I will later instruct the group’s technical department to develop the group’s home page,”

“And add a real-time information release interface,”

“There everyone can see all the details of this matter on the official website of the Joules Group,”

“And if there is a major event, we will also hold a press conference to announce it to everyone.”

After that, Michaela Joules continued, “That’s it for today’s conference, thank you! Thank you!”

The press conference was over, and the public opinion about the Joules family changed,

From a universal accusation at the beginning to praise all of a sudden.

Michaela Joules’s handling of the situation left everyone speechless and made the vast majority of people appreciate her,

And in front of the TV set and on the internet, people were not stingy with their praise.

After watching the whole conference in the hotel living room,

Charlie also recognized Michaela Joules’s normal performance, and he knew,

That as long as Michaela Joules could actually land her promise, the Joules family’s hurdle would be over.

However, his wife Claire was still watching the TV at this time, with a shocked face unable to speak.

After a long time, she asked Charlie with a bewildered face:

“Husband This Miss Joules should be Miss Lavigne, right?”

“I see that she is very similar to her in all aspects, even her voice is very similar”

Previously, Michaela Joules had been alias Miss Lavigne to approach Claire,

And even became good friends with her, and after Ferdie was displaced by his son some time ago,

Charlie let Xion take Michaela Joules on board, Claire lost her contact information.

During this period of time, Claire has been somewhat worried about Michaela Joules's safety,

But today, after watching the Joules family's launch, she realized that,

Michaela Joules who was wearing a professional suit at the launch had a 90% resemblance to Miss Lavigne,

So much so that her whole body fell into a kind of bewilderment.

Charlie at this time can only play dumb and said,

"She does look very similar, but if it is the same person, I can't say"

Chapter 4325

Claire said with some dismay: "It should be the same person"

"I have not been able to contact her recently, and thought something had happened to her"

After saying that, she looked at Charlie and asked with a puzzled face,

"Honey, why do you think she has to hide her identity in front of me?"

Before Claire graduated from college, she was promised to Charlie in advance by her grandfather,

And after their marriage, she had been a transparent person in the Willson Group,

So she didn't really have much life experience besides having seen the sinister nature of the Willson family.

In her limited social experience, she really can't understand why,

A person would want to use another identity to make friends with others.

The other party is deliberately trying to harm her,

Then she uses a false identity, naturally, it can be justified.

However, in the midst of her relationship with herself,

Instead of lying to her, Michaela Joules even did her a big favor by introducing her to her idol,

Kelly West, and also got her a place in the master class.

So, she wondered even more about the reason why Michaela Joules did that.

However, the matter of Michaela Joules's hidden identity still made her heart very low,

Because she sincerely considered Michaela Joules as a good friend but never thought that,

In the end, the identity of her best friend is all fake.

When she thought that she had invested her heart,

But did not even know the other party's true identity, Claire could not help but have red eyes.

Charlie saw that she was depressed and knew that she must have some disappointment in her heart,

So he spoke and comforted her, "Honey, you don't have to think too much,"

"You see she comes from such a big family with trillions of dollars,"

“Surely she can’t reveal her true identity,”

“Otherwise there’s no telling how many people will have crooked brains.”

Claire lightly sighed and said, “You say the truth I can understand,”

“But there is still a feeling of being cheated, you know I do not have,”

“Many friends in the first place, and I was sincerely treating her as a good friend

Charlie heard this, a melancholy hit his heart.

He was really afraid to imagine what kind of mood Claire would be in if she knew his true identity.

So he could only excuse Michaela Joules: “Wife, in this matter you do not have to be so sad,”

“I think she must also have her hardships, and, Miss Lavigne this identity may not be fake,”

“The real rich people, many have several identities, and each identity is real,”

“Only each identity has a different nationality, name, etc,”

“Maybe she just chose to use Miss Lavigne as an identity to go to China only.”

“Is that so?” Claire seemed to be in a better mood when she heard Charlie explain like this,

But she still asked with some doubts, “Then what do these rich people need so many different identities for?”

Charlie laughed: "As the saying goes, there are three caves for cunning rabbits,"

"Let alone such top tycoons? Some countries do not allow citizens to have dual citizenship or multiple citizenships,"

"In this case, they have to use multiple identities to solve this problem,"

"Just like you often watch the movie of those agents,"

"Each agent has several passports, several identities, these are also very normal."

Saying that Charlie continued to comfort:

"You think since she is the Joules family's golden girl, far away in China,"

"Itself unfamiliar with the place, if they use their real identity,"

"What if they are kidnapped? What to do?"

Claire nodded with great understanding and said seriously,

"You're right, I'm the one who's a little narrow-minded"

Charlie laughed: "You are not narrow-minded, you are too easy to put true feelings on people,"

"So all of a sudden the heart is a bit unacceptable."

Chapter 4326

Saying that, Charlie added: "Oh yes, I have seen this Miss Joules information online,"

"You just saw at the launch, she also stood in front of three men, the oldest called Ferdie Joules,"

“He is the original head of the Joules family, later is his son Floyd Joules more power not to say,”

“His son is rumored to have wanted to kill him to end the future.”

“Ah?” Claire exclaimed: “How can there be such a bad person, even trying to kill his own father?”

