### Chapter 2269

“Okay, I see!” David finished and started walking at the foot of the mountain!

Suddenly, a black shadow rushed out from a bush and went straight to David’s face!

Just as David was about to shoot, Hou Zhen’s eyes were quick and his hands were quick, and he instantly shot a flying knife in his hand, and then nailed the black shadow to a tree!

Only then did David see clearly that the shadow just now turned out to be a big mouse with the shape of a wolf dog!

“Mr. Chen, this kind of mole is the most annoying. There are many such moles in the entire Monster Beast Mountain Range. Although they are not strong, they like to sneak attack on people!”

“And this kind of mole’s beast pill is too low-level, so there are very few. Someone wants it, if you encounter a mole group, you will be disgusting!”

Hou Zhen introduced it to David, and it was obvious that Hou Zhen hated and hated the mole on his face!

David smiled slightly, it seems that this mouse is a hated guy everywhere!

The three of David walked for a while, and suddenly heard the sound of fighting not far away, and the three hurriedly followed the sound to find it!

I found that several people were besieging a fire wolf, and I saw red flames exuding from the wolf, and fireballs were constantly sprayed from its mouth!

Several people were a little embarrassed by the fire wolf, but in the end they killed the fire wolf and took out the red beast pill!

When David saw the person who took out the beast pill, he couldn't help but be slightly taken aback, because this was Jin Yuan who had just left the Ge family.

"Who, sneaky, come out for me..."

After Jin Yuan put away the fire wolf beast pill, he suddenly looked stunned and said loudly!

Obviously, this Jin Yuan has discovered David and the others!

When the three of David saw this, they could only walk out from the hiding place!

When he saw David and the others, Jin Yuan's expression softened a lot!

After all, in this mysterious realm of monsters, the most terrifying thing is not monsters, but people, because there are often snatch incidents!

I finally killed the monster by myself, and I gotThe beast pill was finally taken away by people from other secret realms!

"Young Master Jin is really lucky. On the edge of this mountain range, you can actually encounter a monster like the Fire Wolf!"

Hou Zhen said to Jin Yuan with a smile.

“Monkey, I’m afraid you brought the two of them to this mysterious realm of monsters, right? Only the three of you dare to come here ?

“

.

“Mr. Chen wants to see the secret realm of monsters, so we just take a look and go back right away!”

Hou Zhen explained!

“Since I’m here, why are you in such a hurry to go back? It just so happens that the three of you are following me, so it’s safer.”

“When I’m hunting some monsters, I’ll give you a little bit, it’s better than running for nothing! ”

Jin Yuan is going to take David and the three to hunt down monsters!

However, in Jin Yuan’s mind, David understood that he wanted to create a chance to get along with Ge Yuhan, and also wanted to show Ge Yuhan his majesty in hunting monsters!

Otherwise, how could Jin Yuan take them with such kindness and give them the beast pill!

“This...”

Hou Zhen looked at David, he didn’t want to directly reject Jin Yuan’s kindness, after all, the other party was the eldest young master of Zhanyue Pavilion!

“Since Young Master Jin said so, then let’s follow Young Master Jin to get our hands dirty!”

David said.

In fact, David himself also wants to spend more time in this monster beast secret realm to see what the strength of the monsters in this monster mountain range is!

Ge Yuhan originally didn’t want to agree, but seeing that David had said so, he could only nod his head in agreement!

Jin Yuanjian agreed, with a smile on his face, he waved his hand and said, “Let’s go inside, the monsters outside are all garbage, and they are not enough to move their muscles and bones!”

Jin Yuan led the crowd towards the depths of the mountain range, and Hou Zhen became a little nervous!

## Chapter 2270

With the continuous deepening, more and more powerful breaths came from all around, which made David also frown!

But just when everyone was not far away, suddenly Jin Yuan raised his hand and stopped everyone!

Then he winked at his subordinate, and soon one of his subordinates nodded, jumped up quickly, and shuttled across the canopy!

After a while, the subordinate came back!

“Young Master, there are more than a dozen people in front of them, they should be from other secret realms, because I didn’t dare to get too close, so I didn’t see it clearly!” The

servant reported!

"Then let's take a detour and leave them alone!"

Jin Yuan intends to take a detour, he doesn't want to conflict with other people in the secret realm at this time!

Compared to just arriving here, I haven't gotten any beast pills yet. If there is a conflict and damage, it's not worth it!

"I'm afraid it's too late..."

At this time, David said slowly!

Jin Yuan was stunned for a moment, and then a dozen auras surrounded him, directly surrounding Jin Yuan and the others!

David was a little surprised when he saw the person coming, because the person David knew, it was Lu Chang who had met on Penglai Island!

Lu Chang also saw David, and his expression was a little surprised. He didn't expect David to appear in this place!

You must know that this place belongs to the resource land of the Eight Great Secret Realms, and only people from the Eight Great Secret Realms can enter!

And David, who is only a person from the secular world, actually came to the secret realm of monsters, which made Lu Chang very surprised!

"It turned out to be the eldest son of Lu from the Waning Moon Castle. I didn't expect that the secret realm of monsters was just opened, and you brought people to hunt monsters!"

After Jin Yuan saw Lu Chang, he bowed his hands respectfully and said hello!

"Isn't it the same for Mr. Jin, I can't wait to come!"

Lu Chang smiled coldly.

"I just arrived, and I haven't met any monsters yet. I don't know what Master Lu has gained?"

Jin Yuan asked.

Lu ChangHe shook his head, "I just arrived, and I didn't get a single beast pill."

"If that's the case, why don't we do it? After so many years, I don't know what the monsters in this mysterious realm have grown to look like. Let's unite together, and if we encounter high-level monsters, we can still deal with them!"

Jin Yuan took the initiative to follow Lu Chang and proposed to go together!

After all, this Monster Beast Mystery Realm has been sealed for so many years. No one knows what the danger will be. Jin Yuan himself knows the crisis of this Monster Beast Mountain Range!

Lu Chang hesitated for a while, but after looking at David, he nodded and said, "Yes, but let's go ahead, we will split the account for the beast pills we get!

" A high-level monster!"

Jin Yuan smiled and happily agreed!

This time, the team grew a lot, and Lu Chang approached David seemingly at random!

David took a look at Lu Chang, and found that the strength of Lu Chang at this time was much improved than when he was on Penglai Island, and the spirit of the whole person is different!

It can be seen that in the secular world, the suppression of the laws of heaven and earth is still very serious!

"Master Lu..."

Hou Zhen saw Lu Chang approaching and hurriedly said hello!

Lu Chang just nodded slightly, then looked at David and said, "I didn't expect you to appear here, what a surprise!"

"I'm also surprised to see you here..."

David smiled lightly!

This time, Hou Zhen who was on the side was very shocked and said, "Mr. Chen, you know Lu Gongzi?"

"Well, I just met once before!" David nodded!

"I'm very curious, how can you, a loose cultivator in the secular world, be qualified to enter this mysterious realm of monsters?"

Lu Chang asked in confusion.

"Master Lu, Mr. Chen is a member of our Ge family now, and of course he is qualified to enter the secret realm of monsters."

At this time, Ge Yuhan spoke up!

Lu Chang glanced at Ge Yuhan, just smiled lightly, not saying anything!
