

# A Man Like None Other Novel

## Chapter 2441 - 2445

### Chapter 2441

This time, David was taken aback. You must know that this dragon sword fought with him north and south, and this situation has never happened before!

He didn't expect that a spiritual weapon like the Dragon Slaying Sword would have cracks!

Shocked, David quickly took the Dragon Slaying Sword back. He was afraid that the Dragon Slaying Sword would break if he continued to use it!

But when David retracted the Dragon Slaying Sword, there was nothing to stop the Shuangfeng Jian of the Hell God, and in the end, he was directly hit by the Shuangfeng Jian fiercely on his body!

Boom...

David's body was thrown into the air in an instant, and after flipping several times in the air, he fell heavily on the ground!

However, David's physical body was strong, and with the protection of his indestructible golden body, he didn't cause any harm!

"David."

"Brother David."

Sonya and the others hurried over and helped David up with concern!

Seeing the worried faces of several people, David smiled lightly and said, "I'm fine, this little strength can't hurt me."

Seeing that David was indeed not injured, Sonya and the others felt relieved!

"Hahaha, David, you should know how powerful my flame body is by now, right?"

Ning Zhi's voice came from the mouth of the evil god of hell!

It can be heard that Ning Zhi is very excited now, he can finally defeat David!

The depression and shock just now have long since been swept away!

David looked at the proud Ning Zhi, and the corner of his mouth curled up!

"Even if you use your special physique, you will not be my opponent."

After David finished speaking, he took out the God King Bow!

The Dragon Slaying Sword cannot be used for the time being, and David can only use the God King Bow!

The moment the God King Bow was taken out, the eyes of the six purple-robed envoys were all attracted.

David pulled the bowstring, all the auras were swarming from hundreds of meters away.

These auras condense into an arrow feather on the bowstring, and the billowing aura of horror is ready to go!

Ning Zhi looked at the God King Bow in David's hand, and was a little dazed. He could already feel the dangerous aura emanating from the God King Bow!

This kind of dangerous aura is precisely the mutual generation and mutual restraint. The aura emanating from the God King Bow suppressed the evil spirit in Ning Zhi's body to death!

Watching David pull the bowstring, an arrow was already aimed at him, Ning Zhi began to panic a little!

Swish ...

David let go of the bowstring, and the arrow feathers were like shooting stars, dragging a long white flame, and went straight to Ning Zhi!

Seeing this, Ning Zhi touched the two fronts in his hands, and shields appeared in front of him instantly!

In the blink of an eye, more than a dozen shields shrouded in black mist wrapped Ning Zhi tightly!

The arrow feathers shot by David touched the shield in front of Ning Zhi's body at an extremely fast speed!

Without the slightest pause, the arrow feather finally broke through the shield in an instant!

In front of this arrow feather, Ning Zhi's condensed shield is as fragile as thin paper!

The arrow feathers pierced through more than a dozen shields, and instantly shot into the body of the evil \*\*\*\* of hell!

For a moment, the scene was silent, and the evil \*\*\*\* of hell had a painful expression on his ferocious face.

Boom...

Accompanied by an explosion, the evil \*\*\*\* of hell instantly disappeared without a trace!

But Ning Zhi, who had already merged with the evil god of hell, separated at the last moment!

But even so, Ning Zhi was injured, spitting out blood.

At this time, Ning Zhi's complexion was worse than eating shit. He thought that he could defeat David by activating the Flame Body.

But he didn't want to be hanged and beaten by David, this was a blow to Ning Zhi's self-confidence!

"Do you believe my words now?"

At this time, the voice of Da Neng sounded again.

Ning Zhi bowed his head and remained silent. There was indeed a gap between his strength and David's.

Soon a ray of light flashed by, and Ning Zhi's figure instantly disappeared in place. Da Neng's voice continued, "You guys, leave this David behind, and don't let him leave the secret realm..."

Da Neng made six purple robes The envoy kept David and prevented David from leaving the secret realm of Daoist sect!

# Chapter 2442

Six envoys in purple robes surrounded David!

Facing the six purple-robed envoys, David slightly frowned and said, "As monks in the Eight Great Secret Realms, you are willing to become the lackeys of a demon cultivator, don't you feel ashamed?"

David faced the six purple-robed envoys. The messenger asked!

"David, you don't need to talk anymore, stay here obediently and don't go there, I can keep you safe..."

"We only want the spiritual energy recovery formation to activate, and we don't want to hurt anyone!

"Plenty, but there are still limitations after all, and with the passage of time, the eight secret realms will collapse at any time, so what will we do then?"

Yu Qian stood up and said to David!

