

A Man Like None Other

Novel

Chapter 1421

The golden dragon hovered above David's head, and that majestic and domineering aura suppressed almost everyone.

"Do it..."

Long Xiao frowned, and then waved his hands, black energy filled the air, and then turned into a black dragon. After a dragon roar, he rushed towards David and opened his bloody mouth!

The golden dragon above David's head also groaned and greeted him without hesitation.

Just as David was fighting with Long Xiao, Xu Song and the others also moved, and the four of them joined forces and burst out together, and the fierce energy directly enveloped David's whole body.

David was holding the Dragon Slaying Sword, and he was about to swing the sword, but just as he was about to swing the sword, a very familiar aura suddenly hit David head-on.

This breath is too familiar to him, this is the breath he has been thinking about.

David was stunned for a moment, and the light of the Dragon Slaying Sword in his hand dimmed.

"Sonya..."

Facing this breath, David even whispered!

bang bang bang bang ...

Just when David was stunned for a moment, the familiar aura disappeared, and then a fierce energy slammed into David's body.

David's body was instantly shaken out, and the Dragon Slaying Sword in his hand also came out of his hand, and instantly disappeared into David's body.

boom...

David smashed to the ground, a large pit several meters deep appeared, and David was lying in the pit full of confusion.

With a dragon roar, the golden dragon lost David's control, and after a roar, it turned into a little golden light and dissipated!

"David..."

Dong Jiahao rushed over quickly and pulled David out of the pit.

"What are you doing? This is a life-and-death battle. How can you be distracted?"

Dong Jiahao saw clearly that David lost his mind the moment he shot...

"Sonya, Sonya..."

David muttered to himself, the familiar aura just now made David's mind confused. At this moment, David seems to have gone into a maddening practice!

Not far away, Long Xiao and Xu Song watched David suddenly become like this, and they all looked puzzled.

A few people stepped forward cautiously, they were afraid that David was playing some tricks!

"David, wake up, wake up, there's no girlfriend here, no, they're going to kill you..."

Dong Jiahao shook David desperately, hoping that David would wake up.

But at this time, David's eyes were dull, as if he was demented, which made Dong Jiahao's face bewildered!

"When he was highly concentrated, his mind was suddenly stimulated and became like this. Taking Qingxin Dan should be useful..."

At this time, Ge Jiayi glanced at David, and then said to Dong Jiahao.

But in this place, where to find Qingxin Dan!

Dong Jiahao could only call David desperately, trying to make David sober.

Long Xiao and the others looked at David, but did not act immediately, but looked at Zhu Zhishan!

Zhu Zhishan walked over quickly, and after observing for a while, he was convinced that David was not pretending, but was really hurt!

"Hahaha...hahaha..."

"This David is mentally damaged and turned into dementia. Now you can kill him by any one..."

Zhu Zhishan laughed excitedly.

"I wish the alliance leader, what the hell is going on? How can this David suddenly be damaged?"

Long Xiao was very puzzled. After fighting with David for a long time, David was fine, but as soon as Xu Song and the others shot, David became like this.

"I don't know very well either!" Zhu Zhishan shook his head. He only knew that David was mentally damaged, but he didn't know what caused it.

Long Xiao frowned and carefully observed David.

Chapter 1422

"I know what's going on!"

An old voice sounded in Long Xiao's mind: "These four people have sucked the blood of David's girlfriend, so the four of them will exude the breath of David's girlfriend. If it's just one person, the breath will be very weak, but if the four of them join forces, then this breath will make David feel very familiar."

"The moment he made his move, he felt this familiar aura, and his mind moved, so his mind was damaged and he became like this."

"Don't you always want to play David, I can help you now..."

"How to help?" Long Xiao asked.

"You let the four guys in the Martial Arts Alliance exude their breath together, and I will let you watch a good show."

The old voice in his mind said jokingly.

"I wish the leader, I know how this David has been damaged!"

Long Xiao said.

"what happened?"

Zhu Zhishan asked curiously.

