## Novel

### Chapter 2396

On the nameless mountain!

Holding the dragon-slaying sword in his hand, David has already killed countless undead. The power of the Dao pattern in his body has reached eight, and with the power of one more Dao pattern, it will be complete!

It's a pity that no matter how hard David tried to kill the undead, the lines never lit up in the end!

"Could it be that the power of the last dao pattern needs something special?"

David was a little frustrated. Since he couldn't increase the power of the dao pattern, it would be meaningless for David to kill the undead!

Looking at the ten-meter-high undead under the mountain peak, David started to move again!

"Kill this big guy, I wonder if it can form the power of nine dao patterns?"

David looked at the huge undead, thinking to himself!

In the end, David jumped up and fell down. He was going to try it out. Anyway, with the bow of the god king, these undead couldn't do anything to him. If he couldn't beat him, he could run back to this mountain!

The Dragon Slaying Sword in David's hand swung two sword beams, directly cutting a path, and then he arrived in front of the huge undead in a blink of an eye!

Seeing David, the huge undead roared.

For such a long time, they have nothing to do with David, and they have already pissed off this huge undead!

David didn't hesitate, he swung his sword and slashed at the huge undead!

But when David's dragon-slaying sword struck the huge undead's armor, bursts of fire burst out instantly!

There is still no way to break the armor of this huge undead, and it can't cause any damage to this undead at all!

The huge undead roared, and slapped David heavily with his palm!

David used his flexible figure to dodge in an instant!

Looking at the huge undead in front of him, David needed to find a place where the undead was weak.

Then David saw that there seemed to be a place where the Dragon Slaying Sword could be inserted into the neck of the undead, so he jumped up, and the Dragon Slaying Sword in his hand emitted rays of light. Stab the neck!

With this sword, David stabbed in very smoothly, and even pierced the entire dragon-slaying sword into the neck of the huge undead!

Seeing this, David was ecstatic in his heart, the huge undead should surely die now!

But who knows, the undead didn't seem to be affected in any way, but became a little manic, screaming, and kept rubbing his hands and screaming at David to shoot!

A series of terrifying evil spirits formed a tornado, directly blowing David far away, and then fell heavily to the ground!

David hurriedly got up, and with a wave of his hand, Zhanlong Jianfei returned to his hand, and then quickly ran towards the top of the mountain!

Sitting on the mountain peak, David looked at the undead below, and couldn't help but greet their ancestors again!

The current David is no match for that huge undead at all, and that undead seems impossible to kill at all!

But because of the bow of the god king, those undead dare not come up!

"Damn it, why can't you pull this broken bow?"

David held the Shenwang Bow and pulled the bowstring again angrily!

But this time, David pulled the bowstring directly, and a golden arrow feather instantly appeared on the God King's bow!

David looked at the God King bow in his hand, his eyes were full of excitement, he didn't expect that he would pull it!

The moment David pulled the bow of the god king, the undead under the mountain seemed to be frightened, turned around and ran away one by one, and fled!

Even the huge undead took a step forward, quickly escaping from David's sight!

Without even thinking about it, David pointed the bow of the god king in his hand at the huge undead!

Whoosh...

As soon as David let go, a golden arrow feather shot out instantly, piercing through the huge undead in just the blink of an eye!

Before there was any roar, the huge undead fell to the ground in an instant, turned into a burst of an evil spirit, and came straight towards David!

When this breath entered David's body, the power of Dao pattern in David's body finally lit up the ninth path!

## Chapter 2397

"Consummated, the power of the Dao pattern has finally been completed..."

David shouted excitedly.

Looking at the God King Bow in his hand, David pulled it without hesitation, and instantly stretched the bowstring to full length, only to see three huge arrow feathers appeared on the God King Bow!

Swipe.....

Three arrows were fired together, like three cannonballs falling from the sky, with raging flames, they shot directly towards the countless undead under the mountain peak!

Boom boom boom...

With the sound of the explosion, countless undead were wiped out!

"Hahaha, happy, this god king bow is so fu\*\*ing awesome..."

David laughed out loud!

But David didn't notice at all, as he pulled the bow of the god king, the surrounding world began to change!

The originally gray sky became darker and more depressing at this moment!

As if the moment of the storm is coming!

It wasn't until it was completely dark that countless undead no longer fled around, but knelt down on the ground, and David discovered something!

"What's going on here?"

David looked at everything around him blankly, not understanding what happened!

