## Novel

### Chapter 851

David gritted his teeth and looked at Sonya and Gu Linger. He didn't know what to do for a while.

"David, leave us alone, run away..." Sonya shouted.

"David, they won't let us go even if you capture it without any hesitation. You don't have to hesitate, just kill me and run away by yourself. I don't want to be spoiled..."

Gu Linger shouted at David, she hoped that David would kill her, after all, it would not end well if it fell into the hands of someone with a scheming like Xuanyuan Kai, not to mention that Xuanyuan Kai had already shown his intentions to them. .

"Shut up, damn..."

Xuanyuankai's face turned slightly cold, and he exerted a little force in his hands, and Sonya and Gu Linger were sweating profusely in pain!

"Stop..." David was furious when he saw this, but he didn't dare to do it easily.

He was not sure that he would kill with one blow. After all, Xuanyuan Kai was the peak strength of the great master, second only to Wu Zong. David was not sure that he would kill with one blow.

If Xuanyuankai can't be killed with one blow, then Sonya and Gu Linger in Xuanyuankai's hands are in danger.

"What? Figured it out?" Xuanyuan Kai sneered.

"Okay, I'll go with you, you can do whatever you want..."

David put away the Dragon Slaying Sword in his hand, put his hands on top of his head, and said with a gray face.

Now David has no other choice, except to listen to Xuanyuan Kai's words, he can't do anything.

"David, don't listen to him..."

"Don't listen to him..."

Sonya and Gu Linger shouted desperately.

However, David didn't seem to hear it, and walked slowly towards Xuanyuan Kai.

Seeing that David was so witty, Xuanyuan Kai's face became even more complacent.

"Second brother, if this guy is taken away by the Xuanyuan family, we will not be able to avenge the elder brother..."

Qin Xiaotian said anxiously when he saw David walking towards Xuanyuan Kai.

"Shut up!" Qin Xiaoxian was constantly adjusting his breath and treating his injuries, but he didn't want this Qin Xiaotian to chatter.

Seeing this, Qin Xiaotian closed his mouth in fright.

David put away his breath and slowly walked towards Xuanyuankai, but after taking two steps, David actually found that not far from Xuanyuankai, the snow wolf was lying on the ground, his body was carefully moving towards Xuanyuankai. He moved forward, and his eyes were fixed on Xuanyuan Kai.

Seeing Xuelang, David was overjoyed. Just now, he thought Xuelang left. After all, the temperature here has risen and the ice and snow have melted, so it is no longer suitable for Xuelang to live.

"You let the two of them go first, I will listen to you in everything, if you want my life, you can take it at any time..."

David said as he approached Xuanyuan Kai.

This was to attract Xuanyuan Kai's idea and prevent him from discovering the existence of Xuelang.

"Stop talking nonsense, come here obediently, and I will naturally let your woman go..."

Xuanyuan Kai said impatiently.

"David, don't, don't come here..."

Sonya and Gu Linger were still shouting, and they were sweating profusely.

"Don't worry, you two, we'll be fine..."

David gave the two a firm look, he didn't want to make the two girls anxious.

Just when David was only three or four meters away from Xuanyuan Kai, the Snow Wolf suddenly started...

"Roar..."

After a roar, Xuelang quickly bit Xuanyuankai's arm, the severe pain caused Xuanyuankai to scream, and then Sonya was released from his hand.

After Sonya got out of control, she ran away quickly, but Gu Linger was still being controlled by Xuanyuankai's left hand. As long as Xuanyuankai exerted force at this time, Gu Linger would die on the spot!

Just as Xuelang launched the attack, David also launched the attack at the same time, the Dragon Slaying Sword in his hand instantly appeared, and a sword slashed towards Xuanyuankai's left arm.

## Chapter 852

Blood splashed, Xuanyuankai's left arm was directly cut off by David's sword, and the broken arm was still holding Gu Linger, but Gu Linger rolled on the spot and got rid of the bondage...

"what..."

The severe pain caused Xuanyuan Kai to scream in agony, kicked Xuelang's chest fiercely, and kicked Xuelang out.

Snow Wolf rolled and stood up again, as if he was not injured.

Xuanyuankai was not even at the peak of the Great Grandmaster's strength, but in terms of strength, this Snow Wolf was comparable to Wu Zong, and Xuanyuankai's hasty kick could not hurt it at all.

Xuanyuankai's screams caught the attention of his subordinates. Seeing that his master was injured, the subordinates of Xuanyuan's family hurriedly got out of the battle with the Thunder Gate and came to Xuanyuankai's side.

Xuanyuan Kai looked at his severed arm with scarlet eyes.

