Chapter 2436 - 2440

Chapter 2436

When David appeared in the secret realm of Daoist sect, he was completely stunned.

I saw that the entire secret realm of Daoist sect has changed a lot. The original cave has disappeared, and there are eight stone statues standing in the middle of the secret realm. The stone statues are tens of meters high, and each stone statue emits a strange aura. !

"David..."

"Brother David..."

After seeing David, Sonya and Xiao Ru hurried over!

Several people seem to be living well in the secret realm, and they all gained a lot of weight!

"What's going on in this secret realm?"

David pointed to the statues that were tens of meters high and asked!

"These statues all popped up suddenly some time ago, and we don't know what happened."

Sonya said!

David looked at those statues, they were obviously the statues in the cave, but they just got bigger!

David looked at a statue, inside this statue, David could clearly feel a familiar aura!

"How can there be my breath in this statue?"

David frowned slightly, and walked slowly to the foot of the statue.

When David touched the statue with his hands, the familiar aura became more obvious, and there seemed to be a terrible suction force inside the statue, sucking David into the statue!

David's whole hand had already sunk into the statue, which frightened David!

Just when David was about to break the statue with all his strength, Sonya jumped up, stood on the head of the statue, and patted it lightly. The inexplicable suction disappeared instantly, and David took his hand out of the statue. out!

"What's going on?" David asked Sonya in shock.

"Every statue here corresponds to a person here. As long as you find the statue that corresponds to you, you can enter the statue and control the statue."

After Sonya finished speaking, she touched a statue.

Sonya's body disappeared instantly, and was directly sucked into the inside of the statue!

"Yuqi..."

David was shocked when he saw this!

"Brother David, don't be nervous, you're fine..."

Xiao Ru hurriedly stopped David!

I saw that the statue that Sonya entered came alive after flashing a golden light!

With a body tens of meters high, he kept moving forward, every step felt like an earthquake!

Immediately after a flash of light, Sonya's figure appeared, but the statue remained motionless!

David looked at Sonya in surprise, "How do you know that you can control this statue?"

"We also found out by chance, but we just don't know what these statues are for."

Sonya said!

David looked at those towering statues, and he knew that these statues must be related to the spirit recovery formation!

However, David still doesn't know when the Spiritual Energy Recovery Formation will be launched, or how these statues will be used!

"Brother David, why do you want to come and see us?"

Xiao Ru asked David.

"I miss you, come to see you, and I have another happy thing to tell you..."

David smiled slightly, and told Sonya about saving himself from his mother!

"You really rescued Auntie? That's great..."

Sonya was also very happy after hearing this!

"Brother David, now that Auntie has been rescued, you and sister Yuqi can get married and have children, right?"

"Sister Yuqi has been with you for so long, and you haven't met anyone yet. Give birth to a big fat boy."

Xiao Ru said jokingly!

"Xiao Ru, what nonsense are you talking about? Whoever is fantasizing is not allowed to talk nonsense."

Sonya glared at Xiao Ru!

David looked at Sonya, and said with guilt in his heart, "When I rescue you, we will get married..."

Sonya blushed when she heard this, she had waited for this day for a long time, while Wu Meier was silent Silent!

Sonya is David's real girlfriend, but what is she?

Chapter 2437

The secret territory of the Demon Heart Sect!

Facing the six purple-robed envoys in front of him, Da Neng's expression was extremely ugly!

In a short period of time, he lost two purple-robed envoys, and both secret realms were breached by David!

If it wasn't for David's breakthrough to ring the Dragon Bell to remind himself, David might break through the eight secret realms one by one!

"Before the spiritual energy recovery array is activated, you don't want to leave here, so as not to be defeated by David one by one. As long as the spiritual energy recovers, David will lose its value..."

Da Neng said to the six purple-robed envoys !

When the six people heard this, they all looked at each other in blank dismay. One of the purple-robed emissaries stepped forward and said, "Da Neng, our family is still in the secret realm. If we stay here, what will David do to our family?"

"Yes Ah, all of our family business, all our painstaking efforts, are in the secret realm, if we stay here, what will happen to our family business?"

"Can we bring all our family members and disciples here, anyway, it will be soon. " The spiritual energy has been revived, and when the secret realm collapses, we can live in the secular world."

Several purple-robed emissaries did not want to stay in the secret realm of the Demon Heart Sect, after all, all their hard work and family members were in the secret realm, so they could not in spite of!

