

A Man Like None Other

Novel

Chapter 881

"Zhantang, prepare the car immediately, let's go to Chenjia Village!"

Bai Xiushan looked angry.

Soon, the car was ready, Bai Zhantang drove towards Chenjia Village, and Zao Wou-Ki went with him.

"Old Bai, what happened to make you so angry..."

Zao Wou-Ki asked in confusion.

Bai Xiushan repeated what David said, which made Bai Zhantang, who was driving, speed up instantly.

I have scolded that Tang Shili thousands of times in my heart. Their Bai family worked hard to establish a good relationship with David, but this guy framed David for stealing a car.

On the other side, David waited quietly after calling, he knew that Bai Xiushan would arrive soon.

"What? Are you forced to pretend? What did Mr. Bai say?"

Tang Hui looked at David and sneered.

"Old Bai will be here soon..."

David said lightly.

"You said that Mr. Bai will be here soon?"

When Tang Shili heard this, he stood up abruptly, but he reacted quickly, and snorted coldly: "Okay, I'll give you half an hour, if the old man Bai can't arrive, you can just wait for the big prison. , even dare to steal from the Bai family..."

For a while, the atmosphere in the box became a little awkward, and she didn't speak, while Barbara looked at David's anxious face.

Chen Baoguo didn't change much, he kept his head down and smoking a cigarette, and he didn't seem to be in a hurry.

Soon, half an hour later, Tang Shili looked at his watch, waved his hand and said, "Take the person away!"

Several people in uniform grabbed David together.

"Big brother, please, please...don't let them capture David!"

Seeing that David was really about to be taken away, Barbara knelt down in front of Tang Shili with a puff.

"Mom, don't kneel..."

David hurried forward and pulled Barbara up.

"Barbara, I'm not a helper. Your son should be arrested for stealing other people's things. It's nothing to say. It's useless for you to kneel down for me..."

Tang Shili said arrogantly.

Just when Barbara was about to ask Tang Shili, the door of the box was suddenly pushed open.

The three entered the box, Bai Xiushan was at the front, followed by Bai Zhantang and Zao Wou-Ki.

Seeing Bai Xiushan who came in suddenly, Tang Shili and Tang Hui were all stunned, none of them thought that Bai Xiushan would really come.

“Master Bai...”

Tang Shili hurriedly greeted him.

“Get out of the way, let me get out of the way...”

Tang Hui also hurriedly yelled at the local officials, asking them to stand up and make room for Bai Xiushan.

When Tang Shili walked towards Bai Xiushan with a smile on his face, Bai Xiushan ignored him, but went straight to David: “Mr. Chen, I’m so sorry, I didn’t expect to lend you a car to drive, but this happened. things...”

David just smiled and didn’t say anything.

Bai Xiushan’s words made Tang Shili, who was full of smiles, stunned for a moment, the smile also solidified on his face, and he looked at David in disbelief.

He couldn’t believe that the dignified head of the Bai family in the capital of Bai Xiushan was so polite with the little boy David, and called him Mr. Chen?

What exactly is going on?

Just when Tang Shili was stunned, Bai Zhantang, who was on the side, slapped him and slapped Tang Shili’s face fiercely!

"You fcuking eat the guts of a bear's heart and a leopard, and dare to slander Mr. Chen for stealing the car? This car was lent to Mr. Chen by grandfather, not to mention that Mr. Chen drove it, even if it was given to Mr. Chen, it would be nothing for us. The pleasure of home..."

Bai Zhantang yelled at Tang Shili.

Tang Shili was slapped by this slap, but fortunately Tang would support him, or else he would have sat on the ground long ago.

"Are you Tang Shili from the Jiangbei provincial capital branch?" Bai Xiushan asked Tang Shili angrily.

Tang Shili covered his face and nodded again and again.

Chapter 882

"Starting today, the company has nothing to do with you. Where should you go, where should you go!"

Bai Xiushan said coldly.

pfft...

After Tang Shili heard it, he sat on the ground with a thud. He had endured all his life, and now there is nothing left.

"dad..."

Tang Hui hurriedly pulled Tang Shili up.

"Master Bai, I beg you, please let me go, please let me go..."

Tang Shili knelt down in front of Bai Xiushan and began to plead bitterly.

But Bai Xiushan was unmoved. David didn't speak about this matter, and Bai Xiushan didn't dare to make his own decisions.

Tang Shili also seemed to see something, so he gritted his teeth, looked at David and begged for mercy: "David, it's your uncle's fault just now, please tell the old man Bai and go around me once..."

David looked at Tang Shili coldly: "I don't dare to go up against your uncle..."

Seeing that it was useless to beg David, Tang Shili turned his head towards Barbara.

"Barbara, please help me beg for mercy, big brother is wrong, big brother is wrong..."

