

A Man Like None Other

Novel

Chapter 221

David intends to wait until July 15 to go to Wuming Island to see if there are any big opportunities. Maybe he can bring Sonya to the path of immortality.

"What? I'm the eldest Miss of the Su family. I'm in a hurry to marry you. You're not happy, are you?"

Seeing that David stopped talking, Sonya was a little unhappy.

"No!" David shook his head: "I'm a poor boy, to be able to marry a wife like you, it's like burning a lot of incense, but I'm a man, how can I let you support me, I have to fight myself, in the future Make you a person admired by the world!"

Hearing David's words, Sonya's heart warmed and she smiled happily: "I didn't expect you to know sweet words, but you don't have to fight anymore, I will directly ask my dad to attribute the entire Su family property to your name. That's it, anyway, my company has given it to you now, let you be the chairman, and don't care about the other companies, anyway, he is my daughter!"

"Uh..." David was speechless, what's the difference between raising him?

"Okay, let me tell you something serious, how are the medicinal materials I asked you to prepare, it's been a long time.

“

David knew that the matter of marriage could no longer be entangled with Sonya. Maybe this girl would take him to apply for a certificate tomorrow!

“It should be almost the same, I will urge you tomorrow, and then give it to you!”

Because all David needs are some precious medicinal materials, it takes some time. During this time, Sonya did not look for David, but went everywhere to find medicinal materials!

Just as Sonya was talking, a gust of wind suddenly swept through, and then the moon was covered by black clouds!

It looks like it's going to rain!

click...

rumbling...

After a flash of lightning, a huge thunder burst!

“what...”

Sonya screamed, her hands shook, and the car rushed into the ditch beside her!

David's eyes were quick and he grabbed the steering wheel, while Sonya threw himself into David's arms!

“I'm afraid, I'm afraid of thunder...”

Sonya's body was shaking slightly!

David didn't expect that Sonya is such an adult that she is afraid of thunder, and couldn't help but smile: "If you want to hug me, you can tell me directly, why make such a crude excuse?"

"Bah, who wants to hug you!"

Sonya stood up, glared at David fiercely, opened her seat belt and said, "You drive, I won't!"

David was helpless and could only drive by himself. It was already pouring rain at this time!

When David returned to Pine Bay and was about to reach the top of the mountain, he found that on the way, a woman was holding an umbrella and seemed to be waiting for someone!

David drove the car closer and opened the window only to find out that it was Delia!

Although Delia was holding an umbrella, her whole body was soaked. Seeing that David was back, she jumped on it instantly!

"David, you're finally back, I've been waiting for you for a long time!"

Delia grabbed the car window: "I was wrong, I know I was wrong, that Jordan forced me, if I don't marry him, he will find someone to kill my uncle and aunt, I really have no choice! "

"And what I did to you was also instigated by Jordan, I regret it, I was wrong..."

"I have always had you in my heart, and I have always liked you. Did you forget that when we were in college, we watched lotus flowers and stars together?"

"At that time, you held my hand and said that you will take good care of me in this life, and we will never be apart for the rest of our lives, have you forgotten?"

Delia looked at David pitifully, she couldn't tell whether it was rain or tears on her face!

Looking at Delia like that, David felt disgusted for a while. He already had no feelings for Delia, not even hatred. This kind of person is not worth the slightest emotion, even hatred!

For David, Delia is like an ant. Who would have a deep hatred for an ant?

"Are you finished? I'm going home after that!"

David looked at Delia coldly.

Chapter 222

"No, I'm not finished!" Delia shook her head vigorously: "David, please forgive me, I was really forced, and I have no choice!"

"Are you forced, it has nothing to do with me!"

David started to roll up the window!

But Delia was clinging to the car window and wouldn't let go!

This time, Sonya, who was sitting in the co-pilot, was furious. She ignored the pouring rain outside and opened the car door and walked out!

"Do you want shame? Hurry up and let me go. If you dare to pester my husband, I will find someone to break your leg. Believe it or not?" Sonya yelled at Delia, and then looked at Delia contemptuously: "You think you are What? Compared with me, how are you better than me? Are you richer than me? Are you more powerful than me? Or are you more beautiful than me?"

"It's not as good as me anywhere. Why should David forgive you and choose you? Good horses don't want to look back. Since you don't know how to cherish him, it's too late to beg him now. Get out!"

Sonya kicked Delia fiercely, and directly knocked Delia down!

Delia looked at Sonya angrily, but she didn't dare to say a word, nor did she have the face to say it!

