

# A Man Like None Other Novel

## Chapter 121

Snapped!

Just as Cui Zhiyuan opened his mouth, he was slapped again by David!

"David..."

Snapped!

"I..."

Snapped!

In the end, as long as Cui Zhiyuan opened his mouth, David slapped him, and his whole face became a pig's head!

Cui Zhiyuan was frightened and looked at David in horror, but he didn't dare to open his mouth!

And everyone looked at David in horror, and no one dared to say anything. Then Wang Lanlan sat down with trembling all over her body, her lips trembled, and she dared not say a word again. She was afraid that David would also fight. he!

However, everyone turned their attention to Xing Jun. As the general manager of the company, now employees beat the department manager in public. This

kind of thing must be very bad. Everyone wants to see how Xing Jun handles it!

But contrary to everyone's expectations, Xing Jun's face was gloomy, but he didn't say a word, the atmosphere in the entire private room became very depressed and silent!

"Come on, let's just say a few words less..."

After a few minutes of silence, Xing Jun finally spoke!

Xing Jun's sudden speech made everyone feel very strange. They didn't understand that this was the case. Why did Xing Jun keep David to eat? He should be fired on the spot and let him get out!

Could it be that David has something to do with Xing Jun?

Impossible!

The attitude of David talking to Xing Jun just now, it is obvious that the two are not like friends!

Everyone was a little confused, and they really couldn't figure out where David had the courage to fight Cui Zhiyuan, but Xing Jun didn't care!

Sun Xiaomeng kept rubbing Cui Zhiyuan's swollen cheeks, staring at David with anger full of eyes!

Soon, several waiters came in, carrying exquisite dishes!

Every dish is worth a lot of money, and it looks very appetizing!

After seeing this table of dishes, everyone's eyes finally shifted from David, and every one of them was drooling!

David picked up the chopsticks and took the first bite.

David's actions, although everyone wanted to say something, but no one dared to speak at this time. After all, Xing Jun didn't speak, what else could they say!

"Everyone eat together, don't be restrained..."

After Xing Jun spoke, a group of people couldn't help but start to gobble up. They were just a bunch of part-time workers. How could they have eaten such good food!

Looking at the delicious food in front of him, Wang Hanhan's eyes were hot, but he was able to control it, and he didn't go crazy like everyone else!

But this will be very disadvantageous. The food that I wanted to eat will be snatched away by others in the blink of an eye!

David saw that Wang Hanhan was a little embarrassed, so he started to serve Wang Hanhan: "Hanhan, you eat more, anyway, you don't spend money, don't eat for nothing..."

Soon, Wang Hanhan's bowl was filled by David!

Looking at David like that, Xing Jun showed some disdain. He wanted to know why Sonya liked David like this?

During the meal, Xing Jun was not moving his chopsticks, but kept looking at his watch, as if he was waiting for something!

"Brother David, I'll go to the bathroom..."

Wang Hanhan got up and walked out of the private room!

After going out for a few minutes, Wang Hanhan ran back in a panic, and sat beside David with a pale face!

"Hanhan, what's wrong?" David asked.

"No...it's okay..." Wang Hanhan hurriedly shook his head!

But just after Wang Hanhan finished speaking, the door of the private room was suddenly kicked open, and then four burly men walked in!

"Little girl, if you bump into me, run away without apologizing to your brother?"

One of the big men said to Wang Hanhan.

"I...I didn't mean to, I'm sorry..."

Wang Hanhan got up in a hurry and followed several big men to apologize!

When the others saw that someone suddenly broke in, they were all frightened. Only Xing Jun showed an imperceptible smile!

## Chapter 122

The person he was waiting for has finally arrived!

These four big men are the people behind Liao Feixiong, whom Xing Jun has just met!

"I'm sorry and it's over? You bumped into your brother, at least you have to pay your brother a drink!"

The big man said with a wicked smile!

"Then I'll give you a toast..."

Wang Hanhan is not afraid of drinking, and she also has the capacity to drink!

After pouring two glasses of wine, Wang Hanhan gave the big man a glass!

When the big man took the wine glass in Wang Hanhan's hand, he deliberately touched Wang Hanhan's hand, which made Wang Hanhan scream in surprise, and then the wine glass fell to the ground, and the wine inside was also spilled by the big man!

"Damn, dare to splash me with wine?"

When the big man is angry, he must prepare to act!

David got up and pulled Wang Hanhan behind him, looked at the big man coldly and said, "I apologize to you for her!"