Charlie nodded and said, “In the face of powerful interests, no relationship is 100% reliable.”

“I heard a gossip, some time ago this Ferdie and Michaela Joules disappeared together,”

“The Internet said that they must have been killed by Floyd,”

“Now it seems that they should have gone to hiding,”

“And then came back to the United States to take back control,”

“Which explains why Miss Lavigne, oh no, why Miss Joules would leave without saying goodbye,”

“She suddenly disappeared is the reason why she didn’t contact you,”

“Maybe she was trying to escape from the chase.”

Claire nodded gently, her low mood had eased a lot, and said softly,

“If that’s true, Miss Joules’s life is indeed not easy

Charlie nodded and smiled and said: “You do not need to think too much,”

“Since she has now become the head of the Joules family,”

“It is certainly no longer a reason for any worries,”

“I believe she will soon contact you, personally explain the situation to you.”

Claire said somewhat vaguely, "To be honest, I'm quite afraid that she will contact me"

Charlie was puzzled and asked, "What?"

Claire seriously said, "She is not only the top big family's young lady,"

"And now also became the head of the whole family, compared with her,"

"People like me who are simply mediocre can not be even mediocre, which is not enough to be her friend"

Charlie said seriously: "Wife, at any time do not presume to be inferior,"

"In my eyes, you are not inferior to anyone."

Saying that he smiled and said jokingly,

"Moreover, you may feel that the other party is the daughter of a thousand-year-old big family,"

"So you can't climb high, but others may also feel that,"

"They can't climb high because you are Master Wade's wife, in turn."

Claire thought Charlie was teasing her, and could not help but also jokingly, said:

"People call you Master Wade a few times, you really think you are a master,"

"I tell you the truth since you began to give people feng shui,"

“I always worry that you will one day be arrested by the police

“Just have dreamt about you being caught, not once or twice

Charlie laughed: “wife, you can rest assured that such things as feng shui,”

“Without a willingness to fight or a willingness to suffer, how can the police arrest me

Claire nodded and said, “Later found that you have a very good relationship with your customers,”

“They also trust you, I am not so worried anymore like before.”

Saying that, she asked him, “Honey, are you still going to New York today?”

“Yes.” Charlie said, “I’ll go there after I drop you off at school later,”

“Miss Sun’s first concert starts tomorrow, and I have to open her performance venue today.”

Claire was busy asking, “Then can we go to New York tomorrow to see her concert?”

Charlie was a little hesitant all of a sudden.

Originally, he planned to take his wife to see Stefanie’s concert.

And it was to see both New York and Boston.

However, since Stefanie was in danger and helped him to deliver medicine to Grandpa,

He was more or less worried in his heart.

He was not sure if his grandmother and the rest of his grandmother’s family...

Would go to her concert out of gratitude for her act.

So, he intends to go to New York today, by the way, also go to the performance venue to take a look,

If there is a good private VIP box, it would be good, if not,

Then he has to consider making up an excuse to persuade his wife to give up the concert in New York!

Chapter 4327

Michaela solved all the troubles of the Joules family at once,

But immediately afterward, more new video evidence was immediately exposed on the internet.

However, the main lead of these evidences is no longer Patrick,

But those tycoons, and noble sons who were found tragically dead in the Hudson River this morning.

This, again, exploded all over the world.

The public's attention was immediately shifted from the Joules family to these large families.

And those big families did not even care to grieve for the tragic death of their own family members,

They immediately had to face a headache over how to eliminate the public anger.

Although Michaela had already given them a sample, her solution was too expensive for others.

These big families, who are addicted to money,

Are not willing to provide a billion dollars in compensation for each victim's family until they have no choice but to kill them.

However, these are no longer the issues that Michaela needs to consider.

After the conference was over, she immediately called Charlie,

And when the call was answered, she asked incomparably piously,

"Mr. Wade, did you see the Joules Group's conference just now?"

Charlie smiled, "I saw it."

Michaela asked, "Then do you think the solution I proposed is satisfactory to you?"

Charlie seriously said, "I think you have handled it well enough,"

"And I believe that under your impeccable handling like this,"

"The Joules family will soon be able to get out of the haze of Patrick."

When Michaela heard Charlie's praise, her heart was not only relieved but also a little more shy than a young girl.

She then said to him, "Thanks for Mr. Wade's approval,"

"I will complete the verification of the victim's information as well as the payment of compensation in the fastest time possible."

"Good." Charlie gave a slight beat and asked her again,

"Now that you have officially become the head of the Joules family, what are your next plans?"

Michaela said, "I have only planned two things during this recent period of time,"

"The first thing is to solve the mess left behind by Patrick;"

"The other thing is to take the time to familiarize myself with the group's affairs,"

"Sort them out, and get started as soon as possible."

Charlie instructed,

"Actually, your top priority now is not to familiarize yourself with the business, but to purge the team."

Michaela asked busily, "Mr. Wade, what you mean is"

Charlie reminded, "You should not forget that the current board members of the Joules family,"

"All are the same group of people who kicked your grandfather out in the first place,"

"Your immediate priority now is to take back all their voting rights and veto power on the board,"

"Only then will your position be the safest."

