

# A Man Like None Other

## Novel

### Chapter 721

"My mother?" Xiaolan was surprised: "Then, what is the relationship between you and my mother?"

"Your mother and I were originally Bamboo Horses of Qingmen, and your grandfather used to be the Miao King of this Miao Village. Later, your grandfather was seriously injured in a battle with Tianwumen. He knew that he would die soon, so he entrusted your mother to I, also gave me the position of King Miao..."

King Miao said, poured himself another glass of wine, then raised his head and poured it, and continued: "But your mother ran away with another man in the stockade on the eve of our wedding, and I tried hard to find it. It took them a year to find out that your mother was pregnant, and I didn't even hold your mother's hand, she actually let other men sleep like this, and ruined the evil..."

The more Miao Wang said, the more gloomy his eyes were, and his teeth were rattling. Even after so many years, Miao Wang's hatred did not diminish at all.

When Xiaolan heard this, her eyes widened: "So, you...you killed my parents?"

King Miao was stunned for a moment, but still nodded: "Yes, after I found out that your mother was pregnant, I started to hunt them down, and later I wounded them with poisonous bees, and found that your mother had already given birth to a Girl, so I took the girl back, and that girl is you..."

"Since you hate my parents so much, why didn't you kill me and bring me back?"

Xiaolan was very puzzled why King Miao wanted to bring her back.

"You'll know why soon!" The corner of King Miao's mouth lifted, revealing a hideous smile, which made Xiaolan tremble.

"How did you know that your parents were killed by me?"

King Miao asked Xiaolan.

"This time I went to Horendel to catch David, and I met a person who was exactly like me, and that person was my sister. In fact, my mother gave birth to a pair of twins, and you only took me one. At that time, after my parents fled with my sister, they entrusted someone to adopt my sister, but they died of poisoning, and the bee venom from Miao Village was among them, so I doubted you..."

Xiaolan looked at King Miao with cold eyes, and sure enough, her adoptive father, who had been with her for twenty years, turned out to be her own enemy.

"So you still have a younger sister?" King Miao was a little surprised: "No wonder your parents didn't even care about their own children and ran away with serious injuries. It turns out that there is another one. It seems that they abandoned you on purpose to protect your younger sister. of..."

"I believe that my parents abandoned me at the time, and it was heartbreaking, so you don't have to say this in front of me..."

Xiaolan looked at King Miao coldly, and murderous aura began to appear on her body.

Now that the showdown is over, there is no need to hide it!

"I really regret it. If I could bring both of your sisters back then, wouldn't there be two people around me who are exactly the same as your mother..."

King Miao's gaze towards Xiao Lan became hot.

Seeing King Miao's eyes, Xiao Lan was startled, she hurriedly turned around and wanted to run out, but just got up, her body softened and she lay down on the table again.

"You... what did you give me to drink?"

Xiaolan looked at King Miao in horror.

"I just added a little acacia powder to your wine. Don't you want to know why I didn't kill you and raised you for twenty years? For today, I want you to replace your mother and serve you well. I..."

At this moment, King Miao unabashedly burst out his animal nature.

"brute..."

Xiaolan's eyes were full of anger, she wanted to raise her hand and slap that King Miao fiercely, but unfortunately she couldn't lift her hand.

"Don't worry, you will beg me to sleep with you soon, I have raised you for 20 years, of course it won't be cheap, Xia Chao, I will play with you first, and give him your broken body. , if you listen to me carefully, you still have a chance to survive, if not, you know how powerful Gu worms are..."

King Miao said that he stepped forward and picked up Xiaolan and threw it on the bed!

## **Chapter 722**

Xiaolan didn't have the strength to resist, and her breathing became more and more rapid, and her face became flushed.

Looking at Xiao Lan lying on the bed, King Miao smiled wickedly, holding a bottle of wine in his hand, and slowly began to drink.

"You look so much like your mother that I can't stop. I'll let you ask me to sleep with you in a while..."

King Miao was not in a hurry. He knew that the effect of the medicine had not been fully exerted. When it was fully exerted, Xiao Lan would become a lustful girl and would cry and beg him.

Xiaolan glared at King Miao. The heat of her body made Xiaolan's mind blur for a while. She felt dry and her mouth was dry. Looking at King Miao in front of her, she had the urge to jump up. She felt very empty and needed someone. to fill her void.

