

A Man Like None Other Novel

Chapter 1231

Kyoto Ningjia!

Ning Zhi gathered all the masters of the Ning family together, there were about ten Marquis of Wu in just half a step, and there were dozens of masters at the peak of Wuzong!

These are all the assets of the Ning family, and the forces of the Ning family in other places have also been mobilized by Ning Zhi.

This time, Ning Zhi was also considered to be breaking the boat, exposing all the forces of the Ning family.

It is this exposure that shocked many people in the Kyoto martial arts world!

They didn't expect the Ning family to secretly cultivate so many masters.

However, according to Ning Zhi's temperament, secretly cultivating power is also in line with his character.

Ning Zhi waited for David for a whole day, but David did not appear.

Not only Ning Zhi, but also other aristocratic families in the martial arts world of Kyoto are waiting for David to appear in the Ning family!

No matter who wins or loses, these people are just hilarious!

But they were all disappointed, David didn't show up at Ning's house!

"Is David cowardly? Why didn't he go to Ning's house?"

"The Ning family suddenly revealed such a strong strength, I think that David has already run away."

"No one would have thought that the Ning family would secretly develop such a great strength, with more than ten Marquis in just half a step."

Everyone in the martial arts world was discussing.

As night falls, the full moon hangs high!

Just at midnight, a figure slowly appeared in the Ning family's villa.

Ning Zhi sat on the chair, eyes closed slightly, and was resting.

After waiting for David for a day, David didn't come, and Ning Zhi was a little tired.

"Who is it? Crowding into Ning's house at night?"

At this time, an angry shout from outside woke Ning Zhi directly.

Ning Zhi suddenly opened his eyes, and his body rushed out quickly.

Under the moonlight, Ning Zhi saw David at a glance.

And in David's hand, there are several heads, all of which David killed last night.

Everyone is attached to the Ning family.

"David, you are still here, I've been waiting for you for a day!"

Ning Zhi's eyes narrowed slightly.

"Of course I will come. I said that if I want to kill you, I must kill you..."

David threw the head in his hand directly at Ning Zhi's feet.

Ning Zhi's eyes flashed coldly, but he didn't even look at the dead people.

These aristocratic sects attached to their Ning family were no different from dogs to Ning Zhi.

Only a few dogs died, Ning Zhi would not be moved by this!

At this moment, the Ning family was already brightly lit, and David was directly surrounded.

"David, you are too crazy, don't think that if Mr. Shi protects you, you can be unscrupulous!"

"I will kill you today even if I come here, I will kill you. This time I have gathered more than a dozen half-step Marquis. I will see how you can escape..."

Ning Zhi looked at David coldly and said.

David raised the corner of his mouth, his eyes full of contempt: "If I kill you today, even a dozen half-step Marquis can't stop..."

"Hmph, I'm not ashamed to say..."

After Ning Zhi finished speaking, he winked at the masters of the Ning family.

In an instant, more than a dozen half-step Wuhou masters burst out with horrified auras.

"David, you kneel on the ground now and hand over the treasure, I may make you feel better..."

Ning Zhi was still thinking about the treasure on David's body.

"I said it, you are unworthy, you will never be!"

After finishing speaking, David's body began to have a trace of golden light permeating his entire body.

A terrifying aura also radiated from David's body.

Feeling the breath on David's body, Ning Zhi frowned slightly.

He did not expect that David, who was seriously injured, would be able to recover in such a short period of time.

This is simply too perverted.

"Go ahead, grab him for me..."

Ning Zhi did not order David to be killed, but to arrest David.

He needs to get all the treasures on David's body in order to let David die.

Especially the dragon crystal, that is what Ning Zhi has always dreamed of.

And in Ning Zhi's opinion, that Long Jing should have been his own.

Chapter 1232

The two half-step Wuhou looked at each other, and then jumped up, the energy in their hands was pushing David away.

boom!

The two energy roared out, and the strength of the half-step Wuhou was extraordinary.

"Two people dare to shoot..."

David snorted coldly, his fists flickered with golden light, and the power of the dragon was condensed on his fists.

"Holy Light Fist..."

As soon as David made his move, it was Shengguang Fist.

In the face of so many masters, David despised each other, but it did not mean that David would be really careless.

boom!

David's fists and two golden beams shot out, and the fist wind burst, colliding with the two masters of the Ning family.

Almost at the moment of the collision, the bodies of the two masters of the Ning family were instantly blown away.

And David's figure just swayed.

"How can it be?"

