

A Man Like None Other Novel

Chapter 431 – 432

Chapter 431

“Master, two brothers, you are here...”

Seeing this, Wuxi hurried up to meet him.

There were also many people in the corridor, and they greeted the old man after seeing the old man.

The old man nodded slightly as a return gift, there was no smile on his face, and he looked a little arrogant!

“Master, let me introduce to you, this is Mr. Chen...”

Wu Xi hurriedly followed the old man to introduce David!

David smiled slightly, nodded towards the old man and said hello, but the old man just glanced at David, but did not respond, and then said to Wu Xi: “Wu Xi, you are my Baji now. A disciple of boxing, who represents my Bajiquan face outside, how can I call anyone Mr.

When Wu Xi heard this, Zhang Kou quickly explained: “Master, no, it’s Chen...”

“Junior Brother Wuxi, what Master taught you is very right. You will represent my Bajiquan in the future. You must have a bit of backbone. At this martial arts gathering, Master hopes that you can win the championship. Don’t embarrass me in Bajiquan!”

said the thin young man.

“Senior brother, this time, Mr. Chen is also participating in the martial arts gathering. I am afraid that there is no one else’s share for this champion!”

Wu Xi said embarrassedly!

David’s strength, Wu Xi has seen with his own eyes, if David comes to power, the champion will be David!

“Wuxi, are you scared?” The old man frowned slightly: “I tell you, this time you have to win the championship for me, otherwise don’t blame the teacher for expelling you from the door!”

The old man snorted coldly, ignored Wu Xi, and walked directly to the room at the end of the corridor. The thin young man followed behind the old man, and when he passed by David, a burst of coercion suddenly erupted towards David. Press it!

David smiled coldly, didn’t move, didn’t even break out his breath to resist, let the coercion strike, his expression didn’t change in the slightest!

Seeing that David was unresponsive, the thin young man frowned slightly, but instead of testing David, he followed the old man into the room!

The tall young man smiled at Wuxi: “Junior Brother Wuxi, don’t be nervous, Master is just like this, you just need to work hard. With your current strength, there is still a good chance of winning the championship!”

After patting Wu Xi on the shoulder, the tall young man also followed!

“Master...”

Wu Xi was shocked when he saw the old man walking into the room at the end of the corridor, and hurriedly wanted to catch up, because this room was prepared for David.

David reached out to stop Wu Xi and shook his head slightly!

He understands what Wu Xi means, but for his own sake, let Wu Xi be reprimanded by his master, and David doesn't want that. After all, he has no requirements for where he lives!

“Mr. Chen, I'm really sorry...”

Wu Xi said with a look of embarrassment.

Wu Xi could only rearrange the room for David next door, and then introduced the situation of several people to David!

Through Wu Xi's introduction, David knew that the old man's name was Gao Baisheng, the current owner of the Bajiquan gym, and the tall young man was called Huo Laiyun, and the thin young man was called Huo Shan. It belongs to a village and has been worshipped by Gao Baisheng since he was a child!

After chatting with David for a while, Wu Xi went to the next room, and soon there was a quarrel in the next room!

David's hearing is already different from ordinary people, so he can hear the voice next door clearly!

“Junior Brother Wuxi, don't make the old master angry, that kid looks ordinary, why are you so afraid? You are scared before you fight, is this still the style of my Bajiquan disciple? ”

Huo Shan said sharply.

Chapter 432

“Senior brother, Mr. Chen’s strength has already reached that of the master of internal strength, and I am not his opponent at all...”

Wu Xi lowered his voice and said, probably because he was afraid that David next door would hear it.

“Master sh!t, do you think Master Nei Jin is so easy to achieve? Don’t be fooled, you don’t know it yet, I think that kid just wants to win the championship and deliberately fools you!”

Huo Shan spat fiercely.

“Senior brother, it’s true, Mr. Chen, he...”

“Okay, get out of here, I’m going to rest!”

Before Wu Xi’s words were finished, Gao Yusheng shouted angrily and let everyone go out!

David next door smiled coldly, standing at the window, looking at the busy traffic on the road outside the window. Among the seemingly ordinary people in a hurry, there are hidden strengths everywhere. Today’s Tianfeng Town, I am afraid that the entire Jiangnan and Jiangbei are strong within. It’s time for the most!

When it got dark, Wu Xi knocked on the door and asked David to go to the hall for dinner!

Because it was full of people, there were no boxes available at all. David and the others could only choose a table to eat in the corner of the hall. At this time, it was a blessing to have a table to eat, and many people were waiting in line at the back. !

