

“They will only think that their heroes are more powerful than they thought,”

“And then it will not be because we did not solve the case, and then come to trouble us!”

Hearing this, Jack could not help but say:

“Since it is rendered into a headless unsolved case, there is no need for me to retire early, right?”

“I’ll obey the arrangement and stop investigating this case!”

The director shook his head: “No, the mayor knows your temper, so he has already said that you must retire early!”

Chapter 4347

The conversation with the director was only a short ten minutes, but Jack felt,

As if he had aged ten years all of a sudden at this time.

He was very clear about the mayor’s intention to let him retire early,

Even if he did not directly dump the pot on him,

But in the eyes of the public, he was still the one who took the fall.

And to let yourself retire early is to punish yourself.

At that time and then rendering his contribution to New York, subliminally release a message to the people, that is:

Although from Mr. Lee, this time, things are not very good,

But this man reserved all his dedication for the New York citizens for many years,

Not that he thinks he is wrong this time so he has requested early retirement.

For his hard work and dedication to the community all his life, don't be too hard on him.

Generally speaking, the people are eating this up.

This is like the dedicated security guard in his own community who has worked for half his life,

He has spent half his life doing his best to protect the security of the community,

And then accidentally let in a group of thieves when he was about to retire, who can blame him for anything?

Thinking of this, Jack's heart admired this mayor immensely.

This mayor has also been a police officer for 22 years, and his methods are very powerful.

This time, he is borrowing himself to come up with a four-two-shoot.

With so much public anger, it is only by throwing himself out to play the emotion card,

And take the pity route so that he can overcome the strong with softness.

For Jack himself, although this tactic will make him feel doubly humiliated, right now he has no other choice.

So, he picked up the walkie-talkie and gave his last order as a detective,

So that all the members of the special team immediately withdrew from the Joules Group headquarters building.

The withdrawal of the special team officially announced the failure of this arrest operation.

Media reporters were waiting for the police spokesman to come out and explain the situation,

And Jack, who was more than ten years older, then stepped in front of all the media reporters.

At this moment, countless reporters with long guns and short cannons,

Trying their best to loudly raise their various questions to him.

He stretched out his hands to indicate everyone to quiet down, then opened his mouth and said,

“I’m sorry to take up your time as well as the Joules Group’s, this time,”

“Our arrest operation has been declared a failure due to intelligence and decision-making errors,”

“Now the special operations team has been withdrawn, the Joules Group will be able to resume normal office order immediately.”

The media reporters still want to ask questions, while Jack directly spoke:

“I know what you want to ask, this time the failure is mainly on me,”

“I recently suffered a great negative impact on my body and spirit,”

“Coupled with the age has also been too old, really not very suitable to continue,”

“To be responsible for such a major case, so I have requested from Mayor Adams, and applied for early retirement.”

When the media reporters on the scene heard this, they were stunned and dumbfounded.

No one expected that this detective, who had always had a very good reputation, would suddenly announce his early retirement.

At this time, Jack said with a face of shame:

“About the recent cases that happened in New York, I am personally sorry,”

“I failed to anticipate the crime and terminate it in advance,”

“It is my failure as a police officer, here I want to say sorry to the people of New York and the whole United States!”

After saying that, he faced the camera and made a deep bow.

Then, without waiting for the media reporters to ask questions,

He turned around and left the scene in a car under the cover of several police officers.

Soon, the news of Jack’s announcement of early retirement was reported through the major media.

Charlie, who was quietly watching Stefanie’s rehearsal, also received the push of this news.

Seeing this message, his expression was slightly surprised, but soon returned to normal.

He and Jack have no grievances, from the heart he did not want him to retire early in this way,

But the matter of Patrick makes the two stand on the actual opposite side,

So the conflict can not be unified, of the two one has to be the party to bear the bitter fruit of failure in this matter,

Charlie naturally does not want it to be himself.

Moreover, Jack has already checked the clues to Hogan's restaurant,

Now early retirement, in Charlie's opinion, is a good thing,

Chapter 4348

At least he will not subsequently bring too much pressure on Hogan.

Jack returned to the police station on the way, his friend Desmond also called,

Came up and asked with concern: "Jack, what is the situation? Did you get shot from above?"

"Yes." Jack let out a bitter smile and said,

"This wave of public opinion attack is too vicious, and can only put me, an old man, out to gain sympathy."

Desmond sighed and spoke, "In fact, this matter you should not go to check those murderers"

Jack said helplessly: "The wood is already gone, now it's too late to say this,"

"Moreover, my character also does not allow me to turn a blind eye to this kind of violence against violent crime."

Desmond gave a hint and asked him, "So what are your plans next?"

Jack said, "I am now going back to the police station to hand over my work,"

"And tomorrow I will officially start the process to retire."

He remembered something and said, "Is the old man doing better now?"

"I'd like to come to Los Angeles to see him, he's very sick this time,"

"I didn't even come there to see, it's really a bit unjustified."

Desmond said: "You should not come to Los Angeles,"

"The old lady wants to come to New York to see Miss Sun's concert,"

"The requirement is that we children must also be present,"

"The old man was convinced by her, we are coming tomorrow at noon together."

Jack exclaimed: "The old man, all these years, can not remember things?"

"But why is he willing to come to New York this time?"

Desmond said: "The old man now as long as he opens his eyes,"

"The old lady will first spend an hour or so to give him something to learn,"

"In his situation, he does not remember the nearly 20 years of things,"

"She briefly tells him something once, the same rhetoric has to be repeated seven or eight times a day,"

"He heard that Miss Sun is his grandson-in-law's fiancée, and also saved his life,"

"So he agreed to go over together."

Jack then said, "So what are your arrangements for tomorrow? See if you have time to have a meal together?"

Desmond said, "Okay, tomorrow at noon we will go to the Anbang Mansion in Manhattan."

"The Evans Family has so many properties, except for the Los Angeles estate,"

“The old man’s favorite is the Anbang Mansion, why don’t you come over tomorrow for lunch?”

Jack sighed: “Anbang Mansion, it was your sister’s strong investment back then, right?”

“Yes.” Desmond said, “Whatever is related to my sister, the old man has deep feelings for that.”

“Understandable.” Jack spoke: “Desmond, the owner of the roast goose store,”

“I always feel that he is not quite right, while I still have some contacts in the bureau,”

“In the next two days, I plan to check his bottom.”

Desmond silent for a moment, sighed:

“Forget it, Jack, whether he really has any hidden agenda, I do not intend to explore,”

“After all, Miss Sun has a favor to the Evans Family.”

“Understood.” Jack said readily, “Then let’s not bother with him.”

Desmond thanked: “It’s hard for you to worry about Jack, let’s meet tomorrow and talk more about it!”

“Okay!” Jack said, “Let me know when you arrive tomorrow, and I’ll go over.”

“Okay.”

The two brothers hung up the phone, Jack held the phone with a complicated expression.

The owner of the roast goose store, Jack always felt weird about him,

Not to mention whether he had any hidden connection with Desmond,

Just his relationship with Stefanie, left Jack's heart suspicious.

He felt that the murderer who kidnapped and brutally killed Patrick should be related to Michaela and Stefanie.

Now, Michaela's path has become a dead end, if he wants to go back to the root,

Then there is only Stefanie who has this line!

Thinking of this, he still has some reluctance in his heart.

At this time, his subordinate called, once connected,

The other party asked impatiently: "Chief, why did you retire early?"

Jack smiled and said, "I retired early, so I can give the people an explanation,"

"And also give the bureau a step, which is the optimal solution right now."

"Huh!" The other party let out a long sigh and said,

"This thing is really fcuking fcuked up!"

Chapter 4349

Jack asked him, "By the way, the thing I asked you to investigate, there are new clues?"

"Yes." The other party hurriedly said: "Working on it, although this roast goose store owner,"

"He came to the United States more than twenty years ago, but has still been an illegal immigrant,"

"And the probability of origin is from Hong Kong Island,"

"So I have asked the Hong Kong Island informants to help investigate, to see if we can feel his true identity."

“Good!” Jack suddenly came to the spirit, and said off the record:

“Although I retired early, but this matter you must continue to investigate, there may be a big harvest!”

The following day.

It happened to be a Saturday.

Because Claire had her heart set on going to New York to see a concert,

She proposed to Charlie that she wanted to take advantage of this opportunity to get to New York earlier,

Stroll around New York, go to the concert in the evening,

Then stay in the city for the night, stroll around for another day the next day, and come back on Sunday night.

Charlie felt that his wife worked too hard in class on weekdays,

So naturally, he also wanted to take this opportunity to take his wife to relax and unwind.

So, without thinking, he agreed to Claire’s proposal,

And then had someone book a suite for him at the Shangri-La Hotel in New York.

After the two of them had breakfast, they drove to New York.

According to Claire’s previous knowledge of New York,

Charlie first took her to Times Square, and then to see the famous Statue of Liberty.

Just as the two were touring around, a dozen members of the Evans Family, in two private planes, arrived in New York.

After landing safely, Charlie's grandmother made a phone call to Stefanie.

At this time, Stefanie, who had already started preparing for the evening's official performance at the arena,

Suddenly received a call from the old lady and hastily picked up the phone and said respectfully, "Grandma!"

"Eh!" The old lady answered with a smile and asked cheerfully,

"Stefanie, are you busy? Grandma didn't delay you by calling you, right?"

Stefanie lied and said, "Grandma I'm not busy, I just sat down to take a break."

"That's good!" The old lady breathed a sigh of relief and hurriedly said,

"Stefanie, I've brought your grandfather and your uncles and aunts to New York,"

"And I want to come to your concert tonight to support you.

Stefanie first froze, and the first thing that came to her mind was Charlie.

Although she hoped that Charlie would be able to identify with his grandmother's family as soon as possible,

She knew very well in her heart that as long as he had not made this decision,

She could not make the decision for him.

Therefore, if Charlie's grandmother's family also came to see the concert today,

It might increase the chances of Charlie's identity being exposed.

However, she quickly thought that he had already talked to Chloe yesterday, and wanted the middlemost VIP box.

Since he was sitting in the box, as long as he paid a little attention, he would not be exposed.

So, she said to the old lady, "Grandma, wait for me,"

"I'll coordinate with the agent to see if a seat can be vacated!"

The old lady laughed: "Stefanie, you don't need to bother with this matter,"

"I asked your uncle to consult, I know that your concert tickets have been sold out for a long time,"

"Your uncle has contacted some merchants who sell tickets at a high price, let him send someone to buy them then."

Stefanie busy said: "It does not matter grandma, I first asked to see about the situation,"

"Recently there are many people on the Internet who want to buy second-hand tickets but have been cheated,"

"I will ask the agent whether there are reserved tickets, that is the perfect solution."

The old lady didn't think much about it and said with a smile,

"That's fine, then I'll give you trouble Stefanie."

"How could it be," Stefanie said:

"You came all this way to see my performance, I can't be happier!"

Stefanie hung up the phone and immediately called Charlie.

At this moment, Charlie was visiting the Statue of Liberty with Claire,

And when he received Stefanie's call, he said very blandly, "Hello, Miss Sun, what can I do for you?"

Chapter 4350

Stefanie knew that it might not be convenient for him to speak,

So she lowered the volume a few points and spoke,

"Master Wade, the old lady of the Evans Family just called me,"

"Saying that she brought the old man and a group of children to New York,"

"And they want to see my concert at night, what do you think how should I handle this matter?"

