Chapter 2461

Hayes called Gloria in the past two days and sent messages, but she did not reply.

Could it be that Gloria said something to Elliot or Avery?

Otherwise, even if Elliot knew that Gloria had a scar on her wrist, it would be impossible to say the above sentence.

“You don’t care how I guessed it.” Elliot asked, “What did Norah want to do when she was looking for someone with a scar on her wrist? Are you really ignorant?”

“Boss, I was completely unfamiliar with Norah before. I really don’t know what kind of medicine Norah’s gourd sells.” Hayes distanced himself, “Go directly to Norah and ask her. I think she will definitely tell. If she is really not afraid of death, she won’t hide and dare to go out every day.”

“Hayes, from tomorrow onwards, you won’t have to go to work.” Elliot said, “Until I find Norah to investigate the matter, you can only stay in your rented house. If you dare to escape, you can try.”

Hayes was fired, and he seemed to have fallen from heaven to hell.

He sat stiffly in the chair, without saying a word, his eyes were dull, as if he had been hit by a huge blow.

Elliot got up from his chair and planned to find Norah. Norah was looking for the person with the scar on her wrist, that person must be Gloria!

Norah will not look for Gloria for no reason, so Gloria must have an unknown secret!

Elliot felt that this matter might have something to do with her.

When Gloria sent her resume to Sterling Group, it must have been for him.

It's a pity that Gloria couldn't be contacted now, otherwise, if he asked Gloria, he could know more secrets.

Elliot came out of the restaurant and got into the car. He opened the address book, found the Nick's number and dialed it.

“Brother Nick, can you help me find someone?” Elliot said, “My wife has hired a new assistant. She is from Yonroeville. Her name is Gloria Wiens. She asked for leave and returned to Yonroeville a few days ago. We can't get in touch with her now. So please help me find her. If you find her, please be sure to...”

“Gloria Wiens?” Nick murmured, “Is her father’s name Kai Wiens? The family is in the tea business.”

Elliot: “Yes, you know her father?”

Nick: “I don’t know, but someone told me about Wiens family’s gossip these days. For money, he forced his daughter to marry,

but his daughter refused to obey, as if she died. “

Elliot: “...”

“It’s just an assistant, do you need to come forward to find her in person?” Nick saw that Elliot didn’t speak, so he continued,

“Give your wife another assistant.”

“Gloria died?! When did she die?” Elliot couldn’t believe it.

Because tonight Avery received an email from ‘Gloria’. That email was obviously sent by Gloria.

“I guess she died for a day or two! I seem to have heard the gossip the day before yesterday. I didn’t expect that woman to be

your wife’s assistant... If I had known she was your wife’s assistant, I would have told you immediately.”

“How could she die?!” Elliot’s anger rose, “Someone must have killed her on purpose!”

“Elliot, why do you say that? Is there anything special about this woman?” Nick was curious and asked, “How about I go to

Wiens’s house now?”

Elliot: “Since she’s dead, it’s useless for you to go! I’ll go there in person!”

Elliot finished speaking and hung up the phone. This made him even more determined that he had to ask Norah tonight.
