

A Man Like None Other

Novel

Chapter 1461

It's just that after watching it for a long time, David didn't see the reason, so he could only temporarily put away the shark beads.

David pushed open the gate of the palace, and the beast pills exuded a faint light.

David released his consciousness and launched a carpet-like search. He wanted to see if there was anyone else in the city of bliss.

When David searched upwards, he found that he couldn't rush out of the city of Bliss at all, and he couldn't feel the existence of Suolong Island.

"How come there is no more Dragon Island?"

David was startled and wanted to spread his spiritual consciousness here, but found that his body was already very weak, and his mental strength could not support it at all.

The helpless David could only choose to retreat to practice and recover his physical strength.

Fortunately, there are countless beast pill resources here, enough for him to recover his stamina!

Thinking of this, David sat cross-legged, and the Heart Condensation Art began to run quickly.

A large amount of spiritual energy poured into David's body...

In the blink of an eye, another ten days have passed, and the New Year is only a few days away.

During these ten days, the Kyoto martial arts world has been quietly changing, and the power of the martial arts alliance has almost reached its peak.

This time, the expansion of the Martial Arts Alliance has not been officially blocked, which has also caused many people to talk about it!

In Yaoshen Valley, Zhao Ligu and the four evil men are all here.

They mobilized everyone to protect Long Wu and Gu Linger!

Whether it is Zhao Ligu or the four villains, they are all David's subordinates. They know their mission. Regardless of whether David is really dead, they must protect David's friends and family.

Gu Linger's heart also began to shake. After so long, there was still no trace of David, and the Martial Arts Alliance was ready to start an attack on the Valley of the Wicked. At this juncture, if David was really alive, he would definitely appear. of.

"David, you...are you really dead?"

Gu Ling'er stared at the east with tears all over her face.

Having known David for so long, Gu Linger followed David all the way from Horendel to Kyoto. From a small detective, she has now become a Wu Zong. This is something Gu Linger never dared to imagine before. of.

"David, if you really die, I will definitely go with you, you wait for me..."

Gu Ling'er's face was ashen, and she had already made a plan in her heart!

.....

Kyoto Budo Alliance!

Zhu Zhishan sits in the position of the leader of the alliance, and his heart is very happy!

David is dead, and now that the Martial Arts Alliance has grown to such a degree, Zhu Zhishan is waiting for the reward above.

Originally, Zhu Zhishan was very disdainful of Ning Zhi, but after this time, he found that Ning Zhi is a talented guy, and he took care of everything in an orderly manner!

In this way, Zhu Zhishan looks much more relaxed, but Zhu Zhishan doesn't know that the more relaxed he is, the more dangerous he will be. When a person loses value, it is time to lose his life. .

"I wish the alliance leader, now that almost all the sect families in the entire Kyoto martial arts world have joined our martial arts alliance, is it time to teach those guys who are very close to David a lesson."

Ning Zhi walked into the hall of the Martial Arts Alliance and said to Zhu Zhishan.

"Ning Zhi, do you have any good plans?"

Zhu Zhishan asked Ning Zhi.

During this time, he was used to letting Ning Zhi arrange it.

"Now the Dong family and the Ge family are always reluctant to join our martial arts alliance, and these two families have a certain influence in Kyoto. If

we rashly attack and destroy these two families, it will definitely cause official dissatisfaction, so I thought. ...”

Ning Zhi leaned into Zhu Zhishan’s ear and whispered a few words softly!

After Zhu Zhishan heard this, he suddenly burst out laughing: “Ning Zhi, if you really have it, you can come up with such a method, you can do it yourself...”

Zhu Zhishan waved his hand in satisfaction and said.

The corners of Ning Zhi’s mouth twitched slightly, then turned and left the Martial Arts Alliance!

Chapter 1462

...

Dong family!

Dong Liqun had a sad face, he knew that the time for the Dong family’s life and death had come.

In the past, the Dong family and the Ning family were at odds with each other. Now that Ning Zhi has become the deputy leader of the Martial Arts Alliance, he will definitely attack the Dong family first.

Nowadays, almost all the sects in the entire Kyoto martial arts world have become members of the martial arts alliance. If Dong Liqun wants to fight with the martial arts alliance, he will almost hit the stone with an egg.

“Dad, our Dong family is also a well-known family in Kyoto. Even if Ning Zhi became the deputy leader of the Martial Arts Alliance, would he dare to openly attack us?”

"If he dares to do it, we can go to Mr. Shi to call the shots. The entire Kyoto martial arts world, not the martial arts alliance itself."

Dong Jiahao saw his father's sad face, so he persuaded him.