Hearing this, Charlie couldn't help but frown slightly.

He had vaguely felt earlier that Grandma's family might come to support Stefanie,

And he never thought that he would really be right.

In order to avoid any direct contact with his grandmother's family,

Charlie himself did not want to come to this concert.

But on the one hand, he didn't want to make his wife sad,

And on the other hand, there was a VIP box, so he didn't take it too seriously.

Now when he heard that the old lady had brought the old man, he spoke up and said,

"The visitor is a guest, Miss Sun better be nice and entertaining."

Stefanie said: "Master Wade, I do think so, but now there is another situation,"

"The two people are old, and the status is rather special,"

“If really let them watch my performance in the audience,”

“I am afraid it is not appropriate, my idea is to arrange for them a VIP box,”

“So that the two old people can also be easier.”

After a pause, Stefanie said: “I will let Chloe arrange a good time,”

“Let her arrange for you and Mrs. Wade to enter the stage first,”

“And then arrange for them to enter, anyway, there is everything inside the box,”

“You and Mrs. Wade will not come out between performances, and after the performance,”

“I will let Chloe take them away first, you two should not have the opportunity to meet,”

“This arrangement is perfect. What do you think?”

Charlie slightly considered for a moment, then readily agreed and said,

“This arrangement is quite reasonable, as long as we can ensure that the two sides,”

“Do not come in and out at the same time, there should be no impact on feng shui.”

Stefanie naturally understood Charlie’s words, so she said,

“In that case, I’ll send a clear message back to the old lady,”

“And I’ll ask Chloe to arrange for them to be separated from you in a box so that it’s more secure and stable.”

“No need.” Charlie opened his mouth and said,

“Let the two sides be next to each other, it doesn’t matter.”

For Charlie, he also has some sense of selfishness.

For so many years, he did not see his grandparents again, but,

In his heart, his feelings for his grandmother are still relatively deep.

After the accident of his parents, his heart complained about grandpa,

Grumbled about grandpa, but never did complain about grandmother,

Because he knew that his grandmother was very good to his family of three,

Although not much to meet as a child, but her love for him, he still remembers very clearly.

Therefore, he also very much wants to take this opportunity to get closer to his grandmother.

Stefanie guessed what Charlie had in mind, so she said,

“Then I’ll let Chloe arrange them next door to you.”

“Okay.”

After hanging up the phone, Claire, who was curious at the side, asked, “Honey, was it Miss Sun who called?”

“Yes.” Charlie nodded, not hiding.

Claire was surprised and asked, “Miss Sun is going to start her performance in one afternoon,”

“She should be very busy at this time, why is she calling you at this time?”

Charlie then said, “Miss Sun invited some guests with special status today.”

“And wanted me to see if it would affect feng shui, so I gave her an idea to minimize the impact.”

Claire asked in surprise: “Guests also affect feng shui?”

Charlie casually laughed: “That’s natural! In terms of feng shui, every blade of grass,”

“And every leaf of the tree will affect feng shui, let alone people.”

“Strictly speaking, whether a person steps on his left foot or right foot first.”

“When he leaves home in the morning will affect his fortune for the whole day.”

Claire was surprised and asked, “Is it really that mysterious? Which foot first has a good effect?”

“Of course.” Charlie laughed: “If the first step is left foot, it may go out smoothly,”

“The whole day you will be safe and sound, but if the first step is right foot,”

“The whole day’s smooth pace will all be disrupted, maybe because the right foot to go out,”

“Halfway down the stairs when the left foot is a step in the air from the stairs,”

“One might roll down to the hospital, it may also be because the right foot went out first,”

“After going out, the left foot accidentally stepped on dog sh!t;”

“And these things, if he goes out with his left foot first,”

“He can just naturally avoid it, this is the feng shui butterfly effect.”

Chapter 4351

Claire seems to understand Charlie's feng shui theory.

Always feels as if there is a little bit of truth, but also feels it as if with a little bit of mystery.

However, she does not understand the things she does not know,

Most of the time it is with a little reverence, so did not raise any questions.

And on her side, Charlie, at this time, deep inside his heart he is a bit nervous and apprehensive.

He was not worried that he would be exposed in front of Grandpa's family at night,

But it was difficult to hold himself, with a feeling of being near them.

In his heart, although he had some complaints about what his grandfather's family had done back then,

But subconsciously, he still has blood feelings for his mother's side of the family.

Tonight, for the first time in more than 20 years, he will be so close to them,

And it is inevitable that he will be nervous.

Meanwhile, Charlie's grandparents, with several of their children,

Had arrived at the Anbang Building in Manhattan.

Taking the elevator all the way to the top floor of the Anbang Building,

Lord Evans sighed and lamented to his wife and children around him,

"It would be nice if Margaret was still around"

"She put so much effort into this building,"

"But after this building was really put into use, she hasn't come once"

The old lady hurriedly said, "You are recovering from a serious illness,"

"So don't think about those sentimental things, and don't forget what we came to New York for today."

Lord Evans asked with a bewildered face, "For what?"

The old lady said helplessly, "I just told you again in the car!"

"We came to New York today to see Charlie's fiancée's concert!"

"Oh" Lord Evans nodded and said, "I remember to see the concert of Charlie's fiancée!"

After saying that, he looked at the old lady and asked,

"What about Charlie? Is he coming too?"

The old lady gave him a blank look and said, "Charlie hasn't been found yet!"

Lord Evans said resentfully, "I thought maybe my brain was not remembering well,"

"Charlie has come back, but I gave it a miss"

The old lady sighed and said sadly, "It would be great if that were true."

While talking, the elevator arrived at the top floor.

A group of children and grandchildren, surrounded by the two, got out of the elevator.

As soon as the elevator came out of the top floor of the Anbang Building,

There was a lobby with floor-to-ceiling windows and at that moment,

One could even see large clouds floating by, not far from the windows.

This skyscraper, which was invested by Charlie's mother back then,

Has a total height of 370 meters, surpassing the Chrysler Building and the Bank of America Building in New York,

The Evans Family's largest, best, and most expensive property in Manhattan.

Back then, Margaret insisted on investing heavily in the construction of the Anbang Building,

Mainly because she wanted to use such a landmark building to endorse her...

Insurance and financial business to which she attached great importance.

Therefore, at that time, she was only in her twenties and took the lead in establishing the Anbang Group,

Under which, in addition to this building, there is an insurance company, a financial company, and a commercial bank.

Insurance and finance are undoubtedly industries that require great trust,

And the fact that the Evans Family built the multi-billion dollar,

The Anbang Building in Manhattan is the best guarantee of credibility.

In this world, there are many insurance and financial companies,

But there are only a few insurance and financial companies that can build a skyscraper in Manhattan,

Where every inch of land is gold. And Anbang Group is one of them.

Although the Evans Family started in Los Angeles but came out really big and strong,

From two other places, one of them is Silicon Valley, the other is New York.

Chapter 4352

When Margaret was in Silicon Valley, she invested at a very low price in a large number of future potential companies,

And in order to better help these investments to do deeper capital operations,

The Evans Family came to the financial center of the United States, New York,

Where the core of the entire Evans Family was established.

The Evans Family has many group companies and countless investments,

But the real core group of the Evans Family is the Anbang Group.

After the establishment of the Anbang Group, Margaret merged the fund,

That invested in Silicon Valley into the Anbang Group,

Making the Group the largest Internet venture capital enterprise in the United States at once,

And also the most important core enterprise of the entire Evans Family.

Charlie's grandfather, Lord Evans, had been working in Anbang Mansion before he retired.

Later, he handed over the management of the family business to Charlie's second uncle, Marcus,

So this became the office of Marcus.

On weekdays, only Charlie's great-uncle Desmond accompanies the old couple in Los Angeles,

While second uncle Marcus, third uncle Martel and aunt Tece are all working in New York.

Some time ago Lord Evans's health was getting worse and worse,

So the others temporarily put aside their work and returned to Los Angeles to be with him.

Lord Evans has been suffering from Alzheimer's since he left office,

So he has hardly been here over the years, and when he suddenly returned here,

He was a bit dazed, so he walked to the floor-to-ceiling windows,

Overlooking the view of Manhattan, and sighed softly:

"The building is still the same, but the outside seems to have changed a lot... .."

Desmond knew that Lord Evans's memory had regressed to twenty years ago,

And the Manhattan of twenty years ago was naturally very different from now.

So, he went to the front and said, "Dad, Manhattan has changed a lot over the years."

Lord Evans nodded, pointed to a building even higher in the distance, and asked him,

"Desmond, what is that building, why is it so high? I haven't seen it before."

Desmond said, "Dad, that's the World Trade Center,"

“It was built and put into use a few years ago, and now it’s the tallest building in New York.”

“Wow

Lord Evans nodded slightly and said thoughtfully, “I don’t have any impression

Desmond then said: “Dad, you haven’t been to New York much in the past few years,”

“You may not have seen much of this building.”

Lord Evans let out a bitter laugh: “The brain is not good, even if I have seen it, I can not remember.”

After saying that, he turned his head to look at Marcus and instructed,

“Marcus, if you can get Charlie back in the future,”

“This building should be given to him, after all, it is his mother’s hard work.”

Marcus said without thinking, “Okay dad, I’ll write it down,”

“After I find Charlie in the future, I’ll give him the ownership of this building.”

Lord Evans nodded, his mouth softly chattered,

“I wonder if Charlie looks like his father or his mother now,”

“I remember that he looked more like Margaret when he was a child?”

The old lady said, “Actually, he looks more like Bruce,”

“Both parents’ shadows are there, but I feel more like Bruce’s charm after he grows up,”

“He will definitely look more like Bruce, definitely like his father, he is a handsome boy.”

Lord Evans paused slightly and lamented, “Hey

Bruce ah Bruce

“This boy, everywhere he was good, just did not know how to lift up!”

Lord Evans suddenly became a bit emotional and said,

“Tell me, if he had listened to me, he would have been happy to join the Evans Family,”

“With my character, with spoiling my daughter! Would I have let him suffer in the Evans Family?”

Lord Evans suddenly snapped, causing a group of people to look at each other.

Everyone knew that this was the hurdle that Lord Evans had been unable to get over in his heart.

He had never understood, with the strength and sincerity of the Evans Family back then,

Why did Bruce insist on returning to Eastcliff?

Chapter 4353

But others knew in their hearts that Lord Evans’s thoughts were too egotistical.

When he faced Bruce, there was always that superior thinking at work.

It was like a big boss who wanted to poach someone,

The other party could only earn one million by going to another company,

But he was willing to offer 10 million or even tens of millions.

All, in his opinion, the other party does not have any reason to refuse him.

But how could he have imagined that Bruce was just not willing to accept his olive branch?

This kept Lord Evans frustrated and even a bit annoyed.

Originally, he admired Bruce, even though his family's strength was far less than the Evans Family,

He could see that Bruce was definitely a person, even better than his three sons.

It was because he recognized this thing deep down,

That's why he was determined to let this boy join the Evans Family.

Because he knew very well that among his own children,

Only his eldest daughter Margaret was the most outstanding,

And Bruce was not only equal to his daughter but also highly complementary.

If the two of them stayed together in the Evans Family,

Then the Evans Family would have been certainly able to rise, in time,

May be able to surpass the Saudi royal family and the Routhschild family, standing at the top of the world.

