

A Man Like None Other Novel

Chapter 2382-2384

Chapter 2382

"The sword, it's really a sword..."

Bao Yukun bent down and picked up the Dragon Slaying Sword, with a greedy light in his eyes!

But he didn't pay attention, David, who was lying on the ground, already blackened, slowly opened his eyes!

Suddenly, David jumped up, which directly shocked Bao Yukun!

Bao Yukun instinctively stepped back, and the Dragon Slaying Sword in his hand slashed towards David!

But Bao Yukun slashed out with a sword, only to realize that the Dragon Slaying Sword seemed out of his control, and when he swung the sword, the Dragon Slaying Sword unexpectedly dropped from his hand instantly.

Immediately after a reversal, he came directly towards Bao Yukun. In the blink of an eye, Bao Yukun's arm was instantly cut off by the Dragon Slaying Sword.

"Ah..."

Bao Yukun let out a scream and backed away desperately!

The broken arm was bleeding profusely, making Bao Yukun's face extremely pale!

Seeing this, Yao Qing picked up the spear in his hand and directly repelled the Dragon Slaying Sword.

The Dragon Slaying Sword flew back into David's hands again!

Looking at his severed arm, Bao Yukun took out a handful of powder from his body and scattered it on the wound, instantly stopping the blood!

And that severed arm was also picked up by his disciple!

"Are you okay?" Yao Qing looked at Bao Yukun and asked.

To scare you, the two of them are grasshoppers on the same rope. If something happens to Bao Yukun and he is left alone, it may be difficult to deal with David.

Bao Yukun shook his head, "It's okay, I didn't expect this to be a spiritual sword that had opened its wits. I was too careless."

"Then you have a broken arm?" Yao Qing looked at Bao Yukun's broken arm. There was still blood dripping on it.

"I can connect it myself, but it will take time. Kill David first, and then I will connect the arm!"

Bao Yukun looked calm and composed!

As the suzerain of the Alchemy Sect, it was just a broken arm. He had a lot of ways to connect it, but it took time to connect the broken arm. Now that

David was watching them eagerly, he didn't have time to connect the broken arm.

"Okay, then let's kill him together..."

Yao Qing nodded.

At this moment, David was holding the dragon-slaying sword, and the scorched black on his body was slowly falling off, and then the shining golden body appeared again!

Seeing this, Yao Qing and Bao Yukun frowned. Their attack just now did not cause any harm to David!

They thought that this blow could kill David!

However, although David did not suffer multiple injuries, the fight between Yao Qing and Bao Yukun had already consumed a lot of spiritual power in his body, and even the dragon crystal in his body was beginning to dim, and the power of the dragon was consumed enormously!

If the fight continues like this, David knows that even if he is not killed by the two of them, all his spiritual power will be consumed in the end and he will become a prisoner!

It was obviously very difficult for David to deal with the two Martial Emperor masters and the dozens of disciples of the two families alone!

David glanced at Yao Qing and Bao Yukun, then jumped up, and rushed out of the valley!

He doesn't want to fight anymore, his only thought now is to escape!

When Bao Yukun and Yao Qing saw David running away, they immediately understood that David was at the end of his battle!

"It's not that easy to run away..."

Bao Yukun's eyes were full of anger, and he jumped to chase after David!

And Yao Qing also raised his gun, and the spear in his hand stabbed out one after another!

Booming...

For a moment, countless energy in the valley turned into wind blades and shot towards David!

David dodged desperately, wanting to rush out of the valley and quickly escape from the abyss!

But it was impossible for Yao Qing and Bao Yukun to let him go, they were chasing after him!

Just when David was about to rush out of the gate of the valley, he was stopped by Bao Yukun and Yao Qing one after the other!

Fortunately, many undead crawled out from the black hole of the altar at this time, and they held back the disciples of the Alchemy Sect and the Burning Heaven Sect!

Otherwise, David would have been besieged by now!

Chapter 2383

"You still want to escape? This is your grave today!"

Bao Yukun said with a cold face.

"You two Martial Emperor masters are shameless to bully me as a Martial God together?"

David said to Bao Yukun and Yao Qing!

“Hmph, don’t talk nonsense, look at the gun...”

Yao Qing didn’t talk nonsense, and directly stabbed out with a spear, and a burst of brilliance burst out from the tip of the gun, which was extremely powerful!

When Bao Yukun saw this, he shot directly. Although there was only one arm left, the shadows of claws still enveloped David!

Seeing this, David had no choice but to fight. The Dragon Slaying Sword in his hand burst out with bursts of sword light, constantly resisting the attack of the two!

However, with the consumption of David’s spiritual power, David could clearly feel that his movements were much slower at this moment, and the power of each sword was also less!

“Hahaha, you’d better be obedient and grab it, your resistance is futile, even if we can’t kill you, we can exhaust you to death.”

Yao Qing has already noticed that David’s strength has almost been exhausted!

“If you have the ability, I’ll be exhausted...”

David couldn’t be caught without a fight, he gritted his teeth!

David still has the power of dao pattern in his body, which is his trump card, and David will not use it lightly unless it is absolutely necessary.

What he needs is to use the power of Dao Run to kill the opponent when the opponent relaxes his vigilance!

Boom.....

Suddenly, David was hit by Yao Qing's shot, and fell heavily onto the cliff!

The indestructible golden body on David also turned into powder at this moment and slowly disappeared!

