

When His Eyes Opened Chapter 1101

Chapter 1101

Elliot was so frightened by her that a layer of cold sweat broke out on his back. He was sitting by the bed, eating ice cream in pain, and brushing his mobile phone, but suddenly there was a scream behind him. Who can stand this?

Elliot will eat half of the ice cream and pass it to Avery.

“Why did you wake up so soon?” Elliot looked at her sullen face and coaxed, “I was afraid it would melt, so I helped you eat some.”

“Why didn’t you wake me up?” Avery took the ice cream, and started eating, “I said I’m hot but you still eat my Ice-cream. Wouldn’t you ask the nanny to bring another one?”

“Eat less Ice-cream.” Elliot touched her forehead, “Are you still dizzy?”

“I’m dizzy!” Avery frowned slightly, “Eating Ice-cream will make you feel more comfortable.”

“There was also hangover soup, would you like to drink some?”

“Wait I will drink it later.” Avery looked at Eye insulation box, the box was pink and very beautiful, “What kind of soup is it?”

“I’ll open it and see.” Elliot took the insulation box over and unscrewed the lid, “It seems to be tomato and tofu soup.”

“I want to drink it.” Avery really wanted something sour right now.

Elliot immediately took out a small bowl and spoon and filled her with a bowl.

Avery gulps down the ice cream, drank two bowls of soup, satiated and lay down again.

Just when Avery thought she could sleep soundly, a disgusting feeling surged up and she couldn't stop it!

“Ouch!”

Avery stepped on the carpet with her bare feet, and vomited in the trash can. She vomited all the ice cream and hangover soup as she just ate.

Elliot walked over quickly, holding her in one hand and wiping her mouth with a tissue in the other.

“Will you want to drink in the future?” Elliot frowned and sighed.

Avery lifted him away and strode towards the bathroom.

Elliot immediately called the nanny and asked the nanny to clean up.

After Avery emptied the contents of his stomach, Elliot turned on the faucet and rinsed his face with cold water.

After vomiting, the uncomfortable feeling is much lessened. The hot feeling in her body also disappeared, but it was a little cold now.

By the time Avery came out of the bathroom, the nanny had cleaned the bedroom.

“Awake?” Elliot saw her eyes which much clearer.

Avery went to the bed, lay down and said, “I’ve never been drunk. I remember everything. We have three children, the oldest is almost eight years old and the youngest is less than a year old. We have many children and few old people. My parents are dead, and my grandparents and your parents are also dead... ah no, it’s not your father who died...”

“Avery, stop talking and sleep.” Elliot lay down beside her and covered her with the quilt. “Be careful, it will be disgusting later.”

“What do people live for? Where do they go when they die? Is it possible that we think we are alive, but in fact they are Already dead? And the people we thought were dead actually went to another world to live?”

Elliot was speechless.

The next morning, Elliot was woken up by the ringing of his cell phone.

Avery drank too much last night and didn’t fall asleep until four in the morning. She slept very deeply at the moment, and she was woken up with a terrible headache.

After Elliot answered the phone, he closed his eyes: “What’s the matter?”

Chad’s voice came from the other side of the phone, “Boss, Nathan turned himself in at the police station this morning. Would you like to go to the police station?”

Elliot opened his eyes abruptly, his eyes filled with chills, “What crime did he commit? Do you want me to get him? Let him die!”

“No.” Chad explained, “Nathan said that he killed Jaxson Foster not Elliot.”

The expression on Elliot’s face suddenly froze.

Chad continued, “The police have informed Henry. The matter has been filed and Nathan should be sentenced to death. Would you like to go and have a look?”

When His Eyes Opened Chapter 1102

Chapter 1102

12 o’clock at noon.

Avery woke up from hunger. After waking up, she looked at the empty room and was little confused. Her temples were aching, and she recalled what happened last night but her head hurt so much that she couldn’t remember anything.

She got out of bed and walked out of the room.

In the living room, Mrs. Cooper was feeding Robert milk.

Seeing Avery coming out, Mrs. Cooper immediately said, “Avery, are you awake? Do you have a headache? Do you want to take a painkiller?”

Avery shook her head. Although the head hurts, it is acceptable.

“Where’s Elliot? Why didn’t I see him?” Avery looked around. But she wasn’t like yesterday, she didn’t see him for a while, and she panicked.

After all, the wedding was over and the security had been strengthened, so nothing should happen to him.