"Hey..." Dong Liqun sighed: "What do you know, if Mr. Shi wanted to take care of it, he would have taken action long ago. How could the Martial Dao Alliance expand like this..."

"Then why doesn't Mr. Shi care?" Dong Jiahao asked inexplicably.

"How would I know, the official attitude, we can't figure it out!" Remember the website

Dong Liqun shook his head!

For a while, Dong Jiahao stopped talking, and all fell into silence.

"Dad, why don't we ask the Ge family for help? Now in the martial arts world of Kyoto, only the Ge family has not joined the martial arts alliance, and dares to fight with the martial arts alliance."

Suddenly, Dong Jiahao said to Dong Liqun.

"The Ge family has always been independent from the world, and we have nothing to do with the Ge family. Why should they help us?"

Dong Liqun frowned.

"Dad, I went to find that Ge Jiayi. I don't think she has a bad heart. She was in Bliss City and rescued me..."

Dong Jiahao is still grateful to Ge Jiayi for saving his life!

Dong Liqun pondered for a moment, then nodded and said, "Alright then, you can bring some more gifts. First, thank Miss Ge for her life-saving grace, and second, find out the tone of the Ge family."

"Okay!" After Dong Jiahao heard this, he turned around happily and left.

...

Kyoto, the Ge family!

The strength of the Ge family is also considered one of the best in Kyoto, but the Ge family has always been indifferent to the world, never had disputes with others, and never joined any alliances, associations, etc., so the Ge family's popularity in Kyoto is not equal. not tall!

As the most talented person of the younger generation, Ge Jiayi became famous at a young age, but because of Ge Jiayi's retreat, his reputation slowly receded a lot.

On this day, Ge Jiayi was sitting in the gazebo at home, staring at the east in a trance.

"This guy won't really die like this..."

Ge Jiayi said to himself.

"Jiayi, ever since you came back from your trial, you've been fascinated, what are you thinking?"

At this moment, a middle-aged man approached Ge Jiayi with a smile on his face.

This middle-aged man is Ge Jiayi's father, Ge Fuhai.

Ge Jiayi hurriedly regained her senses, turned her head to look at Ge Fuhai and said, "I didn't think about anything, I was just too stuffy in the room, so I came out and sat down..."

"In such a cold day, when you sit outside in a trance, are you thinking of a man? You should have a boyfriend at your age!"

Ge Fuhai smiled slightly.

"Dad, what did you say? Who misses a man? I ignore you..."

Ge Jiayi rolled her eyes at Ge Fuhai, got up and was about to leave, but was held back by Ge Fuhai.

"Hahaha, you are my daughter, don't I know what you are thinking?" Ge Fuhai laughed: "That David is indeed a genius, I also like him very much, but his life is too short, so early Dead, there is no such blessing!"

"Dad, who thinks about David? Don't talk nonsense! I don't know him either..."

Ge Jiayi seemed to have a guilty conscience. She shook off Ge Fuhai and was about to flee, not wanting to talk to Ge Fuhai.

Chapter 1463

At this moment, a servant of the Ge family rushed to report: "Patriarch, Miss, Dong Jiahao, the young master of the Dong family, came to visit and said he was looking for Miss!"

"Dong Jiahao? What is he doing to me?"

Ge Jiayi frowned slightly!

"This Dong Jiahao is not bad. Although he is a bit rambunctious, he is not bad..."

Ge Fuhai smiled at Ge Jiayi.

Ge Jiayi rolled her eyes at Ge Fuhai: "I ignore you..."

After speaking, Ge Jiayi walked towards the door.

She went to see what Dong Jiahao was looking for himself!

When Ge Jiayi arrived at the door, she found Dong Jiahao standing at the door, dressed in a straight suit as if she had been specially dressed.

"Dong Jiahao, what are you looking for from me?"

Ge Jiayi asked Dong Jiahao.

Although Ge Jiayi saved Dong Jiahao's life in Bliss City, it does not mean that Ge Jiayi likes Dong Jiahao!

Ge Jiayi didn't have a crush on those young masters in Kyoto.

Seeing Ge Jiayi, a bright light flashed in Dong Jiahao's eyes!

"Miss Ge, I take the liberty to interrupt. I have something I want to talk to Miss Ge!"

Dong Jiahao hurriedly approached Ge Jiayi and said.

"What's the matter, just say it, why are you so close?"

Ge Jiayi took a step back in disgust, very dissatisfied with Dong Jiahao's frivolous appearance!

"Miss Ge, this is not the place to talk, let's talk in another place!"

Dong Jiahao said with a smile.

"If you want to say it, say it. If you don't say it, I will go back. I don't have time to accompany you to sell things..."