However, Bruce did not agree. He had pride in his heart and his own ambition.

He did not want to stay in the Evans Family to pick up the ready-made,

More determined to return to his own family, though small and insignificant in comparison to Evans but he wanted that.

Hard to stay, hard to go, which once made Lord Evans very mad.

What he couldn't accept was that his daughter was determined to go with Bruce, which made him even more furious.

Originally, he wanted to keep Bruce to be with Margaret,

But things were going to go in the direction of a chicken-and-egg war, so how could he stand it?

It is because of this that Lord Evans has not been kind to Bruce,

And their relationship is like that of enemies.

After Margaret and Bruce got married in Eastcliff,

Lord Evans became furious whenever he heard his name, which has been the case until now.

The old lady on the side saw that Lord Evans was fighting with himself again,

So she hurriedly relieved him and said,

“Come on Lord Evans, Bruce has been gone for so many years,

You should not say such words in the future.”

Lord Evans’s eyebrows knitted in anger and he asked back in exasperation,

“He was the one who didn’t know how to behave! In the end, Margaret was also implicated!”

“My daughter has been killed by him, and I can’t even scold him!”

The old lady said, “Margaret chose her own path,”

“And it’s her own decision to live and die, not anyone else’s.”

Lord Evans said indignantly, “You’re completely lost in self-deceiving logic!”

“Although Margaret chose her own path, Bruce, as her husband,”

“Should have protected her! He should have always cared for her and thought about her!”

“How can he not be responsible for what happened to Margaret as a husband?”

The old lady said anxiously with red eyes, “But Bruce is not here anymore!”

“How do you know he didn’t protect Margaret at that time?”

“It’s just that things were beyond his ability,”

“He even gave his life, what else can you ask him to do?”

Lord Evans said emotionally, “Couldn’t I hate him after he died?”

After saying that, Lord Evans looked around at his children and questioned,

“Do you think that even if Bruce died, I could still hate him?”

His children were looking at each other, not knowing how to answer.

Chapter 4354

The old lady sighed helplessly and seriously reminded, “Lord Evans, I have to tell you clearly,”

“Whether you hate Bruce in your heart or not, I can’t care less,”

“But the attitude you show towards him must be changed in the future!”

Lord Evans’s stubbornness came up and he said in a stern voice:

“I won’t change! In the future, when I die, even if the King of Hell calls the Jade Emperor,”

“And the Buddha for a three-chamber trial, I will never change my attitude toward Bruce!”

The old lady said angrily, "Okay! You can do it! You don't change! When Charlie comes back,"

"And the family mentions Margaret and Bruce, if you dare to say this in front of him,"

"Charlie will definitely break off the relationship with you!"

"If you force my grandson away, who I've managed to get back,"

"I'll cut off too! If you don't believe me, just wait and see!"

Lord Evans was furious just now, but when he heard these words, he was like a deflated ball.

He knew that the old lady would not be able to break off her relationship with him,

But if her grandson Charlie really came back, if he still had this attitude,

His grandson would definitely not forgive him.

After all, no one will accept other people to humiliate their deceased parents.

Thinking of this, Lord Evans sighed deeply, and declined to speak:

"You're right I'll change I'll definitely change" "

And continued with some low emotion: "I do not know before I die, can still see Charlie again"

The old lady saw his attitude change, the tone of voice also loosened, spoke comfortingly:

"Do not worry, I believe it will not take long, Charlie will come back."

Lord Evans was busy asking, "Why are you so sure?"

The old lady said seriously, "Stefanie has come, Charlie will not be far away,"

"God will definitely let Charlie come back for the sake of Stefanie's infatuation."

"God" Lord Evans hears this, and can't help but mutter a sentence, the heart half believes and the other half doubts.

At this time, Desmond, who was on the side, spoke up,

"Dad, you were able to have a good comeback this time, all thanks to Charlie's fiance,"

"I think this is the will of God, if God is so favorable to you, he will definitely let you see Charlie alive."

When Lord Evans heard this, he nodded thoughtfully.

At that moment, a staff member came quickly and said respectfully,

"Master and Madam, Inspector Lee from the NYPD is downstairs and says he wants to come up for a visit."

Lord Evans said in surprise, "Jack lee? Quickly, let this boy come up!"

The old lady reminded on the side,

"Jack is not a few years away from Desmond, and he is already over fifty this year."

"Oh" Lord Evans suddenly came back to his senses,

When he remembered Jack just now, he thought it was twenty years ago.

Soon, Jack, accompanied by the staff, took the elevator to the top floor of the Anbang Building.

As soon as he saw Lord Evans, he hurriedly went forward and said respectfully,

“Uncle Evans, are you feeling well? Originally I wanted to come to Los Angeles with Desmond to see you,”

“But things were really a bit too much these days, so I wasn’t able to visit you, please forgive me!”

Lord Evans looked at him and asked in surprise, “You are Jack?”

Jack was stunned, looked at the others, and then looked at Lord Evans and nodded:

“It’s me, Uncle Evans, I’m Jack, Jack lee.”

Lord Evans could not help but say, “You how you are now with your father almost gone those two years,”

“Your aunt told me that you are more than fifty this year,”

“I see you at least must be more than sixty, what is the matter? How did you create this for yourself”

Jack said awkwardly: “Why these years I have been busy with work, transitional work,”

“And did not pay attention to maintenance, but not older than the average person of the same age

Saying that Jack added: “Oh yes Uncle , you do not look at me as only fifty years old, I have retired early.”

Lord Evans was even more puzzled, frowned, and asked, “Why did you retire so early?”

Jack smiled bitterly: “I originally intended to retire next year, these years I have neglected my wife and children,”

“They are angry with me, they moved to Houston two years ago,”

“If I do not retire early to accompany them, I am afraid they will cut off relations with me in the future.”

Lord Evans couldn't help but ask, “Intended to retire next year, how come you're retiring early now?”

Jack shrugged his shoulders awkwardly:

“Uncle, this matter is like a child without a mother, it's a long story

Chapter 4355

Hearing that there seemed to be quite a few stories in Jack 's words,

Elder Evans spoke up and said, “It's okay, it doesn't matter if it's long, let's talk slowly at the dinner table later.”

Master Evans had just walked away from the ghost gate, plus he had serious memory problems,

So he knew absolutely nothing about the most lively things in America now.

However, he had a deep understanding of Jack and knew that this kid was stubborn,

And could not give in at any time, so he was even more curious about what he had actually gone through.

Jack knew that it was impossible to explain clearly to Lord Evans in a few words,

So he said vaguely, “Okay, uncle, I won't bother you with my little troubles, I'll have a drink with you later!”

The old lady said, “Jack , you can’t let your uncle drink, if he drinks again, he might not even recognize me.”

“Yes, yes, yes

Jack came back to his senses and said busily,
“Blame me, blame me, blame me for not thinking carefully.”

Lord Evans laughed and said, “When I saw this disheveled look on your kid,”

“I knew that you must have wanted to drink it yourself.”

With that, he said to Desmond and Marcus, “Desmond, Marcus, I will not drink.”

“But later on you two will drink some with Jack ,”

The two brothers nodded, “Okay dad.”

Lord Evans looked at Jack ’s unconcealed dishevelment and said in a serious manner,

“Jack ! Cheer up! Look at you now, you don’t have any of your old man’s heroic posture!”

Jack quickly stood up straight and said respectfully: “uncle your criticism is

Desmond looked at the time and said, “Dad, why don’t we eat first and talk at the dinner table later.”

“Good.” Lord Evans nodded, “Let’s eat first.”

The top floor of the Anbang Building, with a floor area of over four thousand square meters,

It could normally accommodate at least a few hundred people,

But this whole floor was used by Lord Evans alone in the first place.

On this floor, there are not only offices, meeting rooms, and other conventional office building configurations,

But also swimming pools, gymnasiums, physical therapy rooms, restaurants, and other living facilities.

In fact, Lord Evans did not intend to use such a large area as his own office,

But his eldest daughter Margaret in the planning of the building set aside this floor for him,

And personally did the interior according to his preferences, so for this place, Lord Evans has very deep feelings.

Afterward, the crowd moved to the dining room located in the southern part of the top floor,

Although for Jack the relationship with the Evans Family is very good,

But he has not been to this place for many years, everything here seems to be brand new,

In his heart, he can not help but be surprised.

He couldn't help but ask Desmond in a low voice: "Desmond,"

"This building of your family has been open for at least 20 to 30 years, right? How come it's still so new?"

Desmond whispered: "The building as a whole is very well maintained,"

"Basically every two to three years, they redecorate it once, this floor gets a daily maintenance,"

"Since the death of my sister, the old man gave an order, for anything here,"

"It is not allowed to change the pattern, so you can see everything on this floor,"

“There are at least several sets of brand new Spare, some of the things that have been discontinued,”

“But they specifically spend a lot of money to hire artisans to replicate.”

Saying that Desmond pointed to the carpet on the corridor and said:

“This carpet under your feet, hand-woven by Iranian craftsmen,”

“It is similar to the kind used in the Grand Mosque of Abu Dhabi later,”

“The cost of a square meter is nearly 10,000 dollars,”

“The old master had people invite more than 100 craftsmen from Iran,”

“To make one according to the carpet left by my sister, now there are a dozen sets woven which are changed every year.”

Jack listened to the staggering, and could not help but say:

“Your family really does not treat money as money..... 10,000 U.S. dollars for a square meter of carpet,”

“That too to be replaced after a year this money is thrown out, without a heartache
... ..”

Desmond said seriously: “Jack , when it is about money, only look at the amount, not the proportion, that is a rogue.”

Jack was surprised and asked, “What do you mean?”

Chapter 4356

Desmond casually said, “The cost of replacing such a carpet in the Evans Family,”

“The proportion of the Evans Family’s assets, basically equal to your changing a garbage bag in your home garbage can....”

“Replaced by a new bag, so when you change the garbage bag's heartache?”

“Damn” Jack smacked his lips and cursed: “Let you fcuking pretend again.”

Desmond bristled: “Just telling the truth.”

While talking, everyone came to the dining room one after another,

Lord Evans greeted Jack to the front and let him sit down next to him.

Since Marcus had greeted him in advance, so as soon as everyone was seated,

The service staff immediately brought the prepared meals one after another.

Marcus took the initiative to have someone bring another bottle of white wine,

Intending to join his elder brother and accompany Jack to have a few drinks.

Lord Evans seemed to be very concerned about Jack 's current predicament,

And kept asking him what had happened recently.

Jack is not good to start talking more, but only vaguely said that he has not dealt with a few big cases recently,

Lord Evans saw that he did not want to talk more, so he did not ask again.

Jack because of his character, usually does not has many friends,

Plus his mother left early, his father pulled him alone,

And did not renew, so it led to Jack also having little siblings.

In recent years, his wife took the children to Houston, he was alone in New York, more isolated,

Although the family from his father's generation, the relationship with the Evans Family is very good,

But must hang a big gap, so Jack is not too good when it comes to chatter.

If it wasn't for the blow Desmond received when he tried to buy the Rejuvenation Pill in China some time ago,

And it so happened that Jack was stuck with the case of Patrick's kidnapping,

The two actually didn't have much chance to meet often.

Therefore, now sitting among the Evans Family, the lonely Jack ,

Also found a feeling of home here, and the depression in his heart also softened a few points.