Wu Xi was busy, preparing tableware for David and Gao Yusheng, and then ordering and serving.

David has been sitting still, which makes Wu Xi's master and two senior brothers look unhappy!

"Junior brother, you are not a waiter, sit down and wait for me!"

Huo Shan said to Wu Xi coldly.

"Brother, it will be ready soon!" Wu Xi said, took some napkins and put them next to David: "Mr. Chen, the napkins are here for you!"

David nodded: "Sit down, don't be busy, just wait a little longer!"

Wu Xi sat next to David, and soon the food came to the table, and everyone began to eat!

There are a lot of people in the hall, and they are all martial arts practitioners, so the voices are loud!

"Have you heard that there is a young master in Jiangbei, who was in his twenties and killed the head of the Jiang family in public!"

"I've heard it for a long time, but Jiang Zhengzhong was killed by the young man after his internal strength was exhausted after two battles. This is considered a bargain!"

"Anyway, I really don't want to meet him at this year's martial arts gathering, or else I will add another strong enemy!"

All the discussions of the crowd reached David's ears, but David just acted as if he hadn't heard it!

"Wuxi, your home is in the provincial capital, have you heard about it?"

Gao Yusheng asked Wu Xi.

Of course Wu Xi knew about it, and the person involved was in front of him, but when Wu Xi was about to say it, he saw David winking at him, so Wu Xi said: "I heard, it seems that there is such a thing thing!"

"Hmph, that Jiang Zhengzhong, who boasted of high strength, died tragically at the hands of a young man, but I don't believe that person could really kill Jiang Zhengzhong. He must have taken advantage of it and took advantage of the emptiness of others!"

Huo Shan snorted coldly.

"Jiang Zhengzhong is also a hero, and he died like this!" Gao Baisheng shook his head slightly!

David lowered his head and ate, ignoring a few people talking about him!

Then Huo Shan saw that David only lowered his head to eat, and the dishes were taken away by him, and immediately became furious. Just when David was about to take the dishes again, Huo Shan suddenly blocked David with his chopsticks!

David was stunned for a moment, but he ignored it and wanted to pick other dishes, but Huo Shan refused to let him go. Whichever one David picked, he would block it!

"Master, what are you doing?"

When Wuxi saw this, his face was startled, and he hurriedly faced Huo Shandao!

Chapter 433

"It's nothing, the younger brother said that this guy is a master, I want to ask for two tricks!"

Huo Shan looked at David displeasably!

He has long been disgusted by David's sophisticated look!

"Senior brother, Mr. Chen he..."

"You're not worthy!" David put down his chopsticks and said lightly!

After speaking, David got up and walked upstairs without eating.

"Boy, what did you say?" Huo Shan jumped up and wanted to chase after David!

But he was grabbed by Wu Xi, and then Wu Xi chased after David!

Back in the room, Wu Xi kept following David to apologize: "Mr. Chen, my brother is irritable, I hope you have a lot of..."

But just as Wu Xi was talking, Huo Shan had already rushed in, and Gao Baisheng followed Huo Donglai behind him!

"Boy, you have the ability to repeat what you just said!"

Huo Shan roared at David!

"Senior Brother, Senior Brother..."

Seeing this, Wuxi hurriedly stopped Huo Shan to prevent Huo Shan from conflicting with David!

"Junior brother, don't stop me, I have to teach this kid a good lesson today!"

The tyrannical aura on Huo Shan has begun to erupt!

“Senior brother, Mr. Chen is the one who killed Jiang Zhengzhong, you are not his opponent at all!”

Seeing this, Wu Xi could only tell the truth about David’s identity, otherwise Huo Shan would not give up at all!

Sure enough, when Wu Xi said this, Huo Shan instantly became quiet and looked at David in disbelief!

“It’s no wonder that you dare to speak up. It turns out that after killing Jiang Zhengzhong, he claims to be invincible in the world and ignores anyone. Haven’t you heard that the more you practice martial arts, the more you should keep a low profile?”

Gao Yusheng said coldly.

“Even if he can kill Jiang Zhengzhong, I will give it a try today to see if I am worthy of fighting with him!”

Huo Shan saw that his master had said so, and his anger suddenly rushed up again.

Wuxi wanted to stop him, but was reprimanded by Gao Baisheng: “Wuxi, you are not allowed to stop, otherwise don’t blame the teacher for not recognizing you!”

When Wu Xi heard this, he could only sigh and step aside!

“Boy, do it!” Huo Shan shouted at David without Wu Xi’s obstruction!