Sonya is right, she is nowhere near as good as her, why did David choose herself?

Seeing that Delia was being honest, Sonya returned to the co-pilot and slammed the door shut: "Drive!"

David looked at Sonya with a smile on the corner of his mouth, and rushed out with a kick of the accelerator!

"David..."

Delia roared, but David ignored her at all!

Delia always thought that David was covered by Sonya, and Sonya abandoned him, so David had nothing to be afraid of, but she didn't expect to become a clown, whether it was Gu Wentian or Lin Tianhu, it was not the Su family's ability. Please move, all because of David!

Delia really couldn't understand why David had changed so that these big men were respectful...

"Why are you laughing? Do you think I'm particularly fierce?"

Delia glared at David and asked.

David hurriedly shook his head: "Not fierce, I like this kind of character!"

"Really?" Sonya smiled: "In front of me, she seduced my husband and didn't find someone to break his legs, she is already lucky!"

Soon, the car stopped steadily in front of the villa, and David got out of the car and said to Sonya, "You can go back!"

"Where am I going? I'm soaking wet. If I go back like this, I'll catch a cold!"

Sonya got out of the car as she said that!

"What do you mean? You don't want to live here, do you?"

David asked in surprise.

"What's wrong? What's wrong with me living here? There are so many rooms here, why can't I live? You don't want me to live in the same room with you, do you? Don't be delusional!"

After Sonya finished speaking, she walked straight into the villa!

David looked at Sonya's back with a look of helplessness on his face, but his heart was already overwhelmed with excitement!

Although he has become a cultivator and his personality has changed a lot, David is still a man!

A normal man, so what a man thinks, he thinks too!

"David, it's so late and it's raining heavily, where have you gone?"

Hearing the sound of the door opening, Barbara came over with a worried voice!

"Auntie, I'm sorry, we went up the mountain and came back too late!"

Hearing Barbara's voice, Sonya hurriedly explained.

"Oh, so it's Sonya. It's all right. Hurry up and sit down. It's raining so hard outside, are you getting wet?"

When Barbara heard that it was Sonya's voice, a smile filled her face.

He stepped forward and touched Sonya, and found that Sonya was wet, and said a little worriedly: "Look, she is really wet, auntie doesn't have a lot of clothes, and you can't change it, what should I do?"

"Auntie, don't worry, there's a room upstairs with my clothes, I'll just change them!"

Sonya smiled lightly.

Chapter 223

"Oh, look at my memory, I forgot, this is your house, of course there will be your clothes, so go and change, don't catch a cold!"

Barbara urged Sonya to change clothes, and then Barbara called David and said, "David, you have to treat Sonya well, she is a rich lady, we misunderstood others, they are not angry, and they are not disgusted. You are poor, and you don't dislike me for being blind, you can handle it with such sincerity!"

"Mom, don't talk about this for now. I'll cure your eyes first. Your eyes will be blinded by crying the day after tomorrow. It's easy to cure!"

With the spirit pen and cinnabar, David can easily heal his mother's eyes!

Tomorrow, when Sonya has prepared the medicine and is refining some medicinal herbs, then her mother's eyes will be completely healed!

"Don't make trouble, Mom's eyes are not good!"

Barbara didn't believe David could cure her eyes at all: "It's been several years, and I'm used to it!"

"Mom, sit down and don't move, you'll be able to see things soon!"

David helped Barbara to sit down, and then took out the spirit pen and cinnabar!

Barbara's eyes were open at this time, but her eyes were dull, and she could hardly see the black eyeballs in her eyes!

David held the spirit pen, took a breath, and lightly dipped it on the cinnabar!

When the tip of the pen touched the cinnabar, a faint fragrance wafted out, and the cinnabar disappeared, directly infiltrating the spirit pen!

"It's so fragrant, David, what did you take?"

Barbara's nose and ears are particularly sensitive because her eyes can't see!

"Mom, this is the elixir I asked for you on the mountain. It can cure your eyes. They said that it will definitely cure your eyes!"

David didn't tell Barbara the truth, he was afraid that Barbara would have a hard time accepting him as a cultivator!

"You kid, you must have been deceived. Those are all scams, you dare to believe it!"

Barbara complained to David, but she did not move. Deep down, Barbara still had a little bit of fantasy, fantasizing that the elixir David asked for could really cure her eyes!

Who doesn't want to see this colorful world? Although Chen Baoguo took her around the top of the mountain and explained it to her in the past two days, it was not as shocking as seeing it with his own eyes!

