

A Man Like None Other

Novel

Chapter 1531

Fan Jiang's body flew out and smashed directly on the hillside not far away, causing the mountain to shake!

Fan Jiang looked at David coldly: "I didn't expect you to burn blood essence and improve your strength so much, but it's a pity that your blood essence can't last long..."

"At most a quarter of an hour, after a quarter of an hour, you will be reduced to a crippled person who will be slaughtered by others!"

"A quarter of an hour is enough to kill you..."

David had a murderous look on his face. Since he chose to burn blood, he must kill Fan Jiang!

"Hahaha, you are too confident. Even if you burn blood, how can you compare yourself to me, you are just a hairy boy, and you dare to speak up..."

Fan Jiang laughed loudly, his eyes full of playfulness!

David didn't pay attention to Fan Jiang. He didn't have much time, so he couldn't waste a minute and a second!

I saw David's feet start shaking, and his body was like an arrow from Li Xuan, rushing directly to Fan Jiang!

The golden fist smashed out fiercely with the momentum of destroying the dead.

Fan Jiang's face turned cold, but his figure suddenly disappeared. David's punch directly hit the hill!

rumbling...

For a time, the entire hill began to roar, like a volcanic eruption, rocks flying, and the mountain collapsed!

David frowned, and his face became a little ugly!

This Fan Jiang, if he just dodged and didn't confront him head-on, David would instantly become a cripple when the time came.

"Are you afraid of me?"

David exited and sarcastically said to Fan Jiang.

"Afraid of you?" Fan Jiang sneered: "I said, even if you burn your blood essence and forcibly improve your cultivation, it is worthless in front of me!"

"If you're not afraid, why do you need to hide?"

David asked coldly.

"I know you're irritating me, but I'll give you a chance, and I'll convince you of losing..."

After Fan Jiang finished speaking, the breath on his body wrapped himself tightly.

David's blood was also burning, and after a roar, the golden light on his body actually had a faint blood red color!

Seeing this, Fan Jiang also became crazy, and the endless breath became stronger and stronger.

“bring it on...”

Fan Jiang shouted loudly, and then punched out, punching wind, tiger roaring...

David didn't hesitate, and also waved his fist!

The fist wind came out, and the dragon roared...

The two fought against each other without hiding.

David knew that he didn't have much time, so every punch was a desperate shot!

In the blink of an eye, the two battled dozens of tricks!

Fan Jiang became more and more frightened at this moment. He did not expect that the power that David burst out was so terrifying!

Moreover, David's body is extremely fierce, and he is not afraid to fight even more!

The light on Fan Jiang's body is getting dimmer and dim, which makes Fan Jiang's eyes full of shock!

But Fan Jiang wasn't afraid. If he couldn't do it, he would use his speed to delay time!

As long as the time is up, David will become like a dead dog to be slaughtered!

“go to hell...”

David slammed a punch, brilliance everywhere, and a golden dragon penetrated Fan Jiang's body instantly!

Fan Jiang was startled, and his body quickly retreated. At this moment, he felt a terrifying force in his body spreading to the surrounding!

With a sudden muffled sound, a blood hole appeared in Fan Jiang's chest, and the blood flowed out instantly, staining the ground red!

Fan Jiang looked down at the injured body, with anger in his eyes!

"You're a genius to hurt me like this..."

After Fan Jiang finished speaking, black mist filled his body, and the black mist condensed on the wound on his chest, and finally the wound was healed.

David frowned. He didn't expect that he would not be able to kill Fan Jiang!

The peak of Wuhou is really not to be underestimated!

"Come again..."

David was full of fighting spirit and shouted angrily!

David's figure flashed out and went straight to Fan Jiang.

But Fan Jiang retreated again and again, intentionally avoiding David's attack.

Chapter 1532

"You dare not fight me?"

David asked Fan Jiang when he saw that Fan Jiang was retreating again and again to avoid his own attack.

"You are struggling right now, why should I bother you? When the time is up, you will naturally obey."

Fan Jiang didn't want to fight with David anymore, after all, David didn't insist on it for long.

"You are at the peak of Marquis, and there are times when you are afraid?"

David sneered at Fan Jiang.

But this time Fan Jiang smiled coldly: "It's useless, you don't have to use aggressive tactics on me. When the time comes, you will find that what you are talking about now is all nonsense..."

David's face was gloomy and he was not talking. He knew that his time was running out and he couldn't waste a minute and a second!

Then David burst into breath and walked towards Fan Jiang.

But Fan Jiang was constantly taking advantage of his speed to dodge.

