

A Man Like None Other

Novel

Chapter 201

At first, they all thought that Wang Hanhan and David were in a relationship between men and women, but no one thought that David would be a boyfriend and girlfriend with the chairman of the company.

But at this time, Wang Hanhan lowered his head slightly, and tears kept rolling in his eyes!

David's eyes swept over everyone in the sales department, so they all lowered their heads and dared not look directly into David's eyes!

Then Cui Zhiyuan buried his head very low, wishing he could find a hole to burrow into!

"Cui Zhiyuan, do you think it's appropriate for me to sit in this position? You seem to be kicking me out just now?"

David looked at Cui Zhiyuan and asked with a playful expression.

Cui Zhiyuan was shocked: "suitable, suitable, this is the position prepared for Chen Dong..."

"But I don't think it's appropriate for you to sit as a sales manager..."

As soon as David's voice fell, Cui Zhiyuan hurriedly apologized to David with a sad face: "Chen Dong, it's me who sees people low, and I don't know Taishan,

so please forgive me this time, I work in the company like this. Over the years, I finally managed to get the position of manager..."

"Spare you?" David smiled coldly: "When you fired me just now, why didn't you think about letting me go?"

Cui Zhiyuan's body trembled more and more, and he couldn't say a word!

"I announce that you, the sales manager, have been fired. From today, you are no longer an employee of the company..."

David said loudly!

"Chen Dong, don't, don't..." Cui Zhiyuan shouted like crazy, then looked at Sonya: "Sonya, please help me, I don't want to be fired..."

Sonya looked at Cui Zhiyuan like that, she could only bite her lip and said to David, "David, can you..."

But before Sonya finished speaking, David waved his hand and said, "I'll show you something first. If you've finished reading it, and you still want to intercede for Cui Zhiyuan, I can promise you..."

As David spoke, he turned on the slide projector in the conference room. Everyone stared at the white walls, wondering what David wanted to see for Sun Xiaomeng!

However, when he turned on the slide projector, pictures of Cui Zhiyuan following other girls appeared, including some explicit chat records, which made Sun Xiaomeng froze for a moment.

Cui Zhiyuan looked at himself in the picture, and was dumbfounded for a while, and then he wanted to smash the slide projector like crazy: "This is all fake, fake..."

David kicked Cui Zhiyuan down, and then stepped on him, the slide projector was still playing!

In the end, there was a picture of Cui Zhiyuan following Wang Lanlan making out. This time, Sun Xiaomeng seemed to be hit hard and almost fell to the ground. Fortunately, Wang Hanhan quickly supported her!

Wang Lanlan looked at herself on the screen, no matter how scheming she was, her face was blushing at this time!

"Damn it, this is too shameless. I always thought Wang Lanlan and Sun Xiaomeng were good best friends, but I didn't expect Wang Lanlan to be such a shameless person!"

"Knowing people and faces but not hearts, no wonder Wang Lanlan has been with Sun Xiaomeng all the time. It turned out to be another plan..."

"Bah, I hate this kind of person the most, shameless..."

Everyone was shocked, and then they all accused Wang Lanlan!

Wang Lanlan felt everyone's accusations and scolding, and the whole person was about to collapse!

After finishing playing, David turned off the slide projector, looked at Sun Xiaomeng and said, "Do you still want to intercede for this Cui Zhiyuan? As I said, this Cui Zhiyuan is not suitable for you..."

Sun Xiaomeng stood dumbfounded, and after a while, anger burst out in his eyes, and walked quickly to Wang Lanlan!

"Xiaomeng, Xiaomeng, listen to my explanation, it was Cui Zhiyuan who seduced me, he seduced me, and he also used money to buy me..."

Wang Lanlan strongly pushed the responsibility to Cui Zhiyuan!

Chapter 202

"Wang Lanlan, you are shameless, you seduced me, you want me to help you in the company, pretend to drink too much, let me help you back to your room, and then you just take off my clothes, You b!tch..."

Cui Zhiyuan was stepped on by David, so he could only scold Wang Lanlan desperately!

Seeing this, David directly raised his foot, Cui Zhiyuan jumped up, and rushed towards Wang Lanlan!

A fierce slap hit Wang Lanlan in the face!

Wang Lanlan covered her face and stared at Cui Zhiyuan: "Cui Zhiyuan, you are a fcuking scumbag, you told me that you only love me, and you also like her money when you follow Sun Xiaomeng, I didn't expect you to follow so many A woman has an affair..."

Not to be outdone, Wang Lanlan fought with Cui Zhiyuan.