Barbara especially wanted to see Sonya at this time, and wanted to see what her future daughter-in-law would look like!

David held the spirit pen and lightly tapped Barbara's eyes: "Mom, it might hurt a little at first, you have to be patient!"

After David finished speaking, he tapped Barbara's other eye again!

"what..."

Barbara screamed and closed her eyes tightly, her expression a bit hideous and painful!

Hearing Barbara's exclamation, Chen Baoguo, who was sleeping in the room, came out wearing clothes!

"David, what happened to your mother?"

Chen Baoguo looked at Barbara's expression and asked in a panic.

"Dad, don't be nervous, I put medicine on Mom's eyes, and Mom's eyes will be able to see soon!"

David followed Chen Baoguo to explain!

Soon, the expression on Barbara's face slowly stretched, and the feeling of pain disappeared!

Slowly, Barbara opened her eyes.

When she opened her eyes, what caught Barbara's eyes was David and Chen Baoguo's father and son, their faces full of hope!

"David! I... I can really see it!"

Barbara's body was shaking with excitement, she stretched out her hands and gently stroked David's face!

"Mom, I said, it will definitely cure your eyes!"

David was very excited when he saw that his mother could see it!

Chapter 224

"Wife, you... can you really see it?"

Chen Baoguo's face was full of shock, and his hands shook in front of Barbara.

"Yes, I can see it!" Barbara nodded desperately: "Don't shake your hand in front of me, and your beard, I told you to shave once a day, look how long it is!"

Chen Baoguo touched his beard, his face instantly became excited, and he hugged Barbara: "Old lady, great, great, you can really see..."

Chen Baoguo, a macho man, was so excited that his eyes were red at this moment!

David smiled knowingly when he saw his parents happy. He had never seen his parents quarrel since he was a child. Although his father was macho and dogmatic, David could see his feelings for Barbara. It's just that Chen Baoguo doesn't like to express!

"What are you doing, my son is still watching!"

Barbara pushed Chen Baoguo a little shyly!

"Hahaha, old lady, I'll take you outside to see the scenery, it's very beautiful!"

Chen Baoguo laughed and pulled Barbara out to see the scenery on the top of the mountain.

"What makes you so happy?"

Sonya changed into a white dress and walked down!

Barbara looked around, and when she saw Sonya, she was stunned. She had imagined Sonya's appearance countless times.

But at this moment, Barbara was stunned. At this moment, she looked at Sonya, not only beautiful, but like a fairy.

"Sonya, you...you're so beautiful!"

Barbara couldn't help but praise!

Sonya, who went downstairs, heard Barbara's praise, and couldn't help but be stunned: "Auntie, you... can you read it?"

"Well, I can see it. I once imagined how beautiful you are, but now I see it, it's much more beautiful than I thought, it's like a fairy!"

Barbara stepped forward and took Sonya's hand and said.

Sonya blushed: "Auntie, don't praise me like that, I'm embarrassed!"

"Auntie is not praising you, you are really too beautiful, let Auntie take a good look!"

Barbara looked at Sonya carefully, making Sonya very embarrassed!

"Mom, isn't my dad going to take you out to see the night view, it just happens that it won't rain for a while, you go and have a look, it's very beautiful!"

David said to Barbara.

Barbara looks at it like this, it is estimated that Sonya will be embarrassed!

"Yes, I'll take you out to see. You can see the entire Horendel night scene here, it's very beautiful!"

Chen Baoguo stepped forward and grabbed Barbara and said.

Barbara was instantly moved when she heard it, and said to Sonya, "Sonya, it's too late today, don't leave, just sleep here, and auntie will make you breakfast tomorrow!"

Barbara was pulled away by Chen Baoguo, David looked at Sonya and asked, "You don't really want to sleep here, do you?"

"Of course it's true!" Sonya nodded: "I went upstairs to sleep, if I can't get up tomorrow, remember to call me!"

Watching Sonya go up the stairs, as she went higher and higher, Sonya's white thighs leaked more and more, David couldn't help swallowing a mouthful of saliva, turned and walked to his room. live!

Seeing that David was gone, Sonya couldn't help but turn her head and pouted angrily: "Fool..."

The next morning!

David is still immersed in his practice. After having the seven-star plate, David's practice speed is much faster!

During this period of time, the practice was delayed, and David had to hurry up to catch up.

It's just that with the increase in strength, David has more and more requirements for various resources!

