

# A Man Like None Other

## Novel

---

### Chapter 301

"Okay!" Lin Tianhu nodded!

But just when Lin Tianhu was driving the car to find a repair shop, he found a red Mercedes-Benz C following them all the time!

"Mr. Chen, there is a situation..."

Lin Tianhu glanced at the rearview mirror and said.

David glanced back in the car, and hurriedly turned his head back: "Driving to a remote place, there are too many people on the street here!"

Lin Tianhu suddenly steered towards the outskirts of Yuncheng, and the red Mercedes Benz also hurriedly steered and followed!

Sonya saw another car following them, her face became a little ugly, and her whole body trembled slightly!

David put one arm around Sonya's shoulder and comforted softly, "Don't worry, everything will be fine!"

Soon the car drove to a relatively remote place, Lin Tianhu stopped the car, and the red Mercedes-Benz also braked suddenly and stopped behind!

David and the others got out of the car, because Sonya was afraid, David's hand was always on Sonya's shoulder, and he held her in his arms.

At this time, a girl stepped down from the driver's seat of the red Mercedes-Benz. The girl had short hair, delicate facial features, and a round face that looked like a doll!

After the girl got out of the car, David and Lin Tianhu were both stunned. Such a girl doesn't look like a killer no matter what!

The girl held a wrench in her hand and looked at David and Lin Tianhu with a bit of horror in her eyes.

"Who are you, let go of my cousin, I've already called the police..."

The girl pointed at David with a wrench, but her hands were shaking badly!

David and Lin Tianhu were stunned for a moment, and they all looked at Sonya involuntarily. At this time, Sonya's eyes were full of tears, and she was too excited to speak.

"Feifei, you have risen so high, I don't even recognize you!"

As Sonya said that, she ran directly towards the girl and hugged the girl!

This time, the girl was stunned, looked at David, and then at Sonya, a little dumbfounded!

"Sister Sonya, you... haven't you been kidnapped by these two villains?"

the girl asked.

"Kidnapping?" Sonya was stunned for a moment, then burst out laughing:  
"What kidnapping? These two are my friends, let me introduce you to them!"

Sonya took the girl to David: "This is my cousin Gu Yufei. The two are called David and the other is Lin Tianhu!"

"Hello!" David extended his hand generously!

Gu Yufei blushed with embarrassment, and shook hands with David: "I'm so sorry, I thought you were bad people!"

It turned out that Gu Yufei happened to see David and the others when she was driving. She saw Sonya in the car, and David put her arm around her shoulders at the time. Sonya's face was not very good-looking, and the back of David's car was smashed into pieces. Gu Yufei thought Sonya was kidnapped!

So while calling the police, I drove up to follow. It turned out to be a misunderstanding!

"It's alright, the misunderstanding is cleared up. We thought you were a bad person just now, and it scared me to death!"

Sonya said happily.

"Sister Sonya, what happened to your car? What are you doing here in Yuncheng?"

Gu Yufei asked with a puzzled expression.

"Let's come over to buy some medicinal materials. As for the car, it's a long story. I'll tell you later!"

Sonya didn't want to talk too much with Gu Yufei, and didn't want her to know too much. After all, knowing more was not good for her!

"Then get into my car. My sister is waiting for me to eat together. If she knew you were here, she would be very happy!"

Gu Yufei didn't ask any further questions, and pulled Sonya into her car!

David took a look and said to Lin Tianhu: "Go and fix the car, we will call you then!"

Lin Tianhu nodded and drove away, while David also got into Gu Yufei's car and sat in the back seat!

## Chapter 302

Gu Yufei and Sonya hadn't seen each other for several years, and the two of them chatted endlessly!

"Sister Sonya, which group's son is your boyfriend from?"

Gu Yufei asked.

"He's not my boyfriend!" Sonya shook her head.

"Take it down, I've seen it all. He's not your boyfriend. You'll sit with him and let him hug you? Did you run out without telling your uncle?"

Gu Yufei smiled playfully at Sonya.

"No, my dad knew that we came to Yuncheng!" Sonya hurriedly explained.

Otherwise, Gu Yufei might take Sonya as an elopement, and she will call Ruben!

"Handsome guy, which group's son-in-law are you from? You can make my sister Sonya fancy, it seems that you have some skills!"

Gu Yufei was no longer afraid at this time, and asked David with a playful look.

David smiled lightly: "I'm not the son of any group, and now I'm an unemployed vagabond. It's your cousin who supports me. She bought my clothes!"

