

A Man Like None Other Novel

Chapter 2519

Moreover, the damage he caused by burning blood essence was too great, and I don't know if it is possible to restore everything to the previous state!

However, David's physical body was hard enough, even if he couldn't beat the demon wolf, the demon wolf couldn't possibly eat David. The teeth of the demon wolf couldn't break through the defense of David's physical body at all!

The demon wolf came in front of David, and David concentrated his spiritual power on the long knife in his hand, and then swung the long knife in his hand fiercely to the side!

Stabbing...

The wolf's body passed over David's head, and a lot of blood gushed out from the wolf's stomach!

David's knife just cut through the wolf's stomach, and all the intestines in his body flowed out.

Although David only recovered part of his strength, he was still able to deal with a monster wolf with ease!

The demon wolf fell headlong to the ground, howled in pain, looked at David with a pair of eyes in horror, then got up desperately and ran away!

Whoosh...

Just as the wolf got up to run, an arrow feather flew towards the wolf in an instant, and shot directly in the wolf's head!

This arrow feather was shot from the pillar, and when he saw that David easily disemboweled the demon wolf, he was not so afraid.

The demon wolf that was shot in the head didn't even howl, it just fell silent!

"Zhuzi, your arrow skills are good!"

David looked at Zhuzi and praised!

"Brother David, you are the best. If it weren't for you, I wouldn't even dare to move my bow!"

Zhu Zi looked at David with admiration!

Then Zhu Zi walked in front of the wolf, took out a dagger, and skillfully took out the wolf pill.

Then Zhu Zi peeled off the wolf's skin. As for the meat of the wolf, there was no way to ask for it. After all, David and the others had to go deep into the mountains, so Zhu Zi couldn't carry the wolf on his back!

But this monster wolf meat is also worth some money, Zhu Zi is a little bit reluctant, but there is nothing he can do about it.

Seeing Zhu Zi's reluctance, David smiled lightly and said, "Take this wolf meat with you!"

After David finished speaking, he threw the wolf into the storage ring.

Seeing that the wolf in front of him suddenly disappeared, Zhuzi asked in surprise, "Brother David, what spell did you use? Why is the wolf gone?"

"I just put the wolf in the storage ring. When I return to Dashi Village, I'll take out the demon wolf again, you can sell it for some money!"

David said with a slight smile!

"Storage ring? This is a good thing..."

Zhu Zi's face was full of excitement. You must know that this monster wolf can sell for a lot of money!

David continued to walk forward with the pillar, and soon found a person lying under the big tree, but the person was still breathing weakly, his lower body had been completely eaten by the demon wolf, and the ground was full of blood!

After Zhuzi saw this person, he was stunned, and then he cried loudly, "Brother Shuanzi, brother Shuanzi, what's wrong with you? Brother Ali and the others?"

Zhuzi stepped forward and looked at the person in front of him. Asked a little at a loss!

And that Shuanzi opened his eyes to see that it was the pillar, opened his mouth, and wanted to say something, but he couldn't say a word, because he was injured too badly!

Seeing this, David knew that this was a person from Dashi Village, so he hurried forward, and a burst of spiritual energy penetrated into Shuanzi's body, and Shuanzi took a breath and said, "Zhuzi, go quickly, save Ali and the others, they I went to the depths of the mountains..."

"Don't worry, tell me slowly, what's going on, haven't you been caught by people from Daqing Village?"

David wanted to know what happened to Yun'er and the others. What!

Shuan Zi licked his dry lips, David hurriedly took out the water bottle and gave him a drink, but soon Shuan Zi spit it out, he was too injured to drink any water.
