

A Man Like None Other

Novel

Chapter 2634

Seeing his senior brother being beaten, and disciples from the second elder's line all rushing from all directions, Fang Shu felt a little terrified at this scene!

After all, this is an inner sect, and the Second Elder's children are much more numerous than them!

There are only a dozen of them in total. If they fight in groups, they will not be opponents at all!

But David was not afraid, he just glanced coldly at the disciples of the second elder's lineage, but ignored them, and walked in directly!

Seeing this, the disciples of the Second Elder's line all retreated one after another, and no one dared to stop them. They were all shocked by David's aura!

"Kuang Biao, get out of here, you're looking for me, I'm here..."

David shouted angrily!

Kuang Biao had also rushed out of the room at this time, looked at the younger brother who was beaten, looked at David with cold eyes and said, "David, you should have destroyed my gate and injured our inner disciples, you are looking for death... .."

"I think you are the one looking for death!" David snorted coldly, and the Dragon Slaying Sword instantly appeared in his hand, "Not only will I destroy your gate, I will also destroy your entire mansion..." David finished

speaking, the body suddenly jumped up, and then the Dragon Slaying Sword in his hand exuded a piercing sword light!

"Hmph, just because of you, you want to destroy my mansion..."

Kuang Biao snorted coldly, and jumped up, holding an extra black ruler in his hand, with eight emerald green gemstones inlaid on the ruler!

"Mr. Chen must be careful..."

Fang Shu immediately reminded David when he saw the weapon Kuang Biao took out!

Kuang Biao held his arm for a while, and suddenly black mist filled the eight thousand barren feet, and a gloomy air continued to emerge, and the surrounding air was instantly icy cold!

Immediately after Kuang Biao flicked his wrist, Baganhuangchi erupted with an incomparably condensed black sharp edge, which slammed into David's sword light fiercely!

Boom.....

With a loud noise, David instantly blocked Kuang Biao's blow!

And David himself swayed twice before he stabilized his figure!

Seeing this scene, Kuang Biao raised his mouth slightly and said, "Boy, I have already broken through to the body-fit state. You are trying to rely on your powerful physical body to defeat me. It is impossible at all, and I will not be fooled again!"

" Looking at Kuang Biao calmly, he said coldly, "Even if you are promoted to the Fusion Realm, if I want to kill you, it will be like trampling an ant to death."
"But I don't want to kill you now, what I want is to

destroy you No one can stop me..."

After David finished speaking, the Dragon Slaying Sword in his hand instantly swung a sword flower!

"Nine Shadows Sword Art..."

Accompanied by David's roar, behind David, several figures exactly the same as David slowly appeared!

Seeing the same David in front of them, many people were dumbfounded!

However, Kuang Biao sneered and said, "It's just a small illusion, do you want to rely on illusion to defeat me? It's just a dream..." After Kuang Biao finished speaking, he flew

out directly, and swung the eight-foot barren ruler in his hand. A storm is approaching David!

Kuang Biao knew that the phantoms formed by these illusions had no attack power at all, and just a little breath could blow these phantoms away!

Facing Kuang Biao's attack, David was not ready to fight!

Several figures faced Kuang Biao, and David's body was already above Kuang Biao's head!

Boom...

The storm that Kuang Biao swung shattered David's shadow clones instantly, leaving no one behind!

When Kuang Biao saw this scene, he laughed straight away, "It's nothing but a trick, but he dared to make a fool

of himself..." But just after Kuang Biao finished speaking, he suddenly felt a terrifying aura erupting above his head!

And everyone looked up, with disbelief in their eyes!

Chapter 2635

Kuang Biao also hurriedly looked up, he was surprised to find that David appeared above his head at some time!

I saw David holding the dragon-slaying sword, the sword energy was like a rainbow, and countless sword lights shot out from the dragon-slaying sword, but these sword lights did not attack Kuang Biao, but went towards Kuang Biao's mansion!

Booming...

Under the slashing of countless sword lights, Kuang Biao's mansion began to collapse, countless pillars were cut off, and the smoke and dust rising from the collapsed house instantly drowned everyone!

"Run..."

Someone yelled, and everyone rushed out in a swarm, no one wanted to be crushed under the house!

David's sword directly destroyed Kuang Biao's mansion, but David seemed dissatisfied, but shouted again, a golden sword light shot up into the sky, accompanied by a dragon roar, the golden sword light turned into Found a golden dragon!

The golden dragon roared, and instantly destroyed all the houses connected to Kuang Biao's mansion. These are also the places where the second elder's disciples live, so David wants to destroy them all!

As the saying goes, coming but not reciprocating is indecent, Kuang Biao destroyed so many houses in the lineage of the three elders, it is impossible for David to destroy only one mansion of Kuang Biao!

Everyone looked at the scene in front of them, and they were all speechless, because in their impression, such a thing had never happened in the inner sect of Jade Cauldron Sect!

Fang Shu saw that David turned red-eyed and destroyed all the houses of the Second Elder's lineage. He knew that this matter would be difficult!

Fang Shu hastily sent someone to call the Third Elder, the Third Elder must come forward in this matter!

David destroyed so many houses in the inner gate, how could the Second Elder let it go!

If the Second Elder came and wanted to deal with David, then David would definitely not be the Second Elder's opponent, that's why Fang Shu sent someone to call the Third Elder to come!

In just a few tens of seconds, not only Kuang Biao's mansion was destroyed, but even the place where other disciples of the Second Elder's line lived was in ruins!