Michaela said with some concern:

"The members of the board of directors, in addition to the direct members of the Joules family,"

"Are basically the relatives of the Joules family, as well as some of the backbone of the ministers,"

"I have just assumed office, the smooth operation of the group still needs them to maintain,"

"If at this time to start on them, I am afraid that they will unite to hollow me out, or simply quit."

Charlie said seriously: "These people stood on the wrong team once,"

"And now you have become the new head of the family, they must be very panic in their hearts,"

"Afraid that you look for them to settle scores so at this time,"

"You must not let them worry in vain, you must first time settle the previous accounts,"

"Otherwise, if you turn over this one today,"

"Then they will feel that even standing in the wrong team has no consequences,"

"Next time they will only be more reckless."

Saying that Charlie added: "Now in front of you are two extremes,"

"Either take advantage of this opportunity to completely convince them,"

"So that they fear you, or let them take this opportunity to see your weaknesses,"

"So that in the future they can intensify, in addition to these two possibilities,"

"If you want to forget the past, and want friendly and sincere cooperation with them, the possibility is almost Zero."

Chapter 4328

Michaela was silent for a moment.

She knew that what Charlie said was right.

At this time, she should indeed be tougher and set up the authority of the family head.

Only, one person against the entire board of directors,

Which made her more or less like a mannequin, and did not know exactly where to start.

Charlie spoke at this time: "I have the impression that in most groups,"

"Shares and voting rights correspond in equal proportions if a person holds 10% of the shares,"

"He or she has 10% of the voting rights if a person holds more than 51% of the shares,"

"The voting rights are also more than 51%, theoretically,"

"He or she is the absolute controlling majority shareholder, right?"

Michaela was busy saying, "That's right Mr. Wade, that's right."

Charlie added: "But for many large groups, because of the many businesses,"

"Many shareholders, and the public offering of shares, the equity dilution is very strong,"

"And in many large groups, the single largest shareholder holding shares,"

"Maybe sometimes only twenty to thirty percent, right?"

"Yes." Michaela truthfully said, "The vast majority of listed companies are like this,"

"Take Apple, which has a market capitalization of more than two trillion dollars,"

"The largest shareholder, Pioneer Group, holds only about seven percent of the shares."

Charlie said, "So in this case, it is necessary to implement the system of AB shares,"

“Take away the voting rights of other shareholders without depriving them of their shares,”

“Even if you can’t achieve an absolute holding of more than 51%,”

“You should at least aim at taking more than 51% of the voting rights in your hands,”

“Only then can you ensure that others can’t shake your foundation. “

Saying that Charlie added:

“You have to remember, today, is the day those shareholders are most afraid of you,”

“No matter if you let them pay the price today, after today,”

“Their fear of you will be dissipated, so you must seize the opportunity.”

When Michaela heard this, the whole person was enlightened.

Charlie was right, the current board members were definitely all like suspects.

Who had committed a crime and were waiting for sentencing.

They were all ready to receive punishment themselves,

And if she didn’t take this opportunity to suppress them for a wave,

Then they would create a feeling of impunity after today.

In that case, they would only become more arrogant.

Thinking of this, she immediately said to Charlie:

“Mr. Wade, thank you for your reminder, I understand,”

“Later I will convene a board meeting and ask all board members to surrender,”

“All the voting rights corresponding to their own shareholdings!”

Charlie smiled with satisfaction, “Then I’ll wait for your good news.”

Just then, one of the group’s public relations managers walked over in stride and said to Michaela,

“Chairperson, Inspector Jack Lee from the NYPD is here, he said he has something important to ask you.”

Michaela frowned and said, “He should be here for the matter of Patrick,”

“Let you take care of this matter with him, I have other matters, so I won’t meet with him.”

The PR manager immediately nodded and said, “Okay, then I’ll go communicate with him.”

Michaela was about to speak when she heard Charlie on the phone speak,

“Miss Joules, since Jack ran over to you, then you might as well meet him and see what he really wants.”

“Okay!” Michaela immediately agreed and said to the PR manager, “Let Inspector Lee in.”

Charlie spoke at this time, “Miss Joules, you don’t have to hang up, I want to hear what he wants to do.”

“Okay, Mr. Wade,” Michaela said and put the phone into her pocket.

A few moments later, Jack walked in with big steps.

After he saw Michaela, he asked straight to the point:

“Miss Joules, where is Miss Xion Banks who came to New York with you?”

“I have something to ask her face to face!”

Chapter 4329

Hearing Jack suddenly ask about Xion, Michaela’s heart, all of a sudden, tensed up.

She knew that Xion’s identity was relatively sensitive, and if Jack had set his eyes on Xion,

She was afraid that he had already suspected the head of the Dragon Hall.

And she is also very clear, Jack directly wants to find Xion,

It must be that he has found out Xion and herself coming together from the entry information,

They certainly can not play sloppy with Jack at this time,

Otherwise, in case he bids not to let go, there will certainly be trouble.

On the other end of the phone, Charlie, hearing Jack ask for Xion,

Also realized that Jack must have taken Xion as a breakthrough.

At this moment, his heart can not help but show some chagrin,

He let Xion escort Michaela to Syria, only after considering Xion completely credible,

As a woman, it is also convenient for Michaela’s close protection and care.

The reason for this is because of the suddenness of the situation,

And the need to bring Michaela back to inherit the Joules family,

And it was only natural to have Xion escort her to New York at that time.