David gritted his teeth, punching punch after punch, but it was all useless!
remember url

Fan Jiang's speed is too fast, the two people at this time are like cat and mouse!

With a sneer on his face, Fan Jiang seemed to enjoy the feeling of being chased!

David stopped and looked at Fan Jiang coldly!

"What? Are you out of strength?"

Fan Jiang asked with a smile.

David did not speak, his eyes glowed with coldness!

Seeing that David didn't move, Fan Jiang also stopped!

I saw David raised his hands, his feet trembled slightly, and then he said something in his mouth!

Rays of light radiated from David's feet!

All of a sudden, the surrounding scenery is over, and the two people seem to have changed a space!

"Space magic..."

Fan Jiang frowned slightly when he saw this.

At this moment, David, Long Jing kept flickering, and the blood on his body was boiling all the time.

The cold sweat on his forehead dripped onto the ground and evaporated instantly.

David doesn't know much about space magic, and he can't do anything like Ge Fuhai, who can create a space with a wave of his hand!

Now he can only do his best to use space magic to see if he can control Fan Jiang!

At this moment, Fan Jiang was trapped in this space, and the whole person felt a heavy sense of restraint!

"Now, let me see where you're going..."

David paused and rushed towards Fan Jiang!

This time, Fan Jiang was not dodging, but waving his fists to attack!

bang bang bang ...

The speed of the two people was very fast, and they collideded with each other in an instant, only to see a golden light flashing.

Soon, the two separated, and David's body was bombarded with wounds that were shocking!

David gasped heavily, staring at Fan Jiang!

He made a fatal mistake at this point.

Although he used the space technique to trap Fan Jiang, but the huge consumption of spiritual power caused him to fight with Fan Jiang, and he didn't take any advantage at all!

If he continued to spend like this, in a few minutes, David knew that he would definitely lose!

Fan Jiang also saw this, with a bit of a sly smile on his face: "You must have consumed a lot of strength by using this space technique? I see how long you can last with the strength you are burning blood essence to improve! "

"what..."

David spewed out another mouthful of blood essence, his face was grim, and he walked towards Fan Jiang again unwillingly.

The golden fist carried endless coercion, and David exhausted every punch with all his strength!

Fan Jiang followed David with all his strength!

Without the slightest bit of carelessness, Fan Jiang knew that David was his last dying struggle!

After a dozen punches!

Although there were some wounds on Fan Jiang's body, it was not a big problem!

David was extremely desperate, he panted and looked at Fan Jiang, his face full of unwillingness!

The surrounding scenery is slowly changing, and it has returned to its original appearance!

Chapter 1533

And David's breath is slowly disappearing and wilting!

"Ah...how can this happen, why is this..."

David yelled in pain!

He hasn't even seen his mother once, Sonya is still suffering, he hasn't been rescued yet, and he doesn't know his identity.

But did it die like this?

David was unwilling, but the breath on his body was quickly disappearing, and finally David's body collapsed!

He wanted to get up again, but found that his body had no strength!

Fan Jiang stepped forward and looked down at David coldly!

And David is now just like Fan Jiang said, like a dead dog, being slaughtered by others!

"You have a lot of treasures on your body. It seems that I can't send you directly to hell..."

Fan Jiang said with a sneer.

David didn't speak, he was still working hard, he wanted to stand up!

Although there was no more spiritual power in his body, David had to stand up with the strength of his body.

Even if he died, he couldn't die like a dead dog!

But just as David raised his head, Fan Jiang stepped on it.

pfft...

The half body, which was finally lifted, fell back heavily.

"Stop struggling, it's useless, you hand over all the treasures on your body now, I'll let you choose the most comfortable way to die..."

Fan Jiang looked down at David with a disdainful smile on his face!

"You dream..."

David glared at Fan Jiang fiercely!

Although he knew that he was going to die, David would not let Fan Jiang get anything!

"Okay, since you don't hand it over, then I'll smash your head..."

Fan Jiang said, raised his foot and stepped on David's head!

But before Fan Jiang's feet fell, he stopped in mid-air!

He felt a strong breath coming!

Immediately afterwards, I saw a figure from far and near!

I can't see that person walking, but the figure of that person is approaching rapidly!

Fan Jiang's heart trembled, he retracted his foot, and stared at the person who came!

The person who came was dressed in a Chinese tunic suit and glasses, and looked polite.

However, the aura on his body was extremely strong. Fan Jiang's face suddenly became very ugly after seeing the person coming!

"Mr. Shi..."

