When His Eyes Opened by Simple Silence Chapter 2383

"I didn't say I won't have a baby with you! Why are you crying." Gwen saw that his eyes were wet again, she reached out to wipe the tears from his face and whispered, "I won't say that you are old in the future, well, don't cry. I don't know what to do with you."

Ben: "Kiss me."

"Ben, you're still acting like a spoiled child..." Gwen watched Ben act like a spoiled child, funny and speechless, "I haven't seen you cry before, you are so good tonight, you can't stop crying!"

Gwen immediately held his face and kissed him.

"A smell of alcohol... go take a bath!" Gwen looked disgusted. After disgusting, she was afraid of hurting his fragile self-esteem, "What I dislike is the smell of wine, not you..."

Ben couldn't help but raise the corners of his mouth after hearing her explanation.

"Wife, I'm dizzy and can't move, why don't you wash me!" Ben was lying on the bed, trying to move an inch.

Gwen instinctively wanted to refuse. Because after being with Ben, Ben took care of her, and Ben hardly asked her to do anything for him.

But thinking that today he was drinking because of his second brother's wedding, his heart softened.

“Then I’ll just wipe your body for you...” Gwen looked at his scarlet face, hesitated for a moment, and said, “Why don’t I help you take a bath in the bathtub! You have to brush your teeth and wash your face... How can I wash you when you are lying on the bed!”

Ben heard her words, and the fantasy of romantic plots in his mind was instantly shattered.

Ben: “Wife, what you said makes sense.”

Although there was no fantasy romantic plot, but Gwen was obedient to him just now, and even kissed him, he felt Gwen’s love for him.

The next day, 9:00 o’clock in the morning.

Gwen woke up from hunger and came out of the bedroom to eat breakfast.

Seeing Gwen coming out, Juniper immediately asked her with a smile, “How is Ben? I wanted to see him last night, but I was afraid that it would disturb you to rest.”

“He is still sleeping.” Gwen said, “I don’t know how much he drank last night. It’s the first time I’ve seen him drunk like this.”

“It’s mainly because he drank twice yesterday.” Juniper said, “He drank a lot at noon yesterday. I told him to drink less, but he won’t listen to me.”

“That’s right. But don’t worry, he didn’t vomit last night. He just got a little out of his mind. It should be fine when he wakes up.” Gwen said, walked to the dining room, and the nanny immediately brought breakfast to her.

Juniper sat down beside her and asked in a low voice, “Gwen, I heard that Ben cried last night...I haven’t seen him cry for decades.”

Gwen was embarrassed: “Mom, how do you know he’s crying? Isn’t the door soundproof?”

“Eh? Did he cry when he went back to the room last night? I heard it from Tammy.” Juniper frowned, “Why is my son crying like this? Ah? How wronged is this?”

Gwen: “Why did Tammy tell you this?”

“Tammy said that she sent you a message and you didn’t reply. She was worried about you, so she called me and asked.” Juniper replied, “Gwen, Ben’s alcohol intake is good, even if he is drunk, the wine is not bad. He lost his temper like that last night because he liked you too much, you must not let him down!”

“Mom, I will definitely live a good life with him.” Gwen said, “I know he likes me very much, and I will treat him very well in the future.”

Juniper: “I know. You are a good girl, I think you are the first that can tell me at a glance.”

The two chatted very harmoniously.

After a while, Ben came out with a sullen face.

Ben: “Gwen, why don’t you sleep more? Don’t you have a holiday on New Year’s Day?”

Gwen glanced at Ben, remembering what happened last night, her face turned red.

Gwen: “I’m hungry, so I got up to eat. Are you sober?”

“Well.” Ben scratched his head, his face flushed as if on fire, “Did I say something last night?”

“Last night, you said a lot.” Gwen reminded, “But I can’t remember exactly what you said, but Tammy should know. She took a video at the time.”

Ben’s brows wrinkled, his eyes flashed with embarrassment.

“I’ll go back to my room to get my phone...” Ben quickly returned to his room, found his phone, turned it on, and dialed Jun.

Tammy dared to take a video of him, and he would definitely not delete the video easily, so he could only save the country and ask Jun for help.

Jun answered the phone in seconds: “Brother Ben, you woke up so early?”

“Jun, Gwen said that your wife took a video of me last night. You delete the video immediately!” Ben won’t tell anyone, he remembered everything last night clearly.

He was really drunk last night, so he could lose control of his emotions and cry and make trouble in public.

When he acted coquettishly with Gwen last night, he knew that everyone was watching, but when people were impulsive, they couldn’t control that much.

Even if the sky was falling, he would still go his own way.

Now he didn’t have much regret. After all the trouble last night, Gwen was much gentler to him.

Everything was still worth it.

It's just that he didn't allow videos related to last night to circulate outside.

Even if Tammy didn't spread the video and just kept it on her phone, he couldn't stand it.

"Brother Ben, aren't you embarrassing me? You know who is in charge of our family." Jun wanted to cry, "Tammy told me last night that if I dared to delete the video on her phone, she will divorce me."

Ben: "..."

Jun: "Brother Ben, although I can't help you delete the video, I can send you a copy of the video from her mobile phone."

Ben: "I don't want it!"

Jun: "Okay! Then I really can't help you. Tammy said that as long as you treat Gwen well in the future, she will never spread the video."

Ben's temple was violent for a while in pain: "You still send me the video to see!"

"Okay!" Jun readily agreed.

A minute later, Ben received the video from Jun.

Ben opened the video with trembling fingers –

after watching it, the corners of Ben's mouth twitched, his heart trembled, and his body trembled!

Help! He would never be seen again!

After one day.

Someone posted a photo of encountering Elliot and Avery in Kuoslaville on the Internet.

People who met them by chance also took a group photo with them.

The netizen posted the photo on the Internet and posted a long Facebook to record the incident.

—Avery is taller and more beautiful than she looks in the photos. To be honest, she is very capable even if she enters the entertainment industry. Mainly her face is pure natural, completely different from those plastic face. And her skin is super. More importantly, she is so gentle, my God! I'm a girl, and I'm fascinated by her!

Let's talk about Elliot! Elliot didn't talk to us all the time. Except when he was taking pictures, he looked at the camera, and he looked at Avery at other times! It can be seen that he loves Avery so much! A person's eyes can not deceive people! They are really a perfect match! Not only is the height, appearance, personality fit, but the overall feeling is very good! I don't know if anyone understands what I mean. Seeing them, I really believe in love!

...

After this it was posted, it quickly became a trend topic.

After Norah swiped the Facebook, she clicked on the photo.