But now he realized that he should not have let her enter New York,

Once she entered, she would naturally leave entry information,

And Xion's fame is relatively large, it is inevitable to be watched.

So, he immediately sent a text message to Xion with his cell phone WeChat, the content is:

Xion, Jack has been watching you, he is in the Joules family,

You immediately leave New York, go through a special channel back to China,

Let Weasley solve the rest of the matter!

After the message was sent, he heard the phone, Michaela said to Jack:

"Detective Lee, I take the liberty to ask, I wonder why you are looking for Miss Bank?"

Jack was not ambiguous and said directly,

"There is information that she has joined the Dragon Hall some time ago,

So I want to consult her about matters related to the Hall."

Michaela said very seriously: "Detective Lee, Miss Bank is my guest in New York,"

"And she entered the U.S. through legal channels and is also a green card holder,"

"So it's not appropriate for you to come here so aggressively,"

"To ask her questions when she has not committed any crime?"

Jack said in a cold voice: "Miss Joules, according to the U.S. law,"

“I have the right of questioning supported by the law in my jurisdiction of responsibility,”

“So I also hope that you do not interfere with my normal law enforcement.”

Hearing this, Michaela knew that Jack was resolute, so she thought in her heart,

“Mr. Wade is listening over the phone right now, I think he will definitely notify Xion,”

“To respond in advance, I have to buy some time for her anyway!”

Thinking of this, she put away her friendly attitude just now and said very forcefully,

“Detective Lee, I know you have the right to ask questions,”

“But I also have the right to refuse to answer your questions.”

Jack coldly snorted, “Miss Joules, I know Xion is at your Joules Group’s headquarters,”

“If you let me meet her, then I won’t make this matter too difficult for you,”

“But if you insist on going against me, then don’t blame me for putting your entire Joules Group on lockdown.”

Michaela nodded: “If Detective Lee feels the need to blockade, I have no problem with it,”

“But I would like to remind Detective Lee, blocking the Joules Group requires legal authorization documents,”

“Not to mention that I have so many reporters here now who are preparing to withdraw,”

“If you blockade them inside as well, you better have enough legal reasons.”

Chapter 4330

Jack saw Michaela separate oil and salt, so he opened his mouth and threatened:

“Miss Joules, I think you also know the identity behind Xion, if I go back and apply for a search warrant to block this place,”

“Then if the media reporters ask, I will answer truthfully and suspect that Joules’s group has,”

“A relationship with Dragon Hall, then how will Miss Joules explain it to the American people?”

Michaela said blandly: “My grandfather and I were chased and attacked overseas,”

“And it was Miss Bank who protected us all the way back to the U.S.”

“I don’t know exactly what Miss Bank’s identity is, I only know that she is my benefactor,”

“My friend, and even if she is a member of the Dragon Hall, then I would like to ask,”

“Is there any provision in the U.S. law that does not allow U.S. citizens,”

“To be friends with members of the Dragon Hall? “

Jack coldly said: “Miss Joules, I think you should know, your nephew Patrick and other people who were killed last night,”

“Were killed by the hands of the Dragon Hall,”

“You can hold a press conference today as the head of the board, must also be related to the Dragon Hall!”

Speaking of this, Jack’s voice raised a few points, threatening:

“Miss Joules, if this matter gets out, do you think the outside world will think that the reason,”

“Why Patrick died is that Miss Joules, in order to compete for the family inheritance,”

“You have reached some kind of cooperation agreement with the Dragon Hall,”

“Hired the Dragon Hall out to exterminate the relatives?”

“When the time comes, we may have to investigate you on suspicion of hire for murder,”

“Which I’m afraid will affect your hard-fought future!”

Michaela did not care, “It does not matter, if you want to investigate, you can feel free to investigate,”

“I Michaela Joules will cooperate fully, even if the outside world suspicion does not matter,”

“What is clear is clear, I will not be coerced by you to do things I did not do!”

“Okay!” Jack said: “Miss Joules, I may as well tell you, I came up, I have asked the relevant staff downstairs,”

“I gave them a look at Xion’s photo information,”

“They all told me that they saw Xion accompany you in, and has not left,”

“So I believe that she is definitely in the Joules Group.”

After saying that, he looked at Michaela in a cold voice:

“If Miss Joules is willing to cooperate, now and call Xion over,”

“If you insist on refusing to cooperate, then I can only order the headquarters of the Joules Group to be temporarily closed,”

“When things go wrong, Miss Joules all the consequences you should bear at your own risk!”

Michaela smiled faintly, clutching her shoulders, and said lightly:

“I’m not going to lie to Detective Lee, although I’m not old,”

“But what big battles are there that I have not seen, you do not need to bully me here,”

“If you want to close the Joules Group, then be my guest!”

At this time, Michaela believes Charlie must have informed Xion in advance.

With Xion’s thunderous style of action, she might be on her way to the airport by now.

Therefore, she is also not the least bit worried about Jack closing the Joules Group.

Jack’s heart was irritated, the successive defeats had made him lose his mind,

At this time he angrily took out his cell phone, called his men, and ordered,

“From now on, block all the entrances and exits of Joules’s Group, temporarily do not allow anyone to leave!”