Fan Jiang's eyes narrowed slightly!

Mr. Shi didn't even look at that Fan Jiang, but put his eyes on David, who was covered in blood!

"When will your temper become less impulsive..."

After Mr. Shi finished speaking, he waved his palm lightly, and a soft wind rushed to his face. David only felt a strength in his body and stood up all of a sudden!

"Mr. Shi..."

David faced Mr. Shi, his face full of embarrassment!

"You have a chance to escape, why not? Is it because of a few sarcastic words?"

"What about a few words? Before you have absolute strength, forbearance is the most important thing you should do."

"Knowing that you can't do it, but you want to do it, that's courting death!"

"Not every time you have such good luck, and not every time someone comes to your rescue!"

"Do you know how many people are waiting for you? Your life is not yours, and there are many people waiting for you."

"Do you understand what I'm saying?"

Mr. Shi's face is calm, but every word has an extremely stern tone!

It's like the elders are reprimanding their children!

David's face turned red and white from what Mr. Shi said, and he lowered his head, like a child who made a mistake!

Fan Jiang was on the side, but Mr. Shi regarded him as air, which made Fan Jiang's anger continue to burn!

"The surname is Shi, this David I'm going to kill today, do you want to meddle in your business?"

Fan Jiang blushed and shouted at Mr. Shi.

Chapter 1534

Then Mr. Shi slowly turned his head to look at Fan Jiang: "You can't kill him..."

"Why?" Fan Jiang was taken aback!

"Because I'm here, you can't kill him!"

Mr. Shi said calmly.

"Hmph, twenty years ago, I was not your opponent, but now who will live and who will die..."

Fan Jiang's aura suddenly skyrocketed!

"I was able to kill you twenty years ago, and I can still..."

Mr. Shi's face was still calm, and he still spoke in that unhurried tone.

Although the tone is gentle, but with a kind of firmness!

Fan Jiang's face was ugly, and he instantly took the tiger-headed knife in his hand!

But looking at Mr. Shi's calm appearance, Fan Jiang's heart was turning upside down!

I haven't dared to do anything to Mr. Shi for a long time!

After a while, Fan Jiang put away the tiger-headed sword.

"Since you want to save this David, then I won't kill him. Anyway, the Martial Arts Alliance wants him to die. I can't commit against you for the Martial Arts Alliance!"

After Fan Jiang finished speaking, he turned around and was about to leave!

He followed David without any grievances or hatred, but he was only entrusted by Zhu Zhishan, and he should not be guilty of following Mr. Shi for this matter!

Because Fan Jiang was clueless, he didn't know if he was Mr. Shi's opponent!

"Did I let you go?" Mr. Shi asked.

Fan Jiang was stunned: "I won't kill him anymore, what else do you want?"

"kill you..."

Mr. Shi said slowly!

kill you!

These short words made Fan Jiang tremble, and he couldn't help but take a few steps back!

"Don't think I'm afraid of you, if you really fight, it's a lose-lose..."

Fan Jiang looked at Mr. Shi cautiously and said.

"Both lose?" Mr. Shi suddenly smiled: "You deserve it too..."

When the voice fell, Mr. Shi's aura suddenly changed!

The originally calm face was instantly filled with Ling Lie's killing intent, and now Mr. Shi is like a killing god!

The cold killing intent on his body made David feel a burst of shock!

Feeling the explosive breath on Mr. Shi, Fan Jiang couldn't help but take two steps back!

"The surname is Shi, you and I have no grievances and no grudges. You can't fight me to death, right?"

"I've said it all, if you let David go, he won't be bothering him anymore."

"And now the entire martial arts world has already been messed up into a pot of porridge, you can't kill me for my identity as an evil cultivator, right?"

"In that case, wouldn't you officially kill half of the entire martial arts world!"

Fan Jiang is begging for mercy with Mr. Shi!

“Don’t talk nonsense, let’s do it!”

Mr. Shi has made up his mind.

Seeing this, Fan Jiang could only roar loudly, the tiger-headed sword in his hand was playing like a tiger, and the monstrous force rose to the sky, and the terrifying blade came towards Mr. Shi!

Facing the terrifying blade, Mr. Shi actually slowly raised a hand and looked at it calmly!

Mr. Shi’s performance made Fan Jiang even more angry!

The tiger-headed knife in his hand emits light, and the blade is even sharper!

But just as the terrifying blade wave after wave came towards Mr. Shi, Mr. Shi raised his right hand and patted forward gently!

A breeze blew, and it collided with the blade edge of the waves.

