

A Man Like None Other Novel

Chapter 641

"childish..."

Just after Lin Tianhu's voice fell, a coquettish voice came in from outside.

Everyone looked around and found a very beautiful girl came in from outside. The girl had pigtails and looked like a student.

"who are you?"

Lin Tianhu looked at the girl and asked with a gloomy expression.

If it was an ordinary girl, seeing Lin Tianhu's appearance, she would probably be terrified, but the girl didn't take it seriously: "I came from Kyoto to find David..."

As soon as the girl's words came out, everyone looked at each other, and then all looked at Sonya.

They all knew that David had stayed in Kyoto for a few days, but they didn't want to be chased by a girl from Kyoto shortly after he returned.

"Who are you David? What do you want to do with David?"

Sonya looked at the girl with a bit of hostility in her eyes and asked.

The girl glanced at Sonya, and then smiled disdainfully: "You are Sonya, right? You are really pretty, but it's just a vase, and you don't have any breath on your body. You just follow David like this, something happened last night. Yes, David is not capable of protecting you all the time.

"

"You..." Sonya's eyes widened, her face full of anger, she was about to rush towards the girl, but was stopped by Gu Wentian.

Gu Wentian saw that the girl had an extraordinary temperament, and she came from Kyoto, so it would be better not to make enemies at this time.

"This lady, I don't know what you have to do with David?"

Gu Wentian asked the girl.

"I'm here to give him something, what about David?"

the girl asked.

"Mr. Chen is still cultivating in his bedroom, and he hasn't woken up for three days..."

Gu Wentian said truthfully.

"Then why don't you wake him up quickly, a catastrophe will happen in three days, so don't hurry up and think about countermeasures..."

As the girl said, she was about to step forward and push the door to wake David.

It was just that Lin Tianhu and Chifeng stopped him directly: "Mr. Chen's cultivation, no one can disturb him, unless Mr. Chen wakes up by himself..."

Lin Tianhu and Chifeng knew that when David was cultivating, it was most taboo for others to disturb him, so they stopped the girl.

The girl looked at Lin Tianhu and Chifeng and rolled her eyes involuntarily, but she did not insist, but walked aside.

A ray of divine consciousness emanated from the girl's body, and went directly towards David to explore.

David, who was cultivating, suddenly opened his eyes after feeling that he was being probed by consciousness, jumped straight up, and rushed out of the door.

When he saw that there were so many people in the living room, he was stunned.

"You... why are you all here? What day is today?"

David asked with a confused expression.

"They're here to see you off, and you're going to die in two days..."

The girl stepped forward and said.

"Wu Mei'er, you... when did you come?"

Seeing the girl, David was startled all of a sudden, and then his eyes kept looking around, Wu Meier was here, maybe Long Wu was also here.

"Don't look, Uncle Long didn't come, only I came!"

As Wu Mei'er spoke, she took out a palm-sized bronze mirror from her body, and saw that the bronze mirror was stained with rust, as if it had just been dug out of the soil.

"This is the heart-protecting bronze mirror. Uncle Long is so kind to you. This is his treasure. Let me bring it to you. You can wear this heart-protecting bronze mirror to block Qin Xiaolin's fatal blow. Long Uncle asked me to tell you that Qin Xiaolin has already become Wuzong, and your body can't resist Wuzong's blow, don't go for it yourself to fight hard..."

Wu Meier threw the bronze mirror to David, turned around and walked out after speaking, and left without looking back.

Chapter 642

When they heard the word Wuzong, except for Ruben and the others who were not from the martial arts world, everyone was stunned, especially Lin Tianhu and Chifeng, who knew what kind of existence Wuzong was.

Just now, Lin Tianhu said that he has thousands of people and he is not afraid at all. Now it seems like a joke. Not to mention thousands of people, even if there are more people, in front of Wu Zong, they are all ants, and they can be solved with a wave of hands. .

And David looked at Wu Meier who was leaving, and wanted to catch up and ask, who was Long Wu and why he helped himself like this, but David didn't move, he knew Wu Meier wouldn't say anything.

At this moment, Sonya looked at Wu Meier who was leaving, and her face was embarrassed. It turned out that the other party was here to send something to David, to help David, but she was jealous of others.

Thinking of Wu Mei'er's words, Sonya suddenly felt that Wu Mei'er was right. She really had no other skills besides this beautiful body. The dragged vase...

Thinking of this, Sonya's mood sank.

"What exactly is going on?"

David glanced at the crowd and asked with a puzzled face.

“Mr. Chen, look at this...?”

Lin Tianhu took out his mobile phone, opened a forum, and got David’s front.

