Chapter 2416

“What’s the matter?” Elliot looked at Avery while taking off her clothes.

“The vice president wants to ask Eric to be the spokesperson for our company’s products. He likes Eric’s popularity and thinks that asking Eric to be the spokesperson will stimulate our sales growth.” Avery said.

Elliot: “What do you think?”

“What can I think? Don’t you know me?” Avery sighed, “If I go to Eric, Eric will definitely not refuse. It’s just that I feel a little embarrassed. Eric is definitely not willing to charge us the endorsement fee at his normal price. It is no different from asking him for money directly.”

“Since you are so entangled, then veto the vice president’s plan.” Elliot fully supported Avery’s idea.

“There are so many traffic stars, you can change another star.”

Avery: “But the vice president chose Eric. It seems that Eric’s popularity is indeed higher than other stars.”

“This is your prejudice. You think that Eric is the universe. The first popular fried chicken, do other people think so too?” Elliot retorted, “There are so many star artists, each artist’s fans think that their idol is the most popular in the entertainment industry.”

“You seem to be right.” Avery said, “If you were me, what would you do?”

“You can do whatever you want.” Elliot was not Avery, so he couldn’t answer her assumption.

“Can’t you just assume it?” Avery glared at him.

Elliot: “I can assume, but if assume that I were you, I would think about another question first.”

Avery: “What question?”

“If I were you, who would I choose to be my husband?”

Elliot expressed his thoughts.

Avery couldn’t help laughing.

Avery: “Forget it, I won’t ask you anymore. Every time you talk about Eric, you’re not normal.”

“You asked me to treat him better last time. Am I not?”

Elliot felt wronged, “If you’re just worried that he won’t charge or underpay, then you can find his agent.”

Avery: “I’m doing this, aren’t I trying to sow discord? He doesn’t listen to his agent completely.”

“Since you It means that you want to speak for him.” Elliot could see through her thoughts, “You threaten him directly, if he doesn’t accept the money, you will break up with him, and you can see if he is obedient.”

Avery: “You seem to be joking.”

Elliot raised his eyebrows and looked at her innocently. “Can you be more mature?” Avery took her pajamas and walked towards the bathroom.

Elliot followed her into the bathroom.

Avery: “Why am I immature? You don’t need to look ahead to such trivial matters. You can find him if you want, and it doesn’t matter if you don’t.”

“Do you really think so?” Avery said after she entered the bathroom and closed the bathroom door.

“Didn’t you explain it to me clearly last time? I won’t be preoccupied with this matter.” Avery was very satisfied with Elliot’s openminded answer.

“The reason for my entanglement is not to worry that you will be jealous. I have confidence in our relationship. I just don’t want to argue with Eric over money. I always feel that a relationship, whether it’s love or friendship, will turn sour when it is contaminated with interests...” Avery expressed her feelings.

Elliot: “What you said is only because there is a conflict of interests. You can see if the two of us are contaminated with interests, will it change?”

Avery: “...”

All the entangled points were resolved by Elliot at this moment...