However, Xiaolan fought back with her last bit of reason, her lips were bitten and bleeding, her whole body was shaking, her hands were tightly clutching her collar, she was very hot, she wanted to strip off her clothes, but That last shred of sanity kept her from doing it.

"You continue to carry it, I see how long you can carry it..."

The corner of King Miao's mouth twitched, and another gulp of wine poured into his stomach.

At this time, David, who was in the secret room, slowly stood up, looked at the poisonous corpses in the room, and smiled with satisfaction.

Although these poisons did not make him break through the realm, they also filled his dantian with spiritual energy, and he was approaching the edge of breaking through.

"I wonder what happened to Xiaolan?"

Because David was in the secret room, he didn't know the time outside or how long he was locked up.

After raising his foot and kicking open the iron door of the secret room, David realized that it was already dark outside.

Bypassing the sentry post, David went to Xiaolan's room. He wanted to talk to Xiaolan to avoid worrying about Xiaolan.

But after entering the room, David discovered that Xiaolan was not in the room, and the room was empty.

"It's so late, where can she go?"

David frowned slightly, wondering where Xiaolan went so late.

But soon, there was a flash of coldness in David's eyes, and he shouted that it was not good, and the whole person rushed out of Xiaolan's room and went straight to Miao Wang's house.

In King Miao's bedroom, Xiao Lan's hands began to uncontrollably undress. Seeing Xiao Lan's clothes being unbuttoned one by one, revealing the bright red underwear inside, King Miao's eyes became even hotter.

"Hahaha, these 20 years of hard work are worth it at this moment..."

Miao Wang smiled lewdly, looking at Xiaolan with a pair of eyes.

Xiaolan was already sweating profusely, desperately trying to suppress the desire in her heart, but the medicinal power of the acacia powder was too strong, and Xiaolan couldn't suppress it at all.

She thought about killing herself by biting her tongue, but now she doesn't even have the strength to bite her tongue.

Xiaolan's body was red in white at the moment, almost dripping water when she touched it.

wow...

Just when Xiao Lan's clothes were about to take off, there was a sudden sound of glass breaking, and then David rushed into the room.

Seeing David who suddenly broke in, King Miao was stunned. He couldn't think of how David escaped from the secret room.

Didn't those poisons do him any harm?

how can that be?

King Miao looked shocked, but David had no time to control him. Looking at Xiaolan who was almost naked on the bed, David stepped forward, grabbed Xiaolan's hand, and then a burst of spiritual power entered Xiaolan. in the body.

And after seeing David, Xiaolan finally couldn't control it, she rushed towards David and kept kissing David's neck.

"Give it to me, give it to me quickly, I can't take it anymore..."

Xiao Lan's inner desire exploded, and she desperately tore David's clothes.

## **Chapter 723**

Now that King Miao is watching, this makes David a little embarrassed, but at this time, David did not stop Xiaolan, one hand continuously conveyed spiritual power to Xiaolan, while the other hand assumed a defensive posture, afraid of King Miao's sudden attack.

The spiritual power was continuously input into Xiaolan's body, but Xiaolan's symptoms were not relieved at the moment, which made David frown. He did not know what medicine this King Miao gave Xiaolan, and the effect of the medicine was unexpected. so big.

On the side, King Miao looked at all this, his eyes were scarlet, and his anger was burning: "David, I will kill you..."

You must know that Xiaolan has been raised by King Miao for 20 years, ready to enjoy herself, but now she is held in David's arms, how can King Miao not be angry.

King Miao slapped David with a palm, but he did not use all his strength. He was afraid of hurting Xiaolan, and he would not be able to explain it to Tianwumen.

David was hugged and entangled by Xiaolan, and there was no way to resist King Miao's palm. Seeing King Miao approaching him, David could only pick up Xiaolan and jumped up from the window.

At this moment, he couldn't care about Xiaolan's clothes not covering his body, so he first found a place to withdraw Xiaolan's medicinal effect.

Seeing David running away with Xiao Lan in his arms, King Miao hurriedly chased after him, and other Miao village members who heard the movement also rushed over here with torches.

David hugged Xiaolan and galloped fast. After a distance, David took out a bag of silver needles, and then quickly pierced the three acupoints of Huimen and Tiantu among Xiaolan's people.

