“Even if I am with Eric, if he bullies me, you can beat him!” Layla raised her head and glanced at Hayden, “Brother, what’s the use of talking about it now! Eric already has a girlfriend.”

“You’re still crying. You’re useless.” Hayden saw Layla’s eyes were red, and unconsciously clenched his fists.

“Brother, I’m just a little sad. I didn’t dislike him for being old, but he rejected me...” Layla said, walked up to Hayden in two steps, and hugged him, “You protect me too much Well, I used to get what I wanted, everyone followed me, and no one ever rejected me, so this time...I think God thinks I should bear some setbacks...”

Hearing Layla’s crying, Hayden’s heart suddenly softened.

Hayden: “Layla, you will find someone who will make you happy.”

“Brother, before he rejected me, every time I saw him and sent a message to him, I was very happy. The happiness of relatives and friends, I thought it was love.” Layla wiped her tears on Hayden’s shirt, sniffed her nose, and continued, “Forget it, let’s not talk about him. I guess he will get married soon.”

“Do you want me to help you?” Hayden saw that Layla was really sad, so he wanted to do something to make her happy.

Layla raised her head and looked at Hayden: “Brother, how can you help me? You go to Eric and ask him to break up?”

“What are you thinking!” A few black lines flashed across Hayden’s head, “I can help you to find a suitable person.”

Layla: “Brother, are you serious? Have I fallen to the point where I need to find a marriage?”

Hayden: “Do you have a suitable boy around you?”

Layla shook her head violently.

There were many handsome boys around her, but she was not interested in them.

“Since you haven’t, and you want to fall in love, you can only ask for marriage.” Hayden was worried about Layla, “Think about it.

After thinking about it, tell me.”

“Yeah! Brother, although you scolded me just now and hurt me, but I know you love me.” Layla took a deep breath and quickly adjusted her emotions, “I will think about it carefully.”

.....

Thopiavelle.

Auxiliary building.

Today Master Hogan came over in person and asked Lucas to go to the main building to have dinner together, but Lucas refused.

Lucas did not directly refuse, but said that he was sick and did not want to pass the disease on to everyone.

This's what Siena helped him think of.

Master Hogan knew that he was pretending to be sick, but he didn't force it.

Except for Master Hogan, the rest of the family didn't want to eat with Lucas.

“Young Master, let's eat hot pot today.” After Siena finished the lunch, she called Lucas to eat.

Lucas glanced at the lunch and found that he didn't have much appetite.

He had been eating greasy food those days.

“Young Master, let's eat and go out to play!” After Siena suggested, she immediately explained, “Your father asked me to take

you out to get some air. He said that you are bored at home every day, which is not good for your health.”

“Can he have so kind? Did he see that I didn’t go out on a date with the daughter of the Lawson family, so he was anxious?”

Lucas teased.

“Then do you want to go out to play?” Siena said, and took out a red envelope from her pocket, “This is from your father. It’s \$500!”

Lucas did not refuse.

After lunch, the two walked out of the auxiliary building.

“Young Master, it will be my birthday in just over a month. Can you celebrate my birthday with me then?”

Siena couldn’t help but

feel excited when she thought of her upcoming birthday.