As Ge Jiayi said, she turned around and was about to go back.

"Miss Ge, it's about David, don't you want to hear it?"

Dong Jiahao said suddenly.

Hearing David, Ge Jiayi stopped, turned around and asked, "What happened to David? Is David still alive?"

Seeing Ge Jiayi's slightly anxious look, Dong Jiahao's eyes showed a bit of evil charm!

"Miss Ge, let's find a place. I'll tell you slowly so that no one else hears it..."

After Dong Jiahao finished speaking, he opened the door very gentlemanly!

Ge Jiayi hesitated, but finally sat up.

Dong Jiahao got into the car, then started the car and drove towards a hotel. Looking at Ge Jiayi through the rearview mirror, the corner of Dong Jiahao's mouth rose slightly, revealing a sinister smile.

This kind of smile has never appeared on Dong Jiahao's face, but Ge Jiayi didn't notice it.

.....

In the City of Bliss, David sat there cross-legged, and the countless beast pills on the ground had been reduced by more than half at this moment!

With the continuous reduction of beast pills, David's strength is also rapidly improving.

At this time, David has stepped into the second realm of Nascent Soul. Although it is only a small improvement in realm, his strength has undergone a qualitative change!

Slowly opening his eyes and looking at the large pieces of beast pills disappearing from the ground, David couldn't help but sigh: "Cultivation in the Nascent Soul Realm requires such a huge amount of resources, wouldn't it be more difficult to cultivate in the future..."

Looking at the large amount of beast pills left in front of him, David didn't know when he would be able to absorb them all!

"I don't know how long it has been, what's going on outside..."

David now has no concept of time.

He doesn't know how long he's been here, let alone what's going on outside!

I don't know if the Spring Festival has passed, but he secretly made up his mind to rescue Sonya and his mother before the Spring Festival, but now it seems that he does not know whether his wish can still be realized.

However, this is the end of the matter. In the face of a lot of beast pill resources, David can't just walk away and leave it alone!

If these beast pills can be carried, it is a pity that the space in his storage ring is not so large, and he can't take all these beast pills away.

"You can only continue to practice first..."

David shook his head helplessly, then ran the Heart Concentration Technique and practiced again.

Chapter 1464

Kyoto, inside a hotel!

Ge Jiayi followed Dong Jiahao to a room. The room was well furnished and warm!

Ge Jiayi looked around, and then asked Dong Jiahao indifferently, "Dong Jiahao, is it inappropriate for you to bring me here to talk about things?"

Although Ge Jiayi said this, she didn't take it to heart, because she knew Dong Jiahao's strength, and she could subdue Dong Jiahao with whatever she wanted, so she was not afraid of Dong Jiahao's bad thoughts!

"Miss Ge, there's nothing inappropriate. I've liked you for a long time. I called you here today to confess to you..."

Dong Jiahao said, actually took out a bouquet of flowers, and then knelt down in front of Ge Jiayi on one knee.

Seeing this, Ge Jiayi's face was as cold as ice, and she said with disdain: "You're dead, I don't look down on you at all..."

After Ge Jiayi finished speaking, she turned around and walked out. She did not expect that Dong Jiahao had tricked herself into confessing.

Although Ge Jiayi was very angry now, she did not do anything to Dong Jiahao.

After all, now that the world of martial arts in Kyoto is being reshuffled, it is difficult for the Ge family to be free from the world, so she doesn't want to give the Ge family tree an enemy...

But just as Ge Jiayi was about to leave, Dong Jiahao suddenly shot and grabbed Ge Jiayi's wrist!

"Miss Ge, since you're here, I think we should have a good chat before leaving..."

Dong Jiahao said with a bit of a gloomy smile on his face.

Ge Jiayi frowned: "Let go of me..."

After all, Ge Jiayi raised her hand and punched it out.

But Ge Jiayi didn't use all her strength. If she hit with all her strength, Dong Jiahao would definitely not be able to bear it!

But who knew that when Ge Jiayi punched out, Dong Jiahao didn't dodge or dodge, and directly reached out and grabbed Ge Jiayi's fist, so that Ge Jiayi couldn't move!

Ge Jiayi was stunned for a moment, and a mist emanated from Dong Jiahao's body in an instant, and then Ge Jiayi's mind began to become dizzy, and finally closed her eyes and fainted...

Looking at the fainted Ge Jiayi, Dong Jiahao raised the corner of his mouth and carried Ge Jiayi directly onto the bed, then slowly took off Ge Jiayi's clothes!

Looking at Ge Jiayi's body, a black mist filled Dong Jiahao's body, and then Dong Jiahao's face changed, turning into Ning Zhi.