The big man secretly glanced at Xing Jun, Xing Jun winked desperately, and the big man instantly understood that the person in front of him was the one Xing Jun wanted to deal with!

"What are you, you apologize for her?"

The big man reached out and grabbed David's collar, ready to take David out of the private room!

Now that they know who it is, they can pull it to a hidden place and directly kill David. If David is killed here, there will be too many people!

David directly grabbed the big man's wrist, twisted it slightly, and the big man let go of it in pain!

"I hate people grabbing my collar, just a warning this time..."

David said lightly.

The big man looked at his red wrist, a little surprise flashed in his eyes!

Seeing David dare to speak like this, Xing Jun was also a little surprised, but the more David did, the faster he would die!

"Boy, are you trying to get ahead? Are you capable of going out with me..."

The big man said to David.

"no problem..."

David said indifferently!

"Brother David..." Seeing that David was going out with those people, Wang Hanhan hurriedly pulled David!

"Don't worry, I'll be back soon..."

David smiled at Wang Hanhan and walked directly outside!

Seeing that David followed a few big men out, Wang Hanhan hurriedly wanted to catch up, but was stopped by Sun Xiaomeng!

"Hanhan, what are you doing out? These people are very fierce. Since David dares to go out, he must be sure..."

Sun Xiaomeng persuaded Wang Hanhan, but she wished David was beaten to death!

When Xing Jun saw David being taken away, the smile on his face was even stronger, and he waved to the people who were already pale with fright and said, "Everyone continue..."

Seeing what Xing Jun said, everyone sat back in their seats, and the atmosphere became more active!

"David, it's better to be killed..."

Cui Zhiyuan said fiercely!

Now his face is still very painful, and he has long hated David in his heart!

A group of people also agreed, no one cared about David's safety, only Wang Hanhan was worried all the time!

Just after the cheerful dinner in the private room, David followed the four big men to the backyard!

Seeing that the number of people in the backyard was getting scarcer, the four big men directly surrounded David!

David looked at the four people, and the corners of his mouth raised slightly: "You have so much murderous aura, are you trying to kill me?"

"Boy, someone bought your life, don't blame our brothers, you can only blame your bad life, I will do it quickly, so that you will suffer less!"

The big man who had just been pinched by David sore his wrist said.

The words fell, and the four big men took out their daggers one after another, staring at David with murderous eyes!

"I'm dying, can you tell me who wants to buy my life?"

David glanced at the daggers in the hands of the four big men, and then asked lightly.

## Chapter 123

"No, this is the rule!" One of the big men shook his head!

"Since I can't, then I'll ask your boss..."

As David said, he was about to walk towards the manager's office upstairs!

The four big men were stunned, they did not expect that David was not afraid of them at all, and there was a bit of disdain on his face!

“court death...”

With that said, the four big men started working together, and the bright dagger stabbed towards David!

David didn't even look at the four of them. With a slight wave of his palm, the four people's wrists suddenly felt smashed by something, and then the daggers in their hands fell to the ground!

This time, the four people were dumbfounded, watching David walk into the building in shock, and then walked upstairs!

None of them reacted just now, and they didn't even see David touching them, but the dagger in his hand fell like this, and there was a blood-red trace on everyone's wrist!

It was not until David disappeared that the four big men reacted and hurriedly chased after David!

At this time in the manager's office, Liao Feixiong was looking out the window, holding a cigar in one hand, his brows slightly frowned!

Originally, the underground forces in Horendel were divided into two. Juyitang and their Chilong Gang were considered equal in strength. As for the other small gangs, they could be ignored!

It's just that Feng Sihai, the leader of the Chilong gang, was injured some time ago, and all the affairs of the Chilong gang were handed over to Liao Feixiong. Now he does not dare to act rashly. Can't stop!

Especially when Liao Feixiong saw David hurt Feng Sihai with his own eyes, Liao Feixiong was deeply shocked by David's strength. He didn't know where Lin Tianhu found such a powerful helper!

However, Feng Sihai has already gone to his master, Ye Fengchun. As long as Ye Fengchun arrives, the strength of the Chilong Gang and Juyitang will be evenly matched!

Boom...

Just as Liao Feixiong was looking out the window and thinking about the future of the Chilong Gang, there was a sudden loud noise and the door of the office was kicked open!

Liao Feixiong was instantly enraged, and before he turned his head, he scolded loudly, "Paralyzed, who would enter my office without knocking on the door?"