The terrifying blade, after touching the breath shot by Mr. Shi, disappeared instantly without a trace!

There is no aftermath of the sky and the earth, and there is no deafening sound!

Fan Jiang’s hard blow was silently resolved.

David was a little dumbfounded, he had never seen such strength before!

That Fan Jiang also widened his eyes and looked at the scene in front of him in disbelief!

It was his strongest blow just now!

To be resolved so easily, the gap between him and Mr. Shi's strength is self-evident!

Fan Jiang's heart is full of panic, he has long lost the courage to shout with Mr. Shi!

Now Fan Jiang has only one thought, and that is to escape!

He knew that he had no chance of winning!

Chapter 1535

"You want to escape?"

Mr. Shi seemed to see Fan Jiang's thoughts, and said slowly.

Fan Jiang didn't speak, but at this moment, he seemed to see the shadow of David just now!

Just now David was asked this by himself!

But now, it's his turn!

As soon as he gritted his teeth, Fan Jiang turned around and ran, all the energy condensed under his feet, and the speed reached the extreme in an instant!

He wants to escape from here and will never come to Kyoto!

Twenty years, he spent twenty years in the dark dungeon!

Come out today, must not die!

He hasn't had a good time yet!

Fan Jiang's speed was so fast that he disappeared in the blink of an eye, but Mr. Shi didn't seem to be in a hurry. remember url

"Aren't you going to chase?"

David asked Mr. Shi in a low voice.

"He can't run..."

Mr. Shi's voice fell, but the person disappeared.

David's jaw dropped in shock.

He had never officially seen Mr. Shi make a move, but when he saw it today, David completely understood why those people in the Kyoto martial arts world met Mr. Shi like a mouse seeing a cat.

After Fan Jiang ran far away, he looked back and found that Mr. Shi hadn't caught up, so he breathed a long sigh of relief.

"Damn, it's too perverted..."

Fan Jiang patted his chest!

But just after he breathed a sigh of relief, Fan Jiang felt a gust of wind behind him.

When he was looking back, he found that Mr. Shi was behind him, Fan Jiang was startled instantly, and he staggered and almost didn't fall.

"You can't escape..."

Mr. Shi put his hands on his back and said quietly.

Fan Jiang looked at Mr. Shi in horror. He found that Mr. Shi was not running, and that Mr. Shi's feet were not moving.

It's flying, Mr. Shi is actually flying...

Fan Jiang is cowardly!

He stopped and knelt down in front of Mr. Shi with a thud.

"I beg Mr. Shi to let me go, I will hide in the mountains and forests in the future, and I will never show up again!"

Fan Jiang began to beg for mercy!

Mr. Shi looked at Fan Jiang and smiled coldly: "It's useless, you have to die, if you don't die, then David's strength can't be restored..."

Fan Jiang was stunned for a moment, not understanding what Mr. Shi meant: "Then David burns blood essence, and now his blood essence is depleted, his dantian is closed, he is already a crippled person, he can't cultivate at all, even if he kills me, he can't recover... .."

Mr. Shi shook his head: "Who said that if the blood essence is burned, there is no way to recover, as long as he absorbs your strength, he can recover!"

When Fan Jiang heard it, he immediately understood that Mr. Shi wanted David to absorb his own strength.

You must know that Fan Jiang has practiced for decades before reaching the peak of Wuhou, how can he be absorbed by people casually?

"Do not..."

Fan Jiang raised his head and roared, all the energy condensed on his hands, he couldn't absorb the strength of others, he had to resist!

Mr. Shi looked at the crazy Fan Jiang, raised his hand and slapped it out, instantly smashing all the techniques that Fan Jiang had condensed!

In front of Mr. Shi, Fan Jiang didn't even have the chance to make a move!

Fan Jiang still wanted to gather strength to resist, but Mr. Shi grabbed the collar by the collar, and he was carried in the air like a little chicken!

All the energy in Fan Jiang's body dissipated in an instant, and it couldn't be condensed again!

With Fan Jiang in his hand, Mr. Shi quickly returned to David.

Seeing that Fan Jiang, the evil cultivator leader, is like a little chicken in Mr. Shi's hands, this makes David refresh his cognition once again!

Mr. Shi threw Fan Jiang in front of David!

Fan Jiang, who was arrogant and stepped on David's head just now, fell to the ground like a dead dog!

"If you absorb his strength, you will be able to recover. Although your bloodline is different from other people's, burning blood essence will have side effects after all. Use it less in the future..."

Mr. Shi reprimanded David!

