Chapter 2271

The group continued to go deeper into the Monster Beast Mountains, and they would encounter some low-level monsters on the way, but they were all killed in an instant!

For low-level monsters and beasts, these sons are disdainful!

“Wait a minute...”

Just as everyone was cautiously walking towards the depths of the Monster Beast Mountains, David suddenly shouted with a dignified expression, causing everyone to stop!

“What are you doing, kid? Why did you stop?”

Jin Yuan turned around, glared at David and asked.

David ignored him, but closed his eyes slightly, and his consciousness began to spread rapidly around!

Although David’s strength is not necessarily as high as this Jin Yuan, but his divine sense is far stronger than them!

When Jin Yuan saw David ignoring him, he was instantly furious. He went up to teach David a lesson, but was stopped by Lu Chang!

Lu Chang looked at David, and his face didn't seem very good-looking!

Lu Chang was on Penglai Island and had seen David's strength with his own eyes. He knew that although David was only a loose cultivator in the secular world, his strength was not low!

"We can't go forward, there is danger ahead..."

David slowly opened his eyes and reminded!

"What's the danger? Why didn't I feel it? Could it be that you are a guy who is distracted by the three realms, and the power of consciousness is stronger than mine?"

"I didn't feel it at all, but you said there was danger ahead."

Jin Yuan did not agree. If you don't believe David's words, if there are high-level monsters in front of you, if it's dangerous, he would have already sensed it!

"I just said it casually, believe it or not!"

David just smiled lightly when he saw that Jin Yuan didn't believe it!

"It would be weird if I believed you!" Jin Yuan snorted coldly, and was about to lead people to go further, but David stopped with Hou Zhen and Ge Yuhan, and didn't plan to go further!

Seeing this, Lu Chang didn't even move, which surprised Jin Yuan!

"Young Master Lu, you don't believe this guy's words, do you? Can you feel it? Are you in danger? Can you feel the existence of high-level monsters? "

"I think he is just talking nonsense, there is no danger at all!"

Jin Yuan asked Lu Chang. "

I think it's better to be careful, and send two people to investigate..."

Lu Chang said cautiously.

"That's fine! Jin Yuan nodded, and then ordered the two men to go ahead to explore the way!

Although these two men were also very scared, they did not dare to disobey the order, so they could only carefully explore the way forward!

After about ten minutes, they still didn't see him. There is something, that Jin Yuan sneered and said, "If you see it, there is no danger at all, I really don't know what to be afraid of! "

Seeing that there was really no movement, Lu Chang also relaxed and prepared to take people to move forward!

But at this moment, two screams suddenly came, which was very scary!

Jin Yuan and Lu Chang, who were planning to leave It stopped instantly!

"Roar..."

Immediately afterwards, a roar resounded through the sky, and the earth began to tremble! This

time, everyone's faces became very ugly!

Approaching, and the speed is extremely fast, almost in the blink of an eye, it is in front of everyone! Before

everyone saw what monster it was, they felt a wave of heat coming, followed by a gust of wind!

So everyone was angry Shen Dantian stabilized his body, but the towering trees around him were uprooted by the strong wind, and then disappeared!

Soon David and the trees around them were all blown away. , a large open space appeared, and the appearance of the monster was also exposed in front of everyone!

“Roar...” The

monster Yangtian roared again.

David saw that this monster turned out to be a huge tiger, and the tiger was burning with flames, and it was a bit similar to the fire wolf he encountered!

Chapter 2272

However, this tiger is much bigger than the fire wolf, and its aura is even more terrifying!

“Flaming Tiger, Flaming Tiger...”

Seeing this monster, Hou Zhen was trembling all over, and his speech became stuttering!

David looked at Hou Zhen’s appearance and felt a little strange. Although this flaming tiger’s breath was terrifying, he would definitely not hesitate to do so, but with so many of them, shouldn’t Hou Zhen be afraid of this?

“Monkey, why are you so scared? Is this flaming tiger very powerful?”

David asked inexplicably.

“Mr. Chen doesn’t know, this flaming tiger is the king of beasts, and this piece of monster mountain range should be the territory of this flaming tiger.”

“A flaming tiger is not so scary, so many of us can totally do it. However, he was able to summon hundreds of monsters, and if there was a beast tide, we might not even have bones left!”

Hou Zhen explained to David.

David understood after hearing this. It turned out that what Hou Zhen was afraid of was not the Flaming Tiger, but the other monsters that the Flaming Tiger was calling for!

At this moment, when Jin Yuan and Lu Chang saw the flaming tiger, the expressions on their faces were also extremely panicked!

The two looked at each other, and then shouted loudly, "Let's do it together, kill this flaming tiger as quickly as possible, and never let him summon other monsters!"

After speaking, Jin Yuan and Lu Chang faced the flaming tiger at the same time. Get started!

And the people they brought with them also rushed up. If they can't kill the flaming tiger immediately, and wait for the flaming tiger to summon other monsters, then they will have no chance!

In the face of the attack of the crowd, the flaming tiger roared loudly, the blood basin suddenly opened, and a flame spurted out, with a terrifying breath, the flame instantly swallowed the two disciples of the waning moon castle, and directly burned them to ashes !

Lu Chang didn't have time to check his subordinates, and the long sword in his hand stabbed fiercely at the neck of the flame tiger!

Jin Yuan also shot at the same time, and several flying knives flashing light went straight to the flaming tiger!

The flaming tiger seemed to sense danger, and its thick and long tail suddenly slammed hard and slapped Lu Chang on the body, sending Lu Chang flying out!

And that Jin Yuan's flying knives all hit the flaming tiger. After a crisp sound and a burst of fire, all those flying knives were bounced off!

Although it didn't hurt the flame tiger, it also caused the flame tiger to suffer, roaring, and then a tail like a steel whip, constantly whipping those who approached him!

The huge tiger claws are simply invincible, and a person's head can be smashed with a single slap!

In the blink of an eye, several people in Zhanyue Pavilion died under that flaming tiger!

"David, don't you just want to watch the show?"

Jin Yuan roared angrily when he saw that the three of David didn't make a move!

When Lu Chang saw David and the three of them doing something, he was also a little angry and said, "If we are all dead, it is impossible for you to escape under this flaming tiger." At

this point, David stretched out his hand, and the Dragon Slaying Sword appeared in David's hand. !

Immediately after the dragon crystal flickered, the power of countless dragons began to gather, and David's Dragon Slaying Sword exuded a dazzling light.

A phantom golden dragon began to slowly appear behind David!

The originally manic, fierce Flaming Tiger suddenly froze when he saw the golden dragon behind David, and then there was a bit of panic in his eyes!

"Roar..."

After a roar, the flame tiger turned and ran!

"I mustn't let it run away..." Jin Yuan said that he was about to chase, but was stopped by Lu Changlan.

"Stop chasing, this kind of monster, we can't catch up, let's get out of here as soon as possible, otherwise no one will be able to leave!"

Lu Chang followed Jin Yuan and said.