Soon, the two were beaten in ragged clothes, and Cui Zhiyuan's face was covered in blood!

"Security, kick these two out for me..."

Sonya looked at the two of them like that, and said with annoyance.

Several security guards rushed in, ready to drive away Cui Zhiyuan and Wang Lanlan...

"Xiaomeng, I was wrong, I was wrong, please help me, help me..."

Cui Zhiyuan didn't want to leave, and hugged Sun Xiaomeng's leg tightly!

Sun Xiaomeng looked at Cui Zhiyuan in disgust and kicked Cui Zhiyuan away with one kick!

Cui Zhiyuan wanted to rush over, but was dragged away by the security guard!

"Why...why...I'm not convinced..."

Cui Zhiyuan roared, but no one took pity on him!

Both Cui Zhiyuan and Wang Lanlan were dragged away, they were all fired, and everyone else in the sales department was in danger. After all, they all mocked David in order to curry favor with Cui Zhiyuan!

David glanced at everyone, and then said: "Now the company still lacks a general manager, this position will be handed over to Sun Xiaomeng, as for the position of sales manager, let Hanhan take it, I hope you two can work hard , give back to the company..."

After David finished speaking, everyone in the sales department applauded!

Sun Xiaomeng was immediately stunned. She thought that even if David didn't blame her or fire her, she wouldn't be able to reuse her. After all, her attitude towards David was not good at first!

Unexpectedly, David gave himself the position of general manager, which made Sun Xiaomeng unable to believe it!

"Xiaomeng, Xiaomeng, thank you Chen Dong quickly..."

Someone reminded Sun Xiaomeng!

Only then did Sun Xiaomeng react, and hurriedly said to David: "David... no no no, Chen Dong, thank you, I will definitely work hard!"

After Sun Xiaomeng finished speaking, she pulled Wang Hanhan next to her: "Hanhan, thank you Chen Dong..."

Wang Hanhan looked at David blankly, and said, "Thank you, Director Chen..."

David looked at Wang Hanhan's expression, and actually felt a little distressed, but feelings cannot be forced!

"The other people's positions remain the same, let's all go back to work..."

After David finished speaking, everyone breathed a sigh of relief. David did not blame them, which made these people in the sales department feel grateful to David!

Everyone left, looking at Wang Hanhan's back, David wanted to catch up and explain, but Sonya was on the side, and David didn't move.

"Go, it's better to say something clearly, I'm leaving too..."

After Sonya finished speaking, she got up and left!

David caught up with Wang Hanhan and called her aside.

"Hanhan, I actually treated you as a younger sister from the beginning. I didn't mean to deceive you, but my parents misunderstood Sonya, so I didn't say anything..."

David didn't mean to hide it!

"Brother David, you don't need to explain, it's all my own wishful thinking. You are fine now, and I'm young, so I can definitely find a suitable boyfriend..."

Wang Hanhan tried her best to squeeze out a smile!

"Well, I'm sure you can find it!"

David nodded!

Chapter 203

Two days passed in the blink of an eye.

It doesn't make much sense for David to be the chairman. He always wants to find an opportunity to explain Sonya's affairs with his parents!

If you can get your parents to agree to move to Pine Bay, it would be best. David can speed up his cultivation. There is no spiritual energy here, and there is no way to cultivate!

But seeing his parents and Wang Hanhan's mother Wang Changfeng happily discussing matters between him and Wang Hanhan, David didn't know how to speak!

But on this day David got off work at noon, but Chen Baoguo called David!

It is said that the Wang Hanhan family has moved away!

When David heard this, he was shocked, and hurriedly drove home and saw that the door of Wang Hanhan's house was locked!

And in Chen Baoguo's hand is still holding a letter!

"David, this is Hanhan's letter to you..."

Chen Baoguo gave the letter to David!

David opened the letter and read it. It turned out that Wang Hanhan didn't want to live in this city anymore, so she took her mother to another city to join her relatives, because she couldn't face David every day!

Moreover, Wang Hanhan also explained to David's parents in the letter, and made it clear about David's following Sonya!

After reading the letter, David clenched his fist tightly. He didn't want to hurt Wang Hanhan. Maybe this was the best result. If he faced it every day, Wang Hanhan would suffer even more.

"Hey, Hanhan is a miserable child, it's just that the two of you have no fate..."

Barbara sighed, obviously she knew the content of the letter!

