

A Man Like None Other Novel

Chapter 2119

"Oh, nothing..."

After that, the eight people continued to move forward!

David chased after him and shouted, but the eight people were indifferent!

In the end, David could only follow slowly, he wanted to see where these eight people were going!

Soon, these eight people actually walked to the entrance of a cave, and above the entrance of the cave, the three words Wuyadong were written!

"This is Wuyadong? Why is the surrounding environment different at all?"

David looked at Wuyadong in front of him, his face full of doubts!

Just when David was puzzled, eight people had already walked into Wuya Cave. David wanted to follow up, but just when he reached the entrance of the cave, he was stopped by a huge force!

No matter how hard David tried, he couldn't take a step into the cave at all!

David was helpless. He could only stand at the entrance of the cave and listen carefully to the voices in the cave, hoping to get some useful information about Wuya Cave!

But after listening for a long time, David couldn't hear anything, but just when David was about to go to look elsewhere, suddenly there were several screams in the cave!

Accompanied by screams, bursts of golden light erupted in Wuya Cave, and David, who was so golden, couldn't even open his eyes!

"Walking against the sky, what else can you do?"

"Hahaha..."

The sound of laughter came from the cave, followed by a figure!

But when David tried his best to see who this figure was, his eyes suddenly turned black!

When David opened his eyes, he found himself lying in Wuya Cave, with Sonya and the others anxiously watching!

Seeing David awake, the three of them were very excited!

"Brother David, you are awake, you almost scared us to death..."

"David, what happened to you?" The

three asked David with concern.

But David did not answer, but stood up suddenly, and then carefully checked the statue in front of him!

"What the hell is going on? Are these not statues, but people who were petrified by magic?"

"Who is that person who came out of Wuya Cave?"

David's eyes were full of doubts!

Sonya and the others can only watch, no one understands what happened to David!

David stroked the statue, and his consciousness entered the stone statue again, but this time nothing appeared!

“What’s going on, what’s going on in the end...”

David stroked the statue, lost in confusion...

.....

Kyoto Dragon Gate!

Long Xingxu regularly arranges the members of the gate to patrol and practice the exercises every day!

Outside the Dragon Gate, three figures slowly appeared!

These three people are Jue Yuan and Shi Qingpei, Shi Yan and his son.

“As expected of the younger generation in the martial arts world, he created such a big sect at such an age!”

Looking at the dragon gate in front of him, Jueyuan couldn’t help but sigh!

“Hmph, the reason why this David has come to this day is entirely because of the loneliness of the martial arts world!”

“And these guys in the Kyoto martial arts world have no real ability to make a name for themselves. If all those hidden families come out, what is this David?”

Shi Qingpei snorted coldly.

"Having said that, but David reached the realm of the Martial Saint at such a young age, and is considered a dragon and a phoenix.

"

Yuan said, looking at the plaque on the Dragon Gate, waved his hand gently!

A terrifying aura waved from Jue Yuan's hand, instantly blasting the huge plaque into powder!

Even the entire gate, at this moment, collapsed with a swipe of Jue Yuan!

"Senior brother, don't make too much noise, after all, this is Kyoto, and Mr. Shi is in charge..." Seeing that

Jueyuan made a move, Shi Qingpei smashed the gate of the Dragon Gate and hurriedly persuaded him!

They are here to seek revenge for David, as long as they can catch David and torture him to death!

Chapter 2120

If the movement is too big and disturbs Mr. Shi, it will be difficult to handle, and if Mr. Shi can give the pen to David, it proves that he has a good relationship with David!

"Hmph, look at your courage. As long as those people from hidden families or secret realms don't appear, even if the entire Kyoto martial arts world is dispatched, I won't take it seriously."

Jue Yuan snorted coldly, facing the Shi Qing training reprimanded!

Seeing this, Shi Qingpei was too frightened to speak out.

The collapse of the gate caused many members of Longmen to rush out one after another. After seeing Jue Yuan and them, they were all furious and rushed up with their swords!

To know that Longmen is now in the entire martial arts world, it is also a well-known name, not to mention the Kyoto martial arts world, even if it is the entire Daxia martial arts world, who would dare to trouble Longmen?

But now there are people who are not afraid of death, and they come to Longmen to make trouble. All these members of Longmen are swarming!

Facing these people in Longmen, Jueyuan couldn't help but sneer, waved his long sleeve robe, and a huge breath came in a flash!

The members of the Dragon Gate flew out one after another, spitting out blood, and some of them simply lost their breath!

"Who are you? Dare to come to my Longmen to be wild?"

At this time, Long Xingxu brought someone over, looked at the three Jueyuan, and asked with an ugly face.

"Where's David? Let him get out and die. He robbed our house. I want him to pay it back!"

Shi Yan stepped forward and yelled loudly!

"Our sect master is not here, who are you?"

Long Xingxu continued to ask.

"Not here? I think he's hiding? If that David doesn't come out, I'll tear down his gantry..."

Shi Yan spoke very stubbornly because of You Jueyuan's support!

"Since you don't dare to apply for your name, don't blame me for being rude!"

After Long Xingxu finished speaking, he slapped Shi Yan with a palm!

"Hmph, a mere Marquis of Martial Arts, dare to be arrogant..."

Jue Yuan's eyes were full of contempt, the corners of his mouth twitched, followed by a gentle wave of his palm!

Long Xingxu's body came abruptly, and he only felt as if his body was being pressed by a heavy stone. Not to mention taking a step forward, even standing was very difficult!

Long Xingxu made a gurgling sound all over his body, the blood vessels in his body began to burst, and blood swords shot out!

Pfft.....

Long Xingxu couldn't hold on in the end, and fell directly to the ground. His body was already stained with blood, and his life and death were unknown!

When the others in Longmen saw this situation, their faces became extremely ugly!

"Go and call David out..."

Shi Yan roared at the people in Longmen!

"Our Sect Master is indeed not here!" Someone said.

"Not here?" Shi Yan's eyes flashed fiercely, and the whole person disappeared in a flash, and soon he arrived at the Dragon Gate crowd!

After a few screams, the members of Longmen fell down!

"Are you there?" Shi Yan asked murderously.

The members of Longmen were shocked, but no one escaped. They stood in place one by one. Although they knew that they were invincible, they were not afraid of life and death!

"It's quite strong. See if I kill you all, will David appear..."

After speaking, Shi Yan grabbed the void, and in an instant, countless energy went towards the many members of Longmen!

Even though Shi Yan couldn't beat David, he was able to deal with these ordinary disciples of Longmen!

Facing Shi Yan's terrifying energy, everyone in Longmen's complexion changed greatly!

But at this moment, a few golden rays of light flashed in the air, and I saw a golden talisman appear in front of everyone in Longmen!

Fu Lu only saw that the energy was blocked, and then a violent explosion occurred!

Shi Yan frowned slightly, and then saw Hu Mazi in mid-air, coming from the air...