Tang Shili begged Barbara, but Barbara looked embarrassed and distressed, and wanted to reach out and help Tang Shili up.

But just as Barbara reached out, she was pulled away by Chen Baoguo, who was on the side. Although Chen Baoguo didn't speak, it could be seen that he didn't want Barbara to take care of him.

Tang Shili begged for a circle, but no one took pity on him!

At this moment, Tang Hui, looking at his father like this, rushed forward angrily and pulled Tang Shili up.

"Dad, let's not beg them. The big deal is not to stay at the Bai family. I am also a section chief now. I can support you. After two years, I will make them look good..."

Tang Hui gritted his teeth and looked at David and Barbara fiercely!

He hates these relatives in front of him, for being so heartless!

But he himself never thought that with his arrogant appearance at the beginning, he had ever regarded these people in front of him as his relatives.

"The section chief of the provincial capital, such a big official, do you think it is Pavilion Master Zhao..."

David looked at Zao Wuji.

"A small section chief dares to show off his power like this. We don't need such a bully in our law enforcement team."

Zhao Wuji glanced at Tang Hui and said lightly.

Tang Hui was stunned for a moment, looked at Zao Wou-Ki, his eyes widened in an instant, and the whole person was dumbfounded.

Just now, he focused all his attention on Bai Xiushan, but he didn't notice Zao Wou-Ki, but when he looked closely, he saw Zao Wou-Ki.

The pavilion master of the Protectorate Pavilion in Kyoto, this is comparable to the number one in the provincial capital. He is a bird for a small section chief!

"Zhao...Sir Zhao...I...I..."

Tang would stutter, not knowing what to say.

"You don't need to say anything. I am now dismissing you as the pavilion master of the Kyoto Protectorate Pavilion. As for your violation of law and discipline, I will send someone to continue the investigation..."

Zao Wou-Ki waved his hand and said with a cold face.

At this moment, Tang meeting was bloodless and slumped to the ground, and Tang Shili also fell down. The father and son were like lost dogs at the moment.

As for those local officials, when they heard that Zao Wou-Ki turned out to be the pavilion master of the Kyoto Protectorate Pavilion, they were too frightened to speak, and they all walked away in despair, for fear that they would be implicated in the future and their positions would not be guaranteed.

“Mr. Chen, let’s eat in a different box. I have to apologize to Mr. Chen in person...”

Bai Xiushan respectfully followed David.

David nodded, looking at Tang Shili and Tang Hui who were collapsed on the ground, David had no appetite.

Soon, everyone changed to a box, and Bai Xiushan kept making amends with David during the banquet. David’s mother and his second aunt’s family were taken aback for a while.

Only Chen Baoguo looked at David with a face full of relief. He had already seen that David was not simple...

After staying in Chenjia Village for two days, Bai Xiushan and the others did not go back to the city, but stayed with David in Chenjia Village for two days.

Two days later, after saying goodbye to their parents, David and the others left for Kyoto.

During the period, Bai Zhantang also called and urged Sun Simiao to prepare the medicinal materials David needed as soon as possible. David planned to help Zao Wou-Ki deal with the matter, so he went to Yaoshen Valley to practice the Black Jade Intermittent Paste, and helped Lin Tianhu and Chifeng recover as soon as possible. come over.

Chapter 883

The Kyoto Law Enforcement Pavilion, here is the headquarters of the entire Kyoto law enforcement department, and everyone who can enter the Kyoto Law Enforcement Pavilion is almost a master!

When David and the others arrived at the Protectorate Pavilion in Kyoto, Xu Shimaο led the team to greet him at the door!

"salute..."

Seeing Zao Wou-Ki and David's car approaching, Xu Shimaο shouted.

All members of the Guardian Pavilion salute.

Seeing such a battle, David felt a little nervous!

"Mr. Chen, you don't have to be nervous. In the future, these guys will also be your subordinates. You can send whatever you want. If you want to beat or scold, you can do whatever you want..."

Zao Wou-Ki saw that David was a little nervous, so he smiled slightly.

David was stunned for a moment, and looked at Zao Wou-Ki puzzled:
"Pavilion Master Zhao, what do you mean? I'm just here to help you play the game..."

"Let's not talk about it, let's go in and talk..."

Zao Wou-Ki looked at David and smiled slightly, which made David suddenly feel like he had fallen into a trap.

The two got out of the car and walked towards the Dharma Protector Pavilion.

Bai Xiushan and Bai Zhantang went back to Bai's house, while David let Xiaolan go to Yaoshen Valley, where the Crouching Tiger, Hidden Dragon in Kyoto is full of danger, and many people are looking for David, David doesn't want Xiaolan to follow Adventure yourself.

"Mr. Chen, we meet again..."

After Xu Shimao saw David, he greeted him with joy.

"Captain Xu, your strength has grown rapidly recently..."