Using spiritual power alone, David couldn't suppress the medicinal effect of Xiaolan's body, so he could only use acupuncture to force the medicinal power out.

After the three needles were pierced, Xiao Lan's crazy movements stopped instantly, and she stared at David in a daze. After a few seconds, she spit out a mouthful of black blood with a wow.

Xiaolan's eyes suddenly became clear, and the frenzy in her eyes subsided, but her face was still a little red at the moment.

Xiao Lan, who had sobered up, was instantly embarrassed when she saw that she was naked, and then that David's clothes were torn to tatters by herself.

At this moment, King Miao had already led someone to catch up, and directly surrounded David and Xiao Lan.

Seeing this, David hurriedly took off his clothes and surrounded Xiaolan.

King Miao couldn't help being a little surprised when he saw Xiaolan's eyes were clear and the medicinal power had subsided. He didn't expect David to use such a fast time to restore Xiaolan.

"Xiao Lan, as a member of the Miao Village, you let David go privately, and you still follow David to do sloppy things, what's your sin?"

King Miao took the lead and asked Xiaolan.

Now that there are so many members of the Miao Village, including the five major heads, Miao Wang always has to find an excuse. He can't say that he wants to sleep with Xiaolan. David rescued Xiaolan, right?

After all, everyone in Miao Village knew that Xiaolan was their righteous daughter. If she did that, wouldn't she be inferior to a beast?

Xiao Lan was stunned by King Miao's pre-emptive question, and looked at King Miao angrily, but didn't know how to answer.

Seeing that the villain of King Miao complained first, David immediately said angrily: "You old bastard, obviously you wanted to attack Xiaolan, but I rescued her, so you are the villain who complained first..."

"Full of nonsense, who in Miao Village doesn't know that Xiaolan is my righteous daughter, I have raised her for 20 years, and treat her as my own daughter, how could I do such a thing to him, it's obviously you who lied to Xiaolan, let her let you out, you are still doing sloppy things, the clothes on your body can prove it, if I hadn't bumped into it, the two of you would have turned upside down by now..."

King Miao roared at David in a righteous manner.

## Chapter 724

The people in Miao Village also looked at David angrily. You must know that Xiaolan is the goddess in the hearts of many people in Miao Village. Now David, an outsider, has taken the lead. How can they not be angry.

"David, you don't have to argue. King Miao has worked hard to raise Xiaolan for 20 years. How could it be like what you said?"

"That's right, it was Xiaolan who was indiscreet and broke the rules in the stockade..."

"Kill them, kill them..."

Soon, many people in Miao Village shouted, and the crowd was excited...

Xiaolan was wrapped in David's clothes at the moment, and she was speechless. She knew what she said, and no one believed her.

And David looked at the shouting people in Miao Village, suddenly the corner of his mouth raised, and sneered: "A bunch of ignorant guys, well, I admit

what you said, I just put Xiao Lan to sleep, but it's cool, you can take it What should I do? Come on if you have the ability..."

David's provocation made the people in Miao Village even more angry, but no one dared to take the initiative to step forward. You must know that David was the existence who killed Wu Zong, who dared to come forward to court death.

Seeing that no one dared to move, David looked at King Miao with a sarcastic expression on his face: "Are all of your Miao villages scumbags, are they all straw buns? Otherwise, you old beast will come up and die..."

King Miao glared at David, his teeth rattling: "David, don't think that you are invincible after killing Qin Xiaolin, although I haven't reached the realm of Wuzong, but this is Miao Village, mine. Territory, how can I spare you..."

King Miao's whole body was full of anger, and now in this situation, he had no choice but to act.

The aura of the Great Grandmaster's peak spread toward the surroundings, and the terrifying pressure caused the surrounding trees to sway, as if a gust of wind swept through them.

"Don't scare me with this trick, just be practical..."

David looked disdainful and didn't care about King Miao's anger at all.

"I'll make you regret it right away, don't think that only you can have a strong body..."

After King Miao finished speaking, black air began to emerge from his body, and the black air drifted around. Soon he heard a rustling sound from the surrounding mountains and forests, as if countless insects were crawling on the grass.

Immediately afterwards, from all directions, countless black bugs with hard armor on their backs kept pouring in, and there were thousands of them.

Seeing these insects, David was overjoyed. He knew that King Miao wanted to use poisonous insects to attack him, but David was least afraid of poisonous insects. He could just use these poisonous insects to make his dantian more spiritual.