The subordinate asked in surprise: “Inspector Joules’s group has hundreds of reporters.....”

“This action is not a little too big?”

Jack looked at Michaela and said in a cold voice: “I now suspect that the chairman of the Joules Group is associated with overseas terrorists,”

“You immediately closed the entire Joules Group, I will now call the director to come with a search warrant!”

To Jack, Xion was the only clue he could find at the moment.

Therefore, he knew very well that if he wanted to solve the case,

He had to find Xion first and then find a way to dig deeper from her body for other clues related to the Dragon Hall.

Otherwise, once Xion and the people of the Dragon Hall withdraw from the United States,

Then this series of lynching execution cases that happened in New York this time,
Will not only have no possibility of solving the case,
But at the same time, it will become the biggest shame of his own career as a police officer.

Chapter 4331

As a police officer, Jack naturally abhors the abuse of lynchings.

In his view, it was the police's responsibility to fight crime, not the responsibility of other social groups.

Moreover, other social groups do not have any law enforcement authority,

And once they lynch, it is an outright crime, even if it is to punish evil and promote good, it should be sanctioned by the law.

Therefore, he is now determined to find Xion, and he believes that as long as he,

Does not give Michaela any opportunity to tip-off, Xion will certainly not leave.

Because of this, after he hung up the phone, he said to Michaela,

“Miss Joules, I now need you to take out your phone and put it on the desktop,”

“And at the same time, you are not allowed to touch any communication devices in the room.”

Michaela wanted to agree to him straightforwardly that as long as,

So if she pressed the lock screen button twice in a row when she took out her phone,

Her call with Charlie would hang up and automatically lock the screen,

Which would definitely not be noticed by Jack.

But on second thought, she felt that if she agreed to be too crisp,

It would definitely give Jack a feeling that she had a plan for this matter.

Therefore, she said in a cold voice pretending to be nervous:

“Detective Lee, I have always maintained respect for you, but please do not go too far!”

“What right do you have to restrict my personal freedom?”

When Jack saw that Michaela was a bit weak, he immediately took advantage of the situation and said nonchalantly,

“I now suspect that you are in close contact with the criminals,”

“So in order to prevent you from tipping off the criminals,”

“I have the absolute right to restrict your contact with the outside world!”

“If Miss Joules is not convinced, when this matter is over, you can sue me in federal court!”

Michaela insisted, “I want to inform my lawyer! This is my right!”

Jack sneered, “Sorry Miss Joules, you are now closely associated with terrorists,”

“And have threatened the homeland security of the United States of America,”

“So you cannot contact your lawyer during extraordinary times!”

After saying that, he warned, “Miss Joules, I repeat, you immediately take out your phone,”

“And put it on the table, otherwise, I will take action myself!”

Michaela gritted her teeth, pretending to be indignant, reached for her phone in her pocket,

And she pressed the lock screen button twice in a row to hang up the phone and lock the phone screen.

Afterward, she took the phone out of her pocket and laid it on the table,

She looked angrily at Jack and asked, “Are you satisfied?”

Jack smiled contemptuously and said indifferently, “Miss Joules,”

“I hope you understand what kind of mistake you are making,”

“If the final evidence points to you having cooperation with the Dragon Hall,”

“Then I will definitely send you to jail myself!”

Michaela nodded and replied, “Detective Lee, I also hope you can understand that after this matter today,”

“I will definitely protest to the mayor regarding today’s matter,”

“And announce it to all the media, and I hope you will not be removed from your position before you retire.”

Jack was slightly stunned, then said in a cold voice: “Okay, Miss Joules, we’ll see!”

At this moment, Jack had his mind made up.

No matter what kind of commotion he made in Joules’s group today,

As long as he could find Xion here, then he would be considered to have won.

After all, Xion’s identity is already sensitive and special,

Although she has not broken the law in the United States,

But given what she did in Tokyo before, it is reasonable to define her as a terrorist.

So, as long as she is found in the Joules Group, even if the president comes, he can't do anything to him.

But where did he know that Xion had already left Joules's group minutes before?

And just after she left the Group, the hackers of the Dragon Hall,

Directly invaded the security monitoring of Joules's Group and tampered with all the CCTV footage of Xion.

Chapter 4332

As for Xion herself, she went directly to the dock of the harbor,

Where there happened to be a cargo ship of ISU Shipping ready to return to China,

So Charlie arranged for Xion to leave the United States by ship first.

The cargo ship will sail directly from New York back to China's China Sea,

So under normal circumstances will cross the Panama Canal into the Pacific Ocean,

But because the voyage is too long, Xion can take a helicopter directly from the sea,

To Cuba when the cargo ship passes Cuba, and then from Cuba she can return to China by plane.

He made a phone call to the New York police commissioner and told him all about his suspicions and motives,

Asking him to come immediately with a search warrant for support.

The police chief was originally a little angry at his private action,

But when he heard that Xion was in the Joules Group and might even be related,

To the more than ten murders that occurred in New York,

He immediately sent someone to the Joules Group for support.

His and Jack's position is the same, whether those mysterious people are doing justice for God or not,

He must catch these people, otherwise, it is a shame for the whole system.

Thus, a large number of police officers came from all over the city to support Joules's group headquarters,

Including the strongest SWAT special operations unit in the NYPD.