“I said, you’re not worthy...”

David said calmly!

David broke through Qi training and stepped into the foundation-building stage. Even the master of internal energy is like an ant in his eyes, not to mention the level of master of Jin in this area of Huo Shan!

"court death..."

Huo Shan roared suddenly and swung a punch at David!

Huo Shan exerted all his strength, the wind howled, and the sound of breaking the sky suddenly sounded!

David sneered, took a step forward lightly, and then slapped the Huoshan with a slap. That random slap was like driving away mosquitoes!

Snapped!

A crisp voice sounded, Huo Shan's fist hadn't reached David's yet, but he was slapped firmly on the face, half of his face swelled up instantly, and a few teeth fell off!

This time, Huo Shan was stunned, and even that Gao Baisheng was stunned for a moment, with incredible in his eyes!

"This slap is just to teach you a lesson. If you dare to be disrespectful, I will not spare you..."

David said coldly.

"Ah... I fought with you!"

Huo Shan roared, he had never been so humiliated before.

With a fierce punch, it smashed towards David fiercely, this is to kill David!

Seeing this, Wu Xi immediately wanted to block, but it was too late, Huo Shan's fist had already reached David!

"Tiny!"

David's face turned cold, and he patted it out!

"Crack!"

A crisp sound.

Huo Shan's arm suddenly became strangely bent and broke directly, and his whole body was slapped on the ground by David, and he knelt directly in front of David.

Chapter 434

"It's said that you're not worthy, but you don't believe it..."

David said lightly!

This time, everyone was shocked, and Huo Laiyun opened his mouth in shock, enough to put an egg in!

At first David said this, he only thought that David was pretending, but looking at Huo Shan whose arm was broken, he finally realized that David's disdainful words were not pretending, but had real strength!

"Boy, you dare to hurt my apprentice, even if you can kill that Jiang Zhengzhong, what can you do? Since my apprentice is not worthy, then let me, my master, come and learn!"

Gao Baisheng was instantly furious when he saw his apprentice's miserable state!

David just glanced at Gao Baisheng coldly: "You don't deserve it either!"

"What? You are too arrogant..."

In Gao Baisheng's eyes, killing intent rose up!

Seeing this, Wuxi hurriedly stepped forward to help Huo Shan up, and then begged to David: "I beg Mr. Chen to look at my face, don't get angry..."

"If I didn't look at your face, it wouldn't be as simple as breaking an arm!"

David's eyes were indifferent.

"Thank you, Mr. Chen, thank you, Mr. Chen..."

Wu Xi thanked him repeatedly, helped Huo Shan back behind Gao Baisheng, and said to Gao Baisheng, "Master, don't be angry, Mr. Chen, he..."

"Get out of my way!" Gao Yusheng heard Wu Xi's words, yelled Wu Xi aside, and then looked at David coldly: "You hurt my disciple's hand, I want you to use both hands. Waste!"

"If you have that ability, you can try it!"

David looked at Gao Baisheng indifferently, and when Gao Baisheng was looked at by David, he couldn't help shivering!

Such indifferent eyes, as if the person in front of him is like an ant, disdain to have the slightest emotion!

"Good, good, good..."

Gao Baisheng said three good words in a row, and his aura suddenly exploded.

There was a gust of wind in the whole room, and things like bedding were swept up by the gust of wind!

But just as Gao Yusheng's aura erupted, a soft wind suddenly blew up, like a spring breeze blowing his face, directly suppressing Gao Yusheng's aura!

"If you want to do it, do it. I have to live in the room, don't mess it up for me!"

David looked at Gao Yusheng with a casual look, but he didn't take Gao Yusheng seriously at all!

A flash of shock flashed in Gao Baisheng's eyes, but the matter had come to this point, and in front of his apprentice, he had no choice but to take action!

"drink..."

Gao Baisheng shouted loudly and swung a punch at David!

David lifted it up and grabbed the fist of Gao Baisheng directly, and Gao Baisheng's figure came to an abrupt stop!

"How, how is this possible?"

Gao Baisheng's eyes were full of horror, and he looked at David in disbelief!

His punch, to say the least, had thousands of pounds of strength, but David caught it so easily, and Gao Baisheng felt that his fist was in pain as if it were about to split.

He wanted to break free, but he couldn't move at all, the whole person seemed to be immobilized!

David gave it away, and Gao Baisheng's body stepped back a few steps. If Wu Xi and Huo Laiyun hadn't hurried to support him, Gao Baisheng would have been sitting on the ground!