The golden dragon was also at the end, slowly disappearing!

Seeing the mess in front of him, Kuang Biao almost died of anger!

"David, I'm going to kill you, I'm going to tear you into pieces..."

Kuang Biao roared, and the anger in his body kept rising.

"Come on..." David had already destroyed the opponent's mansion, so the next step was to teach Kuang Biao a lesson!

Kuang Biao gritted his teeth, and the eight barren ruler in his hand kept getting bigger, and finally became more than one foot long, and the eight emerald green gemstones on it began to shine!

"Stop, are you going to destroy the entire inner door?"

Just as Kuang Biao was about to make a move, he suddenly shouted, followed by a figure from far to near!

Soon, the figure of the second elder slowly appeared, looking at the messy scene, the second elder was exuding endless anger, and the cultivation base of the third rank of the Composite Realm was fully revealed!

"Master, this guy ruined our mansion and even injured our people."

Kuang Biao pointed at David and said!

Snapped!

Just as Kuang Biao finished speaking, he was slapped severely by the second elder!

"Waste thing, can't you stop him?"

"And you still want to do it here, do you want to destroy all the buildings in the inner gate?"

The second elder reprimanded Kuang Biao. Keep your head down and stop talking!

If he and David really fight here, I am afraid that the buildings in the inner gate will not be spared!

After reprimanding Kuang Biao, the second elder looked at David coldly and said, "As a disciple of the Jade Cauldron Sect, you dare to openly beat your fellow sect and destroy the mansion in the inner sect. Put it in your eyes, today I will punish the third junior brother, and let you know the rules of the Jade Cauldron Sect!"

"Come on, arrest this David for me and put him in a water prison. Without my order, no one is allowed to release him..."

Chapter 2636

Following the Second Elder's order, disciples from the Second Elder's line rushed forward, ready to arrest David!

When Fang Shu saw it, he hurriedly led the disciples from the third elder's line to block David behind him!

"Why do you arrest people? Even if you want to punish, it will be punished by the suzerain. How can you get punished by your second elder?"

Fang Shu said loudly!

What Fang Shu said is correct, the rewards and punishments in the sect are all ordered by the suzerain, the second elder is not in charge of this, the second elder is only responsible for the distribution of materials and personnel assessment!

He has no right to punish other disciples of Jade Cauldron Sect, that's why Fang Shu said that!

But Fang Shu didn't know that his words had deeply hurt the Second Elder's heart. As the Second Elder, he had no right to reward and punish the disciples of the Jade Cauldron Sect. If Hu Yixiao wasn't around, his rights would be inferior to that of Nie Heng, the eldest disciple. big!

"You little disciple, you dare to talk to me like that, you deserve to die..."

The second elder was stung by Fang Shu's words, his brows frowned, and with a light wave of his palm, Fang Shu's body was instantly blown away !

Fang Shu fell heavily to the ground with a grim expression on his face, obviously seriously injured!

"Arrest that David..."

After Fang Shu was slapped away, the Second Elder ordered loudly!

At this time, David's eyes were slightly condensed, with killing intent in his eyes. Just as the disciples of the second elder's line rushed forward, David's body instantly burst out with a terrifying aura!

This aura was like a tornado, and instantly swept over the disciples of the Second Elder's lineage. More than a dozen disciples of the Second Elder's lineage were directly blown away, and fell heavily into the ruins one by one, their lives and deaths unknown...

Look When David dared to attack his disciple in front of him, the Second Elder suddenly became furious!

"Good boy, you are going to rebel..."

After the Second Elder finished speaking, he stretched out his hand to grab David, and suddenly a huge palm appeared in the void, covering David with the palm!

Seeing this, David held the Dragon Slaying Sword tightly in his right hand, and his eyes became very sharp!

Now David has no problem dealing with the Second Elder, but if the Second Elder joins hands with Kuang Biao, David will have to struggle a bit. After all,

the sword spirit Zhongli has not recovered yet, and the Dragon Slaying Sword can only display half of its strength!

Now the God King Bow is also lost, and the hole card in his hand is only a dragon pattern bell, but David dare not use that dragon pattern bell at will. After all, he has exposed too much now, and it is bound to make many people stare at him. !

Just when David was thinking about how to break the situation, Nie Heng suddenly appeared!

I saw Nie Heng holding the token of the suzerain in his hand, and said loudly to the second elder, "Second Martial Uncle, are you loudly destroying the entire sect?" Hearing

Nie Heng's words, the second elder took his hand back !

"Nie Heng, this kid beat up his fellow disciples and destroyed the mansion. I want to arrest him. What's wrong?"

The second elder looked at Nie Heng and asked!

"Second Martial Uncle, Master is not here. All the rewards and punishments in the sect are determined by me. I don't know if Second Martial Uncle has the intention to spy on the suzerain's position because of his arbitrariness?" Nie Heng asked the Second Elder

. road!

The second elder didn't expect that Nie Heng would dare to talk to him like this, but Nie Heng held the suzerain token in his hand, and in front of so many disciples, he couldn't refute anything, so he said, "Well, then you will give orders, you Hurry up and order this David to be arrested..."

"Second Martial Uncle, how can I give orders before the matter is clarified!"

Nie Heng said!

“Nie Heng, I fu**ing think you are trying to favor this guy. The facts are in front of you, are you blind?”

Kuang Biao insulted Nie Heng!