I saw a stream of light in the sky, and then rushed towards him at an extremely fast speed!

Seeing this, David hastily pulled the Shenwang bow and made a defensive posture!

After the streamer came to David, it stopped instantly, and then a figure appeared!

When David saw that someone had appeared, he was immediately overjoyed, and now he could inquire about where this place is.

But when he saw the face of the visitor, he was instantly stunned!

When the other party saw that it was David, he also froze on the spot!

"Why are you?"

The two people made surprised voices almost at the same time!

It turned out that the other party was none other than the Yin Demon rescued by David!

"How did you come here?" Yin Mo asked David in surprise, and when he saw David holding the God King Bow in his hand, he asked again, "Did you pull this God King Bow?" "Yes,

yes I pulled it." David nodded, and then briefly told Yin Mo how he came here!

"Yin Mo, haven't you already returned to the world of heaven and man? And looking at you like this, you are no longer a remnant soul. Could it be that you have reshaped your body?" David didn't understand why

Yin Mo appeared here.

The Yin Mo didn't answer David, but muttered to himself, "Damn, I didn't expect there to be a passage under the altar..." "

You haven't answered me yet, what is this place? Didn't you go to heaven? Human world?"

David asked Yin Mo here.

"This is the world of heaven and man." Yin Mo said.

"What? This is the Celestial Realm?" David was stunned for a moment, and looked around in disbelief. "This...how is the Celestial Realm like this?"

The Celestial Realm is completely different from what David imagined!

"Okay, I don't have time to explain to you, how did you get here, just go back quickly, or you won't be able to leave in a while!"

Yin Mo urged David anxiously.

"But I can't go anymore, the black hole has disappeared, and I can't go back."

David said.

"Did you get a crystal clear arrow feather here?"

Yin Mo asked.

"Yes!" David took out the arrow feather from the storage ring!

"You shoot this arrow feather into the sky with the bow of the god king, and the passage will be opened."

Yin Mo said to David!

"I want to know, where is this place in the world of heaven and man? Since I'm here, can't you show me around the world of heaven and man as a landlord? Why are you in such a hurry to let me go back?" David didn't agree

. I understand, why is this Yin Demon so anxious to let him go back?

"I really don't have time to explain to you, hurry up and pull the bow of the god king to open the passage!"

Yin Mo was a little angry and said loudly to David.

## **Chapter 2398**

Seeing Yin Mo's anxious look, David didn't say anything else, and aimed at the dark sky!

Whoosh...

David shot the crystal clear arrow feathers into the sky with all his might, and the arrow feathers burst in the air in an instant. The originally oppressive and dark sky became clear at this moment!

And under the blue sky, a black hole slowly appeared, and there was a huge suction force around the black hole, constantly sucking everything around it!

After the undead saw the black hole, they all slowly floated into the air, and then were sucked in by the black hole!

"Go, go..."

Yin Mo hurriedly urged David when he saw the black hole appear.

David wanted to say something, but was slapped out by Yin Mo, sending David directly around the black hole. The huge suction directly sucked David in!

After David's figure completely disappeared, Yin Demon waved his hand, and the black hole in the sky slowly disappeared!

Yin Mo looked up at the sky, and muttered to himself, "It's no wonder that it's the son of the dragon, who pulled the bow of the god king so easily." Just after finishing speaking,

Yin Mo frowned slightly, and his face changed instantly, tense. Then he forgot to glance not far away, and then turned into a stream of light, disappearing without a trace in an instant!

Just after the Yin Demon left, more than a dozen beams of light appeared in an instant, directly appearing on the mountain peak!

A dozen people stared at the surroundings. To be exact, they were not human beings, but a dozen monsters with animal heads and human bodies!

"My lord, the god king's bow is gone, it must have been pulled!"

A rat-headed man came over and said to a lion-headed man!

"Who the hell is it? He pulled the bow of the god king and killed the undead Titan."

There was a chill in the eyes of the lion head, and the tone was even more sinister!

The others were all silent, and after a while, the lion head waved his hand, "Catch me, I must find the person who pulled the bow of the god king..."

Soon, these beast-headed monsters also turned into streamers and disappeared!

At this time, David returned to the valley after passing through the incomparable darkness!

When climbing out of the cave, the valley was already filled with densely packed undead!

These undead were locked here, the gate of the valley was closed, and they couldn't get out at all!

"Who the hell closed the gate? Could it be that Leng Wudao and the others don't want me to go out?"