Ning Zhi's face was full of horror.

You must know that these were two half-step Marquis, but David actually repelled them.

It seems that David's strength is more than half a step Wuhou?

Could it be that David is already in the realm of Marquis of Wu?

Ning Zhi couldn't believe it, he didn't believe David's strength had improved so fast!

After David kicked back the two masters of the Ning family, the golden light on his body became even stronger, and his eyes were full of killing intent.

"Let's go together..."

After speaking, David jumped up and bombarded Ning Zhi.

This time, the masters of the Ning family blocked it together, and no one dared to despise David.

In an instant, the sky was dark and the earth was dark, and rays of light blasted towards David.

David was not in a hurry, relying on his undamaged golden body, David not only blocked the attacks of these people.

Even if one fights ten, David has no fear at all.

At this moment, he became more and more brave, and the breath of his body continued to erupt.

More than a dozen half-step Wuhou masters joined forces, but David couldn't do anything for a while.

In the end, the dozen or so half-step Wuhou all sacrificed their magic weapons and wanted to use them to smother David.

It's a pity that they were wrong. Even Ning Zhi's copper cymbal, which had the power of Wuhou's peak, could not restrain David.

As soon as David stretched out his hand, he held the Dragon Slaying Sword tightly in his hand, and the Dragon Slaying Sword was burning with flaming flames.

The Dragon Slaying Sword in David's hand swung out.

A fire dragon roared out.

And the magic tools of the masters of the Ning family, under the fire dragon, instantly cracked.

"Come on, let me go together..."

Ning Zhi roared and asked everyone to get on together.

More than a dozen half-step Marquis, plus those at the peak of Wuzong, besieged David together.

David's eyes were red and he held the Dragon Slaying Sword, like an undefeated god of war.

David was already covered in blood, and he couldn't tell whether it was his own or the enemy's.

However, although David is very brave, but under the siege of so many Ning family masters, David began to show a decadent trend!

Seeing that David had already shown his defeat, a smile appeared on Ning Zhi's mouth.

"David, you came to die yourself, no wonder I."

"You are so arrogant, you dare to break into my Ning's house alone..."

Ning Zhi looked proud.

David looked at Ning Zhi, gasping for breath, but with a calm smile on his face.

"Who said I came alone?"

David said slowly.

Ning Zhi was stunned, looked around randomly, and found that there was no one else.

But just as Ning Zhi was about to speak, there was a sudden sound of footsteps.

“kill...”

There was a deafening scream of killing.

Then dozens of people rushed into the Ning family’s villa!

And these people are led by Dong Liqun of the Dong family, and Dong Jiahao is also among them.

The people who rushed in were all from the Dong family.

“Brother David...”

When Dong Jiahao saw David, he immediately walked over with his sword, and several Dong Jiahao masters closely protected Dong Jiahao.

Chapter 1233

David was relieved when he saw Dong Jiahao coming, and smiled at Dong Jiahao: “Brother Dong, thank you!”

Dong Jiahao blushed: “Brother David, you don’t blame me, I’m quite satisfied.”

At this time, Dong Liqun also came over, and when he saw David, Dong Liqun looked a little embarrassed.

He didn’t know how to follow David.

"Patriarch Dong, thank you..."

Seeing Dong Liqun, David also expressed his thanks.

"Mr. Chen, don't be like this, you are like this, I'm even more embarrassed..."

Dong Liqun looked ashamed.

And Ning Zhi looked at everything in front of him, his face became very ugly.

If there is only one David, Ning Zhi has absolute confidence to kill David.

But now Dong Liqun brought people from the Dong family. Besides, Dong Liqun was Marquis of Wu. With David added, the people of the Ning family were not necessarily opponents.

Ning Zhi did not expect that David would bring the Dong family.

It turned out that David did not come to Ning's house recklessly. After knowing that Ning Zhi was anxious for many masters, David went to Dong's house.

He hoped that the Dong family could come forward to help him.

Because David knew that the Dong family and the Ning family also had a break-in holiday!

Especially after Dong Jiahao was tortured by Ning Zhi, Dong Liqun hated the Ning family even more!

So David took advantage of this and went to the Dong family during the day, and Dong Jiahao was in it, so David and the Dong family soon reached a cooperation.

They joined forces to destroy the Ning family, just to avenge each other.

Although David is reckless at times, it does not mean that he is stupid.

“Ning Zhi, how did you treat me, today I will pay you back a hundredfold...”

Dong Jiahao looked at Ning Zhi, his eyes full of killing intent.