When he was exchanging glasses with Desmond, Marcus, and Martel, Jack received a text message.

The message was sent by his subordinate, in which the other party said that,

He had found out the identity of the owner of the roast goose store through an informant on Hong Kong Island.

Jack suddenly flinched and hurriedly excused himself to go to the restroom,

And came out to give the other party a callback.

As soon as the phone call came through, he asked, "What's the new discovery?"

The other side on the phone said: "Chief, the roast goose store owner, his real name is Hogan Chen,"

“About twenty years ago he moved from Hong Kong Island to the United States illegally,”

“Now we see him running a small restaurant, in earlier years he had a name in the financial field,”

“He had returned from the United States after studying in Hong Kong,”

“But more than twenty years ago in Hong Kong, he offended a local tycoon,”

The other side added: “You know this Hogan, in those years in Hong Kong he could be said to be well known,”

“He did a big thing that makes the whole of Hong Kong talk about him even to this day,”

“He got the rich man’s girlfriend abducted, the two snuggled together to the United States.”

“Fcuk” Jack smacked his lips and sighed: “This guy is still a fcuking love child!”

“Yes.” The other side said: “Oh yes chief, I also found out one thing,”

“This man and the big star called Stefanie Sun are indeed acquainted,”

“From the informant’s feedback information, mentioned Orian Sun, that is,”

“Stefanie’s father, for his matter, had gone to Hong Kong to meet with the tycoon.”

Jack heard this, could not help but frown, and spoke:

“This this seems to round on ah so, Stefanie this big star,”

“She will go to a small roast goose store in Chinatown, it is also logical”

“Yes.” The other party said, “I also think it is quite logical,”

“Think this line should have nothing to do with the kidnapping of Patrick, so I hurried to report to you.”

Jack said self-deprecatingly, “I have already retired early,”

“How can we talk about what to report, if you have any latest developments in this case in the future,”

“In the case of not violating the rules, appropriately reveal a little to me.”

Chapter 4357

The confirmation of Hogan’s identity, on the contrary, made Jack a little disappointed.

He wanted to hear some extraordinary information, the kind of information,

That makes people sound and feel that there must be something in it.

However, the information returned by his subordinate immediately dispelled his doubts about Hogan.

As a veteran detective, he knows very well that a person can disguise the present,

But it is difficult to bury the past with all its traces.

This is why many criminals, even if they have cleansed themselves,

And become successful people that everyone admires, will still end up in jail because of their past crimes.

Hogan’s affairs from 20 to 30 years ago were unearthed, enough to corroborate his relationship with Stefanie.

Therefore, it is only normal for Stefanie to go to his roast goose store for dinner.

And Stefanie in the roast goose store when eating happened to hear Desmond talk about Lord Evans’s critically illness,

And then she rushed from thousands of miles to give medicine, this is reasonable.

As for why this Hogan deliberately destroyed the surveillance,

Jack 's heart also has a very reasonable explanation, after all, Stefanie is a big star,

Hogan's past proves that he is not an ordinary person, that he perceived something wrong,

In order to protect Stefanie's privacy he dared to destroy the security camera, this also makes sense.

Since it is reasonable, it means that this line is no longer necessary to pursue.

Therefore, Jack can only hope that the police can continue to dig deeper along the clues of the Dragon Hall.

Right now, only this one clue is a relatively clear direction of the investigation.

However, the other party at this time, with the tone of some helplessness said:

"Chief, your successor Bruno, today has had a meeting with us,"

"The case, the direction of the investigation changed to the victim's identity,"

"As well as the investigation of the specific details of the victim who got kidnapped,"

"The Joules's group, the above also passed the gas, meaning not to bother,"

"So the Dragon Hall line, basically it will not Check again"

Jack couldn't help but question:

"Dragon Hall killed so many people in New York, and they will not investigate it?"

“Yes.” The other party said, “The more you investigate this matter, the more tricky it becomes,”

“From the mayor to the director, it is not recommended to investigate again.”

Jack asked again, “Those who were killed are all direct members of well-known families, can they swallow this anger?”

The other party said: “You do not know, the deceased families have come over to meet privately,”

“They also made it clear that they do not want to continue the investigation,”

“The more investigation on the family’s reputation, the greater the impact,”

“So they now want to be like the Joules family, hurry to come up with a sum of money to compensate the victims,”

“As soon as possible to let the matter turn over and to save their reputation.”

Jack was stunned for a moment and said offhandedly,

“In that case, the case of Patrick and these people being killed is basically like closing internally!”

“Yes, that’s the nature of it, it just won’t be announced to the public like that.”

Jack was immediately disappointed to the extreme, he spoke:

“Xion Bank ran away, the Dragon Hall is no longer investigated,”

“That Hogan also does not have any problems, then it is basically impossible for this case to come to light.”

The other side helplessly said, “Chief, this is indeed the case now

Jack could not help but let out a long sigh, the whole person disappointed to the core.

What he didn't know at this time was that because he had someone investigate Hogan,

Almost at the same time, on the other side of the world,

A file of information about Hogan appeared in front of a top tycoon in Hong Kong.

This top tycoon was the same Gerard Liu who once admired Hogan immensely and later hated him immensely.

His real name is Gerard Liu, one of the most powerful real estate developers,

Shipping companies and investors on Hong Kong Island.

He has a very good popular base in Hong Kong, in the eyes of the people of Hong Kong,

He is flirtatious and wealthy, and kind, very gentlemanly.

Gerard has had many affairs in Hong Kong over the years,

And every woman who has had a relationship with him, even if they finally part ways with him,

They will still praise him as a rare good gentleman.

There are many wealthy people who are sexually promiscuous, but those who can do what he did can hardly be picked.

Chapter 4358

It was late at night, and Gerard, wearing a robe made of silk,

Was in his study when he saw the message handed to him by his butler.

He flipped it open and read a few times, his expression became more and more fierce,

And said in a cold voice: "I have searched for so many years without finding any clues about him,"

"But I never thought that this son of a b!tch would hide in Chinatown and open a restaurant!"

"And the way he looks now, he looks really fcuking bad!"

"Even if I saw him face to face, I'm afraid I wouldn't have recognized him!"

The butler was busy saying, "Master, this man, is really well hidden,"

"It is said that he has hardly shaved for more than twenty years,"

"His hair has also grown a bit longer, and his temperament has also been a lot more restrained,"

"If it wasn't for the police investigating his profile over in the United States this time,"

"It would be really hard for us to find his trail."

Gerard frowned and asked, "Why did the U.S. police investigate him?"

"Did he commit a crime in the United States?"

Butler said, "My informant told me that those things happened in New York two days ago,"

"The police seem to have suspected him, plus he is illegal in the United States,"

"The U.S. police found a way to check his identity, and then looked for his previous information from this side of Hong Kong."

Liu gritted his teeth and said, "This dead pouncer, I always thought that with his intelligence,"

"He would definitely go to buy a new identity, continue to do what he is best in finance or stocks,"

"Find a way to rise again, but I did not expect him to run such a raggedy roast goose store, really fcuking sgum!"

Gerard is actually not as he seems, or as he looks in the eyes of outsiders so gentle and elegant.

At heart, he is actually an extremely small-minded and vindictive person.

For Hogan, he has never given up his desire to kill for so many years.

It's just that Hogan hides very well and for so many years,

He has not been able to find him.

And his beloved woman came back from the United States that year,

The years of his life in the United States are also silent, Gerard several times wanted to ask,

The other party did not speak, and even put out the word,

As long as he no longer pursues Hogan, she will peacefully guard him for life,

So he could only stifle the desire to pursue.

The woman was really in love with him, and eventually, he could only give up the pursuit.

However, he never gave up trying to finish off Hogan.

So, he also talked to his woman about letting Hogan live as long as he kept his promise,
And never returned to Hong Kong.

But.

Right now, there was a perfect opportunity for him to not break his promise and get what he wanted at the same time.

So, after reading that information, he sneered and spoke,

“Since the American police know that he is an illegal immigrant,”

“Then according to the American law, the police should deport him, right?”

“Yes.” The housekeeper said, “Under normal circumstances, he should be repatriated to wherever he came from,”

“He left from Hong Kong, so if he is repatriated, he must be repatriated to Hong Kong.”

Gerard nodded and smiled playfully, “Joshua, I don’t care what method you use, make sure the American police repatriate him back to Hong Kong!”

“Then you send out word to all the gang leaders in advance that Hogan Chen will be back soon,”

“And that my \$30 million offer is still valid! Whoever kills him, the 30 million will be his!”

Saying that Gerard added: “By the way, turn the 30 million from Hong Kong currency into US dollars!”

Butler busy said, “Master, you promised Mr. Wade at that time, and later promised Philip,”

“Mrs. Side you also promised, if you really kill the surname Chen, the follow-up will not be more tricky

“Afraid of what?” Gerard sneered, “I promised Mr. Wade, promised Orian Sun,”

“Also promised the wife to let him go, but I let him go on the premise that he can not return to Hong Kong in this life!”

“If he came back, even if he did not come back voluntarily and was repatriated by the Americans, then he came back!”

“Then, since he has come back, no one can blame me for being ruthless!”

The housekeeper instantly dawned on him and said offhandedly, “Master, this move of yours is really high!”

Chapter 4359

Meanwhile, New York’s Chinatown.

Because it was lunchtime, Hogan’s restaurant was doing good business.

Just the two of them, he and his mate, were already busy.

However, Hogan had been quietly surveying outside the door while he was waiting for his customers.

Because, he found that since this morning, there was always a car parked across the road in front of his store.

Although the other side changed four cars, also changed a different location,

But Hogan can still see that these four cars choose the location, although different,

But all can see his roast goose store’s front door.

This made his heart vaguely apprehensive.

He knew that the New York police must be on to him.

Being watched by the police made Hogan's heart inevitably nervous.

The mate could see that something was wrong with him and hurriedly went up to him and asked,

"Uncle Chen, what's wrong with you?"

"Nothing" Hogan smiled sarcastically and said, "You go ahead and get busy, don't worry about me."

The partner nodded gently and said, "If you're tired, go down and rest for a while, I can do it alone."

Hogan nodded gratefully but did not intend to leave.

At this time, the car across the road suddenly started and drove away.

Hogan had thought that the other side would soon change to another car to come to the rotation,

But he did not expect that after this car had gone, there were no other suspicious vehicles.

This makes him a little relieved.

But soon, his brow was furrowed again.

He immediately took off his sleeves and apron and said to the mate,

"Jordan, put up the suspension of business, close the door directly after the customers leave, and then come find me downstairs."

The mate didn't know why he was suddenly so anxious, he nodded and said, "Okay Uncle Chen I got it!"

After Hogan finished speaking, he went to the basement alone,

There were two rooms downstairs, which were his and his mate Jordan's bedrooms respectively.

Hogan returned to his room, the first thing he did was to start packing his luggage,

He only selected the most important things for himself and put them into the suitcase,

Other than that, he didn't even pack a change of clothes.

Half an hour later, he packed a modest suitcase.

The mate, Jordan, walked down the stairs quickly and said at the door,

"Uncle Chen, the guests have all left, I've closed the door."

"Good." Hogan said, "Jordan, come in."

"Okay." Jordan pushed open the door and just walked into the bedroom,

He found Hogan packing his things, so he was surprised and asked, "Uncle Chen, where are you going?"