This is Xu Song and the others looking at Long Xiao curiously. They also want to know what happened to David.

"I wish the alliance leader, the four members of your Martial Arts Alliance will exude some aura that can stimulate David, so when the four of them joined forces, David was stunned for the moment he fought back. That breath caused damage to the mind!"

Long Xiao did not directly mention it. After all, it is disgraceful for the Martial Arts Alliance to use other people's blood to cultivate masters. The fewer people who know about it, the better.

However, when Long Xiao said this, Zhu Zhishan immediately understood. He didn't expect it to be so simple, so David turned into a stupid look.

"I didn't expect to control David. It's so simple. If we knew this, why would our Martial Arts Alliance lose so many people..."

Zhu Zhishan felt a little regretful. In order to kill David, he even used Duda, but it was a pity that Duda was also killed by David.

"I wish the alliance leader, now David has become a fool, we can kill him at any time, now do you want to see, let me play this David?"

Long Xiao smiled lightly.

"How to play?" Zhu Zhishan asked.

"Let the four of your subordinates exude breath, I have my own way..."

Long Xiao bought a pass.

Zhu Zhishan glanced at Xu Song and nodded slightly.

The breath of Xu Song's four people rose instantly, and then came out of the body!

The four auras condensed together, and Long Xiao waved a black mist.

The black mist began to merge with Xu Song and the others, and finally turned into a human shape!

It's just that this human figure can't tell the difference between male and female, but David has always been blind. After seeing this phantom human figure, his eyes suddenly lit up and he pushed away Dong Jiahao next to him!

"Sonya, Sonya..."

David hurriedly stepped forward and hugged the phantom human figure.

At this moment, in front of David's eyes, standing in front of him is Sonya in a white dress, and Sonya is smiling slightly at him.

Everyone was stunned when they saw this scene, and couldn't figure out what David was doing!

Dong Jiahao wants to rush over and pull David away!

It was just a wave of Zhu Zhishan's palm, and he was instantly knocked out.

"Dong Jiahao, if you don't want to die here, don't care about David..."

After Zhu Zhishan finished speaking, he looked at David with great interest!

At this time, David's face was full of excitement, and the circles of his eyes were red.

"Sonya, it's all my fault. I didn't have the ability to rescue you and made you suffer so much. I will never let anyone take you away again."

David blamed himself, tears fell down.

Everyone was watching David talking to himself to an illusionary human figure, and couldn't help but feel amused!

But Ge Jiayi's eyes were full of tears. As a girl, the most important thing is the feeling of a man.

Chapter 1423

No matter whether the other party has strength or not, as long as you truly love yourself, you can!

Seeing David like this now, it is obvious that David must like his girlfriend very much!

Zhu Zhishan looked at David making a fool of himself, and they didn't want to kill David so soon.

But just as David was muttering to himself, the black mist that transformed into a human form suddenly got into David's body!

David shivered, and then his eyes became dull again!

I saw David's forehead flickered a few times, and then he fell straight to the ground.

This sudden change made everyone stunned, even Long Xiao didn't know what happened.

"Hahaha, this is my ideal host, this hard body, this solid strength, is exactly what I want..."

In David's mind, an old voice laughed recklessly.

It turned out to be the soul in Long Xiao's body, but now it's directly in David's body!

Regardless of body or strength, David is much stronger than that Long Xiao, so from the beginning, this soul took a fancy to David's body.

I just used the excuse of making fun of David to let my soul enter David's body.

After a while, David got up slowly, his eyes regained clarity, but his face became very ugly!

"David..."

Seeing that David had recovered, Dong Jiahao hurriedly shouted. '

However, David ignored Dong Jiahao, but just frowned and closed his eyes slightly.

"David, as long as you listen to me obediently, the two of us complement each other, and I can kill the few people in front of you..."

An old voice sounded in David's mind.

"Who are you?" David used his divine sense to talk with the guy in his mind.

"You don't need to know who I am, you just need to follow my arrangements. If it weren't for me, you would be a corpse by now."