David glanced at Mr. Shi. Although he was very curious, how did Mr. Shi know that his bloodline was different from others, but he did not dare to ask!

Chapter 1536

David walked towards Fan Jiang step by step, while Fan Jiang shrank his body, his eyes full of horror!

It is really not easy to cultivate to his level of strength!

But it seems that the strength is about to be absorbed by others.

And little life is not guaranteed.

"no, do not want..."

"I still have several major evil sects under my command, and I know several ancient ruins. As long as you don't kill me, I can tell you all of them."

Fan Jiang is following David to beg for mercy!

Therefore, the more powerful people are more afraid of death!

David didn't want to let Fan Jiang go, but when he heard Fan Jiang say he knew of several ancient ruins, his heart moved!

Seeing the hesitation in David's eyes, Fan Jiang knew that his words had an effect, so he continued: "Those are ancient ruins that are thousands of years old. No one knows the location except me."

"As long as you don't kill me, I am willing to help you find those ancient ruins!"

David really stopped, the ancient ruins thousands of years ago really made David very interested.

To know a city of bliss, David has raised two realms!

If you are looking for a few ancient ruins, then your strength will grow faster!

"If you don't absorb his strength, you are a waste now, and you can't cultivate at all. You know those ruins, what's the use?"

At this time, Mr. Shi faintly reminded.

David woke up immediately, he burned blood essence, if he didn't absorb Fan Jiang's strength, he couldn't recover at all, even if he found those ancient ruins, what's the use?

When David thought of this, he slapped Fan Jiang's head with his palm, and immediately started the Concentration Technique, and began to continuously absorb Fan Jiang's strength!

"You absorb his strength and you can leave him alive. Isn't it the same as knowing the address of the ancient ruins?"

Mr. Shi asked David to only absorb Fan Jiang's strength, not to take his life!

"This... sucks his strength dry, and he will die as a mummified corpse..."

David looked at Mr. Shi in surprise.

He still can't control it at all, and Fan Jiang can't handle the huge power of the Concentrate Heart Art.

After all the strength is absorbed, he will definitely die.

"Don't worry about it, I have my own way..."

After Mr. Shi finished speaking, he quietly drove David to absorb Fan Jiang's strength.

Fan Jiang only felt that the energy in his body continued to spread outward, and then entered David's body.

Fan Jiang's face is hideous, and it can be seen that it is very painful!

Soon, Fan Jiang's body became smaller and smaller, and finally it was directly reduced to half the size of the previous body!

David let out a long sigh, and a wave of spiritual power began to swim in his dantian again!

"The peak of Marquis Wu is really extraordinary..."

David clenched his fist, his face full of excitement!

But when he looked at Fan Jiang, he found that Fan Jiang had already lost his breath!

"died..."

David looked at Mr. Shi and asked with a puzzled look.

Mr. Shi said he had his own way, but Fan Jiang was still dead.

"He's not dead..."

Mr. Shi shook his head, and saw a faint white light wave from Mr. Shi's hand, instantly covering Fan Jiang's body.

Fan Jiang's corpse soon formed a cloud of black mist, and finally the black mist turned into a human figure, and turned into the appearance of Fan Jiang.

The white light enveloped Fan Jiang, making Fan Jiang's face full of pain!

"Do you have to beheaded?"

Fan Jiang roared, but there was endless panic in his eyes!

At this time, Fan Jiang had already become a soul. Fan Jiang knew that he was going to die, so there was a trace of his soul left, and he planned to take the opportunity to escape!

But he didn't want to be seen through by Mr. Shi, and directly trapped him!

If even this trace of soul is gone, then Fan Jiang has really disappeared from the world.

"Don't worry, I won't eradicate your soul, just control you..."

"You know how to do the next thing. As long as you do well, I will find a host for you and resurrect you."

Mr. Shi said lightly.

Chapter 1537

"I know, I know..." Fan Jiang nodded again and again, then turned around and knelt down directly to David: "In the future, I would like to follow Mr. Chen and help you find those ruins!"

David looked at the soul of Fan Jiang in front of him in surprise, it felt like he was in a dream!

"David, put him away, maybe you can use him later..."

Mr. Shi said to David.

David nodded, opened the storage ring, and directly put Fan Jiang's soul into the storage ring!

David would not let Fan Jiang live in his body.

"Mr. Shi, thank you..."

David looked at Mr. Shi gratefully and said.

Mr. Shi smiled faintly: "You will have more brains in the future, don't rush to it like that, that is the biggest thank you to me!"

After finishing speaking, Mr. Shi waved his hand and motioned David to leave!