David saw the closed gate of the valley, and guessed that Leng Wudao and the others did it!

But there are so many undead, David is not in a hurry to go out, he will kill these undead first, and replenish his Dao pattern power!

It's just that in this valley, David didn't use the God King Bow. To deal with these ordinary undead, the Dragon Slaying Sword is enough to deal with it!

Holding the Dragon Slaying Sword, David started a frenzied massacre, the more he killed, the more excited he became!

And at this moment in the abyss outside the valley, Leng Wudao and the others are practicing the exercises taught by Yao Qing!

After so many days, they can be considered to have learned the mystery of that exercise!

"It's no wonder that so many people would rather be scolded than do evil cultivation. The evil cultivation technique is really powerful, but it's just a bit cruel and bloody." After learning the technique,

Leng Wudao said excitedly.

"In this society, strength is everything, and the strong prey on the weak itself, so there is no cruelty!" "

Let's open the door and release those undead. I can't wait."

Tong Haiyang said!

"Okay, then let's open the door. After so many days, there are probably a lot of undead inside." "But

these undead still need to be killed by us, and the other disciples will catch up behind!"

Leng Wu Tao said.

Leng Wudao has spoken, of course no one will not listen, and the disciples of the major sects have no right to speak at all!

Leng Wudao and the others stepped forward and began to work together to open the gate of the valley!

## **Chapter 2399**

When Leng Wudao and others opened the door, not far from the abyss, Yue Buqun and Qu Yunchang had been looking for David for many days.

But there was no sign of David, and everyone was very anxious.

"Master, something really happened to Mr. Chen, right?"

Liu Xing said to Yue Buqun.

“Don’t talk nonsense, nothing will happen to Mr. Chen.”

Yue Buqun gave Liu Xing a hard look!

“Looks like I’m going to use my trick...”

The fortune teller took a deep breath, and after finishing speaking, he actually took out a handful of copper coins directly from his body!

Then throw the copper coin into the air!

“Set up the formation...”

the fortune teller shouted loudly, and the disciples of the divination gang immediately formed a gossip shape, and each of them caught a copper coin in their hands!

At the same time, these divination gang disciples forced a drop of blood essence from between their eyebrows, and dripped it on the copper coin!

Shen Suanzi suddenly slapped his chest with his palm!

Pfft...

A mouthful of blood spewed out from the mouth of the fortune teller, instantly forming a blood-red curtain in the air!

For a moment, the copper coins in the hands of the divination gang disciples began to emit light, shining on the blood-red curtain!

Slowly, a figure appeared on the curtain, and soon the figure became clear!

It was the picture of David holding the dragon-slaying sword and beheading the undead!

"Mr. Chen, it's Mr. Chen..."

Liu Rui shouted excitedly!

"This is in that valley, the valley in the abyss..."

Yue Buqun could also see that David was in that valley!

The screen only appeared for a few seconds, and then disappeared in an instant, and all the copper coins in the hands of the divination gang disciples were instantly shattered!

And Shen Suanzi fell heavily to the ground, obviously seriously injured!

Seeing this, Qu Yunchang stretched out his hand, and a burst of energy instantly entered Shen Suanzi's body.

"Seeing that Mr. Chen is fine, I'm relieved. Senior Qu doesn't need to worry about me. Go and find Mr. Chen. I'll be fine after a few days of self-cultivation..." the

fortune teller said weakly!

"Well, you should cultivate well here, and we will be back soon."

Qu Yuchang nodded.

Qu Yunchang led Yue Buqun towards the abyss quickly, while the fortune-teller and many disciples of the divination gang stayed where they were!

The magic operator was injured internally by using a trick just now!

.....

In the abyss, Leng Wudao led everyone to open the door, happily wanting to kill the undead and improve their strength!

But when the door slowly opened, everyone was dumbfounded.

Because the valley is empty, where are the shadows of the undead!

"No, why is there no undead here suddenly?"

Leng Wudao said in great surprise.

"Come on, let's go inside and see if something happened at the entrance of the cave?"

Tong Haiyang planned to go to the entrance of the cave where the undead emerged!

But just as they were about to walk towards the depths of the valley, they found a figure standing in front of them!

When the figure slowly turned around, everyone was stunned!

"David?"

Almost in unison, everyone had incredible expressions.

They thought that David would have died long ago when he jumped into the black hole, but they didn't expect that David was still alive!

From this point of view, David must have killed all the undead in this valley without thinking about it!

"You kid is not dead?"