In order to prevent Xion from escaping, the police blocked,

All the entrances and exits of the Joules Group, and put heavy guards at each of them.

The other police officers checked the identity information of the people inside one by one,

And those who were checked correctly were asked to leave the scene immediately.

After everyone was checked, Xion was not found,

The police officers would bring life detectors and conduct a carpet search of the entire headquarters of the Group.

In order to prevent accidents, the police also informed the immigration authorities,

To classify Xion as an object of restricted exit.

Once she appeared at the port of entry and exit,

The powerful face recognition system would be able to identify it within one second and send an early warning to the police.

Therefore, Jack believed that Xion would not be able to fly.

While the police were laying a net in the Joules Group and preparing to search for Xion's whereabouts,

Charlie had already arrived in New York.

Today, Stefanie will do the final rehearsal in the performance venue,

Tomorrow night at eight o'clock, her first concert in the United States will be officially opened in New York.

So Charlie did not rush to find her, but planned to go to Hogan's restaurant to meet him,

Talk to him about the current situation,

And also find the opportunity to ask him if he is interested in returning to China.

This time, Charlie very low-key first took a helicopter to the vicinity of Chinatown,

And then walked alone to Chinatown.

With the experience of meeting Uncle Chen's restaurant last time,

He deliberately wore a duck-tongue hat and a disposable mask this time.

When he came near the restaurant, he suddenly found that, just outside the restaurant,

A young man in his twenties reached out and grabbed a girl's cell phone from the roadside,

Then got into a black car and took off.

The girl shouted nervously after her phone was snatched:

"Please help me call 911, someone snatched my phone!"

Charlie frowned slightly but did not think much about it.

Then, he took a step to go to Uncle Chen's restaurant.

At this time, Uncle Chen pushed open the door, saw Charlie with sunglasses and mask,

With a glance through the posture and hairstyle recognized him,

So he shook his head slightly, and winked, then skipped him, said to the girl who was robbed of the phone:

"Girl do not be afraid, first come to the store to sit for a while, I will help you call the police!"

Chapter 4333

Charlie saw Uncle Hogan giving him a wink, although he did not know exactly what the situation was,

But from his understanding of his meaning, I know that the woman who was robbed of the phone must have been a fraud.

However, Charlie did not immediately leave but strutted behind the woman into Uncle Hogan's roast goose store.

After entering, Charlie deliberately found a corner with his back to the door and sat down,

Then greeted Uncle Hogan and said, "Please, I would like to have roast goose rice."

Hogan originally did not want Charlie to come in now,

But saw that he sat in a relatively hidden position, so did not say anything more and said:

“Okay, you wait a moment, I have to help the girl to call the police.”

After saying that, Hogan took out his cell phone, and entered the three numbers 911,

Then Hogan looked at the girl and asked, “Girl, are you going to tell the police by yourself, or should I do it for you?”

The girl looked at Hogan gratefully and said,

“Just lend me your phone, I’ll tell the police myself.”

“Okay.” He directly handed her his cell phone,”

“And after the other party took it, he dialed the 911 emergency number.

On the phone, the girl told the operator about her phone being robbed,

Then told the other party the address, and when the other party finished registering,

She hung up and handed the phone back to Hogan, thanking him,

“Thank you, sir, I’ve already reported it to the police, and the police will be here in a minute.”

“You’re welcome.” Hogan smiled faintly, put away the phone, and said,

“Want to eat something? This meal is on me.”

The girl said, “No, no, I just had dinner, thank you, Sir.”

“You’re welcome.” Hogan nodded and said to the man, “Pour a glass of water for this lady.”

Without saying a word, the man immediately brought over a glass of lemon water and handed it to the girl.

The girl said gratefully, "Sir, thank you so much."

Hogan smiled slightly and said, "It doesn't matter, we should help each other."

With that, Hogan said, "Sit by yourself for a while, I'll go prepare the meal for the guests."

The girl said, "You go about your business, don't mind me!"

After less than ten minutes, a police car stopped at the entrance,

And two police officers stepped out and entered the store, asking, "Who just called 911?"

The girl hurriedly raised her hand and said, "It's me."

One of the police officers looked at the girl and asked,

"The main desk told us that your cell phone was robbed, what happened?"

The girl then said, "About 10 minutes ago, I was talking to a friend in front of this restaurant,

And suddenly a man came and snatched my phone away."

The police officer nodded and asked, "Was there only one person on the other side?"

The girl said, "There was only one person who grabbed my phone, but he quickly got into a car and left."

The police officer asked, "Did you get a good look at the person who grabbed your phone?"

"Probably what race, how tall? His weight is on the fat side or thin side?"

The girl thought about it and said, "He was too fast, I did not react at once,"

“So I did not see his face, but it is certain that the man was yellow, medium height, thin, very sensitive movements.”

The police said helplessly: “Medium height, thin yellow people, in Chinatown to catch,”

“If there are no detailed physical characteristics, catching him is more than difficult.”

Saying that the other party explained: “In fact, you know, street robbery of cell phones,”

“Laptops, and ladies’ backpacks, on the street, at least thousands of such things happen every day,”

“The vast majority of people are very difficult to catch.”