For a whole night, the resentment stored in the seven-star disk consumed most of the spiritual energy, but David's strength did not increase much!

It's not as good as the Ganoderma lucidum from the beginning!

Chapter 225

"Get up, it's all the sun's rays, it's too lazy!"

Sonya slapped David's door hard!

David let out a sigh of relief and opened his eyes!

Looking at the somewhat dim seven-star disk, David sighed. He originally thought that with the seven-star disk, he could practice with peace of mind, but now it seems that he is still too naive!

Now, the resources stored in this seven-star disk may not be able to support even one night of cultivation!

It seems that in the future, we can only rely on the thin spiritual energy to cultivate a little bit, but if we want to improve the strength level, we have to wait until the year of the monkey and the month of the horse!

"Can't you?"

Sonya knocked on the door again!

David got out of bed and opened the door, Sonya glared at him: "The meal is ready, so don't go to dinner!"

"Oh!"

David snorted, and then walked directly to the restaurant, looking a little gloomy!

"I may not go to the company every day in the future..."

David has to hurry up to practice, it is impossible to go to the company to work every day, and he is now the chairman of the board, so he doesn't have to go every day.

Sonya was stunned for a moment, thinking that she had offended David!

Seeing Sonya's expression, David hurriedly explained: "I have a very important thing to do, and it is estimated that it will take a long time..."

"It's okay, the company is on the right track anyway!" Sonya smiled slightly.

After breakfast, Sonya left, she couldn't really live here forever, after all, she and David were not married yet!

They didn't even get engaged, and they didn't establish any relationship. The two just tacitly agreed with each other!

After Sonya left, someone brought David two bags of medicinal herbs, all of which he asked Sonya to prepare at the beginning. There were many hundred-year-old Ganoderma lucidum and ginseng in them. These two bags of medicinal herbs were probably worth millions!

When the bag was opened, David immediately felt a strong spiritual energy overflowing the entire room.

These precious medicinal materials contain a lot of spiritual energy, and David can't control it when he feels the strong spiritual energy. He wants to refine these medicinal materials into a spirit gathering pill!

In that case, a Spirit Gathering Pill would be more effective than David's practice for one night!

But in the end, he got it under control. These medicinal materials were to be used to make medicine pills for his mother and Ruben to cure diseases. What would they do if they were made into a spirit gathering pill?

Dispelling the idea of refining the spirit-gathering pill, David began to pinch his fingers and read the formula. A large amount of spiritual energy was running wildly in his dantian. Soon, a faint blue flame appeared from David's fingertips!

This is also the alchemy technique that Ervin taught him. This alchemy technique does not require a pill furnace to make medicinal pills, but one thing is that it consumes a lot of spiritual power. The more valuable the medicinal pills are, the more spiritual power is consumed. !

David doesn't have a pill furnace now, so he can only use this kind of spirit-consuming alchemy technique to make pills!

About an hour later, three medicinal pills appeared in David's hand!

One of the smallest pills is a cohesive pill made by David using the remaining medicinal materials. This kind of cohesive pill is very common, and it is not a precious pill, but after eating it, it can make people concentrate their energy and concentrate their energy. , the power has increased a lot in an instant!

After thinking for a while, David called Lin Tianhu and was about to give Lin Tianhu the coelidan!

After all, Lin Tianhu is also his subordinate. He is always beaten, and he is also ashamed!

After receiving a call from David, Lin Tianhu was about to go to Pine Bay to meet David!

"You don't need to come, I'll just go to you, where are you now?"

David didn't want Lin Tianhu to come to the house. After all, his parents were there, so it was not very convenient!

"Mr. Chen, I am in the private room 307 of the Pastoral Restaurant on Hongfu Street!"

Lin Tianhu said immediately.

"Okay, wait for me!"

After David finished speaking, he hung up the phone!

David knew about Hongfu Street, which is the largest food street in Horendel, with many restaurants and teahouses.

Following Barbara's announcement that she was not at home for lunch, David went out and took a taxi directly to the Tianyuan Restaurant.

In addition to giving Lin Tianhu the medicinal pill, David also talked to Lin Tianhu about some things!

Chapter 226

The taxi stopped in front of the pastoral restaurant. After David got out of the car, he gave the driver the fare, and the taxi left!

There are a lot of luxury cars parked in front of the pastoral restaurant. At this time, a Mercedes-Benz C just parked in front of David!

"Damn, isn't this David? When did you come out? I heard that he was imprisoned?"

