### Chapter 2221

“What do you think?”

David looked at Tong Youcai and Leng Yun and asked.

“Don’t think about it, this psychic fruit is a rare psychic fruit in the world. Who doesn’t want it, but if you want a psychic fruit, you have to look at your ability.”

“Now there are a total of eight psychic fruits, Brother Leng can take them Five, I want three...”

“As for you, don’t even want to take one, and keep your life!”

After Tong Youcai finished speaking, the aura on his body began to rise continuously!

He wanted to kill David for a long time, but Leng Yun had been protecting David, and Tong Youcai couldn’t do it!

This time, in the face of interests, he knew that Leng Yun would never help David, so he would say let Leng Yun take five psychic fruits!

Sure enough, when Leng Yun heard this, his face was full ofThe intentional smile is not helping David!

David looked at Tong Youcai coldly with disdain in his eyes!

“You want to kill me too?” David snorted coldly, “You’re still practicing for ten years...”

David’s disdain made Tong Youcai instantly furious and his body jumped up!

“David, now that I have modified my genes, killing you is like chopping melons and vegetables...”

Tong Youcai’s heart was extremely swollen since his genetic modification.

The body that jumped high, burst out with a terrifying breath, and then a punch fell, bursts of explosions sounded, and the entire space was shaking!

David looked coldly at Tong Youcai, his body suddenly appeared golden light, and the undamaged golden body was instantly wrapped around the whole body, and then the power of the dragon was condensed on the fist!

A golden dragon was wrapped around his arm, followed by a punch, accompanied by a dragon roar, and a terrifying punch went straight to Tong Youcai!

Boom...

A deafening sound, the terrifying energy is like a storm, and it swept away in an instant!

Everyone was blown away by the terrifying residual energy!

But the psychic tree on the side seems to have not been affected in any way, not even a leaf!

And that Tong Youcai felt a tightness in his chest, and then he spurted out a mouthful of blood, and the whole person fell from the air like a kite with a broken string, and smashed to the ground!

"Second Young Master..."

Upon seeing this, the disciples of the Tianlei School hurried forward to help Tong Youcai up!

Seeing that David injured Tong Youcai with one punch, Leng Yun couldn't help being shocked. He didn't expect David's strength to be so strong.

Tong Youcai wiped a handful of blood, and frowned tightly together!

He didn't expect that he modified his genes and his strength improved, but he still couldn't beat David!

"I said, your strength can't kill me at all, so go back and practice for ten years!"

"You don't deserve this psychic fruit..."

David said coldly to Tong Youcai.

"Brother Chen, since we entered the ruins of the Narcissus Palace together and discovered the psychic fruit together, we might as well share it together.

" I can also take two, so that I don't have to fight to the death!"

Leng Yun saw that David was so powerful, so he smiled slightly and stepped forward and said.

David looked at Leng Yun's sissy appearance and thought it was pretty beautiful.

If it wasn't for Davidzhan showing his strength, I'm afraid he wouldn't let him take any of this Leng Yun!

"What you think is quite beautiful, why do you take four? Is it because you are a sissy?"

"I want all these eight psychic fruits, you all get out now, otherwise you won't be able to get the psychic fruits, and you will die. I have to take it here!"

David said coldly.

David's words instantly made Leng Yun's face turn cold, and he no longer had the kindness he had just now!

"David, do you think you can be arrogant after defeating Tong Youcai?"

"It's a favor for you to get two psychic fruits, but you still don't appreciate it..."

Leng Yun's eyes narrowed slightly, his body The killing intent began to rise!

## Chapter 2222

"Brother Leng, stop talking nonsense with him, let's kill him together, and then divide the psychic fruit..."

Tong Youcai said to Leng Yun.

Since he is not an opponent himself, then join Leng Yun together, the two of them can always beat David!

But before Leng Yun could speak, an old man from Feixing sent his body suddenly rushed out!

"It's time to humiliate my son, court death..." The

old man slapped it with a palm, and lines appeared, followed by a huge net of fire, shrouding David!

The corner of David's mouth raised slightly, it was ridiculous that the other party used magic to deal with him!

I saw David's divine dragon's power erupted, golden rays of light flickered constantly outside David's body, and a huge golden dragon began to hover behind David!

One after another flames sprayed from the golden dragon's mouth. Come out, that huge fire net was defeated in an instant!

Facing the sudden appearance of the golden dragon, the old man was instantly stunned, his face full of incredulity!

Accompanied by a dragon roar, the golden dragon roared and swallowed the old man in one bite, followed by a pile of white bones spit out!

A good martial arts master, in the blink of an eye, became a pile of bones!

This time, everyone was stunned!

"You... Who are you?"

Leng Yun widened his eyes and looked at David in disbelief!

If David is just a martial artist outside the world, how can he have such strength?

But looking at David's realm, he is also an eighth-rank Martial Saint, far from reaching the level of the Martial God, but he can easily kill the Martial God?

Leng Yun has also seen leapfrog battles, but they are geniuses among geniuses, and he has never seen such a thing that directly crosses a big realm and kills in an instant!

Could it be that the warriors outside the world are already so arrogant?

Leng Yun fell into a deep confusion!

The golden dragon slowly disappeared, and the golden light on David also gradually dimmed.

"You don't need to know who I am, now you get out, I can spare you all..."

David said lightly.

"Hahaha, you are too confident..." Leng Yun laughed loudly, "Maybe we are not your opponents, but we have so many people together, enough to kill you..."

"Really? Then you can try Try!"

David's expression turned cold, and the Dragon Slaying Sword appeared in his hand instantly, followed by a sword beam, and a disciple of the Tianlei Sect was cut in half in an instant!

"Damn, you sneak attack..."

Tong Youcai was furious, he didn't expect David to dare to take the initiative!

"Tong Youcai, let's go, kill this kid..."

Leng Yun shouted, and followed Tong Youcai to attack David!

The disciples of the Feixing faction and the Tianlei faction also gathered around!

Seeing this, Liu Rui knew that today was a mortal situation, so she risked her life, holding a long sword, and jumped up!

Lao Liu stepped aside. He didn't do anything. After all, David was at a disadvantage now. If he did, he might die!

However, he didn't help Leng Yun and Tong Youcai either, he just watched quietly!

David alone, facing the attack of several people, didn't even have a trace of panic!

"Die..."

Tong Youcai shouted loudly, and slapped a palm towards David, the palm wind whistled, and bursts of tornadoes blew up!

At the same time, Leng Yun also jumped up, and the compass in his hand radiated a dazzling light, directly illuminating David!

They are planning to kill David with one blow, no longer delay!

David is holding the Dragon Slaying Sword, the golden dragon is circling behind him, and the golden light rises into the sky!

"Nine Shadow Swordsmanship, Slash..." In

an instant, there were only one David, but now there are six identical Davids!

Each David held a Dragon Slaying Sword, and six sword beams shot out!

"What's going on?"

Tong Youcai and Leng Yun were both stunned and looked at David in disbelief!