It turned out that this Dong Jiahao was actually made by Ning Zhi Yirong, no wonder Ge Jiayi's punch was easily caught.

"Tsk tsks... What a wonderful woman, if it wasn't for the fact that I no longer have the ability to be a man, I would definitely get you..."

Ning Zhi regretted for a while, then took out the prepared camera and started taking pictures with Ge Jiayi!

After everything was done, Ning Zhi left the hotel. For the next thing, he slowly waited for the Ge family to follow the Dong family to the point of life and death...

I don't know how long it took, Ge Jiayi slowly woke up, when she looked at her disheveled clothes, her whole body collapsed and burst into tears.

She is the arrogant daughter of heaven, and she is the dream lover of many young masters from sects.

But now, she has been spoiled!

"Dong Jiahao, I must smash your corpse into ten thousand pieces..."

Ge Jiayi exuded a strong killing intent, at this time she thought it was Dong Jiahao who disrespected her.

Depressed, Ge Jiayi returned home, washed her body desperately, and then changed into a new dress!

She wants to go to Dong's house to ask for an explanation in person, even if she dies, she will kill Dong Jiahao!

But just when Ge Jiayi was about to go to the Dong family to find Dong Jiahao, a servant of the Ge family hurried in: "Miss, Dong Jiahao, the young master of the Dong family, is asking to meet outside the door..."

Hearing this, Ge Jiayi instantly burst out with terrifying killing intent, and then disappeared in a flash, rushing towards the door.

Chapter 1465

She didn't expect Dong Jiahao to do such a thing, and even dare to come to her.

The servant felt the killing intent on Ge Jiayi, and was so frightened that he hurried to find Ge Fuhai.

At this time, Dong Jiahao, holding a gift in his hand, looked a little nervous. After all, it was the first time he entered the gate of Ge's house, and he felt like a new uncle came to the door!

But when Dong Jiahao was waiting nervously at the door with a gift, he suddenly found a figure in front of him in a flash.

"Miss Ge..."

Seeing Ge Jiayi appear, Dong Jiahao shouted nervously.

"Dong Jiahao, you ba5tard, take your life..."

Ge Jiayi's eyes widened, her anger continued to rise, and then she punched Dong Jiahao with a punch.

Dong Jiahao's face was shocked, he didn't understand what happened to Ge Jiayi, why did he suddenly act on himself?

"Miss Ge, you are..."

Before Dong Jiahao's words were finished, he was punched in the chest by Ge Jiayi! remember url

A mouthful of blood spurted out, and then Dong Jiahao's body flew out instantly.

It smashed heavily on the car not far away, and the body was smashed to pieces!

This punch cost Dong Jiahao half his life, and finally got up slowly. Dong Jiahao found that Ge Jiayi was attacking him again!

Dong Jiahao cried out in his heart for a while, he didn't know what happened, why did Ge Jiayi do it when he saw him, and he still killed him!

His strength is not lower than Ge Jiayi, and now he doesn't even have the ability to dodge, so he can only watch Ge Jiayi's terrifying fist blowing towards him.

"stop..."

At this critical moment, Ge Fuhai arrived, directly blocked in front of Dong Jiahao, and then resolved Ge Jiayi's fist style with one palm.

"Dad, don't stop me, I must kill him today..."

Ge Jiayi said to Ge Fuhai with a look of anger.

"Jiayi, what's the matter with you? Why did you kill him?"

Ge Fuhai questioned Ge Jiayi.

But Ge Jiayi couldn't say anything, so he could only stamp his feet angrily: "I must kill him today..."

Seeing that Ge Jiayi didn't say anything, Ge Fuhai turned to look at Dong Jiahao who was injured and said, "Master Dong, what happened to you and Jiayi? Why did she want to kill you?"

Dong Jiahao was also confused at this time, shook his head and said, "I don't know, Miss Ge will kill me when she sees me..."

"Did you tell her something?"

Ge Fuhai frowned slightly.

Because he knew that Ge Jiayi was not a vexatious person. Although he was a little headstrong at times, he would never kill for no reason.

"No, I didn't say anything..."

Dong Jiahao was so wronged that he was about to cry.

I just came over with a gift to thank me, but Ge Jiayi would beat him as soon as they met.

Seeing this, Ge Fuhai could only say to Dong Jiahao, "Young Master Dong, you'd better go back first, and I'll talk about it when I'm done with the situation..."

When Dong Jiahao saw this, he could only leave, otherwise his life would be lost!

Seeing that Dong Jiahao was about to leave, Ge Jiayi shot directly at Dong Jiahao, but was blocked by Ge Fuhai.