Mrs. Cooper said, “Elliot went out in the morning. He said he was going to the police station. If you are worried about him, you can call him. But are you hungry? Do you want to eat something first?”

Suddenly there was a growling sound in the stomach.

“You were vomiting a few times last night, you must be hungry.” Mrs. Cooper finished feeding Robert with milk, then hugged Robert and planned to go to the nanny, “Can you eat something light?”

“Yeah. I was vomiting last night. How many times?” Avery only remembered the first time she vomited.

Mrs. Cooper said, “Yeah! Avery, don’t drink so much alcohol in the future. You didn’t go to bed until four o’clock in the morning last night. Mr. Foster has been taking care of you and I can’t help even if I want to help, because you always mention some Strange request.”

Avery opened her apricot eyes: “What kind of weird request?”

“You don’t even remember?”

This chapter is provided . Visit .com for daily update.

Avery shook her head shyly: “I only remember that I ate ice cream and then vomited.”

“I don’t know when you ate ice cream. I heard a lot of noise in your room after 1 a.m., so I went over and took a look. You had to make a fuss to go swimming... You said that life has no meaning, so you have to do what you want to do immediately. You not only go swimming by yourself, but also let your husband go swimming with you.”

Avery was speechless.

Mrs. Cooper smiled and and continued, “The temperature was still a little low at night, so Mr. Foster gave you a bath. As a result, after you took a bath, you said you were hungry and wanted to eat barbecue. So again I brought you a barbecue, but it didn’t take long for you to eat the barbecue, and then you vomited again. After you vomited, you took your husband to analyze the philosophy of life...”

Avery was still speechless. She didn’t remember anything about what Mrs. Cooper said.

Fortunately, She can’t remember, otherwise it would be more embarrassing.

Avery swore, “I’ll never drink again. I was a little emotional last night, so I drank a little.”

“Didn’t you say you drank a bottle?” Mrs. Cooper said.

“Oh, maybe drink a bottle, I won’t drink it in the future. It’s really uncomfortable to be drunk.” She said this, and went back to the room to get her mobile phone.

If Avery didn’t sleep until 4 o’clock last night, then Elliot probably didn’t rest well.

Elliot went to the police station this morning. So, Avery found his number and dialed it.

Elliot quickly answered: “Avery, are you awake? Do you have a headache?”

When His Eyes Opened Chapter 1103

Chapter 1103

Elliot deep voice came, which calmed her down.

Avery said, “I’m okay...I heard you went to the police station early in the morning. What happened?”

Elliot said word by word, “Nathan said that Jaxson Foster was killed by him. He turned himself in at the police station this morning, so I came to see.”

Avery was startled.

Was Jaxson Foster killed by Nathan, How could this be ?

“I’ll be home soon, and I’ll tell you when I get back.” After Elliot finished speaking, he hung up the phone.

Avery held the phone and came out of the room in a daze.

If Jaxson Foster was really killed by Nathan, then this matter has nothing to do with Elliot. And those who scold Elliot can also shut up.

For Elliot, this is undoubtedly a big happy event, but why is Nathan willing to surrender ? When Nathan saw Elliot suffer, did his conscience find out ?

Avery shook her head and thought, ‘how could Nathan have a conscience like a scoundrel ?’

Not long after, Elliot returned to the villa.

Seeing him, Avery immediately asked, “What’s the matter ? How could Nathan be willing to surrender ? Who told him to surrender ? What conditions did you give him ?”

Elliot looked down at her anxious face, Said: “He is afraid that my career will be affected because of this incident. If my career is affected, I will definitely not give him any benefits in the future.”

“Sure enough, it is for money! How much does he ask you ?!”

“I guarantee that his son and daughter will have a good life.” When Elliot said this, his Adam’s apple rolled, “I said he was a scum, but he did his best to his children.”

This chapter is provided . Visit .com for daily update.

“But Nathan just took advantage of you.” Avery was dissatisfied.

“Not really.” Elliot loosened the collar of his shirt and sarcastically said, “He said I was the pride of their White family, so he couldn’t see me being crushed. He naively thought that this incident would crush me. So he decided to sacrifice himself to preserve the pride of his White family.”

“You mean, he carried this crime for you? Actually, Jaxson Foster’s death has nothing to do with Nathan?”