But as soon as Liao Feixiong finished speaking, when he turned his head, he was stunned, and then his eyes showed horror!

Because he saw David who injured Feng Sihai, standing in front of him at this time!

David didn't know Liao Feixiong. After all, at Gu Wentian's banquet, Feng Sihai brought a lot of people, but they didn't do anything. Only Feng Sihai followed David and got injured by David!

"Are you the manager of this Xian and Zhuang?" David asked, looking at the shocked Liao Feixiong.

Seeing that David didn't know his identity, Liao Feixiong nodded immediately and said, "Yes, I'm the manager, what's the matter with you?"

"Just now your subordinate said that someone bought my life. I came to ask, who is going to buy my life?"

David pulled up a chair and sat directly on it!

"Buy your life?" Liao Feixiong frowned slightly, but then his eyes suddenly opened, and the whole person began to tremble slightly!

He remembered that Xing Jun asked him to kill someone. It wouldn't be so coincidental. Then the person Xing Jun wanted to kill was the devil in front of him, right?

Just when Liao Feixiong didn't know how to answer, the four big men also hurried in!

"Brother Xiong, this kid has some strength. The four of us are not his opponents, so he ran up..."

One of the big men said to Liao Feixiong!

This time, Liao Feixiong almost didn't slump on the ground. It seems that the person Xing Jun asked him to kill was really the David in front of him!

Liao Feixiong regretted it, knowing that it was David, let alone one million, he would not dare to give him any money!

Feng Sihai is so powerful, and it is not solved by David!

## Chapter 124

"Mr. Chen, I really didn't know it was you. If I knew, I wouldn't dare to give me a hundred courage!"

When Liao Feixiong saw this time, he could only apologize to David. This was considered a man who had to bow his head under the roof!

"You know me?" David frowned slightly!

Liao Feixiong smiled awkwardly: "I met Mr. Chen at the ancient banquet, and our leader was injured by Mr. Chen..."

"Since you know that I hurt Feng Sihai, why didn't you seek revenge from me? Are you being so polite to me?" David was very puzzled. Juyitang and Chilong Gang have always been at odds, and now David has injured Feng again. All over the world, it stands to reason that when the people of the Chilong Gang met him, they were enemies!

But this Liao Feixiong in front of him was polite to him and spoke very respectfully!

"Mr. Chen is joking. With Mr. Chen's ability, unless I don't want to live, how can I dare to seek revenge against Mr. Chen..."

Liao Feixiong said truthfully.

David smiled, he didn't expect this Liao Feixiong to be quite honest, a man who can bend and stretch, can be considered a hero!

"Now tell me, who wants to buy my life?"

David asked.

"Xing Jun, he gave me one million to do this..." Liao Feixiong dared to hide it, he wouldn't lose his life for some rules!

David smiled coldly, he had long guessed that this was what Xing Jun did!

Turning around and walking out of the office, Liao Feixiong realized that he was already soaked all over!

"Brother Xiong, is the leader really hurt by this guy? He looks too young..."

After David left, a big man asked in shock.

Liao Feixiong said with a gloomy face: "Let me tell you, until the gang leader returns, no one is allowed to provoke this evil star for me..."

"Understood!" Nodding, the four big men immediately went down to notify!

In the private room at this time, Xing Jun and his people had already had a good time drinking. When he saw David being taken away, Xing Jun was very happy, and Cui Zhiyuan was also very happy!

A general manager, a department manager, and two people are happy, so can the others be unhappy!

Satisfied, Xing Jun got up and waved his hand: "I'm here today, and I have to work tomorrow. I hope your sales department will make persistent efforts..."

Xing Jun drank a lot because he was happy, and his face was red!

Since Xing Jun announced the disbanding, no one dared to stay, so they got up and prepared to leave!

"Brother David hasn't come back yet, shouldn't we wait for him?"

Seeing that everyone was leaving, Wang Hanhan asked anxiously.

"Wang Hanhan, didn't you hear what Mr. Xing said? Let's go back to rest and have a good job tomorrow. Do you want to not listen to Mr. Xing?"

Cui Zhiyuan yelled at Wang Hanhan!

Wang Hanhan looked nervous, she didn't dare to disobey Xing Jun, but she was worried about David's safety!

"Hanhan, don't worry about David, maybe this guy has already sneaked back, let's go back first..."

Sun Xiaomeng persuaded Wang Hanhan!

Seeing this, Wang Hanhan can only go back and have a look first!