"David, you kid don't tell us, if you and Sonya are really friends, my mother and I have no objection, no matter what their identity is, as long as they are serious, we are afraid that you will be deceived. Now, in the evening, when you call Sonya home for dinner, your mother and I apologize to them, they lent us a house, and we misunderstood them..."

Chen Baoguo said to David.

"Yes, yes, it's all my fault that your dad and I believed in other people's words. They all lent us such a good house, so can it still lie to you? Now that I have misunderstood others, it's not good, you must call Sonya. Come home, I'll follow Sonya and apologize, a girl so rich doesn't dislike our family, and we even misunderstand their motives..."

Barbara also followed David with a face full of shame!

"Well, I'll call her home in the evening..."

David nodded!

In the evening, Sonya happily went to David's house and brought a lot of gifts. Chen Baoguo and Barbara prepared a sumptuous dinner!

"Uncle, auntie, you are getting older and older. I think you should move to Pine Bay. After all, the air there is good and the environment is good..."

Sonya said to Chen Baoguo and Barbara at the dining table!

Chen Baoguo didn't speak, Barbara said, "Sonya, we will listen to whatever you say. In the future, your uncle and I will only listen to you, and no one will listen..."

Barbara still feels guilty for listening to strangers and misunderstanding Sonya!

"Okay, then move in tomorrow..." Sonya said happily!

Seeing that his parents agreed to move to Pine Bay, David felt relieved. He was finally able to cultivate well. He had been delayed for a long time!

Early the next morning, David took his parents and moved back to Pine Bay. Feeling the aura on the top of Pine Bay, David could not wait to sit down and practice right away!

At noon, Sonya called David, saying that Gu Wentian had something to do with David, which seemed to be a matter of Lingbi.

After David received the call, he was very excited. As long as he found the spirit pen, his mother's eyes could be cured.

David rushed to Su's house non-stop, just as Lin Tianhu was looking for him, the two went to Su's house together.

Chapter 204

Arriving at Su's house, David hurriedly asked after seeing Gu Wentian, "Ancient, is it true that the Taoist priest is back?"

Gu Wentian nodded: "Yes, the true master is back!"

"Then trouble Gu Gu, hurry up and take me there!" David was a little impatient!

"Mr. Chen, it is true that the Taoist priest is back, but..."

Gu Wentian's face is embarrassed!

"Ancient, just say something straight, if you want money, I can get it together!"

David said.

"Ancient, how much does it cost, you can just say it. The spirit pen and cinnabar are for auntie's eyes. You must use the spirit pen and cinnabar!"

Sonya said at this time!

She knew what David did with these two things. When David gave her the medicine list, it was also there, and Sonya really looked for it carefully, and even offered a reward, but this kind of thing is rare and hard to come by!

Gu Wentian shook his head: "Mr. Chen, Miss Su, the Daoist Master is not asking for money, for those who have entered the Dao, money is something outside the body, but the Daoist Master has a daughter and is now seriously ill. , he could not find a cure after searching all the famous doctors, so he hopes to use the spirit pen and cinnabar to ask Mr. Chen to help her daughter cure!"

When David heard it, he immediately understood that it should be Gu Wentian and Daoist Master Buxu who said about his excellent medical skills, so Daoist Daoist Buxu proposed this condition. There is a way to heal!

"Ancient, what's wrong with the daughter of the wise man?"

David asked.

"I don't know very well, but it's true to hear that her daughter has been cold and sick since she was a child, and her body is like falling into an ice cave. She sleeps with a lot of bedding every day, but it doesn't help for many years. The place is useless, this time I went a long way to seek medical treatment, but I came back without success!"

"It's true that the Taoist priest is also for his daughter. He once looked for a doctor in the Taoist Sect, and he was willing to give charity. He wanted to accumulate merits for himself and make his daughter better, but after so many years, it seems that there is no effect!"

Gu Wentian explained.

"The body is like falling into an ice cave?"

The corner of David's mouth raised slightly, he understood something, and said to Gu Wentian, "Ancient, please take us there, I can see the illness of the daughter of the Daoist Daoist!"

David didn't want to wait, he had to get the spirit pen and cinnabar as soon as possible so that his mother's eyes could be cured!

"Okay, let's go now!"

Gu Wentian nodded.

The two cars set off from the Regal Hotel and went straight to Leimingguan!

Leiming Sect is located on Leiming Mountain. Leiming Mountain is the largest mountain in the entire Jiangbei, and the mountain is high and dense with dense forests. The mountain built a thundering view!

There is only a winding mountain road on the Leiming Sect, and it is not easy to walk, but because the Thunder Sect is famous, a large number of tourists come to pray for blessings every day!