Looking at Dong Jiahao who had left, Ge Jiayi could only cry helplessly, and then ran back to the room!

When the injured Dong Jiahao returned home, he fainted directly.

Dong Liqun was extremely angry when he looked at Dong Jiahao who fainted!

It's just that both Dong Liqun and Ge Fuhai are considered wily people, so they didn't immediately plunge the two into the flames of war!

Ning Zhi, who was originally waiting for a good show, was a little disappointed, but even if the two did not start a war, they would never be united. The martial arts alliance could be defeated one by one. A family of aristocrats will become a member of the Martial Arts Alliance.

Chapter 1466

Inside Bliss City!

David is still cultivating frantically, and the beast pills that were all over the place are actually very few at this moment!

If someone saw that so many beast pills were absorbed by David alone, he would be shocked to drop his jaw.

Now that the Spring Festival has passed, it is precisely because of this traditional festival that the Dong family and Yaoshengu have a chance to breathe, otherwise the Martial Arts Alliance would have already started.

David's strength has been further improved under this crazy training. At this time, David's strength has reached the edge of the second realm of Nascent Soul. If he tries hard, breaking through the third realm is not a problem.

It's a pity that there are not many beast pills left in Bliss City, and I am afraid that it will not be able to support David's breakthrough.

"It's almost, it's a pity..."

David sighed softly.

As long as he reaches the third realm of Nascent Soul, he can go directly to the Martial Dao Alliance to save people. Even if he encounters a fifth-rank Marquis, David has no fear.

Suddenly, David remembered the shark bead he picked up at the beginning, and then took out the shark bead, feeling the aura emanating from the shark bead, a smile appeared on David's face!

He swallowed the shark pearl without hesitation, and then David closed his eyes again, ready to break through!

...

Kyoto, Dharma Protector Pavilion!

Xing Jun reported with Mr. Shi with a solemn expression.

Although there are so many things happening in the martial arts world in Kyoto recently, Mr. Shi has not intervened, but it does not mean that Mr. Shi is unaware.

“Mr. Shi, now more than 95% of the entire Kyoto martial arts world has become a member of the martial arts alliance. Now the martial arts alliance has grown a lot.”

“And the Martial Arts Alliance has frequently cultivated a lot of Marquis masters recently, just like a production line.”

“That Long Xiao of the Long family has also made breakthroughs in recent times, and his strength has grown rapidly.”

“At present, the Dong family and Yaoshen Valley are not in any danger, and the Martial Arts Alliance has not yet attacked them!”

Xing Jun reported, and Mr. Shi closed his eyes slightly, his face was calm!

“The resources of the beast pills tested by the Long family years ago should be almost exhausted according to time, right?”

Mr. Shi said lightly.

“Yes, the resources obtained by the major sects and families have basically been used up, but it has also increased the strength of the major families!”

Xing Jun nodded and said.

“Well, the current calm is estimated to be broken. Without resources and interests, the entire Kyoto martial arts world, a martial arts alliance, can't control it at all...”

"You just need to watch carefully. No matter what happens in the martial arts world during this time, you are not allowed to intervene..."

Mr. Shi told Xing Jun.

"Understood!" Xing Jun nodded, then turned to leave!

But when he reached the door, Xing Jun stopped and turned to look at Mr. Shi, looking like he was hesitant to say anything.

"Just say something..."

Mr. Shi still said with his eyes slightly closed.

"Mr. Shi, is David really dead? It's been such a long time, the Spring Festival is over, and there's no sign of David, it's probably more fortunate than for luck."

Xing Jun also once suspected that David could not die, but for such a long time, even the most important festival, the Spring Festival, David did not appear, so maybe David really died.

"David is dead or not, time will give the answer, and the time has not yet come..."

Mr. Shi said lightly.

After Xing Jun heard this, he sighed slightly, turned and walked out.

After Xing Jun walked back, Mr. Shi slowly opened his eyes, and his eyes flashed with brilliance!

"David, you have to show up soon, otherwise, when the Kyoto martial arts world is completely controlled by the martial arts alliance, you are trying to rescue your girlfriend, but you will have to pay a higher price..."

With a smile on his face, Mr. Shi muttered to himself!

Chapter 1467

Kyoto, the dragon family!

After Long Xiao had absorbed the last Beast Pill, the aura of his whole body had undergone a qualitative change!

In this short month, Long Xiao actually made breakthroughs one after another, jumping to the strength of a fifth-rank Marquis!

Now that Long Jingguo is facing Long Xiao, it is beyond his reach!

However, this is not because of Long Xiao's talent, but because of the soul in his body, coupled with sufficient resources, Long Xiao's strength has grown by leaps and bounds!