"I have entered your body now, if you don't listen to me, I will rob you of your mind, and then commit suicide, so that you will die in front of everyone now..."

The old voice threatened David.

“Really? Why am I so unbelievable?”

After David finished speaking, the consciousness in his mind instantly increased, directly suppressing the soul!

The soul was obviously stunned. He didn't expect David's consciousness to be so strong. A ray of light hurriedly passed by, causing David to have a splitting headache, and his body shook like an electric shock.

But even so, David's body control is still in his own hands, relying on his powerful divine sense to resist the soul!

When Long Xiao saw this scene, he seemed to have thought of something. His consciousness swept through his mind, and he found that the soul in his body was no longer there.

At this moment, Long Xiao's eyes are scarlet, and the eyes looking at David are full of jealousy and anger!

Facing David, even the soul in his body wanted to abandon himself, which made Long Xiao difficult to accept!

“David, go to h3ll...”

Long Xiao roared hard, his whole body was covered with black light, and he punched David with one punch.

Although David was fighting with the soul in his body, the spiritual power in his dantian was not affected at all.

Seeing Long Xiao punch him, David slaps it away.

Long Xiao's body was smashed out.

This slap made Long Xiao vomit blood. Without his soul, Long Xiao's strength was greatly reduced!

"Why, why is this..."

Long Xiao got up, gnashing his teeth and rushing towards David again: "Why did you betray me, why..."

Long Xiao roared, seeing Zhu Zhishan and the others with a confused expression, they didn't know if this Long Xiao was crazy.

How can you say that David betrayed him?

Betray him for what?

They didn't know that Long Xiao was speaking to the soul in David's body.

Chapter 1424

David took a step forward, and his golden body shone with light. Now that Long Xiao's strength has been greatly reduced, it is a good opportunity to kill him!

The huge golden fist slammed into Long Xiao fiercely. Long Xiao resisted with all his might, but it was useless!

Now the gap in strength between him and David has widened. Even if Long Xiao tried his best to resist, it would be futile in front of David.

boom!

David punched Long Xiao's body into the air, and at the same time, David's whole body seemed to be drained in an instant, and his feet fell softly.

When Long Xiao fell to the ground, he jumped up and slapped David suddenly.

At the same time, a black mist emerged from David's body, and instantly got into Long Xiao's body.

That soul knew that he couldn't control David and could only return to Long Xiao's body.

After the soul entered the body, Long Xiao's aura instantly changed drastically!

Zhu Zhishan, who originally wanted to help, frowned slightly and looked at it with interest.

He is not afraid that David will kill Long Xiao now. Even if Long Xiao is dead, Zhu Zhishan has absolute certainty to kill David. After all, he has found David's weakness, and killing David is as easy as the palm of his hand.

Seeing Long Xiao slapped him, David hurriedly stood up to resist, and hurriedly punched out.

boom!

David's body was slapped directly into the ground with a palm, while Long Xiao just swayed and landed steadily on the ground.

David climbed up from the ground with difficulty, and his face became extremely solemn!

Although the spirit left his body, when this guy left, he actually set up a formation in his body. Now that David wants to break the formation in his body, he has no energy to deal with this Long Xiao.

"Kill him, I have placed a forbidden formation in his body, and his strength can only be used for one-fifth. This is a good opportunity..."

The old voice resounded in Long Xiao's mind.

When Long Xiao heard this, he was immediately excited, his body jumped up, and then he punched David!

boom!

David just got up and saw Long Xiao attacking with a punch. He hurriedly blocked with both fists, but his body couldn't use his strength, and Long Xiao smashed it out again.

This time, Long Xiao didn't have the slightest concern, he just stepped forward to face David and it was a combined punch!

One punch, two punches, three punches...

David only had the strength to parry, and he couldn't even parry.

When everyone saw this scene, they were very surprised. Obviously David's strength is stronger, but why is David only being beaten now?

Seeing this scene, Zhu Zhishan's eyes narrowed slightly: "This Long Xiao is a bit interesting, it seems that we should beware of him..."