The suit David is wearing now was indeed bought by Sonya!

"Little white face?" Gu Yufei was stunned, and the words "little white face" blurted out!

"Feifei, don't talk nonsense!" Sonya hurriedly glared at Gu Yufei, and then looked at David apologetically: "David, my cousin has this personality, don't mind!"

David smiled slightly: "This character is very good, I like it!"

"It's no use liking me, I'm your sister-in-law!" Gu Yufei said playfully.

David smiled helplessly, although this Gu Yufei said hurt people, but she had a straight temper and a good heart, which was similar to Sonya!

Gu Yufei quickly drove to a western restaurant, parked the car, and walked in with David and Sonya!

On a table near the corner, a woman with big waves and a pair of sunglasses hanging on her chest is looking at her phone intently, with the charm of a professional woman!

"Sister, look who's here!"

Gu Yufei walked up to the woman and said excitedly.

The woman looked up and was slightly taken aback, while Sonya hurriedly shouted, "Sister Yuyao, can you still recognize me?"

"Sonya, why did you come to Yuncheng? Hurry up and sit down!"

Gu Yuyao hurriedly stood up and asked happily.

"My friends and I came to Yuncheng to buy some medicinal herbs!"

Sonya said and sat beside Gu Yuyao.

Only then did Gu Yuyao find David, looked up and down, nodded slightly, and stretched out her hand: "My name is Gu Yuyao, Sonya's cousin!"

"My name is David Chen, Sonya's friend!"

David hurriedly reached out and shook hands with Gu Yuyao!

After being seated, Gu Yuyao looked at Sonya with a slight smile, and asked in a low voice, "Sonya, which son is this? He looks very energetic, not bad!"

"Sister, don't ask, I'll tell you..."

Gu Yufei pulled Gu Yuyao, and then whispered a few words in her ear, not knowing what to say!

I don't know what Gu Yufei said, but Gu Yuyao's face became more and more ugly, and the look in David's eyes also changed!

"Sonya, you must be careful when making a boyfriend. With your current conditions, I believe that many people will pursue you. You are still young, so keep your eyes open, don't be deceived by some people, and get married in the future. It's too late to regret it!"

Gu Yuyao looked at Sonya and said, but obviously this is for David to hear!

"Sister Yuyao, you misunderstood, actually..."

"No need to explain, I understand everything, and I came from your age!"

Before Sonya finished speaking, Gu Yuyao interrupted Sonya's words, and then looked at David and said, "What's wrong with those who have hands and feet, is soft rice so delicious?"

# Chapter 303

Seeing Gu Yuyao suddenly targeting him, David looked helpless, and he didn't even know how to answer her!

"Yuyao, who eats soft rice? Are there still men who eat soft rice in this society?"

At this time, a handsome boy with a height of 1.8 meters came over.

"Brother Zhigang, why are you here? You are late for every meal!"

Seeing the boy, Gu Yufei said with a smile on her face.

"I just talked about some business, so I was delayed. It's the old rule. I'm late. I'll pay for it today. You can order whatever you want!"

The boy smiled and then looked at Sonya.

"This is my cousin Sonya, this is my cousin's boyfriend David..."

Gu Yufei followed the boy and introduced it!

"My name is He Zhigang, Yuyao's boyfriend!"

He Zhigang stretched out his hand, and the gentleman followed Sonya and David and shook hands!

Gu Yufei gave up her seat and let He Zhigang sit with Gu Yuyao!

"What did you talk about just now? You even talked about eating soft rice!"

After sitting down, He Zhigang asked Gu Yuyao.

"It's just a casual remark. My cousin, the daughter of the richest man in Horendel, has found a freelancer. She doesn't have a job at all. The clothes still need my cousin to buy the guy. Do you think this is not a soft meal?"

Gu Yuyao sighed and said, there is a big meaning of hating iron for not becoming steel!

David's face changed slightly, although Gu Yuyao was doing it for Sonya's good, but when he said this again and again, David also got a little angry!

He Zhigang also saw that David's face was wrong, so he said to Gu Yuyao: "You can't say that, how can there be so many good families in the world, I think this David brother is extraordinary, as long as you have the ability and are willing to do it, you can't guarantee it. One day you will turn over, so don't look down on anyone!"

After He Zhigang finished speaking, he nodded apologetically towards David: "Brother David, don't mind, their sisters are too straight and easy to hurt!"

"No, it's all from my own family, and my cousin is also for Sonya's good!"

David had a good impression of He Zhigang, and the anger in his heart also dissipated a lot.