"As a monk, you should get rid of your emotions and desires. The so-called kinship will hinder your cultivation."

"After the spiritual energy recovers and we rule the entire secular world, I can take you to the world of heaven and man to pursue higher levels of cultivation. " "

"At that time, you can live for tens of millions of years, what kind of family relationship are you talking about?"

Da Neng looked stern and reprimanded several purple-robed emissaries very dissatisfied!

The purple-robed emissaries were all silent, they knew that there was no room for them to speak in front of Da Neng!

At this moment, a crystal clear bead in front of Da Neng suddenly shone with light, and then a picture appeared in it, which was the scene of David in the secret realm of Dao Sect!

"This kid actually dares to come to the secret realm?"

Da Neng couldn't help being surprised when he saw that David appeared in the secret realm of Daoist sect!

"Da Neng, I ask to meet David..."

At this moment, Ning Zhi came out from the side, staring at David!

He followed David to have a mortal feud. In order to defeat David, Ning Zhi paid a lot, and now is the time for him to take revenge!

Da Neng looked at Ning Zhi's anger, and nodded slowly, "Remember, don't hurt his life. He is still needed for the spiritual recovery formation."

"Of order..." Ning Zhi nodded, and then Turn around and leave.

And Da Neng said to the six purple-robed envoys, "Follow me too, and leave David in the secret realm, so that he won't make trouble everywhere..."

The reason why Da Neng sent six purple-robed envoys The robe envoy went because he was afraid that Ning Zhi would get angry and kill David, so it would be troublesome!

The six purple-robed envoys led the way. If they could keep David in the secret realm, they wouldn't have to worry about their families!

But letting their six purple-robed envoys go to help Ning Zhi, they were very upset!

At this time, in the secret realm of Daoist sect, David went through the entire secret realm. Except for these statues that were tens of meters high, there were no other abnormalities, and David did not find any traces of magic circles!

Therefore, David didn't know how Dao Dao Zong set up the formation of spiritual energy recovery. Any formation of magic circle would leave traces and aura, but David turned around and couldn't find it!

"David, you'd better go, we're fine here, and there's no danger, if people from the Demon Heart Sect know you're here, it will definitely be bad for you."

Sonya persuaded David to leave here as soon as possible!

Chapter 2438

"Don't worry, I will definitely come back and rescue you..."

David gently stroked Sonya's face, then turned to leave!

But when David turned around, a light flashed suddenly, and Ning Zhi's figure instantly appeared in front of David!

When David saw Ning Zhi, he was stunned!

"Ning Zhi? You're not dead?"

David looked at Ning Zhi in disbelief. At this time, Ning Zhi's aura had undergone an earth-shaking change, and the broken arm had already grown out!

"David, I haven't avenged my revenge, how can I die, if I die, you will die before me..."

Ning Zhi said arrogantly!

At this time, Ning Zhi no longer had David in his eyes. In his opinion, David was not even qualified to fight with him!

"You are so confident. I don't know if your confidence comes from the evil spirit in your body?"

David said with a faint smile!

In his opinion, Ning Zhi is sending himself resources, and the evil spirit in his body will definitely make his Dao pattern more powerful!

"Stop talking nonsense, I'll let you know where my confidence comes from in a while..."

After Ning Zhi finished speaking, his complexion became gloomy, and the aura on his body began to rise slowly!

At this moment, several rays of light flashed again, and six purple-robed emissaries appeared.

Looking at the six purple-robed envoys, David frowned directly. He didn't expect six purple-robed envoys to come all at once!

If there were only one or two purple-robed envoys, David would not be afraid!

But six purple-robed envoys came all of a sudden, which made David very passive!

Seeing this, Sonya and Xiaoru hurriedly put on a posture. No matter what, it was impossible for them to ignore David's distress!

"Ning Zhi, do you know that you are not my opponent because you are defeated, so you specially called a helper, intending to bully the few with more?"

David said to Ning Zhi with a mocking face!

Ning Zhi looked at David's mocking look, then at the six purple-robed envoys, and was already dying of anger in his heart.

"In the future, if I make a move, none of you six are allowed to make a move, do you hear me?"

Ning Zhi said to the six purple-robed envoys in an orderly tone!

