Chapter 2474

Elliot: “Today’s Spring Festival, don’t talk about those unhappy things. Hayden, thank you for traveling so far to accompany me.”

Hayden: “I’m afraid my mother will cry when you die.”

Elliot: “...”

Mike: “Hahahaha! Elliot, I found that you don’t care about anything. Always so confident. Don’t you know why we came here? If it weren’t for Avery’s frowning all day long, she couldn’t eat and sleep well, and the worried people were almost wilting. Who would like to come to this place to accompany you during the New Year! Ah!”

Elliot: “...”

Bodyguard: “Mr. Mike, it’s New Year, you should be more polite! Can’t you all have a Happy New Year?”

Mike: “Okay Ah! As long as he doesn’t say anything that makes people complain, I promise to be very friendly.”

At this time, Hayden’s cell phone rang.

Hayden immediately answered the phone.

“Hayden, have you seen your father?” It was Avery who called.

Hayden: “Here, I’m in the car now, ready to go to the hotel for dinner.”

“That’s good. You are outside now, be patient in everything, safety first, understand?” Avery confessed to her son, “I have already told your father. It’s over, but you have to remember these.”

Hayden: “Mom, I know. I won’t quarrel with him.”

Avery: “Well, you must pay more attention. The truth is to me, without you It’s important with your dad.”

Hayden: “Okay mom, I’ll remember.”

Hayden felt that his mother would have to explain it next, so he turned on the speakerphone and asked his father to listen to his mother’s teachings.

“Hayden, your father is actually quite good, but there is one thing that is not good.” Avery didn’t know that her son had turned on

the hands-free, so she said whatever she wanted,

“When he is in a hurry, he is easy to get on top of, and he is not rational at all.

Now that you pass, you can watch him. If he gets mad, you have to hold him back before he acts aggressively.

Don’t make it too

serious. I don’t want any one is hurt.”

Hayden: "Good mother."

When Hayden was speaking, he glanced at Elliot from the corner of his eye.

Elliot was sitting in the passenger seat, and Hayden was sitting in the back seat, so Hayden could only see one side of Elliot's

side face and could see that his ears were red.

"Also, you'd better live with your father, so that we can take care of each other..." Avery said this, Hayden immediately turned off the hands-free.

"Mom, I see. Have a good New Year! I'm a little dizzy." Hayden made an excuse and ended the call.

Elliot turned his head and looked at Hayden: "I changed to a presidential suite, and then the three of us will live together."

Hayden felt a little disgusted.

However, Mike was uncharacteristically, and didn't hate Elliot: "Hayden, just listen to your father! After all, when we move in later, your mother may make a video call to check."

Mike's words gave Hayden a shudder.

That would indeed be something a mother would do.

"Before you came here, Avery had already called me and sent me a message to tell me. He told me not to mess around and take you back safely." Elliot said.