After the window was rolled down, a young man with ear studs stuck his head out!

This person is David's college classmate, his name is Yuan Hua. When he was in school, Yuan Hua's family conditions were good. His family owned a small factory.

"David, isn't it too shabby for you to dress like this at a class reunion?"

A girl in the co-pilot also turned her head and looked at David with contempt.

This girl is also a classmate of David, called Liu Jiajia. She was with Yuan Hua when she was in college, and she is still together now!

David didn't wear the clothes that Sonya bought for him today. Although that suit was very valuable, David was always awkward to wear it, and it was not as comfortable as his old casual clothes!

"Okay, he just got out of prison, it's good to have clothes on, I guess this is the best in his family!"

After Yuan Hua finished speaking, after parking the car, he got out of the car and looked at David: "Who informed you about this class reunion? I don't remember someone calling you?"

"I'm not here for some class reunion!"

After David finished speaking, he walked towards the pastoral restaurant!

"I didn't come to the party, are you still here for dinner? You don't look like you can eat here? I'd better admit it, did you hear that there is a class reunion and come over for a meal? It's not ashamed, they are all classmates, there is nothing to be ashamed of, this meal was invited by Jiang Wenjing. I heard that Delia from our class also came. Delia is now the young grandma of the Xiao family, so I can have a chance to eat with her. Not much!"

Liu Jiajia stopped David and sneered.

“Liu Jijia, did you really forget, or did you fake it, that Delia used to be David’s girlfriend, but now she is the young grandmother of the Xiao family, how can David have the face to see her.

”

Yuan Hua raised his eyebrows, yin and yang strangely said.

“Oh, when I think about it, David seems to be sent to prison by Mr. Xiao. If he goes to the class reunion again, he is misunderstood by Mr. Xiao and sent him in, then it is not worth it. No wonder she doesn’t Dare to participate!”

Liu Jijia stepped aside: “Go in, find a place to squat, and when we finish eating, you will take the leftovers with you!”

Seeing Liu Jijia and Na Yuan Hua sneering at him, David suddenly smiled bitterly: “Let’s go, I’ll go to the class reunion with you!”

He knew that these two people were provoking him. In this case, David also wanted to see how powerful his classmates were!

Seeing that David couldn’t stand the excitement and was fooled, Liu Jijia and Yuan Hua smiled at each other!

The reason why they tried so hard to invite David was to step on him at the class reunion, so as to leave a good impression on Delia!

Now Delia is the young mistress of the Xiao family, and Yuan Hua’s company is working with the Xiao family, so he hopes to get more projects from the Xiao family through Delia.

The two took David to the box, and after opening the door, they found that there were seven or eight people sitting inside, including Jiang Wenjing, who was treating guests!

"Huazi, you two came too late, and you will be punished with three cups in a while!"

"I heard that you bought a Mercedes-Benz? It's really cool. You drove a Mercedes-Benz when you were young!"

"You and Liu Jiajia really got together, I thought you would split up after graduation!"

After entering, many people followed Yuan Hua to say hello, how can Yuan Hua be a small boss now!

Chapter 227

"David, why are you here?"

Jiang Wenjing frowned after seeing David. Some time ago, after Fu Wei and several others were beaten by David, Jiang Wenjing became much more honest.

"Oh, we met him outside, so we called in together. Anyway, we are all classmates, and we all know him!"

Yuan Hua said with a faint smile!

At this time, everyone found David behind Yuan Hua. Looking at David's outfit, everyone showed a bit of contempt in their eyes. Only one boy stood up and said a little excitedly: "Brother Chen, when will you come out? of?"

Obviously, this boy also knew about David's imprisonment.

"Gazi? Are you there too?"

David was slightly surprised when he saw this boy!

This boy's name is Chen Erga, he is also a classmate of David, and he lives in the same dormitory with David. Because they both have the last name of Chen, they have a good relationship.

However, when he was in school, Chen Erga's family conditions were not very good, and he was often rescued by David, so David did not expect that Chen Erga would participate in this class reunion. After all, the current class reunion has already changed its nature. It was run by rich people and then used to show off.

"Brother Chen, I haven't seen you for several years. I miss you so much, hurry up and sit down!"

Chen Erga pulled David to sit down beside him, and then asked excitedly, "Brother Chen, you've already come out, don't tell your brother, so I can go and clean up the dust for you!"

"I just came out a few days ago. It's too troublesome, so I didn't bother you!"