Long Xiao grabbed David directly and punched David on the body.

He was venting the anger in his heart, and every time he punched it, David vomited blood!

At this moment, David has been beaten in an embarrassing manner, covered in blood!

"David, aren't you very attractive? Today I will torture you to death..."

As Long Xiao said that, the breath in his hand instantly condensed into a sharp blade, and then stabbed towards David's chest fiercely!

"David..."

When Dong Jiahao saw this, this Long Xiao was about to kill him, so he roared angrily, then jumped up and walked towards that Long Xiao.

"Xu Song, stop him..."

Zhu Zhishan frowned when he saw that Dong Jiahao was going to rescue David.

Xu Song nodded, then jumped up, blocked Dong Jiahao's way, and sent Dong Jiahao flying out with one palm.

"Whoever dares to help David today will kill Wushe..."

Zhu Zhishan glanced at everyone coldly.

No one dared to come forward to help David. After all, these people had nothing to do with David, and they didn't want to offend the Martial Arts Alliance and the Long Family!

Chapter 1425

puff!

The sharp blade stabbed into David's chest fiercely, blood spurted out, and the severe pain made David look extremely hideous!

"what..."

David roared, and a burst of power suddenly sent Long Xiao flying out.

Looking down at his wound, David tapped a few times, and the blood was instantly stopped.

David clenched his teeth, propped himself up, and glared at Long Xiao!

"Hurry up and kill him, I don't know how long this formation can trap him..."

The old voice hurriedly reminded Long Xiao!

This David was able to burst out with such a powerful force under his rage, so the soul was very worried that his formation would soon be broken.

At that time, if you want Long Xiao to kill David, that would be a fool's dream.

Long Xiao wiped the blood from the corners of his mouth and looked at David coldly: "David, you don't have to struggle to the death, it's useless..."

After Long Xiao finished speaking, his body suddenly moved towards David, and his speed was extremely fast.

In the blink of an eye, he was in front of David.

At this moment, David couldn't react at all.

I saw that Long Xiao was holding a gleaming sharp blade in his hand, and this time he aimed at David's chest.

David grabbed his hands suddenly, he knew that he couldn't stop Long Xiao now, but he still grabbed it instinctively.

David's hands suddenly grabbed Long Xiao's sharp blade, and he wanted to take the sharp blade from Long Xiao's hand.

But Long Xiao's speed was extremely fast, just when David grabbed the sharp blade with both hands, the sharp blade slid across David's hands and stabbed tightly into David's chest!

All of a sudden, David's chest was pierced, blood continued to flow out, and David's hands were also bloody!

"Hahaha, David, aren't you extremely powerful? How did you become a lamb that stayed?"

Looking at David's serious injury, Long Xiao suddenly laughed out loud.

Long Xiao pulled the sharp blade out of David's body, and then kicked David to the ground.

David got up with difficulty, trembling slightly all over his body, and the reason in his body began to slowly shine, repairing the injured body.

And David's mental power is all hit, constantly impacting the formation that the soul has placed in his body!

"Master Long, David is not so easy to kill. Even if you stab thousands of times now, David will not die..."

Zhu Zhishan reminded Long Xiao.

However, Zhu Zhishan did not follow Long Xiao to explain that David was a cultivator.

"Since the stab won't kill you, let him taste other flavors..."

Long Xiao snorted coldly, followed by a radiance from his body, and his body slowly floated into the air.

The black rays of light all over the body instantly turned into streaks of lightning, slashing directly at David!

"Let him taste the taste of this thunder tribulation..."

The corner of Long Xiao's mouth twitched!

bang bang bang ...

One after another black lightning bolted continuously on David's body and exploded in an instant.

The terrifying air waves swept through, and the people around hurriedly retreated towards the surroundings!

Every lightning strike, with terrifying power, instantly split David's body with a burnt smell!

The whole Suolong Island began to be filled with this smell, and many people began to cover their mouths and noses one after another!

Seeing this, Zhu Zhishan narrowed his eyes slightly and said, "This time, even if David has great skills, he will not be able to survive. I'm afraid that even David's body will not be seen!"