Ning Zhi's face was gloomy, and he gritted his teeth tightly, as if thinking about something.

“Kill me...”

Dong Liqun was full of anger for a long time. As the head of the Dong family, he was tricked by the junior Ning Zhi, and he lost face in front of many aristocratic families!

This is something Dong Liqun cannot tolerate. This time, the Dong family has become the laughing stock of everyone in the martial arts world.

Today he is going to get his face back.

After an angry shout, everyone in the Dong family shouted in unison and killed the people in the Ning family.

On the other hand, Dong Liqun himself rose up violently, killing a half-step Marquis of the Ning family as soon as he made a move!

After all, there was an insurmountable gap between Marquis Wu and Marquis Banbu.

Seeing this, Ning Zhi's heart trembled: “Follow me, give me everything...”

Soon, several experts from the Ning family surrounded Dong Liqun, while the others followed the Dong family to start a melee!

Ning Zhi turned around and ran into the distance. He knew that these people from their Ning family would not be able to resist for long.

"Brother David, that Ning Zhi is going to run..."

When Dong Jiahao saw that Ning Zhi was about to run away, he hurriedly reminded David.

David held the Dragon Slaying Sword, then jumped up and fell in front of Ning Zhi.

"You want to go?"

David looked at Ning Zhi coldly and said.

Ning Zhi's face was extremely ugly. His current strength was not David's opponent at all.

"David, my dad is still in seclusion now. If you kill me now, my dad will definitely not let you go after he leaves."

Ning Zhi moved his father out and threatened David.

"You should be glad that your dad is in retreat, or I'll kill him together..."

David's eyes were full of killing intent, and he would not let Ning Zhi go.

Those who died in the Valley of the Wicked, David must avenge them!

Ning Zhi looked at the determination on David's face, knowing what he said, it was impossible for David to let him go.

A viciousness flashed in Ning Zhi's eyes, and suddenly there was a scarlet-black dagger in his hand, and then he stabbed at David.

clang...

A crisp sound, followed by a splash of fire!

Ning Zhi used up all his infuriating energy, and this dagger was made of tungsten steel, extremely hard and sharp.

Unfortunately, when the dagger touched David's body, it was directly shaken into two pieces.

Chapter 1234

Looking at the broken dagger, Ning Zhi fell into a panic.

And David reached out and slapped Ning Zhi's face.

Snapped!

With a crisp sound, Ning Zhi's body rotated several times in mid-air, and finally fell heavily to the ground.

David's slap was so powerful that he almost vented all his anger.

I saw that half of Ning Zhi's face was bloody and bloody, and his bones were exposed, looking very terrifying.

Ning Zhi looked at David angrily, gritted his teeth, his eyes were full of anger and killing intent.

Although he knew that his strength was inferior to David, he would never bow his head.

David held the Dragon Slaying Sword and took it towards Ning Zhi.

Ning Zhi felt the terrifying sword energy and knew that he was doomed today, so he closed his eyes.

Swish!

The sword qi swept across, but Ning Zhi was not dead, but the severe pain in his leg made Ning Zhi cry loudly.

I saw Ning Zhi's legs were bleeding profusely, and his hamstrings were broken.

"Do you think I'll make you die so happy?"

David looked at Ning Zhi coldly, the whole person was like a hell demon.

"David, if you have the ability, you can kill me, otherwise I will never spare you..."

Ning Zhi roared, he is now begging for death, he doesn't want to be fooled by David like this!

David squatted down slowly, and even stretched his hand directly to the wound on Ning Zhi's leg, and then suddenly exerted force.

A white hamstring with blood was pulled out by David.

"what..."

Ning Zhi was in pain, and his face was pale and sweating profusely.

At this moment, Ning Zhi almost fainted from the pain.

It's just that David pressed Ning Zhi, and a spiritual energy penetrated into Ning Zhi's body, making him unable to faint at all.

David held Ning Zhi's hamstring, and then used it to beat Ning Zhi's body violently.

Every time, the skin is opened and the flesh is broken.

Ning Zhi screamed and looked at David with panic in his eyes.

He didn't expect that David would be so ruthless, he was simply a devil.

"David, you killed me, please kill me..."

Ning Zhi screamed and began to soften.

He now only hopes that David can kill himself.

"If you want to die, it's not that easy. There are nearly a hundred people in the Valley of the Wicked. I want to avenge them."

"Four wicked men, let you hang like a dead dog, did you ever think about who you are today?"