David smiled slightly, and his mood was much better. He originally promised Yuan Hua to attend the class reunion, just to see how snobbish the classmates were, so that he could slap them in the face, but now seeing Chen Erga, David felt that he really came right.

"Eating at a table with the prisoners of labor reform, is he really unlucky!"

Some classmates whispered, but everyone could hear it!

Of course, David was no exception. He gave the classmate a cold look, but he didn't get angry, while the other classmates all looked at David with a sneer!

Chen Erga looked embarrassed, and hurriedly pulled David and said, "Brother Chen, have you just come out, have you found a job?"

"Not yet!" David shook his head.

"Why don't you follow me? I have a small contractor team under my command. I am the captain. Although the work is hard, how can I earn three or five hundred yuan a day!"

The reason why Chen Erga came to participate in this party is to be able to rely on the relationship with classmates and contact the engineering staff!

"Erga, the president of our dignified student union, will you do that rough work with you? You are also called the contract labor team? You are also the captain of the motherfucker, and there are a few migrant workers under his command. Do you feel like you're very arrogant?"

Yuan Hua was smoking a cigarette, put the Mercedes-Benz car key in front of him, and asked Chen Erga with disdain.

Chen Erga suddenly smiled bitterly, and hurriedly said: "Follow Brother Hua, of course I don't count anything, and I will count on Brother Hua to reward brother for a bite to eat in the future!"

Chen Erga smiled, and politely found Yuan Hua's cigarette light!

Yuan Hua enjoyed Chen Erga's attitude very much, nodded and said, "It's easy to say, just one of my projects will be enough for you to eat for a year!"

"Thank you so much, Brother Hua, this is my business card!"

Chen Erga handed the business card to Yuan Hua, and Yuan Hua just glanced at it and threw it on the table!

Yuan Hua took a deep breath of cigarette, and then spit at David: "David, you were also the president of the student union back then, and for the sake of our classmates, I will find you a security position in our company, a How about the month 3000? This way I can replace the Tibetan Mastiff who guards the door. You must know that my Tibetan Mastiff is not cheap, it is a pity to guard the door!"

As soon as Yuan Hua's words fell, everyone laughed.

And that Jiang Wenjing also laughed the most. At first, she still hated David, but now it seems that David is really right, otherwise how can you see David embarrassed!

Chapter 228

"Yuan Hua, David is much more powerful than your Tibetan Mastiff. He learned a little kung fu in prison, but he was so good, he even broke our class Fu Wei's leg!"

Jiang Wenjing said with a sneer at this time.

When they heard that David had broken Fu Wei's leg, several classmates looked at David in disbelief!

"Being able to break Fu Wei's leg is really better than my Tibetan Mastiff. It looks like I need to give him some extra money!"

Yuan Hua looked at David and smiled coldly!

"Believe it or not, I broke your leg too?"

David looked at Yuan Hua and said indifferently.

"What the fuck did you say? Say something else if you have the ability?"

As soon as Yuan Hua heard it, he stood up and grabbed a wine bottle, glared at David and asked.

"Brother Hua, don't be angry, don't be angry, Brother Chen is joking with you!"

Seeing that Yuan Hua was angry, Chen Erga hurriedly stood up to stop him and said he was okay!

"Huazi, this is Hongfu Street. The whole street is covered by Tiger Lord, and this pastoral restaurant is also owned by Tiger Lord. You are making trouble here, be careful to offend Tiger Tiger!"

A classmate persuaded Yuan Hua!

"What are you afraid of? My cousin is the manager of this pastoral restaurant. I can do whatever I want here!"

Yuan Hua said with a look of disdain.

Hearing what Yuan Hua said, all the classmates cast envious glances.

"Huazi is really awesome, and he has such a powerful cousin!"

"In this way, cousin Hua Zi is a man of Lord Tiger, and this position is not ordinary!"

"Now I can feel at ease. With Hua Zi here, we can walk sideways!"

Everyone was touting Yuan Hua, but Yuan Hua had a smug look on his face: "In the future, if you go to Hongfu Street again, if something happens, call me, and I can settle everything for you!"

"My wedding with Jiajia is also going to be held here. Everyone will come to support!"

"It's definitely, we're definitely going to..."

All the classmates nodded desperately, and Jiang Wenjing also understood why Yuan Hua recommended her to come here for a class reunion!

It seems that this meal does not cost much, and it may be free!

Thinking of this, Jiang Wenjing was overjoyed!

At this time, Lin Tianhu called David and waited for David. Seeing that Lin Tianhu had not come yet, he wanted to call and ask.