Dozens of lightning struck, leaving a pit on the ground with a diameter of tens of meters, filled with smoke and dust everywhere!

The smoke dissipated, and everyone hurried to the edge of the big pit, wanting to see if David was blasted into sgum!

Chapter 1426

Zhu Zhishan and Long Xiao also walked up curiously. Under such bombardment, they were afraid that nothing would be left.

But when people looked down, they found that David was lying in the deep pit, his flesh and blood were blurred, and his bones were all exposed!

He was covered in scars and blood, and he could no longer see the human form.

"This David's body is really strong. Under such a thunderstorm, his body hasn't changed!"

"What's the use of being tough? It's not dead. As the saying goes, if the sky is crazy, there will be rain, and if people are crazy, there will be disaster. Whoever offends is not good, but it is the Martial Dao Alliance and the Long Family!"

"This David is dead, and his body has become like this. I'm afraid that he won't be able to save his life..."

Everyone was talking quietly.

Long Xiao looked at David like that, and the corners of his mouth raised slightly. He finally got his revenge. Although he failed to torture David properly, he also failed to take David's treasures as his own, but as long as David died Now, he can feel at ease.

At this moment, Zhu Zhishan, looking at David who was motionless in the deep pit, did not think that David was dead like other people.

"Xu Song, go down and have a look and bring up David's body..."

Zhu Zhishan wanted to personally verify it, and if it really didn't work, he burned David's body directly to see how he could be resurrected.

Xu Song smelled the burnt smell, and frowned involuntarily, how could people still live like this!

It's just that they couldn't ignore Zhu Zhishan's orders, they could only wave their hands and lead people to go down into the deep pit and bring David's body up!

But just as Xu Song was about to go down, David's body suddenly moved!

This time, everyone took a deep breath.

"Move, move..."

Someone shouted.

I saw David propped up his body hard and stood up slowly.

Although David's body is now full of scars, he can't even see his appearance, but David's eyes are very bright, with raging anger in his eyes!

"Sure enough, he didn't die!" Zhu Zhishan narrowed his eyes: "Today, I have to watch David's body get ground into flesh..."

David didn't die like this, and Zhu Zhishan would become more cautious.

David's body was flickering with a faint golden light, and he walked towards the pit with difficulty step by step.

Seeing David like this, everyone took the initiative to move out of the way, and many people showed admiration!

And that Ge Jiayi actually ignored Zhu Zhishan's threat, and threw a piece of training out of his hand, and then pulled David directly up!

It's just that Zhu Zhishan didn't say anything. Even if David came up, he could not escape the fate of death!

David has become like this, and anyone who comes out can kill him.

David looked at Long Xiao coldly, the formation in his body had been broken under the thunder tribulation just now.

David's current spiritual power is slowly recovering, and a faint golden light has begun to flash on his body!

"The formation is broken, then David's strength is recovering, start..."

An anxious voice flashed in Long Xiao's mind!

Long Xiao nodded, followed by a black light rising from his body, and then he jumped up.

“David, this time I see whether you will die...”

Long Xiao punched David, intending to turn David into meat sauce!

And David also jumped up to pick up the plane, and then twisted his body in mid-air.

Long Xiao frowned, he didn't know what the hell David was doing, but he still punched David's chest!

A huge force instantly knocked David into the air.

This time, David did not use the slightest spiritual power to resist, and just let Long Xiao exert all his power on himself.

Chapter 1427

David only felt his internal organs tumbling for a while, and then spit out a mouthful of blood in the air!

David's body flew hundreds of meters, and then fell directly into the sea. David's body instantly caused a wave!

After falling into the sea, David felt dizzy for a while. He could see a layer of light in the sea!

Suddenly exhaling, David swam towards the light!

He deliberately let Long Xiao punch himself into the sea. If not, then Zhu Zhishan would definitely burn his body, even Nascent Soul.

Now that David has fallen into the sea, he hopes to escape Zhu Zhishan's pursuit!

