Novel Married at First Sight Chapter 1911 -Hugh was well-informed, and Josh was well-informed as well.

With the corners of his mouth raised all the way, with a smile, he knocked on the door of Zachary's office.

Josh: "Zack, let me tell you a piece of news, I laughed to death."

Zachary looked up at him, then looked at his documents, and said: "What news can make you laugh to death, you have to be careful. Your wife has your baby in her belly."

Josh: "...F*ck you, are you cursing me? I will live a long life, and my wife will grow old, and we'll live to be a hundred years old together. No, I want to live to be more than a hundred years old. Don't say such unpleasant and unlucky words now."

The husband and wife would stay together until the end.

Zachary: "You're really greedy. I think it's enough to live to be ninety years old. There are still very few people who live to be a hundred years old."

Zachary talked about his friends like this, but in his heart he hoped that he and Serenity could live to two years old.

Josh sat down on the chair in front of his desk, smiled and said, "I just received a message, guess what it is."

Zachary: "You said it all, it's news that can make you laugh."

Josh: "...Can't you guess?"

"Boring."

Zachary put down the pen, picked up the mobile phone on the table, first sent a message to his beloved wife, and then looked at Josh, "Come on, I'm listening to you seriously now about the news that made you laugh so hard."

"Kevin, I mean your youngest, who actually went after the young master of the Queen family, the president of the Queen Enterprise, who is Donald's eldest son, all four members of Donald's family attended my wedding to participate in the wedding wine."

"I remember, you seem to be sitting at the same table." Zachary hummed, "Why did the youngest pursuit Young Master Queen?"

“He sent a large bouquet of roses to President Queen. I heard that President Queen happened to be in a meeting. Yes, Kevin was waiting for Mr. Queen in the VIP room for a long time, and when Mr. Queen came out after the meeting, Kevin sent him a bouquet. It scared the senior management of Queen Enterprise. The scene, I found it funny when I heard them describe it.”

This matter spread within the Queen Enterprise.

Then it came out again, and Josh received the news.

As expected of the young master Bucham of the Bucham family, he could receive any gossip due to his smooth ears.

Josh: “I didn’t even know that Kevin liked men. Fortunately, I know him so well. He didn’t harm me. Now that I think about it, I’m afraid.”

Zachary: “...”

“By the way, The wife Grandma May chose was not... oh, I forgot, I just watched the joke, so I was the one who was laughed at.” Josh suddenly recalled that Grandma May had chosen Hayden, the young master of the Queen family, for Kevin.

Grandma May naturally wouldn’t let Kevin marry a man and go home.

There was only one possibility, Young Master Queen was a woman.

If it wasn’t for Grandma May, Josh wouldn’t know that Hayden was a woman. It seemed that the Bucham family didn’t provoke the Queen family, so they didn’t investigate everything about the Queen family.

Zachary gave him a blank stare and said to him: “Josh, I found that after you got married, your IQ has dropped by a level.”

Josh was not angry after being stabbed for a few words, he smiled and said: “My wife hasn’t become stupid, and I’m not stupid either, it’s that young master Queen who pretends to be a man too much, and it’s been a long time, you go to Jensburg and ask around, who knows that Hayden belongs to a woman?”