David glanced at Xu Shimao, and found that Xu Shimao had reached the strength of the fifth-grade great master.

Xu Shimao smiled awkwardly: "Mr. Chen, don't make fun of me, but Mr. Chen has made rapid progress. I heard that you killed Qin Xiaolin not long ago. You must know that Qin Xiaolin is Wuzong..."

"Captain Xu, your news is too outdated. What is a Qin Xiaolin? Just two days ago, Mr. Chen fought against Tianwumen's sect master Xiahou Dun and Tianluo Pavilion's pavilion master Ni Sidao, what do you think?"

Zhao Wuji smiled slightly.

"How's it going?" Xu Shimao asked hurriedly.

"Mr. Chen directly beheaded those two people, not even the sgum was left..."

Hearing this, Xu Shimao suddenly took a breath of cold air, knowing that whether it was Xiahou Dun or Ni Sidao, it was Wuzong who had been famous for a long time, and he was much stronger than Qin Xiaolin, who had just been promoted to Wuzong, and now David was a one-to-two. , to kill both of them, David's current strength is too terrifying...

"Pavillion Zhao, don't make fun of me..."

David smiled slightly.

The group entered the Dharma Protector Pavilion, Xu Shimao poured tea and water for David himself, while Zao Wou-Ki asked David to sit beside him.

"Mr. Chen, our Kyoto Dharma Protector Pavilion looks strong and powerful from the outside, but only we know that our Dharma Protector Pavilion is about to be disbanded..."

Zhao Wuji sighed softly.

"How does Pavilion Master Zhao say this?" David was very puzzled!

"Mr. Chen doesn't know anything, every time an international competition is held, our Kyoto Law Enforcement Pavilion is almost at the bottom, embarrassing our Daxia Kingdom, and now there are rumors that this time we are playing at home, if we are winning. If we don't get the ranking, then we will disband our Dharma Protector Pavilion."

Zao Wuji said solemnly.

"The bottom every time? Wouldn't it be so exaggerated? Don't we have masters in Daxia?"

David was a little surprised, to know that the masters of the Great Xia Kingdom are like clouds, so it may be so bad.

"Hey!" Zao Wou-Ki sighed: "We Daxia are masters like clouds, but no master is willing to join the Dharma Protector Pavilion. In the eyes of those masters, our Dharma Protector Pavilion is an unpopular existence, and these people either start their own sects, or join the Kyoto Martial Arts Association, who will take a fancy to this place..."

Chapter 884

David is right after thinking about it. If it were himself, he would not choose to join the Dharma Protector Pavilion, because joining the Dharma Guardian Pavilion has too many rules and is not very free, and those masters are all eyes above the top, how could it be possible for people to control on.

"I don't know what kind of strength the competition is this time, I'm afraid..."

"Mr. Chen, rest assured, your current strength is definitely not a problem, I believe you..."

Zao Wou-Ki was full of confidence in David and admired him very much.

David smiled awkwardly, and then asked: "Zhao Pavilion Master, what did you mean when you were in the car just now?"

Zao Wou-Ki smiled: "Mr. Chen, you promised me something, you won't go back on it, right?"

"Of course not, a dignified man, it's hard to chase after a single word..." David nodded.

"That's good, Mr. Chen agreed to help me play the game, but to play the game, you must be the guardian of the law, so Mr. Chen wants to join our guardian of the law, and by the way, help me train these guys under my team..."

Zao Wou-Ki looked at David with a wicked smile.

"Join the Law Enforcement Pavilion?" David was stunned for a moment, then waved his hand hurriedly: "That's not possible, I still have a lot of things to do, but I don't have time to stay in the Dharma Guardian Pavilion to train your troops..."

"Mr. Chen, you just need to join our Dharma Protector Pavilion, you don't need to stay here all the time, you don't have to abide by any rules, it won't have any impact on your freedom, and joining our Dharma Guardian Pavilion will have another day for Mr. Chen. Great benefit."

Having said this, Zao Wou-Ki bought a pass, and suddenly stopped to look at David's reaction.

"What's the benefit?"

David was indeed attracted by the benefits of Zao Wou-Ki.

"Mr. Chen should know that many people are looking for you now, and many people even want your life, but if you join the Dharma Protector Pavilion, no matter who you are, they will not dare to kill you blatantly, although we protect the law. The pavilion is looked down upon by those sect families, but after all, it is an official department, who would dare to oppose the official family?"

Zao Wuji whispered to David.

After David heard this, he frowned slightly. Although Zao Wou-Ki was right, David was not mentally prepared for him to join the Dharma Protector Pavilion.

Seeing that David didn't speak, Zao Wou-Ki continued: "Mr. Chen, you join the commander of the Protectorate Pavilion, and I can help you introduce the Martial Arts Association in Kyoto. As long as the Kyoto Martial Arts Association speaks to protect you, I am afraid that no one will dare to target you... .."