Just as David was getting closer and closer to the light, suddenly a huge suction force sucked David's body in instantly.

David's eyes darkened, and then he didn't know anything.

On the shore at this moment, Long Xiao and Zhu Zhishan were all staring at the sea, wanting to see if David had come out.

But half an hour later, the sea was very calm, David fell into the sea and didn't come up at all!

"It's over, then David is dead now..."

Long Xiao let out a long breath.

Although martial masters like them can move freely even in water, they can hold their breath for a period of time!

But if you want to live in water all the time, it is simply impossible. No one can live in water all the time.

What's more, David is still seriously injured, and it is impossible to stay in the water for a long time!

It's just that Zhu Zhishan is not as optimistic as Long Xiao. He stared at the sea with his eyes fixed on the sea, and he hoped that David would show his head.

Another half an hour has passed, and many people have already set up camp, but Zhuzhi Mountain is still on the shore!

"I wish the leader of the alliance, it has been so long, then David will surely die!"

Long Xiao said to Zhu Zhishan.

"What do you know!" Zhu Zhishan gave Long Xiao a cold look: "I just found out that something was wrong, so David deliberately sent you into the sea."

"Now that he has fallen into the sea, we have no way of determining whether he is alive or dead!"

"I wish the lord, you are too careful? Then David is not a fairy? He was injured like that, and he fell into the sea. Can he still survive?"

Long Xiao was a little dissatisfied with Zhu Zhishan's accusation!

"Hmph, ignorance..."

Zhu Zhishan snorted coldly, and then ordered to Xu Song: "Xu Song, take someone to the sea to look for it and see if you can find David's body."

Xu Song was helpless, so he could only lead someone to jump up and jump into the sea!

But the four of them searched for more than an hour in the sea, and they didn't see David's body at all.

To find a body in the sea is like looking for a needle in a haystack, almost impossible.

"Leader, I can't find it at all, the area is too big..."

Xu Song said to Zhu Zhishan.

"Then you will be here tonight to see if David will emerge..."

Zhu Zhishan ordered the four to Xu Song.

The four of them had just soaked in the sea for a long time, their bodies were clammy and cold, and now they had to guard again.

But they had no choice but to obey the order. No matter what, the current Zhu Zhishan was still the leader of the Martial Arts Alliance.

Although I know that Zhu Zhishan no longer has any real power, I still have to listen.

With Xu Song and four people guarding him, Zhu Zhishan left with confidence, and then found a place to rest.

Without seeing David's body, Zhu Zhishan couldn't rest assured, and couldn't sleep at all!

Xu Song and the four guarded the shore, and their spiritual consciousness spread out, covering the range of several miles. As long as David showed up, he would be discovered.

But until dawn, there is no shadow of David at all, not even a single hair of David can be seen!

Chapter 1428

Inside a huge and bright palace, David was lying on the ground covered in blood!

At this time, David's body was very weak, his eyes were closed, and he fell into a coma!

In front of the palace, on a golden throne, a sculpture with a human head and a fish tail was placed on it.

This sculpture is vivid, like a real murloc, holding a weapon similar to a harpoon in his hand.

I don't know how someone would put such a sculpture in this place.

The surrounding of the palace is full of large and small beast pills, and each beast pill is shimmering with a faint light.

At this moment, in the mid-air of the palace, a white light suddenly flashed, followed by a snake that was more than ten meters long. Seeing the snake's expression was still painful, after entering the palace, he glanced at David, who was in a coma. But did not understand!

Then the snake looked at the sculpture and kept twisting its body, as if it was worshipping. After a while, the snake opened its bloody mouth, and a beast pill slowly flew out of the snake's mouth. come out.

The beast pill fell to the ground, and after losing the beast pill, the snake began to struggle painfully, but soon the body slowly disappeared, and finally disappeared, leaving no trace, only the beast pill remained on the ground !

David was in a coma for a whole day and night, and during this day and night, dozens of monsters of all kinds came to the palace, and after spitting out their beast pills, they would disappear without a trace.