"Xiaoer, I really can't believe that your strength has improved so fast, you are a genius. I have never seen someone who cultivates so fast..."

Long Jingguo said with a face full of surprise.

From the very beginning, Long Jingguo resisted the soul in Long Xiao's body, and now he is full of envy.

Long Jingguo wished he had a soul attached to his body. That way, cultivation would be more effective with less effort!

"Dad, it's a pity that there are too few resources, otherwise my strength could still be improved."

Long Xiao said proudly.

Long Jingguo also frowned. The so many beast pills he obtained this time were absorbed by Long Xiao alone, and the resources he collected from

various places were also given to Long Xiao, but they still could not satisfy Long Xiao's cultivation. Make Long Jingguo a little embarrassed!

At this moment, Long Xingxu came over, feeling the surging breath of Long Xiao, Long Xingxu was envious.

At this time, he and Long Xiao were completely different, and there was no comparison.

"Congratulations, young master, the strength has improved a lot..."

Long Xingxu said respectfully.

"Xingxu, do you have anything to do with me?"

Long Jingguo saw Long Xingxu appear and knew that he must be looking for him.

"master..."

Long Xingxu shouted, then looked at Long Xiao and did not continue.

Seeing this, Long Jingguo knew what Long Xingxu wanted to say. It must be because of his sister Long Ruotong. Because this matter has been hidden from Long Xiao, Long Xingxu did not dare to say it in front of Long Xiao.

Long Xiao also seemed to be aware of it, so he said, "Dad, are you hiding something from me?"

"Xiaoer, there are some things that I don't want you to know about, but now that you're older, you can take charge of yourself, and you should know some things..."

After Long Jingguo finished speaking, he began to talk with Long Xiao, and took Long Xiao to the dungeon of the Long family!

Long Xiao looked at the gloomy dungeon and his aunt in the dungeon, feeling a little incredible!

And Long Ruotong was a little surprised when he saw Long Xiao who suddenly appeared!

After all, over the years, the only people Long Ruotong could see were Long Jingguo, who had never brought strangers here.

But now, seeing the strange Long Xiao, Long Ruotong seemed surprised!

"Xiaoer, this is your aunt, she's been imprisoned here for more than 20 years..."

Long Jingguo pointed at Long Ruotong and said.

When Long Ruotong heard Long Jingguo's introduction, he immediately understood that this Long Xiao was Long Jingguo's son.

"Dad, you said that I wanted to get a secret from my aunt. What kind of secret is it?"

Long Xiao asked curiously.

After more than 20 years of detention, this secret has not been obtained, which makes Long Xiao very curious.

"Mind law, a set of heart law that can immortalize..."

Long Jingguo said slowly.

"Immortal?"

Hearing these four words, Long Xiao was instantly shocked!

Even if he is now a fifth-rank Marquis, he still can't stop the ravages of the years, and he will grow old sooner or later.

It would be great if you could live forever!

"Is it possible that my aunt has not spoken for more than 20 years?"

Long Xiao asked.

Long Jingguo nodded: "Yes, for more than 20 years, I have tried my best, she didn't say a word, I even threatened her with her son, it was useless."

"Her son?" Long Xiao was taken aback!

"Yes, if my guess is correct, that David should be your aunt's son, and the two of you are cousins..."

Long Jingguo's voice fell, and Long Xiao's head exploded with a bang.

Chapter 1468

Long Xiao never imagined that he would have such a relationship with David.

But now that David is dead, it doesn't matter.

"The idea of immortality is really a good thing. I have a way to get her to speak..."

At this time, the soul in Long Xiao said.

"Dad, I have a way to get my aunt to speak."

Long Xiao said to Long Jingguo.

"Really?" After Long Jingguo heard this, he instantly became excited.

He imprisoned Long Ruotong for more than 20 years for this mental method, but he still failed to get what he wanted.

Now Long Xiao has a solution.

"Of course it's true, have you forgotten the exercises I'm learning now?"

Long Xiao smiled slightly. remember url

"Okay then, hurry up..."

Long Jingguo said impatiently.

Long Xiao nodded, then looked at Long Xingxu and said, "You go out, you are not allowed to come in without my permission..."

"As ordered..."

Long Xingxu bent over and stepped back, but at the moment Long Xingxu bent over, a stern look flashed in his eyes!

Even though his strength is now a world apart from that of Long Xiao, Long Xingxu is not reconciled.

Now almost all the resources of the Long family have been given to Long Xiao, and Long Xingxu has been conscientious and hard-working and won't get anything.

He would never be reconciled to such a mediocre life.

After Long Xingxu left, Long Xiao looked at Long Ruotong, his eyes twinkling.