At this time, Ning Zhi's heart swelled to the extreme, and he didn't even pay attention to the purple-robed messenger, because he knew that as a flame demon body, he would be respected by the Almighty!

Hearing Ning Zhi's words, the six purple-robed envoys were all furious, but they also knew the importance of Ning Zhi in the spirit recovery formation, so they could only swallow their anger, and no one said a word!

Seeing that the six purple-robed envoys dared to be angry with him but did not dare to speak up, Ning Zhi almost lost his mind!

"David, today I want to let you know how powerful I am..."

After Ning Zhi finished speaking, his body flickered, covered in black energy, and he walked towards David in the blink of an eye!

A pitch-black devil's claw protruded out, and the icy cold and evil spirit instantly turned into a sharp blade, grabbing directly at David's chest!

Ning Zhi gave up the position of David's heart, because he couldn't kill David!

Ning Zhi's speed was so fast that David didn't seem to have time to react, Ning Zhi was already in front of him!

"Get down for me..."

Ning Zhili shouted!

This claw contained Ning Zhi's endless humiliation and hatred. He suffered inhuman torture just for this day!

The cold wind was bitter, and Ning Zhi's eyes were full of blood red!

"You want to hurt me even with this little skill? You're simply beyond your control..."

David looked at Ning Zhi, the corners of his mouth slightly raised, his face full of disdain!

Just when Ning Zhi's claw reached David's chest, David's body suddenly burst out with dazzling golden light!

The not bad golden body was activated, and David's whole body was covered with golden scales!

Dang ...

Amidst the exclamation of Sonya and the others, Ning Zhi grabbed David's chest with one claw!

Chapter 2439

"David..."

“Brother David...”

Seeing this, Sonya, Wu Meier, and Xiaoru all erupted with spiritual energy, and they were about to go towards Ning Zhi!

But soon, they stopped and stared blankly at David!

Ning Zhi’s claw didn’t splatter blood, and there was no crack in the liver or intestines.

There was a sneer on David’s face, and he was looking at Ning Zhi with disdain!

Ning Zhi’s smile froze on his face, full of disbelief!

He almost tried his best with that claw just now, David didn’t dodge at all, and he couldn’t hurt David?

Now that David stood still, even Ning Zhi couldn’t hurt David in the slightest!

“This... How is this possible? This is absolutely impossible...”

Ning Zhi looked at David, his eyes were full of unwillingness. In order to defeat David, he suffered inhuman experience!

Now that he’s done, he thought he could crush David and take revenge easily!

But now that it’s over, he’s still not David’s opponent.

Now not only is he no longer an opponent, he even has no ability to hurt David!

This kind of psychological gap made Ning Zhi stupid!

Not only Ning Zhi, but the six purple-robed envoys on the side also frowned. They didn’t expect that David’s strength would grow so fast!

"In the future, as long as you are cultivating, are you making progress? Let me tell you, you will never try to surpass me..."

David sneered, and then kicked Ning Zhi away with a flying kick. Ning Zhi's body was like a kite with a broken string, it flew out suddenly and fell heavily to the ground! Pfft

... Ning Zhi spat out a mouthful of blood on the ground, half of the blood was from the injury, and half from the rush of fire!

"Why? Why exactly?"

Ning Zhiyang sighed deeply. He felt that God was unfair to him. He practiced so hard that he even threw himself into purgatory and suffered inhuman torture.

But in the end, it was still nothing. This kind of blow made it difficult for Ning Zhi to bear for a while!

Looking at the dumbfounded Ning Zhi, David knew that Ning Zhi was completely useless after being hit this time, so he smiled coldly and said, "Rather than letting you live in pain like this, it's better to give you a good time..."

David After Ping finished speaking, he waved his palm towards Ning Zhi suddenly!

He wants to kill Ning Zhi, because this kid is too scheming, as long as he is alive, David will not be able to live in peace!

But just when David was about to attack Ning Zhi, suddenly a figure flashed out, directly blocked Ning Zhi, and followed David to slap him fiercely!

Bang...

After a loud noise, the purple-robed emissary retreated three steps in a row, while David just shook his body!

The purple-robed envoy was full of surprise, while the other purple-robed envoys hurried forward and surrounded David when they saw this!

“What? Are you planning to bully the few with the more?”

David glanced at the six purple-robed envoys and asked coldly.