“No. He said that Jaxson Foster was indeed killed by him. That night, he happened to pass by Foster’s house. He saw me and Jaxson Foster scuffled together. After I seriously injured Jaxson Foster, he pretended to come over to help Jaxson Foster go to the hospital. On the way to the hospital, he will still have breath but Nathan killed Jaxson Foster on the way.”

Avery seemed to be listening to a bizarre story, and was fascinated by it.

“Nathan can never tell this secret, so that he won’t have to bear any criminal responsibility.” Elliot said, “He asked me to change my surname to White, but I refused.”

“So he is a conscience, and he doesn’t want you to carry this back. Although you were underage at the time, you do not need to bear criminal responsibility for this matter, but public opinion will also affect you.”

“You can say that.”

“I never expected that a thug like Nathan would have a day when his conscience would find out.” Avery said with emotion, “Henry looks like a man, but he is cruel.”

Elliot held her and sat down on the sofa.

“People’s hearts are very complicated. If I had no problem with my background, Henry would not be so cruel to me. He always knew that I killed Jaxson Foster, but he never made a public statement. It is estimated that his wife did not know about it.” Elliot Although resents Henry, he can understand his behavior, “If I wasn’t Nathan’s son, Nathan wouldn’t turn himself in today. If I wasn’t his son, maybe he wouldn’t have killed Jaxson.”

Avery asked, “So you agreed to Nathan’s request to guarantee the lives of Zion and Gwen in the future?”

“Yeah. It’s up to me to decide how much money to give them.” Elliot now has the initiative, “Nathan will be sentenced to death. Jaxson Foster is not an ordinary person, even if I want to protect Nathan, I can’t get past Henry. Also, I won’t protect Nathan.”

Avery felt very complicated after hearing his words. She was shocked and sighed!

When His Eyes Opened Chapter 1104

Chapter 1104

“Avery, do you remember what happened after you got drunk last night?” Elliot changed the topic lightly.

A blush suddenly appeared on Avery’s face.

Avery: “Mrs. Cooper told me, you don’t need to emphasize it to me again.”

“Last night, you said that three children were not enough and you would have thirty children.” Elliot looked at her flushed cheeks and chuckled, “You said To live to old age, to be born to old age. Did I say this is not a sow? Then...”

Avery was shocked by his absurd remarks until her scalp went numb.

“Then you started to learn how to croak. You also asked me if it looked like you learned it.” Elliot couldn’t help laughing when he said this, “If you dare to get drunk again next time, I will record the whole thing for you.”

“You just watch it. I don’t remember anything, so I started making up stories? How could I be willing to have thirty children? Even if I was drunk, I would never say such nonsense!” Avery said firmly.

“Are you still on your honeymoon?” Elliot asked, taking time to relax, “I heard that Wesley sent a postcard from another Rishawaka?”

Avery wondered and said, “Well. A small country far away from us. I checked this country online. It is a very closed and backward country. It is definitely not a tourist attraction. I don’t know what he is doing there.”

Elliot made a decision quickly, “Let’s go and see! Maybe He is still in that country now.”

“Are you sure you want to go? I checked the flight, and there is no flight from ouRishawaka to that country. I have to transfer two flights on the way, and finally I have to take a cruise ship to get to that country. If you leave tomorrow, you will need to take two days to arrive.” Avery is not feeling well today, so she can only rest at home today.

“Don’t you want to find him?” Elliot’s eyes were cold and his tone was even colder, “No matter if Shea is still alive, I want to see him and ask him personally where he is buried! I don’t believe he really threw his groans into the sea! I have to ask him for a definite answer.”

She looked at his excited emotions and held his big palm with her small hand: “Elliot, even if Shea is not your sister, do you still care about her so much?”

“Even if I have no blood relationship with her, but these dozens of Years of love is true. Even a dog that you keep by your side can develop a relationship after a few years, let alone a person?”

“Okay, I’ll accompany you to find Wesley.”

This chapter is provided . Visit .com for daily update.

With Avery’s support, Elliot said Deep thoughts: “Avery, I always feel that Shea may still be alive. I have dreamed of her more than once. She asked me to find her in a dream.”

“Elliot, I know you can’t let her go, Me too. But the chances of Shea alive now are very small.”

Elliot couldn’t listen to her, and still insisted on himself: “Don’t you think Wesley’s reaction is very strange? If Shea is really dead, why should he keep hiding? If he doesn’t come back outside? With you protecting him, how can I get revenge on him? Besides, he was not afraid of death for you, so why would he be afraid of me? He was hiding outside, so he must be hiding something!” Avery became suspicious.