"Mr. Chen, are you here yet?"

Lin Tianhu asked in a low voice.

"Wait!"

David just said two words and hung up the phone!

"Brother Chen, who is calling, is there something to call you? If there is something, then go!"

Chen Erga is looking for a step for David. David has offended Yuan Hua. If he stays, it will be of no benefit!

"It's okay, Lin Tianhu is calling!"

David put away the phone.

"Lin Tianhu?" Chen Erga was stunned and felt that the name was familiar, but he couldn't remember it for a while, but soon Chen Erga remembered it and asked casually, "Is that the owner of this pastoral restaurant, Lin Tianhu?"

"It should be him!" David nodded.

The reason why David is not sure is because he really doesn't know what other properties are under Lin Tianhu's name, he only knows that Lin Tianhu manages Juyitang.

But thinking about such a big hall, if there is no industry under the name, there is really no way to develop, so it is not surprising that Lin Tianhu has a restaurant under his name!

"puff..."

"Hahaha... You're fcking making me laugh. You said that Lord Tiger called you, and then you asked Lord Tiger to wait? There's no such thing as you pretending to be coercive. I'll pretend to be a bit more like it in the future!"

Yuan Hua just took a sip of water and sprayed it out!

The other classmates also burst into laughter, and Liu Jiajia squinted her Danfeng eyes and said, "I think you are so virtuous. I'm afraid you haven't even seen Lord Tiger's face. How dare you say that Lord Tiger called you?"

Among these people, only Jiang Wenjing knew that David had met Lin Tianhu at Delia's wedding!

But what is the relationship between David and Lin Tianhu, she doesn't know.

Chapter 229

Chen Erga regretted what he had just asked, and looked at David apologetically, but David's face didn't change much!

crunch...

At this moment, the box door was pushed open, and Delia came in wearing a gorgeous dress and stepping on high heels, looking like a jewel!

"Delia is here? It's getting more and more beautiful!"

"Delia's clothes are expensive, right? And this chain and earrings!"

"Sure enough, she's a rich young lady, and she's dressed differently from us!"

Seeing Delia coming, many classmates got up and complimented, which also made Delia very enjoy!

In fact, her outfit is only cheap, and the jewelry is fake. Jordan kicked her and took back all the things she gave, including the wedding room in Pine Bay. Otherwise, she wouldn't be in the rain at night. Go to David to reunite!

This time, when I came to the class reunion, Delia specially prepared some fakes. She knew that these classmates were still in the dark, and she didn't know that she had been kicked by Jordan!

All the classmates stood up when they saw Delia, only David was still sitting and took a sip of tea!

"David?"

Delia also found David sitting at this time, and was suddenly surprised!

No one told her that David would attend the class reunion!

"Delia, it was Yuan Hua who met David and called them together, don't mind!" Seeing Delia's surprised expression, Jiang Wenjing hurried over and gave Delia a hand, and then whispered in Delia's ear. Whispered: "This guy is here just in time, let him embarrass himself in front of his classmates, so that he can vent his anger!"

"Jiang Wenjing, don't be fooled!" Delia glared at Jiang Wenjing and exhorted Jiang Wenjing!

Delia doesn't know what David's identity is now, but she knows that the people around David are big people, even the Xiao family can't compare to big people!

Jiang Wenjing was stunned for a moment, and looked at Delia in disbelief, not understanding what Delia meant!

At this time, Delia had already walked to David's side, then pushed Chen Erga who was sitting beside David and said, "Get out of the way, I will sit next to David!"

"Good good..."

How dare Chen Erga offend Delia, he hurriedly nodded and got up!

But just got up, he was pulled by David, then looked at Delia coldly and said, "I hate the smell on you, get away..."

When David's words landed, everyone was shocked, even Chen Erga looked at David in disbelief!

Now Delia is the young lady of the Xiao family, how dare he talk to Delia like this?

"David, how the hell are you talking? You're talking to Delia like that. Believe it or not, I've ruined you?"

Seeing this, Yuan Hua realized that this was a good opportunity to curry favor with Delia, and immediately roared at David!

But then, Delia's reaction was beyond everyone's expectations!

I saw Delia looked at Yuan Hua and roared coldly: "Shut up for me, can you say something to David too?"

Yuan Hua was an idiot, he didn't understand what was going on!

After Delia reprimanded Yuan Hua, she showed a wry smile and whispered softly to David, "Then I will sit farther away, be opposite you, and be able to watch you all the time!"