Hogan looked at him and said, "Jordan, I may have to return to Hong Kong in the near future,"

"After I leave, this store will be handed over to you,"

"My little craft, you have almost learned over the years,"

"From now on you should run this store well, life should not be too difficult."

Jordan asked in surprise, "Uncle Chen you"

“How can you go back to Hong Kong? That Liu surname will kill you.”

Hogan smiled slightly: “I am illegally staying in the United States, considered an illegal immigrant,”

“Since the police have found me, it is estimated that it can not be too long before I am deported,”

“Even if I do not want to go, but I can't help it.”

Jordan said, “Uncle Chen, you can't just wait to be deported back!”

“Why don't you leave New York and hide for a while?”

“No.” Hogan waved his hand and said indifferently,

“I'm tired of hiding for more than twenty years,”

“If I continue to hide like this, I'll despise myself.”

Chapter 4360

After that, Hogan looked at Jordan and said seriously, “I've always wanted to go back,”

“But I can't muster up the courage, so I'd better take this opportunity to go back and help me make a decision.”

Jordan said nervously, “Uncle Chen! You can live if you hide!”

“In case Liu doesn't want to let you go, you'll be dead if you go back!”

Hogan laughed, “Even if he wants me dead, he has to wait for the right time,”

“He can't just kill me at customs when I've just been repatriated back, right?”

“Besides, I am repatriated to Hong Kong, the customs officers must take me there to go through a process,”

“I believe that even if Liu is capable, he would not dare to make a move on me at customs,”

“So that I can notify my family in advance, and they can come to customs to see me,”

“As long as I can meet with my family, even if he kills me right out of the gate, I will accept it.”

Speaking of this, he smiled faintly, and said, “Jordan, in this matter you do not need to persuade me,”

“I have my own decision, you just run this roast goose store, the rest, do not worry about me.”

Jordan choked with red eyes and said, “Uncle Chen I don’t want to run the roast goose store,”

“I just want to follow your side and be an honest little runner

Jordan has a very strong bond with Hogan.

He was originally a Chinese from Southeast Asia, his parents went down to the South Seas to work earlier,”

“But met with some local unrest, so they smuggled him to the United States with a young one,”

“Intending to put down roots in the United States.

However, the boat used by the snakeheads to transport them hit a reef and sank when it was close to the U.S. coastline,”

“And a boat with dozens of illegal immigrants drowned a large number of people.

Both of Jordan's parents were buried at sea in that disaster,

While the young one was relying on a small piece of plank, floating at sea for several hours,

And was finally saved by the man who sailed the boat.

In that accident, those who survived were such young half-grown children as Jordan,

And it was the parents who gave the child the floating object that could save his life so that the child could survive.

The person who sailed the boat, like Hogan, are stowaways or illegally stay in the United States,

These people are usually considered to help each other and have a small circle of their own.

When several children were rescued back to New York, these illegal people got together to have a meeting.

They felt that the children's situation was so miserable that if they were not taken in,

They would either starve to death on the streets or be repatriated by the government,

Or sent to an orphanage, so after discussion, those who could afford it adopted an orphan.

Jordan was adopted by Hogan.

He was just ten years old when he was brought back to this roast goose store, but now, he is twenty-two years old.

Since he had no legal status, Hogan opened the store and taught Jordan to study at the same time,

And then Jordan started to help him do what he could in the back kitchen.

After he became an adult, he simply worked directly in the roast goose store as a fellow.

Jordan was very grateful for Hogan's kindness, and always treated him as his father,

And even made up his mind long ago that he would follow Hogan's side and help him in his life,

And when he was old, he would die for him.

But how could he have imagined that Hogan would now decide to return to Hong Kong to die?

Hogan saw that his eyes were red and tears were flowing, so he smiled and said:

"Jordan, I have no children, since you came here,"

"I have been making roast goose in the back kitchen all these years,"

"Never hiding my skills in front of you, I believe you have also learned my skills,"

"As long as the police are not looking for you, you should run this store well,"

"Save more money, and if you have the opportunity, go back, if you have a chance,"

"You can go back to Southeast Asia to get your original identity back,"

"Then marry and have children and settle down."

After that, he looked at Jordan and smiled slightly:

"Of course, if I'm lucky enough not to die this time,"

"You can also come to Hong Kong to find me in the future!"

It was afternoon.

In order to be able to stagger the entrance time with grandpa's family,

Charlie deliberately took Claire and arrived at the concert venue early.

At this time, there are already many fans waiting anxiously inside and outside the arena,

And the arena has not yet reached the time to start entering, so these fans will be surrounding the arena.

The good thing is that the venue originally has a VIP channel,

There are special security personnel outside the channel to maintain order, so there is no fan interference here.

Before arriving at the venue, Charlie gave a greeting to Stefanie's agent Chloe in advance,

When his car just arrived at the entrance of the VIP channel, the security guard saw the license plate,

Without any inquiry then directly opened the car blocker to let it in.

This VIP channel is like a sunken tunnel, after the car drove in,

Basically, it is equal to driving into the stadium's underground location,

And this channel is completely straight, from the entrance down,

You can see the opposite distant light through the exit,

And the VIP reception is in the middle of this channel.

The advantage of the VIP channel is so designed that it is to ensure the maximum possible security of VIPs,

The entire channel can be seen very clearly at a glance that it is surrounded by smooth concrete walls,

No one can hide in this channel at any point.

The VIP reception in the middle of the channel, in fact, is a recessed piece of parking,

Under normal circumstances, VIP vehicles parked directly here to enter the venue interior,

And are very convenient for walking as well.

Chloe was standing at the edge of the parking lot waiting, saw Charlie drive in, and hurriedly waved to his car.

Charlie responded by flashing his headlights, and then parked his car in the parking lot,

Under the guidance of Chloe's hand gestures.

There were already several business cars parked in the parking lot,

And Charlie recognized at a glance that it was Stefanie's convoy.

Claire was a little surprised at this time and asked, "Honey, where are we?"

Charlie laughed: "VIP channel, let's watch the show in the VIP box tonight."

Claire was surprised and asked, "Why are you watching in a box? It must have cost a lot of money, right?"

Charlie laughed: "Miss Sun's concert did not sell boxes to the public this time,

"So the boxes above are basically all empty and free for us to use,"

"And we can go to the boxes to watch the show this can save the organizers two tickets inside,"

“After all, she has so many fans, two more tickets will be able to allow two more people.”

Claire nodded gently, and then followed him out of the car.

As soon as Chloe saw Charlie, she very politely went forward and said, “Master Wade, you are here.”

After saying that, she looked at Claire and smiled, “Hello Mrs. Wade, we meet again.”

Back when Charlie had just reunited with Stefanie and brought Claire to have dinner with her,

Chloe had met Claire at the dinner table before.

Claire also had an impression of her and hurriedly said,

“Hello, Miss chloe! I’ve given you trouble this time.”

“No, no, not at all” Chloe said in a serious manner,

“Master Wade has helped us so much, it is us who have caused trouble for Master Wade.”

Chloe said, “Mrs. Wade, during this period of time, we have been giving Master Wade a hard time,”

“To run to New York because of feng shui matters, so we have delayed his time with you, you must not mind.”

Claire didn’t know she was saying that on purpose, so she said,

“Miss Chloe is very kind, this is also my husband’s job, it’s all right.”

Chloe smiled faintly and nodded gently.

In fact, she still had a lot of double entendre or meaningful words to say to Claire,

But she also knew in her heart that she could not be too reckless in front of Charlie,

So she stopped at the point and said with a smile,

“Master Wade, Mrs. Wade, let me take you two to the VIP box first.”

Charlie saw that Chloe also knew to take it as it came,

So he didn't bother with her much in his heart and said blandly, “It's hard for Miss chloe.”

“I should, I should.” Chloe smilingly took Charlie and Claire from the VIP channel,

And directly took the elevator to the top floor.

Because of the large scale of the venue, the location of the VIP box was,

Basically already about as high as seven or eight floors,

And this entire upper area was the VIP area of the venue.

Here, the entrances and exits, as well as various facilities and passages,

Are completely isolated from the audience in the arena below, greatly ensuring the privacy of the VIPs.

As for tonight's concert, it is only Charlie, Claire, and the members of Evans Family in the two VIP boxes only,

Other boxes are not open to the public, so the staff on this floor is also very small,

Only at the entrance and exit with security guards, after coming in, are all empty, and can not see any staff.

This is done by Stefanie deliberately, after all, Charlie himself likes being low-profile,

And the Evans Family is also a very high-profile public figure,

Privacy must be sufficient, the less staff, the more it can reduce exposure.

Chloe brought Charlie and Claire to the middle position of the box,

The door opened, and inside is almost a hotel luxury suite.

Chapter 4362

Once inside, there was a luxurious meeting room with a mini-bar.

The table of the mini-bar was already full of fresh fruits, desserts, and snacks,

While the wine rack at the back was also full of a wide range of high-end drinks.

Through the minibar, there are two sets of sofas sitting opposite each other in the central position,

And further ahead after the parlor, there are two rows of sofas facing the floor-to-ceiling windows,

Which are the areas for watching the show?

Chloe introduced to Charlie and Claire: "Master Wade, Mrs. Wade, the boxes here have special soundproofing measures,

"So the people next door will not cause any interference to you,"

"And the floor-to-ceiling windows in front are one-way glass,"

"So there is no need to worry about the outside seeing the inside."

Claire said with some concern, "Miss chloe, the sound insulation here is so good,"

“And there is such a large piece of glass, then listening to the concert from inside will not be affected right?”

Claire is Stefanie’s faithful iron fan, for her, to see Stefanie’s concert,

The most important thing is the audio-visual effect, in case the audio-visual effect is greatly reduced,

Even in the luxury VIP room, it will definitely be very regrettable.

Chloe saw Claire’s concern, pointing to the upper left and right corners of the floor-to-ceiling windows,

As well as the sides and top of the sofa, and said to her:

“Mrs. Wade need not worry about the audio-visual effect like you just said,”

“The box has soundproofing measures, and the front glass is also thicker,”

“So from here to see the performance, the sound of the outside audio will indeed weaken a lot,”

“Therefore, the box is installed with a 7.4.4 embedded panoramic sound system,”

“The audio of the live performance will be played directly through the audio system,”

“Which can effectively filter the noise of the audience,”

“The effect of immersive experience is better, and the volume is also adjustable,”

“The overall audio-visual effect will be better than the infield.”

Claire breathed a sigh of relief and said, “Then I’m relieved

Chloe nodded and said to the two people: “Master Wade, Mrs. Wade, our staff prepared the drinks and desserts in advance,”

“There are also bathrooms inside the box, so after the show starts, for your viewing experience,”

“The waiters will not take the initiative to come to the door if you have any needs,”

“You can directly press the call bell, our staff will come to you,”

“In addition also please try not to go out during the performance,”

“There is no staff stationed outside, the performance began and it will be too noisy,”

“In case there is any unexpected situation, it may be difficult to respond in time.”

Charlie knew that Chloe was implicitly reminding Claire not to go out as much as possible,

As for Charlie himself, non-essential circumstances will certainly not go out,

So as to avoid the possibility of meeting with Grandma’s family as much as possible.

Claire, who knew Chloe’s intention, said almost without thinking,

“Miss Chloe, don't worry, we are not going anywhere.”