On the other hand, he was carrying his hands on his back and could not see his movement, but his body instantly appeared 100 meters away!

David glanced at Fan Jiang's corpse again, then turned and walked towards Yaoshen Valley.

Not long after David left, Zhu Zhishan came with three black copper robes.

When he saw Fan Jiang's mummified corpse, Zhu Zhishan's eyes widened, his face full of shock!

"This... this Fan Jiang is actually dead?"

Zhu Zhishan said in surprise.

The three black copper robes were also shocked. They had heard about Fan Jiang's ability a long time ago, and now they were killed by David, how terrifying David's strength was.

"The smell of burning blood?"

At this time, a black copper robe suddenly frowned and said.

Others also quickly closed their eyes slightly to feel it!

"Yes, someone here has indeed burned blood essence, and this breath should be that of David!"

Another black copper robe said.

When Zhu Zhishan heard this, his originally shocked expression showed a hint of joy!

"So, David burned his blood essence and forcibly improved his strength before killing Fan Jiang..."

Zhu Zhishan asked hurriedly.

"It's very likely that with David's strength, he can't be Fan Jiang's opponent at all. Even if he burns his blood essence and forcibly improves his strength, he may not be able to beat Fan Jiang, but now that Fan Jiang is dead, then David is definitely not much better!"

"Even if he doesn't die, he's a waste now. As long as he finds and beats him, he can easily be caught..."

A black copper robe said.

"Great, I'll send someone to track down the whereabouts of David and see if he is dead or not..."

Zhu Zhishan's eyes flashed, and he turned and left.

As for Fan Jiang's body, they didn't even care about it!

...

Kyoto Dragon House.

The news that David forcibly burned his blood and killed Fan Jiang was soon known to the Long family.

After all, the Long Family is also a member of the Martial Arts Alliance, and Zhu Zhishan will not hide the Long Family.

When Long Jingguo heard the news, his expression changed.

You must know that Fan Jiang was rumored to be dead twenty years ago, but he didn't want to be imprisoned by the Martial Arts Alliance!

It can be seen that the secret of this martial arts alliance is deep, and I am afraid that many of these members do not know.

However, David forcibly burned the blood and essence, even if they were immortal, they would be useless.

Long Jingguo hurriedly told Long Xiao the good news, but after hearing the news, Long Xiao's face became very ugly!

"Xiaoer, then David forcibly burned his blood essence, and now he is a waste person if he doesn't die. You should be happy..."

Long Jingguo said to Long Xiao.

"Dad, as long as I don't see that David, I always feel uneasy. Besides, even if David forcibly improves his strength, I'm afraid he won't be able to kill Fan Jiang, but now that Fan Jiang is dead, it proves that David's strength is stronger than ours. Imagination is high!"

Long Xiao clenched his fist tightly. You must know that Fan Jiang was a famous Marquis 20 years ago, and no one knows how powerful he is now!

Chapter 1538

Now that David forcibly improved his strength and killed Fan Jiang, this kind of terrifying record is no longer something that Long Xiao can match.

"Dad, I'm going to retreat to practice..."

Long Xiao took a deep breath, and there was a deep and terrifying light in his eyes!

He only has one arm now, so he must practice harder than others.

Long Jingguo looked at Long Xiao, then patted Long Xiao on the shoulder: "Okay, now that David is nothing to worry about, if you can be promoted to the realm of the Great Marquis, our Long family will surely regain its glory..."

"Great Marquis?" Long Xiao smiled coldly: "My goal is Martial Saint..."

...

Kyoto Budo Alliance!

After Zhu Zhishan returned, he immediately sent people to search for David's whereabouts, especially on the way to Yaoshen Valley!

"Now that David is dead or alive, it is not enough to threaten our Martial Arts Alliance. I am relieved!"

Zhu Zhishan let out a long breath. remember url

It was because of David that he lost an arm and almost lost his position as the leader of the alliance. Now that David is dead, he has become a cripple, and Zhu Zhishan can finally sleep peacefully.

"You all think that Fan Jiang was killed by David?"

At this time, Ning Zhi slowly walked out from behind.

Seeing Ning Zhi, Zhu Zhishan's originally relaxed mood suddenly became a little nervous.

I don't know why, but when Zhu Zhishan faced Ning Zhi during this time, he was always nervous.

Obviously he is the leader of the alliance, and Ning Zhi is the deputy leader!

But Zhu Zhishan is afraid to see Ning Zhi!

"We went to the scene to see that Fan Jiang was dead. It wasn't David who killed it. Who else did it?"