"Mr. Chen, we can only go up!"

At the foot of Lei Ming Mountain, Gu Wentian said.

"Go!" David nodded!

In fact, David knew about this view of thunder, but he never visited it once!

Tang Long watched the car from below, David, Gu Wentian, Lin Tianhu, and Ruben's father and daughter climbed up Leiming Mountain!

With David around, Gu Wentian's safety is naturally not a problem, so Tang Long doesn't have to protect himself!

Sonya looked at the green trees and the mountain road. She was so excited that she kept running and stopping, sometimes shouting a few times!

"Sonya, if you go on like this, if you can't reach the top of the mountain, you will probably get tired and lie down!"

Ruben warned Sonya.

At the beginning of climbing the mountain, you are excited and not tired, but you will not be able to climb later, so save your physical strength from the beginning!

"I'm fine!" Sonya didn't listen at all, and Ruben had no choice!

Chapter 205

It is afternoon now. Logically speaking, there are more tourists going down the mountain than those who go up the mountain, but David and the others came along and saw many tourists rushing towards the mountain.

"Let's hurry up, today I heard that Lei Mingguan has invited the worthy Daoist brother Wuwei Daoist. That is the reincarnation of an immortal. The skill is very powerful. We have to hurry up and let Wuwei Daoist draw us a lot!"

"I heard that Taoist Wuwei came here once last year, and only ten people were selected to draw lots for divination, and it was very effective. There was a

couple who had been married for more than ten years and had no children. Fat boy!"

"What is this, I heard that there is a person who has been paralyzed for a lifetime, and has been favored by Daoist Wuwei. Today we have caught up with us, but we have to go quickly!"

"I heard that Taoist Wuwei came this time to treat the daughter of the Taoist leader, and he also brought a treasure!"

Tourists on the mountain road talked a lot, and the speed of climbing the mountain also accelerated a bit.

David listened to the comments of the tourists, and he understood why these people were all rushing to the top of the mountain in the afternoon!

"Mr. Chen, this Daoist Wuwei is the senior brother of the Daoist who is not false. He used to be the watcher of this Thunder View. Later, after it was passed on to the Daoist who is not false, the Daoist Wuwei went to travel. He came back once last year, and his shot was not false. The Daochang's daughter was treated, but it didn't work, and then she left, and this time she came back, it should be for the true Daoist's daughter!"

Gu Wentian followed David to explain!

"Ah, what should we do? Then let's go quickly, but we can't let the Wuwei Daoist cure the disease first. In that case, we won't be able to get the spirit pen and cinnabar!"

When Sonya heard this, she hurriedly urged!

When everyone heard it, they also felt that there was some truth, so they accelerated their pace!

Only David still had a calm expression on his face, and said with a slight smile: "Don't worry, that Taoist Wuwei can't cure it!"

"How do you know he won't be cured?"

Sonya looked at David strangely and asked.

"I said if he can't be cured, he will definitely be cured, just wait and see!"

David smiled and did not explain to Sonya!

After the group reached the middle of the mountain, Sonya's pace slowed down significantly, and she was sweating and panting!

"No way, I'm going to rest for a while, I really can't walk!"

Sonya sat on the big rock beside her.

"What did I say about you at first? You just don't listen, are you honest now?"

Ruben reprimanded Sonya!

But no matter what Ruben said, Sonya just couldn't walk!

"Gu, you all go first, I will accompany Sonya at the back, we will catch up in a while!"

David saw that Sonya really couldn't walk, but he couldn't stay and wait for her, so he said to Gu Wentian.

"Alright, I'll go up first and make arrangements in advance, and tell the truthful Daoist!"

Gu Wentian nodded.

Ruben glanced at Sonya, smiled slightly recently, and then said to David: "Mr. Chen, I will hand over Sonya to you.

"

After speaking, several people continued to climb up, while David sat next to Sonya!

"I can't walk anymore, why don't you carry me?"

Sonya blinked her eyes and smiled.

"I don't carry it, you still have strength!"

David shook his head.

"No, I really don't have the strength!" Sonya even followed David in a coquettish manner.

David looked at Sonya like that, and his heart throbbed, and I have to say, Sonya is really beautiful!

Although his temper is a bit explosive at times, he is still very kind.

David grabbed Sonya's hand, Sonya shrank in fright, but David held it tightly, and Sonya had no way to break free!

Sonya's face suddenly turned red, she bit her lip tightly, not daring to look at David!

Chapter 206

David grabbed Sonya's hand, and waves of warmth flowed directly into Sonya's body along David's hand!