Immediately after that, a black mist rose up from the body, and then a figure escaped from Long Xiao's body!

This is the soul in Long Xiao's body, Long Jingguo knew it, so he didn't panic!

However, Long Ruotong had never seen such a scene before, so she seemed a little surprised and panicked!

After the soul escaped from Long Xiao's body, it instantly moved towards Long Ruotong, trying to get into Long Ruotong's mind.

But just when the soul wanted to enter Long Ruotong's mind, a golden light suddenly flashed between Long Ruotong's eyebrows.

This golden light was so dazzling that Long Xiao and Long Jingguo couldn't help but close their eyes.

But the spirit screamed, as if it was frightened, and quickly returned to Long Xiao's body.

Long Xiao spurted out a mouthful of blood, and his face instantly became extremely pale!

"Xiaoer..."

Seeing this, Long Jingguo hurriedly checked it out.

"Senior, what's going on?"

Long Xiao frowned slightly and asked in confusion.

"There's so much righteousness in this woman's body, I can't get into her body at all..."

The soul voice said weakly.

When Long Xiao heard this, he was immediately speechless. He didn't understand the level of this soul in his body, and why was it always unreliable!

In Bliss City, I was scared to hide by the Buddha's light, and I didn't dare to show my head. Now I was injured by a mighty aura. Speaking of which, it was too rubbish.

It's just that Long Xiao didn't dare to really say it, after all, he still has to rely on the other party for his cultivation.

The two of them are now both prosperous, and both lost.

"Xiaoer, what's going on?"

Long Jingguo asked Long Xiao.

"Dad, this woman has an aura of righteousness, she can't enter her body, search her memory, it seems that she has to find another way..."

Long Xiao followed Long Jingguo and said.

"Hmph, this stinky girl is the hardest. Now her son has lost one of your arms. Today I'm going to take revenge on her on her body..."

After Long Jingguo finished speaking, he picked up the special leather whip and slapped Long Ruotong fiercely.

Long Ruotong didn't say a word, didn't make a single sound, as if the whip wasn't hitting him.

After Long Jingguo was tired, he dropped his whip and walked out angrily.

Just after Long Jingguo and Long Xiao walked out of the dungeon, someone from the Long family came to report that Zhu Zhishan of the Martial Arts Alliance invited Long Jingguo to come over.

Chapter 1469

"Xiaoer, Zhu Zhishan is looking for me for resources. I will find a way to get some resources for you. You can rest at home for the time being..."

Long Jingguo knew that the resources of the major sects and clans were rapidly depleting. Nowadays, almost all the clans in the entire Kyoto martial arts world have joined the martial arts alliance, so they will definitely ask the martial arts alliance for resources.

After all, the promise at the beginning must be fulfilled by the Martial Dao Alliance, otherwise it will definitely cause dissatisfaction among many aristocratic families.

After Long Jingguo left, the soul in Long Xiao immediately said, "You are now trying to find that girl named Xiaoru and arrest her. The armor on this girl is a holy thing."

"And this girl's body is different from ordinary people. If you can absorb the strength of this girl, I believe your strength will be stronger."

"Okay, I'll send someone to investigate the whereabouts of this girl right away..."

Long Xiao licked his lips, his eyes full of heat.

On the other side, Long Jingguo came to the Martial Arts Alliance!

Zhu Zhishan was waiting for him anxiously at the moment.

"I wish the lord, you find me..."

Long Jingguo asked Zhu Zhishan.

"Long Patriarch, during this time, there have been sect families who have been asking for resources from the Martial Arts Alliance. Look at this..."

Zhu Zhishan looked at Long Jingguo without finishing his words, he was observing Long Jingguo's reaction.

"I wish the lord, our Long family's resources are extremely limited now, and now even the Longquan water has begun to dry up, and there are no resources to come out."

Long Jingguo thought that Zhu Zhishan wanted to ask the Long family to provide resources, so he hurriedly said.

"Long Family Master, you misunderstood, I am not asking for the resources of your Long Family." Zhu Zhishan waved his hands again and again: "I was thinking, there are thousands of beast pills in the City of Bliss, can we go there once? , take out some more beast pills, and the resource matter will be solved."

"I wish the alliance leader, that Suolong Island is sinking, and the city of Bliss collapses, how can you get the beast pill?"

Long Jingguo asked in surprise.

"I think that even if the City of Bliss collapses, those beast pills will definitely not disappear. It's just that it's more dangerous to take the beast pills. It's not that the beast pills can't be taken out."

"I have prepared water beads, as long as there is enough time, the beast pill can definitely be taken out."

Zhu Zhishan said.