The corner of David's mouth moved slightly, he was indeed moved by Zao Wou-Ki's words, although his strength was growing rapidly, but when he really wanted to face the big sect and the aristocratic family, David seemed a little powerless by himself.

Moreover, if he wants to rescue his mother from the Long family, or even destroy the Long family, with his own strength, he is afraid that it will be the Year of the Monkey and the Horse Moon, so David also needs his own power.

Although David now has thirteen entrances of the Dragon Sect, he has only found three entrances, and it is a mystery when the other entrances will be found.

There is also Yaoshengu. Although the elders of Yaoshengu are very powerful, most of them are not very powerful. Yaoshengu pays more attention to refining medicine.

And now Zao Wou-Ki proposes to let David join the Dharma Protector Pavilion, and he is not bound by the rules after joining. few.

David didn't want his mother to die on the street before he was rescued.

"Gate Master Zhao, I promise you, but what do I need to do specifically?"

David asked.

"Mr. Chen, you only need to train the guys from the Dharma Protector Pavilion. In the Dharma Protector Pavilion in Kyoto, you can mobilize anyone except me at any time. If you want these guys to improve their strength as soon as possible, you can't always let them go in every international competition. Mr. Chen came forward..."

Zhao Wuji said.

Chapter 885

"Okay!" David agreed directly.

David chatted with Zao Wou-Ki for a while, because Zao Wou-Ki asked David to rest while he walked towards the martial arts field.

"Pavilion Master, that Xuanyuan Rong made a fuss in the martial arts field, and brought many people out of training..."

Just as Zao Wou-Ki walked out of the room, Xu Shimao hurried over.

"What's the matter? What exactly does Xuanyuanrong want to do? Didn't he already make him an instructor?"

Zhao Wuji frowned.

"I don't know either, go and have a look..."

Xu Shimao urged.

Zao Wou-Ki sighed, and could only walk quickly towards the martial arts field. This Xuanyuan Rong was gilded by the Xuanyuan family, who was forced into the Dharma Protector Pavilion through a relationship. Although this guy was a Martial Sect, he was arrogant and arrogant. Not many people like him!

This Xuanyuanrong relied on the relationship above, and did not take Zao Wuji in his eyes. In addition, this guy was stronger than Zao Wuji, so he was even more arrogant and domineering in the Dharma Protector Pavilion.

In the end, Zao Wou-Ki sealed this Xuanyuan Rong's name as an instructor and asked him to train him. This guy has only been honest for a few days, but now he is making trouble again.

After walking quickly to the martial arts field, Xuanyuan Rong was sitting on a table with a bottle of wine and half a roast chicken in his hand, eating meat and drinking heavily.

There are rules in the Protectorate Pavilion. It is absolutely forbidden to drink alcohol in the team. Now Xuanyuan Rong is drinking in front of everyone in the martial arts field.

"Xuanyuanrong, what are you doing? How dare you drink in the martial arts field?"

Zhao Wuji angrily stepped forward and reprimanded.

Xuanyuan Rong looked at Zhao Wuji and snorted coldly, "Zao Wuji, let me ask you, did you find another instructor for the Dharma Protector Pavilion?"

"Yes!" Zhao Wuji didn't hide it, and nodded directly.

"I heard that he's still a little boy in his early twenties, and you put a little boy in the same position as me. Are you hitting me in the face?"

Xuanyuan Rong jumped off the table and glared at Zao Wuji.

"I don't look at age, I just look at strength..."

Zao Wou-Ki looked directly at Xuanyuan Rong, this time he didn't back down.

"Look at the strength? What kind of strength can the little boy have? I'm Wu Zong, who can compare with me in the entire Dharma Protector Pavilion, you can't even be the pavilion owner, so what strength do you want to tell me? I tell you, I came to the Dharma Guardian Pavilion for In the international competition in a few days, our Xuanyuan family will show their faces and increase their popularity, and now in the entire Dharma Protector Pavilion, besides me going to the competition, can you find someone else?"

Xuanyuan Rong's eyes were full of disdain. In the entire Dharma Protector Pavilion, no one could be stronger than him.

Zao Wou-Ki looked at Xuanyuan Rong, he didn't expect that the Xuanyuan family had brought Xuanyuan Rong into the Dharma Protector Pavilion through connections, just to participate in international competitions, to show the Xuanyuan family's face and gain popularity!

This kind of international competition needs a big-picture concept, and it wants to win glory for the country, and this Xuanyuan Rong turned out to show his face for their Xuanyuan family.

"As for the international competition, there are already candidates, and you have been dismissed as an instructor, and the instructor has let Mr. Chen serve..."

Zao Wuji said to Xuanyuan Rong coldly.