"Let's order and eat, I invite you today, don't save any of you for me!"

He Zhigang said, called the waiter and started ordering!

Soon, a table was full, and several people were eating and chatting. During the conversation, David realized that this He Zhigang is easy-going, but his identity is not simple, but the son of the famous Renhetang in Yuncheng!

You must know that Renhetang can be ranked in the top three in Yuncheng. There are 18 pharmacies that specialize in the recovery and sales of medicinal materials. It is quite influential in the entire Yuncheng!

Listening to He Zhigang's conversation, David felt that the term rich second generation was not necessarily a derogatory term, but who should be assigned it.

"Brother David, when you come to Yuncheng this time, are you going to visit or just walk around?"

He Zhigang asked David.

The two of them are considered to be brother-in-law, so there should be more exchanges!

"I'm going to come over to buy a batch of medicinal materials!"

David said truthfully.

"That's fine, if you want any medicinal materials, just tell me that our Renhetang has all the medicinal materials you want, and they all have quality assurance. With our relationship, I will give you the lowest price. In fact, if you really want to do this business, You can also make a lot of money by reselling medicinal materials!"

He Zhigang misunderstood David and thought that David wanted to be a drug dealer!

"That's not what I meant. I'm planning to buy some medicinal materials for my own use. At least it should be a hundred-year-old ginseng, a hundred-year-old Ganoderma lucidum, etc. If there is a thousand-year old age, that would be great!"

David smiled lightly.

He Zhigang was stunned for a moment, while Gu Yuyao sneered: "Did you have water in your head? Do you know how much money you are talking about? Especially the thousand-year-old Ginseng Ganoderma Lucidum, that's all The sky-high price, I'm afraid it will sell you, you can't afford it!"

David did not speak, and there is no need to explain!

## Chapter 304

After being stunned for a while, He Zhigang said to David earnestly: "Brother David, I can understand your desire to do big business, but the things you said, even in Yuncheng, are priceless treasures. , Although the Su family is rich, they may not be able to do this. If you don't know how to do it, you are afraid that you will be deceived and ruin your family!"

"Brother He, thank you for reminding me, I have my own measure!"

David followed He Zhigang to thank him!

Seeing that David seemed to have made up his mind, He Zhigang no longer persuaded him, but said: "Brother David, you just came to Yuncheng, take a rest first, go to Renhetang Main Store tomorrow to find me, and I will accompany you for a walk. , you get to know yourself first, with me by your side, no one will lie to you.

"

"What are you doing with him? Aren't you busy? This kind of guy with high eyes and low hands, he can't do anything. With one mouth, he is a hundred-year-old ginseng. Does he know how to distinguish a hundred-year-old ginseng?"

The more Gu Yuyao looks at David now, the less pleasing to the eye!

"Okay, since we've come all the way, we should always accompany us!"

He Zhigang smiled slightly.

"I want to accompany you, I don't have time, I have to go to work!" Gu Yuyao frowned and saw Sonya said: "Sonya, you need more attention yourself, but if others ask you to pay, you will pay !"

"I know my cousin!" Sonya nodded.

After eating, a few people greeted each other and prepared to say goodbye, and then David and Sonya went to find a place to live.

Gu Yuyao wanted Sonya to live in her house, but considering David, Sonya refused!

As soon as he walked out of the door of the restaurant, Lin Tianhu greeted him, and the car had been repaired!

"This is my friend Lin Tianhu!"

Seeing Lin Tianhu approaching, David introduced He Zhigang.

"Hello, my name is He Zhigang!" He Zhigang shook hands with Lin Tianhu!

"Brother David, I heard that you have an underground emperor in Horendel called Lin Tianhu. He is called Lord Tiger. He is very powerful in Horendel. There are hundreds of people under him. This brother's name is the same as Lord Tiger!"

He Zhigang was a little surprised.

"There are so many names that are the same, can Lord Tiger give him a car with a soft meal? What are you thinking!"

Gu Yuyao said with a look of disdain!

As soon as Sonya heard it, she opened her mouth and wanted to explain to her cousin that the Lin Tianhu in front of her was the Tiger Lord in their mouths!

It's just that he didn't open his mouth, but was stopped by David with his eyes, and then he smiled and said: "It's just the same name, it's just the same name..."

David didn't want too many people to notice their whereabouts. If Lin Tianhu's identity was also revealed, many people in Yuncheng would look at them!

After the restaurant was separated, David and the others found a hotel and directly booked three rooms, one for each person, but David hoped to book two, saying it was to save some money, but Sonya disagreed!

