

# A Man Like None Other

## Novel

### Chapter 1841

David took the mobile phone, and the picture above was that Sonya was tied up, and a man in black robes kept whipping Sonya with a whip.

And while fighting, he provoked David!

"David, I know you can definitely see this video. You can't even protect your girlfriend, and you dare to challenge our martial arts alliance.

" I can kill you."

"Now I'll show the people in the martial arts world. You brag all day long, but you can't even protect your girlfriend."

After speaking, the whip beat Sonya fiercely. body.

Sonya clenched her teeth tightly, without making a sound, her eyes were full of anger!

Watching this scene, David's body was trembling, and his teeth were rattling.

A terrifying murderous aura burst out from David instantly.

"Martial Arts Alliance, I'm going to kill all of you..."

David suddenly smashed the phone in his hand, and his eyes became extremely scarlet!

David's power is constantly wandering, and the whole person seems to be in madness, and the anger has made David lose his mind.

Feeling the breath of David, Long Xingxu was shivering all over!

David got up and said to Long Xingxu: "Call everyone in Longmen, I want no one alive in the Martial Arts Alliance..."

"Brother David, tomorrow we will officially compete with the Martial Arts Alliance, the battle post has been sent, if we are now Do it, in the martial arts world, I am afraid..."

"Shut up, I will let everyone in the martial arts alliance die now." Before Long Xingxu finished speaking, David roared angrily: "In addition, all families in the martial arts world are notified, whoever joins Those who belong to the Martial Arts Alliance are the enemies of my Dragon Gate, and they will receive revenge from my Dragon Gate."

Seeing this, Long Xingxu nodded and said, "Okay, I'll go right now."

After Long Xingxu left, David walked out of the room, raised his head and roared!

"Ah..." The

huge roar instantly spread over a radius of ten kilometers, and the golden light on David's body was constantly flashing, and the terrifying breath swept through like a tsunami.

The undead golden body was activated, and pieces of golden scales covered David's body, and the Dragon Slaying Sword also appeared in David's hand!

David can't stand it anymore, he wants to kill all those guys in the Martial Arts Alliance now, not a single one...

"I will not kill the Martial Arts Alliance, I, David, will not be human..."

David roared!

The bright golden light made many people look around.

Hu Mazi, Gu Linger, and Long Wu also felt the anger on David, and they all came running!

They also all saw the video on the martial arts forum, and everyone was outraged!

Looking at David's scarlet eyes from anger, everyone showed distress.

They knew how uncomfortable David would be at the moment!

"Mr. Chen, if you lose your mind at this time, for the Martial Arts Alliance, it's exactly what they want, you have to think twice."

Zhou Jie came and persuaded David.

"Yes, David, you have to calm down. The Martial Arts Alliance released this video at this time, obviously to stimulate you. As long as you get angry, you will definitely be in chaos."

Long Wu also persuaded David.

"As I said, it's just an image, not your real girlfriend, so when you think about it, your girlfriend was not beaten."

Zhou Jie was still persuading David.

At this moment, David's violent aura was slowly subduing, and he was chanting the Heart Purification Mantra silently in his heart!

"I know, I won't mess up my mind." David nodded: "But this time I won't kill the Martial Arts Alliance. I don't think I will give up."

Although David didn't go to the Martial Arts Alliance to make trouble, but the grass family, All the families who joined the Martial Arts Alliance are unlucky!

In just one night, Longmen was dispatched and wiped out more than a dozen aristocratic sects!

## Chapter 1842

All of them joined the Martial Arts Alliance, and there were some lucky ones who immediately announced their withdrawal from the Martial Arts Alliance when they saw the signs of something wrong!

For a time, everyone in the martial arts world turned pale when they talked about the martial arts alliance, and no one dared to mention the martial arts alliance again, let alone join!

Even many staff members in the Martial Arts Alliance resigned one after another, and even the guards at the gate ran away!

Originally, the Martial Arts Alliance wanted to use this method to stimulate David and make David mentally chaotic, so he could deal with him very well.

Unexpectedly, in just half a day, the Martial Arts Alliance was isolated!

In addition to their seven black and silver robes, there are only a dozen people left in the entire Martial Arts Alliance.

At noon, it's time for Bibi!

In the martial arts field in the suburbs, it was already crowded with people.

Originally, the Martial Arts Alliance wanted to make a high-profile appearance, but now there are only a dozen people left, how can it be high-profile?