"You...what do you want to do? There are too many people here!"

Sonya lowered her head, her voice was like a mosquito, and you couldn't hear it if you didn't listen carefully!

"What did you say?" David asked.

"I said don't be here, there are too many people, let's go to the woods!"

Sonya's head was lowered and her voice was even lower.

"What are you going to do in the woods?" David let go of Sonya: "Let's go quickly, you won't be able to catch up in a while!"

Sonya was stunned, looked up at David, and found that David was looking at him with a smirk.

"I beat you to death..."

Sonya glared and chased after David!

After running two steps, Sonya suddenly found that her body didn't seem to be so tired, and her legs didn't hurt anymore, just like when she just climbed the mountain for a while!

"What are you doing, hurry up!"

David saw Sonya stunned, so he shouted.

"Oh.

"

Sonya chased after David!

Soon, the two of them caught up with Gu Wentian and the others. Seeing David and Sonya chasing so quickly, they were a little strange.

"Sonya, aren't you too tired to walk?"

Ruben didn't look tired when he saw Sonya's state.

"I don't know what's going on, anyway, I'm not tired after a while, I feel very relaxed.

"

Sonya also said with a puzzled face.

As soon as Sonya finished speaking, everyone turned their attention to David. They could guess that it must be David's reason.

"Let's go quickly, it will be dark in a while.

"

After David finished speaking, he quickened his pace!

About an hour later, a few people finally reached the top of the mountain. At this time, the top of the mountain was full of people. Because there were so many people, the Taoist Sect was closed, and everyone was waiting outside the Taoist Sect!

David and the others tried their best to get to the front, and two Taoist boys guarded the door of the Taoist Sect and prevented people from entering!

"Don't crowd, today's Taoist Sect is not allowed to enter!"

A Taoist boy stopped David and they said.

"This little master, I am your true friend, please report that Horendel Gu Wentian is here!"

Gu Wentian followed Xiao Daotong with a smile on his face.

"Our master said that no one can come in. Our uncle is treating the younger sister, so please don't disturb me!"

Xiao Daotong waved his hand and looked arrogant!

Gu Wentian didn't seem to be angry, he took out some money from his pocket and secretly stuffed it into Xiao Daotong's hands: "Little Master, I also brought someone over to see your little sister, your master knows, you just need to report. Just do it!"

Xiao Daotong looked at the money in his hand, his face instantly filled with a smile, he put the money in his pocket and said, "So it's the master's friend, you guys wait here first, I'll report it right away!"

The little Taoist boy ran into the Taoist Sect, Gu Wentian smiled helplessly, there is a saying that the king of hell is easy to provoke, and the little devil is difficult to deal with, and it is like this now.

"This kind of Taoist Sect, even if it is practiced for a hundred years, it will not be able to cultivate the merits to heal his daughter!"

David smiled coldly!

The faces of several people are helpless, there is no way, the current society is like this, it has become very utilitarian, whether it is a Taoist Sect or a Sect, whichever is not for making money, it is not so much a Taoist Sect, but a tourist attraction.

Soon, Xiao Daotong ran out and respectfully said to Gu Wentian, "Sir, our master let you in!"

Gu Wentian nodded and led David and the others into the Taoist Sect!

The Taoist Sect is filled with smoke, and there are many incense sticks. These incense sticks are bought by tourists and then lit and plugged to pray for good fortune.

Chapter 207

"Ancient, if you have lost your way, forgive your sins and forgive your sins!"

Just walked into the Taoist Sect, an old Taoist wearing a Taoist robe and a beard greeted him, this person is a true Taoist!

"It's true, the Daoist is polite!" Gu cupped his hands, and then pointed at David: "This is Mr. Chen, the one who needs the spirit pen and cinnabar. I brought it here specially for the maid to take a look at!"

The Daoist True Master glanced at David, his brows were obviously slightly wrinkled, but he quickly stretched out and smiled slightly: "No hurry, no hurry, let's go to the house to have a cup of tea, my senior brother is watching the little girl inside! "

Daoist Master was not false and invited Gu Wentian and the others to the Taoist Sect, but as soon as he walked to the entrance of the main hall, David felt a chill coming!

In this hot weather, this chill actually made David fight a cold war!

"Mr. Chen, what's the matter?"

Gu Wentian saw that David's face was a little wrong, so he asked aloud.

"Oh, it's fine!" David smiled and shook his head!