After David finished speaking, he slammed it down again.

"Master..."

Seeing Ning Zhi like this, a master of the Ning family rushed over in a hurry.

The palms rolled, and the energy whistled!

"Humph!" David snorted coldly.

With a wave of the Dragon Slaying Sword in his hand, a ray of fire blazed out.

Hit the Ning family master directly.

The flame instantly engulfed the master of the Ning family.

The screams sounded, and Ning Zhi watched helplessly as his subordinates were burned to ashes.

David tortured Ning Zhi for half an hour. At this moment, Ning Zhi could only breathe in one breath.

Can't see the human at all.

And the masters of the Ning family were almost slaughtered, and the battle was drawing to a close.

"go to h3ll..."

Looking at Ning Zhi, who was dying, David raised the Dragon Slaying Sword aloft!

He didn't want to play with Ning Zhi anymore.

But just as David's sword was about to swing down, a figure appeared.

"Stop me all..."

A voice containing countless infuriating qi shook everyone's eardrums.

All stopped involuntarily, and the Dragon Slaying Sword raised by David did not fall.

"Mr. Shi..."

After seeing the person coming, Dong Liqun hurriedly shouted respectfully.

"It's just presumptuous, do you take my words as a deaf ear?"

Mr. Shi looked at David angrily.

Mr. Shi looked at David like this, and his heart began to tremble slightly.

Especially the aura on Mr. Shi's body made people terrified.

Chapter 1235

"I have to take revenge..."

David stabilized his mind and said lightly.

"revenge?"

Mr. Shi waved his palm lightly, and David's body flew out instantly.

No resistance at all.

"Remember, the martial arts world has the rules of the martial arts world, and the rules of the Kyoto martial arts world are made by me."

"If you want to break the rules and don't listen to me, then show your true skills."

"If you don't have real skills, keep your mouth shut and be honest and obedient."

"You leave the capital of the capital immediately, at least a thousand miles away, if I am watching you make trouble in the capital during this time."

"Kill without mercy..."

Although Mr. Shi's words were very light, it was extremely shocking to hear David's ears.

David did not speak, looking at Ning Zhi who was dying in front of him, the Dragon Slaying Sword in David's hand trembled slightly.

He really wanted to ignore it and kill Ning Zhi with a sword in the past.

But he knew that in front of Mr. Shi, he didn't even have the chance to make a move.

But now Ning Zhi has become a cripple, even if he is alive, it will be a lifetime of pain, this may be a better revenge.

David put away the Dragon Slaying Sword, glanced at Dong Jiahao, did not speak, but jumped up and disappeared into the darkness.

"You go too..."

Mr. Shi looked at Dong Liqun.

Dong Liqun was so frightened that he hurriedly left with the Dong family.

"Mr. Shi, why do you want to save Ning Zhi? And let Mr. Chen stay away from the capital?"

At this time, Zao Wou-Ki walked up to Mr. Shi and asked in a puzzled way.

Mr. Shi looked at Ning Zhi, who was dying, and then said, "It wasn't him that I saved, but David."

"If he stays in the capital, he will surely die..."

Zao Wou-Ki was stunned, feeling that Mr. Shi seemed to know something.

But he didn't dare to ask any further, there were some things that he should not know at this level.

After Mr. Shi left, some of the remaining servants of the Ning family hurriedly carried Ning Zhi into the room for treatment!

It's just that Ning Zhi's injuries were so severe that even if he didn't die, he was afraid that he would spend the rest of his life in a wheelchair.

As the eldest young master of a martial arts family and the only heir, if Ning Zhi spent the rest of his life in a wheelchair, he might as well die.

The servants were helpless, and in the end they could only wait for Ning Dahai to speak after leaving the customs.

There was only Ning Zhi left in the room, and the pain in his body made him faint several times.

Although he can't move now, the anger in his eyes is still burning.

"David, if I don't kill you, I swear I won't be human..."

Ning Zhi shouted, but unfortunately, no matter how hard he tried, the sound he made was very weak.

"Do you want to kill that David?"

At this moment, an old and distant voice suddenly sounded in Ning Zhi's ears.

"Who? Who?"

Ning Zhi hurriedly turned his head and saw a figure slowly appearing in the room.

And this figure appeared out of thin air. Ning Zhi tried to open his eyes wide, but he still couldn't see what the figure looked like.

It was as if the person in front of him was not a person at all, but a shadow.

But why does the shadow speak?

"You don't need to care who I am, I can help you heal your body and help you kill that David!"