On Suolong Island, Zhu Zhishan did not leave with everyone. He stayed on the shore and couldn't see David's body. Zhu Zhishan was always restless in his heart!

However, it has been a day and two nights, and I still can't see David's body surfaced, which makes Zhu Zhishan feel more and more uneasy!

"I wish the alliance leader, then David will definitely not survive, we have been staying here, many people are beginning to be a little dissatisfied..."

Long Xiao said to Zhu Zhishan with some displeasure.

After all, they were here for the trial, and Long Xiao wanted to take advantage of the trial opportunity to absorb the strength of those people!

Now that he has been staying on the shore, Long Xiao has no chance at all!

Those who came to participate in the trial were also full of complaints, but due to the strength of the Martial Arts Alliance, no one dared to speak.

"They are dissatisfied, so let's start with this seaside trial..."

Zhu Zhishan said coldly.

"What are you trying from here?"

Long Xiao is very puzzled, there is nothing here, what kind of test are you taking?

Zhu Zhishan did not speak, but took out the black bead from his arms, slowly put the bead into the sea water, and then said something in his mouth!

After a while, the sea water began to boil, and waves of waves could be seen from a distance!

Under the waves, you can see many dark figures!

Everyone was stunned, and hurried to the shore, watching the vision that suddenly appeared in the sea!

"Roar..."

Suddenly, a huge monster rose from the water and made a roaring sound!

"I've recruited a few monsters now. You can try it now. Whoever kills this monster will have the beast pill..."

Zhu Zhishan said to the crowd lightly.

When everyone heard this, they were immediately excited, and they all picked up their weapons and jumped towards the monster...

Zhu Zhishan did this to calm the emotions of everyone. Another point was to let everyone fight against monsters and turbulize the sea so that David could not hide at the bottom of the sea. If David died, such a disturbance would make It will also make David's body surface!

Soon, everyone followed the monsters to fight, and the entire sea area on the shore set off waves, and the chain dragon islands began to shake constantly in this melee.

Chapter 1429

The palace in the depths of the sea began to shake under this violent stirring, and David slowly opened his eyes amid the shaking.

As soon as he opened his eyes, he was hurt by a dazzling golden light, and David hurriedly covered it with his hands.

"Where am I? Is this heaven?"

David shook his head vigorously, then slowly got up.

When he saw that he was in a huge and magnificent palace, the whole person was in a dazed state.

But soon, David realized that this is not paradise, and he is not dead.

David looked at the palace carefully, the whole palace seemed to be made of gold, emitting a dazzling golden light!

Especially the throne on the front seat gave people a sense of majesty, but the mermaid sculpture on the throne seemed incompatible with the palace and the throne.

Then David looked at the ground of the hall again, looking at the pieces of beast pills on the ground, feeling the aura emanating from the beast pills, a few traces of excitement flashed in David's eyes!

However, just when David wanted to examine these beast pills carefully, he found that a faint aura wafted from these beast pills, and finally they all converged into the sculpture on the throne!

Even the Nascent Soul on David's body is exuding spiritual energy, constantly converging on the sculpture!

David frowned slightly, his face full of incredible!

How could a sculpture have the ability to absorb spiritual energy? Could it be that there are people hidden in this sculpture? Or is this not a sculpture at all?

David stepped forward cautiously, wanting to check to see what happened to this sculpture.

But when David's body just got close to the throne, it was shaken out by a huge force.

There is a formation around this throne, and David has no way to get close!

And now David's body is extremely weak, and his spiritual power is almost exhausted, so he has no way to break this formation!

"Don't worry about it, it's important to recover..."

David decided to ignore what happened to the sculpture and restore his spiritual power first.

There are so many beast pills on the ground, plus he still has Nascent Soul, these are enough for David to recover to the peak state, maybe David can be promoted to a realm!

David picked up a beast pill and swallowed it directly, and an aura exploded in David's body instantly.

Although the aura of a beast pill is very small, it has little effect on David, but there are thousands of beast pills here, enough for David to absorb it for a while.