The people in Miao Village, after seeing these insects, avoided the road one after another, but Wu Litou's eyes flashed with surprise.

What made David strange was that the bugs did not attack him, but swarmed to King Miao frantically, as if they were biting King Miao.

"David be careful, that's an iron beetle, an iron beetle..."

Xiaolan reminded David loudly behind David.

Soon, those bugs covered King Miao's body, as if a black armor was worn on King Miao's body.

Seeing this scene, David instantly understood that these insects were not poisonous, nor were they attacking him, but were used for defense.

"Hmph, something that doesn't look good..."

David snorted coldly and took the lead in launching the attack.

The unpretentious punch slammed towards King Miao's chest.

Bang!

After a dull sound, King Miao's body did not move at all, but a large number of iron beetles fell to the ground on his chest and died, but soon another iron beetle filled the blank.

"Hahaha, David, I spent my whole life trying to create armor with these iron beetles. My armor has no weaknesses, no matter where you attack, it is useless.

“

King Miao laughed arrogantly.

David looked at King Miao's arrogant appearance, and the corner of his mouth raised slightly: "Since there is no weakness, then we will try hard..."

## Chapter 725

After finishing speaking, David exuded a terrifying aura, and the terrifying aura made all the members of the surrounding Miao Village terrified and retreated.

"This... This David's strength has increased a lot..."

Dali Tou felt the terrifying breath on David's body, and his face was full of surprise.

When they were in Kyoto, the five of them fought with David. At that time, David's strength was not so terrifying.

Seeing this, King Miao also hurriedly urged the momentum. The two momentums collided, instantly uprooting the surrounding trees, as if the wind had raged.

"David, that iron beetle is as hard as iron, and its wings are very sharp, you have to be careful..."

Xiaolan reminded David loudly.

These iron beetles are not just armors. As long as they flap their wings, it means that there are countless sharp blades around King Miao. If David attacks any part of King Miao, he may be cut!

"Traitor, when I kill this David, I will take care of you..."

King Miao glared at Xiaolan, and then slapped David with a palm.

Along with the palm wind, countless iron beetles fluttered their wings and flew towards David.

A pair of wings, under the illumination of the moonlight, revealing the cold light.

David punched out and blocked King Miao's palm. At the same time, the terrifying fist style also killed a lot of iron beetles, but some of them passed through David's defense. There were wounds on his body.

David's clothes were given to Xiaolan, and the bronzed skin was exposed. After being scratched by the wings of the iron beetle, dense wounds appeared soon. Although the wounds were small, they were almost all over the upper body.

Seeing David's body being injured, King Miao was instantly excited: "Hahaha, I thought your body was so strong, but it turned out to be just like that..."

After saying that, King Miao jumped up and shot again with a palm. The huge palm wind instantly depressed the surrounding ground to a few points, and the surrounding Miao village members stepped back one after another.

With the palm wind, all the iron beetles on King Miao's body broke away from King Miao's body and rushed towards David.

bang...

After a loud bang, the ground on which David was standing collapsed instantly, and David's body was also surrounded by iron beetles.

The dust was flying, and a huge noise echoed in the Miao Village.

"David..."

Seeing this scene, Xiaolan cried out in a heart-wrenching voice.

And the corner of King Miao's mouth raised, he knew that even if David was not beaten to death by his own palm, he would be mashed into flesh by the iron beetle.

"Bring this traitor back to me, I will teach her a good lesson..."

King Miao glanced at Xiaolan, and then ordered.

Wu Li nodded and ran towards Xiao Lan together.

Seeing this, Xiaolan glared at King Miao: "I can't avenge my parents in this life, and I won't let you go as a ghost in the next life..."

After Xiaolan finished speaking, she slapped her head with a palm. She would rather commit suicide than let King Miao defile her.

When Dali saw this, he controlled Xiaolan, but did not let her commit suicide.

"Let go of me, let me go, I won't go back if I die..."

Xiaolan struggled desperately, but to no avail.

Just when Wu Litou was about to bring Xiao Lan to King Miao, a cold voice suddenly came.

"Let go of her, you may still be alive..."

Soon, a figure slowly walked out from the cave.

"You...you're not dead yet?"

Wu Litou was shocked when he saw the figure walking out.

"David..." Xiao Lan burst into tears when she saw that David was still alive.

