

A Man Like None Other Novel

Chapter 2551

David followed Princess Isa through the streets and came to the imperial city in the central area!

Just as David and the others entered the imperial city, a young man in golden armor walked over!

"Princess Isa, I heard from the Demon King that you were going out, but I was so worried to death. You must know that it is too dangerous outside now. If you go out alone, if something goes wrong, you will be in trouble!"

"If you are going out , please tell me, I can protect your safety..." The

young man said to Princess Isa with a worried face!

But Princess Isa just glanced at the young man, and then said with a little disgust, "Hu Ben, when my freedom of movement will be under your control, will I have to report to you wherever I go?"

"No , I didn't mean that, I was just worried about your safety!"

Huben waved his hands again and again to explain, but when he noticed David behind Princess Isa, he frowned, "Princess, why did you bring humans in here? But just after Huben finished speaking, he suddenly looked strange, and continued to say, "

No, this guy has a human aura on him, why does he also have the aura of our orcs? Is it the aura of divine beasts?"

"Strange, really It's so strange, could it be that he is the product of the marriage between our orcs and humans?"

Huben was a little overwhelmed by David's aura, so he looked at David carefully!

"Hu Ben, put away your curiosity, it's none of your business who I bring in, you protect the imperial city by yourself, and do your own thing!"

Princess Isa reprimanded Huben, and then spoke to Hu Ben. David said, "David, let's go..."

Princess Isa led David towards the inner hall of the imperial city, while David took two quick steps and followed Princess Isa side by side!

This made the Hu Ben who was watching helplessly angry enough, he had never been treated to walk side by side with Princess Isa!

"That Huben subordinate of yours seems to like you?"

David asked Princess Isa.

David also relaxed when he spoke because he felt that Princess Isa did not have any malice towards him!

"He is a toad who wants to eat swan meat, how could I like him as a peeping tom!"

Princess Isa said angrily.

"Peeping Tom?" David was stunned for a moment, not understanding what Princess Isa meant! "That Huben

is a pervert. He often peeps at girls taking a bath. He thought his phantom technique was so good that no one would notice, but he was still seen!

“

The more the princess talked, the more angry she became!

But David was full of surprise. He didn't expect that looking at the upright and hulking Hu Ben, he would even have the quirk of voyeurism!

No wonder Princess Isa had disdain and disgust when she saw that tiger ben!

David followed Princess Isa into the inner hall, and Princess Isa shouted loudly.

“Father, Father...”

Accompanied by Princess Isa's shout, an old man in Tsing Yi came out, and then saluted Princess Isa, “Princess, the Demon Emperor is out of the city, and he may not be back until tomorrow! ”

“Father is also true, you will leave the city before I come back!”

Princess Isa pouted, looking very unhappy, and then said to the old man in Tsing Yi, “Elder Pei, take him to rest for a while. I brought it to see my father.”
The

old man in Tsing Yi nodded, and then politely said to David, “Sir, please come with me...”

David looked at Princess Isa in surprise, this Bring him into the imperial city, but don't ask or say anything, just let him go to rest!

“You go to rest first. I know that your body is injured and your strength is limited. I will send someone to send you some herbs to help you recover.”

"When my father comes back tomorrow, I'm talking to you. Don't worry, I won't harm you!"

Princess Isa said to David!

David saw that what Princess Isa said was very sincere, and indeed she had no hostility towards him, so he went to rest with Elder Pei!

Chapter 2552

Elder Pei took David to a very ordinary room, and then said respectfully, "Please rest, if you have anything, you can call me at any time..."

"Thank you, Elder Pei!" David hurriedly thanked the other party when he saw his respect !

But just as Elder Pei was about to leave the room, David stopped him suddenly.

"Elder Pei, can I ask you a question?" David asked!

"Excuse me!" Elder Pei said!

"Elder Pei, are there demon cultivators in your city? Are there any humans?"

David asked curiously.

Elder Pei shook his head, "There are no human beings here. We are all demon cultivators, orcs. Human beings have human territory, so they wouldn't live here."

"Don't you think there are any human beings here? "David was very surprised. Has no one else discovered such a big city and been here?"

"Of course, humans have been here. We often invite some human pharmacists to come here to help refine elixirs, or seek medical treatment."

"You also know that it is almost impossible for us demon cultivators to become pharmacists. So we still need the help of a human pharmacist!"

Elder Pei replied carefully!

David nodded in a dazed way. He just realized that these demon cultivators who transform into human form from monsters cannot become pharmacists!

"Do you have any questions?"

Elder Pei asked softly.

"Oh, no more, thank you, Elder Pei!"

David shook his head quickly!

Elder Pei left, while David stayed in the room, quietly adjusted his breath, and slowly recovered his strength!

I don't know how long it took, but David was awakened by the sound of the door opening!

David opened his eyes and saw Princess Isa walking over with a disk!

On the porcelain plate, a brown-green pill exudes a faint light!

David could tell at a glance that this pill was definitely not an ordinary pill!

"Princess Isa..."

David got up and shouted respectfully!

"I sent you a Guixin Pill. Looking at you, it seems that you have an injury that has not healed. Taking this Guixin Pill may be good for healing your injury!"

Princess Isa said, holding the porcelain plate Put it on the table!

David looked at the Guixin Pill with a bit of doubt on his face, because this Guixin Pill is definitely a priceless thing for a demon cultivator without a pharmacist!

But now Princess Isa gave this thing directly to himself. David was a little confused. He didn't understand why Princess Isa was so kind to him.

David didn't know what Princess Isa had planned!

"Princess Isa, I would like to take the liberty to ask you, you and I met by chance, why did you give me such a heavy gift?"

David asked in confusion.

"Because I want to get some answers from you!"

Princess Isa said.

"What answer?" David was taken aback, not understanding what Princess Isa meant!

"You have the breath of a human being, but at the same time you have the breath of a beast, which means that your parents must not be of the same race."

"One of them is a beast race, and the other is a human race. I want to know who your parents are? Will give birth to you?"

Princess Isa asked.

David frowned slightly. He didn't understand that Princess Isa asked what his parents were doing, but David still replied, "My mother is human, but I have never seen who my father is, let alone know who he is. his identity."

"Why are you asking these questions? Is there something wrong with my parents giving birth to me?"

David looked at Princess Isa strangely. He really didn't understand the use of Princess Isa's question. What do you want to get out of this question!