David looked at the challenge book above and the last three words Qin Xiaolin signed, and instantly understood.

It seems that this Qin Xiaolin is out of the customs. After seeing that his son and nephew were killed by himself, he issued this challenge letter.

“What should come will come eventually, you don’t have to be so nervous, right?”

David saw that everyone was in a low mood, so he smiled lightly: “Isn’t it just Qin Xiaolin, I can deal with it...”

“Mr. Chen, when Qin Xiaolin left the customs, he has broken through the realm of a great master and became a martial arts master. This... This kind of strength is probably comparable to that of an immortal...”

Chifeng said with lingering fears.

She is only a seventh-rank master now, and she has not even touched the shadow of the great master, and the other party is already a martial arts master. This is a realm that Chifeng can’t even think about.

“Don’t worry, isn’t this a baby that someone sent me to protect my body? Then Qin Xiaolin can’t kill me. It’s not certain who wins or loses. Don’t worry about it...”

David said indifferently.

In fact, David doesn’t have much knowledge in his heart. The reason why he said this is to keep everyone from worrying. He has never faced a master like

Wu Zong. Almost lost, exhausted all his spiritual power, and now he has to fight with Qin Xiaolin, a martial master, David really doesn't know if he can survive.

But no matter what, David will not run away. Since the other party has issued a challenge letter, David will fight against it. This will give him a lot of peace of mind. At least he knows that the Qin family will not attack the people around him. Now David is most worried about Sonya. If the other party makes a bad hand, David cannot protect Sonya all the time.

Seeing David's indifferent look, everyone was slightly relieved. After all, no one knew how strong David was now.

After staying in the villa for a while, everyone began to leave one after another, while Lin Tianhu and Chi Feng were guarding the gate of the villa in person, ready to guard David closely.

Although Wu Zong had scared them both, but they would not leave David.

In the room, Sonya and Gu Linger didn't leave either, and they were both very depressed.

"David, I'm sorry, it's all because of me. If you have three strengths and two weaknesses, I can't forgive myself..."

Gu Linger followed David apologetically.

Chapter 643

"This has nothing to do with you. It's Qin Feng who should be damned. You don't have to blame yourself. I'll be fine..."

David comforted Gu Linger so that she didn't have to blame herself so much.

"David, teach me to practice..." At this moment, Sonya suddenly looked at David and said, "I don't want to be a vase, I want to be a woman who can help you..."

David looked at Sonya in surprise. He didn't understand why Sonya said this suddenly. Someone must have said something to Sonya.

"Didn't I say it before, it's very hard to practice the exercises. Besides, you can follow Linger to learn two tricks, and you'll be fine. Who says you're a vase, you're the most perfect woman in my heart..."

David touched Sonya's head lovingly and said.

"No, I want to practice, I want to become stronger than you, let me protect you in the future..."

Sonya's firm face was no joke.

David looked at Sonya like that, and his heart was moved, but although he has entered the realm of immortality, he doesn't know how to bring people into the world of immortality, nor how to teach people to practice.

In fact, David also had plans to let Sonya cultivate before. After all, David himself is a cultivator. With the improvement of his realm, although he cannot achieve immortality, it is not a problem to live one or two hundred years old.

But at that time, Sonya was afraid that she would be dying of old age. If she wanted to follow Sonya to grow old together, the only way was to let Sonya step into the world of immortality, but it was a pity that David did not have the strength to teach others.

"I can't teach people yet. When I find a master for you, you are studying and cultivating. I believe that with your aptitude, you must be stronger than me..."

Although David can't teach, but at this moment he thinks of one person, that is Long Wu. Since Long Wu is willing to help him like this, then ask him to teach Sonya to practice. David believes that Long Wu should not refuse.

"I want to learn too..."

Gu Linger listened and said hurriedly.

Gu Linger resigned and followed David because she wanted David to teach her, but for so long, David hadn't taught her even a trick or a half.

Looking at Gu Linger, David sighed helplessly: "Okay, then I'll tell you about it together..."

David stayed with Sonya and Gu Linger until nearly noon, because most of the spirit stones were used up, and David did not have spiritual energy to practice. The kind of sticker on his face, David soon got a sticker on his face, which made Sonya and Gu Linger laugh out loud, and their mood was obviously much better.

Lin Tianhu and Chifeng listened to the laughter in the room, and they looked at each other. They could only admire David's heart. He was about to fight with Wuzong masters, and he was still in the mood to have fun.

"Stop playing, you two always win, it's noon, let's go to dinner..."