When Xuanyuan Rong heard this, he was immediately furious: "Zao Wou-Ki, did you make a mistake, are you taking training as a joke? You are irresponsible to let a young boy do the training. Who are these people here? Will you be convinced by a little furry child?"

"I heard that the instructor this time was personally invited by Pavilion Master Zhao to Horendel. How powerful can a young man in his early twenties cultivate from his mother's womb?"

"No, I don't know what the pavilion master thinks, and he wants this kid to play games!"

Chapter 886

"Don't say it, I have heard that the Mr. Chen invited this time can kill two Wuzongs by one person!"

"You can believe this kind of thing, how come I've never heard of such a master in Horendel, and he's still so young!"

The members of the Dharma Protector Pavilion secretly talked a lot!

"Shut your mouth for me!" Xu Shimao glared and roared, so scared that no one dared to speak.

However, these words also reached Zhao Wuji's ears.

Xuanyuan Rong sneered and looked at Zao Wou-Ki: "Zao Wou-Ki, did you hear me, let a little hairy child be an instructor, who will obey him, or you can call him and let me learn two tricks with him, if he can accept it Let me go with three moves, and I'll leave immediately, but if I can't take it, let him go, and let me go in the game..."

"Xuanyuanrong, you are too crazy. If you really want Mr. Chen to compare with you, let alone three moves, Mr. Chen can crush you to death with one hand..."

Zhao Wuji didn't speak, but Xu Shimao couldn't listen any longer and shouted at Xuanyuanrong.

Xuanyuanrong's face turned cold, and he looked at Xu Shimao with sharp eyes: "How dare you talk to me like this?"

While speaking, Xuanyuan Rong's figure moved, and he went directly to Xu Shimao.

Snapped!

With a slap, Xu Shimao flew out and fell heavily on the ground.

"Xuanyuan Rong..." Zhao Wuji immediately shouted angrily when he saw that Xuanyuan Rong had actually made a move.

"Go and call that kid out. Let's have a test. I want to see how powerful the guy who has not grown his hair can be..."

Xuanyuan Rong looked at Zao Wuji and said very arrogantly.

Zao Wou-Ki helped Xu Shimao up, but he didn't speak, but his brows were tightly locked together.

Seeing that Zao Wou-Ki did not speak, Xu Shimao said anxiously: "Pavilion Master, I will go and invite Mr. Chen. I mustn't let this guy be arrogant in the Dharma Protector Pavilion..."

After that, Xu Shimao wanted to go to David, but was stopped by Zao Wou-Ki: "I can't go, if Mr. Chen comes and there is really going to be a conflict, wouldn't Mr. Chen have another enemy? , Besides, the Xuanyuan family is not

easy to provoke, Mr. Chen has made too many enemies in Kyoto, we should not cause trouble for him..."

The reason why Zao Wou-Ki was reluctant to let David compete with Xuanyuan Rong was because he was afraid that David would have a holiday with Xuanyuan's family, which would make it even more difficult for David to move in Kyoto.

After Xu Shimao heard it, he could only stop, touched his swollen face with his hand, and looked at Xuanyuanrong angrily, but there was nothing he could do.

He is only the strength of a great master, and facing the Wuzong Xuanyuanrong, there is no room for him to fight back.

"Zhao Pavilion Master, since you regard me as a member of the Dharma Protector Pavilion, of course you have to call me when you encounter such a thing..."

At this time, David walked over slowly!

"Mr. Chen..." Seeing David, Xu Shimao was immediately excited.

"Mr. Chen, haven't you rested yet?"

Zhao Wuji stepped forward and asked respectfully.

"Gate Master Zhao, with our strength, let alone a few hours' journey, even if you don't sleep for three days and three nights, it's fine!"

David smiled slightly.

"You are the instructor invited by Zao Wou-Ki?" Xuanyuan Rong asked David with a cold expression on his face.

"Not bad!" David nodded.

"Looking at you in your early twenties, you already have the strength of a great master, and you are considered a genius, but even so, you are not worthy of being an instructor at the Dharma Protector Pavilion. I don't think it is easy for you to cultivate. Get out now, I can still spare you..."

Xuanyuanrong could see at a glance that David's aura was only in the realm of a great master, so he didn't need to be afraid at all!

"Forgive me?" David raised his mouth slightly: "I don't know who Xuanyuan Kai is from you?"

Chapter 887

Xuanyuan Rong was stunned for a moment, and then replied, "Xuanyuan Kai is my nephew, do you know Xiao Kai?"

"Of course I know, his arm was cut off by me, how could I not know..."

David was in front of him and had already heard Xuanyuan Rong and Zao Wuji talking, so he knew that Xuanyuan Rong was a member of the Xuanyuan family.

"You...you are that David?"

Xuanyuanrong looked at David in shock.

David nodded: "Yes, your grandfather, I am David Chen..."