Daoist True Master looked at David and smiled disdainfully: "Did you feel that when you entered the main hall, it suddenly became cooler? This is because there is an ancient well behind our Taoist Sect, and the well water is piercing all the year round. We lead the well water out, Surrounding the Taoist Sect, the whole Taoist Sect becomes cool and pleasant!"

David just smiled silently and didn't say anything!

The crowd followed the Daoist True Master through the hall, to a small courtyard at the back, and after opening one of the rooms, David suddenly felt the chill, much stronger than the chill just now!

But looking at Gu Wentian and the others, they didn't seem to notice anything unusual!

At this time, in the room, a girl with delicate facial features was lying on the bed, wrapped in a thick cup, her face was pale, and the whiteness was like the weather was cold, and there was a layer of frost on her face!

In front of the girl's bed, an old man with Yu Ruyi in his hand would nod Yu Ruyi on the girl's forehead from time to time, and then recited something!

"This is my senior brother Wuwei Taoist. He said that my daughter is cold and cold, and she needs to get rid of the cold air. I tried it once last year, but it failed. This year, my senior brother found a warm jade made The jade Ruyi is just enough to absorb the cold aura of my daughter!"

The wise man explained in a low voice.

The so-called warm jade is the jade that has been burned in extreme heat or the fire of the heart of the earth. This kind of warm jade remains warm all year round, even if the stone is put in the refrigerator, after taking it out, it does not take half an hour. It's amazing to be able to restore the original temperature!

This kind of stone is extremely rare, and it can be made into a jade Ruyi with warm jade. It can be seen that this stone is not small, it is quite rare!

Hearing what the Daoist said, Gu Wentian and the others looked at the Wuwei Daoist curiously, while the Wuwei Daoist had a cold expression on his face, with disdain in his eyes, and they didn't even look at Gu Wentian and the others.

In the hands of Taoist Wuwei Yu Ruyi, every time he tapped the girl's forehead, he could see a trace of cold air being absorbed by Yu Ruyi.

After clicking for more than a dozen times, Daoist Wuwei stopped and put Yu Ruyi aside!

“Senior brother, are you almost healed?”

True Daoist asked the Daoist Wuwei with anticipation.

Daoist Wuwei shook his head: “How can it be so easy, Xiaoru’s body has been cold and cold for a long time, and there is still a lot, so take it slow, now Yu Ruyi has lost her temperature and needs to rest for a while!”

“Oh!” The righteous nodded, and then asked, “How long will it take to completely absorb the cold energy from Xiao Ru’s body?”

Daoist Wuwei frowned slightly, and said with a little thought: “At least three days, as many as half a month!”

After listening to the truth, he stopped talking, with a bit of worry on his face.

Chapter 208

“Not to mention half a month, just absorb the cold air at this speed, it is impossible to absorb it in a lifetime, and this young lady can’t live for three days at most!”

David said slowly.

As soon as David’s words landed, Daoist Wuwei frowned and looked at David coldly: “Junior Brother, where is this ignorant child, talking nonsense again?”

“Senior brother, this is an ancient invitation to treat the little girl. You also know that our Taoist Sect does not miss the ancient incense money!”

The truthful Daoist hurriedly explained.

"Hmph, stinking, are you questioning me? Let them get out of here!"

Daoist Wuwei was very angry at David's questioning!

"This..." True Daoist suddenly looked embarrassed!

After all, David was found by Gu Wentian, and he and Gu Wentian had a very close relationship. It would be inappropriate to drive him away!

"What? Do you really believe that this brat with no hair can heal your daughter? If that's the case, then I'll leave!"

Daoist Wuwei picks up Yu Ruyi and prepares to leave!

"Senior brother, don't be angry!" Daoist Master Wuwei stopped Daoist Wuwei, and then looked at Gu Wentian with an embarrassed expression: "Gu Wentian, it's better to take your people out for the time being. Senior brother does not want anyone to disturb you when you are treating your illness!"

Gu Wentian also looked at David with some embarrassment. He trusted David, but looking at it like this, it was true that the Taoist priest did not trust him!

"Master Dao, your daughter is a body of ice crystals. This system likes cold and cold energy. If you use it, you will definitely be able to strengthen your body and even stay young forever, but no one has taught her the art of refining, so that the Taoist Sect The yin and cold energy inside her accumulated more and more, and it became what it is now.

"

"Although that jade Ruyi is a treasure, it can absorb the cold energy, but with this strength, I'm afraid it can't keep up with the speed at which the girl can absorb the cold energy. Coupled with the ancient well in the Taoist Sect, the cold energy is extremely high. It's heavy, so your daughter can't last three days.