David intends to go out to eat with Sonya and Gu Linger. Although Sonya is cooking a little bit now, it is still a long way to go to achieve the perfect taste.

"What? You don't like the food I cook, so you have to go out to eat?"

Sonya asked David.

"No, I'm not afraid that you will be tired..."

David hurriedly explained that in fact, David didn't like to eat it, but unfortunately he didn't dare to say it.

"I'm not tired at all, Ling'er helps, the two of us cook, you can just sit on the sofa for a while..."

Sonya took Gu Linger to the kitchen.

Seeing this, David could only sit back helplessly. He could only pray that Sonya would cook better this time.

Just as David was sitting and preparing to start dinner, the phone suddenly rang.

Seeing that the number on the phone was actually called by He Zhigang, David was very surprised.

Chapter 644

In the recent period, almost all the medicinal materials over a hundred years old have been raided by the Yaowangfu, and the inflow of Yuncheng is very small, so He Zhigang's Renhetang could not receive the medicinal materials over a hundred years old, so they did not send them to David.

However, He Zhigang will credit the profit from the sale of Xiao Huandan to David's bank card on time. After all, only David can provide Xiao Huandan.

David and He Zhigang haven't been in contact for a while. I don't know why He Zhigang suddenly called him?

David answered the phone, and He Zhigang's voice immediately came from the other end of the phone.

"Brother David, do you still remember me? Didn't you forget me?"

He Zhigang asked.

"How could I forget Big Brother He? Every day I get a lot of money in my bank card. This is all thanks to Big Brother He..."

David smiled lightly and said, "Brother He suddenly called me, is there something wrong?"

"Brother David, I have good news for you, you will definitely be excited when you hear it..."

He Zhigang was a little excited.

"Brother He, I'm very busy, if you have anything, just say it..."

David was a little unhappy with He Zhigang's practice of selling out.

He Zhigang also heard that David was a little unhappy, and hurriedly said: "I got a news that a thousand-year-old ginseng has grown in the northeast..."

"What?" When David heard this, he stood up from the sofa.

Ten thousand years of ginseng king, this is something that can't be met. If you can get this ten thousand years of ginseng king, then your realm will definitely be improved.

Now David is worried about the lack of cultivation resources, and unexpectedly, a thousand-year-old ginseng king pops up.

"Brother He, is the news accurate? You can be framed by me..."

David asked in disbelief.

"Brother David, how dare I frame you, do you remember Zhou Zhigan from Renhetang?"

He Zhigang asked.

"Yeah!" David nodded.

"This news is what Zhou Lao told me. His hometown is from the Northeast. He came to Yuncheng in the early years. Now their hometown has produced a ginseng king of ten thousand years. After knowing that Zhou Lao was engaged in medicinal materials, his hometown let him Release the news and want to find a suitable buyer..."

He Zhigang followed David to explain.

David remembered that He Zhigang had said that Zhou Zhigan was not a native of Yuncheng, but he didn't expect it to be from the Northeast.

"Brother He, wait for me, I'll go to Yuncheng right now, and then we'll go see Zhou Zhigan..."

After David finished speaking, he hung up the phone and immediately changed his clothes and set off.

"David, what are you doing? The rice will be ready soon!"

Sonya asked hurriedly when she saw David changing clothes and leaving.

"I don't eat, I have to go out in a hurry, I feel like it will take two days to come back..."

David walked out while talking.

"What are you going to do? What about the challenge in three days?"

Sonya asked in confusion.

"Don't worry, I'll be back!"

After David finished speaking, he walked out. It was because of the challenge three days later that he was in such a hurry. If he could get the 10,000-year-old ginseng king within these few days, his strength would be greatly improved. At that time, there may be no need to be afraid of Qin Xiaolin.

"Mr. Chen..."

Seeing David come out, Lin Tianhu and Chifeng hurried forward.

"Lin Tianhu, you go drive, we'll go to Yuncheng right away..."

David said to Lin Tianhu.

Seeing David's appearance, he was very anxious, and neither Lin Tianhu nor Chifeng dared to ask.

Soon, Lin Tianhu drove the car, and the three of them went straight to Yuncheng.

On the way, under the urging of David, Lin Tianhu drove the car very fast, and it only took more than an hour to reach Yuncheng.

After seeing He Zhigang, David immediately said, "Brother He, let's go see Zhou Zhigan now..."

Chapter 645

"Brother David, are you in such a hurry? Haven't you eaten lunch yet? Do you want to eat first?"

He Zhigang didn't expect David to be in such a hurry, and came here without eating.

"There's no time, let's go now..."