"Kill him, kill them for me..."

Xuanyuan Kai roared and ordered his men to kill David.

But just as the Xuanyuan family's subordinates were preparing to attack David, a gust of wind suddenly hit, followed by a terrifying coercion, and everyone's expressions changed.

Because this breath is too terrifying, surpassing everyone present, feeling the pressure of this breath, whether it is the Grandmaster or Wu Zong, all of them are motionless.

David frowned and turned to look aside!

"Eldest nephew, why is there such a fire? Who are you trying to kill?"

I saw a middle-aged man slowly appearing. The middle-aged man was wearing a white training suit, stepping on a pair of cloth shoes, with a national character face, and there was no expression on his face.

And behind the middle-aged man, three people followed, and these three people were all martial arts masters, and their aura should have reached the fourth-grade martial arts.

"Uncle Zhao..."

When Xuanyuan Kai saw the person coming, his expression changed slightly and he shouted respectfully.

"Uncle Zhao..."

Seeing this, Cheng Kun also hurried over and shouted to the middle-aged man.

The middle-aged man glanced at everyone, and then asked Xuanyuan Kai, "Where is Chuang'er in my house? Did you see it?"

"Zhao Chuang is over there..."

Xuanyuan Kai pointed not far away and said.

It turned out that the person who came was Zhao Chuang's father, Zhao Ligu, the owner of Shadowless Villa, but a veteran martial artist.

Zhao Ligu looked in the direction Xuanyuankai was pointing, and found that Zhao Chuang was leading a group of men looking for dry wood to make a fire!

Zhao Ligu's face turned cold, and his anger rose instantly. Everyone felt Zhao Ligu's anger and couldn't help shaking!

Zhao Ligu walked towards Zhao Chuang, but the others didn't dare to do it, but just stared blankly.

David's expression was extremely solemn. This Zhao Ligu's strength seemed to be on the same level as Long Wu's. With such strength, David could not be an opponent at all, not to mention that there were several Wuzong masters behind this Zhao Ligu...

The sudden appearance of Zhao Ligu made Xuanyuankai, Cheng Kun and Qin Xiaoxian feel extremely disappointed in an instant!

They were still fighting for Longjing just now, but now, Zhao Ligu suddenly brought someone out, so how could this Longjing still have their business.

At this time, Zhao Ligu rushed to Zhao Chuang angrily, and slapped him fiercely.

Snapped...

"You ba5tard, who asked you to secretly come to Lock Dragon Island?"

Zhao Ligu asked angrily.

Zhao Chuang saw that his father was coming and was slapped. Instead of being unhappy, he said excitedly: "Dad, you came just in time, please save Xiaoru, hurry up and save her, she is frozen. now..."

Zhao Chuang hurriedly pulled Zhao Ligu and begged Zhao Ligu to rescue Xiaoru who was frozen!

Zhao Ligu glanced at Xiaoru, who had turned into an ice sculpture, and frowned slightly, but soon glared at Zhao Chuang and said, "You have nothing to do all day, so you know how to find a woman and come back with me..."

## Chapter 853

Zhao Ligu directly carried Zhao Chuang by the collar and lifted Zhao Chuang up.

No matter how much Zhao Chuang struggled, it was useless!

Seeing that Zhao Ligu was about to leave, both David and Xuanyuankai breathed a sigh of relief. After all, there was such a depressing master, they were afraid they would not even move.

"Dad, I'll go with you, but take my friend with me..."

When Zhao Chuang passed in front of David and them, he suddenly said to Zhao Ligu.

After all, David, Sonya, and Gu Linger are all Xiaoru's friends, and Xiaoru was frozen to save David. Zhao Chuang didn't want David and the others to stay here and be attacked by Xuanyuankai!

Zhao Chuang saw the melee just now, but his strength was low, and the subordinates he brought were not rivals of the two families. In addition, he was eager to find a way to save Xiaoru, so he did not help David!

Now that his father is here, he doesn't want to see Xiaoru's friends all die here.

It seems that this guy has a deep affection for Xiaoru.

"Okay, if you dare to play tricks on me to see if I don't break your legs, do you know how anxious your mother is to find you?"

Zhao Liguó glared at Zhao Chuang fiercely and said.

"No!" Zhao Chuang hurriedly agreed, and Zhao Liguó released him.

Zhao Chuang walked up to David: "Brother Chen, Sister Sonya, Sister Linger, you all come with me, so that no one dares to do anything to you..."

David and the others felt a little surprised when they looked at Zhao Chuang. They didn't expect Zhao Chuang to help them. After all, now that Xiaoru was gone, Zhao Chuang didn't need to be close to them.