Long Jingguo was silent for a while, it seemed that Zhu Zhishan had already made plans, and calling him was nothing more than a notification.

Even if the City of Bliss collapses, it is the resource of their Long Family, so they will inform themselves.

“Since the leader of the alliance is ready, then you can do as the leader of the alliance has arranged, but our Long family can’t dispatch people for the time being...”

Long Jingguo knew that it was very dangerous to do these things in the deep sea. Although he could avoid water droplets, it was impossible to stay underwater for a long time. He would not let his masters do such dangerous things.

Anyway, after the beast pill is taken out, their Long family will take the big head. After all, this is the resource place of the Long family!

“Long family master, I have prepared the candidates. You Long family just wait for the allocation of resources.”

Zhu Zhishan said.

“That’s good, then I’ll wait for the good news from the leader.”

Long Jingguo left the Martial Arts Alliance.

And Zhu Zhishan then called together the four of Xu Song, and distributed the water beads, and asked them to go get the beast pill.

Although the four of them knew that this errand was dangerous, let’s not talk about how difficult it was to get the beast pill in the collapsed Bliss City on the bottom of the sea. If the beasts in the sea were encountered in the water, they would only have to run for their lives!

On the bottom of the sea, but the home of those monsters, even the monsters with only Wuzong’s strength, if they are on the bottom of the sea, these Marquis are probably very difficult to deal with.

Chapter 1470

But in danger, they can only bite the bullet. They can only obey orders now. For the Martial Arts Alliance, these people are just puppets cultivated by the Martial Arts Alliance!

In the future, there will be a steady stream of people to replace them. They are chess pieces and can be abandoned at any time.

.....

On the vast sea!

A speedboat is floating on it, and there are four people sitting on the speedboat, it is Xu Song and the four!

Looking at the bottomless sea, the four people's faces were extremely solemn. They knew better than anyone else that this was a task of a lifetime of survival.

Otherwise, other aristocratic sects would have secretly sent people to get beast pills. After all, the resources of these beast pills are very attractive.

It's just because it's too difficult and dangerous, so no one comes to take the risk.

"Okay, it's time for us to go down. If we can come back alive this time, I believe that the leader of the alliance will not treat us badly..."

After Xu Song finished speaking, he swallowed the water-proof beads in one mouthful. With the water-proof beads, they could spend more time on the bottom of the sea!

puff, puff...

The four quickly plunged into the water and swam towards the bottom of the sea!

At this time, in the City of Bliss, David's body flashed with golden light, and the endless aura was rolling. The whole city of Bliss was filled with the aura of David.

After breaking through, David broke through again. The strength of the three realms of Nascent Soul makes David look even more immortal!

"Huh, I finally broke through, I don't know when it is now..."

David let out a long breath.

He is here, he has no concept of time, and he has no idea how long it has been.

"It's time to leave, but how do you get out of here?"

David frowned.

Here in the sea, if there is no ship, David's current strength, I am afraid it is difficult to return to the land, because the distance is too far.

In addition, there must be monsters harassing them along the way. In the absence of a boat, it is almost as difficult to return to the land as going to the sky...

Just when David was in trouble, David suddenly felt a few breaths.

"Someone?"

David looked surprised. He didn't understand why someone would come at this time.

However, David still hid, wanting to see who it was.

Soon, the four figures of Xu Song appeared. Looking at the intact Bliss City, the four fell into shock.

"This City of Bliss still exists, and it has not collapsed..."

Someone exclaimed excitedly.

If the City of Bliss did not collapse, it would be much easier for them to obtain the beast pill, and there would not be too much danger.

"It's really strange. Suolong Island has sunk. I didn't expect that the city of Bliss has not collapsed. I just don't know if David is dead."

Seeing that the City of Bliss had not collapsed, Xu Song immediately thought of David.

"It's been almost two months, so David must have died long ago. This place is so far from the landing site, if there is no ship, then David will not be able to live at all..."

someone said.

"Let's be careful when we go in for a while. I always have a bad hunch. After taking the beast pill, I'll leave quickly..."

After Xu Song finished speaking, he brought people into Bliss City!

And David, who was hiding at the moment, listened to the conversations of several people, and then realized that he had been staying for more than a month. In this way, the Spring Festival has already passed.

And it seems that the outside world has long thought that he is dead. This is a good thing for David. At that time, he will be dark, and the martial arts alliance will be bright, and he can do whatever he wants a lot of time!

Soon, Xu Song and the four entered the city of bliss, but looking at the empty city of bliss, the four of them were dumbfounded.

Where is there any beast pill, except for some ruins, not even a single beast pill could be found.

"This...what's going on here?"

Someone asked in surprise.