David's body was emitting a faint golden light at the moment, and under David's feet, countless iron beetles also swarmed up from the collapse, but the sharp and cold wings on these iron beetles were gone.

"This body is really strong, it's a pity not to become a corpse king..."

King Miao's expression changed, and his face was a little ugly.

## Chapter 726

"Those poisons that you practiced as a corpse king have already become my belly Chinese food, and you dare to mention the matter of practicing the corpse king?"

David raised the corner of his mouth: "If you still have those good things, I don't mind being locked up by you once..."

King Miao took a deep breath and tried to restrain the anger in his heart, knowing that those were poisons that he had carefully cultivated, but now they all died tragically.

"David, either you die or I die today..."

After King Miao finished speaking, he suddenly waved his hand, and those iron beetles that lost their wings quickly climbed onto King Miao's body, forming another armor on King Miao's body.

"Then I will follow your wish..."

David jumped up and arrived in front of King Miao in the blink of an eye.

bang bang bang...

There were repeated dull sounds, and David smashed King Miao with every punch, but they were all blocked by those iron beetles, and dozens of iron

beetles would die with each punch, but Soon there will be more iron beetles coming up, and I feel that the iron beetles will never be killed.

King Miao's eyes flashed with pride, and the corners of his mouth raised, "You can't hurt me, let me try this time to see if your body is so strong..."

After speaking, King Miao also punched David. Although the punch was powerful, it did not cause substantial damage to David.

In an instant, the two banged against each other, punching to the bone, but neither could do anything to the other.

Although King Miao's strength has not reached the realm of Wuzong, he has been immersed in the realm of the great master's peak for many years. King Miao's strength should not be underestimated. In addition, he has an iron beetle to protect himself, so he can still follow David to a tie.

bang...

Fighting fists against each other, David and King Miao both took a few steps back and opened up the distance.

The two punched dozens of punches each, and no one could do anything about the other, and they were deadlocked for a while.

"David, my iron beetles are endless. I want to see how many blows your body can withstand..."

King Miao said with a sneer.

David frowned slightly, and he also felt that the iron beetles were indeed a bit difficult to deal with. If he continued like this, he was afraid that the spiritual power in his body would be exhausted and he would not be able to kill these iron beetles.

"David, these iron beetles are afraid of fire, afraid of fire..."

At this moment, Xiaolan suddenly shouted at David.

David's eyes suddenly lit up, he never thought that ordinary insects would be afraid of fire.

After hearing Xiaolan reminding David, King Miao's expression changed slightly, but he quickly recovered: "I personally trained these iron beetles, and they are not afraid of fire at all..."

In order to prove that the iron beetles on his body were not afraid of fire, King Miao took a torch and shook it in front of him, but the iron beetles did not move.

"If you're not afraid of fire, you'll know after a try..."

The corner of David's mouth was slightly raised, and then a beating flame suddenly appeared on the palm of his hand.

This is the spirit fire used by David for alchemy, how can it be compared with that ordinary flame.

The light blue spirit fire was beating in David's hand. After seeing this scene, King Miao's eyes showed a bit of horror.

Immediately afterwards, David waved abruptly, and the flame instantly turned into a big fireball, heading towards the King Miao. The heat of the flame made many people run away.

Seeing this, King Miao hurriedly dodged, but some flames still fell on his body, and then there was a loud noise as if someone had poured gasoline. After the flames fell on King Miao, the flames instantly rose to a height of two or three meters. .

zizizi

The smell of burning came out, making people feel nauseous, and the iron beetles on Miao Wang's body fell one after another, and then wanted to escape, but it was a pity that these iron beetles had beating flames on their bodies and hadn't climbed much. Far away, it was directly burnt.

## Chapter 727

The charred bodies of subway beetles looked very terrifying.

Seeing that the iron beetles he had carefully cultivated were all scorched, King Miao was stunned and his heart was bleeding. Except for the poisonous bees, these iron beetles were his trump card.

"It's so fragrant. If this is fried in a pot, it must be delicious. Now that you don't have the iron beetle body protector, it means that the tiger has no teeth. What else do you have to fight with me..."

David sneered coldly, then flashed forward, and then punched King Miao.

Without the protection of the iron beetle, King Miao's body was instantly knocked out, and with the sound of bone cracks, King Miao's ribs were all broken.

"what..."