Could it be that this kid Zhao Chuang also wanted to get Longjing, so he would help him?

But looking at Zhao Chuang's sincere eyes, it doesn't seem like a trick.

Finally, David nodded. After all, leaving with Zhao Chuang was the most suitable choice.

David took Sonya and Gu Linger along with Zhao Chuang to Zhao Liguó, Zhao Liguó just glanced at David and Sonya and didn't say anything, he turned and left!

This time, whether it was Xuanyuan Kai or Cheng Kun, they were all in a hurry. David ate Long Jing, how could he be taken away casually.

"Uncle Zhao..."

Xuanyuan Kai hurried forward and stopped Zhao Liguó!

"Eldest nephew, is there something wrong?" Zhao Liguó glanced at Xuanyuankai's severed arm, but he didn't show any expression.

"Uncle Zhao, you can't take David with you. He cut off my arm. I have to avenge this revenge..."

Xuanyuan Kai said to Zhao Liguó.

He didn't say that David ate Long Jing, otherwise Zhao Liguó would have taken David away even more if he knew about it.

"Did he cut off your arm?" Zhao Liguó was slightly taken aback.

From his point of view, David was not as strong as a seventh-grade grandmaster, so how could he cut off Xuanyuankai's peak arm?

Zhao Liguó thought it was Xuanyuankai and Cheng Kun fighting, their arms were chopped off in a melee. After all, the two of them did not see eye to eye, and everyone knew that as long as they met, they would fight.

Now when I heard that it was actually cut by David, I couldn't help but look at David more.

"Chuang'er, what's going on?"

Zhao Liguó asked Zhao Chuang.

After all, Zhao Chuang said that David was his friend. Since he was a friend, why would he cut off Xuanyuankai's arm?

Zhao Chuang looked at David, then at Xuanyuankai, and finally said through gritted teeth, "Dad, it was David who ate Longjing. They wanted to get Longjing, so there was a conflict..."

Zhao Chuang told the story of David eating Long Jing!

“Dragon Crystal?”

Hearing the words “Long Jing”, Zhao Liguó’s eyes suddenly burst into light!

Seeing Zhao Liguó’s expression, Zhao Chuang suddenly regretted it. He shouldn’t have said this to his father. Although he has no greed for anything about Longjing, his father will not be the same as him.

## Chapter 854

Xuanyuankai and Cheng Kun felt bad when they saw Zhao Liguó’s expression. This time, Long Jing and the others couldn’t even imagine it.

After David felt the gaze from Zhao Liguó, he instantly took two steps back.

“You swallowed Longjing?”

Zhao Liguó asked David.

David nodded, but did not speak!

“Dad, they are all my friends, Brother Chen, he...”

“Shut up...”

Zhao Liguó turned his head and glared at Zhao Chuang, and then ordered to his subordinate: “You take the young master away first...”

The two Shadowless Villa masters came over, directly set up Zhao Chuang and left, no matter how much Zhao Chuang struggled, it was useless at all!

After taking Zhao Chuang away, Zhao Liguó looked at David, stretched out his hand and said, “Boy, spit out Long Jing, I can take you away safely...”

"Uncle Zhao, this dragon crystal has been swallowed by this kid for a while. It is estimated that he has digested it. It is estimated that he can't spit it out..."

Xuanyuan Kai said to Zhao Ligu.

"Foolishness..." Zhao Ligu snorted coldly, without even looking at Xuanyuan Kai, but staring at David with icy eyes, an invisible coercion instantly enveloped David.

David felt a big mountain pressing down on his body, and then his legs began to tremble slightly.

"You guys still have some skills..."

Zhao Ligu was a little surprised when he saw that his coercion failed to overwhelm David.

David is only the strength of the seventh-grade great master, how can he withstand his own coercion?

To know the pressure that Zhao Ligu exudes, even if you are a master who has just stepped into the realm of Wuzong, don't even think about standing!

"Longjing is what I got, I won't give it to anyone unless I die..."

David slowly brought out the Dragon Slaying Sword!

The bright red blood flowed on the Dragon Slaying Sword, clearly visible...

"I didn't expect that a great master of yours would actually have such a sword in his hand. It seems that this time, I have made a worthwhile trip..."

Zhao Ligu's eyes brightened when he saw the Dragon Slaying Sword in David's hand.

David mobilized the spiritual power of his whole body, and the breath of his body continued to rise.

Facing a master like Zhao Ligu, even though David had eaten the Body Tempering Pill, his body was like an iron wall, and it would be difficult for him to take the next blow!