Another police officer looked around the store at this time,

And pointed to one of the surveillance probes facing the door and said,

“Since it happened right in front of the store, this surveillance probe must be able to capture it, right?”

“If we can get the suspect’s image data, the arrest will be relatively easy.”

Chapter 4334

After that, the policeman looked at Hogan and said seriously,

“Sir, we need to take the hard disk in your recorder to retrieve the surveillance video and help solve the case.”

He finished with Hogan, then immediately said to his colleague:

“You go and remove the hard disk, we will go straight back,”

“By the way, also take the girl to make a statement.”

“Yes!” The man nodded without thinking, and immediately asked Hogan:

“Sir, where is the hard disk recorder of your surveillance system?”

Hogan said with an embarrassed face:

“Officer, the recorder is there, but there is no hard disk inside

“No hard drive?!” The police officer in charge frowned and asked,

“I see that the working light of your security camera is on, how can there be no hard disk?”

Hogan took out the hard disk that is counter connected and said:

“Look, there is indeed no hard disk, my hard disk has long been broken,”

“Have not bought a new one, my store itself is relatively small,”

“There is nothing for malicious people thinking about, so it does not matter whether there is surveillance video or not,”

“So I simply did not change it, so it is the camera only just as a bluff.”

The police officer walked quickly to the front, and found that in the recorder the hard disk space is indeed empty,

The face immediately fell down and he said with a depressed face:

“I should say, sir You You are too stingy!”

“How much does a hard drive cost? The large capacity is not more than two or three hundred dollars right!”

“How can you even not save this money?”

Hogan said helplessly, “I’m not going to lie, officer, the business in Chinatown is really bad,”

“Usually I try to save some money, but the expenses eat up all my savings at the month’s end.”

The police officer was so angry that he could not say anything for half a day.

However, angry as he is, he also knows very well that in this kind of thing they have no way.

Since there is no hard disk inside the hard disk recorder,

Naturally, it is impossible to save any surveillance video,

So the boss developed this trick but there is no way to execute it any further.

Since this is the case, there is no point for him to stay here,

So he spoke to the woman and said, “Ms. How about this,”

“You come to the precinct with us first to make a statement,”

“We will try to find other clues to help solve the case.”

The woman was also quite helpless, so she nodded and said, “Okay, then I’ll go with you.”

The police officer turned around and walked out, almost walked to the door,

Turned around and said to Hogan: “Tomorrow hurry to buy a hard drive!”

Hogan quickly nodded and said, “Yes, yes, don’t worry, I’ll go buy it tomorrow!”

The police turned and walked away, and soon saw the two men come to the police car at the door,

Let the woman sit in the back of the police car, started the car, and left the scene.

At this time, only the man and Charlie remained in the store,

Hogan then asked the man to hang a suspended sign at the door.

After hanging it, the man then went to the basement alone to rest,

Hogan sat opposite Charlie and said, "Young Master Wade, the police have been watching my place,"

"I don't know exactly what it's about, but I guess it must be related to you."

"Related to me?" Charlie frowned and asked, "Uncle Hogan ,"

"Do you mean to say that the two policemen just now are running towards me?"

"It should be." Hogan said seriously: "You see just now that woman and those two police officers,"

"Acting with so much drama, in fact, just wanted to get the recording,"

"Of my store's security camera, so much trouble must have another plan."

Charlie asked with some curiosity, "Uncle Hogan ,"

"How did you determine that the woman and the two police officers were acting?"

Chapter 4335

Hogan explained: "This morning the store just opened and a middle-aged Chinese man came to the store."

"After sitting down to order a random meal then started staring at my three security cameras non-stop,"

“You think about it, serious people go to the restaurant to eat,”

“Who will pay attention to the monitoring situation?”

“So I guessed at the time that he was either a gangster who wanted to grab some cash from me or a plainclothes cop.”

Charlie pursued: “And after that? He left after dinner?”

“Yes.” Hogan said, “The guy finished his meal very quickly, paid the money, and left in a hurry,”

“As soon as he left, I hurried to remove the hard disk in the recorder.”

Charlie nodded and said seriously, “Since the other party is ruled out as a gangster,”

“Who intends to rob some cash, then 80% is the police.”

“Right.” Hogan said, “I was afraid that the police had made such a big detour,”

“To find the CCTV footage of you and Miss Sun, so I destroyed the hard drive first,”

“But then suddenly there was a scene of robbing a cell phone at the door,”

“These two things together, the other party’s motive is clear,”

“Definitely wanted to find an opportunity to remove my hard drive back to investigate,”

“So I gave you a wink, wanted you to not come over first.”

Charlie suddenly realized, and could not help but ask:

“Uncle Hogan , to be honest, if you did not give me a wink,”

“I really did not see what was wrong with this matter, how did you judge it?”

Hogan smiled slightly: "They did this scene, the script is quite well thought out,"

"But the director and actors' choreography is still a bit clumsy,"

"To put it bluntly without the key details, you write the script with no key details,"

"That person looking at it with interest can certainly see the flaw."

Said this and continued, "It's like people are saying that there is no real perfect crime in the world,"

"But in my opinion, although it can not do absolute perfection,"

"But can do it with relative perfection, as long as the killer's heart,"

"Then all the police are fine, then even if his crime does not reach absolute perfection, it will not be found."