David pulled He Zhigang up and left.

As soon as they went out, they ran into Gu Yuyao and Gu Yufei, both of them were stunned when they saw David.

In the blink of an eye, he hadn't seen David for a while, but when he suddenly saw David in Yuncheng again, Gu Yuyao's calm heart had some waves again.

"Brother-in-law, when did you come? Where is my sister Sonya?"

Gu Yufei was very happy to see David, so she asked.

"Your sister didn't come, I came to see Brother Chen for something..."

After David finished speaking, he took He Zhigang and left, because the time was too tight, he didn't have time to chat with the sisters.

Seeing David passing by, Gu Yuyao wanted to open her mouth to say something, but she still didn't say it.

"Yuyao, you eat with Yu Fei first, don't wait for me, I'll be back with Brother David after finishing the business..."

He Zhigang followed Gu Yuyao and said.

Gu Yuyao did not speak, but quietly watched David's back get into the car, until the car disappeared, Gu Yuyao did not move.

When she was in the Wei family in the provincial capital, Gu Yuyao was scared to death. She was ready to die, but when she was desperate, David appeared, and she would never forget the scene when David appeared. .

"Sister, you and that David are not the same, so don't think about anything, not to mention that David is still sister Sonya's boyfriend, so you can't snatch it from sister Sonya, right?"

Gu Yufei actually saw Gu Yuyao's psychology a long time ago. Since Gu Yuyao was rescued by David from the Wei family in the provincial capital, Gu Yuyao has changed a lot.

Originally, Gu Yuyao and He Zhigang had a very good relationship, but since then, the two often quarreled, and Gu Yuyao often used He Zhigang to compare with David, but as time passed, Gu Yuyao's feelings for David became weaker and weaker. After all, it is impossible for the two of them to meet each other.

But just when Gu Yuyao was about to forget David, David suddenly appeared in front of her again, which made Gu Yuyao's heart turbulent.

"Let's go in for dinner..."

Gu Yuyao herself knew that after this meeting, she and David didn't know when they would meet again, maybe never.

But at this moment, David doesn't know what Gu Yuyao is thinking. He just wants to see the 10,000-year-old ginseng king as soon as possible. No matter what method he uses, he must get the 10,000-year ginseng king. In the end, even if it is robbing, David will not Miss this opportunity.

After arriving at Renhetang, Zhou Zhigan had long been notified by He Zhigang and led someone to stand at the door to greet David. You must know that David's Xiao Huandan can make him a lot of money. David is the God of Wealth to him. Lord.

"Mr. Chen..."

Zhou Zhiqian stepped forward in person and helped David to open the car door.

"Zhou Zhiqian, is it true about the Wannian Shenwang?"

David asked anxiously when he got out of the car.

"It's true, this ten thousand year ginseng king was discovered by the Shen family in the northeast, but the Shen family doesn't do the business of

medicinal materials, so they let out the wind and wanted to find a suitable seller...”

Zhou Zhiqian said with certainty.

Seeing that Zhou Zhigan was so sure, David finally let go of his heart. Since it was true, it would be easier to handle.

“You go to the Northeast with me right now, and when you win the ten thousand year ginseng king, you will definitely benefit from you...”

David said eagerly.

“Okay, I can serve Mr. Chen, how dare I offer any benefits!” Zhou Zhigan said, and took out a few air tickets from his arms: “I have already booked the air tickets in advance, and I will wait for Mr. Chen to come...”

David was very happy when he saw this, but he had to admire Zhou Zhigan’s ingenuity. It’s no wonder that an outsider can be so prosperous in Yuncheng.

David took Zhou Zhigan, Lin Tianhu and Chifeng to the airport, but He Zhigang did not follow.

Chapter 646

After getting on the plane, it was almost evening when David and the others arrived at the Liaohe River in the northeast. As soon as they got off the plane, David felt a burst of coolness. The temperature here is much lower than that of Horendel.

Fortunately, David wore a lot of clothes, otherwise he would be really guilty.

After leaving the airport, a Mercedes-Benz was waiting at the exit, arranged by Zhou Zhiqian.

“Uncle...”

Next to the car, a young man waved his hand hastily after seeing Zhou Zhigan.

Zhou Zhigan took David and the others to the car, and then introduced David: “Mr. Chen, this is my youngest nephew, the child of my fourth brother’s family...”

David nodded slightly towards the young man, saying hello.

David knew a little about Zhou Zhigan’s family, and he introduced Zhou Zhigan on the plane.

Zhou Zhigan had a total of four brothers. He was the eldest. Because he was too poor at that time, coupled with the cold in the Northeast, and the crops did not like to grow, when he was eighteen years old, Zhou Zhigan went out alone.