"Boy, I'm saying it again, spit out Longjing, and give me this sword. For the sake of your friend Chuang'er, I'll take you away..."

Zhao Ligu said to David again.

"I said, unless I die..."

David's eyes were firm.

"You die easily, don't you think about the two little girls behind you?"

Zhao Ligu pointed to Sonya and Gu Linger who were on the side.

David glanced at the two of them, as if he was saying the best farewell, and then stared at Zhao Ligu: "It's already at this point, and I don't have anything to think about, but even if I blow myself up, you'll never get Long Jing... .."

When Zhao Ligu saw that David was actually soft and hard, his face suddenly became extremely gloomy!

Suddenly, Zhao Ligu made his move, and a terrifying aura instantly enveloped David. David only felt his whole body tense, struggling to wave the Dragon Slaying Sword in his hand to resist, but found that it was very difficult for him to even draw the sword!

Zhao Ligu was afraid of David's self-destruction, so he took the lead to control David, and then slapped David's head with a palm!

"what..."

Seeing that Zhao Liguó slapped it with a palm, David roared, bursts of golden light suddenly burst out from his body, and a barrier appeared in front of David.

It's a pity that this barrier did not stop Zhao Liguó. Zhao Liguó didn't even pause for a while, and patted David's head directly with his palm!

But just when Zhao Liguó's palm was only a few centimeters away from David, when David even felt the breath of death, Zhao Liguó suddenly stopped.

## Chapter 855

The terrifying atmosphere surrounding David also disappeared in an instant, which made David a little surprised, and then looked at Zhao Liguó!

At this time, Zhao Liguó was staring closely at a ring on David's hand. The reason why he stopped was entirely because he noticed the ring!

Seeing Zhao Liguó's expression at this time, David frowned slightly, as if thinking of something, because Lin Tianhu and Chi Feng had the same expression when they saw their ring.

Soon, Zhao Liguó regained his mind. After his face changed slightly, he immediately returned to normal. He said to David: "Since you are Chuang'er's friend, forget it today, come with me..."

Zhao Liguó's sudden change made Sonya and Gu Linger stunned. They thought that David would die today, but they didn't want Zhao Liguó to stop!

Also surprised were Xuanyuan Kai and Cheng Kun. They couldn't understand what medicine was sold in Zhao Liguó's gourd!

But seeing Zhao Liguó's changes, David secretly breathed a sigh of relief, he thought it might be true.

"Sonya, Ling'er, let's go..."

David said to Sonya and Gu Linger.

The two girls followed behind David, and David followed behind Zhao Ligu, walking towards the shore together.

David and Sonya turned their heads from time to time to look at Xiao Ru, who had turned into an ice sculpture. The three of them were unspeakably uncomfortable.

"Uncle Zhao..."

Seeing that Zhao Ligu was going to take David away, Xuanyuan Kai immediately chased after him anxiously.

"busy?"

Zhao Ligu asked Xuanyuan Kai coldly.

"Uncle Zhao, this David ate Longjing, which should belong to all of us. In order to deal with the ice dragon, we have all done our best. Now you take David away, so the rest of us can't get anything. Arrived?"

Xuanyuan Kai said.

"I'll take him away, do you have an opinion?"

Zhao Ligu narrowed his eyes slightly, and a breath instantly enveloped Xuanyuankai.

Xuanyuan Kai only felt his legs soften, and the whole person instantly sat on the ground!

"No...no opinion!" Xuanyuankai's face was pale, but he still gritted his teeth and said: "Uncle Zhao, you just took David away like this, I believe my father

and Sect Master Cheng will definitely come to the door to ask for it. statement..."

Xuanyuan Kai used his father and Cheng Kun's father to threaten Zhao Ligu.

"You dare to threaten me?" Zhao Ligu frowned: "Don't think you are from the Xuanyuan family, I won't dare to touch you, I can crush you with one finger now, I'll see if your Xuanyuan family dares to find you Can't I go to Shadowless Villa?"

After Zhao Ligu finished speaking, he waved his sleeves gently, and Xuanyuankai flew upside down and fell heavily to the ground.

Although Zhao Ligu didn't kill him, Xuanyuan Kai was seriously injured this time!

Then Zhao Ligu looked at Cheng Kun and said, "I'll take them away now, do you have any opinion?"

Cheng Kun hurriedly shook his head and said, "What does Uncle Zhao do, how dare we juniors have any opinions..."

Cheng Kun didn't dare to say anything even if he had an opinion at this moment. After all, Xuanyuan Kai was a role model in front of him. He didn't want to be beaten and seriously injured!