"I want to leave, but you can't stop me at all, unless you kill me..."

David said coldly!

"Don't force us to do something to you..." Yu Qian's face became gloomy!

"Then let's do it, I must leave here."

After David finished speaking, bursts of breath began to erupt from his body!

Seeing this, Yu Qian waved his hands and said, "Do it, don't let him leave..."

Just now he saw David's strength, so the six purple-robed envoys made a move together!

I saw several rays of light emanating from the hands of the six purple-robed envoys. After the rays of light converged in the air, they formed a powerful beam of light, shining towards David!

Facing the huge beam of light, David didn't panic at all, because he knew that these purple-robed envoys would not kill him, they just wanted to trap him!

The huge beam of light shone on David, instantly forming a transparent barrier around David, directly covering David inside!

"With this kind of formation, maybe it traps me?"

David was full of disdain, and suddenly clenched his fists.

"Holy Light Fist..."

David shouted loudly, the spiritual power in his dantian began to surge, and bursts of light flashed on his right fist.

But just when David wanted to punch the barrier in front of him, he found that the light above his fist dissipated instantly, and the spiritual power in his dantian couldn't be mobilized anymore.

It was as if there was a strong suppressive force suppressing the spiritual power in his body, so David couldn't exert his strength and broke through the barrier to escape.

"How could this happen?" David didn't believe it, and wanted to burst out the spiritual power in his body again, but there was still no movement!

Even the power of the dragon in the dragon crystal can't be used!

Seeing David like that, Yu Qian smiled, "David, don't waste your efforts. No one can break the trapped fairy formation that we jointly set up. In the trapped fairy formation, you can't use your spiritual power." !"

"Stay here obediently, and wait for the aura recovery array to activate, and after the aura of the entire secular world recovers, we can intercede with Almighty and let you survive."

"You have extraordinary talents, and you are indeed a genius for cultivating immortals, I hope you can understand current affairs."

Yu Qian persuaded David, but David didn't say a word!

At this time, David quietly mobilized the power of the Dao pattern in his body, and he found that although his spiritual power and dragon power were suppressed by the trapped fairy formation, the power of the Dao pattern had no effect at all!

It seems that what this impenetrable fairy array is aimed at is the spiritual power used by the immortal, or the power of the dragon, but the power of the Dao pattern is not possessed by the immortal cultivator at all!

The power of this Dao pattern is the power of the demon race, and the trapped fairy formation cannot suppress the power of the Dao pattern at all.

Finding that the power of the Dao pattern was not affected, David was relieved, but he was still very angry, glaring at Yu Qian, "You are not worthy of being a monk at all, I will never follow you Join us."

"Would you like to join us, do you think you still have a choice now?"

Yu Qian snorted coldly, and then left with a few other purple-robed envoys in a flash!

They were very confident, confident that David would not be able to escape from the trap.

# Chapter 2443

Inside the Demon Heart Sect!

Ning Zhi knelt in front of Da Neng, his face ashen!

This blow made Ning Zhi no longer have that energy, and his whole body seemed to be demented!

The ambition at the beginning has long since disappeared!

He thought that he would be invincible in the world after he came out after undergoing a lot of training in the abyss of hell, and he would definitely be able to easily defeat David!

But the fact is just the opposite, he was beaten by David and he has no power to fight back!

Ning Zhi lowered his head, waiting for Almighty's punishment!

And Da Neng looked at Ning Zhi's decadent look, and his expression was as cold as ice!

"Da Neng, now that Ning Zhi is tempered in the abyss of hell, he is not yet David's opponent. What should we do?"

"After the big formation is activated, then David will definitely make trouble."  
The

demon envoy whispered to Da Neng!

"It seems that I overestimated the power of the Balrog Body, but the matter has come to this point, I can only find a way to quickly improve Ning Zhi's cultivation."

Da Neng said slowly!

“Da Neng, even if we take out all the resources of the Demon Heart Sect, Ning Zhi probably won’t be able to refine it in such a short period of time.” The

Demon Envoy said!

“Resources cannot be refined, so we will give him ready-made strength and let him absorb other people’s strength to improve...”

Da Neng turned to look at the magician!

This time, the Demon Envoy was taken aback, and knelt down in front of Da Neng with a plop, he was afraid that he would become the one absorbed by Ning Zhi!

Seeing how frightened the demon envoy was, Da Neng continued to say, “You don’t have to be afraid. I still don’t like your strength. I’ll give you something to do right away...”

Da Neng waved his hand, and then whispered a few words in the ear of the magic envoy!

After listening, the magician nodded, turned around and left quickly!

