

Chapter 2066 Brandon Offered To Help Sonia

Brandon was clearly displeased with Sonia's attitude and furrowed his brow deeply.

However, he also saw the need for a direct discussion with Sonia, so he agreed to her suggestion.

They sat facing each other in the reception room of the villa, the atmosphere set with a subtle tension.

Just as Sonia was about to speak, Brandon stood up.

"I'm not sure what you want to discuss, but recording our conversation could verify there's nothing inappropriate between us. You wouldn't object to that, right?"

Although Brandon posed it as a question to Sonia, he wasn't actually seeking her approval. Without waiting for her response, he turned on the camera and positioned it to capture their meeting.

After setting up the camera, Brandon sat down again across from Sonia.

Seeing Brandon's stern look, Sonia let out a small laugh and asked, "Mr. Larson, do you not trust me?"

"Do you really need to ask?" Brandon replied, his voice turning cold. "Go ahead. Say what you need to say. And if you're thinking about causing trouble, I would suggest you reconsider."

During the short few minutes of talking, Brandon's impatience was evident during the brief conversation, as if talking to Sonia was a waste of time.

Sonia, unfazed by his attitude, got straight to the point. "It's about Lexi from Rowena Studio."

Before coming to the reception room, Brandon had speculated about the possible topics Sonia might bring up, yet he hadn't expected it to involve Lexi.

Brandon's expression darkened slightly as he asked indifferently, "What about her?"

"Lexi has been disturbing Mrs. Larson quite a bit lately," Sonia said bluntly, but with a hint of bias. "Mrs. Larson mentioned that Lexi has recently taken a new position and might need some guidance. I believe I should also be present at the house to ensure Mrs. Larson's safety when Lexi visits."

Sonia spoke with earnest sincerity. After she finished, she looked at Brandon and noticed him frowning, neither agreeing nor rejecting her words.

She waited patiently for his response.

After a long silence, Brandon finally spoke up. "Why did you do it?"

"I am committed to protecting Mrs. Larson," Sonia responded calmly.

However, Brandon continued, "What I mean is, with your skills, you could easily find a position as a bodyguard with another family. Why are you so devoted to Janet?"

"Mrs. Larson has been exceptionally kind to me. She has encouraged me to find my biological parents and has offered her help in this matter. That's why I am even more eager to work for her," Sonia explained with a gentle smile, being open about her reasons.

Brandon stared intently at Sonia.

The explanation seemed convincing, yet Brandon's cold stare kept his thoughts hidden.

Sonia stayed composed, meeting Brandon's gaze without a trace of fear.

The two held each other's gaze for a long while, and Brandon felt a hint of surprise.

He wasn't sure if it was his imagination, but he thought he could see a

After a moment of reflection, Brandon said, "I need proof of your identity. If you can provide that, I will assist you in investigating your background."

Upon hearing this, Sonia quickly plucked a strand of her hair and handed it over without hesitation.

As she passed it to him, Sonia thought of Alexandra once more, causing her hand to pause briefly.