On the other hand, Xing Jun raised the corner of his mouth slightly, and sneered in his heart: "David will never go back."

"

But just as everyone was about to leave, the door of the private room was pushed open, and David walked in!

"David?"

When they saw David coming in, everyone was stunned. They thought that when David went out, he was beaten and couldn't move!

What was even more surprising was Xing Jun, who had already agreed to help him get rid of David, why would David suddenly appear again?

"Brother David..."

Seeing that David was back, Wang Hanhan jumped up happily!

"You... how did you get back?"

Xing Jun asked incredulously.

David smiled coldly: "The matter is resolved, of course I will come back. Doesn't General Manager Xing want me to come back?"

## Chapter 125

Xing Jun looked at the playful meaning in David's eyes. For some reason, his body trembled, and he hurriedly calmed down and said, "If I have any hope or hope, come back when you come back!"

"David, it's not the right time for you to come back. We are already full. If you want to eat, there are some leftovers here. You can eat it, and the rest is a waste..."

Cui Zhiyuan looked at David mockingly and said!

The others also laughed, and the laughter was full of ridicule towards David!

"Why, your mouth doesn't hurt anymore?" David looked at Cui Zhiyuan and sneered!

Cui Zhiyuan was stunned for a moment, so scared that he instinctively stepped back, covering his face with his hands!

"Zhiyuan, ignore him, let's go..."

Sun Xiaomeng was also afraid that David was doing something, so he pulled Cui Zhi away!

Everyone also walked out of the private room, and in the end only David and Wang Hanhan were left!

"Brother David, if you're hungry, let's go to the food stalls, don't eat the rest of them..."

Wang Hanhan said to David.

"Aren't you full?" David looked at Wang Hanhan in surprise and asked.

"You were taken away just now, I was worried about you, so..."

Wang Hanhan lowered her head, just now she was worried about David's safety, so she didn't eat much!

Looking at Wang Hanhan like that, David felt a little guilty, and said with a faint smile: "Go, go to the food stall..."

David took Wang Hanhan out!

Outside Xianhezhuang, Cui Zhiyuan respectfully opened the car door to Xing Jun: "Mr. Xing, get in the car..."

Xing Jun stepped up with one foot, but finally backed out and said, "You guys go first, I forgot there are still things to deal with!"

Xing Jun wants to go up and ask Liao Feixiong what is going on. If it doesn't work, he needs to get the money back!

"What's the matter with General Manager Xing, I can help you deal with it..."

At this time, David walked out with Wang Hanhan, and said with a faint smile on his face!

"David, who do you think you are? You can also handle the affairs of President Xing..." Cui Zhiyuan snorted coldly, and then respectfully said to Xing Jun: "President Xing, if there is anything, I can help you deal with it. ..."

"Some of my personal affairs, you go first..."

After Xing Jun finished speaking, he glanced at David and turned back to Xianhezhuang!

"David, didn't you come from Bentley? Then go now, do you also have Bentley to pick you up? I haven't seen Bentley yet, can you ask your friend to come and let me see..."

Wang Lanlan suddenly said to David with a mocking expression.

"Yes, I want to see Bentley too!"

"I really want to know what this so-called friend David looks like..."

"Don't be a Bentley when you come, and ride a little electric donkey when you go back!"

Everyone laughed at David!

"Why should I let you see?" David sneered!

"You're just bragging, you don't have any friends who buy Bentleys!"

"The cost of coercion is too low now. If coercion broke the law, he would have been arrested long ago!"

"Even if he pretends not to break the law, he has already been arrested. You forgot that David just got out of prison!"

Everyone sang and attacked David. They did this entirely to please Cui Zhiyuan!

"I know that David came out of prison and was directly cuckolded. With this kind of ability, what are you bragging about in front of us?"

Seeing that everyone said this, Cui Zhiyuan swelled up instantly, forgetting the scene of the pain in his face just now, and mocking David!

David's face suddenly turned cold, and then he waved his palm!

Seeing that David was about to make a move, Cui Zhiyuan knew he was afraid, so he hurriedly covered his face with his hands and hid behind Sun Xiaomeng!

"David, what are you doing, if you dare to do it again, I will not finish with you..."

Sun Xiaomeng glared at David!

# Chapter 126

"Brother David, forget it..." Wang Hanhan also held David's arm tightly!

David looked at Sun Xiaomeng like that, and finally put his hand down.