“David, we won’t kill you, but you’d better stay here obediently and don’t go anywhere. If you don’t listen, then don’t blame us for being rude to you...”

A purple-robed envoy came to David said before!

David heard the voice a little familiar, and suddenly remembered that it was Yu Qian’s voice!

David did not expect that Yu Qian, who had the most say in the eight secret realms, was also one of the purple-robed emissaries!

“You still need me for the activation of your spiritual energy recovery formation, so you don’t dare to kill me at all.”

“Since you dare not kill me, then I won’t listen to you, what can you do?”

“I’m going to go out...”

David walked straight towards the secret border of Daoist sect!

When Yu Qian saw this, his face flushed with anger, and he could only yell, “Stop him, you can’t kill him, but that doesn’t mean you can’t abolish him, let him be abolished, let’s see how rampant he is...”

After finishing speaking, several purple robes All the envoys rushed towards David!

Chapter 2440

Facing the six purple-robed envoys, David lost the confidence in his heart long ago, but just when David was thinking about how to deal with the six purple-robed envoys!

Suddenly there was a loud shout from behind, and Ning Zhi stood up, and said angrily, "You all stop, David is going to be handed over to me, and I'm going to turn him into a human stick..." The

six purple-robed messengers Looking back, I found that Ning Zhi's whole body was exuding evil spirits, and his whole body seemed to have grown a lot.

Immediately afterwards, bursts of black mist condensed behind Ning Zhi, instantly turning into a tall and mighty evil god of hell!

I saw this evil god holding a double-edged sword, his eyes were wide open, and his face was full of fierceness!

Seeing this scene, the six purple-robed envoys were all taken aback, and hurriedly stopped, making way for Ning Zhi!

Ning Zhi walked towards David, and with every step he took, the evil god behind him also took a step forward, and endless coercion continued to radiate towards David!

"David, don't forget, I am a flame demon body, and I have a physique that is different from ordinary people..."

Ning Zhi glared at David, and as Ning Zhi got closer to David, the evil god of hell behind Ning Zhi changed Get taller and taller!

"David, go to hell..."

Ning Zhi roared angrily!

The evil god of hell also let out a roar, and when the two blades in his hands touched, infinite power burst out!

But when the evil **** of hell launched an attack on David, the sky suddenly became dark, and then a huge hand descended from the sky, instantly slapped the evil **** of hell, and directly slapped the evil **** of hell away!

"Are you ignoring my words?" From the

sky, that mighty voice came slowly!

Hearing the voice of Da Neng, Ning Zhi trembled in fright. He was really angry just now, and he wanted to kill David!

If David was really killed, it would be a catastrophe!

"Da Neng, this subordinate knows his mistake, please come around me once..."

Ning Zhi hurriedly knelt down and begged for mercy!

"You are not that David's opponent at all. This guy's strength is far beyond yours..." "You need to continue to practice. Now you have to put aside the distracting thoughts of revenge in your mind and focus on cultivation."

Can say to Ning Zhi.

"Da Neng, this David killed my father and bullied me all the time. I practiced desperately just to defeat him and avenge

my father." My opponent..."

Ning Zhi said loudly!

From Ning Zhi's point of view, he couldn't beat David because he didn't activate the Flame Body, otherwise David wouldn't be his opponent at all!

Da Neng's voice was not coming, but the huge palm just now slowly disappeared, and the evil **** of hell who was scattered returned to Ning Zhi's back!

Ning Zhi seemed to understand the meaning of Da Neng, and hurriedly stood up and looked at David, his eyes narrowed slightly, full of murderous intent, "David, today I will let you taste that life is worse than death."

After finishing speaking, Ning Zhi body The shape flickered for a while, and then Ning Zhi's body merged with the evil god of hell!

The gigantic evil god of hell came towards David, waving his double blades!

Seeing this, David flipped his right hand, and the Dragon Slaying Sword appeared in his hand!

With a slanting forward block, he blocked the double front sword of the evil **** of hell!

But at this moment, David only felt that the Dragon Slaying Sword in his hand was shaking abnormally again, and this time it was shaking very violently. David wanted to control the Dragon Slaying Sword, but it was of no avail!

Even the sword spirit, David can't achieve the same mind, no matter how David injects the power of the dragon into the Dragon Slaying Sword, he can't control it!

With a series of subtle sounds, David found a small crack in the Dragon Slaying Sword in his hand!