Later, he gained a firm foothold in Yuncheng, and he became powerful and powerful. However, Zhou Zhiqian would return to his hometown every year, because he owns a medicinal herb business, and there are many medicinal herbs in the mountains and forests in the northeast, so he develops his own brothers together. Engage in medicinal herbs.

After so many years, under the leadership of Zhou Zhiqian, the Zhou family is considered a big family in the local small county, and not many can drive a Mercedes-Benz.

David and the others got in the car and soon came to a three-story villa. This is Zhou Zhigan’s home. Usually Zhou Zhigan’s fourth brother lives here, and when Zhou Zhigan comes back, he will also live here.

“Dad... my uncle picked it up...”

As soon as the young man entered the door, he shouted to a middle-aged man sitting on the sofa.

This middle-aged man is Zhou Zhiqian's fourth brother Zhou Zhicheng. Because his life has been good these years, Zhou Zhicheng plays cards and drinks tea every day, and he doesn't care much about company affairs.

Seeing that his eldest brother was back, Zhou Zhicheng hurriedly got up: "Brother, why are you here so soon, are you afraid that the King of Wannian will be taken away by others? I have already agreed with the Shen family to keep it for us, Who doesn't know that you specialize in medicinal materials business in Guannei, and now no one can afford it except our Zhou family..."

Zhou Zhicheng said with a smug look on his face, everyone in this area knows that their old Zhou family started out by making medicinal materials.

"Zhicheng, hurry up and send someone to arrange meals. We came here at noon and haven't eaten yet..."

Zhou Zhiqian said to Zhou Zhicheng.

Zhou Zhiqian knew that David and the others hadn't eaten at noon. It was dark now. David and the others must be hungry.

However, David has now reached the fasting period, so even if he does not eat for ten days, he will not feel hungry, but Lin Tianhu and Chifeng are afraid that they will not be able to bear it.

Zhou Zhicheng nodded, and hurriedly waved his hand to his son to order the cooking, while Zhou Zhicheng pulled Zhou Zhigan to sit on the sofa: "Brother, the Shen family doesn't understand the market at all, so when you make an offer, Press the price down a bit, and when you get Guan Nei, we can earn a fortune.

"

"Did the Shen family reveal how much money they want to sell?" Zhou Zhigan asked.

"I've heard rumors that the Shen family wants five billion, but I think three billion can be won. If we get it, we can earn tens of billions when we turn around..."

Zhou Zhicheng said excitedly.

"Three billion?"

David followed Zhou Zhigan with widened eyes in surprise.

This is simply too cheap. You must know that a thousand-year-old snow lotus is worth billions. This ten-thousand-year-old ginseng king will start at least ten billion, but three billion will do.

Seeing Zhou Zhiqian's surprised look, Zhou Zhicheng smiled slightly: "Brother, to tell you the truth, if you can find a genius doctor from within the customs and cure the illness of Shen Wansan, the head of the Shen family, the price is estimated to be cheaper..."

Chapter 647

"What happened to Shen Wansan?"

Zhou Zhiqian was stunned.

"The Shen family has always been in the timber business. Some time ago, Shen Wansan took people to Heixiazi Forest to cut trees, but no one came back for three days and three nights. Everyone went looking for it, but only Shen Wansan was found, but Shen Wansan seemed stupid. In the same way, food and water must be fed.

"

Zhou Zhicheng explained.

"Black Blind Forest?" Zhou Zhigan was startled: "Is Shen Wansan crazy, how dare he take people to Heixiazi Forest to cut down trees, you know how many years no one dares to go to Heixiazi Forest.

"

"Isn't this all because of money? The trees in Heixiazi Forest are tall and thick. The Shen family can't look at it without envy, so Shen Wansan took people there, but all of them died, only Shen Wansan was left. I've become a fool, but the Shen family didn't receive all the goods this time.

Zhou Zhicheng said this, and Zhou Zhiqian understood in an instant. No wonder no one had discovered this 10,000-year-old ginseng king before. You must know that there are many people picking mushrooms in the northeast. It turned out to be found in the Black Blind Forest.

"What is this Black Blind Forest?"

David couldn't help but asked curiously.

"Oh, Mr. Chen didn't know, there is a forest in our place, no one can come out alive when people enter it, and it is slowly spread that there are black blind people eating people in this forest, so it is named Hei Blind Forest. , no one dares to go in..."

Zhou Zhigan followed David to explain.

Zhou Zhicheng was stunned when he saw that Zhou Zhigan and David were so polite and called Mr.