Chloe smiled faintly, then looked at the time and said,

“There are some VIPs sitting in the next box tonight, they will arrive in ten minutes,”

“I have to go and receive them, so I won’t bother you two anymore.”

Claire nodded and said, “If Miss Chloe has something to do, go and get busy, don’t mind us.”

“Okay.” Chloe nodded and said to Charlie again, “Mr. Wade, then I will go out first.”

After she left, Charlie sat down on the sofa in the meeting area,

Thinking that his grandparents would arrive in ten minutes,

His heart was once again filled with nervousness and apprehension.

Claire saw that Charlie's state was not right, so she sat beside him and asked with concern:

"What's wrong with you, husband? Are you not feeling well?"

Charlie smiled faintly and said,

"These days I'm always running back and forth between two places, maybe I am a little tired."

Claire said somewhat self-critical: "If I had known we would not have driven here,"

"You must have been quite tired driving all the way, and accompanied me everywhere

After saying that, she hurriedly said: "We will not go anywhere tomorrow,"

"Just take a good rest in the hotel, I'll drive back tomorrow."

Charlie laughed: "No, I'll rest for a while, don't you worry."

Claire thought Charlie was trying to be strong, so she took his hand and said softly,

"Honey, if you feel tired in the future, tell me in advance,"

"We can change any plan, but the body must be put first."

Charlie nodded gently and smiled, "Don't worry wife, I know."

Claire slightly leaned on Charlie's shoulder and whispered,

"Let's turn down the sound a little later, if you are tired, you can sleep here for a while."

Charlie saw Claire so concerned about him, and also can't help but be a little touched,

Slightly swept her up in his arms, the heart also felt a lot more solid.

About ten minutes later, Charlie's keen sense of hearing then caught noisy footsteps.

As the footsteps got closer, he heard Chloe's voice:

"Grandpa, Grandma, this is the box arranged for you all tonight!"

At this time, he heard a familiar and unfamiliar voice,

His grandmother said with a very gentle smile,

"Thank you little Chen, also help us thank Stefanie, this time certainly it is no less trouble for you!"

Although he hadn't heard his grandmother's voice again for many years, Charlie still recognized it at once.

His body also involuntarily shook because of Grandma's voice,

And Claire on the side hurriedly raised her head and asked, "What's wrong with you, husband?"

Charlie was slightly stunned, then calmed down a bit and said in a hurry,

"Nothing, I almost fell asleep just now

Chapter 4363

At this moment, Charlie's attention was almost entirely on his grandparents who were a wall away from him.

He heard Chloe say in a respectful tone to his grandmother,

“Grandma you must not be so polite, you are Stefanie’s grandmother,”

“You and Grandpa could come to see Stefanie’s concert, you do not know how honored we feel!”

The old lady said with a smile, “Stefanie is now one of the most well-known stars in the world,”

“It’s us who are honored to come to her concert.”

The old man on the side also couldn’t help but sigh:

“To be able to bring a concert to America and still have such a strong appeal,”

“Miss Sun is indeed considered the light of the Chinese.”

The old lady said, “What Miss Sun, that is your future grandson-in-law’s wife,”

“Don’t call her so rudimentary, her maiden name is Stefanie.”

The old man said with a smile, “Yes, yes, the wife is right.”

Chloe could not help but sigh: “You two have a good relationship,”

“Unlike my grandparents, who fight every day and let no one get away.”

The old man laughed, “Then that’s your grandfather’s problem, a man,”

“To live an easy life as he wishes must give in to his wife’s mouth.”

“Yes!” Chloe laughed, “When I go back, I will tell him your trick, so he can learn it well!”

While laughing, Chloe brought the Evans Family into the box,”

“And after introducing the general situation of the box to them, she said to the crowd,

“The show won’t start for another forty minutes, so you can take a break,”

“Now the audience is going to start entering, I will go over to see if there is anything I can help with,”

“If you need anything, just press the call bell to call the service staff or give me a call.”

Charlie’s grandmother said smilingly, “It’s hard for you dear,”

“If you have other things to do, go ahead and get busy, don’t mind us.”

Saying that the old lady remembered something, and hurriedly asked,

“Right, Chloe, after the performance, is it convenient for Stefanie to have time?”

“If it’s convenient, we’ll wait to meet with her, if she’s not convenient, then we won’t bother much.”

Chloe was busy saying, “Convenient, Stefanie instructed me to tell you all that after the show,”

“You can wait for her in the box for a while if you are not in a hurry to leave,”

“She will come over after she finishes her business.”

“Okay!” The old lady said with a smile, “Then we’ll wait for her here after the show.”

All these conversations were heard word for word by Charlie.

He knew that Stefanie comes over to see his grandparents after the performance,

Partly it is out of respect, and partly for her own consideration.

The reason is that she is worried that after the performance,

He and Claire might meet up with Grandma's family when they leave, so she deliberately arranged this.

After the show, grandmother's family will naturally wait for Stefanie in the box,

And he can take advantage of this time to directly take Claire and leave.

In this way, although the two sides are only a wall apart from the beginning to the end,

But will not have any opportunity to face each other.

Moreover, because each box has a very strict acoustic treatment in order to achieve the best acoustics,

So the two boxes are like double sound insulation, in this case,

Even if Charlie and Claire speak loudly in the room, it is impossible to be heard next door.

Even if a martial arts expert of the above 7 star, such as Joseph, came over,

It would be impossible to hear the conversation next door.

Unless one is like Charlie, who has aura protection, one can use the pervasive aura to sense every move next door.

After Chloe left, Charlie could feel that there were a total of fourteen people in the next compartment,

And outside the door of the compartment, there were four people standing.

However, the aura is not omnipotent, although Charlie can perceive the number of people,

But can not rely on it to identify each person on the other side.

However, he could perceive that the four people outside the door were all martial arts experts,

One of the strongest had reached the level of an eight-star martial artist,

Comparable to the strength of Joseph, the other three, the weakest had the level of a six-star martial artist,

And the other two, both seven-star martial artists.

It seems that the Evans Family's strength is indeed extraordinary,

This configuration of bodyguards is the strongest Charlie has seen so far.

At this time, Charlie suddenly received a message from Chloe,

The message is just five words: Jack Lee is also in.

Charlie was slightly stunned, did not expect Jack actually would come here too.

Originally, his grandmother's family had not seen him in the past twenty years,

But Jack had just met with him a few days ago.

This also makes Charlie a little more cautious, as long as the show is not over,

Then in the case, something is absolutely necessary, he must not go out of this door.

Next door in the box.

The old man and the old lady were sitting on the sofa, Desmond and his wife were next to the old couple,

And opposite them sat Marcus, Martel and his wife, and Tece, in that order.

As for Jack, he ran straight to the bar and poured a glass of whiskey,

Sitting on a long footstool at the bar and drinking himself.

Chapter 4364

In addition to the four Evans Siblings and Charlie's three aunts and uncles,

The two sons of Marcus, Martel's eldest daughter

And Tece's twelve-year-old only daughter also came together tonight.

These offspring, all of whom are Charlie's cousins,

Are also considered fans of Stefanie, so they came along from Los Angeles.

Desmond's two daughters also like Stefanie, but the eldest daughter who is at Stanford studying for a doctorate,

The second daughter is studying in the United Kingdom, academically busy,

As the old man was seriously ill, they took time off to come back to accompany him,

Delayed a lot of school time, so early this morning they rushed back to school.

However, Desmond's two daughters in the Evans Family's own internal family chat software,

But also specially instructed several other siblings, to try to take more concert videos for the two of them.

Although Charlie could not perceive their identities,

After listening to their small talk for a few minutes, he was able to almost identify each of them.

Among them, the eldest son of the second uncle Marcus's family, whom he had met when he was small,

But at that time this cousin was still in infancy.

As for the eldest daughter of Martel's family and the only daughter of his maternal aunt Tece, Charlie hadn't met them all yet.

At this time, Desmond saw that Jack was a bit bored drinking alone,

So he walked to the bar and sat down beside him, asking, "What, your mood hasn't eased up a bit?"

Jack laughed bitterly and said, "What relief, we've known each other for so many years,"

"You know me, and I'm really stuffed up in my heart because,"

"I haven't had a chance to get back for such a big dumb loss!"

Desmond poured himself a glass of wine, clinked glasses with him, and said,

"Jack, look ahead, your days as a police officer are long, but they are over."

Jack nodded gently and sighed: "You're right, have to look forward"

Desmond asked him, "You said earlier that you wanted to go to Houston,"

"To be with your wife and children, have you told them?"

"Not yet." Jack laughed bitterly: "This is still not a total upset"

"I always feel that this case may still have a chance to come to light"

Desmond said seriously: "Jack, listen to my advice, go back at night and pack your bags,"

"Set the earliest plane to Houston early tomorrow morning."

After saying that, Desmond said: "Forget it, I will arrange a plane to send you!"

Jack's expression was somewhat hesitant and he said: "This is too fast"

Desmond seriously said, "Yeah, good for you!"

Jack couldn't decide for a while.

He did want to leave, but he was also really reluctant.

Just at this time, his phone suddenly received a message, he opened it,

His expression quickly became excited, and quickly said to Desmond:

"You just said you will arrange a plane to send me to Houston?"

Desmond nodded and said, "That's right, just one word from you!"

Without thinking, Jack said, "Tonight then! I'll go to the airport after the show!"

Desmond was surprised and asked,

"You've been on the ground for a long time, why are you suddenly in such a hurry again?"

Jack grinned and said, "My daughter just sent me a message saying that she is pregnant!"

When Desmond heard the news, he also instantly became happy and said with a smile,

"No wonder your fcuking mouth is grinning to the roots of your ears,"

"So you're going to be a grandfather!"

"Yes!" Jack said excitedly, "The old generation said that the next generation is really the same thing!"

"Once my daughter said she is pregnant, I really don't want to stay in New York for a fcuking minute,"

“I want to fly over tonight and give them a surprise!”

Desmond laughed, “Oh, you know how to surprise your wife and kids? Can’t you, there is progress!”

After saying that, Desmond said, “Come on, you don’t have to rub it in here,”

“I’ll have the crew get ready, you go to the airport now!”

Desmond waved his hand and said, “It doesn’t matter! If you tell them, they will surely understand.”

“Don’t.” Jack whispered, “I haven’t seen the old man for such a long time,”

“So it’s hard to spend time with him, I don’t care about two more hours,”

“You say hello to the crew and I’ll go there after the show.”

Seeing his insistence, Desmond nodded and said, “Okay then,”

“I’ll talk to the crew now and let them get ready in advance.”

“Got it!” Jack smiled heatedly and said, “Thanks, brother!”

Desmond laughed: “We are brothers, why are you so polite with me?”

After that, he immediately took out his cell phone and arranged the plane for Jack,

Then he held a glass of wine and walked up to everyone and said with a smile,

“Mom and Dad, let me interject, Jack is going to be a grandfather soon,”

“Let’s celebrate this with tea instead of wine!”

Hearing this, the old man said with a joyful smile,

“Yes, yes! A new baby is a great thing, you’re blessed, Jack!”

After saying that, he picked up the teacup in front of him and said with a smile,

“Come on, I’ll drink to you, congratulations on your upcoming promotion!”

All the people also picked up the tea and drinks and said words of congratulations under their breath.