Da Neng glanced at Ning Zhi, waved his hand and said, “Go down too, don’t go looking for that David without my permission.”

Ning Zhi didn’t speak, but got up slowly, turned his head and left!

Looking at Ning Zhi’s back, he was very angry. If Ning Zhi hadn’t been a flame demon, he would have slapped him to death long ago!

Not long after Ning Zhi left, Yu Qian and his six purple-robed envoys came back!

"Didn't I let you trap David? Why did you come back?"

Da Neng asked.

"Da Neng, we have trapped David with the trapped fairy array, and he can't escape."

Yu Qian stepped forward and said, "Now that David is trapped, I hope Da Neng can let us go back to the secret realm and meet him." Family, after all, we came in a hurry and did not say goodbye to our family."

"I have already sent someone to invite your family, and we will meet in less than two days, you can just wait at ease!

"As long as the spiritual energy is revived, the secular world is so big that you can roam freely, and there will be no secret realms at that time."

Da Neng said to several purple-robed emissaries!

When the purple-robed messengers heard this, they hurriedly thanked them. They didn't expect that Da Neng would send someone to pick up their family members!

After several purple-robed emissaries left, the Almighty waved his palm lightly, and a black hole instantly appeared in the midair!

After the black hole rippled for a while, four masked people came out of the black hole!

The four of them were also carrying a coffin. The vermilion coffin looked very thick!

It's just that there are many complicated runes carved around the coffin, and there are several yellow charms pasted on the coffin!

It seems that some monster is sealed in the coffin!

Four masked men put the coffin in front of Da Neng, and then one of the masked men took out a token and handed it to Da Neng!

Da Neng took the token, and a breath penetrated into the token, and bursts of red light flashed on the token!

Accompanied by the flashing red light, the coffin actually started to tremble, and there was an extremely terrifying aura exuding from it!

The four masked men just took a look, then turned around and walked into the black hole again!

But Da Neng looked at the token in his hand and the coffin in front of him, and became very excited.

## Chapter 2444

Went to the secret territory of the sect!

Seeing David being trapped, Sonya and Xiaoru were very anxious!

But no matter what method they use, they can't open the trapped fairy formation!

"You don't need to waste your energy in vain, you can't open this trapped fairy formation,"

David said to Sonya!

"No, I must rescue you, I can't just sit and watch you trapped here..."

Sonya waved her fist, and punched the trapped fairy formation!

But with Sonya's strength, she can't shake the trapped fairy formation at all!

"I can go out by myself, this trapped fairy formation can't trap me at all."

After David finished speaking, the power of the Dao pattern on his body gathered on David's fist!

Boom...

David punched out, and the trapped fairy formation instantly shattered!

Seeing that David broke out of the formation so easily, Sonya and Xiaoru were a little dumbfounded!

After a while, Xiao Ru said, "Brother David, you are so bad, you are so anxious to see us even though you can break out of the formation yourself?"

Sonya also glared at David, pouted a little angrily!

Seeing this, David could only rush forward to coax Sonya!

"Okay, get out of here quickly, or you won't be able to leave when those people come back..."

Sonya pushed David, telling him to leave quickly!

"Don't worry, I will be able to take you out in a short time..."

David followed Sonya and said!

"I believe in you, let's go..."

Under Sonya's urging, David left the Daoist sect secret realm!

After returning to Longmen, David thought of his Dragon Slaying Sword, and felt a pang in his heart!

Taking out the Dragon Slaying Sword, David looked at it again and again, looking at the cracks on the Dragon Slaying Sword, David felt very uncomfortable!

This dragon-slaying sword fought with him in all directions, and it had already become one with the human sword, but now the dragon-slaying sword was damaged, David was very sad!

"Is there any way to restore this Dragon Slaying Sword?"

David wanted to find out if there was a way to restore the Dragon Slaying Sword in his hand!

But after thinking about it, David couldn't think of a way.

So David found Hu Mazi!

Hu Mazi has seen a lot and experienced a lot, maybe he will have a way!

When Hu Mazi heard what David meant, he also felt very embarrassed!

"David, the dragon-slaying sword in your hand is obviously a spiritual sword, and it also has spiritual wisdom. I'm afraid it will be difficult for this ordinary craftsman to restore your dragon-slaying sword."

Hu Mazi looked Looking at the Dragon Slaying Sword in David's hand, he said!

"Is there no way? Master Hu is well-informed, so he can always know some master craftsmen?"

David began to brag to Hu Mazi!

Hu Mazi was flattered by David, and he was a little bit prettier.

