

A Man Like None Other

Novel

Chapter 2103

"No matter who this David is, since he dares to destroy your Bailian Pavilion, I won't sit back and watch it. You two must have already lost their inner strength. Let's take a good rest here!"

After Jueyuan finished speaking, he waved his palm lightly, a Buddha statue in the hall, faintly glowing, followed by a force visible to the naked eye, constantly entering Shi Qingpei And Shi Yan's body!

The two of them immediately felt that their bodies were extremely relaxed, and their strength instantly returned to the peak!

"Senior brother, what is this?" Shi Qingpei asked in shock.

"This is the power of faith, the purest power of faith. Those believers you see all have traveled through mountains and rivers, and went through untold hardships to come here to worship. Only this kind of faith can produce the purest power of faith! "

This power of faith is a hundred times stronger than the resources you use. If I use the power of my faith, I can easily create a Martial Saint in his twenties!"

Jue Yuan looked on his face . said proudly.

When Jueyuan said that, Shi Qingpei and his son were shocked!

"Senior brother, what's your current level of strength?"

Shi Qingpei asked.

"The peak of the Martial Saint... It won't take a few days. When I absorb the power of faith, I may break through the Martial Saint..."

"When I break through the Martial Saint, even if David is a member of the hidden family, he will be able to break through. How is it?"

Although Jue Yuan's tone was flat, he could hear the excitement and disdain in his heart.

"Breakthrough...Breakthrough Martial Sage? Wouldn't that mean becoming a Martial God?"

"This Martial God is a generation of gods and can be passed down through the ages..."

Shi Yan looked at Jueyuan incredulously and said.

"Hahaha, what is the Martial God? People like us who are indifferent to the world and devote themselves to cultivation, which one is not rushing to become an immortal and become a Buddha."

Jueyuan laughed, although he said it was nothing, But Shi Yan's words still made him very excited!

"With Senior Brother here, our great revenge will definitely be avenged..."

Shi Qingpei said happily!

"Don't worry..."

"Hahaha..."

Jueyuan's laughter reverberated in the sky over the entire Kuchan Temple...

.....

in the secret realm!

David took Sonya and the others to search along the map, and finally found the place where the red dot flashed!

It turned out to be a waterfall, and the place where the red dot flickered was behind the waterfall.

"Is the exit right behind this waterfall?"

Xiaoru asked, looking up at the towering waterfall.

"Maybe it's not an export, but something else?"

Sonya said.

"It's not an exit, what else could it be?" Xiaoru asked in confusion.

"What if it's a treasure?" Sonya said with a smile.

"Treasure?" Xiaoru's eyes widened in surprise, but she quickly shook her head and said, "How could there be treasure? You already said it, this is the secret realm of the Demon Heart Sect, and they must have already checked it. If there is really a treasure, how could they not find it!"

"I'll find out when I go to investigate, you guys wait here first..."

After David finished speaking, he jumped and walked directly through the waterfall.

On the cliff behind the waterfall, there is a big hole, but the hole is blocked by the waterfall, so it can't be seen from the outside!

David held the Wordless Heavenly Book in his hand and slowly walked towards the entrance of the cave!

David just walked not far from the entrance of the cave, but found three big characters carved above the entrance of the cave!

Wuya Cave...

And there are traces of excavation around the cave, as well as signs of human activities!

This proves that someone must have lived in the cave, and this secret realm must have been lived!

But why is there no life now, and there is no one left?

Is it because the Demon Heart Sect occupied the secret realm and killed everyone here?

David continued to walk into the depths of the cave, and it became darker as he walked. David could only hold his palm lightly, and a light blue spiritual fire burned, illuminating the entire cave!

Chapter 2104

When David walked into the end of the cave, he found that the whole cave was very big, like a hall, and there were many sculptures. Full of dust!

David looked around and found nothing special. Apart from these sculptures, there were also carvings on the surrounding stone walls, but it was impossible to see clearly!

David walked back in disappointment. He originally thought that even if it was not an exit, it should be a relic or something. After all, it was marked on the wordless book!

But now that there is nothing, David will of course be disappointed!

When David returned to the entrance of the cave, he found that Sonya and the other three even came in!

"Didn't the three of you wait outside? Why did you come in? What if this is dangerous?"

David reprimanded the three of them upon seeing this!

"It was because we were afraid that you would be in danger that we came in..."

Sonya said.

Sonya's words made David speechless!

"Brother David, is there anything good in this cave?"

Xiaoru looked at the dark cave and asked David.

"Nothing, except for some broken sculptures, nothing!"

David shook his head in disappointment.

"Let's go in and have a look..."

Wu Mei'er said very curiously.

"There is nothing, what is there to see?" David didn't want to walk in!

"I also want to go in and have a look, Brother Chen, let's go in and take a look!"

Xiaoru took David's arm and said coquettishly!

Seeing this, David could only helplessly nodded and said, "Okay..."

Soon, the four of them started walking towards the cave again.

"It turns out that this place is called Wuya Cave, the name is so earthy..."

Xiaoru looked up at the name on the top of the cave and counted.

And that Wu Meier looked up at the top of the cave, suddenly lowered her head again, and then her face turned red!

No one noticed the change in Wu Meier's expression!

David was in front, using the spirit fire to show the way for the three people!

And Sonya, who was walking behind, was getting hotter and hotter, and her forehead kept dripping with sweat!

Xiao Ru, who was beside Sonya, trembled slightly, as if it was cold inside the cave!

Only Wu Mei'er, who was walking at the end, was blushing and bit her lip, as if she saw some unsightly picture!

David, who was walking in front, didn't notice that the three were the same!

All the way to the bottom of the cave, David waved his hand and said, "Look, there is nothing in this cave except for a few broken sculptures, right?"

"I won't lie to you, I have to come in and see it again, just look at it! After David finished speaking ,

he was about to find a place to sit and rest, but suddenly found that something was wrong with the three girls!

"Yuqi, what's wrong with you?"

Seeing Sonya sweating profusely, David hurried forward and asked.

"I'm fine, I just hurry up to get hot, why is it so hot here?"

Sonya kept wiping the sweat from her forehead!

"Is it hot here?" David was puzzled, and he stepped forward and touched Sonya's forehead lightly!

But this time, David was hotly dodged!

You must know that David's body is very strong, even standing in the magma, he can't feel it!

But as soon as he touched Sonya's forehead, he felt the heat!

On the other side, Xiao Ru was trembling all over, hugging tightly: "It's so cold, it's so cold here..."

There was actually frost on Xiao Ru's hair and eyebrows.

"Xiaoru..."

David hurriedly stepped forward to take off his clothes and put it on Xiaoru!

"Brother David, it's too cold here..." Xiaoru stepped forward and grabbed David!

When Xiaoru touched David, David only felt a biting chill that entered his body instantly!

David was shocked and hurriedly pushed Xiaoru away!

At this time, David was a little panicked, he didn't understand what happened to Sonya and Xiaoru!

Is this cave weird?