He always thought that David, Lin Tianhu and Chifeng were all Zhou Zhigan's subordinates, and they came with Zhou Zhigan, but he didn't expect that it was not what he thought.

"Brother, who are these people?"

Zhou Zhicheng asked Zhou Zhigan at this time.

"Oh, this is Mr. Chen, who is here for the King of Ten Thousand Years Ginseng..."

Zhou Zhiqian said.

"Brother, we can take the 10,000-year-old ginseng king ourselves, why did you bring others?"

Zhou Zhicheng looked at Zhou Zhigan very dissatisfiedly. The reason why he told Zhou Zhigan was because he wanted them to buy the 10,000-year-old ginseng king himself, but he didn't want Zhou Zhigan to bring outsiders.

"Shut up..." Zhou Zhi glared at Zhou Zhicheng fiercely: "Even if we buy this 10,000-year-old ginseng king, we will give it to Mr. Chen.

"

Zhou Zhiqian's words made Zhou Zhicheng re-examine David. He found that David was just an ordinary young man, and he didn't have any noble temperament. He didn't look like the son of a big family. He didn't understand how his eldest brother was right. David is so respectful.

Although Zhou Zhicheng didn't say anything under the pressure of Zhou Zhiqian, he was obviously not convinced.

"Mr. Chen, my fourth brother is too greedy for money, don't take offense..."

Zhou Zhiqian smiled apologetically towards David.

"It's okay..."

David said with a smile.

Soon, the food was ready, Zhou Zhiqian greeted David and the others warmly, and prepared a room for David and the others.

It's just that David refused. He didn't want to live in Zhou's house. David was not used to the feeling of living in someone else's house. He still asked Lin Tianhu to find a hotel, and the three of them stayed in the hotel.

After settling in, David took Lin Tianhu and Chifeng to stroll around the streets of this small county town. Although it was not very prosperous, the scenery was good and the air was fresh.

Just as David was hanging out with Lin Tianhu and Chi Feng, in the hall of Zhou's house, Zhou Zhicheng called his son Zhou Wei to him.

"Dad, what are you calling me for?"

Zhou Wei asked suspiciously.

Zhou Zhicheng looked at Zhou Zhigan's room, and then whispered to Zhou Wei: "Do you know where the three people from your uncle live?"

Chapter 648

"You know, I told them the location of the hotel..."

Zhou Wei nodded.

"That's good, you go tell Lao Pao, let him lead people to scare the three people, it's best to scare the three people away..."

Zhou Zhicheng ordered.

"Why? Didn't the uncle bring those three people?" Zhou Wei looked confused.

"I don't know if your uncle has been injected with ecstasy and even brought outsiders to grab business. These three people are running for the Wannian Shenwang. Your uncle wants to give the Wannian Shenwang to others. Tens of billions of money, how can you hand it over to someone, let the old guns drive these three guys away, then we will win the ten thousand year ginseng king, and when we earn the money, I will buy you a Porsche..."

Zhou Zhicheng leaned into Zhou Wei's ear and whispered.

As soon as Zhou Wei heard the word "Porsche", he immediately nodded his head like a chicken pecking rice: "Dad, don't worry, I'll definitely handle it..."

After Zhou Wei finished speaking, he ran out and went to find the old gun.

That Lao Pao is a well-known gangster in a radius of 100 miles. He has hundreds of men. He usually makes a living by receiving some protection fees. Since the Zhou family has been in the medicinal material business, he has also been beaten twice by this Lao Pao. Bamboo sticks, but as the Zhou family became more and more developed, they often gave the old guns and these ba5tards money and let them take care of the Zhou family's shop.

After going back and forth, the Zhou family became familiar with Lao Pao, and Lao Pao was about to become the Zhou family's personal bodyguard, so that no one would dare to provoke the Zhou family, but there was one exception, that is the Shen family.

The Shen family made their fortune relatively early, and they are still in the timber business. They all know that logging in the mountains is all about hard work and life-threatening work, so even if they are veterans, they would not dare to provoke the Shen family. The group of lumberjacks below the Shen family is enough. These ba5tards are drinking a pot.

After David took Lin Tianhu and Chifeng around, he returned to the hotel.

But David and the others just walked to the door of the hotel, but they were directly blocked by a group of vicious people with sticks in their hands.

David glanced at the people in front of him, all of them were ordinary people, not even a martial artist, and he understood that these guys were just gangsters.

David was too lazy to pay attention to them and took a step back, while Lin Tianhu took a step forward and stood directly in front of the group of people.