The figure said slowly.

"Then what do you want me to do?"

Although Ning Zhi was seriously injured, his thinking was not affected. He knew that there was no good thing in the world.

Since this person wants to help him, he must also want to get what he wants.

"Sure enough, it seems that I am looking for you, and I really found the right one!"

The figure smiled lightly: "What I need is your body."

"my body?"

Ning Zhi was stunned, not understanding what the figure meant.

"I'm just a consciousness now, so I need to live in someone else's body, and you are the one I want to live in!"

The figure explained.

Chapter 1236

When Ning Zhi heard it, he understood in an instant, but a sense of consciousness could have autonomous consciousness, showing how terrifying the strength of that body was.

"As long as you can help me kill that David, I promise you..."

Viciousness flashed in Ning Zhi's eyes, as long as he could kill David, he could do anything.

"Hahaha, don't worry..."

The figure burst out laughing, followed by a flash of white light.

Ning Zhi felt that something had entered his mind.

At this time, the old voice sounded in his mind: "The foundation is good, and with my guidance, you will soon be able to kill that David."

"I'll heal your body now..."

Soon, a faint white mist began to emerge from Ning Zhi's body, and the mist enveloped Ning Zhi.

After an hour, the white mist disappeared.

However, the injuries on Ning Zhi's body disappeared, and the whole person seemed to be uninjured at all.

Ning Zhi's face was full of excitement, and he hurriedly got up to check.

But just standing up, his body slanted, and he almost fell.

Ning Zhi looked at his legs and found that one leg was slightly bent, and he was limping when he walked.

"Your hamstrings are gone. I can only help you stand up. As for walking normally, it is impossible."

said the old voice.

"Am I going to be lame in the future?"

Ning Zhi asked with a frown.

"Yes, this is already a very good result."

The voice in my head said.

Ning Zhi gritted his teeth and clenched his fists tightly: "David, I want you to live rather than die..."

...

After David left, he went directly to Yaoshen Valley. Since Mr. Shi spoke and told him to stay away from Kyoto, David did not dare not to listen!

He was going to go to Yaoshen Valley to explain the matter, and by the way, he would visit Long Wu and Gu Linger.

Now the reconstruction of the Valley of the Wicked requires a large amount of medicinal herbs and medicinal pills in Yaoshen Valley.

David had to explain Xu Changsheng.

Leaving from Yaoshen Valley, David went to the Valley of the Villains. At this time, the four villains were still healing in the Demon Suppression Tower!

David explained a few words to Zhao Ligu and told him that he would be away for a while.

Although Zhao Ligu didn't know why David left suddenly, he didn't ask much.

David left the Valley of the Wicked and headed southwest all the way. David did not drive or fly, but walked on foot!

The spiritual energy is condensed on the soles of the feet, and the speed is not slow!

But this time, David didn't bring out the Demon Suppression Tower, so his cultivation needs to rely on the spiritual energy of heaven and earth or find a place full of spiritual energy.

The reason why David didn't take away the Demon Suppression Tower is to heal the wounds of the four wicked people, and to temper his state of mind!

During this period of time, David found that he relied on the Demon Suppression Pagoda and the Nine Thousand Miles of Mountains and Rivers Map to speed up his practice.

But in this way, he always feels that his strength is not very condensed, and if he wants to break through to the realm of Nascent Soul, he is afraid that it will be difficult to break through by relying on magic tools.

If David wants to make a breakthrough now, what he needs is an opportunity, so he plans to temper himself, and maybe he can find an opportunity for a breakthrough.

David walked all the way, feeling the mountains and rivers all the way!

When passing by Horendel, David took a day off and met his parents, as well as Ruben, Gu Wentian, Lin Tianhu and the others.

Then continue on the road, all the way to the southwest.

Soon, David arrived at a place called Wancheng.

It's almost to the southwest border here!

There are green jungles, mountains and rivers everywhere, picturesque scenery!

At this time, the north is already bitterly cold, but here is like spring all year round!

David did not choose to go to the prosperous city, but to find some dense mountain forests to walk.

Perhaps in such a place, there is another chance, or encounter some sects!

The speckled sunlight, through the gaps in the branches and leaves, fell on David's body.

Chapter 1237

When David continued to walk forward for a certain distance, he suddenly found that the sky was much darker.

There is very little sunlight passing through the branches and leaves. It is obvious that the trees here are going to become tall and lush!

"In the same place, how come the trees here are so lush?"

David was a little surprised.