"As I said, you are not worthy to fight with me. Today, for the sake of your being Wuxi's master, I will spare your life. If you dare to provoke me, I will definitely kill you!"

David said indifferently with an indifferent expression.

At this moment, Gao Yusheng's face was ashen, and he finally understood that David's indifferent eyes were not pretending, but in his eyes, he was really like an ant!

Gao Baisheng's complexion changed and changed, and finally he sighed helplessly: "We have no eyes and we offended Mr. Chen..."

Gao Yusheng's title changed. After bowing deeply to David, he turned around and walked out!

Chapter 435

Wu Xi hurriedly followed him out. At this time, Gao Baisheng seemed to have aged a lot in an instant, and said to Wu Xi, "Please invite Mr. Chen to my room, I don't deserve to live in such a room!"

Wu Xi nodded, returned to David's room, and followed David to tell Gao Baisheng's words, David did not refuse, and stayed in the room at the end of the corridor!

It's getting darker and darker, and the streets outside are flashing with neon lights. It's so lively!

"Wuxi, you accompany me out for a walk, I'll see if there's anything good!"

David said to Wu Xi.

"Okay, I'll take Mr. Chen to the trading street to see it, it's all set up temporarily, in order to facilitate the warriors from all over the world to trade the treasures in their hands.

"

Wu Xi nodded!

Soon, Wu Xi took David to the trading street. There was a lot of people here. There were medicinal herbs, medicinal herbs, some jade pendants, furnace cauldrons and other things, as well as weapons such as swords and knives. Everything!

David turned around and found that they were all ordinary things, with a bit of disappointment on his face. He originally wanted to find a better spirit tool here to help Sonya refine a body protection spirit tool. !

Wu Xi saw David's disappointment, so he said: "Mr. Chen, the good things here are usually taken away by the Yaowang Mansion, where will they be circulated here, this is the reason why the Yaowang Mansion holds this martial arts party! "

David nodded, remembering that he still had the refined Xiao Huan Dan, so he said to Wu Xi: "If I want to sell things here, do I need any procedures?"

"No need, just find an empty place to set up a stall!" Wu Xi shook his head: "Does Mr. Chen have something to sell?"

"Well, I have some medicinal pills in my hand, and I want to sell them!"

David said, found an empty place, and then took out Xiao Huandan!

Wu Xi looked at the dark elixir in David's hand, and asked with a little doubt: "Mr. Chen, what's the name of your elixir?"

"Little Huandan..."

David said lightly.

"Oh!" Wu Xi had never heard of it, so he could only sigh!

However, David's sentence of Xiao Huandan was heard by a servant of the Yaowang Mansion who passed by. After hearing the three words of Xiao

Huandan, the servant of the Yaowang Mansion gave David a subconscious look, and then hurriedly said left!

Soon, Lao Qiu, the steward of Yaowang's mansion, hurried over with the servants of Yaowang's mansion!

Sun Simiao was asking Lao Qiu to inquire about Xiao Huandan, but because he was busy with martial arts gatherings, Lao Qiu had no time to go to Yuncheng and Horendel to investigate. Bring people over here!

Lao Qiu glanced at David, and then asked, "This little brother, what's the name of your medicine pill?"

"Little Huandan!" David said truthfully.

Lao Qiu didn't speak, but gently picked up the medicinal pill, smelled it lightly, and then crushed the medicinal pill and put it in his mouth to taste it!

Seeing this, David frowned: "You didn't say whether to buy or not, but you crushed my medicinal pill?"

At this time, Wu Xi hurriedly leaned into David's ear: "Mr. Chen, this is the steward of the Yaowang Mansion. It is possible that he bought all your medicinal pills."

When David heard it, he immediately understood, and then nodded!

After Lao Qiu tasted it, his eyes suddenly gleamed: "Little brother, how much is your small repayment pill?"

"Two million!" David said lightly!

"Okay, I'll have it all!" Lao Qiu said cheerfully, then ordered someone to count the amount, and continued to ask David, "I want to ask my little brother, who made your medicine pill?"

"I made it myself!" David said.

"You made it?" Lao Qiu looked at David in surprise, his eyes full of incredible!

Chapter 436

Seeing that Lao Qiu didn't believe it, David didn't bother to explain: "After counting the amount, transfer the money to me, and I have to go back to sleep!"

Lao Qiu asked David to transfer the money to him, but when David was about to leave, Lao Qiu stopped David and said, "This little brother, I wonder if I can go to Yaowang's mansion? Our mansion master wants to see you! "

After hearing this, David hesitated for a moment, then nodded and said, "Okay!"