"Master of Artifact Refining, of course I know it. Hundreds of years ago, there was a sect that was very powerful in refining weapons, but then for some unknown reason, this sect disappeared."

"A few years ago, I once met a The old monk who has traveled all over the world, only found out when he was chatting, that he turned out to be a craftsman, and he was also a disciple of the sect that had disappeared for hundreds of years. I thought he was bragging at the time."

"But I saw it with my own eyes. After he used a piece of scrap iron to forge an extremely sharp dagger, I believed it a little bit."

Hu Mazi said.

"Then where is the old monk you mentioned? Let's go find him now..."

David hurriedly asked after hearing this.

"It's been so many years, I don't know where it is, but he once said that his monkhood is in Lingyin Temple."

Hu Mazi said!

"Okay, let's go to Lingyin Temple tomorrow..."

David decided to go to the master craftsman Hu Mazi mentioned. It would be great if he could repair the Dragon Slaying Sword!

Without the Dragon Slaying Sword, David always felt like something was missing!

## Chapter 2445

the next day!

David followed Hu Mazi straight to Lingyin Temple!

Lingyin Temple is only a few hundred kilometers away from Kyoto, and at the speed of David and others, it only took a few hours to get there!

In the past, Lingyin Temple was also very prosperous with incense, and there was an endless stream of people who came to worship and offer incense every day.

But now it has become very desolate. David and Hu Mazi went up the mountain, and they didn't see anyone on the way!

When I came to Lingyin Temple, I found that Lingyin Temple was already dilapidated and dusty everywhere, as if no one lived in it!

Looking at Lingyin Temple like this, David's heart turned cold in an instant.

When the two of them walked into Lingyin Temple, what they saw was a desolate, overgrown weed, where was there a monk?

"It seems that the master craftsman I met is no longer here."

Looking at the situation in Lingyin Temple, Hu Mazi knew that no one lived here long ago!

"Hey..." David sighed, "Let's go..."

Just as David and Hu Mazi turned around and were about to leave, a sudden breath came, followed by a figure blocking their way.

David took a closer look and found that the person blocking their way was an old monk wearing tattered monk robes and his face covered with dirt!

"You two, since you're here at Lingyin Temple, why don't you burn incense sticks, and the money for offerings is leaving?" the

the old monk said to David and Hu Mazi!

Hu Mazi looked the old monk up and down, and then hurriedly said, "Master, master, do you remember me? We met once a few years ago?" The

the old monk looked at Hu Mazi, then shook his head, "Old monk travels all over the world, I have read countless people, so how can I remember them all..."

"Master, it doesn't matter if you remember or not, we came to ask you for a favor." The

old monk didn't remember Hu Mazi, and neither could Hu Mazi. angry!

"Looking for my help?" The old monk was taken aback, "Look at me like this, what can I help you with?"

"Master, I know you are a master craftsman, my friend has a damaged sword, and I want to ask the master to help you repair it... "

Hu Mazi said directly!

"So that's how it is." The old monk raised his forehead slightly, "It's just repairing a sword. I can do it, but can I get any benefits?"

"Master, as long as you can help me repair the sword, you can do whatever you want Yes, even if the Lingyin Temple is rebuilt, I have no problem."

David said hastily after hearing this!

"The tone is not small, but this Lingyin Temple is not mine, what is he doing to rebuild it." The old monk shook his head, "If I repair the sword for you, you need to help me save someone!"

"Save who?" David and Hu Mazi asked at the same time!

"You don't have to worry about whoever you save, but this person is locked in the dungeon of the Fire Sect, and you promise to help me rescue it, not to mention repairing a sword for you, even if it is to build a sword for you. "

said the old monk.

"Fire Sect?" David and Hu Mazi were stunned!

They had never heard of such a sect.

"Master, where is the Fire Fenzong you mentioned? I've never heard of it?"

David knew everything about it, whether it was in the secular world, the hidden world or the secret realm, and he had never heard of this Fire Fenzong. ah!

"You don't even know the Huomian Sect? It's on the mountainside of Qingniu Peak, how come you haven't heard of such a big sect?" The

old monk looked at David with surprise on his face!

This time, David and Hu Mazi were even more confused, they didn't know where the Qingniu Peak was!

"Master, you... You said that this Qingniu Peak, we have never heard of it..."

David looked helpless!

"You guys, why haven't you ever heard of Qingniu Peak? This Qingniu Peak..."  
The

the old monk was about to reprimand David and Hu Mazi!

But the whole person was taken aback for a moment, as if thinking of something, and then tears flowed out, and he burst into tears.

The old monk's actions directly confused David and Hu Mazi.

-