Helpless, only seven black silver robes went to the martial arts field alone, and the remaining dozen people were watching the house in the martial arts alliance!

Just as the seven black and silver robes had just left the Martial Arts Alliance, Long Xingxu immediately rushed in!

Kill people when they see them, everyone in the Dragon Gate has endless anger towards the people in the Martial Arts Alliance!

More than a dozen people from the Martial Arts Alliance were quickly slaughtered, and Long Xingxu successfully occupied the Martial Arts Alliance!

And all the plaques were smashed and replaced with the Longmen brand!

It's just that the seven black silver robes don't know yet and are on their way to the martial arts field.

David was alone, standing quietly on the ring, waiting for the people from the Martial Arts Alliance.

Although only David was in the ring, everyone felt the momentum of David, but it was like there were thousands of troops!

"I want to change the bet, I want to bet on Davidsheng..."

"This David's aura is indeed different from other Great Marquis."

"This time the competition must be very exciting, I want to take a good look."

Everyone looked at David on the ring and talked about it!

"The people from the Martial Arts Alliance are here..."

At this moment, seven black and silver robes walked slowly, and then went up to the ring!

Seeing that the seven Martial Marquis of the Martial Arts Alliance had all appeared, everyone stopped talking and looked at the ring quietly!

At this time, in a corner under the ring, a man who was also wearing a black robe and his face was covered was also staring at the ring!

This person is Ning Zhi, but at this time Ning Zhi is no longer completely himself.

"These idiots want to anger David and make him mad, but now it seems to be counterproductive."

Ning Zhi said slowly.

"Observe carefully, when you follow David, there will be a battle."

In Ning Zhi's mind, the voice of the magician appeared.

"Master Demon Envoy, do you think that the seven black silver robes, together with the two sacred weapons, can't catch this David?"

Ning Zhi asked in surprise.

"Not necessarily, but David dared to challenge the Martial Arts Alliance on his stomach, and he looked calm and relaxed. It seems that he was prepared." The magician said.

"If the seven black and silver robes are defeated at that time, should we do something?"

Ning Zhi asked.

“No, your task now is to increase your strength as soon as possible. It won’t take long, it will be of great use.” The

magician said hoarsely.

Ning Zhi nodded, although he didn’t know how useful he could be, but since the envoy said so, it seems that his future is limitless.

On the ring, David was alone with the seven black and silver robes of the Martial Arts Alliance!

The boss took a step forward slowly, and then stared at David!

David also looked at the boss in the black and silver robe, his eyes were full of murderous intent!

The two people began to exude aura, and the auras swept like waves, constantly impacting each other!

Obviously, this boss is testing David’s details!

## Chapter 1843

Boom...

With a loud noise, David’s body took three steps back, but the black-silver robe boss didn’t move at all!

Everyone in the stands was a little surprised when they saw this!

If David can’t even deal with a black and silver robe, what is there to challenge the entire martial arts alliance?

If seven people join forces, David will not be beaten into scum!

The boss showed disdain in his eyes, and said with a cold smile: "With this little skill, where did you have the courage to challenge our martial arts alliance?"

"Don't think how powerful your Dragon Gate is, in the face of absolute strength, I can make yours in minutes. Longmen is disbanded."

"You are obediently admitting defeat, and if you come with us, I can let you leave in a decent manner!"

"If you are obsessed, then I don't mind dragging you away like a dead dog."  
The

boss said yes As David threatened, the test just now multiplied his information.

"You are so confident that you can beat me?"

David said with a faint smile.

"It's not confidence, it's strength. If the seven of us shoot at the same time, you won't even be able to see the bones." The

corner of the boss's mouth was slightly raised, and his eyes were full of disdain and contempt!

"Then the seven of you will do it together. Since I want to challenge your martial arts alliance, of course, let the seven of you do it together and kill one by one. I think it's a waste of time..."

David said coldly.

Hearing David's words, all the seven black silver robes were stunned.

They didn't expect that David would dare to let the seven of them do it together in front of so many people.

This is simply too arrogant, and they don't take them seriously.

"David, you little boy, you just don't know how high the sky is, it's too wild..."

The fifth elder in black and silver robe roared at David.

But the boss didn't get angry, but with a sneer on his face: "David, I've already seen that little trick of yours, don't you just want the seven of us to do it at the same time, even if you are If you lose, it can also be said that we are bullied by a large number of people."