David was also thinking about meeting the Palace Master of the Yaowang Mansion. If he could have a good relationship, he might be able to get a lot of resources from the Yaowang Mansion!

David asked Wuxi to go back by himself, and then followed Lao Qiu to the Yaowangfu!

In the hall of Yaowang Mansion, Sun Simiao knew that the refiner of Xiaohuan Dan had been found, and he was very excited. If he could pull such a person into Yaowang Mansion, or if he could know the refining method, it would be a great thing for Yaowang Mansion. !

But when Lao Qiu came with David, Sun Simiao's brows were slightly wrinkled. He originally wanted to be able to refine medicine pills like Xiaohuan Dan, but he was an old man who had been proficient in alchemy for many years, but he didn't want to be in his early twenties. young people!

"Palace Master, someone brought it..."

Lao Qiu said to Sun Simiao.

Sun Simiao nodded, looked at David and said, "You really made Xiao Huan Dan?"

With doubts in Sun Simiao's eyes, he didn't quite believe David!

After all, there are many people who want to be listed on the Medicine Palace, and there are some liars among them!

"If you don't believe me, I can go!"

David's face was dull, he turned around and left!

David's reaction made Sun Simiao a little confused, and after a moment of stunned, he hurriedly stood up to stop David: "Little brother, don't take offense, this old man has never seen such a young alchemist, so he is a bit reckless! please sit down..."

David didn't really want to leave. After Sun Simiao apologized, he sat down!

Sun Simiao waved at Lao Qiuyi: "Go and pour tea!"

After speaking, he looked at David with a smile on his face and said, "I don't know what the little brother is called?"

"David!" David said lightly.

But when David said the word, Sun Simiao was stunned, and even the old Qiu who was about to pour tea stopped and looked at David in disbelief!

"Could it be that the little brother is the one who killed Jiang Zhengzhong?" Sun Simiao asked incredulously.

"It's me!" David was not surprised that Sun Simiao knew about this.

It has been a while since Jiang Zhengzhong was beheaded. It would be a bit strange if the Yaowangfu had not received any news yet.

"Hahaha, it really is a hero!" Sun Simiao laughed loudly: "Have you received all the medicinal materials that Yaowang Mansion and Brother Chen traded some time ago? Make friends, little brother!"

"Palace Master Sun, you sent someone to bring me, wouldn't you just be a friend?"

David smiled lightly and looked directly at Sun Simiao.

Sun Simiao chuckled: "Little brother, since you asked that, then I'll tell the truth, I want the little brother's pill recipe, and if the little brother doesn't dislike it, I want to invite the little brother to join. My Yaowangfu, as long as the little brother joins my Yaowangfu, not to mention the entire Jiangbei, even the entire Daxia, no one dares to trouble the little brother!"

"Of course, if the little brother has any requirements, feel free to mention them. As long as I can meet them, I will definitely meet the requirements of the little brother!"

David smiled. A medicine king's mansion would dare to say such arrogant words. One must know that the entire Daxia has a population of more than one billion and so many talents. What can a medicine king's mansion count?

However, David did not refute, but looked at the back of the hall with his eyes: "Palace Master Sun, I'd better follow the person who can make the call. I told you, I'm afraid you can't make the call!"

Chapter 437

Sun Simiao was stunned for a moment. Seeing David's eyes looking towards the back of the hall, he suddenly looked embarrassed!

"Brother Chen is indeed a young talent. If he can join the Yaowangfu, he will definitely be even more powerful..."

Not long after David finished speaking, Bai Zhantang stepped out from behind!

Seeing Bai Zhantang coming out, Sun Simiao hurriedly stood up to make way for Bai Zhantang, and shouted respectfully, "Second Young Master!"

Bai Zhantang sat directly opposite David and smiled lightly: "Introduce myself, I'm Bai Zhantang from the Bai family in Kyoto, and it's like meeting Brother Chen today!"

David sneered: "As soon as we meet, you won't hide behind and dare not show up!"

As soon as David entered the hall, he felt that someone was hiding behind him, and judging by his breath, his strength had reached the level of an internal force master!

Bai Zhantang smiled awkwardly: "Brother Chen, I don't show up, actually..."

David waved his hand and interrupted Bai Zhantang: "You don't need to explain it to me, I'm not interested in listening, the reason why I came is because the Yaowangfu has the medicinal materials I want, I will not join the Yaowangfu, and Xiao Huan Dandan I can give you the recipe, but if you get the pill recipe, you can't make it, and if you want a small repayment pill, then use the herbs to exchange it!"

