

# A Man Like None Other

## Novel

### Chapter 2095

Just after Xiaoru and Wu Meier left the hotel, an old man with a black hat and a gray beard glanced at the two men, then got up and walked out of the hotel quickly!

This old man is the magic envoy who was ordered to search for people with special physiques in the mundane world.

Wu Meier pulled Xiaoru and walked through the streets to avoid the crowd, as if she was afraid of being discovered.

"You girl, you are too impulsive. If Uncle Long finds out, he will definitely scold you. Those two guys are just ordinary people, but you are doing such a heavy hand!"

Wu Meier reprimanded Xiaoru!

"Sister Meier, I was wrong, I was so angry just now, who sent those two short-sighted guys to the door."

Xiaoru looked wronged!

Seeing Xiaoru like that, Wu Meier couldn't bear to say anything, and sighed softly: "Now that David is locked in a secret realm, his life and death are uncertain, we should not burden him!"

"I've never been interested in cultivation, and I don't like fighting, but now I'm eager to make myself a master like you!"

Among these girls, Wu Mei'er is now alone and has no strength, she's just an ordinary person!

"Sister Mei'er, you reprimanded Brother Chen every time you saw him, and even scolded him. I always thought you didn't like him!"

"I didn't expect you to hide so deeply that you were willing to sacrifice your life for Brother Chen!"

"Ru said with a smile.

Wu Mei'er smiled bitterly: "There are so many girls who like David now, I'm not outstanding in terms of appearance or strength, and my sister likes him unabashedly, I...what else can I do..."

"Brother Chen's life is really good, you two sisters like you..."

Xiaoru said with a smile!

"Okay, stop talking about this, let's go back first!"

Wu Mei'er is pulling Xiao Ru to go back!

But just turned around, but found that at some point, behind them, an old man with a black hat was staring at them with a pair of osprey-like eyes!

"I didn't expect that David's Peach Blossom Games would be so strong..." The magician said with a smile.

"Who are you?"

Xiaoru asked Wu Meier to the magic envoy.

She could feel the aura on this demon, so the possessed was definitely not an ordinary person.

"I'm David's enemy..." The

magic envoy said lightly.

When Wu Meier and Xiaoru heard this, they looked at each other, and Xiaoru said, "Sister Meier, you go first, I'll take care of this old guy!"

Since she is David's enemy, Xiaoru can just bring it. Express your emotions!

"Hahaha, you are so shameless at such a young age, you have just stepped into the strength of Marquis, and you still want to take care of me?"

"Even if you have a special physique, what can you do to me?" The

magic envoy laughed haha!

Xiaoru didn't speak, but her body shook slightly, and a cold energy in her body condensed on Xiaoru's hands!

I saw Xiaoru's hands quickly condensing frost!

"Ice Palm..."

Xiaoru shouted, and slapped the demon with one palm!

This palm came out, and a cold wind blew in an instant, and the surrounding temperature dropped several degrees directly.

The magic envoy looked at Xiaoru and slapped it with a palm, with a sneer on his face and disdain in his eyes!

Just as Xiao Ru was in front of her, the magician suddenly shot and grabbed Xiao Ru's neck!

Xiaoru's palm also hit the magic envoy!

But the magician didn't move at all, not even a trace of frost on his body!

Seeing this scene, Xiaoru's face changed greatly, she knew that the gap between her strength and the opponent was too great!

The difference in strength is to a certain point, even if Xiaoru is an ice crystal, it has no effect at all!

"Bastard, let me go, let me go..."

Xiaoru struggled, but her body felt like she was being clamped by a vise!

"You don't have to struggle anymore, it's useless!" The

demon gave a cold smile and planned to leave with Xiaoru, without taking care of Wu Meier!

## Chapter 2096

Seeing that Xiaoru was about to be taken away, Wu Meier was also anxious!

"Wait a minute..."

Wu Meier shouted loudly!

The magic envoy turned his head, looked at Wu Meier and said, "What do you want to do?"

Wu Meier suddenly revealed a faint smile, her eyes curved like crescent moons, and her eyes were full of affection!

At this time, Wu Meier exudes an aura that fascinates men!

Wu Mei'er plans to use the charm technique to control the demon so that Xiaoru can be rescued.

When the magic envoy saw Wu Mei'er like that, and felt the charming aura on her body, she was slightly stunned!

Seeing this, Wu Mei'er thought she had succeeded, and walked towards the magic envoy step by step!

And Xiaoru is trying hard to break free from the shackles of the demon!

"Hahaha, hahaha..." "

It really took no effort to find a place to break through the iron shoes. I didn't expect that I would meet two people with special physiques!" It's

a virtual trip..." The

magic envoy suddenly raised his head and laughed!

Wu Meier was startled when she saw this, she turned around and was about to run, but she was grabbed by the magic envoy, and a huge suction force directly sucked Wu Meier over!

The magician controls one with one hand, and his face is full of pride!

Immediately afterwards, a sigh of black mist was gently spit out, and Xiaoru and Wu Meier were all quiet!

.....

The secret realm of the Demon Sect!

The magic envoy looked at Xiao Ru and Wu Mei'er who were in a coma, and there was a glint in his eyes!

Since he recovered his true body, he has never tasted the taste of a woman!

But now, two such beautiful beauties are in front of him, which makes the magic envoy a little restless!

And this is David's woman. Thinking of this, the magic envoy felt a burst of excitement!

He can use this method to take revenge on David!

"David, I will record this passage and show it to you when you see it."

With a wicked smile on his face, the magician immediately rushed towards Wu Meier and Xiaoru!

Slam...

But just when the magic envoy jumped in, suddenly there was a burning pain on his face, and then the whole person flew upside down in an instant!

The powerful figure appeared slowly, and the magic envoy was so frightened that he fell to the ground!

"As I said, if you catch someone with a special physique, you have to treat me well, and don't do any harm!"

"Are you taking me as a word and deceiving me?"

Da Neng looked at the demon coldly, The gloomy voice almost scared the magician into peeing!

"Almighty, spare your life, my subordinates are confused for a while, I don't dare, I don't dare anymore..." The

magic envoy kowtowed desperately and begged for mercy!

"Let me ask you, Sonya has been on a hunger strike for several days, why didn't you report it?"

Da Neng asked.

"The subordinate is trying to figure out a way, and Sonya's physical condition is not bad, so the subordinate did not report it!" The

demon hurriedly explained!

"Throw these two girls and Sonya into the secret realm that sealed David."  
Danny

said.

The magic envoy was stunned for a moment, and asked with a puzzled look:  
"Da Neng, this way, wouldn't that make David and his girlfriend reunite?"

"And how can we extract Sonya's blood?"

Daneng sneered : "My purpose is to reunite them, because only in this way will David settle down. Even if they are reunited, what will happen? They will never be able to escape that secret realm!"

"As for Sonya Compared with her special physique, the blood on her body is nothing."

"This time you did a good job, and you found two people with special physique at once, you are good Come on, when we break through this secret realm and rule the entire world, I will let you rule one world." The

great master praised the demon, this is a typical slap to a sweet date!

"My subordinates are determined to be almighty..." The

magic envoy was full of excitement!