With a stooped body, David slowly got up with the Dragon Slaying Sword!

It can be clearly felt that the breath in David's body is already very weak!

Now even if the disciples of the two gangs come here, they can easily kill David!

Seeing this scene, the request and Bao Yukun laughed!

"Yao Qing, I'm here to kill this David, and I want to avenge my severed arm!"

Bao Yukun looked at David coldly, and he wanted to kill David himself to relieve the hatred in his heart!

"Sect Master Bao, you should leave this David to me. The strength of this kid can just be absorbed and refined by me."

"As long as you give me this David, I will teach you the exercises immediately and let you You can absorb power from the undead!"

Yao Qing said to Bao Yukun!

Bao Yukun looked at David, then nodded and said, "Okay, I'll leave this kid to you." After

Yao Qing heard this, the spear in Yao Qing's hand turned into a black mist and dissipated, and then slowly moved towards David. Ping go!

At this time, David was like a lamb waiting to be slaughtered in front of him, without any resistance!

David held the dragon-slaying sword tightly in his hand, and the power of Dao pattern in his body was shining faintly!

Now David was waiting, waiting for Yao Qing to arrive in front of him, let down his vigilance, and gave Yao Qing a fatal blow the moment he shot himself!

As long as Yao Qing was killed, Bao Yukun would be nothing to worry about. After all, Bao Yukun had already lost an arm!

“What a good piece of material, it’s just a pity. When I absorb your strength and refine your powerful body into a puppet, then I will have an extra general by my side!”

Yao Qing sneered, Slowly walking towards David!

At this time, Yao Qing was not on guard at all, his expression was relaxed and comfortable, and his face was filled with incomparable excitement!

As long as he absorbs David’s strength, his realm can be improved here!

With the addition of making David into a puppet, Yao Qing can take a place among the many sects in the hidden world, and his words will start to carry weight!

“David, don’t blame me. If you want to blame, blame your arrogance...”

Yao Qing came to David and slowly stretched out his hand!

He did not suppress David’s breath, because in his opinion, David is now equivalent to a useless person, there is no need to control it at all, and it is impossible for David to have the strength to resist any more!

Chapter 2384

David didn't say a word, but in the depths of his eyes, a gleam of coldness flickered, and David's hand holding the Dragon Slaying Sword tightened a bit!

"Stop..."

Just as Yao Qing was about to put his hand on David's head, and David was about to fight back, he suddenly interrupted Yao Qing with a loud shout!

Yao Qing hurriedly turned his head to look, and found that it was Leng Wudao and others who had rushed over!

Seeing Leng Wudao and others, Yao Qing was obviously a little surprised, and David was also surprised!

Originally, he planned to kill Yao Qing, and then deal with Bao Yukun, but now that Leng Wudao brought someone here, even if David has the power of dao patterns in his body, it is impossible for David to be the opponent of these people!

"Damn it, is it God who wants to kill me?"

David couldn't help but cursed secretly in his heart!

"Master Leng, why are you here?"

Yao Qing took his hand back after seeing Leng Wudao, and then asked Leng Wudao.

"Yao Qing, you took Bao Yukun out of the team and came here. Do you have any ideas?"

"Or is there some secret here that you don't want us to know?"

Leng Wudao asked Yao Qing with a sneer.

"What are the words of Chief Leng? What secrets can there be here? We are here to track down this David."

"We also want to kill this David and avenge the son of Chief Leng!"

"If there are too many people, I'm afraid that David will find out and scare the snake..."

Yao Qing hurriedly began to explain, but what he said were all lies, because he didn't want Leng Wudao and others to know his secret!

"Yes, Yao Qing is right. We came here to chase after David. David has already been caught!"

"For this reason, I even lost an arm, this kid He wanted to run, but we stopped him in the end."

Bao Yukun also hurriedly followed Leng Wudao and explained 1

"Bao Yukun, don't think that you are making excuses to leave the team. I don't know what you want to do!

" !"

"You searched for the undead to kill all the way, do you think we don't know?"

"And you came here because the undead crawled out from here, and you came here just to kill more undead!"

"It's just Coincidentally, I ran into David, who was also hiding here, and this conflict occurred!"

"You even said it was for my son's revenge?"

Leng Wudao mercilessly told about Yao Qing and Bao Yukun!

At this moment, Bao Yukun and Yao Qing's expressions became a little ugly. They knew that if this matter was targeted, there would be no good results in the future.

Maybe the two sects want to follow the example of the Chunyang sect, and they will be isolated and wiped out in the end!

"Yao Qing, since you can improve your strength by

beheading the undead, why don't you tell everyone that you have such a good technique?

"It's not sincere."

"We kindly asked you to take the place of Chunyangzong, now it seems that evil cultivators are evil cultivators, feed unfamiliar wolves!"

Tong Haiyang said to Yao Qing!

When Yao Qing heard this, his expression became extremely ugly, and he immediately explained to Tong Haiyang, "Master Tong, I did this wrong. I am willing to hand over my skills to everyone!"

Tong Haiyang smiled lightly, and then Looking at Leng Wudao, he said, "Brother Leng, since they know they were wrong, let's forget it. The most important thing now is to kill David and avenge our dead son..."

Leng Wudao nodded, and then looked at David, who was breathing weakly, "Can you escape today? Is there anyone else who can save you? None of the people I want to kill Leng Wudao can escape..."