"You can ask the three of them, there is still the smell of David burning blood, it should be not long after the battle!"

Zhu Zhishan said.

"Yes, we did feel the breath of David's burning blood essence at the scene."

"David is the only way to kill Fan Jiang, otherwise he is not Fan Jiang's opponent!"

A black copper robe explained.

"Even if David burns blood, he is not Fan Jiang's opponent. Fan Jiang must have been killed by someone else..."

Ning Zhi's eyes narrowed slightly!

"Who? Who in the entire capital will help David kill Fan Jiang?"

Zhu Zhishan asked incredulously.

"Mr. Shi..."

Ning Zhi spoke slowly.

Hearing the three words of Mr. Shi, Zhu Zhishan's body trembled.

"Impossible, how could Mr. Shi help David to kill Fan Jiang? Besides, we have people everywhere, and we didn't find that Mr. Shi left the Law Enforcement Pavilion?"

Zhu Zhishan feels unlikely.

"Whether you believe it or not, I will report this matter immediately."

"If Mr. Shi really took action on that Fan Jiang, it would prove that David is not necessarily a waste now. If this is the case, our strategy for David will be changed..."

After Ning Zhi finished speaking, he turned around and left.

On the other hand, Zhu Zhishan had a blank look on his face, and muttered to himself: "Impossible, how is it possible, that David burns his blood, and even if he doesn't die, he must be a waste..."

Zhu Zhishan didn't want to believe what Ning Zhi said, he didn't want to make David his nightmare...

...

Medicine God Valley.

Everyone surrounded David with joy on their faces!

David was left alone to deal with the black copper robe, which made everyone in Yaoshen Valley very worried!

Especially Xiao Ru, if David has three strengths and two weaknesses, she will not be alive!

David went to the martial arts field to save her!

Now that David is back, Xiaoru is very happy!

But this time, David couldn't be happy. This time, he really saw the horror of the Martial Arts Alliance!

If Mr. Shi hadn't suddenly appeared, David would have been dead by now!

Chapter 1539

David stayed in Yaoshen Valley for a few days, and Gu Linger was the happiest these few days, staying by David's side all day!

However, David was a little unhappy. After all, his mother and Sonya hadn't been rescued yet!

He needs to continue to improve his strength!

"Are you still worried about Sonya?"

On a big rock, Gu Linger sat next to David, and then asked softly.

David looked in the direction of Kyoto, then nodded.

"I'm so useless, I can't even protect my girlfriend..."

David's face is full of self-blame!

"It's not your fault, it's because the Martial Arts Alliance is too powerful, don't blame yourself too much."

"During this time, everyone is working hard to cultivate, hoping to improve their cultivation and help you..."

Gu Linger comforts David!

Whether it is the four evil people or Zhao Ligu, they are all trying their best to cultivate, and with the help of the medicinal herbs of Yaosheng, everyone's realm has also improved rapidly!

They know that only if they are strong enough can they really help David.

"Xiaoru, wait for me..."

At this time, Zhao Chuang's voice suddenly came, and David followed Gu Linger to see that Zhao Chuang was playing with Xiaoru!

"These two are a good match..."

Seeing the two people fighting, a smile appeared on David's face.

"It's a good match. This guy Zhao Chuang usually does what he's saying, but his heart is not bad. Xiaoru is also pure-hearted. The two of them are very good together..."

Gu Linger nodded and said.

"When I have time, I'll talk to Master Zhao and settle the matter between the two of them."

"There is a happy event like this, and it can also make everyone happy!"

David said with a smile.

"I still use you, Uncle Long talked about it a long time ago, but Zhao Chuang is a little stronger, and he feels that his strength is too low, even Xiaoru is inferior, so he must improve his strength to Wuhou before marrying Xiaoru. .."

"He said that with his current strength, he can't protect Xiaoru at all, and he can't give Xiaoru a sense of security..."

"It's possible that Zhao Chuang watched Xiaoru being taken away, but he couldn't do anything, and he hit him hard..."

Gu Linger thought of Sonya when Xiaoru was arrested ahead of time, so she looked a little lonely!

"Zhao Chuang's talent is good. If he really works hard, it will not be difficult to reach the realm of Marquis..."

David looked at Zhao Chuang not far away and decided to take this kid with him.

If you don't take him, Zhao Chuang relies on his own efforts, and he doesn't know how long it will take to reach the realm of Marquis. Could it be that Xiaoru has to wait for him all the time?