Zhao Ligu snorted coldly and glanced at Qin Xiaoxian's group not far away!

"Zhao Zhuangzhu is casual, we don't dare to have any opinions..."

Qin Xiaoxian waved his hands in fright when he saw Zhao Ligu looking here.

Only then did Zhao Ligu take David away with satisfaction!

"Second brother, then David just left, don't we take revenge?"

Qin Xiaotian couldn't help worrying when he saw David walking away.

"Don't worry, he can't live, and the Shadowless Villa can't let him live..."

After Qin Xiaoxian finished speaking, he took the people and left...

## Chapter 856

"Damn..." Xuanyuankai was helped by his subordinates and wiped the blood from the corner of his mouth: "Go, let's go back and report to my father, Long Jing appeared and was eaten by David, this is a big event..."

Cheng Kun saw that Xuanyuankai was gone, he didn't stay, he took someone and left!

On the other side, David and the others followed Zhao Ligu to the beach, and the snow wolf followed far behind.

David was also very grateful to Xuelang for saving Sonya and Gu Linger, but Xuelang had adapted to the life here after all, and David could not take it away from Suolong Island.

And when Sonya and Gu Linger saw the snow wolf, they crouched down and waved to the snow wolf!

Snow Wolf ran over sensible, and then rubbed against the two girls, like a docile wolf dog!

"David, shall we take it away?"

Sonya looked at David and asked.

Xuelang also looked at David with anticipation in his eyes, and it seemed that he also wanted to leave here.

Seeing Xuelang like that, David could only nod his head.

Sonya and Gu Linger happily hugged Snow Wolf.

“Brother Chen...”

Zhao Chuang, who had been brought to the coast long ago, hurried over after seeing David, and then glanced at his father angrily.

“Come on board...”

Zhao Liguó said.

Everyone got on the yacht that Zhao Liguó and the others drove. Although the yacht was not as big as the cruise ship that David and the others came with, it was quite luxurious, and it was more than enough to accommodate them!

After getting on the boat, Zhao Liguó asked everyone to wait, but he called David to a room alone.

Seeing this, Sonya and Gu Linger hurriedly stood in front of David, they were afraid that Zhao Li would attack David!

“dad...”

Zhao Chuang looked at Zhao Liguó and wanted to plead for David!

“You wait outside, I’ll be fine...”

David smiled at Sonya and the others.

Since Zhao Liguó didn’t kill him on the island, he wouldn’t kill him when he got on the boat.

David followed Zhao Liguó into a room. When the door was closed, Zhao Liguó suddenly knelt down in front of David.

For this sudden move, David didn't feel much surprise, because he had already expected it.

"Zhao Liguó of Shadowless Villa, meet the palace master..."

Zhao Liguó's face was respectful, and he had long since lost the arrogance and ruthlessness he had when he was on Suolong Island.

"Master Zhao, get up..."

David helped Zhao Liguó up.

"Thank you, Hall Master!" Zhao Liguó stood up.

"Zhao Zhuangzhu, I have some doubts right now, you must tell the truth..."

David said after supporting Zhao Liguó.

"Palace Master, please tell me, I must know everything..."

Zhao Liguó nodded.

"Zhao Zhuangzhu, do you know who the previous owner of the Dragon Ring was? What is his identity?"

David raised his hand and asked, revealing the ring on his hand.

Since this ring was left by his father as a token of love for his mother, David must find out who his father is.

Such a ruthless man, he wants justice for his mother.

Zhao Liguó was stunned for a moment, and then said puzzledly: "Palace Master, don't you know who gave you the Heavenly Dragon Ring?"

"The owner of this ring, I have never seen it, it was given to me by someone else's hand..."

David replied.

Zhao Liguó suddenly realized: "Actually, I don't know who the previous owner of the Dragon Ring was. We only recognize the ring and not anyone. Even the thirteen entrances of our Heavenly Dragon Hall, I don't know where the other entrances are.!"

"Counting you, I've already found three halls..."

After David finished speaking, the whole person fell into contemplation!

At first he got this Heavenly Dragon Ring, and he always thought it was the head of the Old Ervin. Later, he met Lin Tianhu and Chifeng. Knowing the strength of the Heavenly Dragon Sect, David didn't take it too seriously at that time.

## **Chapter 857**

After all, a gangster in a small city like Lin Tianhu can also be a hall of the Dragon Sect, which shows that the strength of this Dragon Sect is also very general.

Although the later Chifeng was quite strong and was a master, in the entire martial arts world, there were so many masters as dogs, and David did not attract much attention.