Lin Tianhu has been the underground emperor for so many years, and he has long had that kind of big brother temperament. He just stood outside like this. The guys in front of him were all stunned when they saw Lin Tianhu, and unconsciously took two steps back.

“What are you looking at?”

At this time, among the group of people, a man with a big shoulder and a round waist and no hair on the top of his head roared at Lin Tianhu.

This person is Lao Pao. Seeing that his subordinates were scared back by Lin Tianhu alone, Lao Pao felt unable to hang his face, so he stood up.

“Look at you?”

Lin Tianhu asked disdainfully.

“Do you know that this is my territory? Now you leave Liaohe for me immediately, don't let me see the three of you, or I will break your legs...”

The old gun said fiercely.

“fcuk, I'll give you a face. You dare to play a big knife in front of Guan Gong. When I was hanging out, you guys were still peeing and playing in the mud...”

Where did Lin Tianhu suffer from this kind of anger, and he planned to act after scolding.

But at this moment, David's eyes suddenly saw a familiar figure, that is Zhou Zhigan's nephew Zhou Wei, Zhou Wei was hiding behind a big tree, secretly watching the situation in front of him.

Although it was dark now and the distance was not too close, after David entered the inedia period, his eyesight was obviously different from that of ordinary people, and he spotted Zhou Wei at a glance.

Seeing Zhou Wei, David understood everything in an instant. He reached out his hand to stop Lin Tianhu, and then said to the old gun: "Brother, we are new here, and it seems that there is no place to offend you, why are you driving us away?"

Chapter 649

Lao Pao looked at David: "You didn't offend me, but you offended someone who shouldn't have offended. Someone told you to get out of here, understand?"

"Understood..." David nodded, it seemed that his guess was good.

After finishing speaking, David bypassed Lao Pao and the others and walked towards the hotel.

Lao Pao saw that David ignored them, walked directly inside, and immediately stretched out his hand to stop David.

But just as Lao Pao stretched out his hand, Lin Tianhu also did it, grabbing the Lao Pao's arm and twisting it with a little force.

"what..."

The severe pain made the old gun roar.

As if he didn't hear the screams, David continued to walk inside, while Chi Feng also smiled: "Lin Tianhu, these people are handed over to you, I'm going to sleep..."

"Don't, wait for half a minute, let's sleep together..."

When Lin Tianhu saw that Chifeng was going to leave, he immediately became anxious.

Now Lin Tianhu and Chifeng have slept together for a long time, and they have reached their age, so it doesn't matter.

Chifeng didn't say anything, and walked into the hotel with a smile, while Lin Tianhu was in a hurry. With a sudden wave of his hands, a gust of wind swept out. .

Lin Tianhu hurriedly chased after Chifeng, but Zhou Wei, who was hiding behind a tree at the moment, saw this situation, his eyes were so shocked that his eyes fell, and he sat down on the ground.

David went back to his room and stood by the window looking at the lush mountain forest not far away. He didn't know how many rare medicinal herbs there would be in the forest. This time David didn't have time, otherwise he really wanted to Go for a walk in the Black Blind Forest. Only in such an inaccessible place will there be old medicinal herbs.

After watching for a while, David was lying on the bed ready to go to sleep, but the voices of Lin Tianhu and Chifeng came from the next room, which made David feel helpless, so he could only get up and sit cross-legged. The sound insulation effect of this small hotel is too great Worse.

Feeling the spiritual energy of heaven and earth, the spiritual energy here is obviously much stronger than that of Horendel. Although for David's realm, such aura is only a drop in the bucket, but he couldn't sleep anyway, so David started to practice.

After a whole night of training, the spiritual energy in David's dantian hardly moved at all. Relying on the spiritual energy of the world alone is of little use to David.

At this moment, Lin Tianhu knocked on the door, asked David to have breakfast, and then went to Zhou's house together, and Zhou Zhigan took them to Shen's house to discuss the matter of Wannian Shenwang.

David opened the door, and Lin Tianhu said with a smile: "Mr. Chen, are you still used to living in this small hotel room?"

"Well, it's good, but the sound insulation is a bit poor..."

David said with a half-smile but not a smile.

Hearing what David said, Lin Tianhu was stunned, while Chi Feng, who was beside him, blushed and hurried downstairs.

Lin Tianhu also reacted and smiled awkwardly.

The three went downstairs to eat breakfast, and Zhou Zhigan sent Zhou Wei to drive to pick up David and them early.

After seeing David and the three of them, Zhou Wei's face became ugly, and he didn't dare to look at David and them, especially Lin Tianhu. Zhou Wei was so close to Lin Tianhu that he shivered all over, because last night's scene was really bad. It shocked him too much.