King Miao, who stood up with difficulty, shouted angrily.

"If you kill yourself now, maybe you can be a little more respectable..."

David said lightly.

"Suicide?" King Miao glared at David: "You think too much of me..."

After finishing speaking, there were bursts of black gas suddenly appeared from King Miao's body. These black gas were all highly poisonous, but King

Miao did not attack David with these poisonous mists, but with the rise of the poisonous mist, countless poisons in the Miao village began to rise. Running towards this side.

David was very excited when he saw that King Miao was going to use poison to deal with him.

However, these poisons did not attack David, but began to bite King Miao, but King Miao did not resist at all.

"Is he going to poison himself to death?"

David looked puzzled.

Soon, King Miao's body was bitten beyond recognition by the poison, and venom was oozing out of his body, and even his blood was black.

"David, today I want to die with you..."

King Miao roared angrily, and the deep black qi became thicker and thicker, and began to condense and form in mid-air.

"This is the shadow demon of Miao Village, you have to be careful, David..."

Xiaolan yelled at David.

When the other Miao village members saw this, they knelt down and bowed to the ground, all bowing their heads silently, and no one dared to look up.

I saw a huge ghost looming in the air, more than ten feet high, looking down at David.

And King Miao's body collapsed suddenly after forcing out the last trace of black energy, and the whole body was instantly shriveled, like a mummified corpse.

"go to hell..."

The magic shadow shouted angrily, but it was the voice of King Miao.

"Back up..."

After Dalitou felt the terrifying breath, he suddenly stood up and shouted.

The members of the Miao Village got up and ran back one after another, but no one dared to stop.

"David, run, run..."

Xiaolan shouted at David, but she herself ran back.

It can be seen that the people of these Miao villages are very afraid of this so-called ghost.

David looked up at the ghost in the air: "The body is dead, I'm still afraid of a ghost of you..."

rumbling...

Soon, the phantom fell from the sky, and the terrifying aura pressed directly on David, like two mountains.

David's feet quickly sank deep into the ground, and the terrifying aura was still pressing down.

"David..."

Seeing David like that, Xiaolan really wanted to save him, but the fear of the ghost made her unable to move at all.

"Don't come here..." David told Xiaolan: "Just a phantom, it can't hurt me..."

After David finished speaking, his body suddenly appeared golden light, and the whole person was like a burning sun, and the dark night sky shone brightly.

And under the sudden golden light, the shadow disappeared instantly, not even a trace of it could be seen.

When the golden light slowly disappeared, nothing was left except the dry corpse of King Miao on the ground.

When the others in Miao Village saw this, they were all terrified. That was the ghost of King Miao's burning life, how could it be so vulnerable?

## Chapter 728

Glancing at King Miao's corpse, David looked around, and the people in the Miao village were all trembling and looked at him in horror.

Wu Litou was full of cold sweat, and David at this moment was like a devil in their eyes.

"Can any of you avenge your King Miao?"

David asked sharply.

Hundreds of people from the Miao Village were silent, and the five major heads were silent, not knowing how to answer David.

"David, let them go..."

At this time, Xiao Lan came over.

In any case, she has also lived in Miao Village for 20 years, and many people here have taken care of her.

Regardless of whether these people were involved in killing her parents back then, now that King Miao is dead, Xiao Lan doesn't want to pursue it anymore.

"If you can't let them go, it depends on their attitude..."

David has sharp eyes. If these people want to take revenge, David will not be merciful. He has always been ruthless when dealing with enemies.

"King Miao is dead. This is a grudge between Mr. Chen and King Miao. Other members of our Miao Village will never seek revenge on Mr. Chen..."

Dalitou stood up and said at this time.

He knew that if he didn't speak, no one dared to speak. Now in the entire Miao Village, there is no one with more power than him except him.

"We dare not seek revenge against Mr. Chen..."

At this moment, those Miao Village people said in unison, each with a very respectful attitude.

In this society, only the strong are respected.

"David, let's go, get out of here, I'll never go back to Miao Village again, I'm going to find my sister..."

Xiaolan pulled David.

David hadn't opened his mouth yet, but the head of Dali knelt in front of Xiaolan with a thud.

"Miss Xiaolan, you must not leave now. If you leave, our Miao Village will be finished, and we will all die..."