David sat cross-legged impatiently, and immediately after the Concentration Technique in his body was activated, swirling auras began to circle above David's head.

The spiritual energy on those beast pills changed and began to swarm towards David's body.

The direction in which the aura changed, the color of the mermaid sculpture on the throne instantly dimmed.

David closed his eyes slightly and didn't notice this at all. Even the eyes of the mermaid sculpture moved slightly, and the anger in his eyes could be clearly seen, but unfortunately David didn't notice it!

A large amount of the aura of the beast pill was absorbed by David, and the spiritual power in David's dantian began to recover rapidly!

Just when David was concentrating on practicing and recovering, a huge fluctuation directly stripped David's consciousness out of his body.

David was shocked. When he opened his eyes, he found that he had already entered another dimension!

I saw that this is a small island with lush green trees, but on the island, there is a very magnificent palace!

Many people came and went in and out of the palace. The clothes these people wore turned out to be very old, like the clothes that people wore thousands of years ago.

Chapter 1430

David wanted to stop a person and ask, where the hell is this place, but David was like a transparent person, no one found him.

David was helpless and could only walk towards the palace, he wanted to see what was going on.

But before reaching the palace, David was blocked by a city gate, and he saw the words Bliss City written on the plaque on the gate.

There are also two soldiers in armor at the door, each holding a weapon. David can see at a glance that the weapons in the hands of these two guards are actually spirit soldiers!

This time, David's shocked mouth opened, and the two guards who guarded the door actually held spirit soldiers in their hands. This is incredible!

David was deeply shocked. He raised his head and stared at the three words Bliss City. People kept passing by him, and everyone had a happy smile on their faces.

It can be seen that the people here are very happy.

David walked into the city gate, and there was a peaceful scene inside. There were hawkers doing business along the street, and there were quaint buildings everywhere.

This made David suspect for a while, this is not the base of a certain film and television city, right?

However, judging from the breath that everyone exudes, even the ordinary people here are all immortal cultivators, and everyone has spiritual power!

"Could it be that thousands of years ago, immortal cultivators were common?"

David was very surprised!

Slowly crossing the street, David really came to the front of the palace gate, but the guard in front of the palace gate was dressed in golden armor, and his aura was not angry.

The breath exuded is no less than the current David. All of them are masters of the Marquis Realm, and the weapons that these guards are holding have never even been seen by David.

At this moment, David was greatly shocked. He didn't understand whether he was dreaming, or could he really see the scene from thousands of years ago!

If thousands of years ago, there were such a huge crowd of cultivators, and even the guards guarding the palace gate were Yuan Ying cultivators, then there would be no less cultivators who transformed, left the body, and were distracted, and even some transcended calamities. The real person in the Mahayana period is also very common.

But if this is the case, how did the immortal cultivator end up in such a state of despair?

Is it just because the spiritual energy on the earth is depleted, so many people start to cultivate martial arts, and immortal cultivators are down?

David didn't know why, he always felt that there was a huge secret hidden in it!

However, with David's current strength, what he thinks is just random thoughts. Although he is also a monk himself, he knows too little about the history of monks...

Maybe today is a good opportunity, whether it's a dream or not, David decided to go inside the palace to find out...

Passing through the palace gate, David walked straight towards the largest palace, and there were many people walking around in the palace. David himself seemed to have traveled to the ancient palace!

When David walked into the palace hall, he found that the thousands of square meters of the palace hall were already full of warriors wearing golden armor.

On the throne at the very front, there is a middle-aged man wearing a crown, and the middle-aged man's face is gloomy at this moment, and water is dripping.

David saw it at a glance, this throne is what he just saw, and this palace is where he is.

"Could it be that the palace you are in has existed for thousands of years?"

David's face was full of surprise.

However, when David looked away from the middle-aged man on the throne, he was instantly shocked, because he found that there was a girl in white armor standing beside the middle-aged man!

Wearing a white armor on the girl, she looked very heroic and unrestrained, but when David saw the girl's appearance, his whole body trembled slightly.