Bai Zhantang frowned slightly when he saw David's resolute statement. In his opinion, when he showed his identity, David would be ecstatic to join the Yaowang Mansion. You must know the name of the Bai family in Kyoto. Everyone knows the truth of enjoying the cool, but David doesn't care at all!

"Brother Chen, I know you have caused some trouble recently. You killed Jiang Zhengzhong. He also has a younger brother, Jiang Zhengde, in Kyoto.

Although the two brothers are not on good terms, they are brothers after all. Then Jiang Zhengde will definitely seek revenge on you. There is also Xuanyue Valley. I have already found out that the four elders of Xuanyue Valley have already left, and they are also coming to Jiangbei. If you join the Yaowang Mansion and have my Bai Family shelter, I can help you solve all these troubles... ”

Bai Zhantang’s eyes narrowed slightly as he stared at David and said.

“I will handle these things myself, the big deal is to kill one by one, and one pair to one pair.

”

David’s tone was low, but in Bai Zhantang’s ears, he was extremely proud!

Bai Zhantang smiled coldly: “I don’t know if Brother Chen has heard a sentence, it’s raining when the sky is crazy, and disaster when people are crazy?”

“If you think I’m arrogant, then don’t talk about it...”

After David finished speaking, he got up and left!

“Brother Chen, stay, I want the pill recipe in your hand to return the pill, and you can ask for a price...”

Bai Zhantang saw that David was unwilling to join the Yaowang Mansion, so he could only settle for the next best thing, and get the pill recipe first!

“As I said, it’s useless to give you pill recipes, you can’t refine them!”

David said.

"Little brother, there are many alchemy masters in my Yaowangfu, so there is no medicinal pill that cannot be refined. If you say so, do you have no medicinal formula at all?"

Seeing that David always belittled Yaowangfu, Sun Simiao said with a gloomy expression.

"Since you insist on the pill recipe, I can give it to you in exchange for half of the medicinal materials in the Medicine King's Mansion!"

David said lightly.

When Bai Zhantang and Sun Simiao heard it, they were stunned for a moment, and then Sun Simiao said angrily, "Do you know how many medicinal materials I have in the Yaowang Mansion? It's halfway to open your mouth, it's like a lion's mouth.

"

Bai Zhantang also frowned: "Although your Xiao Huan Dan has a good effect and a low cost, but just because of these, you need half of the medicinal materials in my Yaowangfu, which is a bit overestimating yourself, right?"

"What if you add this medicinal pill to it?"

As David said, he took out a turquoise medicinal pill from his arms and threw it at Bai Zhantang. Bai Zhantang reached out to pick it up. When the medicinal pill was in hand, a faint fragrance wafted into his nostrils!

Chapter 438

After Sun Simiao saw the medicinal pill, his pupils shrank immediately, and his eyes showed horror: "This...this is..."

"This is the Great Returning Pill. Compared with the Small Returning Pill, the effect is stronger. The main reason is that the Great Returning Pill can greatly increase the martial artist's inner strength, improve his cultivation, and repair dark wounds!"

As soon as David's voice fell, Bai Zhantang and Sun Simiao were shocked!

This Great Returning Pill is a medicinal pill that David refined for Chi Feng and Lin Tianhu, and David kept one with him!

"You also refined this medicinal pill?" Bai Zhantang looked at David and asked.

"If you don't believe it, then there is no need for us to talk!"

David waved his hand, and the medicinal pill returned directly to David!

"Brother Chen, how about my Bai family willing to spend 10 billion to buy your pill recipe? In addition, I can promise to help you settle that Jiang Zhengde and Xuanyuegu!"

Bai Zhantang got up and said.

"As I said, I will handle my own affairs. If you want a pill, then replace it with herbs!"

David shook his head!

Bai Zhantang frowned. Half of the medicinal materials in the Yaowang Mansion are not something he can call the shots. In order to allow these precious medicinal ingredients to pass through the hands of the Yaowang Mansion, the Bai family has also tried their best. You must know that these precious medicinal ingredients are not inexorable. All I could do was to use one less and one less, and now I give half of it to David, Bai Zhantang is reluctant to bear it!

Seeing that Bai Zhantang was silent, David turned around and left, but just after taking two steps, a few people suddenly poured in outside and directly surrounded David!

It can be seen that these people should have been in ambush outside the hall for a long time, waiting for an opportunity. If David agreed to the request, these people would not come in.

David's face turned cold, and he looked at Bai Zhantang: "What does this mean?"