Leng Wudao said in surprise.

"You are not dead yet, how can I die..."

David showed a cold smile on his face!

"Hmph, even if you didn't die, you won't be able to live now. I will kill you this time and watch you be chopped into meat paste."

Leng Wudao this time, he has to watch David die with his own eyes. Row!

"I'm afraid that you don't have that ability, so you won't be able to kill me at all..."

David had a calm expression on his face, even in the face of Leng Wudao and other hidden experts like Leng Wudao, there was no disturbance in his heart!

With the God King Bow in hand, David can ignore these people in front of him!

## **Chapter 2400**

You bastard, looking for death..."

Leng Wudao didn't want to talk nonsense with David, so he was going to attack David!

But Leng Wudao didn't move yet, suddenly a terrifying breath came from outside, and then several figures stood in front of David!

"Dare to be rude to Mr. Chen, you're looking for death..."

Qu Yunchang's eyes widened angrily, and with a wave of his palm, a huge and terrifying force instantly drove Leng Wudao away!

When everyone saw Qu Yunchang appearing suddenly, they were all terrified. After all, not long ago, Qu Yunchang had shown them the power of the Transformation Realm!

Leng Wudao got up and looked at Qu Yunchang with a pale face, his heart was shocked!

Although Qu Yunchang has not reached the Transformation Realm, he is at least an eighth-rank Martial Emperor. Such strength is simply not something he can handle.

Only when they fight together can they defeat Naqu Yunchang!

But now that David and Yue Buqun are here, people like Leng Wudao don't have an advantage at all!

Originally, David was in a situation where he must die, but now it has become like this again, which made Leng Wudao almost die of anger!

He wondered why it was so difficult to kill David!

"Old Qu, don't worry about my affairs, let me make gestures with Leng Wudao today..."

David said to Qu Yunchang!

"Mr. Chen, with your current strength, I'm afraid that you are not such a cold and heartless opponent. Let me destroy them!"

Qu Yunchang was afraid that David would not be that cold and heartless opponent at all!

"Don't worry, since I dare to say this, I have absolute certainty..."

David said with a faint smile.

Seeing David's confidence, Qu Yunchang nodded, and then walked away.

At that time, if David is not that indifferent opponent, it will be the same when he saves David!

"Leng Wudao, I will give you a chance to fight alone with me. If I am not your opponent, you can kill me at any time."

David said to Leng Wudao provocatively.

“David, you are too crazy, let’s make an agreement, if you are not my opponent, I will never let the old monster help.”

Leng Wudao is also afraid of Qu Yunchang’s attack!

“Of course, if my skills are inferior to others, even if I die in your hands, I will have no complaints.”

David said with a flat smile.

“Okay, come on...” Leng Wudao narrowed his eyes slightly, and the energy in his body seemed to be boiling, and then countless flying swords began to surround his body, each flying sword with monstrous power !

“Flying Sword Formation? Why did Leng Wudao use his ultimate move as soon as he made a move?”

Yue Buqun said in surprise after seeing the sword formation around Leng Wudao!

This Leng Wudao seemed to want to kill David with one move, leaving Qu Yunchang with no chance to save him!

Seeing this, Qu Yunchang frowned slightly, and then looked at the hidden people behind Leng Wudao and said, “Mr. Chen is fighting with Leng Wudao, if any of you dare to help Leng Wudao, I will make him a Meat paste...”

Qu Yuchang was afraid that when David fought with Leng Wudao, he would play tricks again!

Qu Yunchang’s intimidation made everyone in the hidden world retreat one after another. At this time, no one wants to help Leng Wudao!

“Go to hell...”

Leng Wudao made a move, and countless flying swords rushed towards David!

David took out the dragon-slaying sword, covered his whole body with an indestructible golden body, and then fought with Leng Wudao!

David did not use the power of the stars, nor did he take out the God King Bow, these things were his last trump card!

Leng Wudao originally wanted to kill David with one move, but only after he did it did he realize that David's strength was much stronger than he imagined!

For a moment, the sword lights of the two people flickered, the void trembled, and the explosion continued to resound in the valley!

Everyone watched the battle between the two in surprise, and they didn't expect David to be able to fight against Leng Wudao, and there was no crushing victory for Leng Wudao!

At this moment, Leng Wudao also began to feel anxious in his heart. In this way, if he couldn't kill David in an instant, if he continued to fight like this, those people in the hidden world would watch him, and he might slowly get out of his control. Heed his words!