"Also, our martial arts alliance does not talk about martial arts, and many people bully you alone, I will not give you this opportunity, I will deal with it alone. You, enough..."

After the boss just tested, he felt that he had no problem dealing with David, plus he had the sacred weapon in his hand, it was easy to defeat David!

"You mean to fight me one-on-one?"

David asked lightly.

"Of course, one of us is enough, why seven people?" The

boss nodded.

"Okay, I hope you don't regret it." David nodded, and then said: "But I have a request."

"You can tell..." The

boss nodded.

"Can I choose one of the seven of you to compare with me?"

David asked.

The black and silver robe boss was slightly taken aback: "Do you want to choose the weakest one from among us? But I advise you to put aside this careful thought, because our brothers are of equal strength, whoever you choose will be The same fate."

But David shook his head: "I just want someone to die first..."

"Okay, who do you choose?" the boss asked.

David's eyes swept over a few people, and then his eyes fell on the second black and silver robe.

"It's him..."

David's eyes were filled with murderous intent.

Because from the video, David can clearly see that this guy beat Sonya.

The boss glanced at the second child, and then smiled coldly: "The second child, this guy chose you, are you sure?"

"Big brother, within ten moves, I will take this kid."

Hei Yinpao The second child is full of self-confidence. The boss just tested David and let him see David's strength.

"Okay, then you shoot, but be careful, don't kill him..." The

boss urged.

# Chapter 1844

Because David's physical body is needed, if David dies, it is a corpse, and the value of the physical body will be greatly reduced!

"I understand..." The

second child nodded, then stepped forward and pointed a long sword at David.

"Boy, your little girlfriend is so skinny and tender, she really resists beatings. She didn't say a word. I believe you have seen the video, right?" The

second child stepped forward and provoked David!

David's pupils shrank suddenly, and his whole body was full of killing intent!

"Today I will let you know what regret is..."

After David finished speaking, the Dragon Slaying Sword slowly appeared in his right hand!

When the Dragon Slaying Sword came out, everyone seemed to feel the strong fighting spirit and bloody murderous aura emanating from the Dragon Slaying Sword!

David has long been one with the Dragon Slaying Sword, and the anger in David's heart, the sword spirit of the Dragon Slaying Sword can also be truly felt.

Therefore, the Dragon Slaying Sword at this moment has long been hungry and thirsty, and wants to drink the blood of the other party.

Seeing the Dragon Slaying Sword in David's hand, the long sword in the old second hand trembled slightly, as if he was afraid!

"Boy, take the move..." Seeing this, the

second child rushed towards David.

If he didn't do it, he was afraid that he would also feel timid in his heart.

When fighting, the most taboo is to be timid to the opponent, so you will become very passive!

Obviously, the second black and silver robe also understood the reason, so he took the lead.

The long sword in his hand stabbed straight at David, and the sword energy was like an arrow from Xuan Xuan, whistling in the air!

David was not in a hurry, he gently waved the Dragon Slaying Sword in his hand, and a surging sword energy directly shrouded the second child!

With this wave of David, the sword energy slapped towards the second child like a wave.

But the sword qi emitted by the second black and silver robe was sharp and condensed, and instantly pierced the wave-like sword qi in front of David!

The whistling sound came in a blink of an eye, but David did not change his face, his golden body burst out suddenly, and

the golden light instantly enveloped David's whole body. At this time, David was like a warrior in golden armor!

The sharp sword energy of the second child slashed at David, and bursts of fire broke out in an instant. Except for the damage to the scales of David's indestructible golden body, David did not suffer any other damage!

The second child looked shocked and looked at David in disbelief, but when he was shocked, David's wave-like sword energy had already arrived in front of him!

The second child hurriedly backed away, and at the same time, the long sword in his hand also waved sword flowers, trying to resist the sword qi cut out by David!

But the sword flowers of the second child, under David's wave-like sword energy, were like a lonely boat, and they were instantly shattered.

The second child also seemed to feel the devastation of the storm, and fell heavily to the ground, and the clothes on his body were tattered by the sharp sword energy, like a beggar.

"Are you all that capable?"

David said coldly as he looked at the fallen second child with a gloomy expression on his face.

Everyone was shocked when they saw this scene. David made the opponent fall to the ground with a single strike!

You must know that several black and silver robes from the Martial Arts Alliance just swore that one person could take down David.

Especially the black and silver robe boss, at this moment, it is like being slapped in the face, and he is still slapped in the face of everyone!

"Second child, you retire..." The

boss said to the second child.