"You guy, I'm not a tiger who can eat people. Are you afraid of being like this?"

Lin Tianhu looked at Zhou Wei like that, and asked with a funny face.

Zhou Wei didn't dare to answer, he could only stare ahead and took David and the others to Zhou's house.

But David and the others just arrived at Zhou's house, but they saw Zhou Zhigan with Zhou Zhicheng at the door, while that Zhou Zhicheng was kneeling on the ground with his hands tied behind his back.

Chapter 650

Seeing David's arrival, Zhou Zhigan hurried forward to meet him, and with a thud, he knelt down for David, but he was lifted up by David gently.

"Zhou Zhiqian, what's wrong with you?"

David asked.

"Mr. Chen, my fourth brother is obsessed. He even dared to find someone to drive Mr. Chen away. It's just looking for death. I asked him to kneel down and apologize to Mr. Chen. I also hope that Mr. Chen will have a lot of people and save their lives..."

After Zhou Zhigan finished speaking, he kicked Zhou Zhicheng fiercely: "Beast, don't apologize to Mr. Chen..."

"Uncle, what are you doing?"

Seeing this, Zhou Wei asked in dissatisfaction.

"Snapped..."

Zhou Zhi gave Zhou Wei a slap in the face: "You kneel down for me too, your father and son have a nest of snakes and rats, if you can't let Mr. Chen turn out today, you will get out of the Zhou family, and all the Zhou family's property will be gone in the future. It's your share..."

Although Zhou Zhiqian has left his hometown, the development of the Zhou family is all thanks to Zhou Zhiqian's help. All Zhou Zhiqian speaks at home with a lot of weight.

When Zhou Wei heard that he was going to be kicked out of Zhou's house, he was so frightened that he hurriedly knelt to the ground.

"Kowtow, kowtow to Mr. Chen..."

Zhou Zhigan roared at Zhou Zhicheng and his son.

Don't mention how angry Zhou Zhigan is. A bunch of frogs at the bottom of the well are actually looking for a gangster to trouble David. Isn't this a tiger plucking hairs and looking for death?

Not to mention David, just Lin Tianhu next to David, who is an underground emperor in Horendel, and a famous person even in the entire Jiangbei, how can he be compared to this small gangster?

Zhou Zhicheng and Zhou Wei father and son could only kowtow to David, and soon the two of them had big bags on their heads.

"All right..."

David said lightly.

In fact, David didn't intend to pursue this matter. It was just a bunch of gangsters, just like chasing flies. is not important.

"Thank you, Mr. Chen, thank you, Mr. Chen..."

Zhou Zhiqian hurriedly followed David to thank him.

"It's not too late for us, let's go and see the king of the ten thousand years of ginseng, so as not to have too many dreams at night..."

David could not stay here for a long time because he still has challenges. He only has one day today, and he has to fly back tomorrow.

"Okay, we'll go to Shen's house right away..."

Zhou Zhigan nodded, and personally drove David and the others towards Shen's house.

Looking at the passing car, Zhou Wei, who was kneeling on the ground, asked, "Dad, what is the origin of these three people?"

Zhou Zhicheng's face was pale at this time, and his whole body trembled slightly: "Don't ask, we almost missed the sky..."

After speaking, Zhou Zhicheng slumped on the ground.

...

Because the county town is not big, David and the others quickly arrived at the Shen family. The Shen family's house is obviously more luxurious than the Zhou Zhigan's house.

David followed Zhou Zhigan into the Shen's house. As soon as he entered the courtyard, he felt a gloomy wind blowing, and the temperature obviously dropped a lot.

Zhou Zhigan and Lin Tianhu all tightened their clothes.

"What the hell is this weather, it's obviously summer, but it's so cold..."

Lin Tianhu said with a shudder.

"It's cold enough..."

Chifeng also followed suit.

"It's like this in the Northeast. It's hard to tell the four seasons of the year. Even if it snows on such a solar term, it's not surprising..."

Zhou Zhiqian explained.

But David didn't say anything, but glanced around with a frown: "Is this digging someone's ancestral grave? Yin Qi is so heavy..."

Zhou Zhigan didn't understand David's words, but Lin Tianhu and Chifeng understood.

Because the two followed David, but they had seen it. In the provincial capital, the Jiang family killed so many girls, and then buried them on a hillside. At that time, David saw that there was a lot of yin, so he ordered someone to take them there. dug there.

Now that David said such words, Lin Tianhu and Chifeng both understood why they felt cold.
