

A Man Like None Other Novel

Chapter 2531

"Doctor Zhang, is it really as simple as picking a herb with you?"

Ali couldn't believe it, what kind of thing is this kind of thing?

"Of course, you still doubt that I can lie to you?" Zhang Biao said with a cold face!

"No, no, I just think this matter is too simple. We agreed to go pick herbs with Dr. Zhang tomorrow."

Ali agreed without hesitation!

"Well, you are staying in Qingshi Town today, and we will leave early tomorrow morning."

Zhang Biao said!

Ali nodded, and then took David and the others out of the security hall. As soon as they came out, Yun'er jumped up happily, "Grandma can finally restore the light!

" Conditions!"

Zhu Zi said incredulously!

“Maybe he was moved by Yun’er’s filial piety, now Yun’er can rest assured that she doesn’t have to worry about her grandma’s eyes anymore!”

Ali said with a smile!

However, David, who had been silent all this time, was not as optimistic as Ali and the others. He didn’t believe this genius doctor’s conscience found out that picking herbs this time must be extremely dangerous.

However, David didn’t make it clear that he didn’t want to affect the mood of Yun’er and Ali. It was enough for David to be more vigilant. Anyway, with David’s current strength, no one in the nearby villages would be invincible!

David and the others found a small hotel, and then began to rest, waiting for the next day!

At this moment, in the depths of the mountain range, on the territory of the demon wolf clan, a demon wolf headed by it is crawling and crouching at the feet of a man with hair all over his body like a savage!

The wolf let out a low whining sound, and the man frowned and stretched his brows sometimes. He could understand the wolf’s language!

This man is also a demon wolf who has turned into a human form, but because the level of strength has not been reached, he has not completely reborn and turned into a human being!

“How can a human being possess the aura of a divine beast? Could it be that he is also our beast race?” The

man fell into deep thought.

.....

The next day, David and the others arrived at the Baoan Hall early. After arriving at the Baoan Hall, David and the others discovered that Zhang Biao had also arranged for other people to accompany them to collect herbs!

At this time, more than a dozen people gathered in front of the security hall, and David and the others also stood among the crowd.

Soon Zhang Biao came out, and by Zhang Biao's side, followed by his senior brother Wu Feiyu.

"Brother, do you think the people I'm looking for are not bad?"

Zhang Biao said carefully beside Wu Feiyu!

Wu Feiyu just glanced at the crowd indifferently, and suddenly his gaze stayed on David for a moment, and at this moment, David was also looking at Wu Feiyu, and the two looked at each other!

Wu Feiyu moved his eyes away from David, but David kept looking at Wu Feiyu. David's current strength had not fully recovered, so he couldn't see through Wu Feiyu, but he could be sure that Wu Feiyu Yu's strength will never be too low!

In such a remote town, the sudden appearance of a master like Wu Feiyu gave David a sense of crisis. His current strength cannot match the masters of the world of heaven and man!

"Let's go..."

Wu Feiyu glanced at the crowd and said to Zhang Biao!

Zhang Biao nodded, and then said loudly, "Just be obedient and follow me to pick the herbs. I think everything I promised you will be fulfilled. Now let's go..."

Following Zhang Biao's order, a group of people moved towards Follow the mountains!

"What's going on here? How do you pick a herb and bring so many people with you?"

Yun'er finally felt something was wrong, so she said!

"It seems that picking herbs this time is not as simple as imagined, we all have to be careful!"

Ali also saw that things are not simple!