"Little brother, the person who knows the current affairs is Junjie, no one can refuse my Yaowangfu, leave the pill recipe, you can go!"

Bai Zhantang didn't speak, while Sun Simiao said coldly.

"Are you guys robbing me?" David sneered!

"No matter what you say, keep Dan Fang, otherwise..."

"Otherwise what?" David narrowed his eyes slightly, and a cold light shot out from his eyes!

Seeing David like this, Sun Simiao trembled involuntarily, but after glancing at Bai Zhantang, who had not spoken, he said fiercely, "Otherwise, you will disappear forever!"

"It's just you?" David suddenly smiled, his smile full of disdain: "I changed my mind, just relying on your threat to me, send all the medicinal materials of the Yaowang Mansion to my house, otherwise I will let you Yaowang Mansion. The whole door is destroyed!"

David was trying to find an excuse to get the medicinal materials from the Medicine King's Mansion, but he didn't expect that Sun Simiao would even dare to threaten David!

"Hahaha, boy, are you out of your mind? Even if you can kill Jiang Zhengzhong, do you really think you are invincible in the world? You still want to destroy my Medicine Palace..."

Sun Simiao laughed loudly, while Bai Zhantang's face was gloomy and he didn't say a word!

David snorted coldly, didn't say anything else, and walked directly outside!

"Stop him..."

Sun Simiao gave an order, and the few people surrounding David rushed towards David together!

David kept walking, and a monstrous force rose up from his body, like a huge flood and beast, and directly knocked out the few people who rushed towards him!

Seeing this, Sun Simiao looked furious: "Good boy, let me meet you..."

"Stop!" Bai Zhantang said!

Sun Simiao stopped and could only watch David leave!

"Second Young Master..."

Sun Simiao looked at Bai Zhantang with a puzzled expression!

"Leave him alone, it's not too late to clean him up after the martial arts gathering, we still have more important things to do!"

After Bai Zhantang finished speaking, he turned and walked towards the back hall!

.....

Chapter 439

In front of the hotel, Wu Xi was walking back and forth anxiously!

Seeing David coming back, Wu Xi hurriedly greeted him: "Mr. Chen, are you alright?"

"It's okay, what's wrong?"

David looked at Wu Xi with a puzzled face and asked.

"It's fine!" Wu Xi let out a long sigh of relief: "The Palace Master of Yaowang's Mansion is extremely domineering. I'm afraid that Mr. Chen will run into trouble if he goes!"

When David heard this, he smiled lightly: "No one can trouble me, go to sleep!"

After finishing speaking, David took out the big return pill and threw it to Wu Xi and said, "You have eaten this pill, and at this martial arts gathering, you are very hopeful to win the championship!"

Wu Xi looked at the medicine pill and didn't care too much, but asked in surprise: "Don't Mr. Chen plan to participate? I heard that the championship reward this time is a hundred-year-old medicinal herb!"

David shook his head: "If you don't participate, I have to give you some hope!"

Originally David planned to participate, but now he is interested in the medicinal materials of the entire Yaowangfu, a mere hundred-year-old medicinal material, so David doesn't care!

Excitement flashed across Wu Xi's face: "Thank you, Mr. Chen, for your completeness!"

Wu Xi thought that David did this to give him the championship position!

Just when David was about to go back to the hotel, someone suddenly shouted from behind: "David..."

David turned his head suddenly, and frowned slightly: "Why did you come here? Didn't you say that you won't be allowed to come?"

It was Sonya and Gu Linger who came, and Lin Tianhu was behind carrying bags for the two of them!

"Mr. Chen, I'm sorry, Miss Su and the others have to come, I can't stop it..."

Lin Tianhu said helplessly.

"It doesn't matter about you!" Sonya said, looking at David and saying, "We are too boring in the provincial capital, so what's wrong with coming here to play for a few days? You are not here to find a girl behind my back, right?"

When Sonya said this, David was speechless for a while: "I'm afraid that it's too dangerous for you to come here, and the hotel here is tense. I'm afraid you don't even have a place to live!"

"Don't worry, I have already found a good hotel. Although my ancient family is not as good as before, I still have the ability to book a hotel in the township below!"

Gu Linger said.

David had nothing to say, but what Gu Linger said was right. With the ability of the Gu family in the provincial capital, it was really not a problem to book a hotel. How could Gu Linger's parents also be officials in the provincial capital!

After helping Sonya and Gu Linger settle down, David went to rest. Originally, the two girls were planning to go shopping at night, but David stopped them. In the evening, David really didn't want to hang out with them. Now, and there

are warriors everywhere, all of them are rude, David doesn't want to cause unnecessary trouble!