Dalitou kept kowtowing to Xiaolan: "Xia Chao from Tianwumen, he promised to marry Miss Xiaolan three days later. If Miss Xiaolan is gone, and now King

Miao is dead, Tianwumen will deal with our Miao Village easily. , we will all die in the hands of Tianwumen, beg Miss Xiaolan to save us..."

"Please, Miss Xiaolan, save us..."

Other Miao villagers also knelt in front of Xiaolan.

When King Miao was not dead, Miao Village could still fight with Tianwumen, but now, Tianwumen can crush Miao Village in an instant.

If someone from Tianwumen came to pick up Xiaolan three days later, but Xiaolan was gone, they would definitely anger the others, and even destroy the entire Miao Village.

Xiaolan looked at the many Miao people who were kneeling on the ground, with a look of embarrassment on her face.

In order to save these people, she could never let herself marry that Xia Chao and lose her innocence.

But if you don't save it, Xiaolan can't bear to see these people who have been together for 20 years.

"Let's leave in a few days, and meet the people from Women that day..."

David said lightly.

Xiaolan looked at David with gratitude in her eyes, because she knew that David stayed here in order not to embarrass herself.

And those Miao villagers are also grateful: "Thank you, Mr. Chen for saving your life..."

In fact, David had his own plans. He didn't plan to leave, but wanted to see if Tianwumen really had a spiritual spring.

David and Xiaolan continued to stay in Miao Village, and these few days, Miao Village people worshiped David as a god, eating and drinking and entertaining, which made David feel very comfortable.

And Xiaolan also had a good impression of David after going through this incident. She confided her feelings like David from time to time, and often wore very few clothes to walk around in front of David's eyes, which made David burn with lust.

Xiaolan didn't care, after all, David had already seen her body...

## Chapter 729

At the same time, on a deserted island in the South China Sea, four girls were playing at the seaside, and the afterglow of the setting sun shone on the four girls, making the four girls like angels descended from the earth.

"Sister Sonya, there are a lot of shells here, and we can add food at night..."

"Xiaoru, run slower and let me pick up some..."

"I'm here too..."

The four girls were running to pick up shells. These four were Sonya, Gu Linger, Wu Meier and Xiaoru.

After David and Xiaolan went to Miao Village, Long Wu brought Sonya and the others to this nameless island.

At that time, there were only two people on the island, Ervin and Xiaoru. Seeing this barren island, Sonya and Gu Linger were still pounding in their hearts.

However, after seeing Xiao Ru, Sonya's heart was relieved. After all, she knew Xiao Ru, and when she went to the Taoist Sect to treat Xiao Ru, Sonya followed.

And every time she used the seven-star plate to help Xiaoru absorb the cold air from her body, Sonya would also go with David, and Sonya and Xiaoru gradually became familiar with each other.

Soon, the four girls became familiar with each other, playing and playing, and brought life to this barren island.

Not far away, Long Wu and Ervin were sitting on a boulder. Old Ervin was holding his big cigarette pouch and looked at a small island in the distance with a dull gaze.

This island not far from the unknown island is Suolong Island. It is rumored that there are two giant dragons locked here, a flame dragon and an ice dragon. Because of this, the climate on Suolong Island has always been polarized. On the west side, the temperature is very high, and there is a volcano that can erupt at any time, while on the east side of the island, the temperature is very low, it is frozen all the year round, and there is an iceberg!

Where the two sides of the island meet, there is an isolation belt, and this isolation belt is called the road of death. If someone goes directly from the east to the west, or from the west to the east, they will definitely die instantly.

Therefore, after going to the island, you can only move on one side, and there is only one day to land on the island every year, that is, July 15. On this day, the climate on the island will be neutralized. It is rumored that this day is also a rendezvous between two giant dragons. On the day, the gantry will be opened wide!

Many people once wanted to go to the island to see two giant dragons, but unfortunately they were unsuccessful. In addition to the wild beasts on the island, there are many people from the dragon family guarding the island. It is rumored that the dragon family is the guardian of the giant dragon. servant.

It's just that these are rumors, it's been a long time, and no one knows whether the rumors are true or not. However, on July 15th, many people will secretly land on the island to obtain some rare resources. There is no one on the island all the year round, whether it is a thousand-year-old snow lotus, a thousand-year-old mountain ginseng, or some exotic beasts, there are countless...