Perhaps, his guess was right.

But everything has to wait until Wesley is found before the answer can be revealed.

After lunch, Avery booked a ticket to go abroad tomorrow.

“How do you plan to arrange the two brothers and sisters of the White family?” During the lunch break, she asked while lying in his arms.

“I’ll leave this matter to Ben Schaffer.” Elliot closed his eyes and said dumbly. He didn’t go to bed until 4 a.m. and left at 8 a.m., so he was very sleepy at the moment, “Nathan asked Ben Schaffer to negotiate yesterday, so let Ben Schaffer handle the follow-up.”

“Oh, so Nathan came to see you at the resort yesterday, probably wanting to discuss this matter with you. But you beat him up indiscriminately.” Avery said calmly.

“I asked Nathan what he was doing yesterday, and he said he saw me being beaten, so he came to see me. What do you think I have to do with him? He said he came to see me, of course I thought he was here to see me for a joke.”

“Yeah. I hope they are not like Nathan. If they are not greedy enough, they will often lose more.”

Afternoon.

Gwen appeared in front of Ben Schaffer with her suitcase.

Ben Schaffer was about to explode. “What are you doing? Huh?”

When His Eyes Opened Chapter 1105

Chapter 1105

Gwen’s crying eyes were red: “My eldest brother has left. He said he didn’t want to stay here for a second. But I didn’t want to go with him. He didn’t care about me at all. I might as well stay here. ...Dad said last night that Elliot would take care of me.”

Ben Schaffer listened to her words, still puzzled: “Since you won’t leave, what are you doing with your suitcase?”

Gwen choked, ” My eldest brother sold the house. I don’t have a place to live now. My eldest brother gave me a sum of money, but I am alone, so I’m so scared! Take me to Elliot, I don’t have his contact information.”

Ben Schaffer was silent.

Elliot had already handed over this matter to him, so it was impossible for him to bring Gwen to Elliot.

Elliot has absolutely no feelings for the Zion and Gwen. He only planned to pay them both a monthly fee, which was considered to fulfill his promise to Nathan.

“Your second brother, Elliot just got married and is very busy. If you have any needs now, just tell me.” Ben Schaffer frowned, feeling solemn.

Gwen was Elliot’s sister after all, so Elliot couldn’t ignore it.

Gwen: “I don’t have a place to live now!”

“I’ll take you to the hotel.” Ben Schaffer said.

“I’ve never stayed in a hotel alone. I’m afraid alone.” Gwen made his request, “If you don’t take me to Elliot, then take me to your house!”

Ben Schaffer took a careful look at Gwen.

Gwen is tall and thin with beautiful facial features and mature looks. Ben don’t know how old Gwen is.

Ben: “How old are you this year?”

Gwen: “I’m 20 this year.”

This chapter is provided . Visit .com for daily update.

Ben: “Then you should still be in college, right?”

Gwen: "No. My grades are so bad that I didn't study after high school."

Ben Schaffer was shocked: "You didn't study, so what are you doing every day?"

Gwen: "Dad asked me to watch Adrian at home."

Ben: "Okay! I'll discuss it with Elliot and find you a school then you go to school for study!"

Gwen: "Where do I live tonight? If you don't let me live in your house, then you can send me to Elliot's house."

"Don't make fun of him! If you go to disturb him, you will not pay for your monthly living expenses in the future." Ben Schaffer splashed her with cold water to wake her up, "You stay at my house temporarily, Ok?"

Gwen: "Okay. As long as you take me in, I will never go to him. I know he has a bad temper. Well, I don't want to die!" The time passed, and it was the next day.

After Elliot and Avery sent the two children back to the Starry River Villa, they started to pack their luggage and prepare to go out.

Today they are going to Pokomo, and after arriving in Pokomo, they will transfer to another Rishawaka. Then take a cruise ship to Rishawaka.

Wesley's second postcard was sent from Rishawaka.

Elliot saw that Avery put a lot of medical supplies in the suitcase, and felt a little guilty: "Avery, we are going on our honeymoon. We are just looking for Wesley by the way. You just take it easy."

Avery teased him, “You are injured, How can I relax? I touched you lightly last night and you screamed in pain.”

When the two of them were making out last night, Avery accidentally grabbed his back, As a result Elliot cried out in pain.

Elliot had a relatively strong tolerance for pain, which shown how heavy this injury was.
