

When His Eyes Opened by Simple Silence Chapter 1889

Chapter 1889

Elliot: "Norah Jones, this is just your hearsay. Unless your friend can provide clear photos and detailed information, my money is not so easy to earn."

Elliot's answer made Norah Jones wake up: " Elliot, I misunderstood, I didn't want to use this clue to exchange money with you. I just saw what you wanted to know about him, so I told you what I know."

"What you know is not necessarily correct. I want to know exact news." Elliot rubbed his eyebrows, "I'll hang up if I have nothing else to do. It's late at night here. Before you call me next time, please convert the time."

"Isn't it..." Norah Jones wanted to apologize. But before she could finish saying 'I'm sorry', the phone was hung up.

Norah Jones held back the tears in her eyes.

Do it yourself!

Everything is self-inflicted!

If it wasn't for her delusional attempt to hook up with Billy, how could she be so humiliated?

She squeezed her phone tightly, walked to the bar, and took a glass of red wine. She couldn't just be overwhelmed like that.

Since she can't accept Billy's perverted request, she will continue to stay in the Tate Industries and work hard according to the original plan.

...

After Elliot hung up Norah Jones's phone, he didn't feel sleepy at all. He turned on the bedside lamp and got off the bed with his long legs.

After washing his face in the bathroom, he went back to the bed, picked up his phone again, and checked the time.

It's almost 2:00 a.m.

It's a little early to wake up now.

But Norah Jones's words kept circling in his mind.

Billy has dwarfism? Elliot really want to ask Avery to find out.

Avery has never disclosed her new relationship. Is it possible that it is because of Billy's physical defect?

Avery is not a person who judges people by their appearance. Otherwise, why didn't she stay with Eric? Why not with Mike? He doesn't need to say more about Eric's appearance, and Mike looks pretty good too.

Generally speaking, everyone has natural filters for successful people. Now Billy is a hot business wizard, and everyone is reasonably tolerant of his appearance.

But Norah Jones said that Billy was ugly, so he should be so ugly.

If Avery accepts such an ugly man, is she attracted by Billy's talent?

Elliot felt that a knife had been stabbed in his heart, and the pain was excruciating between his breaths.

How could Avery find such a man? Although He's not sure if what Norah Jones said is true or not, Norah Jones and her friends are definitely not ordinary people, so they won't make fun of Billy.

So this matter is probably inseparable.

In the morning, just before dawn, Elliot went out.

He stayed up all night. He tried to force himself to sleep, but he couldn't sleep.

Lying down is no better than standing. If he doesn't go to Avery to ask clearly, this matter will always be stuck in his heart, making him uncomfortable.

Starry River Villa.

Avery was still in her sleep when the bodyguard hurriedly knocked on the door.

"Boss! Wake up!" The bodyguard lives at home 24 hours a day. After the doorbell rang, the bodyguard immediately went out to check.

Seeing that it was Elliot, the bodyguard did not dare to neglect.

After Avery was woken up, she walked to the door and opened the door.

"Boss, Elliot is here! Are you two reconciled? Start dating so early?" The bodyguard believed that the two of them had an appointment. If there was no appointment, how could Elliot come so early.

Avery was stunned for a moment, then strode out of the room.

Avery quickly walked to the gate of the courtyard, looking at Elliot's haggard face that had not slept all night, her eyebrows wrinkled.

"Elliot, what are you smoking? It's only after six o'clock, and the sun hasn't risen yet..." Avery felt her body light and airy, and her words were obviously out of breath.

"Open the door." Elliot glanced down at the locked courtyard door.

"...What are you doing here first?" Avery stared at his scarlet eyes, suddenly remembering what his daughter said on the phone to her last night.

Thinking of this, Avery opened the courtyard door and let Elliot in without waiting for him to answer.

"Do you know what I'm here for?" Elliot looked at the open courtyard door and teased, "Avery, don't you feel guilty?"

"What am I feeling? I didn't do anything illegal, and I didn't betray my relatives and friends." Avery was enthralled by his anger.

Avery strode into the villa and Elliot followed behind her and walked into the house step by step.

"Boss, since you're up, let me buy breakfast?" The bodyguards felt the low air pressure surrounding them, "What do you want to eat?"

It's too early at this point.

Avery has no appetite, So she said, "I don't want to eat, you can eat it yourself!"

The bodyguard responded and prepared to go out.

"Buy me a bowl of Chaos and a cup of soy milk. If you have pork noodles, bring me another bowl of pork noodles, not too spicy." Elliot said bluntly.

The bodyguard was shocked.

Does Elliot eat so much for breakfast every day?

Avery was also shocked, “you want to eat breakfast, you can eat it yourself, what do you want my bodyguard to do?”

When her voice was settled, Elliot immediately took out his wallet, took out some banknotes, and handed them to the bodyguard: “Thank you.

“Wait a minute.”

After the bodyguard left, Avery looked at the man in front of her coldly.

Avery: “What do you want to say, say it quickly. Then leave. I have to go back to sleep.”