If he and Sun Xiaomeng are too stiff, and when Sun Fuhai talks to his parents, the parents will definitely be worried!

Seeing David put down his hands, Cui Zhiyuan instantly straightened his back again, but he didn't dare to say anything!

At this moment, a Bentley came quickly, and then stopped steadily in front of everyone!

Everyone was stunned for a while after seeing this Bentley!

David was also stunned for a moment. He didn't expect this guy Lin Tianhu to be waiting for him!

And Wang Hanhan immediately shouted happily after seeing this Bentley:  
"This is the car, Brother David is here in this car..."

I saw that after the Bentley stopped, a young man in a suit walked down and walked in front of David, and said respectfully, "Mr. Chen, please get in the car..."

David smiled slightly. He didn't expect that this guy Lin Tianhu would send someone to pick him up. It seems that he knew that he was afraid that others would find out his relationship with him. After all, Lin Tianhu's reputation in Horendel was not very good!

"Hanhan, let's get in the car and eat the food stalls..."

David said lightly to Wang Hanhan!

Wang Hanhan looked surprised and nodded happily. She had never ridden a Bentley before!

When he got into the car, David deliberately rolled down the car window, looked at everyone with a bit of sneer on his face and said, "I'll go first..."

Soon, the Bentley vanished, leaving only Cui Zhiyuan and a group of people standing dumbfounded!

"Damn, this kid is really sitting on a Bentley, this is too awesome..."

"Isn't this Bentley really his friend?"

Everyone was amazed!

"Hmph, what's so awesome, isn't it just renting a Bentley, bah..."

Cui Zhiyuan spat fiercely, then got in the car and left!

When everyone saw this, they also dispersed in a hurry, and went back to their respective homes!

In Xianhezhuang's office, Xing Jun found Liao Feixiong with a bit of anger on his face!

"Brother Xiong, I have always heard that the Chilong Gang has strict rules and never misses what they promised. Why is that David still alive today and not injured at all?"

Xing Jun questioned Liao Feixiong.

In the face of Xing Jun's questioning, Liao Feixiong slowly got up, and immediately after walking into Xing Jun, he slapped Xing Jun's face fiercely, knocking Xing Jun directly to the ground!

As soon as Xing Jun fell to the ground, the four big men put daggers on Xing Jun's neck, which scared Xing Jun a lot!

"Paralyzed, you almost killed Lao Tzu, and you dare to ask Lao Tzu to ask the guilt. If it wasn't for your one million, Lao Tzu would throw you into the river to feed the fish today..."

Liao Feixiong roared loudly at Xing Jun!

This time, Xing Jun was almost an idiot. He didn't understand what was wrong with Liao Feixiong and why he was so angry at him all of a sudden.

"Brother Xiong, I... I don't dare to hurt you, but the thing is not done, you should give me the one million, you can't..."

Before Xing Jun's words were finished, a big man's dagger exerted a little force, and Xing Jun's neck bleed instantly!

"Why are you talking to Brother Xiong? Don't you know our rules? It's impossible to take out the money you have in your hands!"

The big man roared with a ferocious look on his face!

This frightened Xing Jun, he felt the cold dagger on his neck, and he no longer dared to say a word, let alone ask for money!

"Go away, today's matter, if I hear half a sentence in someone else's mouth, I will kill you..."

Liao Feixiong threatened Xing Jun!

After all, although their business is not a serious business, it is also about credibility. If this is spread, who will find them to deal with things!

# Chapter 127

If it wasn't for David this time, Liao Feixiong would not be like this!

Xing Jun was thrown out, and the whole person seemed a little lost!

The one million who has worked so hard is gone, but in the end, he didn't do anything to David, and he didn't even get injured!

Xing Jun felt too bad!

"Ah..." Xing Jun walked out of Xianhezhuang and shouted with all his strength, realizing his dissatisfaction!

.....

Yuhua Street is a famous snack street in Horendel!

During the daytime, it is difficult to see a single person here, but at night, it is very lively here, and there are food stalls on both sides of the road.

David followed Wang Hanhan to find a food stall and sat down. After ordering something he liked, he waited slowly!

Because there are so many people, it takes a long time to wait!

"Brother David, that Bentley was too comfortable to sit in just now, is that really your friend's?"

Wang Hanhan asked David excitedly.

"Of course, what did I lie to you for? The one who just drove was my friend's driver..."

David is not lying. Although Lin Tianhu is David's subordinate, he is also a friend!

"What business does your friend do? Too rich..."