The Evans Family has been in the United States for a long time,

From the top to the bottom, the thinking is more or less westernized,

The more obvious characteristic is that emotional management is more open,

Chapter 4365

Encounter happy things from the heart, there are no formalities if one is very happy.

Seeing that the Evans Family is so enthusiastic about him, Jack’s old face got red, not quite natural, said:

“Thank you all, thank you all! When the baby is born,”

“I will definitely bring it to the Evans Family to ask for New Year’s money!”

The old man said smilingly, “Come! Be sure to come! Bring your daughter with you!”

“If the baby is a boy, I’ll have to give your daughter a big red envelope alone!”

Jack was confused by the old man and asked,

“Uncle, how can you give a red packet to your daughter when you have a new baby in the family? Where is this saying?”

The old man said seriously: “You kid all day long, only thinking about solving the case,”

“I have to do more for your dead old man!”

After that, the old man said: “Your family has only one girl, but your Lee family’s legacy can not be broken!”

“If your daughter is willing to give birth to a son with your family’s Surname Lee,”

“To help to continue the family line, I will definitely give them a big red envelope,”

“That will allow them to live a lifetime without worries!”

Jack Listened to the all the people for a while, then his eyes got red,

Deliberately touched the nose to cover up, said with a smile:

“Uncle, what era is this, we can not be so old feudal

The old man said seriously: “Jack, this is not feudalism, this is heritage!”

“Since ancient times, you have only heard of worshipping your own ancestors,”

“Have you heard of anyone worshipping their foreign ancestors?”

“Do you know what your grandfather’s grandfather’s surname is,”

“Do you know what it means to break off the incense?”

Jack said: “Uncle, broken incense, that does not mean that the bloodline is broken

“Then as long as this child later raises offspring, I will not pass on this bloodline?”

The old man waved his hand and said with a solemn expression,

“Jack, the argument of breaking the incense is not that complicated, to put it bluntly,”

“It is simply that no one is lighting incense for the ancestors of this lineage,”

“To put it more bluntly, there is no one to worship!”

Jack heard here, the tears in his eyes can no longer be taut,

Two lines of hot tears down the somewhat dark cheeks and rolled down.

He understood the meaning of the old man’s words,

And deep inside he also agreed with the old man’s philosophy.

The older generation of Chinese people who went abroad to work,

All of them wanted to have a prosperous family and children, which naturally included Jack’s father.

But although Jack has five sisters, he is the only male in the family.

His wife was also willing to give birth to more children for him,

But God forbid, she encountered a very serious hemorrhage during the birth of his daughter,

The doctors removed her uterus to save her life. So, Jack only has that one daughter.

At this time, the old lady on the side saw Jack quite a big man actually shed tears,

And quickly said to the old man: “Oh, you old feudal! What era is it now, still engaged in the patriarchal set!”

After saying that, she hurriedly said to Jack:

“Jack, don’t listen to your Uncle’s nonsense,”

“This old feudal consciousness should have been removed long ago!”

The old man always obeyed the old lady in words, but this time he said in a stern voice without any doubt:

“If it were anyone else, I would have advised you to do the same, but for Jack, I can’t!”

“He can think for himself no problem, but my old buddy will think,”

“I know better than anyone, he left early, I am a brother, I have to make up for him with this regret!

Saying that he looked at the silent tears of Jack, full of dignity waved his hand, and said:

“Jack, this matter you do not have to care about anything, whether the child is born a boy or a girl,”

“You bring your daughter over! If it’s a boy, I’ll be able to convince her to let the child be named Li,”

“If it’s a girl, I’ll try to convince her to have another one!”

“Don’t interfere, don’t say a word, just pretend not to know,”

“If anyone has any old feudal, old bastard name, feel free to greet uncle’s head, uncle won’t care!”

Jack at this moment with tears heavily nodded his head,

Said with gratitude, “Uncle thank you thank you!”

Jack knows that his son-in-law is very good and high-minded, this kind of thing, perhaps really only Lord Evans can do.

Moved beyond measure, his legs bent forward uncontrollably, and he was about to kneel and kowtow to Lord Evans.

Desmond’s quick eyes and hands sprang into action, and hand dragged him, said:

“Jack, what are you doing!”

Lord Evans scolded: “Brat, they say there is gold under the knees of a man,”

“You are running here to me to cash in! Hurry up and stand still, you will not kneel for me until the day I die!”

Jack was really moved from the bottom of his heart, but seeing Lord Evans’s anger,

He hurriedly said, “Okay, Uncle I know”

The old man nodded in satisfaction and urged, “Why are you still standing here, hurry up and go to the airport!”

Desmond said: “Dad, I told him to hurry up, he said he wanted to accompany you for a while.”

At this time, the music suddenly sounded, the very explosive music,

The venue lights dimmed at least 70%, and on the stage left and right two large LED screens instantly point,

Began to play the opening material of Stefanie’s world tour.

The opening video, 20 minutes long, was created by a Hollywood team with heavy money,

The sound and visual effects are shocking beyond comparison.

Chapter 4346

The content of the video is a cosmic war that takes place in the future,

So the audio-visual effect at the beginning seems to be shocking.

The plot of this video is an alien race invaded the Earth,

Wiping out almost all of the Earth fleet, the entire Earth fleet only a warship piloted by a female warrior survived.

In order to save the Earth, this female warrior has to sail the warship through the wormhole,

All the way from the future back to the modern society on Earth.

When her ship crossed the Earth's atmosphere, the Earth's air forces sent top fighters to intercept it,

And she ejected at the moment when the missile was about to destroy the ship and took a parachute all the way down.

But because the parachute malfunctioned and could not be opened,

The warrior woman swooped toward the ground at a very high speed.

According to the original setting, at the moment when the warrior woman is about to fall to the ground,

The LED screen and all the lights on the scene will instantly go out,

And all the sound will also come to an abrupt halt.

After ten seconds of absolute darkness, all the stage lights will instantly come on.

And dozens of light beams will be aimed at the top of the stage,

When Stefanie, wearing sci-fi armor, will descend from the sky with the weave technology,

And use her song called "From the Future" to make an absolutely shocking and perfect opening for the whole concert.

However, at this moment, the video has just begun to play,

When people saw the video presenting a Star Wars scene, everyone's a little confused.

When the old man saw that the show was about to start, he hurriedly said to Jack:

“Jack, don’t waste time with me here, hurry back to your wife and children!”

After that, he looked at Desmond and instructed,

“Desmond, tell the crew to get ready at the airport and have the driver take Jack to the airport!”

Desmond nodded and said to Jack, “Jack, hurry up,”

“It is time to stay with your family, don’t go anywhere until the baby is born.”

“Okay!” Jack knew that the old man was thinking of himself,”

“So he nodded heavily and said, “Uncle, aunt, then I’ll go first.”

The old master waved his hand, “Go now, let Desmond see you off.”

Jack busily said, “No, no, let him accompany you guys, I’ll go down by myself.”

After saying that, he said to Desmond, “You send a message to the driver, don’t come with me.”

Desmond saw that he was in a much better state, so he nodded and said,

“Okay, go and send a message when you arrive.”

Jack nodded, said hello again to the people, and then hurriedly left the room.

After Jack went out, the video, the flagship of the human space fleet was hit by a fatal blow from the enemy,

And Claire excitedly took Charlie's hand and shouted,

"Honey! Is this a movie? The effect is too realistic, right?"

Charlie heard Claire so shocked, then subconsciously withdrew the release of a little aura,

No longer pay attention to grandparents over what they are talking about,

But focused on the screen, said seriously: "I think this should be a specially made opening video,"

"The former king Michael Jackson also gave such majestic opening special effects."

Charlie just finished talking, on the screen, the human flagship exploded!

Incredibly huge flagship, a series of violent explosions from the inside, the whole falling apart!

The sound effects of the explosion throughout the scene created countless powerful sounds,

The scene set off a wave of sound, impacting everyone's senses.

While everyone's attention was focused on the video,

Jack crossed the corridor of the VIP area and arrived at the door of the elevator hall.

The sound wave made him feel the bass vibrating his entire chest even when he was here.

At this moment, the four elevator lights not far in front of him suddenly lit up at the same time,

And just when he was a bit stunned in his heart, the elevator doors suddenly opened.

In the four elevators, at least 20 black-clothed fighters with loaded guns and armed to the teeth appeared!

These black-clad fighters wore bulletproof vests and bulletproof masks,

And all held dark automatic rifles in their hands,

And the muzzle of each automatic rifle was fitted with a thick and long silencer.

When Jack saw this scene, his pupils suddenly shrank, and just wanted to shout,

Bullets were instantly released from the muzzles of multiple guns.

In an instant, he was hit by dozens of bullets, boom!

Immediately after, the beige wool carpet underneath Jack was soaked with his blood!

A striking blood-red

Chapter 4367

The moment Jack fell to the ground, none of the people in the elevator even looked at Jack again.

One of them saw Jack's dead face and said offhandedly through the intercom system in his helmet,

"Boss, this man seems to be NYPD detective Jack Lee!"

The man at the head said contemptuously,

"What Jack Lee, in my opinion, it's just an appetizer, not enough for a fucking chopstick."

After saying that, he ordered, "All of you,"

“In battle formation, remember our purpose, do not leave any alive!”

The other twenty or so men heard the chief’s voice very clearly...

Because they were wearing active noise-canceling headphones,

So they held their guns in their right hands and raised two fingers,

The index and middle fingers, to the side of their temples with their left hands.

This hand gesture means they have received the order.

Immediately after that, more than twenty people in the four elevators,

Immediately arranged themselves in the standard special forces six-man combat formation,

With the most advanced assault rifles, at the same time, the same pace turned out of the elevators.

They are covered in special clothing and equipment, have gone through a very rigorous silent treatment,

The fabric of the clothes will not emit almost any friction,

Even the head of each zipper on the clothes is wrapped with black cotton fabric to avoid impact with the zipper body.

Combat boots soles also have undergone special treatment, and all using Velcro tightening,

On laces and metal parts, even while walking up, it will not make any sound.

Plus this entire VIP area is like a hotel, all covered by carpet,

More than twenty people walked up, almost without a sound.

With such extreme combat details, even the top special forces cannot do it.

And their equipment, too, is very advanced.

Their main weapon, the HK433 assault rifle, is the latest single weapon from the German company HK.

This gun has a high rate of fire, high power, and accuracy that far exceeds that of ordinary standard weapons.

Moreover, the gang also specially adopted the special 5.56 caliber Dum-Dum ammunition.

In close-range combat, this small-caliber bullet not only has high muzzle velocity and high killing power,

But also this ammunition has an extremely strong cavity effect,

Which can form a large cavity in the body when hit into the flesh, thus causing great damage to the human body.

At this point, they skipped over Jack's corpse while advancing silently.

This corpse was no longer within their attention,

Their target was the VIP box where the Evans Family members were!

At this moment, four experts from the Evans Family were guarding the entrance.

But at this time in the opening video,

The sounds of the fleet exploding and weapons firing were all over the place,

And the subwoofer was raising a great wave of sound,

Even the floor of the reinforced concrete structure was vibrating as a result.

In front of this surging wave of sound, other sounds almost completely lost the power of propagation.

Plus the ears, eyes, and nose, are extremely susceptible organs,

Once a certain sound is too loud, the human ear under the influence of this huge sound,

Will almost lose the ability to analyze other weak sounds.