But until yesterday, Ervin revealed the truth. He knew his identity and knew that this ring was actually a token of love given to his mother by his father. In addition to such a peerless master like Zhao Liguó, he was also a member of the Dragon Sect. This shocked David.

He now wants to know who his father is, how he created the Dragon Sect, and why the strengths of the various halls of the Dragon Sect are so different!

But these questions, it seems that no one can help David to answer, he can only rely on himself to explore.

David now has some expectations, looking forward to where the next hall of Dragon Sect will be, and what kind of strength will it be.

If there are more powerful tangkou like Wuying Mountain Villa, David may be able to destroy the Long family and rescue his mother by relying on the strength of Dragon Sect.

Just when David was thinking, someone suddenly shouted outside.

“Who is so bold to break into Suolong Island without authorization?”

When I heard someone drinking outside, it should be someone from the Long family.

“Palace Master, it should be from the Long family, I’ll go out and see...”

Zhao Liguó heard the explosion and said to David.

“I’ll go with you, don’t reveal my identity...”

David said.

Zhao Liguó nodded and walked out with David.

At this moment, a huge cruise ship was parked not far in front of them. On the deck of the cruise ship, Long Xingxu was standing proudly, followed by many Long family members, watching the icy and biting snow on Suolong Island disappeared. , replaced by a piece of brown soil and rocks, and Long Xingxu’s brows were tightly twisted together.

It is obvious that such a change in Suolong Island must be taken away by Longjing. Although this is just a legend, it does not mean that it is not true.

Now all he has to do is to find a way to stop the person who got Longjing, it is best to leave no one behind on the island.

“Master Long, I’m Zhao Ligu of Wuying Villa, and I didn’t intend to break into Suolong Island without permission. It’s just that the dog is playful. I’m just bringing him back...”

Zhao Ligu looked at Long Xingxu standing proudly and said.

Long Xingxu had already seen it the moment Zhao Ligu walked out. At this moment, he was thinking about whether the Longjing on the island was taken by Zhao Ligu. Strength, there is no way to stop Zhao Ligu.

“It turned out to be the owner of Zhao Zhuang. When you come to your son, you should always say hello to my Long family in advance. After all, anyone with strength like you can land on the island casually. It won’t take long for this Suolong Island to become an island. desert island...”

Long Xingxu said neither humble nor arrogant.

With the Long family behind him, Long Xingxu didn’t panic even in the face of a master like Zhao Ligu.

“Young Master Long, I wrote it down. Next time I come to Suolong Island, I will tell you that it is too late. I have to rush back, so I won’t talk to Master Long...”

After Zhao Ligu finished speaking, he waved his hand towards his subordinates, and the yacht started instantly and sailed into the distance under Long Xingxu’s eyelids.

Long Xingxu looked at Zhao Ligu who was about to leave, his face became ugly, but he didn't stop it, because he knew his strength and couldn't stop it at all...

As long as David was by Zhao Ligu's side, Long Xingxu didn't pay attention to it at all. He never thought that Long Jing would be obtained by David, and even more unexpected that the person the Long family was looking for was also David... ..

## Chapter 858

Not long after David followed Zhao Ligu and the others, Xuanyuan Kai, Qin Xiaoxian and Cheng Kun also arrived.

Looking at Xuanyuan Kai who was seriously injured, Long Xingxu said with a puzzled face: "Master Xuanyuan, on this island, who else can hurt you like this?"

"Young Master Long, it was because I encountered a fierce beast and fought..."

Xuanyuan Kai explained.

It is impossible for him to tell Long Xingxu the truth. The less people know about Long Jing, the better. If the Long family also knows that David has obtained Long Jing, then their Xuanyuan family will have no chance at all.

"Beast?"

The corner of Long Xingxu's mouth twitched: "Your arm was obviously chopped off, and the wound is so neat, how could it be done by a beast? Don't you think of me as a three-year-old child?"

Xuanyuan Kai lowered his head slightly and stopped talking because he didn't know how to explain it.

Long Xingxu swept a few people's eyes, and suddenly his face turned cold, and a terrifying aura instantly enveloped everyone: "Did you get Longjing? Tell me, whose hands is Longjing?"

Long Xingxu didn't dare to question Zhao Ligu, but in the face of Xuanyuankai and the others, Long Xingxu didn't have to give any face.

After hearing Long Xingxu's words, several people were shocked, but no one said anything.

They all think the same thing. The fewer people who know about Longjing, the better, especially the Long family. If the Long family knows, then this Longjing will not have their share.

Long Xingxu saw several people who didn't speak, and his face became more and more gloomy: "If you don't speak, then no one will want to leave..."