Seeing David's admission, Xuanyuan Rong's face was filled with murderous intent: "Good boy, you cut off my nephew's arm, and you swallowed Long Jing into your body. Today, I want to avenge my nephew, and by the way, I will take you The dragon crystal in the body is taken out..."

Xuanyuanrong said, his aura suddenly rose, and he was about to hit David with a punch.

"Xuanyuan Rong, what do you want to do? This is the Dharma Protector Pavilion, you can't help me..."

Seeing that Xuanyuan Rong was going to attack David, Zao Wuji immediately stood in front of him and said.

"Zao Wou-Ki, don't fcuk me with the Protector Pavilion. This kid hurt my nephew. Today I must avenge my nephew. If you don't want to die, get out of my way..."

Xuanyuan Rong didn't take Zao Wouji in his eyes at all, and shouted abusively.

This made Zhao Wuji look ugly, but there was nothing he could do. His strength was no match for Xuanyuan Rong. Even if he did it, he would be asking for trouble!

"Gatmaster Zhao, you better stay out of the way. Today, I happened to use this Xuanyuan Rong to stand up for power, save your subordinates who are not satisfied..."

David said lightly.

"Mr. Chen..." Zao Wou-Ki looked back at David.

"What? Are you afraid I can't beat him?" David said with a slight smile.

"No, no, not to mention one Xuanyuan Rong, even if it is two Xuanyuan Rong, it is not Mr. Chen's opponent, but Mr. Chen pays attention to the balance in the end, and don't cause any fatalities..."

Zao Wou-Ki was afraid that David would take a heavy shot and kill Xuanyuan Rong, which would be difficult to deal with at that time.

"Don't worry, I'm measured!" David nodded.

David sang along with Zao Wou-Ki, but Xuanyuan Rong almost died of anger.

"Zao Wou-Ki, what the hell are you talking about? When I scrap this kid and I'm looking for you to settle accounts, you actually look down on me so much..."

After Xuanyuanrong shouted angrily, he clenched his fists and smashed his fist towards David's chest.

Zhao Wuji hurriedly dodged away, he knew that Xuanyuanrong was not David's opponent at all, but he watched David easily kill that Xiahou Dun and Ni Sidao.

Looking at Xuanyuan Rong who was full of anger and punched him, David had a faint smile on his face, and he didn't move.

Just when Xuanyuanrong's fist touched David's body, David's body seemed to have a protective cover suddenly, and a faint golden light flashed on his skin!

bang...

With a dull sound, Xuanyuan Rong's fist slammed into David's body, but the strange thing was that David's body did not move at all, and even the expression on his face did not change in the slightest.

This time, Xuanyuanrong's heart was startled, and he looked at David in shock.

You must know that his punch is strong enough to crack mountains and rocks. Even a car can be punched through with one punch, but this punch hit David as if it was hit on a hard steel plate.

The huge anti-shock force directly shook Xuanyuan Rong's arm, and the pain instantly swept through his body.

Xuanyuan Rong gritted his teeth, slowly retracted his fist, and his arm was shaking constantly, but he was trying hard to control it so that no one else could see it.

“What’s going on? Could it be that Xuanyuanrong didn’t use his strength?”

“This is Wu Zong’s punch. Even a car can be easily pierced. Why didn’t David move?”

“Could it be that two people acted on purpose, and then gave Shuwei David in front of us?”

Chapter 888

The members of the Protectorate Pavilion whispered, in their opinion, Xuanyuan Rong is a Martial Sect, and this punch can reach several thousand kilograms. How could someone receive this punch and still not move?

“Okay, Mr. Chen, great...”

Xu Shimao suddenly shouted and applauded.

He was slapped by Xuanyuanrong just now, and he has long held a grudge in his heart. Now David was punched by Xuanyuanrong, but he didn’t even move.

“You are courting death...”

Xuanyuanrong’s face became extremely ugly, and after shouting angrily, he struggled to move towards David.

This time, Xuanyuan Rong released his energy, condensing all his strength, and the terrifying aura made all the members of the Dharma Protector Pavilion present find it difficult to breathe, like a mountain pressing down on them.

Now they wouldn’t think that David was acting with Xuanyuan Rong, Xuanyuan Rong was really angry.

boom...

Xuanyuan Rong slammed with a ruthless punch, only to see the dust flying, the hard martial arts field, and Xuanyuan Rong blasted a deep hole directly. This is the power of Wu Zong, and everyone was shocked by the power of Xuanyuan Rong's punch.

However, when the smoke cleared, he saw David standing there motionless, with the same smile on his face, looking at Xuanyuan Rong with disdain and ridicule in his eyes.

The surrounding team members suddenly widened their eyes, knowing that this was a hard blow from a Wu Zong, even if this blow was a small mountain, it would blow off the top of the mountain, but David was unscathed.

"This this..."