After Delia finished speaking, she really sat across from David, with a smile on her face, she seemed quite happy!

"Delia, are you alright?"

Jiang Wenjing asked in Delia's ear dumbfounded.

“Shut up for me!” Delia glared at her impatiently, afraid of Jiang Wenjing’s bad things!

Soon, the wine and food were served, and everyone started to eat and drink. All of them started to attack Delia, toasting and serving food, but no one paid any attention to David and Chen Erga!

Only Delia tried desperately to let David eat, and persuaded David to drink less, hurt his body, and pretend to be virtuous!

David ignored her. David knew very well what Delia was like!

Chapter 230

Everyone was puzzled by Delia’s behavior, but they didn’t care too much. They all thought that Delia was using this method to humiliate David and wanted to let David know that such a virtuous girlfriend is now someone else wife!

After three rounds of wine and five flavors of food, some of the classmates were already drunk!

Yuan Hua was also blushing, and when he was in high spirits, he followed Delia with a glass of wine and said, “Delia, let’s meet with old classmates. I’m working with the Xiao family now. You are the young grandma of the Xiao family. Just a few words, help me get some more projects? The old classmates are very grateful here!”

After Yuan Hua finished speaking, he drank it all!

Yuan Hua started together, and other classmates also begged Delia to do errands, some wanted to find a job, and some wanted to buy a house. After all, they came to participate in the alumni reunion and touted Delia for a purpose!

Delia is extremely embarrassed at this time, but she can't directly say that she has nothing to do with Jordan, it would be too embarrassing, and these classmates will change their attitudes in an instant. The reason why they respect her so much now is because of Jordan. Family!

"I'll see, I'll see..."

Delia could only agree with an embarrassed face.

"Delia, let's get together with old classmates, why don't you invite Mr. Xiao as well? Several of our classmates have never seen Mr. Xiao!"

Jiang Wenjing suggested!

As soon as Jiang Wenjing said it, many students followed suit!

"Yes, I haven't seen what Young Master Xiao looks like, he must be a handsome guy!"

"Being able to have a meal with the eldest son of the Xiao family, this time some of them are blown away!"

"Delia, please invite Mr. Xiao, I have invited you for this meal. I'm ordering food and a good bottle of wine..."

Yuan Hua followed Delia excitedly.

"He's not available!"

Delia squeezed out a wry smile and said awkwardly.

"Delia, Young Master Xiao listens to you the most. If you let him come, can he not come? Besides, if you say that David is here, Young Master Xiao will definitely come!"

Jiang Wenjing desperately persuaded Delia, because as long as Jordan came, she would not have to pay for it herself, Yuan Hua would pay for it!

Delia hated this Jiang Wenjing to death at this time, and could not wait to strangle her to death!

"He really doesn't have time, he's very busy!"

Delia just didn't scream after being bitten to death.

"Delia, you look down on us classmates too much. It's okay to let Young Master Xiao come over and show his face, it won't take a few minutes!"

Jiang Wenjing was also anxious, because she was better than Delia, so her tone was a bit heavy!

Delia kept her mouth shut. She didn't have the ability to call Jordan now, and she was afraid that she would get a bad scolding after getting through the phone!

Just when all the classmates persuaded Delia and Delia was indifferent, David spoke lightly!

"Call Jordan and ask him to come over!"

David didn't even look at Delia, more like talking with the air.

Everyone was stunned and looked at David, but Yuan Hua sneered and planned to ridicule David!

But before the words could be said, he saw Delia took out her cell phone in embarrassment, and then made a call!

Soon the call was connected, and Delia walked to the corner of the box!

“Stinky b!tch, didn’t I fcuking say that you are not allowed to call me, believe it or not, I broke your leg?”

Jordan’s roar came from the opposite side!

Ever since he came back that day, Jordan has been worried all day, for fear that David will deal with him, and his father Xiao Yan is even more worried, trying to find a way to ease the relationship between the Xiao family and David, although it is not too late for a gentleman to take revenge for ten years. , but also for that long.

If David made a move against the Xiao family now, the Xiao family would really be over. Big men like Gu Wentian and Lin Tianhu both respected David, so what was their Xiao family?

With just one word from David, the Xiao family is about to fall!

“Jordan, I... I’m attending a class reunion, I hope you can come too!”

Delia said while trembling slightly.

“Participate in your paralysis, Lao Tzu...”

“David is here, he asked me to call you!”

Delia hurriedly moved David out.