After Long Xingxu finished speaking, a group of Long family members directly surrounded Xuanyuan Kai and the others.

"Master Long, we didn't get any dragon crystals, what are you doing?"

Xuanyuan Kai's face was a little ugly.

"Mr. Long, are you trying to attack us? Although our Thunder Gate and Xuanyuan's family lost to your Long family, but if you really dare to kill us, let's see if our two families will ask the Long family to sue. To put it simply, you are just a sideline of the Long family, will the Long family offend our two families for you?"

Cheng Kun's fiery temper looked at Long Xingxu without any fear.

"And our Qin family, I was sent by the ancestor of the Qin family to Suolong Island. If I can't go back, the Qin family will definitely not give up..."

Qin Xiaoxian also stood up and said at this time.

Facing the Long family, they must unite together, otherwise none of them can threaten the Long family.

Seeing that he was threatening himself on his cruise ship, Long Xingxu suddenly burst out laughing.

“Hahaha...” After laughing twice, it stopped abruptly, and then Long Xingxu said angrily: “I killed you all and threw them all into the sea, who would have known that our Long family did it, you guys You dare to threaten me, and you look down on me, a collateral member of the Long family...”

As a genius of the younger generation of the Long family, Long Xingxu was not taken seriously because he was from a sideline, which is what Long Xingxu cared about the most.

Now Cheng Kun mocked him for being a sideline, and the anger in Long Xingxu’s heart was instantly ignited.

bang...

Suddenly, Long Xingxu shot, and Cheng Kun, who was several meters away, only felt a strong force attack, and the whole person flew out in an instant.

“Master...”

The Wu Zong brought by Cheng Kun hurriedly jumped, trying to catch Cheng Kun.

It’s a pity that Wu Zong just jumped up and was kicked out by the people of the Long family.

Neither the Thunder Gate nor the Xuanyuan family had the strength to follow the Long family.

Cheng Kun fell heavily to the ground, his face was extremely pale, and the fiery temper he had just now wilted in an instant.

"I'm asking you again, where is Long Jing?"

The cold killing intent that Long Xingxu exuded made everyone tremble.

## Chapter 859

However, Long Jing is too tempting. If the Long family really knows the whereabouts of Long Jing, then the other families should not think about Long Jing's idea.

Just when a few people hesitated, suddenly Qin Xiaotian took a step forward:  
"Master Long, I know where Long Jing is..."

Although Qin Xiaotian doesn't know Long Xingxu or Longjing, but looking at the situation in front of him, the Long family is definitely of extraordinary strength. Now that David got Longjing, David will definitely die.

"You said it!" Long Xingxu looked at Qin Xiaotian.

"It was David, it was David who swallowed Long Jing and was taken away..."

Qin Xiaotian said.

"David?" Long Xingxu frowned slightly, he was very unfamiliar with this name.

"It's the young man who was just taken away by the owner of the Shadowless Villa, and there are two women beside him..."

Qin Xiaotian explained.

When Long Xingxu heard it, he suddenly remembered that he saw David at that time, but he didn't care.

When they landed on the island at that time, David brought Sonya and the others to the island. After Long Xingxu saw it, he mistakenly thought that David was a playboy, and brought a few beautiful women to Suolong Island.

"Master, is this David the person we are looking for?"

At this time, a servant of the Long family whispered in Long Xingxu's ear.

"David, David..."

Long Xingxu kept reciting this name, trying to recall how he felt when he saw David for the first time, but he couldn't remember it because he didn't think about David in that way at all.

At that time, he was most suspicious of the evil cultivator in a black suit. After all, he was the only one with the highest strength and most likely the person the Long family was looking for.

"Master Xuanyuan, is he telling the truth?"

Long Xingxu looked at Xuanyuan Kai and asked.

After Xuanyuankai glanced at Qin Xiaotian, he nodded: "He is right, Long Jing was indeed swallowed by David, and my arm was also cut off by David..."

When Long Xingxu heard this, a hint of surprise flashed across his face. If you know that Xuanyuankai is the peak of the great master, how could David cut off Xuanyuankai's arm?

Could it be that he misunderstood, maybe this kid was hiding his strength from the beginning, and deliberately brought a few women to the island to confuse him.

"Oh sh!t..."

Long Xingxu suddenly felt deceived and said to his subordinate, "Let's sail, we'll go back right away..."

"Master, those people on that island..."

"Let them figure out their own way..."

Long Xingxu said with a cold face.

Soon the cruise ship started, but the Qin family, Xuanyuan family and Pilimen were more fortunate and rushed back to Nanhua City with the cruise ship.