Wang Hanhan is very curious, what exactly does David's friend do!

"I don't know, it's just some trade or something. He's still single, but he's a little older, or I'll introduce it to you..."

If Lin Tianhu is not too old, it is not impossible for David to introduce Lin Tianhu to Wang Hanhan!

"I don't want it, I want to find, and also find a brother David like you..."

Wang Hanhan looked at David and said with love in his eyes!

Seeing this, David hurriedly turned his face to the side, not daring to look into Wang Hanhan's eyes!

"The dishes are here, let's order beer..."

At this time, the ordered dishes came, and it was enough to save David, otherwise David really didn't know how to face Wang Hanhan!

Wang Hanhan's thoughts towards him are so blatant that one can see it!

"Okay, today we won't go home if we don't get drunk..."

Wang Hanhan nodded happily!

David ordered two cases of beer. After all, Wang Hanhan could drink one case himself!

The two chatted while drinking, talking about their childhood, when they were in their teens, David moved to Horendel with his mother from the countryside, and Wang Hanhan's family lived in Horendel since he was a child!

In the past, the community they lived in was okay, but with the rapid economic development, in just a few years, new high-rise buildings continued to rise, so David's community became old and broken!

"Brother David, I remember when someone bullied me when I was a child, it was you who helped me get ahead. At that time, when I hid behind you, I felt very secure..."

Wang Hanhan recalled his childhood and said with emotion!

David just smiled and said nothing!

"Brother David, I remember that you even took out a bird's egg for me, and was chased and beaten by Uncle Chen, and you even gave me the toffee at home..."

Wang Hanhan has more and more memories, all because of David's kindness to her!

At this moment, a girl with yellow hair, high heels, and a one-step skirt suddenly sat in front of their table!

"Hanhan, what a coincidence, I didn't expect you to come here to eat food stalls..."

The yellow-haired girl patted Wang Hanhan's shoulder and said.

Wang Hanhan looked up and immediately got up and said, "Wu Yifan, didn't you go abroad? When did you come back?"

Wu Yifan smiled awkwardly: "Why go abroad, I have always been at home, and when I say going abroad, I lied to my parents..."

"Then what are you doing now?" Wang Hanhan looked at Wu Yifan and asked.

Wu Yifan was silent for a while, and then embarrassedly said: "I'm doing public relations!"

David looked at that Wu Yifan, and at first glance he guessed what Wu Yifan was doing, it must be that kind of unspeakable profession!

## Chapter 128

Looking at Wu Yifan, Wang Hanhan seemed to have guessed something, and fell silent for a while, not knowing what to say!

"Who is this? Is that your boyfriend?"

In order to ease the embarrassment, Wu Yifan looked at David and asked.

"No... this is my brother David..."

Wang Hanhan blushed when he heard this, and hurriedly explained!

David got up, stretched out his hand towards Wu Yifan and said, "Hello, my name is David Chen!"

"Hello, my name is Wu Yifan, Hanhan and I are classmates and roommates..."

Wu Yifan followed David and shook hands.

But looking at Wang Hanhan's expression, Wu Yifan knew that this little girl must be liking David, but she just didn't make it clear!

David invited Wu Yifan to sit down and eat together, but Wu Yifan was not polite.

"Hanhan, there is a class reunion tomorrow, will you go?"

After Wu Yifan sat down, he asked Wang Hanhan.

"Classmates reunion? Who did it?"

It has been two or three years since Wang Hanhan and the others graduated, and they have not organized a class reunion yet. This time, the class reunion was suddenly held, and Wang Hanhan felt a little surprised!

"What? Did no one inform you?" Wu Yifan was taken aback!

Wang Hanhan shook his head!

Wu Yifan sighed and said, "It's no wonder that I didn't notify you. It was Zhang Miao who did it. Now she's getting better with Leng Bing!"

Hearing the name Leng Bing, Wang Hanhan's body suddenly trembled, and anger began to flash on his face!

David looked at Wang Hanhan's expression, so he asked Wu Yifan, "Who is Leng Bing?"

Wu Yifan didn't answer David directly, but looked at Wang Hanhan. She would only say it after Wang Hanhan's permission!

"Leng Bing is my former boyfriend!"

Wang Hanhan answered by himself!

"Is that the guy who cheated you out of money?" David knew that Wang Hanhan was a dancer because he was cheated by his ex-boyfriend and took loan sharks to do that!

Wang Hanhan nodded.