“

David followed the truthful Taoist priest and explained.

If it wasn't for the spirit pen and cinnabar, David wouldn't explain this to him!

It's true that the Taoist priest is a little stupid. Although he doesn't understand it, listening to David's words makes some sense!

“What nonsense, what kind of ice crystal body is still young forever, why don't you say immortality? It's just nonsense. I have been practicing Taoism for decades, and I have never heard of an ice crystal body!”

Daoist Wuwei looked at David with disdain and said coldly.

“You don't know, that's your ignorance. Although your Jade Ruyi is a treasure, but you dare to use it, this Jade Ruyi will shatter!”

David said expressionlessly.

Although this jade Ruyi is made by Wen Yu and can absorb the cold energy, the cold energy of Daochang Daochang's daughter is not ordinary. It can make David feel the cold energy. It can be seen that the energy of this cold energy Big!

A jade Ruyi made by a warm jade cannot withstand such a cold air at all, so it will definitely break!

“Nonsense, even in an extremely cold place, this jade Ruyi can still be as warm as ever, how could it possibly break, Hugh is talking nonsense, get out of here, we don't welcome you in Lei Mingguan!”

Daoist Wuwei was full of anger. David dared to say that he was ignorant. Daoist Wuwei was going to die of anger. To know who saw him was disrespectful?

"Hmph, if it wasn't for the spirit pen and cinnabar, even if I was kowtowing and begging me, I wouldn't necessarily shoot!"

David snorted coldly.

"Arrogant child, looking for a fight..."

Taoist Wuwei was furious, and with a flick of the dust in his hand, a gust of wind came and went straight to David!

"Brother, don't..."

The true master was shocked and hurried to stop it.

As for Gu Wentian and the others, none of them would have thought that the Taoist Wuwei actually said that he would do it, and they were stunned to the side!

Chapter 209

"Bold..."

Lin Tianhu, who was beside him, rushed out with a vigorous stride, ready to attack the Taoist Wuwei!

David is the master of the Dragon Sect, and Lin Tianhu is his subordinate, how could he watch others casually attack David.

David held Lin Tianhu: "You are not his opponent!"

The dust of the Taoist Wuwei, the wind whistled with a casual wave, David knew that Lin Tianhu was not an opponent of this old Tao.

"Senior brother, don't be angry yet, there are many people outside waiting to see you. If you hit someone and spread it out, wouldn't your reputation be completely ruined!"

Daoist True Master grabbed the whisk and persuaded Daoist Wuwei!

Hearing what the Daoist said, the Wuwei Taoist took back the whisk and snorted coldly, "Quickly drive them away, so that I won't be bothered!"

"Guo, you guys should go out. Regarding the spirit pen and cinnabar, when my daughter finishes her illness, I will send someone to send it!"

The True Daoist said to Gu Wentian with some embarrassment.

Gu Wentian looked at David and asked, "Mr. Chen, why don't we leave?"

Since the Daoist Master has promised to give Lingbi and cinnabar, it is meaningless for them to stay!

David shook his head: "Since I'm here, I can't watch a fresh life disappear in front of me!"

David intends to save the life of the Daoist priest's daughter!

This can be regarded as the good fortune of the Taoist priest. After all, the Taoist priest can say that he gave away the spirit pen and cinnabar, which proves that this person is not bad!

"Boy, are you finished yet?"

Daoist Wuwei frowned and looked at David viciously!

Right now, Daoist Master is full of embarrassment, and he doesn't know what to do!

"Don't rely on the old to sell the old, you can tell if I'm telling the truth or not!"

David smiled coldly.

“How to try?” Daoist Wuwei was stunned!

“You only need to use your Yu Ruyi to absorb a few cold breaths. If it breaks, it will prove what I said. If it doesn’t break, I will get out of here immediately!”

David pointed to Na Yuruyi and said.

“Okay, I will definitely convince you!”

Daoist Wuwei said, picked up Yu Ruyi, muttered something in his mouth, and gently touched the forehead of Daochang’s daughter!

Every time you touch it, you can see a cold air being sucked into Yu Ruyi!

A flash of disdain and contempt flashed in Taoist Wuwei’s eyes, and he looked at David coldly: “Boy, it’s time to get out of here? My Yu Ruyi is all right!”

Daoist Wuwei was talking, and when Yu Ruyi touched the forehead of Daoist Daoist Master Wuwei again, a crisp sound suddenly came out, as if something had broken!

This time, everyone’s eyes widened and they held their breath!