But Zhao Chuang's strength is too poor, if he takes him to a particularly dangerous ancient ruin, it will definitely become a burden, and maybe it will be dangerous.

We must find a place that is safe and rich in resources!

"Where is such a perfect place?"

David frowned slightly, thinking about what exactly would be suitable for such a request.

Soon, a place flashed in David's mind, that is Penglai Island!

After killing Duda, David always wanted to visit Penglai Island!

He wants to see what kind of island it is, and can cultivate so many immortal cultivators in this era of lack of spiritual energy!

In Penglai Island, David can also retreat and cultivate by the way to improve his cultivation!

After having this idea, David didn't stay in Yaoshengu for a long time!

Called Zhao Chuang, followed everyone to say goodbye, and went straight to Penglai Island.

Because Penglai Island is overseas, David and the others need to go through the formalities and travel by boat!

Along the way, David was happy to call Zhao Chuang, a knowing choice!

Don't look at Zhao Chuang's usual carelessness, but he took good care of David along the way!

Five days later, David and Zhao Chuang set foot on the legendary immortal island 'Penglai Island'.

Chapter 1540

"Brother Chen, why is the air here different? It feels very comfortable to breathe?"

After landing on the island, Zhao Chuang asked David.

David did not speak, but the pores on his body opened, feeling the rich spiritual energy on Penglai Island.

Like Penglai Island, there is no such rich spiritual energy in other places!

"It's really strange, why is there such a strong spiritual energy only on this island, but not in other places? Moreover, this spiritual energy seems to be only shrouded in Penglai Island, and it does not spread at all!"

David frowned slightly!

You must know that the aura is like the air, it will drift away, but the aura on Penglai Island is rich, and as soon as you leave the island, the aura will be thin immediately.

"Where does such a strong spiritual energy come from? Could it be that there are ruins under Penglai Island?"

David remembered that Suolong Island was coming, and wondered if there would also be relics under Penglai Island!

“Brother Chen, this place is really like a paradise. I knew that I brought Xiaoru and Linger sister with me...”

As soon as Zhao Chuang arrived here, he started thinking about Xiaoru!

After all, young people, in love, can understand.

“Let’s go around first, if it’s really good, it’s not too late for them to come over...”

After David finished speaking, he took Zhao Chuang and started to turn around on Penglai Island.

Penglai Island is not very big, with a population of only tens of thousands, but everyone is cultivating immortals!

This made David very surprised. It was not easy to find so many immortal cultivators!

According to Ge Fuhai, most of the immortal sects have gone into seclusion, but there are still so many immortal cultivators active on Penglai Island.

And there seems to be no special attention here!

Logically speaking, the spiritual energy here is so rich, it should be a place that many people dream of, and many sect families will definitely compete!

But looking at the peaceful Penglai Island right now, it doesn’t look like it is suffering from war.

After turning around, David and Zhao Chuang rented a set of courtyards to live in, so that they would not be disturbed when they practiced!

Such a rich spiritual energy is an excellent place for cultivation. No matter what the reason is, David must improve his strength as soon as possible!

“Zhao Chuang, I brought you out to let you cultivate well and improve your strength. You can’t be lazy. The environment here is the most suitable for cultivation...”

David warned Zhao Chuang.

“Brother Chen, don’t worry, for Xiaoru, I will also work hard to cultivate. I believe that I will soon be able to reach Wuhou.”

Zhao Chuang looked confident!

Seeing Zhao Chuang’s confident look, David nodded with satisfaction.

David started to set up the Spirit Gathering Array in the place where they rented. With such a strong spiritual energy, when adding the Spirit Gathering Array, the richness of the spiritual energy here can be imagined.

It took a full day for David to set up a spirit gathering array, and then passed it on to Zhao Chuang with a set of mental methods, and the two began to practice!

The rolling spiritual energy condensed towards the courtyard where David and the others rented like a thick fog!

Soon, the entire courtyard was shrouded in spiritual mist, and this small courtyard was also in danger.

A wave of aura swept through David’s body, and the pores of David’s body opened, greedily absorbing this rich aura.

David’s Condensing Heart Art is different from other cultivation methods, and it requires a huge amount of spiritual energy.

At this moment, the rich spiritual energy on Penglai Island just makes up for this!

After only ten days of seclusion, David has already touched the ceiling of the four realms of Nascent Soul. As long as he practices for a few days, he will definitely be able to break through!

This perverted cultivation speed made David feel stunned for a while!

You must know that when he was in Bliss City, with tens of thousands of beast pills and that shark bead, David was promoted to the third realm of Nascent Soul!