"Hanhan, did Leng Bing deceive you for money?" Wu Yifan didn't know about it yet, so he said to Wu Yifan in surprise.

After Wu Yifan heard this, he immediately said angrily: "I have long thought that this guy is not a good person, and that Zhang Miao, but we are still in a dormitory. She targeted you everywhere when she was in school, and now she is still walking with that Leng Bing. Together, it's obviously targeting you, just to let this scumbag Leng Bing treat that Zhang Miao well!"

"That's all in the past. I don't want to have anything to do with that Leng Bing anymore. I won't go to the class reunion. Don't say you've seen me..."

Wang Hanhan didn't want to go to the class reunion, and she didn't want Leng Bing to know that it was because of him that Wang Hanhan didn't go!

"Since you decided not to go, then I won't go either. It's boring. The current alumni reunion is nothing more than a chance to show off to those students who are doing well..."

Wang Hanhan doesn't want to go, and Wu Yifan doesn't want to go either!

"Hanhan, why don't you take such an opportunity? Just let the scumbag see how well you are doing now..."

David persuaded Wang Hanhan!

"Brother David?" Wang Hanhan looked at David suspiciously, not understanding what David meant!

"I'll accompany you tomorrow, just in time for a meal..."

David smiled faintly!

Wang Hanhan was surprised, but soon a happy smile appeared on his face!

"Hanhan, your boyfriend is right, we'll all go there tomorrow and let that scumbag see how well you're doing now..."

Seeing this, Wu Yifan also persuaded Wang Hanhan!

This time, Wang Hanhan did not follow Wu Yifan to explain, but nodded!

But when David and the three of them were drinking and chatting, a man with a fat head and big ears with a golden chain came over and gave Wu Yifan a mouthful of words without saying a word!

## Chapter 129

"I'm from Mahle Gobi, I paid you to call you out. I asked you to drink with me, not with others. I said how can I find you without a shadow for a long time!"

The fat-headed and big-eared man said cursingly!

Seeing this, Wu Yifan hurriedly got up and said humbly, "Brother fat, I met a friend, so I chatted for a while, and I'll go with you right away..."

At this time, when Wang Hanhan saw Wu Yifan being beaten, he stood up immediately, and said with a displeased face: "How can you stretch out your hand and hit someone? What if you spend money, not sell it to you..."

Wang Hanhan has worked as a dancer, so he knows what these people think, and if he spends some money to call them out, it becomes his personal property!

When the fat-headed and big-eared man saw Wang Hanhan dare to talk to him like this, his face immediately turned cold: "Little girl, you are not small, dare to talk to me like this, I think you are quite a sign, how about sleeping with your brother for a night? It just so happens that you two are together, I'll take a double flight..."

The fat-headed and big-eared man said that he was about to do something to Wang Hanhan, but he didn't take David sitting beside him at all!

"Brother Fat, this is a friend of mine. She is ignorant. I will accompany you tonight. I promise to make Brother Fat feel comfortable..."

Wu Yifan hurriedly stopped the fat-headed man and said.

Now that the time has come, Wu Yifan is not afraid that Wang Hanhan and David will know what they are doing!

"Go away, I just want to play Shuangfei, you are stopping me, believe it or not, I will kill you..."

The fat man with big ears pushed Wu Yifan away and said!

Seeing this, Wang Hanhan hurriedly supported Wu Yifan, and then glared at the fat man with big ears!

She knew that the more frightened you were, the more frightened people looked at, the more they would gain an inch, so Wang Hanhan was not afraid at all!

"Little girl is a little brave..."

Seeing Wang Hanhan staring at him, the man with the fat head and big ears grinned and grabbed at Wang Hanhan!

Snapped...

wow...

But when the fat-headed and big-eared man was grabbing towards Wang Hanhan, suddenly a sitting David made a move, and a beer bottle smashed directly on the man's head!

The blood flowed down the man's head in an instant, and the man suddenly hugged his head with his hands in pain, and squatted on the ground!

When Wu Yifan saw that David actually did something to this fat-headed man, his face turned pale with fright.

"Fat brother, you... are you alright?"

Wu Yifan hurriedly helped the man up and asked!

"fcuk you..." The fat-headed and big-eared man pushed Wu Yifan away, then glared at David and said, "Paralyzed, if you dare to beat me, you have eaten the guts of a bear and a leopard. I'm going to kill you today. you..."