After all, it is the same piece of land, and the growth of trees should not be so different.

A wisp of consciousness was released by David, and he began to feel the surrounding aura.

Soon, David discovered that there was a huge boulder not far ahead. The boulder was more than ten meters high, and in the middle of the boulder, there was a hole more than two meters high!

"What is this? Could it be that this boulder was hollowed out?"

David frowned slightly, but his body speeded up and quickly reached the boulder.

It is clear that there is an open space here, which has been artificially mined.

And the aura here is obviously stronger than other places.

"There must be something odd about this stone!"

David looked at the opening of the boulder, and found that it was an ordinary opening. From this end, he saw the other end.

It doesn't seem to be anything special, but in this dense jungle, a boulder suddenly appears, which is obviously a bit out of common sense.

This time, David closed his eyes slightly, and his consciousness spread towards the boulder. He wanted to check to see what was wrong with the boulder.

But just as David's consciousness moved towards the boulder, he was directly bounced back by a huge anti-shock force.

"This boulder was actually spelled by someone?"

David was very surprised.

Looking at the small hole, David got in without the slightest hesitation.

But when David just got into the hole, the scene in front of him suddenly changed.

I saw a large number of houses stacked with stones appear in front of me.

There are walls all around, and there is a gate tower with the three characters of Red Lotus Palace written on it.

The words are blood red, very bright!

Seeing this scene, David realized that this place was covered with illusions!

Ordinary people can't see the red lotus palace when they pass by, and the entrance to the red lotus palace is the entrance of the huge rock.

Passing through the hole, you can break through the illusion and see the Red Lotus Palace.

"This sect is a bit interesting. It is possible to set up such a large illusion formation. It seems that the strength of this palace master is not ordinary..."

David thought about it and walked towards the palace gate.

This place is very full of spiritual energy, and it is a good place for cultivation, so the ancestor of this Red Lotus Palace can choose this place, and his vision is absolutely good.

Just as David walked to the door, two girls in purple clothes appeared and stopped him.

“Who are you? Why are you trespassing in my Red Lotus Palace?”

One of the girls asked David loudly.

And even a girl’s breath burst out, her face was gloomy, and her eyes were full of hostility.

Seeing this, David hurriedly explained: “I don’t mean to offend, and I hope the two sisters don’t take offense. I just came to play and entered by mistake.”

“Since you entered by mistake, then leave quickly, otherwise we will be welcome.”

The breath of the two girls locked on David.

And David smiled slightly, these two girls, that is, the level of the great master, even if David stood still, the two of them couldn’t hurt David at all.

However, David had no intention of conflicting with the two girls, and he also entered other people’s territory by mistake. Since people are not welcome, then he should just leave.

“Don’t be nervous, you two, I’ll leave right away...”

After David finished speaking, he turned around and was about to leave!

But just as David turned around, a girl in blue suddenly jumped down from the stone wall.

“Wait a moment...”

The girl shouted at David.

David turned to look at the girl in blue, and asked in surprise, “Is there anything else?”

Chapter 1238

The girl in the blue dress is only in her teens, but she is already in the realm of a great master, which shows that her talent is also extremely good.

“I ask you, is your name David?”

The girl in blue asked David.

David was stunned for a moment, then nodded: “Yes, how do you know me?”

David was very surprised, how could this girl hand over her name.

You must know that you have never been to this place, and since it is thousands of miles away from Horendel, David has never been here before.

And David was sure that he had never seen the girl in front of him.

“Sure enough, it’s you, I just looked like it!”

When the girl saw David’s admission, she immediately became happy, and hurried to David’s face, looking at David with admiration: “I saw you on the martial arts forum, and you also defeated Long Xiao and killed Kyoto martial arts. Guo Wei, director of the alliance.”

"A few days ago, did you destroy several aristocratic sects in the capital and call the Banning family directly?"

"You are my idol, I like you so much, I want to go to Kyoto to find you, but my sister won't let you..."

The girl looked at David with a happy face, and she was a little cautious in her happiness.

David was a little surprised. He killed the several affiliated families of the Ning family, and it was only a few days ago that the family has spread here?

It seems that he is really famous in the martial arts world.

But David doesn't know whether this is good or bad for him...

"I..."

David was speechless for a while, he now seems to have a feeling that a star is sought after!

But looking at the teenage fan girl in front of her, fortunately she didn't go to Kyoto to find herself. If something happened on the way, David would be one of the culprits.

"Follow me, I'll take you to see my sister, my sister must be very happy to see you."