Xuanyuanrong looked at David, not knowing what to say for a while.

"This David... no no no, this instructor Chen is too good?"

"Standing motionless, even a second-rank Wuzong can't be hurt. Instructor Chen's strength is afraid to reach the realm of fifth-grade Wuzong."

"It's great. With Instructor Chen teaching us, I believe our strength will definitely improve a lot..."

The members of the Protectorate Pavilion were talking excitedly. At this moment, they had no doubts about David.

"Xuanyuanrong, there are mountains outside the mountains, and there are people outside the people. With your little strength, don't show shame in front of Mr. Chen..."

Xu Shimao shouted at Xuanyuan Rong excitedly, humiliating Xuanyuan Rong.

Xuanyuan Rong was trembling all over: "Xu Shimao, I killed you first..."

Xuanyuanrong was not attacking David, but attacked Xu Shimao, intending to take Xu Shimao out.

Seeing this, Xu Shimao's expression changed slightly, he was not Xuanyuan Rong's opponent.

Seeing that Xuanyuanrong was in front of Xu Shimao, David's figure flashed in an instant, and then he kicked out.

Xuanyuanrong's body suddenly flew out like a kite with a broken string, and fell heavily to the ground.

This kick directly caused Xuanyuan Rong to vomit blood, and his face was extremely pale.

When everyone saw this, they drooled wildly. This was an exaggeration, and he kicked a Wuzong away with one kick.

After Xuanyuan Rong landed, David's figure also came to Xuanyuan Rong's body, he raised his foot and was about to fall!

With this kick, Xuanyuan Rong's brain will burst and die, and a generation of Wuzong will disappear like this.

"Mr. Chen, you can't..."

Seeing this, Zao Wou-Ki hurriedly stepped forward to stop David: "Mr. Chen, how can you say that this Xuanyuan Rong is also a member of the Xuanyuan family, you can't kill him in the Dharma Protector Pavilion, it will bring you a lot of trouble, and then our Dharma Protector Pavilion will also It's hard to do..."

David looked at Zhao Wuji, slowly retracted his feet, looked at Xuanyuanrong and said, "Go away..."

Xuanyuanrong climbed up with difficulty, looked at David angrily and said, "Boy, wait for me, I will definitely avenge this revenge..."

Xuanyuanrong left, David didn't take Xuanyuanrong's threat to heart, because there were too many people who threatened him, if David cared, he would have been scared to death by now.

Chapter 889

"Pavillion Zhao, let me introduce you..."

David glanced at the members of the Guardian Pavilion.

Zao Wou-Ki nodded: "Everyone gathers..."

With an order, all the members of the Dharma Protector Pavilion gathered tightly, standing upright one by one, with expectations and excitement on their faces.

"Just now you also saw Mr. Chen's strength. In the future, Mr. Chen will teach you and let you improve your strength in a short period of time. Now I announce that Mr. Chen will be the instructor of the Law Enforcement Pavilion in the future, and everyone must obey the instructor Chen. Dispatch, if you dare not to listen to Instructor Chen, just get out of here..."

Zao Wou-Ki said to the team members with a serious face.

"Who dares not to listen to Mr. Chen? I, Xu Shimao, can't pass this test..."

Xu Shimao added a sentence aside.

"Yes, follow the instructions of Instructor Chen..."

All the players shouted in unison.

The strength David showed just now had convinced these team members long ago. Even if Zao Wou-Ki didn't tell them, none of them would dare to be disobedient.

"Mr. Chen, please say a few words..." Zao Wou-Ki looked at David and said.

David nodded, and then said loudly: "I don't actually have much time to teach you anything, so most of the time you still stick to your own training, but I can write some of my own cultivation experience to help you improve faster. , the other is the aid of medicinal herbs, I can ask Yaoshengu to send some medicinal medicinal herbs that are helpful for cultivation, so that you can improve faster..."

David said lightly.

"Medicine God Valley Pill?"

This time, all the team members, including Zao Wou-Ki, were all stunned.

You must know that the medicinal herbs in Yaoshengu are not so easy to ask for. How many people go to Yaoshengu to ask for medicine, but they are finally blocked from the outside.

What's more, there are dozens of people in the Dharma Protector Pavilion, which requires dozens of medicinal pills. How could Yaoshengu give out so many medicinal pills to the Dharma Guardian Pavilion?

"Mr. Chen, the medicinal pills in Yaoshengu are expensive, and most people simply can't get them. We have dozens of people in the Dharma Protector Pavilion, which requires a large amount of medicinal pills. Could it be that Mr. Chen has some friendship with Yaoshengu? "

Zhao Wuji asked with a puzzled face.

David smiled slightly: "There is no friendship, but as the owner of the valley, I still have this right..."

"Oh!" Zao Wou-Ki snorted, but then he was stunned, as if he had reacted, and looked at David in shock: "Chen...Mr. Chen, what did you just say? Lord?"