All the way, the boats and cars were exhausted, and there were people from the Wei family chasing and killing them. They were all tired, so they all fell asleep when they lay down!

At this time, in the Wei family, the provincial capital, Wei Kun'an was walking uncomfortably!

It's been more than half a day, but there is no news at all. He called and contacted his own people!

Wei Kun'an's face became more and more ugly, and the uneasiness in his heart became stronger. He knew that something must have happened to his subordinates, otherwise he would not be able to contact him!

"Fuber!"

Wei Kunan shouted!

"Master!" A hunched, thin old man walked in!

This old man is the old housekeeper of the Wei family. From Wei Kun'an's father's generation, Uncle Fu has been the housekeeper in the Wei family. Now that he is old, although he is no longer the housekeeper, the Wei family still takes Uncle Fu as its own, and still lets He stayed in the Wei family to retire!

# Chapter 305

Back then, the Wei family was once sought revenge by the enemy family. Hundreds of people besieged the Wei family. Dozens of members of the Wei family were at stake. In the end, they relied on Uncle Fu to repel those enemies. Since then, the Wei family has Faber became his own family!

"Uncle Fu, you take a few people to Yuncheng, and you must bring the guy who has deposed the young master. If you can't capture it alive, even the corpse will be brought back to me. If this matter is not handled well, I am afraid that the Jiang family will be even worse. Look down on my Wei family!"

No matter what, Wei Kun'an wants to get rid of David now, otherwise he will be scolded by his wife all day long and looked down upon by the Jiang family, and he will not dare to talk back!

"Don't worry, my lord, I will definitely bring someone to you!"

Fubo nodded, then turned around and walked out!

The next morning!

David and the others just got up and had breakfast at the hotel when Gu Yufei drove over!

"Sister Sonya, Brother Zhigang is afraid that you don't know each other, so let me come and take you there!"

Gu Yufei said to Sonya.

"Okay, then let's go!"

Sonya nodded.

"Sister Sonya, you won't sleep with your boyfriend at night, will you?"

Gu Yufei walked up to Sonya and whispered.

“What nonsense, we each have a room!”

Sonya glared at Gu Yufei!

With Gu Yufei leading the way, David and the others soon arrived at the head office of Renhetang!

The location of this store in the city center covers an area of thousands of square meters, which shows that the strength of this Renhetang cannot be underestimated!

Just after entering the door, the waiter at the door of the store politely said to Gu Yufei: “Miss Gu, we have ordered him, after you come, you can go directly to the back hall to find him!”

“Got it!” Gu Yufei nodded and waved at Sonya: “Sister Sonya, let’s go to the back hall!”

David and Lin Tianhu followed behind the two girls. At this time, David looked at the entire Renhetang. Although it was morning, there were already many guests coming in and out, some inspecting the goods, and some bargaining.

In the hall of Renhetang, there are no less than a thousand kinds of medicinal herbs, each of which is displayed in the showcase, and they are all attached with the names and effects of the medicinal herbs, which is enough to see that Renhetang is very formal!

David felt it secretly, and found that the medicinal materials in this place were all ordinary things, and they could not sense the fluctuation of spiritual energy at all, but it was right to think about it, who would put the precious medicinal materials in the hall like this.

After passing through the hall and another corridor, David and the others arrived at the lobby at the back. On both sides of the lobby are warehouses, which are filled with bags of medicinal herbs!

"Brother David, you are here..."

Seeing that David and the others arrived, He Zhigang hurriedly greeted them with a smile: "You guys are sitting down now, I have a guest to entertain, and when the reception is over, I'll take you around!"

"Brother He, don't worry, you are busy first!" David smiled slightly.

He Zhigang nodded: "Come on, have a few cups of tea!"

After sending someone to serve tea to David and the others, He Zhigang left. At this time, a middle-aged man was sitting at the table of the Eight Immortals in the middle of the lobby. He Zhigang sat directly opposite the middle-aged man!

The two were talking, and there was an exquisite wooden box on the table of the Eight Immortals, it seemed that they were doing a deal!

David sat down, took a sip of tea, and looked around a little bored.

"Mr. He, this is an old mountain ginseng that is more than 100 years old. Look at the quality, the head, and the ginseng whiskers. This is definitely a top-grade mountain ginseng. It costs you 20 million, a little bit. It's not much, if you Renhetang doesn't accept it, I can go to Tongrentang, they will definitely accept it at 20 million!"

The middle-aged man suddenly raised his voice and said to He Zhigang.