In the middle of the night, David, who was sleeping soundly, was suddenly awakened by the sound of rapid footsteps on the street. He hurriedly got up and looked through the window. He found that a girl was running desperately, and several people were chasing behind!

These people tacitly did not speak out, but just ran desperately. Seeing this scene, David planned to go back to sleep again. No matter what conflicts or festivals the other party had, he did not care about his business. David was not the savior, nor did he want to be the savior. !

But just when David was about to lie down again to sleep, he suddenly felt a vague aura coming from the girl's body, and he felt very familiar with this aura, as if he was holding his own at that time. I feel the same when the jade pendant my mother left behind!

David opened the window, jumped down, and followed closely behind!

Soon, the girl was blocked in an alley, holding something in both hands, and then looked at the few people who were chasing her in horror!

Chapter 440

David hid in the dark. When he saw the girl's appearance, he was suddenly surprised. This girl was actually the girl Qin Feng gave to Gu Linger's parents in the photo!

Among the few people chasing after the girl, David also found a familiar figure, that is Bai Zhantang who had just met!

"Yin Susu, give me the things, I can spare your father and daughter, and I can let the Yaowangfu do its best to cure your father's illness!"

Bai Zhantang walked towards the girl and said lightly.

“Bai Zhantang, don’t come here, or I’ll break the jade pendant!” The girl raised the thing in her hand and stared at Bai Zhantang.

When Bai Zhantang heard this, he really stopped, with a nervous expression on his face: “If you have something to say, I can promise you anything you want!”

“Bah, I won’t believe you. You ruined my Yin family’s family, and you still want to get my ancestral jade pendant. I won’t let you succeed!”

Yin Susu roared with anger in her eyes.

“You think about your seriously ill father, didn’t you come here to ask Yaowangfu to save your father? I can order them to heal your father now.

”

As Bai Zhantang spoke, his feet were slowly moving!

“I want to know that Yaowangfu is the puppet of your Bai family, so I won’t come. I’d rather die than give things to you!”

Yin Susu’s eyes were full of firmness, and she said with a deadly expression.

Bai Zhantang frowned, but still calmly said: “You misunderstood me, it was the Qin family who destroyed your Yin family, not us at all, that’s why I let my sister dump that Qin Feng, you should It’s right to hate that Qin family...”

“Are all of your Bai family so shameless?” Just as Bai Zhantang’s voice fell, a few more people suddenly walked in from the alley.

The leader is that Qin Feng, and there are several masters behind him!

"Qin Feng? Why did you come here?" After Bai Zhantang saw Qin Feng, he frowned in surprise.

"Do you think only your Bai family can guess that she will come here?"

Qin Feng smiled coldly.

"Qin Feng, you'd better leave now. Don't forget whose territory is here. You must know that the Yaowang Mansion is the property of my Bai family. If you want to compete with me here, do you have the qualifications?"

Bai Zhantang threatened Qin Feng.

"Are you threatening me? I'm not afraid. Do you think my Qin family has nothing in Jiangbei?"

As Qin Feng's voice fell, a middle-aged man with a square face and thick eyebrows and big eyes walked out.

David found that the appearance of this middle-aged man was somewhat similar to that of Jiang Zhengzhong!

"Jiang Zhengde?" Bai Zhantang looked a little surprised when he saw the person coming!

David, who was hiding in the dark, realized that this person was Jiang Zhengzhong's younger brother Jiang Zhengde. No wonder he looked a little like him!

"Master Qin!" Jiang Zhengde walked towards Qin Feng and shouted respectfully!

Qin Feng looked at Bai Zhantang with a proud face: "Now Jiang Zhengde has become my Qin family guest!"

"Hahaha, Qin Feng, what are you proud of? Don't you know the news that the Jiang family has long been wiped out? It's just Jiang Zhengde, and my Bai family doesn't even care about it!"

Bai Zhantang laughed.

"Of course I know, but Bai Zhantang, open your eyes and take a look. Based on the current strength comparison, if I want to take that jade pendant, can you stop me?"

Qin Feng sneered!

Bai Zhantang's smile suddenly solidified on his face. Although the number of people on both sides is similar, it is obvious that Qin Feng's strength is stronger!

Just when the two sides confronted each other, David quietly went behind Yin Susu.

Yin Susu felt someone approaching her and wanted to shout when she opened her mouth, but before she could shout, David covered her mouth, then jumped up, jumped over the high wall and disappeared!