This is why, in the concert scene, in the bar disco, two people talking face to face,

Who can not hear each other, unless the other person is lying next to the other side's ear and shouting?

Therefore, the four experts of the Evans Family, in the huge background sound,

Want to hear the sound of the gun with a silencer, as well as the other party's footsteps,

Who are trying to cover it all up,

It is more difficult than listening to the buzzing of mosquitoes in the airport.

At this time, they are still completely unaware that great danger is approaching!

And Charlie, also because he had just retracted his aura,

And focused on the opening video that was played live,

So he too is equally ignorant of everything that is happening outside!

However, the killer is extremely well prepared.

Before they entered the corner of the corridor, they had already used the life detector,

The situation behind the corner, they know everything.

The person controlling the life detector immediately reported to the crowd in a special sign language.

The sign language content is:

“There are four people at the door of the proximal box near them,”

“Thirteen people inside the proximal box, and two more people in another box immediately inside the proximal box.

Chapter 4368

The leader of the group had a slight frown on his face.

In the information he received, there was no information about the next box.

He only knew that the box here was not open to the public tonight,

And the Evans Family members should be the only guests.

Now it seemed that the intelligence was wrong.

However, at this moment, he couldn't care less about these little surprises.

He immediately made a neck-wiping gesture to the crowd,

The meaning of which was, including the two people in the next box, all of them should be taken out!

Anyway, the process all the way up was to kill them on sight,

And killing them on sight was also their code of action tonight.

Afterward, the crowd got ready, and between the wave of the leader's hand,

The tacit agreement was divided into high, medium, and low, three heights,

To kill with great speed into that aisle leading to the VIP box!

The four experts of the Evans Family, at this time suddenly found the enemy attacking,

The eight-star martial artist in the lead was aghast and shouted out of the blue: "There is an enemy!"

After saying that, the whole body qi quickly forced from the body to the surface,

Armed skin into armor, and at the same time from the waist pulled out a soft sword!

The other three also reacted very quickly and began to operate their true qi almost immediately.

This is the standard process for martial arts masters to defend themselves against the enemy.

However, the enemy does not speak of martial virtue at all!

More than twenty extremely powerful assault rifles,

At an extremely fast speed, they frantically expelled the bullets in their magazines.

Each bullet, after the acceleration and rotation of the rifling, came towards the four men with deadly force!

The man in the lead swung his soft sword and slashed wildly,

His speed was extremely fast, and the soft sword suddenly became incomparably hard,

And it cut like mud when he shook it in his hand!

In a flash, at least a dozen bullets were cut in half by him,

But there were more than a dozen bullets coming at him!

It was hundreds of bullets!

More bullets, one after another, hit his body!

His true qi was so powerful that the initial bullets hit his body as if they were hitting a brick wall!

If the opponent was fighting alone, he could have cut down most of the bullets with just his own strength,

And the remaining bullets, though impossible to cut down completely,

Would not cause fatal damage to his body due to the protection of his true qi.

However, what is bad is, on the other side there are too many people, and too many guns

Bullets... too many!

More than twenty magazines in a few seconds emptying six or seven hundred rounds of bullets!

And in this straight alley, they simply can't hide!

At first, the bullets only made these martial arts masters' bodies shake,

But they couldn't hurt them physically.

But before a second had passed, their true qi was depleted at an extremely fast rate under the rain of bullets!

The martial arts experts' true qi is being consumed rapidly,

But the opponent's bullets, however, did not stop at all!

Moreover, what is not martial virtue is that the gun is tireless!

A gun with a capacity of thirty rounds,

Between the first and the last rounds, there is almost no difference in power!

This also meant that the fate of these four experts was doomed to tragedy from the moment these men suddenly appeared!

Soon, the body of the eight-star martial artist in the lead reached its limit,

And the bullet went from not being able to invade his body,

To the warhead being able to invade half of his body,

To the entire warhead not entering his body or even completely piercing through his body,

The whole process only took less than three seconds.

The reason why it is so fast is that this assault rifle,

Which has a rate of fire of 700 rounds per minute,

Takes less than three seconds to empty its clip of thirty rounds!

So, in less than three seconds, these four experts of the Evans Family were sieved by bullets!

As the saying goes, a chaotic fist kills a teacher.

Even for martial arts experts, in front of such a dense bullet, it is simply impossible to resist.

This is why, the rules of this world, have been in the hands of guns and missiles range,

Rather than in the hands of these martial arts masters.

Flesh and blood, how can it resist the saturation attack of modern weapons!

Chapter 4369

And Charlie, due to the early retraction of aura and attention,

Until the moment the bullet whistled through the door of his box,

Only then instantly realized that something big had happened outside!

Between lightning and fire, he thought a lot in his head.

Who was the enemy? Who was the target? Is the grandparents' family next door in danger?

In this instant, he looked at Claire, who was still immersed in watching the opening video,

And almost without thinking, he used an aura to point into the back of her head,

And Claire instantly lost all consciousness and collapsed on the sofa.

Then he immediately made a rollover,

A huge explosive force allowed him to instantly jump from the sofa,

And rushed to the floor-to-ceiling window in front of the box and the next moment to the door.

The moment he opened the door of the compartment inward, two bloody corpses just fell in the doorway!

The special Dum-Dum bullet's power is too terrifying, hit on the wrist,

It can blow off the wrist, hit on the arm, and the whole arm will be torn apart,

Hit on the chest cavity, in the front is a small thumb-sized hole,

While the back, it is larger than the bowl cavity, the original meridian,

As well as the internal organs being blown into pieces, it is all miserable!

The miserable state of the two people made Charlie's heart angry.

Sure enough, no martial virtue!

As they say that killing is so easy now, martial virtue is not enough these days,

But that too with such a cruel saturation attack, simply do not even give the opposition an intact dead body.

Since the door of Charlie's box opened inward, and there was no light on inside,

So the other party's attention at this time is not in Charlie's room.

The leader of the men came from a distance while sneering recklessly:

“What kind of bullshit eight-star martial artist are they, even worse than dogs!”

“Next time we change to 7.62 special armor-piercing ammunition,”

“Even a Dark realm Grand Perfection martial arts expert will be fucking smashed to pieces!”

At this time, that eight-star martial artist still kept his last trace of consciousness,

Even though his body was beaten into a sieve.

With his last breath, he reached out and pushed open the compartment where the Evans Family members were,

And then he lost consciousness and fell into the room with a crash!

At the last moment, before he died, he thought that he must inform the family head,

Even if it was just a few seconds in advance so that the family head could be prepared.

Otherwise, with the soundproofing in the room, and the professionalism of this gang of humongous bandits,

The Evans Family members would likely die without even knowing to look back.

The moment he pushed open the door, light instantly flooded in, the Evans Family members,

Who were immersed in the opening video, realized the light coming from the back and turned their heads,

This look did not matter, everyone was instantly shocked to the core,

While several women and children were already screaming out in fear!

At this time, in the opening video, the fierce star wars was also settled,

The sound of explosions, and the roar, all disappeared,

And the video of that female warrior alone fleeing through the wormhole, the scene was also a lot quieter.

At this time, the screams of several female members of the Evans Family seemed extremely ear-piercing.

However, the VIP area itself has excellent sound insulation,

Plus the outside is not completely quiet, so this scream, it is impossible to be heard by the people outside.

Desmond was the most responsive at this time, he fiercely pulled a hand at Marcus and shouted:

“Marcus! You block the front with me!”

Marcus did not even think about it, gritting his teeth and roaring, “Okay! Kill us both first!”

Lord Evans said out of the blue, “Desmond! Don’t be impulsive, negotiate the terms!”

“No matter how much money they want, say yes without thinking!”

“The whole family is here tonight, we can’t afford to gamble or lose!”

These words of Lord Evans made the three sons of the Evans Family’s scalp tingle.

As their father said, today, the two oldest members of the Evans Family,

As well as their four children were all here.

In addition, there are three daughters-in-law and several grandchildren.

If today’s crisis does not pass, the Evans Family’s old, middle and young three generations, will be wiped out

And under the nest, how can there be a perfect egg!

If the other side succeeds today, the remaining grandchildren who were lucky not to come, how can they escape their pursuit?

Chapter 4370

At this moment, at the end of the corridor outside the door!

When the leader of the bandits saw that all four martial arts experts died in one shot,

He immediately took off his helmet and shouted excitedly in the corridor:

“Lord Evans, don’t struggle in vain, all of you must die tonight!”

When Lord Evans and the others heard this, their faces were instantly ashen.

It seems that this is not a kidnapping, not blackmail, but a long-planned murder!

Lord Evans was in tears, he had been a great man all his life,

But he never thought that in his later years, he would suffer the disaster of extermination.

Now, even if the Evans Family has trillions of dollars, what can they do?

Can they return the lives of his children and grandchildren!

At this moment, the other Evans Family members were also completely desperate.

They all instantly recognized the reality, today’s situation, it is already a certain death!

Four martial arts masters had already been killed,

How could they, a group of ordinary people with no power, escape?

At this moment, a group of bandits had already rushed to the door.

The leader of the group took a big step forward and stood at the door,

Coldly looking at the panicked Evans Family in the room, he sneered,

“Oh, so many people, I’m sorry, I’m going to kill them all!”

After saying that, he picked up his gun, pointed it at Lord Evans, and asked with a cold smile,

“Lord Evans, what final words do you have?”

Lord Evans stood up and said without any condescension,

“I don’t know where I have offended you, but if you really have a grudge against me, please spare my family!”

The man sneered and said with extreme contempt,

“I want to kill not just you, but each and every one of you!”

After saying that, he said in a stern voice:

“No more nonsense with you, I’ll send you on your way now!”

At that moment, a figure suddenly appeared on his right side, followed by a cold voice:

“If you want to send them on their way, have you asked me about it?”

The one who spoke was none other than Charlie!

The man at the head, as well as the soldiers behind him with loaded guns,

They were all startled by Charlie’s sudden voice.

They had already known that there were two unlucky people in the next room,

And were planning to go over and finish them off after killing the Evans Family members,

But unexpectedly, the person in that room came out of his own accord!

He even dared to say such arrogant words!

It's like playing with lanterns in a sh!thole, looking for death!

The leader of the men turned his head to look at Charlie, shocked,

But also could not help but sneer:

"Kid, even if you are looking for death, but also have to come first!"

"Don't worry, you're behind them, I'll send you on your way after I kill them myself!"

After saying that, he was ready to pull the trigger to shoot all the Evans Family members!

At this time, Charlie said in a cold voice:

"A mere mole, you are also worthy of shouting in front of me,"

"Do you really think that with a burning stick in your hand, you are invincible?"

After saying that, a cold light flashed in his hand, and an invisible sharp blade flew out!

This cold light is Charlie's soul-piercing blade!

The man in charge did not expect Charlie to be so arrogant,

But before his anger could cause some action, he suddenly felt a sharp pain in both arms!

Immediately after, the gun in his hands, but also his hands, wrists, and half of the arm, fell at the same time!

When he looked at his arms, they were already broken from above the elbow joints!

The wound is neat, as if by the invisible gate knife instantly moved with elegance,

Blood from the flat incision immediately gushing out!

His two broken arms, at this time, are like two pesticide sprayer nozzles.

Only, what this sprayer sprayed is not a pesticide or medicine,

But his body fluid that is 36.8 degrees hot, the fresh warm dark red blood!