Charlie nodded with an educated face, and couldn't help but ask with great curiosity,

"Uncle Hogan , how did you find out that there was something wrong with this woman?"

Hogan said: "You may not know much, in fact, in Chinatown, although the public opinion is mixed,"

"No matter the overall chaos, but generally there really will not be a Chinese daring to rob in the street here,"

"After all, we are all Chinese, it is easy to inquire who did it,"

"Not to mention that Chinatown is cooped up in several Chinese gangs,"

"They are here to collect protection fees in the area, but also set a lot of rules,"

"General thieves really do not dare to rob in the street or make a move in Chinatown in broad daylight,"

"So this woman was robbed in front of my store in broad daylight,"

“It itself is not quite reasonable. Combined with the person who came to the store in the morning,”

“I can basically determine that she had a problem.”

“In addition, there was another thing wrong. The thing is that Chinatown is such a place,”

“The police is called, even in half an hour it is unlikely to have a police car over,”

“This time surprisingly it took them less than ten minutes to come, see it was all prepared.”

Charlie asked incomprehensibly, “So police take a long time to come over?”

“Right.” Hogan said: “Here, in the minority or ethnically dominated places,”

“The police are generally not asked to come on one hand, on the one hand,”

“There are many gangs, and a high degree of autonomy, the police are generally reluctant to get involved.”

“And as well no one in the district does the police sponsorship,”

“So the police force itself is small, the response speed is naturally not very fast.”

“Here, everything is market-oriented, the police is also the same,”

“Each rich district in New York with the New York police precincts,”

“For the police salary, it is not the city government that is responsible for it,”

Chapter 4336

Hogan continued: “But the rich people in the rich district are responsible for it,”

“And they patrol with cars in the rich district donated by the rich people,”

“In such places, not only 24-hour people on duty but also 24 hours there are police patrol,”

“But for the minority gathering places, we do not generally see the shadow of the police at all.”

Charlie nodded gently and sighed, “So that’s how it is,”

“For someone like me who doesn’t understand the situation, I simply can’t see what’s abnormal here.”

Charlie admired Hogan’s acumen in detail and couldn’t help but praise him,

“I guess they must have thought they had performed very well,”

“They just didn’t expect to be able to hide from your discerning eyes.”

Hogan waved his hand and said modestly, “Young Master Wade is praising me,”

“How can I be considered to have a good eye,”

“But I have been in Chinatown for so many years, so I am too familiar with this place.

Hogan said, and gave a faint smile and said: “Not exaggerated, you live in a place for a long time,”

“Even if the dog next door is barking more than the usual change point, you are able to notice it.”

As he continued and asked Charlie with concern, “Young Master Wade, why are the police on you?”

“Is it because they have some clues from the Dragon Hall?”

Charlie shook his head and said, “The Dragon Hall didn’t leave any clues,”

“But I myself had something to think about and let a girl with a sensitive identity,”

“Bring the Joules family’s members to New York, I really didn’t think so carefully at that time,”

“I just naturally let that girl bring people over,”

“But ignored that she would leave clues after entering the country.”

Saying that, Charlie added: “Jack Lee has led people to blockade the headquarters of the Joules Group,”

“Fortunately I received the news in advance and let the girl go first,”

“Otherwise in case they really had found her, things would have really been a bit tricky.”

Hogan hurriedly asked, “Young Master Wade, what is the specific situation, can you tell me in detail?”

Charlie had nothing to hide from Hogan, so he told him about the whole process,

Of having Xion escorting the two people of the Joules family to Syria,

And then temporarily having her bring them to New York.

After hearing this, Hogan nodded slightly and said,

“This matter is indeed a little ill-considered, but it is understandable,”

“You have handled the whole thing very well, one or two small details a little ill-considered it is human nature.”

Speaking of this, Hogan sighed: “Jack this time a little ill-considered huh!”

“Blocking Joules’s group with so much fanfare, if he can’t find anyone, his good days will come to an end.”

“Yes.” Charlie nodded, “I also didn’t expect that he would act so impulsively.”

“It’s also understandable.” Hogan said: “He used to be too smooth,”

“His own cases almost all solved, others who can not solve the case they seek his help,”

“He also has succeeded in solving the one case after another, the fame is great,”

“Now he is looking to retire, and he faces such a big incident,”

“The impact is his half-life hard work reputation and image are at stake,”

“In such times, his mentality will certainly be greatly affected.”

“Like a professor in the field of mathematics,”

“In his lifetime all the difficult problems have not been able to defeat him,”

“Would have been able to retire with a winning record,”

“But at this time a series of a dozen or more puzzles he could not solve,”

“And everyone below the podium wants to see how he solves the problem,”

“In this case, it is certainly difficult to control his state of mind. “

“It is really like that.” Charlie nodded in agreement and said, “This matter is indeed a bit unfair to him as well.”

Hogan smiled faintly and said, “Time is also fate dependent, not everyone can get a smooth sailing,”

“We always have to suffer some setbacks, it’s just a matter of time, just sooner or later.”

After saying that, he asked Charlie:

“Mr. Wade, since you said that the Dragon Hall did not leak any clues about you,”

“Then why did the police find me here?”

Charlie thought for a moment and spoke, “It should be because of my great uncle