But the second child at this time had already fallen into madness. After getting up, he glared at David: "Today I must take him down..."

Soon, the second child began to emit a faint black mist, and a black figure seemed to walk beside the second child, and finally slowly overlapped with the second child's body.

At this time, the second child's face was full of hideousness, and the aura on his body began to change, and he understood that he became stronger.

## Chapter 1845

"Kid, die for me..." The

second child roared, and the long sword in his hand instantly turned into a complete sword shadow, shrouded in David!

At this time, the entire arena seemed to be shrouded in the shadow of the sword!

Looking at the second child who was rushing towards him, David snorted coldly, and murderous intent erupted in his eyes!

Immediately afterwards, the Dragon Slaying Sword in his hand slowly slid across the air, and David's figure was instantly divided into two and four... The

Nine Shadows Sword Technique was instantly displayed on David's body at this moment!

I saw a few figures of David, like ghosts, and instantly approached the second black and silver robe!

The second child's face changed greatly, the long sword in his hand was swung towards David, and thousands of sword shadows also bombarded David's body at the same time.

But after a loud explosion, what the second child just knocked out was just a phantom of David!

Just when the second child was about to shoot again, he only felt a sharp sword light coming!

"Ah..."

With a shrill scream, I saw the second child's arm holding the long sword flying into the air in an instant!

The entire arm of the second child was cut off, and blood spurted out instantly!

An arm was cut off, but David was not satisfied!

Everyone only saw that five or six Davids who looked exactly the same were waving the long sword in his hand, constantly slashing at the second child!

No one knows which is David's body!

Everyone only heard the constant screams of the second child, as well as the splashing blood and limbs!

After a while, the screams disappeared!

And David's figure finally came together slowly!

At this time, everyone could really see clearly that the Dragon Slaying Sword in David's hand was dripping with blood!

And the second black and silver robe fell to the ground, his limbs have disappeared, his body is full of wounds, and the blood is not stop!

But even with such a serious injury, the second child's chest is still heaving, obviously still alive.

Obviously David didn't want him to die so happily!

The second child looked at David with horror in his eyes, panting heavily, the severe pain made his face grim, but he couldn't say a word.

Because his Adam's apple has long been cut by David with a sword, so he can't make a sound!

"I said, you will regret it..."

David said coldly as he looked at the second black and silver robe, who had already been miserable.

At this time, the second child was lying on the ground, with regret or fear in his eyes!

"Second brother..." "Second brother..."

Several other black silver robes rushed up in an instant, but looking at the second child who was about to become a fleshy mess, no one could do anything, even Da Luo Jinxian could save him with such a body not alive!

At this moment, a black mist suddenly appeared in the second child's body, and then fled towards the distance at a very fast speed!

This is the soul living in this black silver robe. Now that the sojourner is dying, they need to find a suitable person to live again in the shortest possible time.

But just as the soul was escaping rapidly into the distance, David suddenly opened his mouth, and a huge suction force sucked the soul back in an instant.

The soul was directly sucked into David's body, and David was like eating delicious food, with a touch of satisfaction on his face!

Everyone was stunned when they saw this scene, especially those black and silver robes, all of them were very terrified!

Speaking of which, these black and silver robes are just puppets, but what can really dominate is the soul within them!

These sojourn souls, they can find a new sojourn body as quickly as possible after the sojourn body dies.

Therefore, they are not very concerned about the life and death of the sojourn, just like the house where humans live. If the house is broken, they can find a new one!

But now they found out that David could even swallow souls, which made them panic all of a sudden.

Especially the sojourn souls in these black silver robes are terrified one by one.

## Chapter 1846

“Boy, it seems that I underestimated you...” The boss

looked at David angrily, and then said loudly: “The third, the fourth, the fifth, the three of you will take him down for me.”

In the beginning, David deliberately showed his weakness to himself and let himself be fooled, otherwise the second child would not be so miserable!

So this time, he let three people fight David together in one breath!

He didn't believe that David could still defeat his three brothers!

“Boy, I'm going to avenge the second brother...” The

old fifth shouted angrily, and slashed at David with a big knife!

At the same time, the third and fourth also moved towards David at the same time.

It can be seen that these black and silver robes usually practice together, their movements are very skillful, and the attack timing is just right.

Davidping attacked the three black and silver robes at the same time. He did not appear panicked. Instead, he blocked the Dragon Slaying Sword in his hand and directly blocked the big sword of the fifth one!