The girl stepped forward and took David's arm, walked towards the Red Lotus Palace, and said as she walked, "My name is Xiaomin, and my sister likes you too, she secretly reads your news on the forum, and also Your photos are saved, and I thought I didn't know!"

Just like this, David was pulled by Xiaomin and walked forward helplessly.

Along the way, David saw many girls in purple clothes, and after seeing Xiaomin, they all showed respectful expressions.

Among these purple-clothed girls, there are also some white-clothed girls walking through them.

But there are very few girls who obviously wear white clothes.

Looking at the many girls, David sighed a little, whether he had entered the country of daughters.

And those girls also looked at him with surprised eyes, and then whispered timidly.

This made David a little embarrassed, so he could only lower his head slightly, not daring to look around, and followed Xiaomin all the way forward.

“Xiao Min, are you Red Lotus Palace all women?”

David asked curiously.

“Yes, our Red Lotus Palace is all female disciples. Zu Xun does not allow male disciples, and these female disciples must be innocent.”

Xiaomin followed David without hesitation.

Then Xiaomin began to introduce the Red Lotus Palace to David, and also told the history of the Red Lotus Palace.

He didn't treat David as an outsider. Xiaomin's trust and enthusiasm made David feel warm.

But looking at the girls in the Red Lotus Palace, and they are all innocent, isn't this a man's paradise?

Presumably there will be many men snooping here.

It's no wonder that the Red Lotus Palace will set up such a large illusion to hide the entire Red Lotus Palace. This way, it can save a lot of trouble.

David was taken by Xiaomin and soon came to a palace-like house.

Xiaomin walked in with David, but the guard at the door did not stop him.

After entering, Xiaomin knocked on the door of a room.

Chapter 1239

"Who is it?"

A woman's cold voice came.

"Sister, it's me!"

Xiaomin said loudly.

"You girl, didn't I punish you to guard the palace gate? Why did you come back?"

The woman asked angrily.

"Sister, I'll bring you someone, and I promise you'll die of joy when you meet me."

Xiaomin said excitedly.

"Don't play tricks on me, guard the palace gate for three days, not even one day."

The woman said coldly.

"Sister, I really brought you someone you really want to see."

Xiaomin said anxiously.

"Then come in!"

Xiaomin took David to open the door and walked in.

Walking into the room, David glanced at him and saw a beautiful girl in red clothes with a cold complexion and snow-white skin sitting behind the desk.

It's just that there is a bit of sadness between the girl's eyebrows!

When the woman looked up and saw David, she was also slightly taken aback.

"Brother Chen, this is my sister, her name is Ji Ruxue, you can call her Xiaoxue, she is also the palace lord of the Red Lotus Palace now!"

Xiaomin followed David to introduce.

"Palace Ji, hello! I accidentally broke into your Red Lotus Palace, I hope you don't take offense!"

David said very politely.

But that Ji Ruxue didn't say a word, and looked at David with straight eyes.

"Sister, Brother Chen is talking to you!"

After Xiaomin reminded, Ji Ruxue reacted.

"Hello, Mr. Chen, please have a seat!"

Ji Ruxue got up politely, let David sit down, and ordered someone to serve tea.

"Xiao Min, go to guard the palace gate!"

After serving tea, Ji Ruxue said to Xiaomin.

"elder sister..."

Xiaomin glanced at David, obviously she didn't want to go, she wanted to stay with David for a while!

"Go, this is an order..."

Ji Ruxue's face turned cold, so scared that Xiaomin hurriedly left, and when she left, she did not forget to look at David more.

After Xiaomin left, only Ji Ruxue and David were left in the room.

"Mr. Chen, did you also read the announcement?"

Ji Ruxue took a sip of tea and asked lightly.

"Announcement? What announcement?"

David looked surprised: "I came to your Red Lotus Palace, I really did not intend to intrude, and I hope Ji Palace Master will not misunderstand!"

David didn't know what the announcement Ji Ruxue was talking about, nor what Ji Ruxue meant.

Ji Ruxue looked at David like that, and found that David did not know, so she smiled lightly: "Mr. Chen, I have no intention to break into my Red Lotus Palace, it is fate, since Mr. Chen is here, I should have entertained you well. ."

"It's a pity that our Red Lotus Palace has a lot of things in the past two days, so we can't entertain Mr. Chen, and I hope Mr. Chen won't take offense!"

"You can play in our Red Lotus Palace for two days, but after two days, Mr. Chen must leave!"