"If it wasn't for the Valley Master of Yaoshen Valley, how could I dare to boast about such a large Haikou..."

David said.

David's words made everyone stunned, and they couldn't react for a long time, because David shocked them so much that they were now dumbfounded.

A few minutes later, Zao Wou-Ki reacted, his face was full of excitement, he really did not expect that David actually has such a first-level identity.

Now that David has become an instructor of the Law Enforcement Pavilion, wouldn't David be able to get the medicine pills that the Dharma Guardian Pavilion needs in the future?

"Long live Instructor Chen..."

I don't know who below shouted suddenly, and then all the team members shouted excitedly.

"Long live Instructor Chen..."

"Long live Instructor Chen..."

Soon, many couples rushed forward and lifted David high, because they were so excited that they didn't know how to express their excitement.

Zao Wou-Ki looked at David, his eyes were also very excited. With David's participation, the future of the Dharma Protector Pavilion may be brilliant, and it will not fall into such an embarrassing situation as it is now. The current Dharma Protector Pavilion is the grandmother. If you don't love your uncle or love, those aristocratic sects still look at the guardian pavilion.

Chapter 890

David wrote a book of his own practice experience overnight, and handed it over to Xu Shimao the next day, and asked Xu Shimao to lead people to practice according to his own practice experience, while David planned to go to Yaoshen Valley and ask Xu Changsheng to give it to him. The people from the Dharma Protector Pavilion practiced some medicinal herbs, and by the way, he practiced the black jade intermittent paste, so that Lin Tianhu and Chifeng would suffer less.

“Mr. Chen, why don’t I accompany you for a walk? Many people in Kyoto are looking at you now. Although my strength can’t help you, after all, my identity is here, and no one dares to really kill me...”

Zao Wou-Ki said with some concern after knowing that David was going to go to Medicine God Valley to get the medicinal pills for these people in the Protector Pavilion.

“Pavilion Zhao, now the international competition is coming, you should stay in the Dharma Protector Pavilion, I can go by myself, don’t worry...”

David smiled slightly.

“Then if there is anything, Mr. Chen will call me immediately. I still have some connections in Kyoto...”

Zao Wou-Ki was able to get into the position of the pavilion master of the Dharma Protector Pavilion in Kyoto, but he also had some means and connections. Otherwise, how could he have achieved such an important position.

“Okay!” David nodded.

But when David was about to walk out of the Dharma Protector Pavilion, he suddenly stopped, turned his head to face Zhao Wuji and asked, "Zhao Pavilion Master, do you know where Wuying Villa is?"

"Mr. Chen, are you going to Wuying Villa?" Zao Wou-Ki asked suspiciously.

"I have some friendship with Zhao Ligu, the owner of Shadowless Villa, and I plan to go and see..."

David has been separated from Zhao Ligu for more than a month. Now that he knows that Wuying Villa is a hall of Dragon Sect and is under his command, David thought about going to see it, and then went to the Protector Pavilion to get some medicine pills for Wuying Villa. .

Zao Wou-Ki pointed out the location of Wuying Villa to David. In a forest on the outskirts of Kyoto, Wuying Villa was located inside.

David came to Wuying Villa according to the place pointed by Zao Wou-Ki. Looking at the magnificent building in front of him, a manor with tens of thousands of square meters, David was a little shocked. He did not expect Wuying Villa to be so luxurious, but Looking at this manor, you can see that the Shadowless Villa is very powerful. It is no wonder that Zhao Chuang has no strength, but no one dares to offend him.

David walked to the door and saw two people from Shadowless Villa guarding the door left and right. On the door, there were two pieces of white paper, and there were white cloths hanging on both sides of the door. The two guards of Shadowless Villa were also Sad face.

"What happened to the villa?"

When David saw the scene in front of him, he felt a little stunned in his heart. He knew that something had happened, because the door would only be arranged like this when someone died at home.

The two guards glanced at David, became nervous and drew out their weapons. One of them asked, "Who are you? What are you doing here?"

"I'm a friend of your villa owner, what happened to your villa?"

David asked anxiously again.

"The villa owner's friend?" The guard frowned slightly: "Since you are the villa owner's friend, why don't you know what happened to our villa and say, are you a spy sent by the Perak Gate or the Xuanyuan family?"

The two guard knives have been unsheathed, and they are ready to start immediately.

"I said, I'm a friend of your village owner. If you don't believe it, you can report to your village owner and say that David is here. It's the same as your young village owner's report."

David hurriedly explained.

"David? Are you David?"

A guard looked at David in surprise.

"Yes, I am David Chen!" David nodded in confusion.

"Wait a minute, I'll report right away..."

The guard quickly ran towards the villa.

After a while, the guard came back, and Zhao Chuang came with the guard.