But at the same time, the iron fist of the third child has also reached David's chest. David frowned slightly, and he could only withdraw his sword and escape the punch of the third child!

But before David could stand still, a nine-segment whip was thrown towards David. The whip head of the nine-segment whip slid across David's body, and a golden light flashed instantly, and David's golden body was not broken. Another large scale turned into nothingness.

"Boy, I see how you can dodge the attack of our three brothers..." The

fourth snorted coldly, the nine-section whip in his hand was like a poisonous snake, and he turned his direction again and walked towards David.

At the same time, the big sword in Lao Wu's hand directly attacked David's legs.

The third child jumped up and smashed David's head with a pair of iron fists. The three of them cooperated tacitly. This was to kill David with one blow!

Because David injured his second child, the three seemed to have long forgotten the demon's advice.

When everyone saw this, their hearts were all tense!

And the demon envoy in Ning Zhi frowned and said, "These idiots, they actually murdered, the great master will blame..."

"Sir, should we come forward and remind them?"

Ning Zhi asked.

"Forget it, let's take a look..."

said the magician.

On the ring, Davidping attacked three people at the same time, the golden light on his body suddenly appeared, followed by a loud shout, a sword was swung out, and the Dragon Slaying Sword in his hand was instantly released!

Seeing this, everyone thought that David was nervous, and he didn't grab the weapon and let it go, but they didn't know that David's Dragon Slaying Sword was already able to do whatever he wanted!

I saw Zhanlongjian alone meet the big sword of the fifth, accompanied by a burst of fire!

The big sword in Lao Wu's hand was instantly cut off by the Dragon Slaying Sword.

At the same time, David made a fist with his right hand, and golden light flashed above his fist.

"Holy Light Fist..." A

golden light was like a note, and I saw it slammed towards the third child!

Bang rumbling.....

The third child was instantly knocked out by David's huge fist style.

At the same time, the fourth child's nine-section whip had been beaten on David's body, and the undamaged golden body on David's body was instantly shattered, but David did not suffer much damage. Then he kicked the third child away.

In the blink of an eye, everyone didn't see what was going on, and they saw that the three black silver robes had been knocked to the ground!

Especially the third child, whose entire arm was twisted and deformed, obviously being interrupted!

The Dragon Slaying Sword returned to David's hand, holding the sword in one hand, looking coldly at the three men in black robes who fell to the ground!

This time, the audience was shocked, and some people even sighed and booed!

"Hahaha, the three members of the Martial Arts Alliance were beaten down so quickly."

"What about the people who bet on the Martial Arts Alliance? I think you are going to lose."

"This David is too arrogant. Yeah ... "

Everyone talked about it, it was worthwhile to tell the martial arts alliance.

It is even more so that the pigs and dogs said by the seven black and silver robes are not as good as...

## Chapter 1847

Boom...

With a loud noise, David's body took three steps backwards, but the black-silver robe boss didn't move at all!

The entire arm of the second child was cut off, and blood spurted out instantly!

An arm was cut off, but David was not satisfied!

Everyone only saw that five or six Davids who looked exactly the same were waving the long sword in his hand and constantly slashing at the second child!

No one knows which is David's body!

Everyone only heard the constant screams of the second child, as well as the splashing blood and limbs!

After a while, the screams disappeared!

And David's figure finally came together slowly!

At this time, everyone could really see clearly that the Dragon Slaying Sword in David's hand was dripping with blood!

And the second black and silver robe fell to the ground, his limbs have disappeared, his body is full of wounds, and the blood is not stop!

But even with such a serious injury, the second child's chest is still heaving, obviously still alive.

Obviously David didn't want him to die so happily!

The second child looked at David with horror in his eyes, panting heavily, the severe pain made his face grim, but he couldn't say a word.

Because his Adam's apple has long been cut by David with a sword, so he can't make a sound!

"I said, you will regret it..."

David said coldly as he looked at the second black and silver robe, who had already been miserable.

At this time, the second child was lying on the ground, with regret or fear in his eyes!

"Second brother..." "Second

brother..."

Several other black and silver robes rushed up in an instant, but looking at the second child who was about to become a fleshy mess, no one could do anything. Even Da Luo Jinxian could save him with such a body. Not alive!

At this moment, a black mist suddenly appeared in the second child's body, and then fled towards the distance at a very fast speed!

This is the soul living in this black silver robe. Now that the sojourner is dying, they need to find a suitable person to live again in the shortest possible time.