The Taoist Wuwei trembled, and hurriedly took Yu Ruyi to examine it carefully. Sure enough, there was a slight crack on Yu Ruyi’s body, which made Taoist Wuwei feel bad!

“My Yuruyi...”

Daoist Wuwei gently stroked Yu Ruyi like a child, but just when he touched it, Yu Ruyi shattered into several pieces and fell to the ground.

“Broken, really broken...”

Sonya grabbed David's arm excitedly and jumped up!

Yu Ruyi was shattered, proving that what David said was right, it was considered a slap in the face of the Wuwei Daoist.

Daoist Wuwei glared at Sonya, his beloved treasure was broken, and he was sad and sad, but Sonya even shouted happily, how could Daoist Wuwei not be angry!

Seeing Daoist Wuwei's eyes, Sonya closed her mouth, but she still couldn't hide the excitement on her face!

"Now you should believe it, right? Your Yu Ruyi can't stand this gloomy aura. If it weren't for the fact that Daoist Daoist's daughter is a body of ice crystals, she would not be able to live in terror at all.

"

David said lightly.

Chapter 210

Daoist Wuwei was a little unconvinced, but he didn't know how to refute it, so he could only snort coldly: "This was guessed by your kid, but I want to see what you use to cure this coldness!"

"I don't need anything, I can suck out the cold air from Daochang Daochang's daughter's body, and let her use the cold air for her own use.

"

David said calmly.

"Okay, come here, I'm going to watch you, how do you suck out the cold air!"

Daoist Wuwei stepped aside and said with a face full of dissatisfaction.

"I'm treating the disease, and you can't watch it, because I'm going to undress her, it's inconvenient for you to be here!"

As soon as David finished speaking, Daoist Wuwei immediately jumped up like a rat whose tail had been stepped on: "Well, you daring thief, it turns out that you came to take advantage of my niece, where did you come to treat the disease, you don't know how men and women give and receive it. Don't you k!ss? My niece is only eighteen years old, and you have to undress her!"

Daoist Wuwei roared, and the worthy Daoist also frowned. His daughter was not married yet. If he took off his clothes and was seen by a man and spread it out, his reputation would be too bad. Master Xu is not sure what David will do!

Gu Wentian and Ruben also looked at David strangely.

Sonya glared directly at David and said, "David, do you think that the little girl is young and want to take advantage of others?"

David looked at everyone helplessly, and found that everyone was looking at him with strange eyes, so he could only explain: "I didn't say to take off, but the coat must be taken off, even if the coat is taken off, these men are in the house. It's not suitable here, but if you're afraid of me messing around, you can stay and watch me!"

Hearing what David said, Daoist Master was relieved a lot. His clothes were not completely stripped off, and he was accompanied by someone, so David would not be able to mess around.

"Senior brother, then let's go out and wait for a while, and we'll see the situation later!"

The virtuous Daoist said to the Wuwei Daoist.

"Hmph, if he can't be cured, I can't spare him today!"

Taoist Wuwei snorted coldly, flicked the dust, and was ready to go out!

But at this moment, a Taoist boy hurried in!

“Master, it’s not good, someone insists on breaking in, we can’t stop it!”

Daotong was in a cold sweat, and there were clear slap prints on his face, which should have just been beaten.

“Who is so bold!”

When the Taoist priest heard it, he was instantly furious and rushed out!

But as soon as he ran out, he was greeted by a young man. The young man was wearing a long gown with a gossip pattern on his chest. His long hair was coiled up, just like a Taoist dress!

Behind the young man, there were two Taoist boys. These two Taoist boys were much more miserable than the Taoist boys who reported the news. Their noses were blue and their faces were swollen, and their eyes could not be opened. look!

“Uncle is not false, I entered Lei Mingguang, these little junior brothers actually stopped me, what does this mean?”

The young man looked at the truth and asked with a playful look.

“Liao Fei, I’m not your uncle. Your master betrayed his master. He is no longer my senior brother, and I am not your uncle. Don’t get close to me. You come to my Taoist Sect and beat my Taoist boy. What do you want to do? ?”

The Daoist Master asked angrily.

“Master Shishu, I’m here to treat the younger sister. How can you say that to me? I heard that the younger sister was suffering from the extreme cold, and I couldn’t bear it, so I ran here on purpose.

“

Liao Fei was not angry, but smiled playfully!

“Xiaoru doesn't have to be treated by you, get out of here immediately, go back and tell your master, I will clear the door sooner or later!”

At this time, Taoist Wuwei stepped forward and shouted fiercely at Liao Fei.