Elliot looked at Avery, “Someone told me that your boyfriend is short and ugly, so you can show me his picture. “

Avery was shocked by the words ‘short and ugly’.

Avery: “Who told you that my boyfriend is short and ugly?”

“I offered a reward of 100 million to find information about your boyfriend. Naturally, someone told me.” Elliot didn’t mind that she knew this.

“A reward of 100 million?” Avery couldn’t help coughing, “You want to know, you just come and ask me!”

Elliot: “Didn’t I come to ask you?”

“You gave the 100 million?” Avery blinked and thought he was stupid!

Elliot: “Not yet. I have to check with you to see if the information I got is accurate.”

“Oh...” Avery breathed a sigh of relief and patted her chest, “You want to know my boyfriend’s information. What are you doing? Elliot, I haven’t inquired about your personal affairs, right? You are violating my privacy by doing this.”

“Last night, my daughter talked to me and cried very sadly.” Elliot saw her barbs all over his body, so he told the truth.

Avery didn’t expect him to mention this.

“I know. My daughter told me that you were hiding in the study and crying secretly.” Avery said this, lowered her eyes and dared not look at him, “Elliot, what are you trying to do? You embarrass me like this. ,I.....”

“Last night, the detective I commissioned called me and said that a human trafficking gang had been caught. With the gang caught, a corpse pit was exposed. In that corpse

pit, there were many bones of young children. Detective tell me, our daughter Haze may have died in that corpse pit.”

Elliot explained the reason why he cried last night. Not what Layla thought.

The reason he didn't explain it to Layla was because Layla had opened up to him because of a misunderstanding.

Avery listened to his explanation, and his psychological defense line collapsed suddenly.

“Where is that corpse pit?!” Avery choked up and stood up from the sofa.

Elliot also stood up. He walked up to her, pushed her body back onto the sofa and sat down.

“I've already sent someone to investigate.” Elliot sat down beside her and looked at her closely, “Avery, besides Haze's affairs, I'm most worried about your affairs. I thought about it all night, Why does the boyfriend you're looking for look like a shadow? Since the two of you are officially in a relationship, why don't you bring him back to show us?”

“Elliot, are you my parent? I'm in a relationship, why should I bring my partner with you and come to show you?” Avery quickly adjusted her emotions and refuted him.

“Even if we are no longer family, we are still friends, right? Can't we bring it back for friends to see?” Elliot retreated, “Even if we can't bring the person back to see, show me his photo!”

“No.” Avery simply replied, “I don't like taking pictures.”

Elliot: “Then is he dwarfism?”

“Elliot, this is someone else's privacy. Why do you have to ask?” Avery took a deep breath, “When choosing a boyfriend, firstly, I don't look at his looks, secondly, I don't look at his body shape, and thirdly, I don't look at whether the other party is disabled. As long as the other party is of sound mind and can be like me.”

Avery's answer confirmed Elliot's guess.

Billy is really as Norah Jones said!

“You’re doing it for his money, right?” Elliot’s eyes were scarlet, and he spoke viciously. “Otherwise I can’t understand why you are looking for such a man! I heard that he is not only ugly and physically disabled, but also has special hobbies. We after being together for so many years, why didn’t I know you had this hobby?!”

Avery: “...”

“Are you looking for money, or seeking excitement...or, to anger me?!” The anger emanating from Elliot’s body enveloped her.

Avery stared directly at his sullen face, his aggressive voice echoed in her ears, and all reason disappeared.

“Elliot! It doesn’t matter what kind of boyfriend I am looking for! If you are here to quarrel with me, then you go!” Avery ordered the expulsion, “I don’t need anyone to tell me in my life!”

Avery words angered Elliot.

Elliot got up in anger and strode away.

After Elliot drove away, the bodyguard came back with a large bag of breakfast.

“Where’s Mr. Foster?” The bodyguard put the breakfast on the coffee table and looked around, “Boss, where are the others?”

“Elliot is left.” Avery’s eyes fell on the breakfast.

Elliot can’t eat so much for breakfast.

Elliot ordered so much, he should have ordered for Avery also.

“Oh... it’s a pity. I bought so many... Boss, why don’t you eat it? It’s not spicy.” Otherwise, it won’t taste good after a while.”

Probably arguing with Elliot just now consumed too much energy, Avery was a little hungry now.

She picked up the pork noodles without hesitation and smelled it: “It’s really fragrant.”

The bodyguard: “Boss, did you quarrel with Elliot?”

Avery: “You guessed it?”

The bodyguard: “It’s hard to guess, he originally planned to stay here for breakfast.”

“Elliot’s going too far. I don’t know where Elliot heard the rumors that Billy is ugly, physically disabled, and has special hobbies. Who made this rumor, it’s too outrageous!” Avery said The more angry, the good thing is that the appetite has been opened, and it does not affect her eating breakfast.

“Oh... No wonder he came to you so early. The red blood in his eyes say Ellio must have not slept all night.” The bodyguard was eating Chaos and chatting with Avery, “However, this also shows that he still has something in his heart. If my ex-girlfriend finds a b*stard now, I’ll die happy.”