David was stunned for a moment, he didn't expect that he didn't do anything, Ji Ruxue issued an expulsion order!

That Xiaomin also said that Ji Ruxue liked her and secretly collected her photos.

Now it seems that this Ji Ruxue doesn't have much enthusiasm for herself?

"Palace Ji, I just broke in unintentionally. Since it's inconvenient, I'll just leave!"

David never thought of staying in the Red Lotus Palace for a long time.

"Mr. Chen, I'm really sorry!"

Ji Ruxue said apologetically.

"No no no, I took the liberty to break in, sorry!"

David also felt that he was a little reckless.

"Palace Master, several elders have arrived..."

At this time, a disciple from the Red Lotus Palace walked in and spoke.

"Mr. Chen, I'm sorry, I'm sorry!" Ji Ruxue got up and said apologetically, "Mr. Chen can just walk around and leave, I have already ordered, no one will stop Mr. Chen."

"Thank you, Palace Master Ji, please..."

David got up and said politely.

Chapter 1240

After Ji Ruxue left, David also walked out of the room, looking at the somewhat quaint Red Lotus Palace, David decided to take a walk around, appreciate it, and then leave!

Before he knew it, David arrived at the back of the Red Lotus Palace, behind a rocky mountain with a clear stream flowing slowly at the foot of the mountain.

And these streams come together to form a small lake.

But these lakes contain a lot of spiritual energy.

Because of this, in the Red Lotus Palace, David felt full of spiritual energy!

"This stream actually contains spiritual energy, which is really rare!"

David bent down, took a sip of the stream, and drank it.

In an instant, a cool, sweet, and very comfortable feeling spread throughout the body.

"It's really weird..."

David looked at the clear stream, and then began to walk along the stream towards the mountains.

I don't know how far I have walked, but David finally reached the end of the stream, which is a cave in the middle of the mountain!

The stream water flows out of the cave.

And standing at the entrance of the cave, gusts of breeze blew from the entrance of the cave, and a strong spiritual energy rushed towards him, making David feel refreshed.

Looking at the dark entrance of the hole, David pinched the magic formula, and a ball of spiritual fire burned in an instant.

After lighting up the road inside, David got in without hesitation.

I don't know how long I walked, but I went straight to the bottom of the cave. There was no way in front of me, and I was blocked by a boulder.

It's just that the stream water is still flowing slowly from the gap between the boulders.

In this way, there should be room behind the boulder!

David looked at the boulder in front of him, and golden light flashed on his fist.

Immediately after that, it was punched out.

It's a pity that under this punch, the boulder didn't move at all.

"how so?"

David frowned.

With his current strength, he could blow up a small mountain with one punch, but even the stone in front of him could not be broken!

David threw his fist again, but after dozens of punches, the boulder was still intact!

On the contrary, there are constantly falling gravel around the cave, as if it is about to collapse!

Seeing this, David didn't dare to take action. Maybe the cave collapsed and he would be buried in it.

David looked around and found that the surrounding area of the cave is also very ordinary, and there is nothing special about it!

But how did this rich spiritual energy come from?

Feeling the aura that was rolling in, David simply sat cross-legged.

Condensing the heart operation, the thick spiritual energy rushed in and poured into David's body.

David's eyes flickered, and he found that these auras were different from the auras he had absorbed in his previous cultivation.

Whether it's the aura drawn from the Demon Town Tower or the Nine Thousand Miles of Mountains and Rivers map, none of the aura is as pure as the aura here!

As for the spiritual energy obtained from those magical instruments and medicinal materials, it is even more incomparable.

The aura here is more like the natural formation of heaven and earth, like uncontaminated water, it is sweet and pleasant to drink.

David was overjoyed in his heart, maybe relying on these pure spiritual energy, he could break through to Nascent Soul, which is the realm of Marquis of Wu!

Not daring to have the slightest delay, David closed his eyes slightly and entered a state of cultivation.

As for Ji Ruxue's advice, if he had to leave the Red Lotus Palace within two days, David had already forgotten about it.

At this time, Ji Ruxue was in the hall, discussing something with several elders in white dresses.

Everyone's faces were very solemn, especially Ji Ruxue, who looked very ugly!

"Palace Master, it's only three days before the time given by Xiang Chong. If we can't find a helper, our Red Lotus Palace can only fight to the death."

An elder said to Ji Ruxue.

“In the past few days since our announcement was issued, has no one commented yet?”

Ji Ruxue asked.

Several elders looked at each other in dismay, and finally shook their heads.