Seeing that this guy still dared to scold, David immediately picked up another wine bottle, which scared the fat-headed man and ran out very far, and then shouted: "Wait for me, you kid, I'll call someone... .."

Soon, the man with the fat head and big ears ran away, while David looked at Wang Hanhan and Wu Yifan as if nothing was wrong and said, "Sit down, let's continue eating!"

"What else to eat, hurry up and run, do you know who this guy is? He is covering the street this time, and there are more than a dozen people under his command. How can you do something to him? It's going to be troublesome now. now..."

Wu Yifan's face is full of anxiety, like an ant on a hot pot, where is he in the mood to eat!

"Don't worry, we can just keep eating, don't be afraid of him..."

David smiled lightly!

Seeing that David was not afraid at all, Wu Yifan looked at Wang Hanhan strangely and asked, "Hanhan, what does your boyfriend do? Does it have a lot of background?"

# Chapter 130

After knowing the identity of the man, David was not afraid at all. In Wu Yifan's opinion, David must have a background, otherwise he would not be so indifferent!

"We work together, we have been neighbors since we were teenagers, and we have no background..."

Wang Hanhan frowned slightly!

"Impossible, no background, why are you not afraid at all?"

Wu Yifan didn't believe it, if it was an ordinary person, he would have been terrified when he heard the identity of the man!

"I really don't have any background. Brother David, he just went to prison and just came out..."

From Wang Hanhan's point of view, David's experience in prison should be considered a background. After all, ordinary people are somewhat afraid of seeing people who have been in prison!

"No wonder, I used to stay there, and it looks like I know some people, but this fat guy is not just a gangster covering a street, he is a member of the Chilong Gang, so I advise you to take Hanhan with you. ..."

Wu Yifan persuaded David!

"Chilong Gang?" David felt a little interesting when he heard it. Why do you always encounter people from the Chilong Gang today!

"Why, are you afraid? The Chilong Gang is the biggest gang in Horendel. You know those three sects and nine-rates. It's impossible to protect you. You

should take Hanhan away now. I'll see if I can persuade one. Persuade the fat brother, the big deal is that you don't want any money tonight..."

Wu Yifan intends to plead with the fat-headed man by himself!

"Afraid?" David laughed: "The people of the Chilong Gang are afraid of me, they will run away when they see me!"

"Afraid of you?" Wu Yifan glanced at David, and said angrily: "I'm not joking with you, if you want to pretend, you can do it yourself, but you can't implicate Hanhan!"

Wu Yifan said, took Wang Hanhan's hand and said, "Hanhan, let's go, let him stay alone and pretend, look at what kind of boyfriend you are looking for!"

At first, David persuaded Wang Hanhan to participate in the alumni reunion. Wu Yifan still had some good feelings for David, but at this time, his good feelings were gone. In her opinion, David was just a person who only pretended to be pushy!

"Yifan, Brother David is not the kind of person you said..."

Wang Hanhan didn't want to leave, but was forced to leave by Wu Yifan!

"Hanhan, don't be stupid, you don't mix with the Tao, you don't know the power of the Chilong Gang, in the whole Horendel, there is no one who is not afraid of the Chilong Gang, this David has been in prison for several years, I really don't know how high the sky is. now..."

Wu Yifan holds Wang Hanhan and doesn't let go!

Just when Wu Yifan was pulling with Wang Hanhan, a group of people suddenly gathered around, and the man who was leading was the fat man with big ears, and at this time the man's head was already bandaged!

Seeing that man brought someone over, Wu Yifan turned pale with fright, and let go of Wang Hanhan, feeling a little overwhelmed!

Wang Hanhan was horrified when he saw that there were so many people on the other side, and all of them were vicious!

Only David is still sitting in the same place calmly!

"Boy, you are so fcuking good, you didn't even run, I'll let you know how good I am today..."

The fat-headed and big-eared man said, bent over and picked up a wine bottle and waved it towards David!

"Fat guy..."

Seeing this, Wu Yifan hurriedly stepped forward to stop the fat-headed man: "Fat brother calm down, he has already regretted it just now,

And when I told him about the fat brother's identity, he would have been scared to death, and the fat brother was watching. For my face, please spare him once,

I will accompany the fat brother for a few nights for free, and let him pay some money to make amends for the fat brother..."

The man with the fat head and ears still wanted to hold back, but when he heard that the other party was willing to pay for the solution, he took back the wine bottle in his hand and asked Wu Yifan, "How much can he pay? My head is nothing. Anyone can do it!"