...

It was late at night. In front of a hotel window in Nanhua City, Long Wu looked at the sea not far away, and his whole person fell into contemplation.

"Uncle Long, it's time to rest, you've been standing here all day..."

Wu Mei'er walked to Long Wu's side and persuaded softly.

Since David and the others left and went to Suolong Island, Long Wu has been standing here, because he can see Suolong Island here.

"Mei'er, go to sleep, I'll stay for a while..."

Long Wu said, took out a cigarette and lit it.

As soon as he took two breaths, he started coughing continuously.

"Uncle Long, you are injured, stop smoking..."

Wu Meier hurriedly slapped Long Wu on the back.

"It's okay, it's all old injuries, it's deadly..."

Long Wu smiled slightly, then began to inhale again.

His injury was caused by avoiding the pursuit of the Long family. In order to find David, Long Wu and Ervin escaped from the Long family and have been chased and killed by the Long family for several years in the blink of an eye.

"Uncle Long, you should rest. David and the others are only going today. Even if they can get Long Jing, it is impossible to come back so soon..."

Wu Mei'er was still persuading Long Wu.

## Chapter 860

Just when Long Wu was about to say something, someone knocked on the door.

Wu Mei'er and Long Wu's expressions all changed slightly. It's so late, who would find this place?

Long Wu motioned Wu Meier to open the door, and he was ready to attack.

When Wu Meier opened the door, she found that it was David and Sonya who had returned.

"Why did you come back?"

Wu Meier was surprised.

When Long Wu saw that David was back, he frowned and said, "David, you are back so soon, did something happen?"

David shook his head: "Uncle Long, I got the Ice Dragon Dragon Crystal..."

When Long Wu heard this, he hurriedly shrouded David with a sense of consciousness, and he saw the change in David's body, and said with

excitement: "It's great that you can get Longjing so quickly, what about Yanlong Longjing? "

Hearing Long Wu talking about taking Yanlong Longjing, David thought of Xiaoru who became an ice sculpture, and his mood instantly became gloomy.

"Uncle Long, I don't want to sacrifice the people around me in order to get Longjing..."

David said with a heavy face.

When Long Wu heard this, he glanced around, but did not find Xiao Ru's figure, and immediately understood, his eyes suddenly turned red: "David, this is fate, don't be too sad, I hope you don't let Xiao Ru down. The dragon crystal that was exchanged for life..."

"Uncle Long, could it be that Xiaoru has been frozen on Suolong Island, and you can't save him?"

At this time, Sonya, who was at the side, asked.

After all, in her eyes, Long Wu is like a fairy, omnipotent...

Long Wu shook his head: "I can't, but the way to cultivate immortals will never end. Maybe when you surpass me, you will be able to find a way to save Xiaoru."

"I will definitely save Xiaoru back..."

David's eyes are full of determination, if he can't protect the people around him, what's the use of immortality and immortality!

"How did you come back, isn't it three days this time?"

Long Wu asked very puzzled.

After all, there is only one boat from the Long family. If David and the others want to come back, they must take a boat.

David told Long Wu the things on the road one by one, but he only concealed the fact that Wuying Mountain Villa was also a hall of Dragon Sect.

After Long Wu heard this, his brows were wrinkled and his face became very solemn.

"I'm afraid it won't take long for you to swallow Long Jing, and many people will know about it, and it's impossible to hide this from the Long family. You have to be more careful in the future. It's imperative that you leave immediately. Nanhua City, find a hidden place to hide, and use Longjing to cultivate to improve your strength."

"As for Sonya and Ling'er, I will help you take care of them, and teach them to practice. Following you with their current strength will only add to your burden. Remember, don't show your edge unless you have to. , Now that you have swallowed Longjing, you have become the target of public criticism, and it is estimated that there will be many people who want to kill you..."

Long Wu solemnly exhorted David.

Long Wu didn't expect so many people to see David's acquisition of Long Jing, and so many people discovered where the ice dragon was.

This is also the despicable part of the Long Family. If the Long Family didn't suddenly open the Suolong Island, there would not be so many people on the Suolong Island. David has every opportunity to sneak into the Suolong Island and get the Dragon Crystal. The ghost is leaving.

Now that David's devouring of Longjing is exposed, it will be more and more difficult in the future...

David never thought that the matter would be so serious. Now listening to what Long Wuyi said, I am afraid that many people will really come to trouble him in the future.

After following a few people to say goodbye, David left overnight.

After David left, Long Wu didn't stay long. He took Sonya and the others along with the snow wolf and disappeared from Nanhua City together. No one knew where they went.