But just as the soul was escaping rapidly into the distance, David suddenly opened his mouth, and a huge suction force sucked the soul back in an instant.

The soul was directly sucked into David's body, and David was like eating delicious food, with a touch of satisfaction on his face!

Everyone was stunned when they saw this scene, especially those black and silver robes, all of them were very terrified!

Speaking of which, these black and silver robes are just puppets, but what can really dominate is the soul within them!

These sojourn souls, they can find a new sojourn body as quickly as possible after the sojourn body dies.

Therefore, they are not very concerned about the life and death of the sojourn, just like the house where humans live. If the house is broken, they can find a new one!

But now they found out that David could even swallow souls, which made them panic all of a sudden.

Especially the sojourn souls in these black silver robes are terrified one by one.

## Chapter 1850

"Boy, it seems that I underestimated you..." The boss

looked at David angrily, and then said loudly: "The third, the fourth, the fifth, the three of you will take him down for me."

In the beginning, David deliberately showed his weakness to himself and let himself be fooled, otherwise the second child would not be so miserable!

So this time, he let three people fight David together in one breath!

He didn't believe that David could still defeat his three brothers!

"Boy, I'm going to avenge the second brother..." The

old fifth shouted angrily, and slashed at David with a big knife!

At the same time, the third and fourth also moved towards David at the same time.

It can be seen that these black and silver robes usually practice together, their movements are very skillful, and the attack timing is just right.

Davidping attacked the three black and silver robes at the same time, and did not appear flustered. Instead, he blocked the Dragon Slaying Sword in his hand and directly blocked the big sword of the fifth one!

But at the same time, the iron fist of the third child has also reached David's chest. David frowned slightly, and he could only withdraw his sword to escape the punch of the third child!

But before David could stand still, a nine-segment whip was thrown towards David. The whip head of the nine-segment whip slid across David's body, and a golden light flashed instantly, and David's golden body was not broken. Another large scale turned into nothingness.

"Boy, I see how you can escape the attack of our three brothers..." The

fourth snorted coldly, the nine-section whip in his hand was like a poisonous snake, and he turned his direction again and walked towards David.

At the same time, the big sword in Lao Wu's hand directly attacked David's legs.

The third child jumped up and smashed David's head with a pair of iron fists. The three of them cooperated tacitly. This was to kill David with one blow!

Because of David's injury to the second child, the three seemed to have long forgotten the demon's instructions.

When everyone saw this, their hearts were all tense!

And the demon envoy in Ning Zhi frowned and said, "These idiots, they actually murdered, the great master will blame..."

"Sir, should we come forward and remind them?"

Ning Zhi asked.

"Forget it, let's take a look at it..."

said the magician.

On the arena, Davidping attacked three people at the same time, the golden light on his body suddenly appeared, followed by a loud shout, a sword was swung out, and the Dragon Slaying Sword in his hand was instantly released!

Seeing this, everyone thought that David was nervous, and he didn't grab the weapon and let it go, but they didn't know that David's Dragon Slaying Sword was already able to do whatever he wanted!

I saw Zhanlongjian alone meet the big sword of the fifth, accompanied by a burst of fire!

The big sword in Lao Wu's hand was instantly cut off by the Dragon Slaying Sword.

At the same time, David made a fist with his right hand, and golden light flashed above his fist.

"Holy Light Fist..." A

golden light was like a note, and I saw it slammed towards the third child!

Bang rumbling.....

The third child was instantly knocked out by David's huge fist style.

At the same time, the fourth child's nine-section whip had been beaten on David's body, and the undamaged golden body on David's body was instantly shattered, but David did not suffer much damage. Then he kicked the third child away.

In the blink of an eye, everyone didn't see what was going on, and they saw that the three black silver robes had been knocked to the ground!

Especially the third child, whose entire arm was twisted and deformed, obviously being interrupted!

The Dragon Slaying Sword returned to David's hand, holding the sword in one hand, looking coldly at the three men in black robes who fell to the ground!

This time, the audience was shocked, and some people even sighed and booed!

"Hahaha, the three members of the Martial Arts Alliance were beaten down so quickly."

"What about the people who bet on the Martial Arts Alliance? I think you are going to lose."

"This David is too arrogant. Yeah ... "

Everyone talked about it, it was worthwhile to tell the martial arts alliance.

It is even more so that the pigs and dogs said by the seven black and silver robes are not as good as...