"Butler Long, you don't have to worry too much, now that the young master has entered the period of inedia, far exceeding our prediction, there should be no problem..."

Long Wu said to the Ervin.

Ervin didn't speak, but took a deep breath of dry smoke, then slowly spit it out and said, "I don't know if I released the news that the young master is still alive in advance, is it right or wrong, the Long family on Suolong Island will definitely send more Protected by many hands.

"

"Steward Long, you are doing this for the sake of the eldest lady, and you don't have to blame yourself. Now, apart from Xiaoru's ice crystal, David's girlfriend is actually a fire spirit body. This should be God's will. I believe that on July 15th That day, the young master will be fine..."

Long Wu comforted the Ervin.

"God's will, it's really God's will, but the only thing I worry about now is whether the young master will sacrifice the lives of these girls to achieve himself..."

Ervin frowned and looked worried. He had been with David for three years, and he knew David too well.

## Chapter 730

Long Wu was also silent. Although he didn't have much contact with David, he still knew a little about David's temperament. When he was in danger, David would never let his girlfriend's life save him. .

"You can only take one step at a time. The young master started too late. Only after obtaining the dragon crystals of Ice Dragon and Yanlong can the young master have the capital to compete with the Long family..."

Long Wu said heavily.

The Ervin slowly looked at the playful girls and sighed helplessly.

.....

Miao Village, today is a big day. Xia Chao from Tianwumen came to marry Xiaolan. Many wedding teams from Tianwumen arrived in front of Miao Village very early.

At this moment, Xiao Lan was well-dressed in the room, looking at David with a bit of resentment in her eyes.

"David, what do you mean? Are you planning to marry me to that Xia Chao?"

Although today is his big day, there is no trace of happiness on Xiaolan's face.

In the past few days of contact, Xiaolan has long given her true feelings to David. Although she knows that David already has a girlfriend, Xiaolan doesn't care.

"I didn't say it, it's just a passing scene. After entering Tianwumen, I won't really let that Xia Chao attack you..."

David explained.

"You can remember, I'm here to help you, if that Xia Chao does something to me and you don't stop me, I'll kill myself, and then I'll be a ghost and I won't let you go..."

Xiao Lan said reluctantly.

"Don't worry, if my guess is right, that Xia Chao may not even have the ability to be a man. The reason why he wants to marry you is because he has other plans..."

David smiled lightly.

When he saw Xia Chao for the first time, David realized that there was something wrong with Xia Chao's aura. Although Xia Chao was the strength of a great master, there was a feminine air in his breath, and he didn't have the kind of masculinity of a man. Ping suspected that Xia Chao had practiced sorcery and no longer had the ability of a man.

The reason why she wanted to marry Xiaolan was because she took a fancy to Xiaolan's naturally charming body, and absorbed the essence of Xiaolan's body by sorcery to help herself cultivate.

This Xia Chao must have also absorbed a lot of women, which greatly increased his strength, but also made his aura softer.

Xiaolan was still a little worried and wanted to say something, when Dalitou came in.

"Miss Xiaolan, Xia Chao from Tianwumen has arrived at Zhaimen to wait..."

Dali said.

"Well, I'll go out right now..."

Xiaolan nodded, looked at David again, put on the red hijab, and was supported by Dalitou out of the room.

Wu Litou escorted Xiaolan, and dozens of Miao Village members followed behind her.

David was among these Miao village members.

When he arrived at Zhaimen, Xia Chao was already dressed in red and was waiting on a tall horse.

Seeing Xiaolan also appearing in a red dress and a red hijab, Xia Chao raised the corner of his mouth and secretly became happy.

But after looking around, Xia Chao did not find the figure of King Miao, so he frowned and said to Dali, "Where is your King Miao?"

"Master Xia, King Miao didn't come out. You also know that he has worked hard to raise Miss Xiaolan for 20 years. Now that Miss Xiaolan is about to get married, King Miao can't bear it anymore and is crying in his room..."

Dalitou explained calmly.

"I can't see that King Miao still has such a temperament..." Xia Chao smiled: "Our two families are so close, when the time comes, let Xiaolan come back often to see..."

After Xia Chao finished speaking, as soon as he waved his hand, someone from Tianwumen brought a sedan chair over and helped Xiaolan onto the sedan chair.

Soon, the welcoming team set off towards Tianwumen, and there were dozens of Miao Village members in Wulitou as their family members.
